

I...ll
be ...
crashed...

Slime drew
her into
the bucket.

They are
digested
in such a
small place.

I can not
put me in
such a
thing ...

Slime is
weak, but
predation
is ferocious

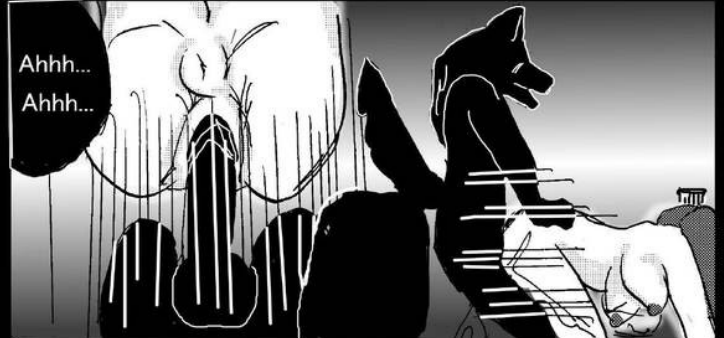

She has become a brave man's energy tomorrow.

It is the whole scene of Wolf monster

It is an intellectual monster.

Ahhh... Ahhh...

ウウウウ

Meal time also has a role of libido processing.

In the case of the senior monster marker

She eats food with ease, whether she is a bitch or not.

Include her fallopian tubes.

She gave birth to the egg to the maximum extent.

In her mouth and her pussy, her ...

Mamaid
can
hypnotize.

fellatio
fellatio

While they
do sixty-nine,...

!

She snaps
at her.

She was fed
into the
body as
a bait.

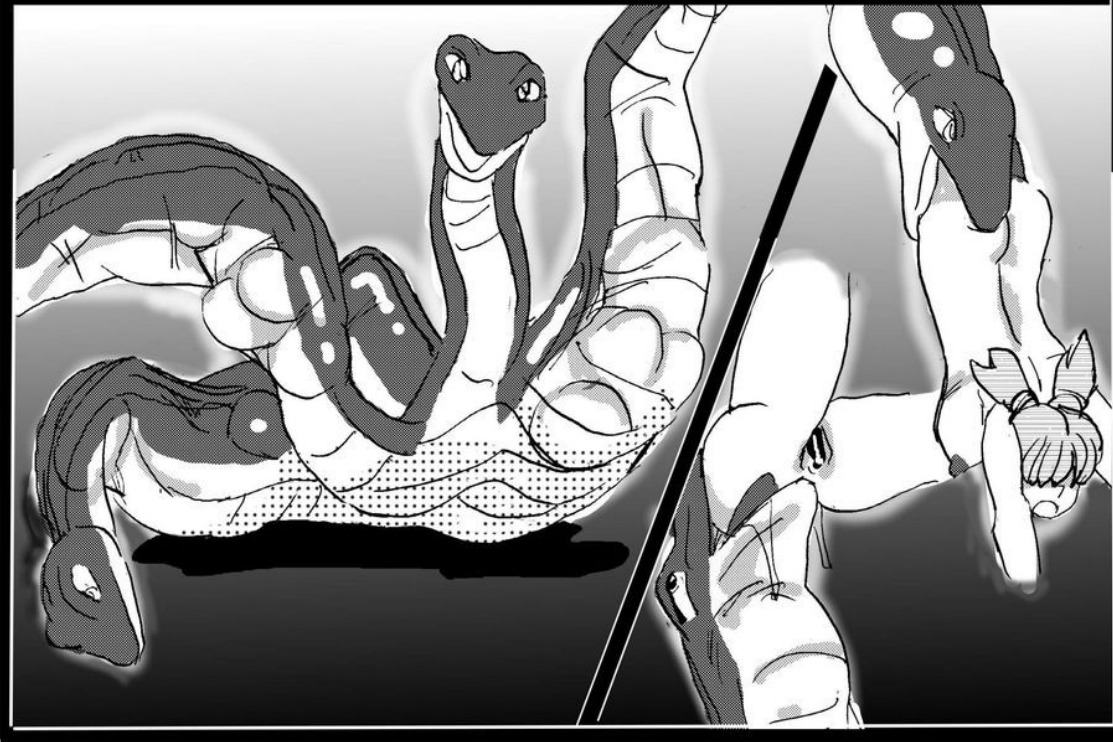

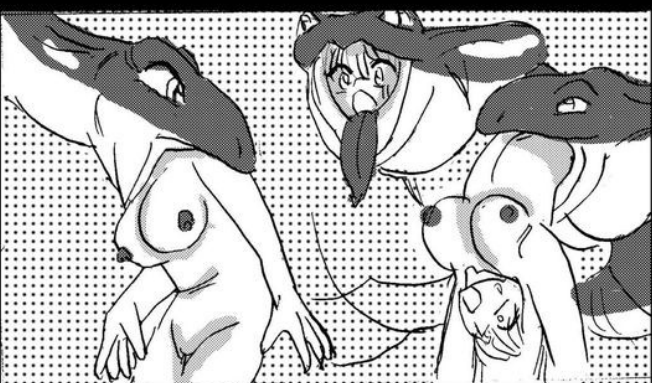

I will show
Hydra at
the end
He has many
mouths and
eats many
women

His
stomach
is only
one.

He encloses
them with
his heads.

He ate a lot of women this time.

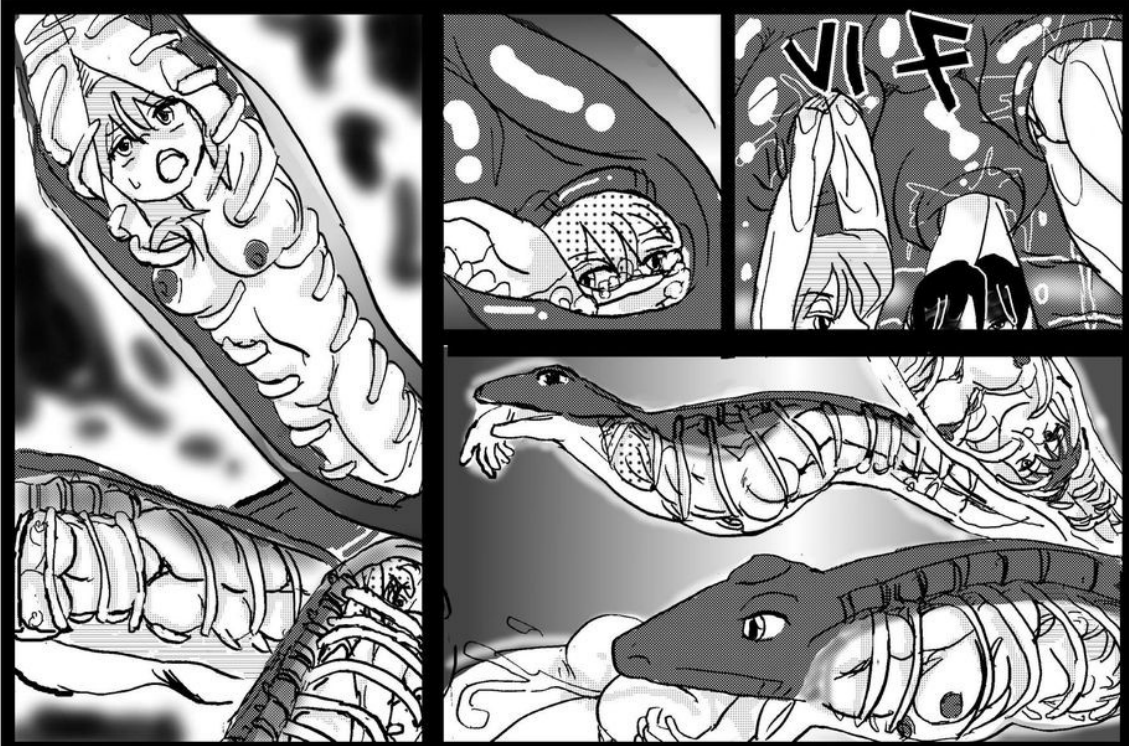

He swallowed more than ten women by multiple heads.

They are packed into one of the stomachs.

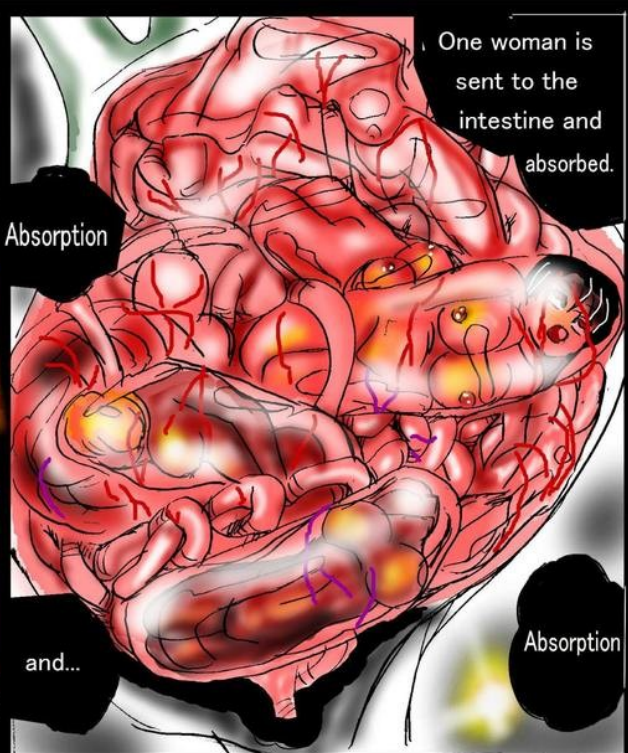

We are jam-packed! We'll be crushed

This liquid is gastric fluid.

His tough stomach is strong enough to digest the women inside

One woman is sent to the intestine and absorbed.

Absorption

and...

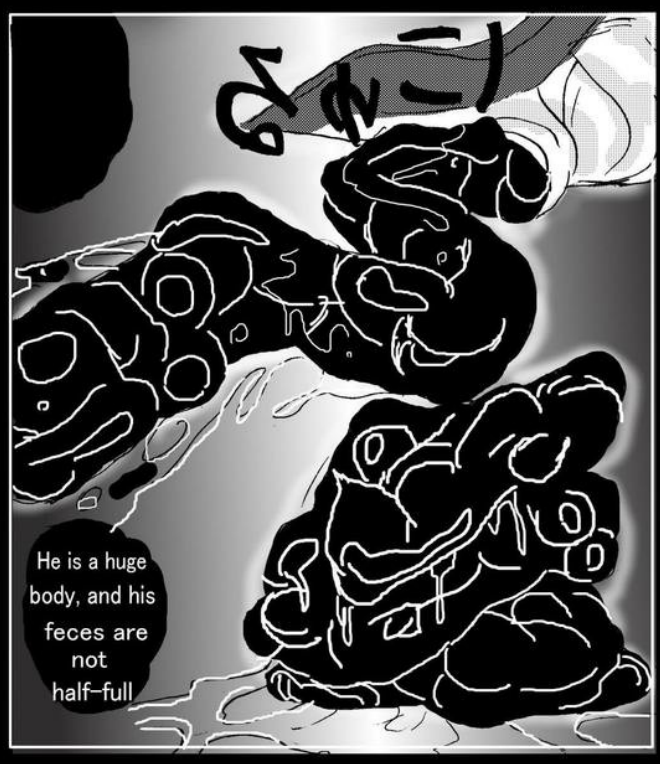

Absorption

And it become a large amount of feces

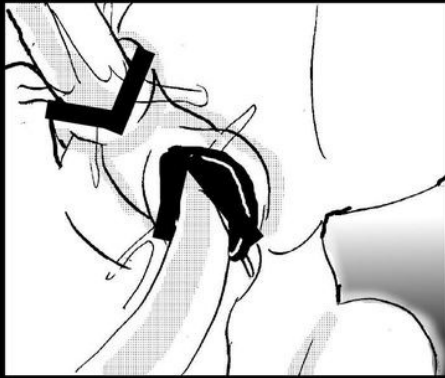

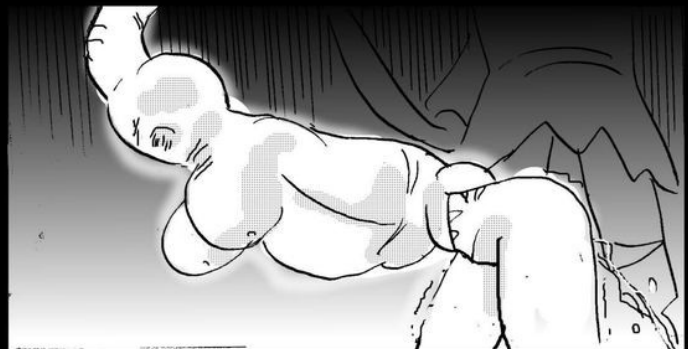

He makes an excretion that connects them from his anus

He is a huge body, and his feces are not half-full

I am a geat demon...

To feed them is also the work of the devil.

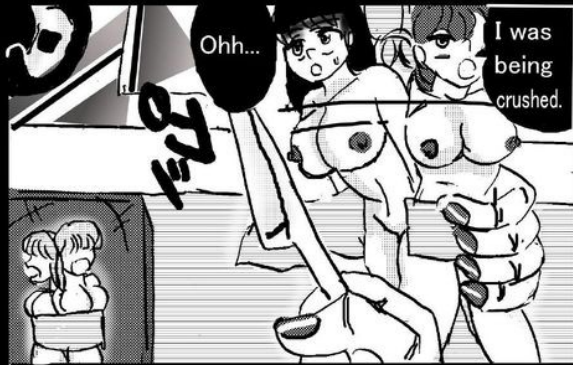

The farm is there for that.

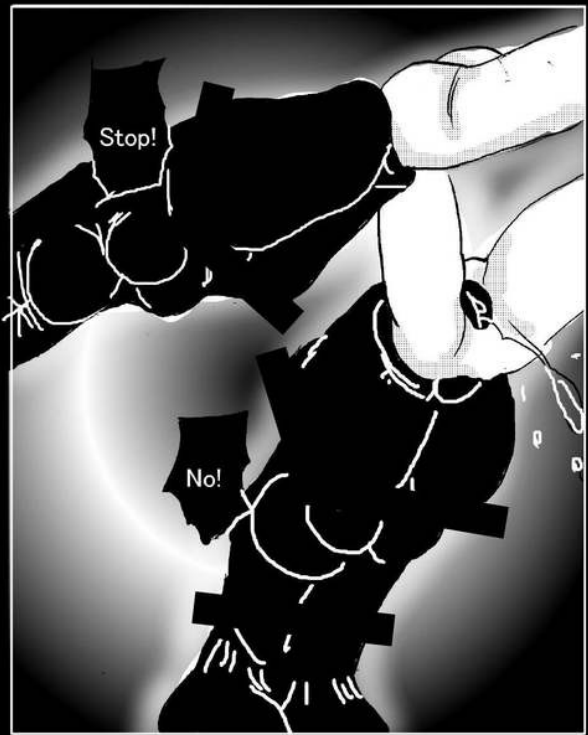

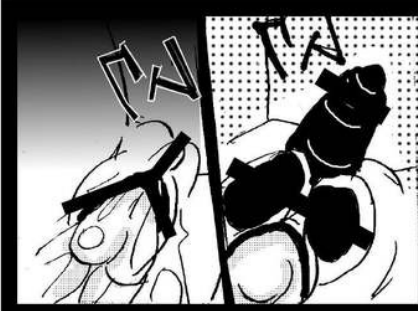

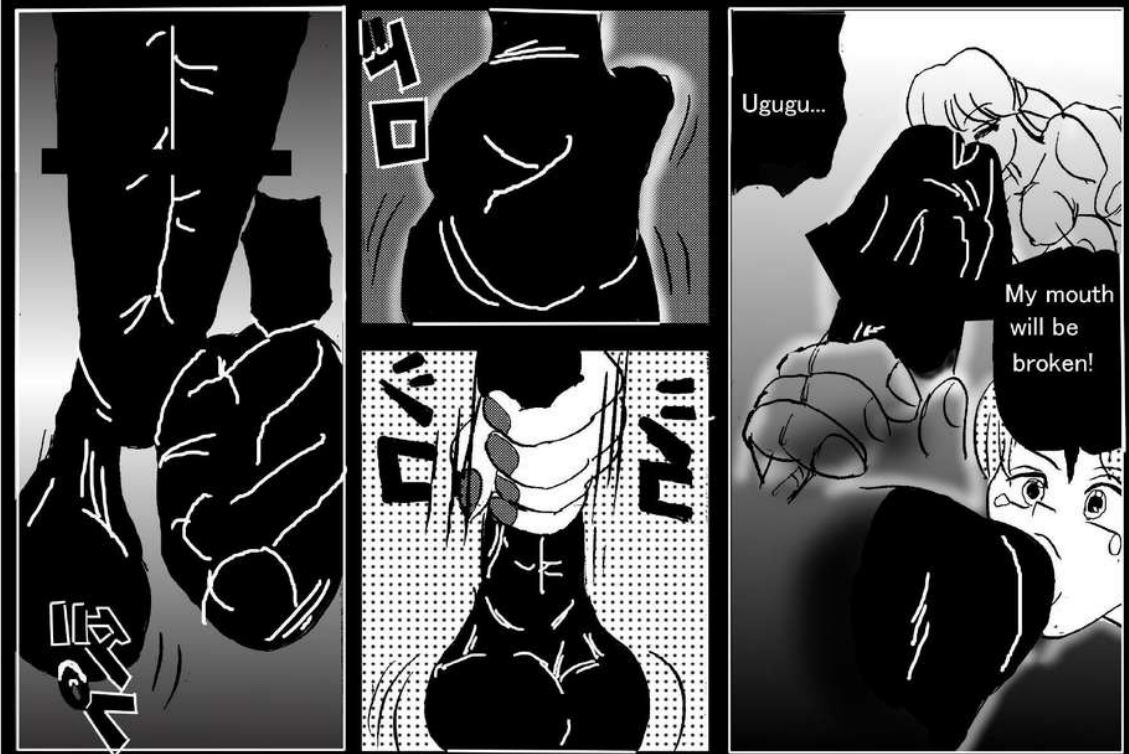

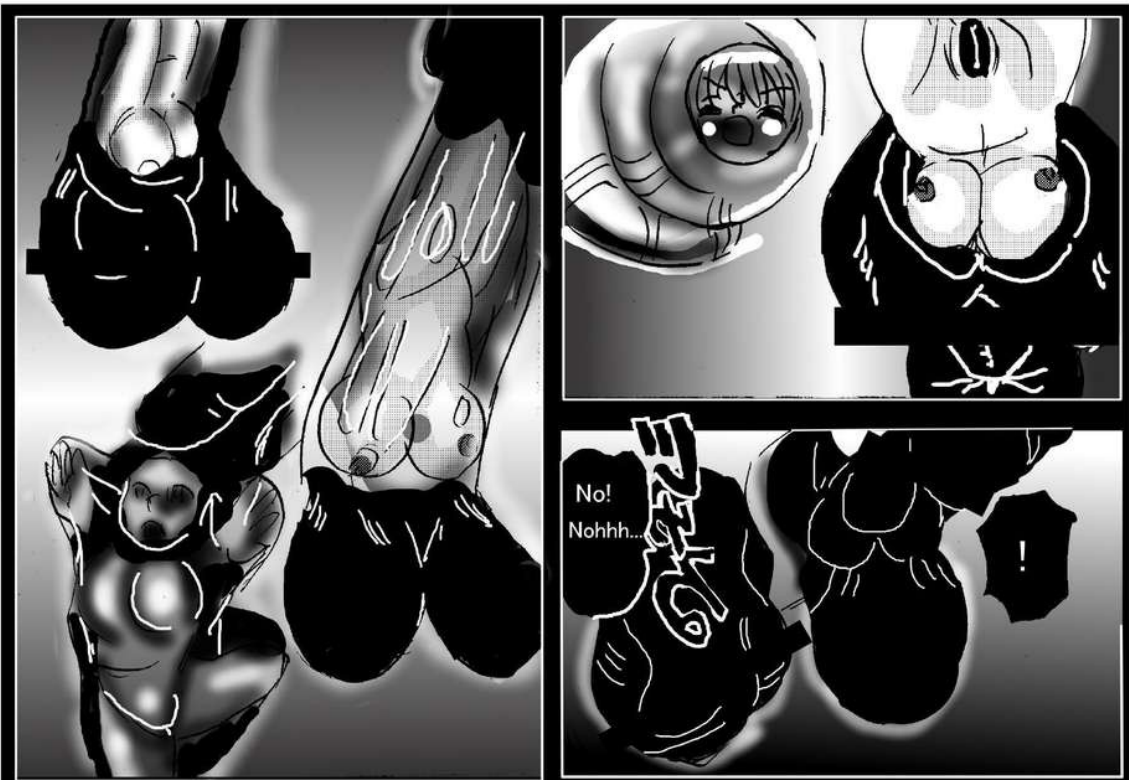

I never show meals to others
