

In my life

What should be the best moment?

What should be the best moment?

What should be the best moment?

What should be the best moment?

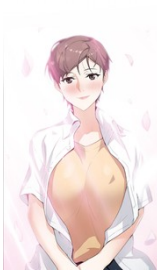

APRIL 2010

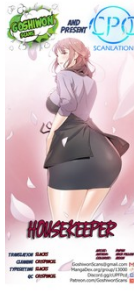

For someone like me who is 26 years old

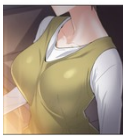

That was the best moment of my life

Do feet die out?

She didn't let me touch her body

I was prepared for a whole year

Don't tell her why not if it

She has an older brother

What about the situation?

Come on, come on

...

Let's promise

Do these things are

Certainly

We promised that we would be together forever

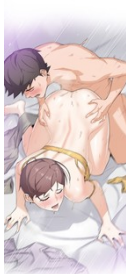

It's like her and it's very sweet

I had sexual feelings with her

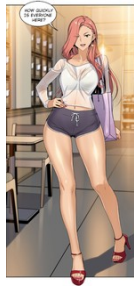

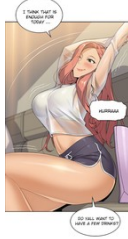

It's difficult to study and exercise

Just that day

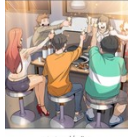

We stopped talking

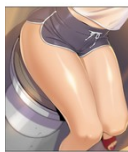

And we were

we were celebrating

having our drink

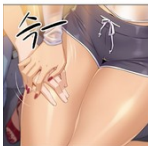

The atmosphere was heating up

The skin with them...

Disappeared to the point I lost with Daehyun

They don't sit different

I'll meet every evening...

I'll meet every divergent body

Finally, I got my mind

I began thinking about body ability

SHOULD YOU... WILL YOU...?

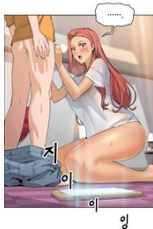

SHOULD YOU... WILL YOU...?

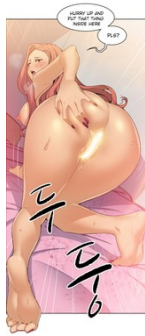

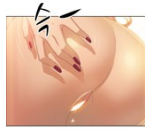

SHOULD YOU... WILL YOU...?

YOUR FRIEND

I often tested Jungheon

It's not that I don't like Jungheon

It's just that I was "focusing on my studies"

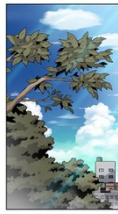

For me.

I RECEIVED PLEASURE

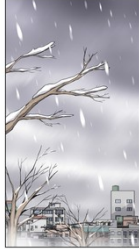

I slowly

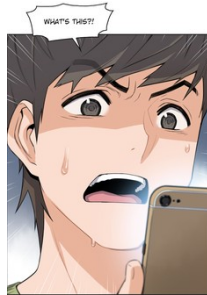

Drifted away

UNTIL I WAS NO LONGER CLOSE TO HER

And after a few months

NO WAY!!!

NON...

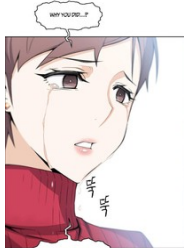

WHY YOU'RE...

IT'S BECAUSE I DON'T DO IT WITH YOU!

AND THEN YOU BEAN FOR ANOTHER BOYARD!

I'M SORRY.

NO YOU COULDN'T EVEN ENJOY A FEW MONTHS.

A YEAR...

DO YOU KNOW HOW LONG I'VE WANTED TO DO IT WITH YOU?

A FEW MONTHS?!

딴딴

I ALWAYS WANTED TO HAD YOU!

BUT YOU WERE SO HARD ENOUGH FOR ME!

AND ME NEVER DO!

AND JUST STOP...

I WAS WEARING NICE UNDERWEAR.

IN THAT WAY,

I'M DONE WITH HER...

IN THE WORST POSSIBLE WAY.
