Hey guys, it's W.P. here!

I'm gonna be translating this

“Unsou Gyoukai ni mo Makura Eigyou ga Arutte Hontou desu ka” trilogy then look up for another works that I can translate.

Btw, i'm just using multiple MTL's to translate a work and fix all derived sentences to make it corehent.

If you have any doujins that want to be hard-translated, you can email me thru [waddlingp@gmail.com](mailto:waddlingp@gmail.com).

Thank you!

Uhhh.  
Yes.  
Why?  
Is there  
anything  
wrong?

Hey  
Kaji-kun!  
Can I talk to  
you for a  
moment?

But,  
it's not  
my area  
though  
?

I'm sorry to  
bother you,  
something  
came up in  
my area.  
Would you  
like to go?

Isn't that  
the large  
company  
you are  
talking  
about?

Well, that  
is right.  
But they  
told me  
that they  
wanted  
you to  
come.

I don't know the details, but, they are one of our bigshot customers. I shouldn't be rude.

I wonder what they would like me to help with, I've only been here a few times so I don't have any clue.

Oh yeah, about that. It is in the back room for the time being.

Well, today's service, is it a pick up?

Hello! Thank you for your patronage. I'm from Fukuto Flight.

Oh? From Fukuto? I was waiting.

First sit  
down.

I do for  
you?

chairman  
found you  
on the list  
of Fukuto

He seemed  
interested  
in you

Me?

Today, I  
want you  
to do  
something.

?!?

Don't be  
surprised.  
We need to  
do  
something  
first before  
you can  
meet him.

He wants  
to see  
you. It's  
just, our
