I haven't seen Onee-chan in close to a year...

Th-That's a lot to ask...

That's right, and she left this stupid note...

Do you have some kind of idea where she is, Souta?

I'm going to find myself. Please don't look for me. -Shizuku-

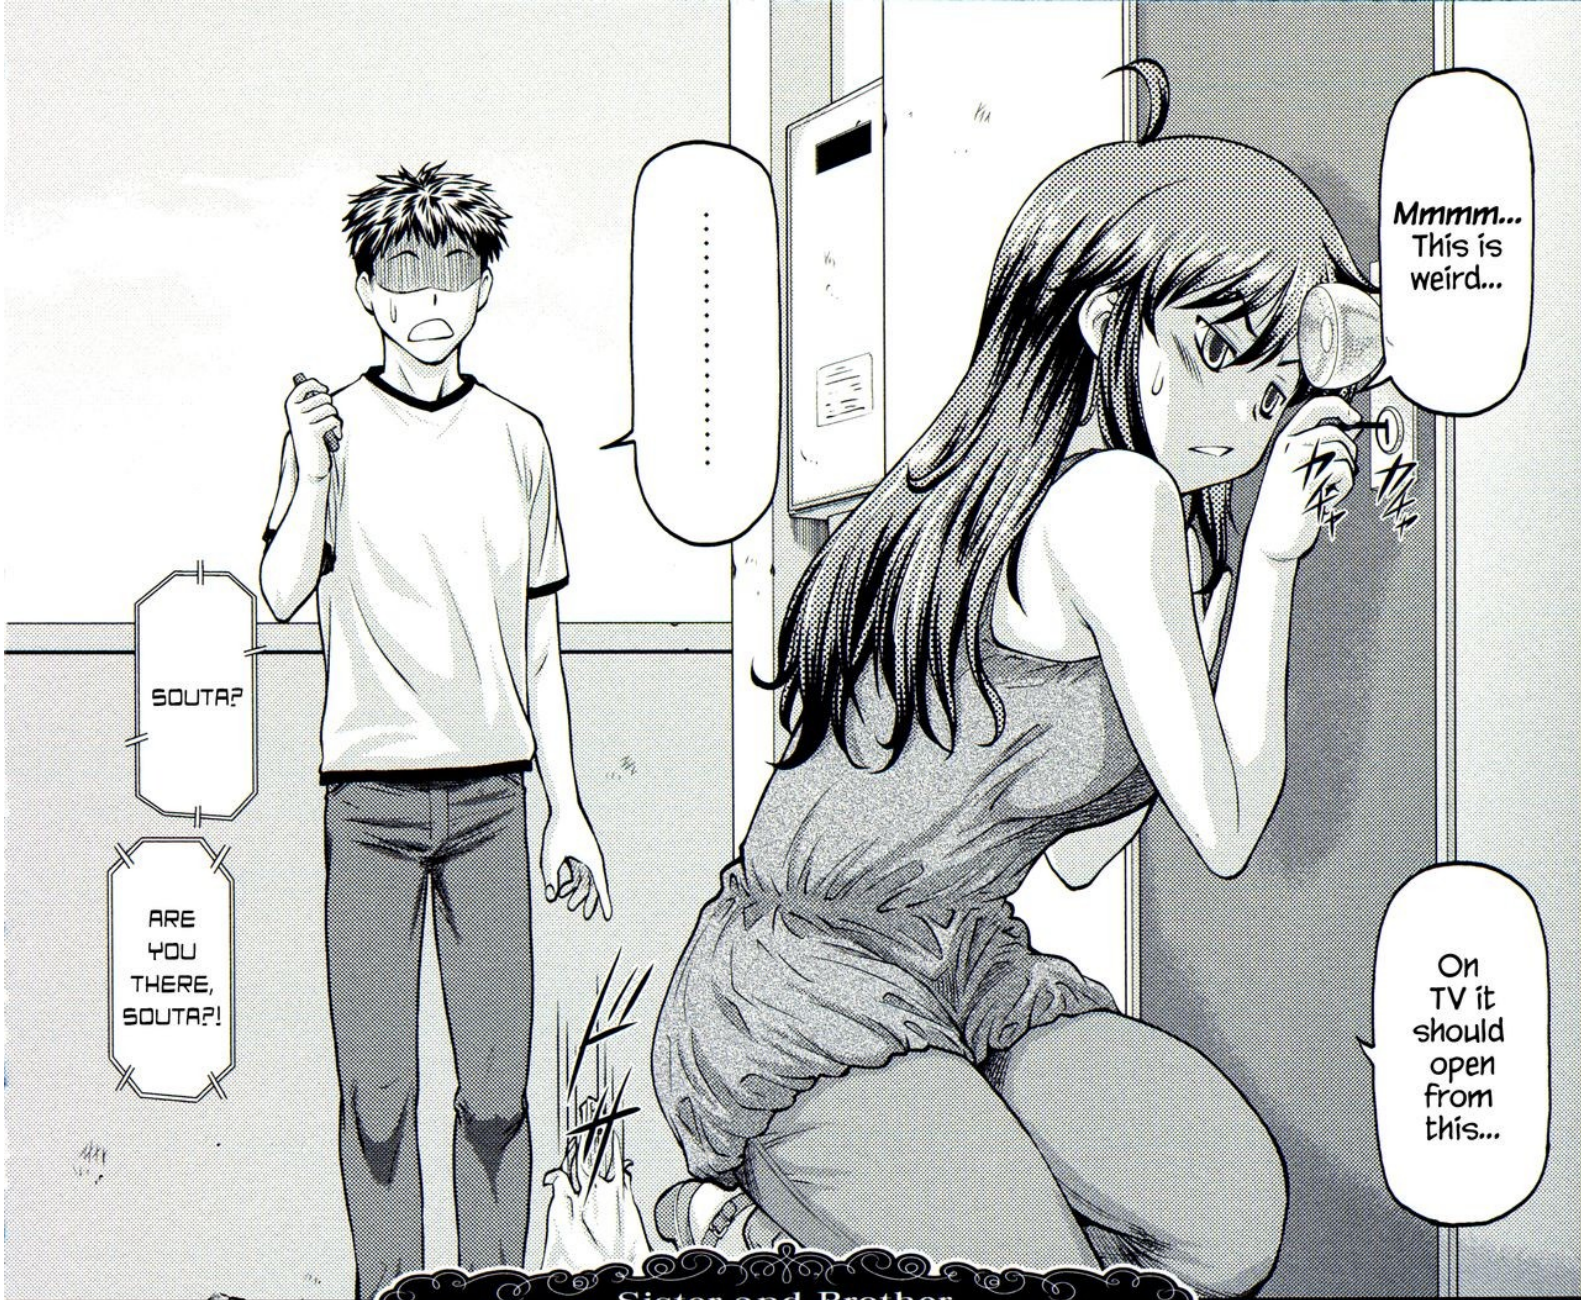

She's definitely just off playing around somewhere and she'll be right back...

I- It'll be fine, Onee-chan's done weird stuff since forever, hasn't she?

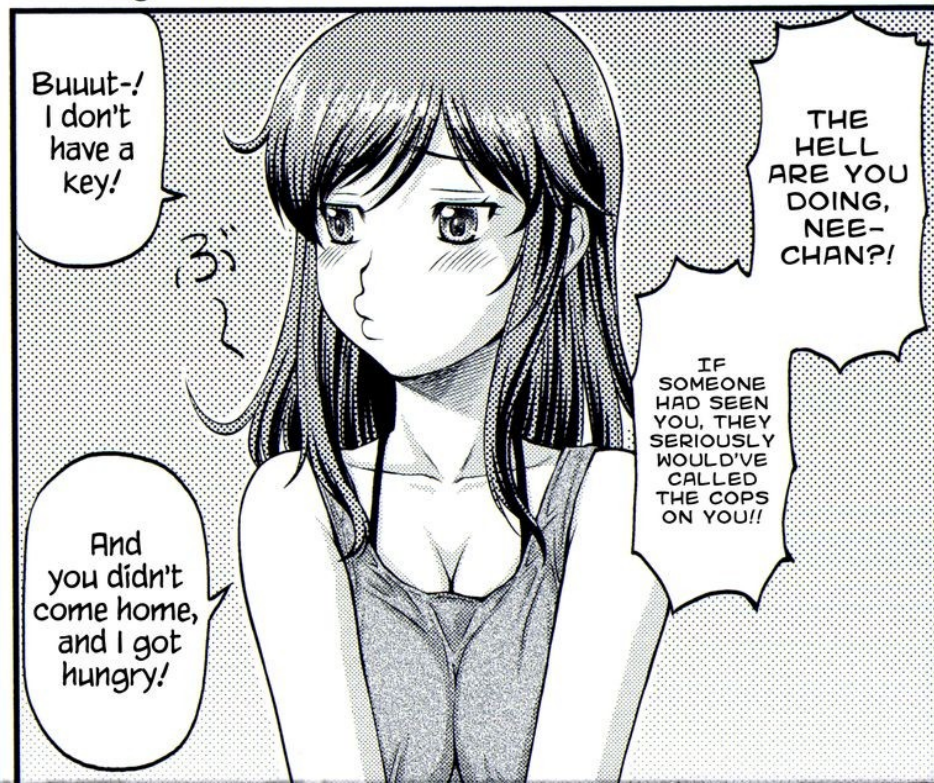

OH THAT'S SO COLD OF YOU, AND YOU TWO GOT ALONG SO WELL!

AREN'T YOU EVEN REMOTELY WORRIED ABOUT YOUR ONEE-CHAN?

Sister and Brother

シスラブラ

So you wouldn't want to sleep over!

First of all, there's only one bed, so where do you plan to sleep?

LET ME SPEND THE NIGHT! LET ME!

PLEASE, SOU-CHAN!

AND PLEASE FEED ME!

D-Don't beg like that...!

That's fine, we can just sleep together! We're siblings!

T-There's no way I would...

W-What crap are you going on about?

Ahh, or is it that if you sleep with Onee-chan you'll be so nervous you won't be able to sleep?

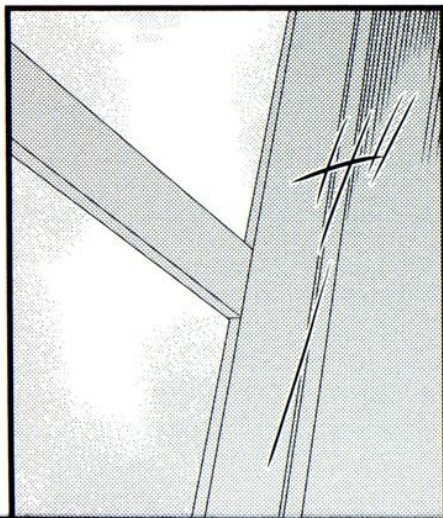

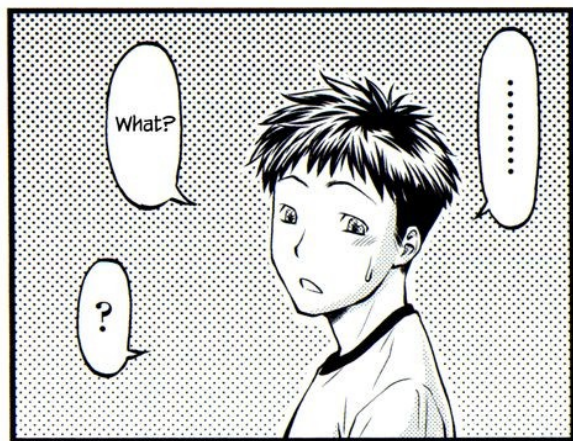

Ahhh, that was great! ♡

Thanks for the food~!

UGH... IT ENDED UP LIKE THIS AFTER ALL...

Alright, then there's no problem!

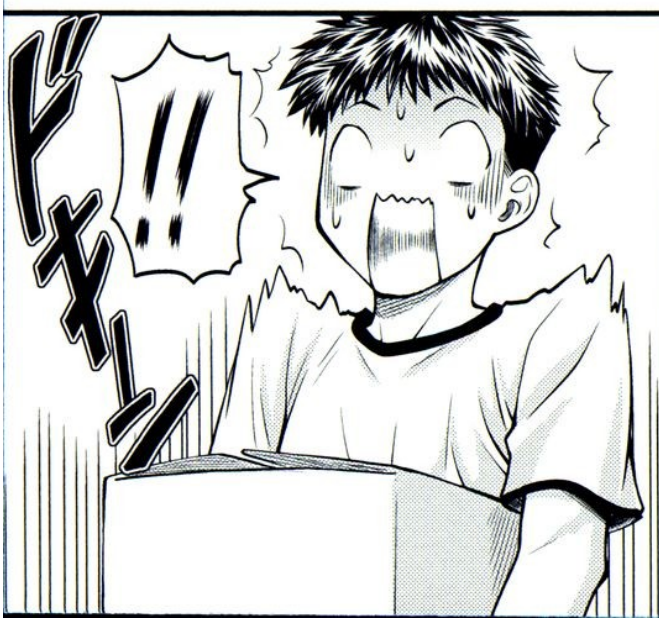

Nngh...

THAT SHE ABSOLUTELY WON'T FIND THEM!

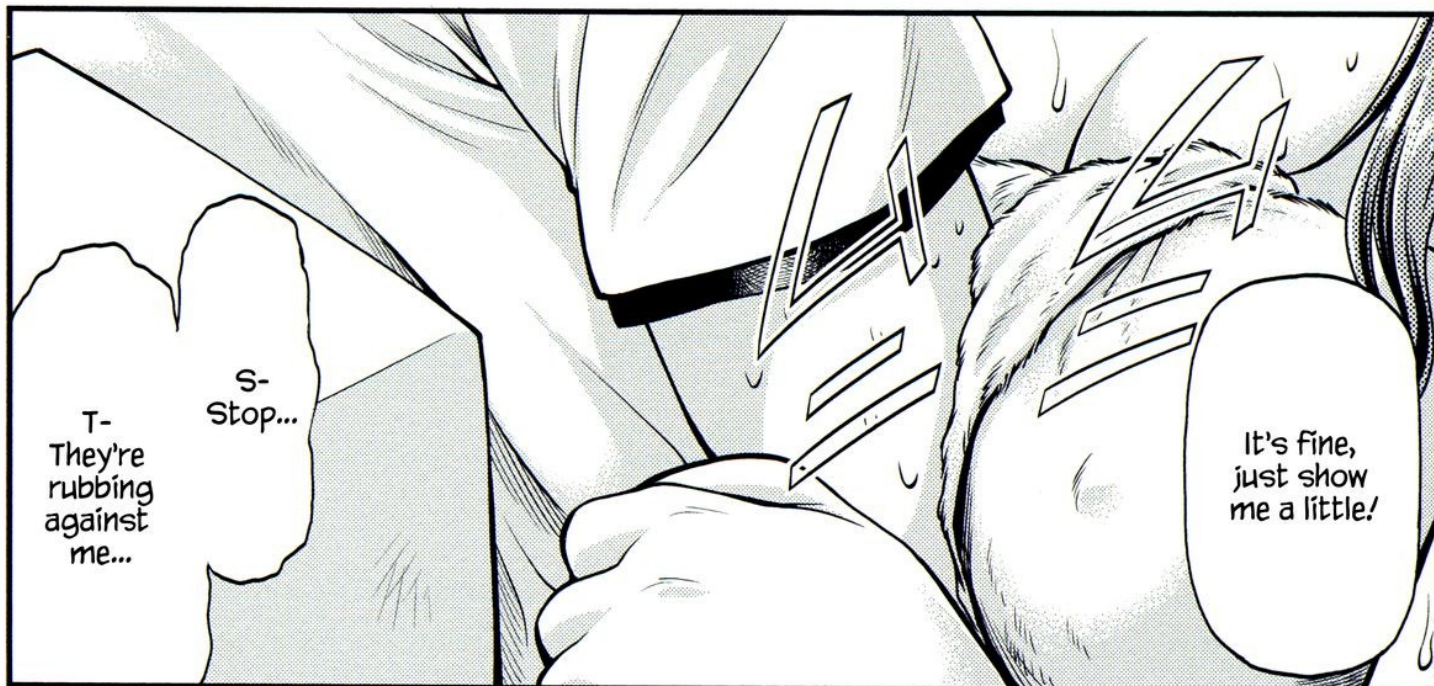

I'VE GOT TO PUT THESE SOMEWHERE...

AL-RIGHT!

Hey, Sou-chan, can you bring my shampoo and conditioner from my luggage?

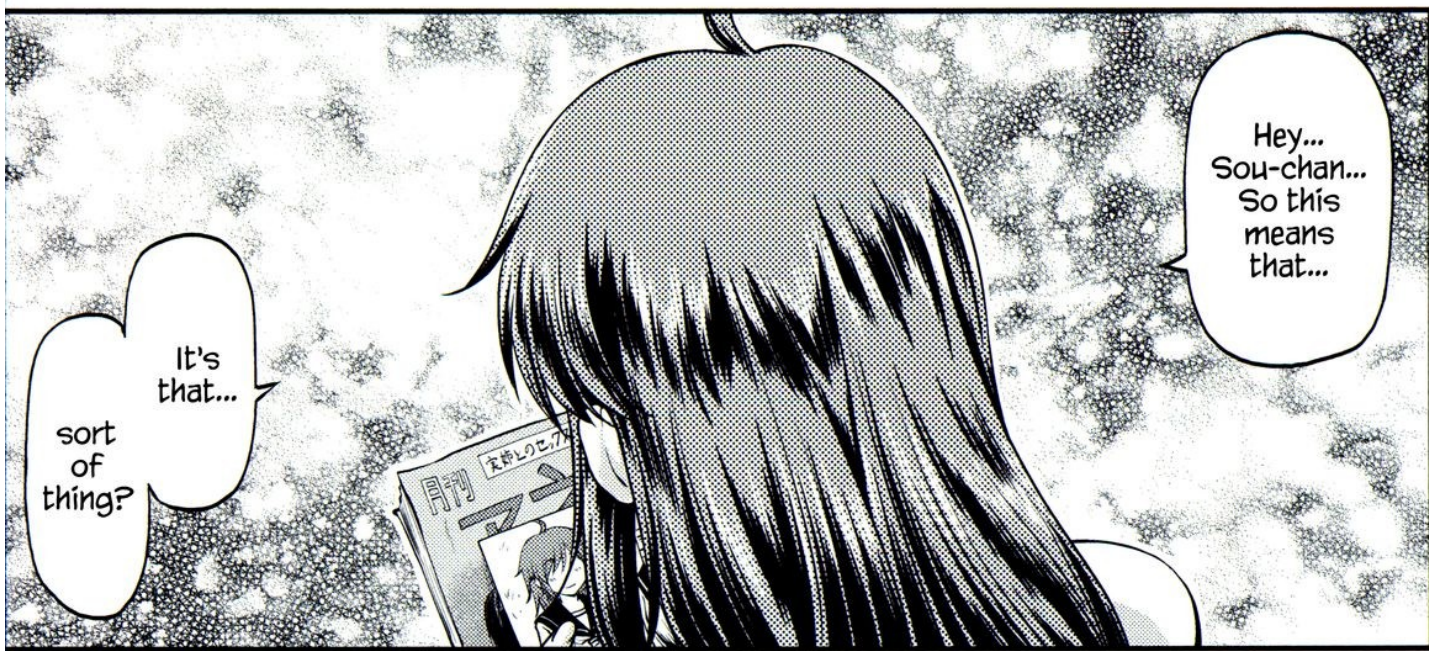

They're all about older sisters...

And there's even a pic of me...

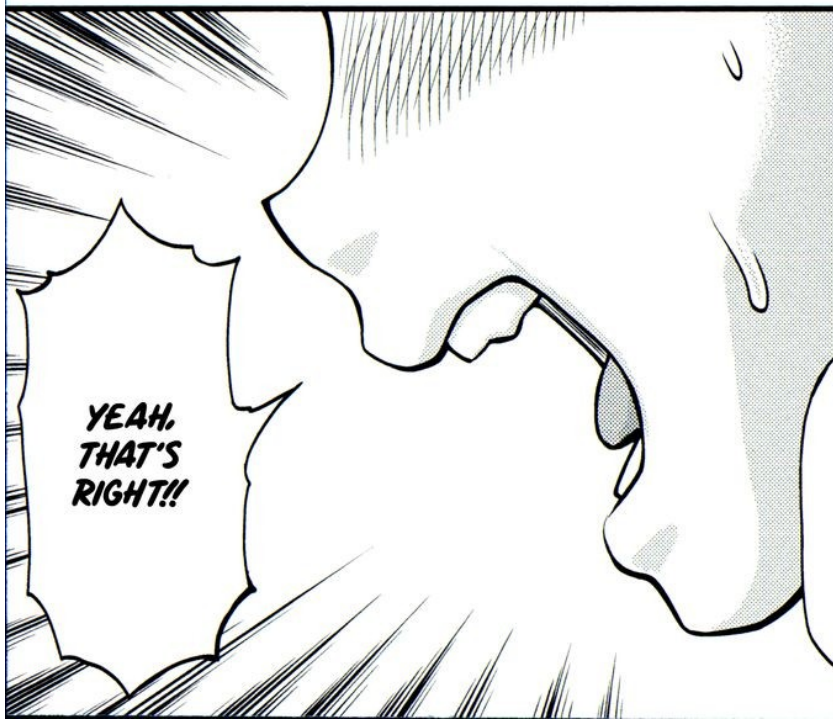

W-Whoa, this is...

It's that... sort of thing?

Hey... Sou-chan... So this means that...

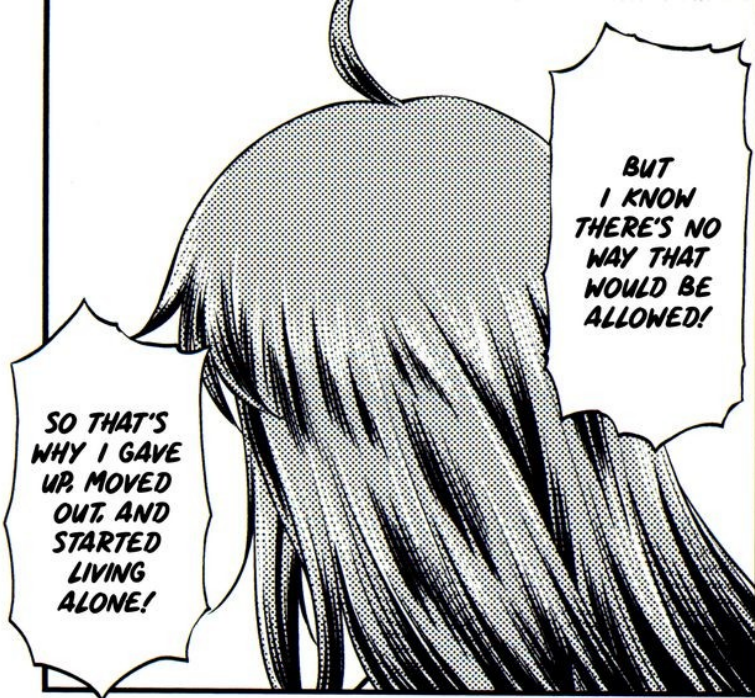

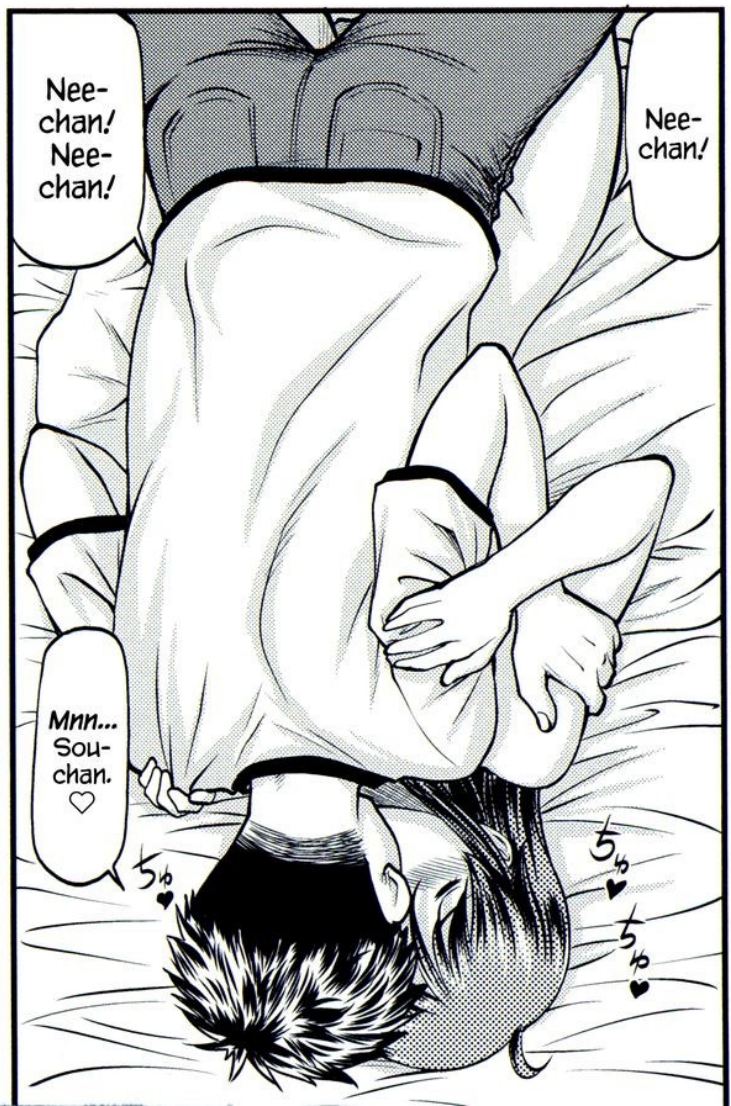

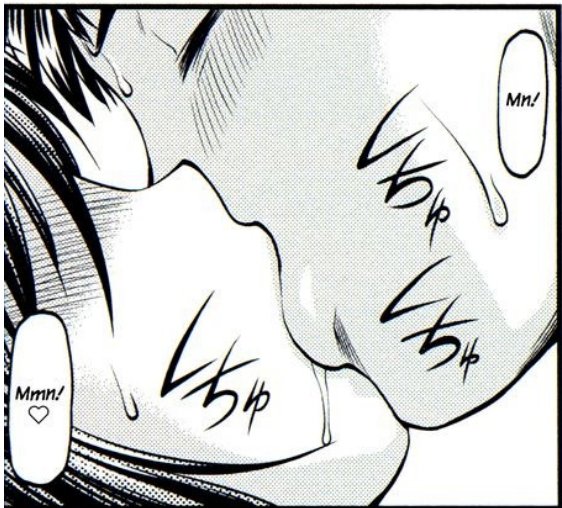

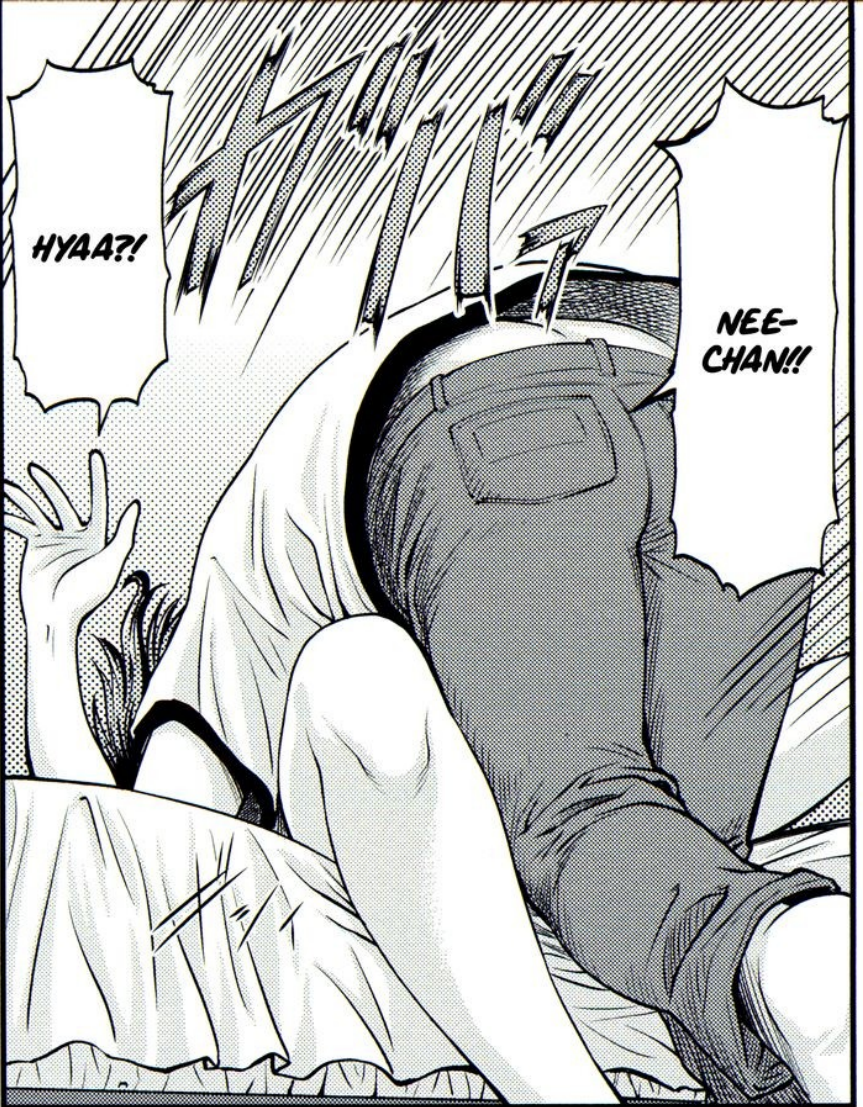

YEAH, THAT'S RIGHT!!

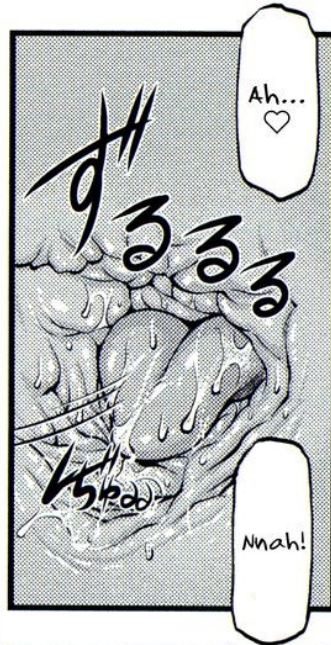

Have you thought of me that way...

Really? I'm glad.

Me too...

I've wanted to do this with you for so long.

When you went away, this gaping hole opened in my heart... and I kept... covering it up.

Ehhh, that's al-right. Your cooking is incredibly bad.

I'll make some food for you to-morrow, OK?

That's so mean! And I even planned to wear a naked apron for you~
