How was it, Miss?

What'd you think about your first girl-on-girl experience?

well...

Umm...

Can I get an official receipt...?

Huh?

THREE HOURS AGO...

WHAT!?

AN ARTICLE ABOUT A LESBIAN BROTHEL!?

NO WAY!
I CAN'T DO IT!!

You'll be covering the most popular girl at a well-known place.

We have no choice, Inui-chan~ You're the only one left who's available~

Writer for Women's Magazine "nyan nyan" Inui Chihiro

"nyan nyan" Editor-in-Chief Nekojima Masuzu

R-REALLY? I DON'T REMEMBER...

You haven't managed to get a new article published lately, am I right?

...Oh. I just remembered.

"The Editor-in-Chief and Writer's Experiences with the Same Woman"

C'mon! You'll get paid for the article! I'll also come with you to try it out my—

AAH!!

How's THAT for a title~!?

In any case, we should get going, Inui-chan!

It's an order from the editor-in-chief!

DROOP

That's abuse of power...

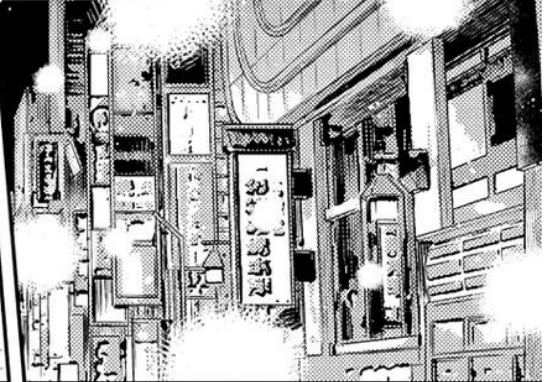

I'll be going in first, okay?

Wow... So that's—

Eh?

Well, we'll both be writing about "the same woman,"

so I'll go in first, then we'll switch after an hour. Make sure to request this girl.

She already knows about our arrangement.

Haah...

You're so tall, so I never would've guessed you get scared easily.

So you're getting cold feet?

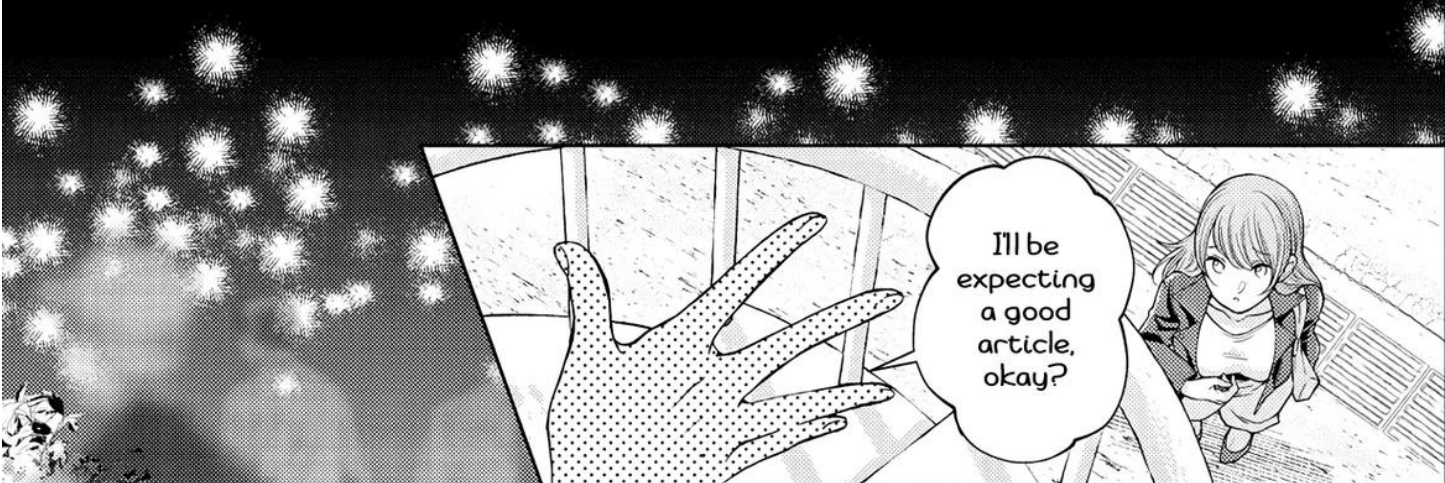

CLANK

CLANK

What does my height have to do with it!?

I'll be expecting a good article, okay?

Well, then...

Despite her height, that is!

She just does whatever the hell she wants...

That woman...

I should get going.

Welcome~

Is this your first time, Onee-sama? ♡

Minami-chan (Manager)

Umm... actually,

I'm a writer for the magazine "nyan nyan." My name's Inui..

Oh, my? Really?

Akira-chan! ♡

Oh!

Eh? She didn't even wait for me? ♡

She already left.

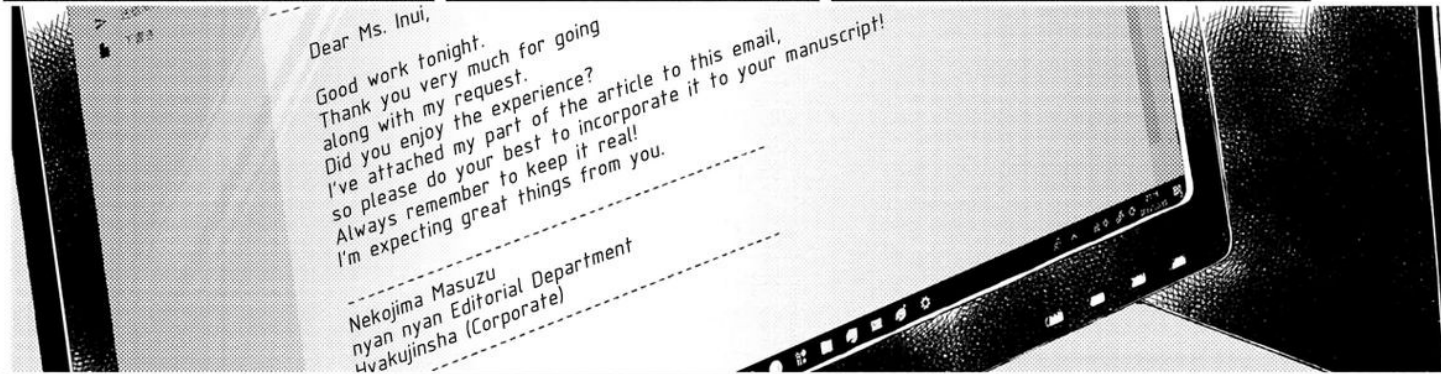

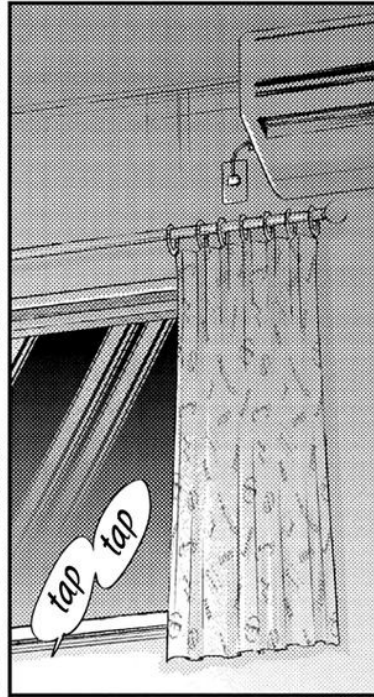

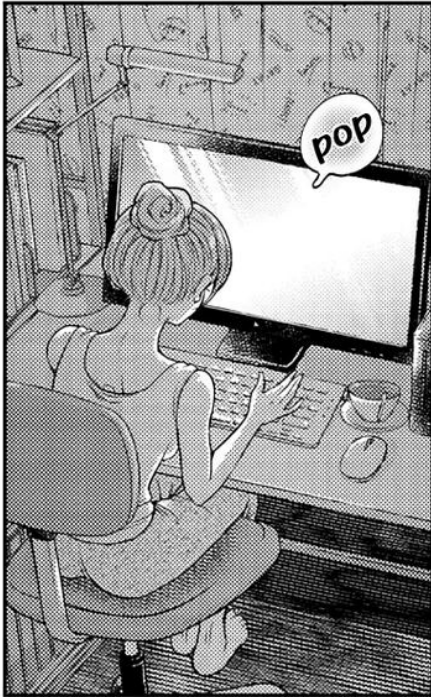

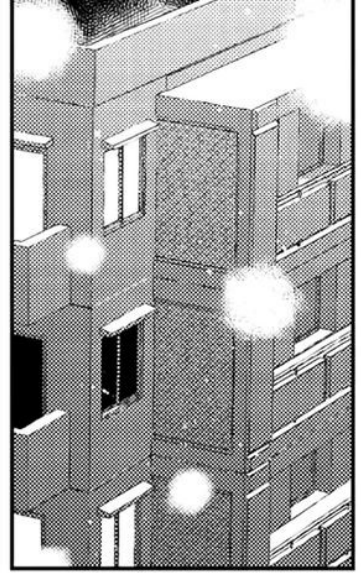

Umm... where's the Editor-in-Chief?

Wow...

Are you scared to go in alone?

The Editor-in-chief, I mean?

Umm... how was she?

SHE ACTS ALL HIGH AND MIGHTY DESPITE BEING SO SHORT!

Ha ha!
SHE IS SO NOT CUTE!

She was really cute.

SHE ALWAYS FINDS SOMETHING TO NITPICK ON IN MY ARTICLES!

EVEN TODAY, SHE WAS—

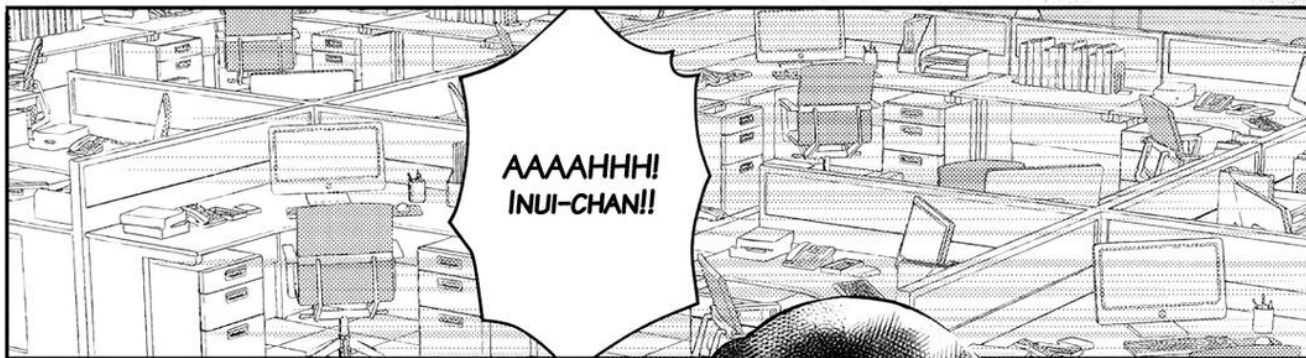

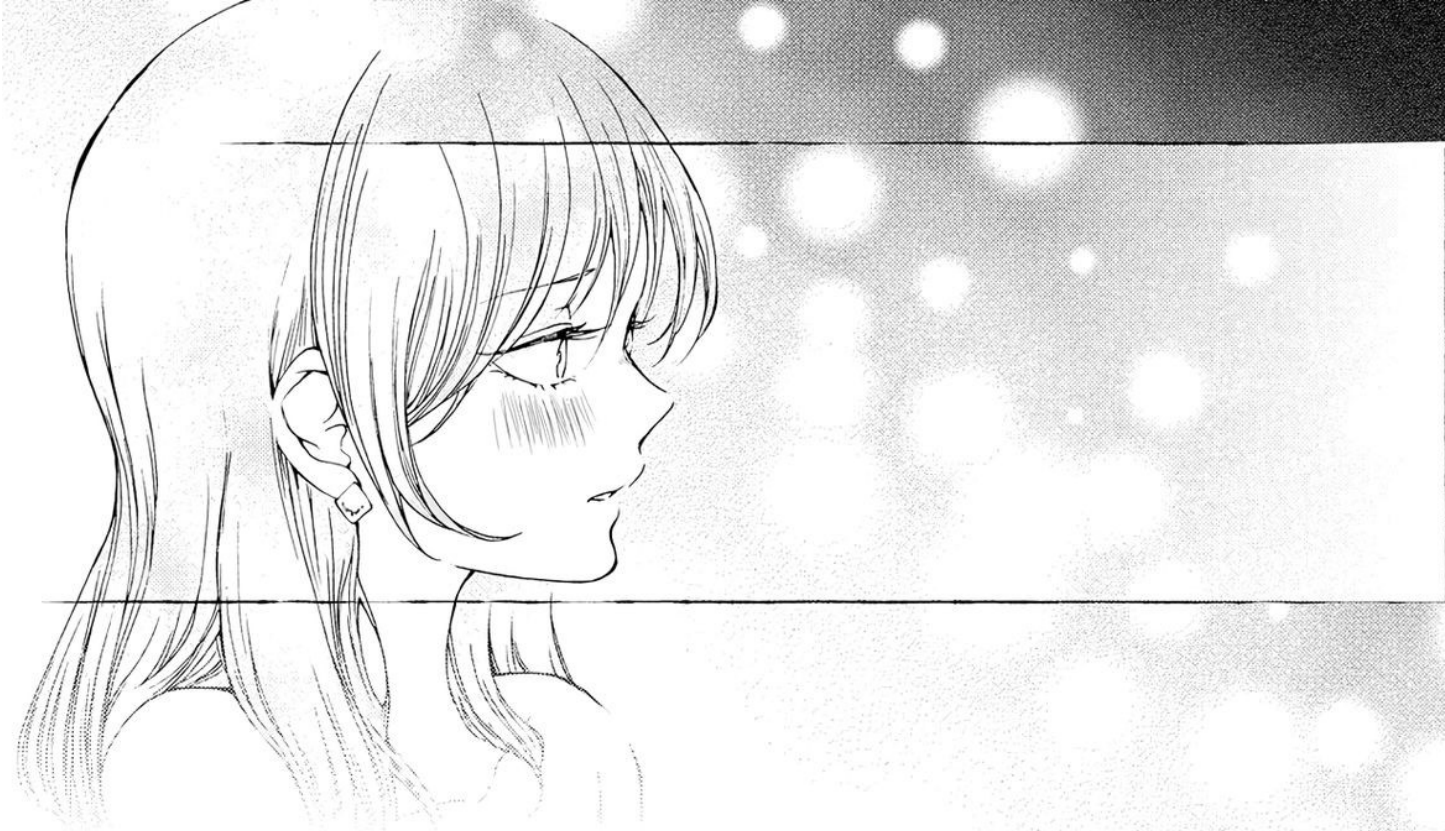

Pfft—
Hehe...

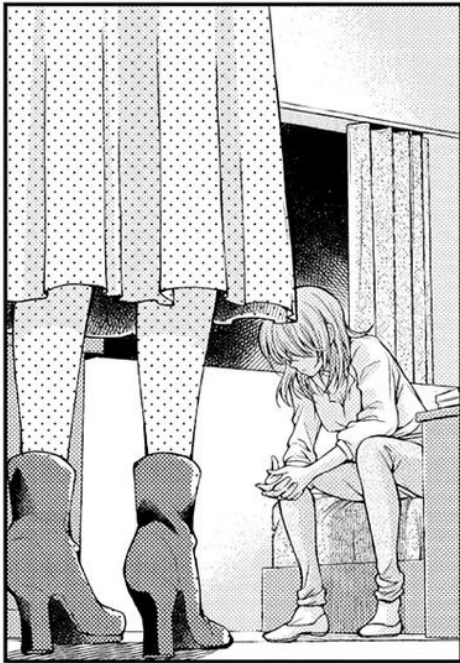

Eh?
What's so funny?

Oh, do forgive me.

She told me not to tell you this, but...

...Can you
tell me

what she did
with you?

While I was reading the article you sent me earlier,

I started to wonder about some things.

I—

Inui-chan...?

Like "what were your moans like?"

Or "what did your face look like when you were doing it?"

Ah...

thud

Slip

we need to find out more about the raw experience, don't you think?

JOLT

And also... since we're doing an article on how we both went to a lesbian brothel...

...Hey,

Miss Editor?

and unhooked my bra...

She... took my clothes off

Umm...

my breasts
a lot...

She
groped

and
licked
them...

who always
tells me to
keep it real,
right?

You're
the one

exactly?

She licked

My
ears...

played with me a lot...

she...

Aaah...

...She put her hand

inside my
pan-ties...

C'mon...

keep talking...

Nnnnnhhh...

She also...

kissed
me a lot...!

What
happened
after that?

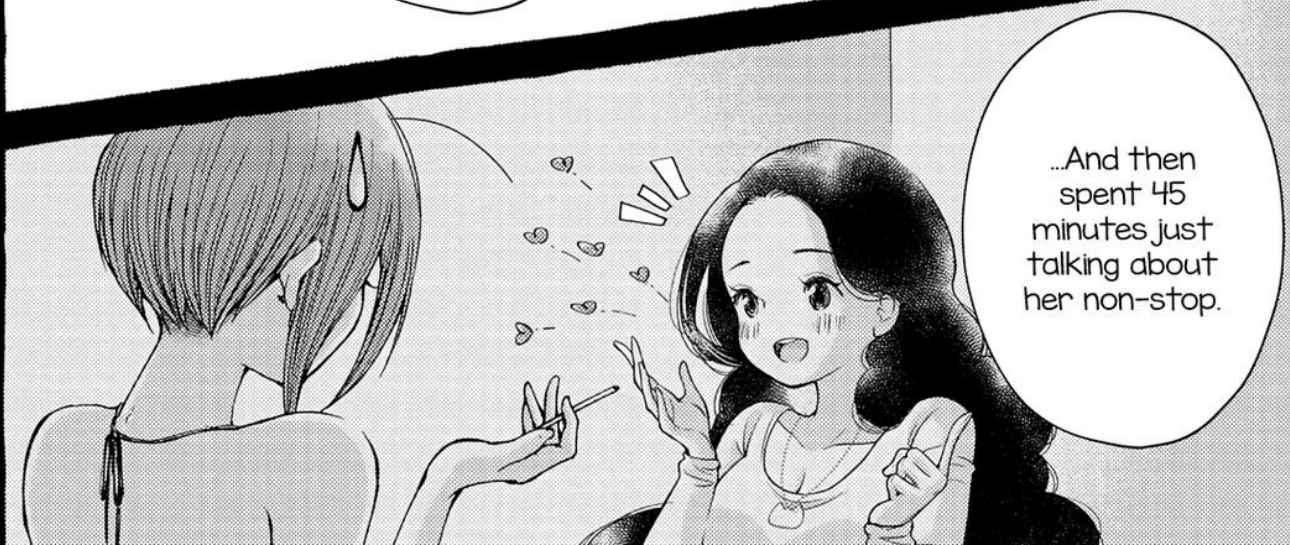

She told me not to tell you this, but...

I didn't do anything to Ms. Editor.

She told me that she has a girl she loves.

...And then spent 45 minutes just talking about her non-stop.

to see that girl's slightly gloomy expression.

She said that she always loved looking up

She told me how that girl lacked self-confidence even though she's so tall.

How she would give it her all at work.

and how she just needed to be a bit more proactive to write better articles.

Or so she said.

Everything she puts on it is just her fantasizing about that girl.

She also told me about the column she always writes.

That's how I understood it, at least.

Especially since you always act so high and mighty despite your height.

I was just thinking how fun it is to tease you.

I wonder who she was talking about?

What's so funny?

Fufu...

...I was just joking.

I'll dock your pay, you know.

...I think I can write a good article now.

You're so adorable.

KISS
♡

Inui-chan!

Should we make it a series?

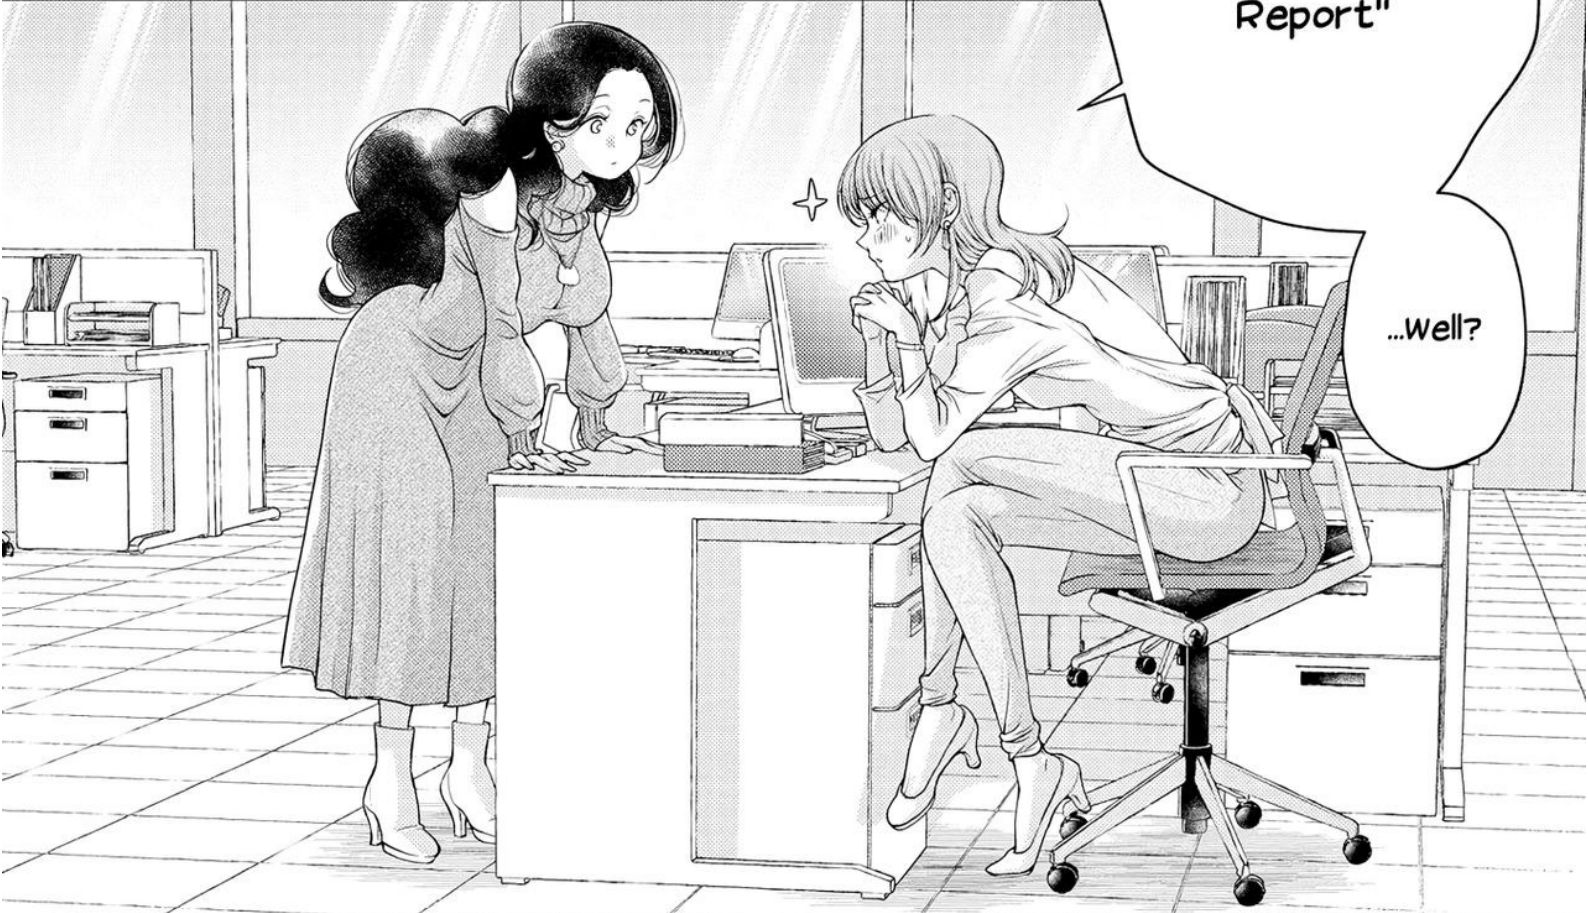

Or maybe we should dedicate a new corner for it...

Hmm, let's see...

Our article on the lesbian brothel is doing great!

How about:
"Editor-in-
Chief x Writer!
The Real Account
of a Lesbian
Couple - Special
Report"

...well?

Rejected, huh?

...Hmm

Maybe not?

fin.

While that
IS a true
story, it's
also too
personal!

REJECTED!

Translation notes

P2: Chihiro's last name includes the Japanese word for "dog," "inu." Masuzu also has "neko," or "cat," in her name.

P5: The word used for "catnip" here is "matatabi," which can be translated as either "silver vine" or "escapade."
