Eunhye's Supermarket 01

Even before the entrance ceremony, I had the formula of college life = dating

But on the day of the entrance ceremony, I knew my formula was ruined

I didn't know there were so many guys in science...

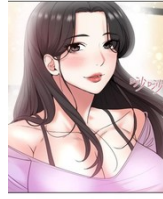

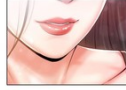

There was no way out

But there was one hope in this place...

That hope...

A fresh smile...

The innocence of that sister

The super goddess in front of the school...

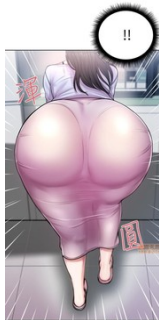

Finally, who has a pretty face, cute, and unique, belongs to all of us

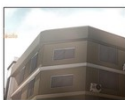

No one has really talked to her before, but everyone thinks the same thing...

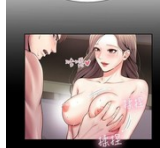

She is the best part of this supermarket.

I got to look at
and touch her nipples
so much

Plus she's a
older student

A high school girl
doesn't compare
to her

She's amazing in
bed

Her body and moans were amazing

She was like a bitch in heat

We decided to stay on good terms

If you were born a man, you should do things like that, don't you think?

Yes...

Since Lee Ji-Yeon has been taken by me...

Huang Na-yeon, who specializes in chemical engineering, is also a candidate

But before joining the army, my ultimate goal is the big sister of the supermarket

Since Lee Ji-yeon has been taken by me...

As long as you're with me, I'll be with you. I'll be with you. I'll be with you.

Enhye's Supermarket

Hyun, don't you turn off the light?

Yes... yes?

Aaaahh!!!

It's embarrassing.

Aaaaah ♥

Haaaah ♥

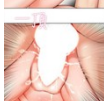

Haaaaah ♥

Ahhhhhh ♥

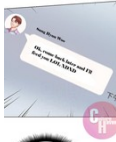

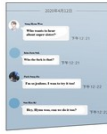

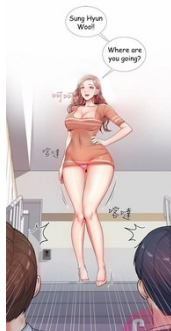

Are you done yet? ♥

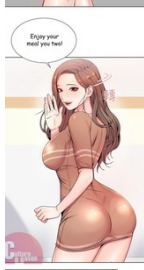

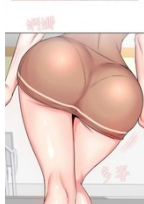

Why doesn't my magic
Echho...

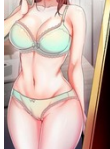

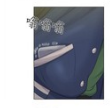

S.E.X.

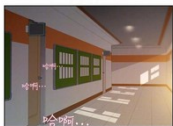

Top of the top,
middle of the middle,
and the bottom
of the bottom.

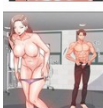

Eunhye's Supermarket

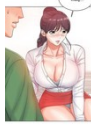

After employment with the store.

Wow... that
must have been
a disaster!

But why did I have
to bring her here?

And her chest?

How... how
could I have
done that?

They were so
soft...

What about
me... I'm
harder!

It's impossible for
me to be a
woman's... partner!

Right...
the woman!

Perhaps?

With
confidence!

What's
that?

...?

I'm not drinking
that anymore!

What about it? It
will be a long time
before you do that!

Yes, but I...

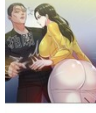

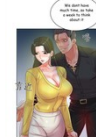

If you're not in a position to...
I don't know, maybe you're just...

Let me get this...
One day they're...
I don't know, maybe you're just...

I don't know, maybe you're just...
I don't know, maybe you're just...

Oh, you're...
I don't know, maybe you're just...

I don't know, maybe you're just...
I don't know, maybe you're just...

What are you...
I don't know, maybe you're just...

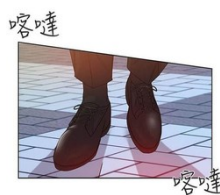

I don't know, maybe you're just...
I don't know, maybe you're just...

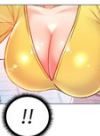

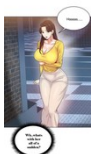

What are you...
I don't know, maybe you're just...

I don't know, maybe you're just...

It's enough that she's like you...

It's not like you're thinking about...

How happy?

It's not... it's not...

Wowwww!

It's...uh...!!!

Her mouth...!!!

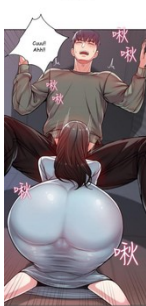

It fits so good!!

Wait! If you stick it in deep--

I feel like... I'm going to come!

I need to try and hold on!

But I don't know if I can!

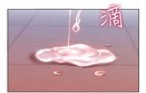

嗚嗚

My first year of college...

The same problem in front of the school...

Scene 01

That's right... just a minute ago...

The best sex ever!

Just thinking about it...

Make my milk hard again!

She has milk!

No... She looks...

No...

No! What?!

No! What?!

Should I be happy about it then?

Not that kind of "happy" is it?

Maybe I should read a book?

Yes?

This won't be so hard will it?

Then... let's have an all-out search!

I don't know...

I think everything will work out somehow.

Oh... there's a message!

The right hand!

Shades
I want you to wear this on the way home.

Shades
I want you to wear this on the way home.

Shades...

Shades is here.

Shades is here.

Shades is here and there too...

Why don't you...
I'll be there.

If she is....

Then you shouldn't even have to think about it

Do what you want to do

Do what I want to do?

Well...

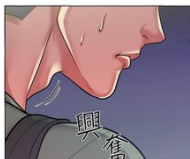

Emhyy...

She seemed pretty desperate earlier...

Well then...
Maybe I can let her use more than her mouth...

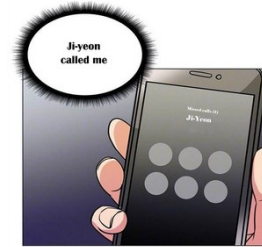

Should I get her to do more?

They were all looking at her with admiration.

It was a small, round object.

She was looking at him with a surprised expression.

She was looking at him with a surprised expression.

She was looking at him with a surprised expression.

She was looking at him with a surprised expression.

Now Dave too? If you do that....!

It's gonna keep growing!

Oh!!

To be continued...

...

This is driving me crazy

It doesn't matter what you...

Remember to always be real

...

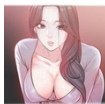

I can guess you have
about a woman's mind...

Is he...?

He's not a virgin...?

Light...

Heard an 'F'...

Something's wrong...

What...?

Oh, Shiori?

What's happening here now?

I suddenly heard the door...
I heard it...
I heard it...
I heard it...

I want to go out the backdoor...

What's happening here now?

I heard...
I heard...
I heard...

What's...
What's...
What's...

Why she's doing this...

But what kind of man would
take this down!

Let's go
party party all night
oh oh oh

And many many
good times
oh oh oh

Having with
the drinks
oh oh oh

When is Aoyun
comes back?

What's taking
Aoyun so long?

You got one
bad speech

What is
Chung?

He said he was
going to the
conference

Really? I guess
she said she
was going to
the conference

NO WAY??

How did I
get here?

I can't think of
anything else...

I don't know
what's happening

Wow... that's so hot!

I want to suck those!

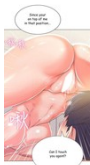

Her small chest is so much better
