Eunhye's Supermarket 01

Even before the entrance ceremony, I had the formula of college life = dating

But on the day of the entrance ceremony, I knew my formula was ruined

I didn't know there were so many guys in science...

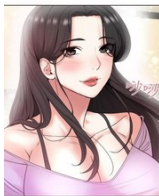

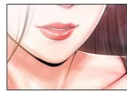

There was no way out

But there was one hope in this place...

That hope...

A fresh smile...
The innocence of that sister

The super goddess in front of the school...

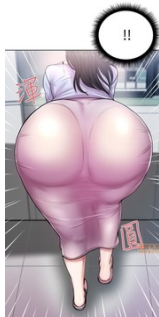

Finally, who has a pretty face, cute, and unique, belongs to all of us

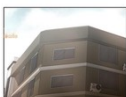

No one has really talked to her before, but everyone thinks the same thing...

She is the best part of this supermarket.

I got to look at
and touch her nipples
so much

Plus she's a
older student

A high school girl
doesn't compare
to her

She's amazing in
bed

Her body and moans were amazing

She was like a bitch in heat

We decided to stay on good terms

If you were born a man, you should do things like that, don't you think?

Yes...

Since Lee Ji-Yeon has been taken by me...

Huang Na-yeon, who specializes in chemical engineering, is also a candidate

But before joining the army, my ultimate goal is the big sister of the supermarket

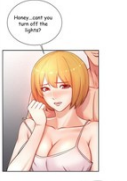

Since Lee Ji-yeon has been taken by me...

As long as you're with me, I'll be with you. I'll be with you. I'll be with you.

Enhye's Supermarket

Why don't you turn off the light?

Yes... yes?

Aaaahh!!!

It's embarrassing.

Do you want rumors to spread about us at school?

It's ok- it doesn't matter to me

Wow senior~

You love to do thrilling things!

She says it's not good!

Well... it's not so bad as you think!

It's not that good!

Who says that you're not a good artist?

That's what I think!

The name is Chae Jung-Bong?

I'm just...

I thought he was like...

It's really not that good of a job!

Well, I mean... you're not a bad artist!

The artist would be the one who I can't see here!

Really...

That's really about that!

Haah... Chae...

Oh... well...

This is... interesting!

Oh...

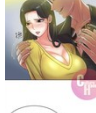

If you're not in a position to...
I don't know, maybe you're just...

Eunhye's Supermarket

Is this really it?

It looks like you're looking for a... a... a...

What's going on with her? What's her name?

What are you thinking about?

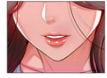

I see!

Look at her.

No, this isn't it...

It's enough that she's the girl...

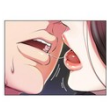

Wait!

It's not like you're thinking about...

How happy?

It's not... it's not...

.....

That was your first kiss, was it?

I know your name, it's the only name I know.

How did she know?

But that wasn't my first kiss. Why would you say that?

.....

So now...this is embarrassing.

I got bored from your kiss.

.....!!!

.....

It's hard to say, is it not?

It's almost... wonderful, like... this.

There's just... something about it.

We haven't even started yet, but it's so... interesting.

I might come at any second.

Wowwww!

It's...uh...!!!

Her mouth...!!!

It fits so good!!

Wait! If you stick it in deep--

I feel like... I'm going to vomit!

I need to try and hold out!

But I don't know if I can!

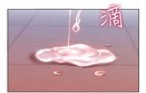

嗚嗚

My first year of college...

The same problem in front of the school...

Had her face covered with my...

I must have been...

But I think I can do better!!

Scene 01

That's right... just a minute ago...

The best sex ever!

Just thinking about it...

Make my milk hard again!

She has milk!

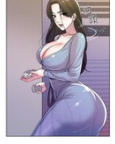

Zip your pants up

Sky...

I feel what you mean!

What's that?

No... She said...

No...

So that's it?

So it's that?

Should I be happy about it then?

Not that kind of happiness is it?

What? I should not be sad?

Yes?

This won't be achieved will it?

Then... do I have to do that?

I don't know...

I think everything will work out somehow.

Oh... there's a message!

Oh... my god!

If she is....

Then you shouldn't even have to think about it

Do what you want to do

Do what I want to do?

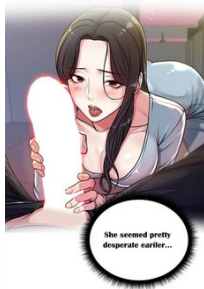

Well...

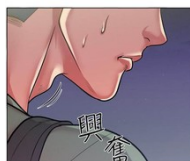

Emhyy...

She seemed pretty desperate earlier...

Well then...
Maybe I can let her use more than her mouth...

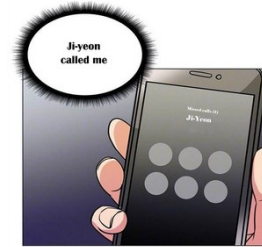

Should I get her to do more?

Through all that, she still looks so good!

Where are you?

Looking for you...

What...?

Oh, Anissa?

What's happened here now?

I remember that the woman...

I want to go to the bathroom.

Oh, bathroom sign?

Why she's doing this...

But what kind of man would
take this down!

Let's go
