Yuupuru-chan

An apprentice witch who is studying and living in the house of a witch in a forest. The only magic she knows is flying and making electric shocks. She patrols every day to protect the peace of the forest.

■ ルル

Lulu

She lost her way in the forest and was rescued by Yuupuru when she was captured by Numaoni. A generous person who doesn't make small mistakes (?)

■ ダビデ

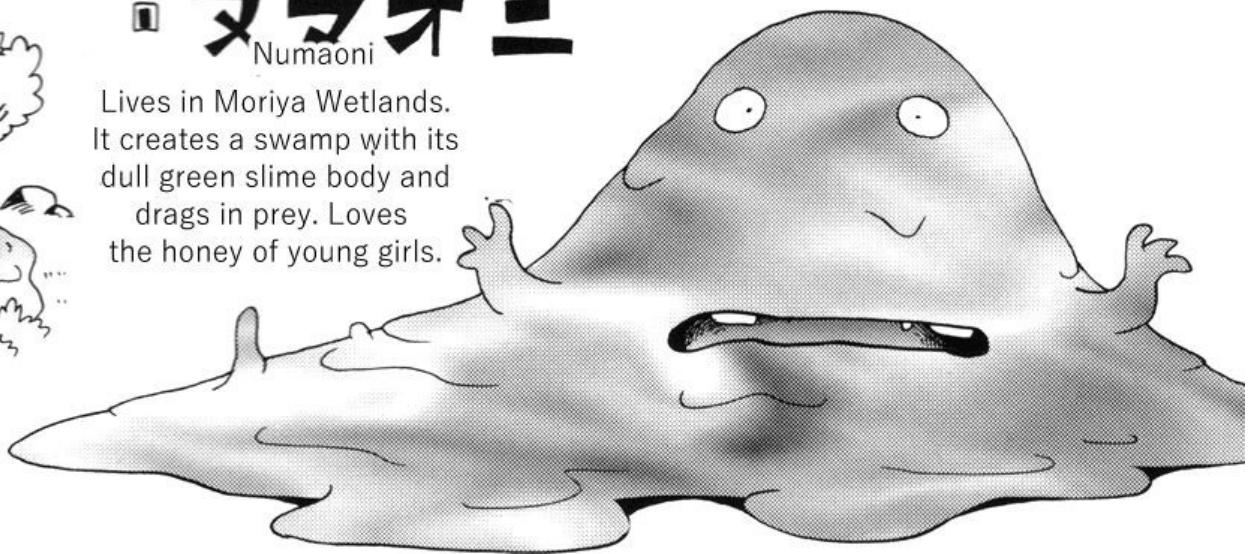

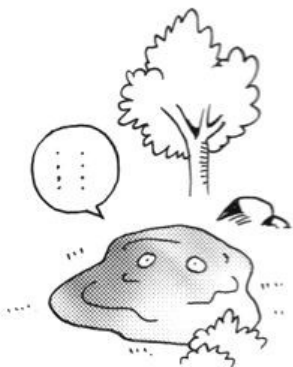

"Davide"

Lulu's baby dragon. When it gets angry...

■ ヌマオニ

Numaoni

Lives in Moriya Wetlands. It creates a swamp with its dull green slime body and drags in prey. Loves the honey of young girls.
