Sister and Brother

シスブラ

Why'd you come over?

...Hey, Nee-chan.

.....

Less like "made it for you" and more like "was forced to make".

You'd always make this for me when Mom wasn't around.

It's been a while since I've had your food! ♡

Your wording is a bit off.

What?

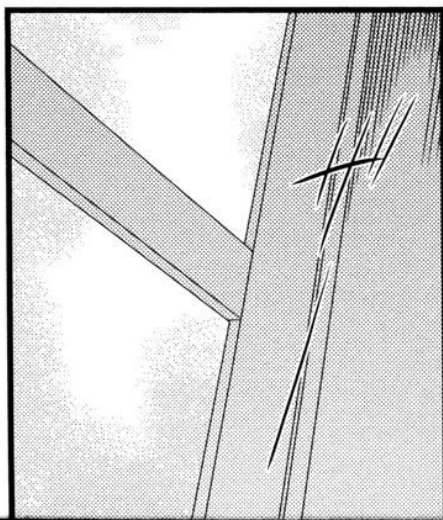

?

.....

That I could... let go of the past, or something.

Maybe I thought if I could meet you...

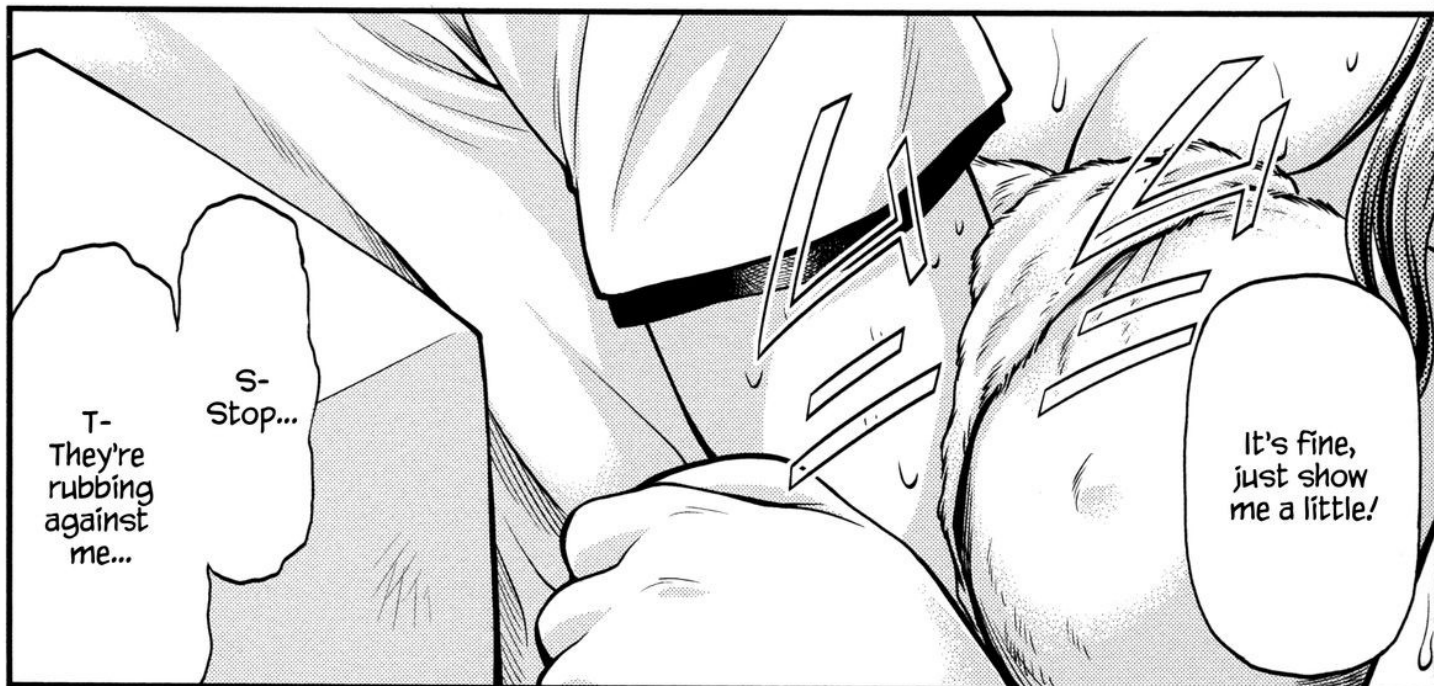

Nngh...

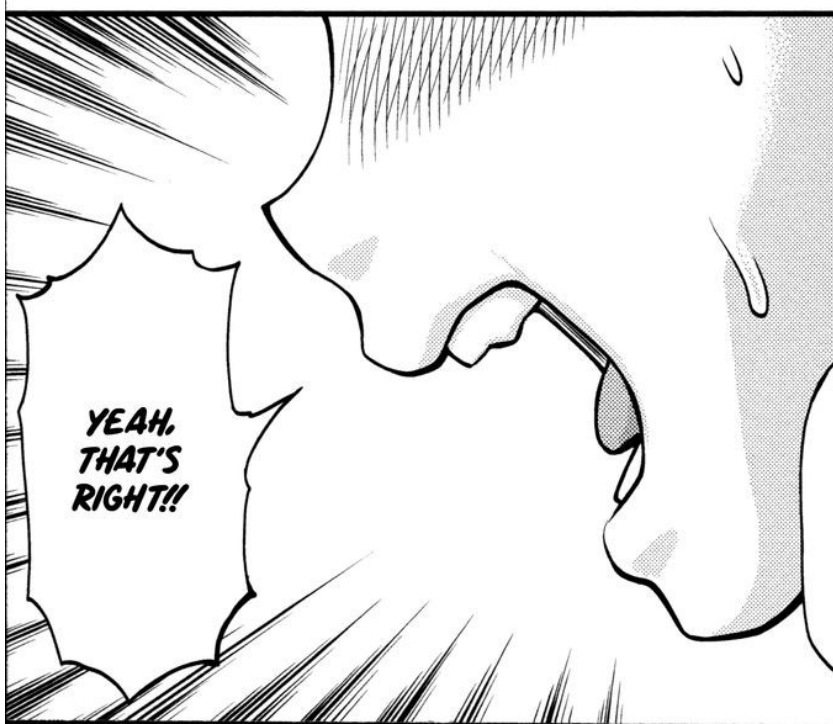

THAT
SHE AB-
SOLUTE-
LY WON'T
FIND
THEM!

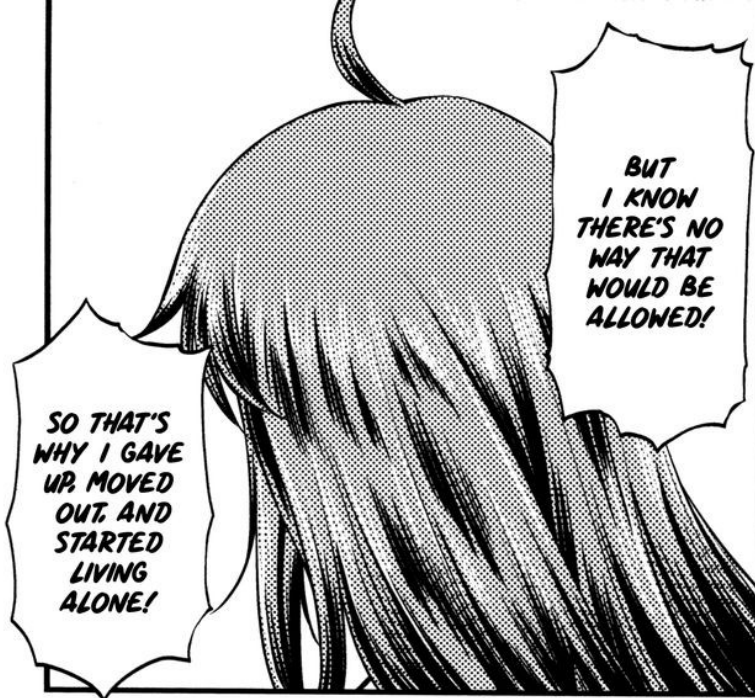

I'VE
GOT
TO PUT
THESE
SOME-
WHERE...

AL-
RIGHT!

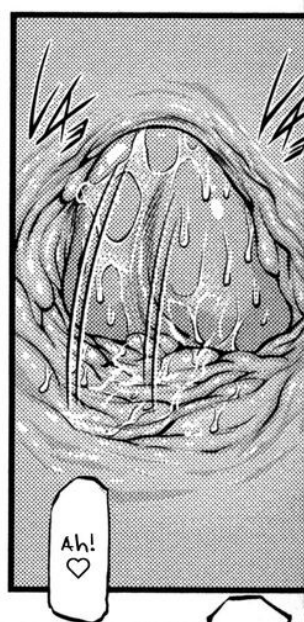

Hey,
Sou-chan,

my shampoo and
conditioner from
my luggage?

Really?
I'm glad.

I'll make
you feel
even better
with it.

Me
too...

I've
wanted
to do this
with you
for so
long.

When you went away, this gaping hole opened in my heart... and I kept... covering it up.

I know... this is a taboo thing we're doing, but...

シスブラ / おわり

Your
cooking is
incredibly
bad.

Ehhh,
that's al-
right.

I'll make
some food
for you to-
morrow,
OK?

That's
so mean!
And I even
planned
to wear a
naked apron
for you~
