Come on in♥

Come on in
come on in-

Oh! It's
Kochi onii-san

Huh! No it's fine,
I just came by
to say hi

Oh my! Thank you
so much~
Why don't you make
yourself at home?
My daughter will
be happy if you did

Long time
no see~
I bought
a souvenir!

No really
don't mind me...

You ok
with sweet
coffee?

I won't let you go...

No way,
we're gonna
get caught!

A little bit...

If it's
a little bit
it's ok right...

That's....wild!

Mmmmph

You're
gonna
come
where?

I'm gonna cum!

thud

Kochi onii-san:
The ultimate
sex target of
Lollipop-chan.
A gentle big
brother figure
who took care
of Lollipop-chan
when she was
little. The coach
of the tennis
club in
Agobitch Academy!

Ah~ she found us

Of course she would!!!

She lost
her husband
when
Lollipop-chan
was a child.

Lollipop-chan's
Mom

What are
you guys
doing!

Can mom
join too?

She likes
Kochi onii-san,
who looked after
her daughter
while she was
going through
rough times.

I wonder
how
Kochi onii-san's
milk tastes now~~

She had a
one time fling
with
Kochi onii-san
long ago

Between the mother-daughter threesome there was Kochi onii-san, accepting that he will die from too much sex

No way! Senpai and coach would never do such unspeakable things!

Maybe...

I heard that star athletes can get special training by coach himself

That was fast!

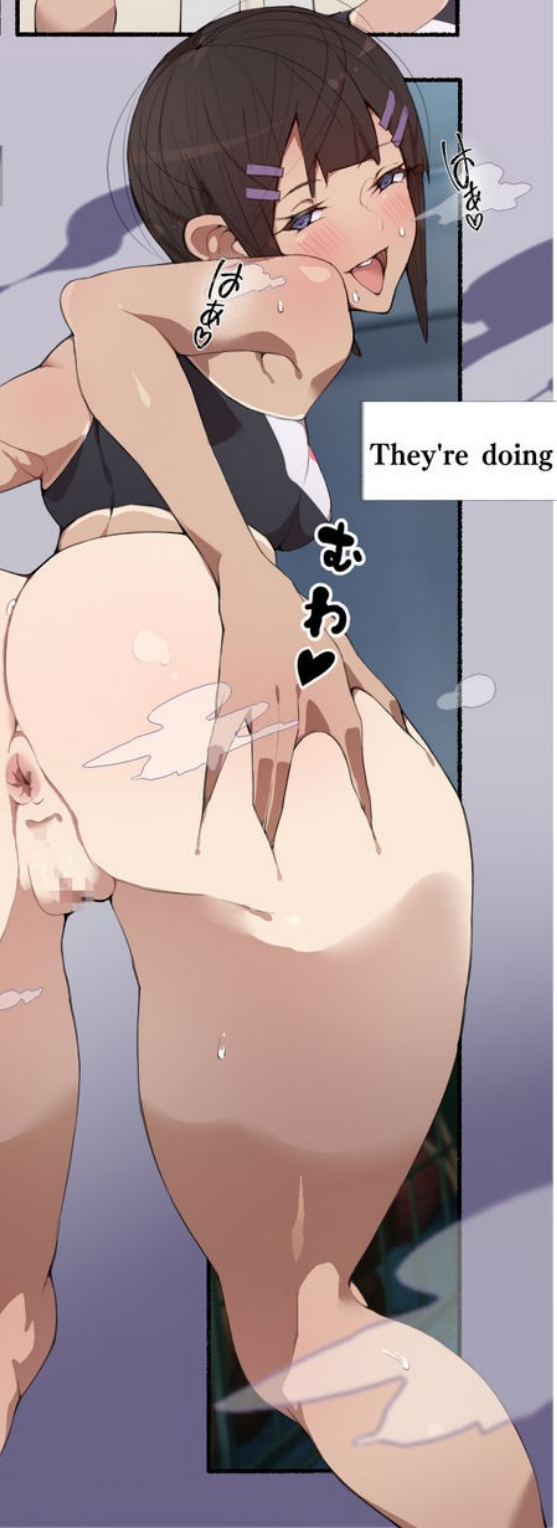

I see senpai heading somewhere with Coach recently...

Hypnosis...?

Ass licking

They're doing it

Stuff like ass licking and indirect kissing

Hypnosis? What are you talking about?

Thank god!

No way in hell!!

Like hell I will! Coach, we're not going to

I'll have the two of you suck my dick for now

No way that's gonna work

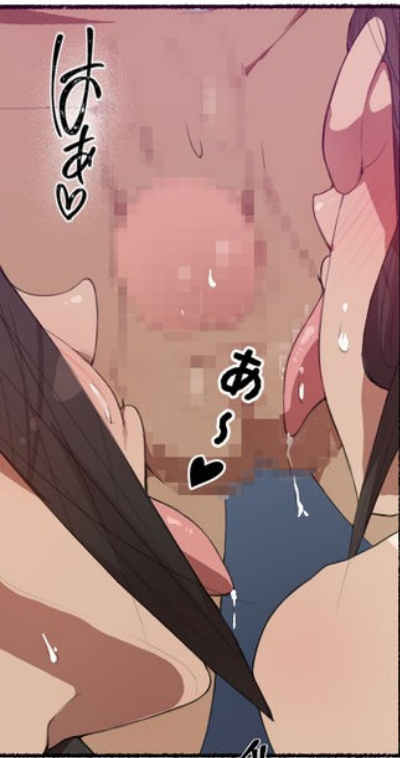

Rude...Even though I'm an NPC I think I'm quite memorable..

Who?

Become my fuck buddy~

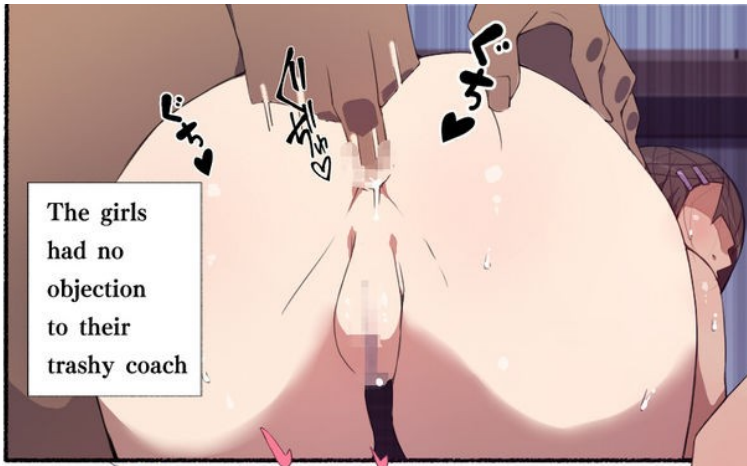

An NPC from the track and field club is with us today♪

take your overwhelming cock

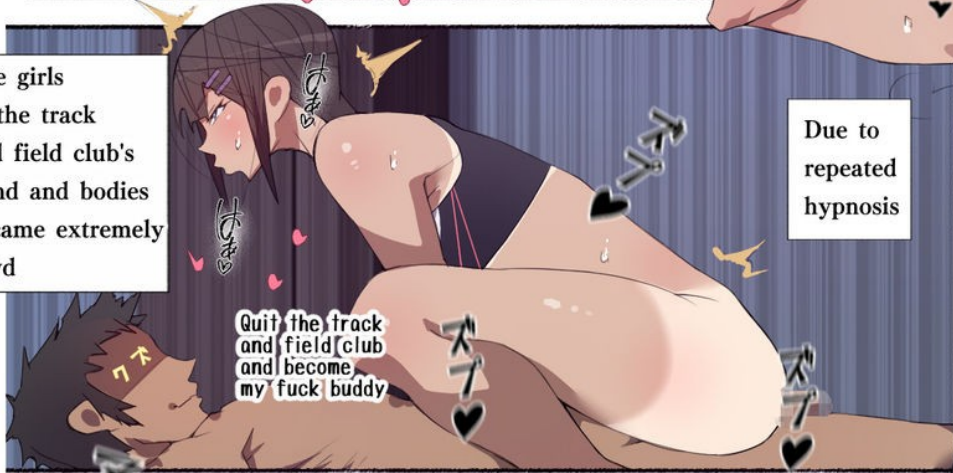

and give you a double blowjob!

The girls had no objection to their trashy coach

Got it coach

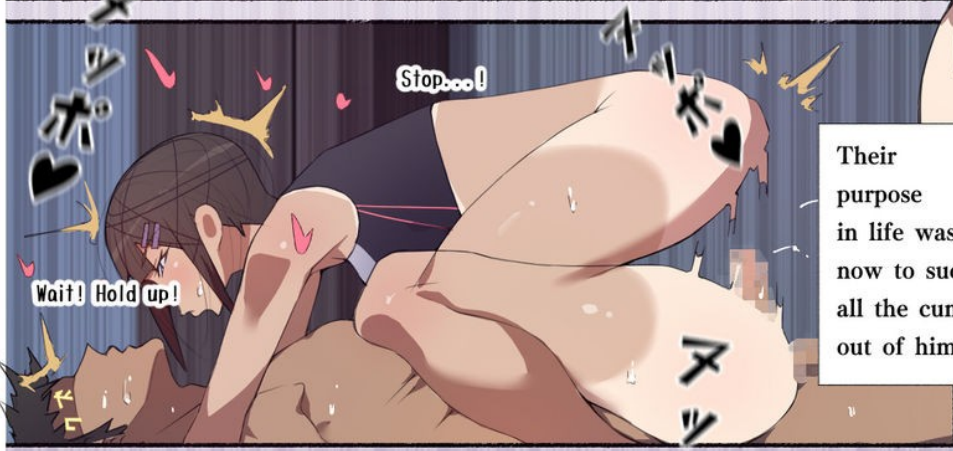

Ok next is your asshole

The girls of the track and field club's mind and bodies became extremely lewd

Due to repeated hypnosis

Quit the track and field club and become my fuck buddy

Their purpose in life was now to suck all the cum out of him

Wait! Hold up!

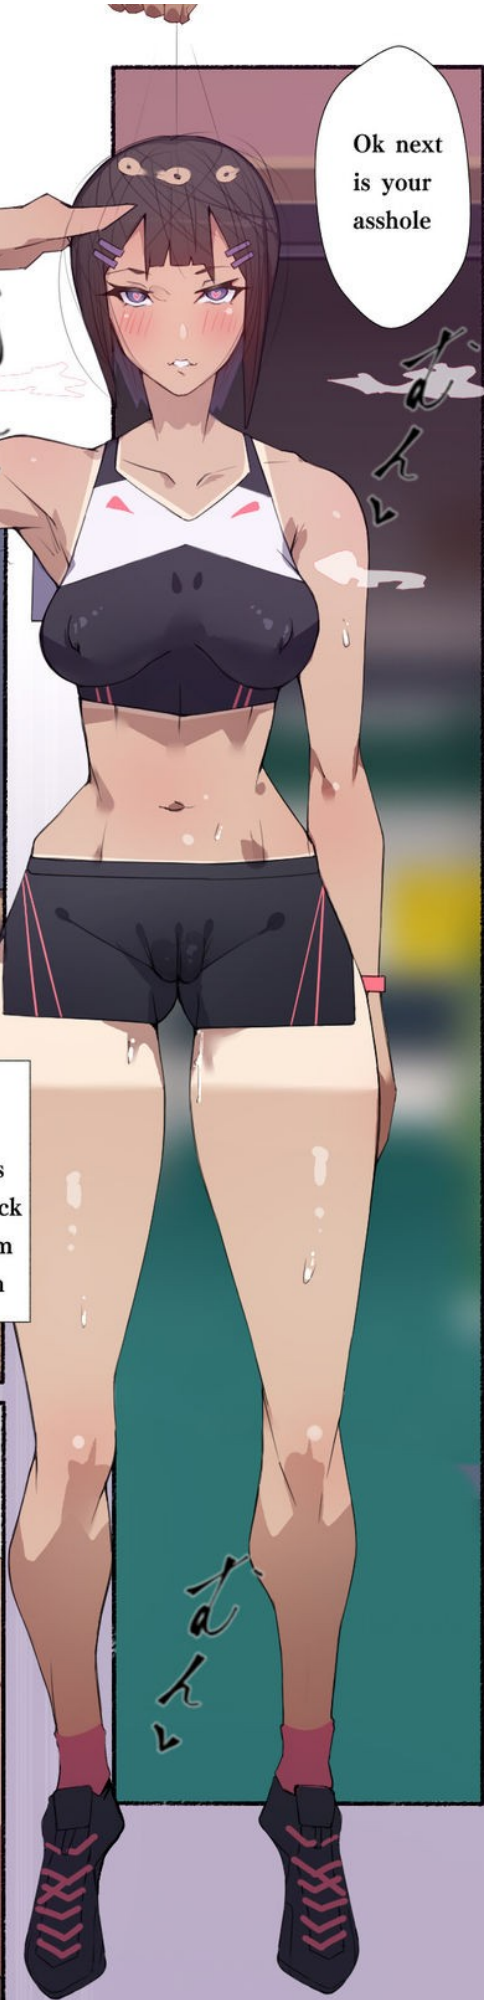

Stop...!

Unlimited Hypno Lewdworks
The girls transformed into a whole new form of themselves

Help me!

Stop...!

Stepsister-chan's nipples have gotten so hard waiting for you

Hey Stepbrother-kun, you're slow~

←おちんちんを我慢

ククク

Look look♥ Even my armpits are turned on

If you don't go faster, I'll be the one to make a move♥

Feast your eyes upon Stepbrother-kun, who couldn't control his urges even though he has a test tomorrow

Even yesterday...

But I have such a lewd stepsister I just can't!

No, listen to me bro... I just wanna study quietly at home.

Dude you're lucky as hell to have a stepsister who's a gravure model...

Slutty Stepsister-chan:
A slutty girl who's thinking about lewd things around the clock! At Agobitch Academy she's a go straight home kind of girl, but she's doing gravure modeling on the side. Her life motto is "People are brought upon this world for one purpose. To have sex!"

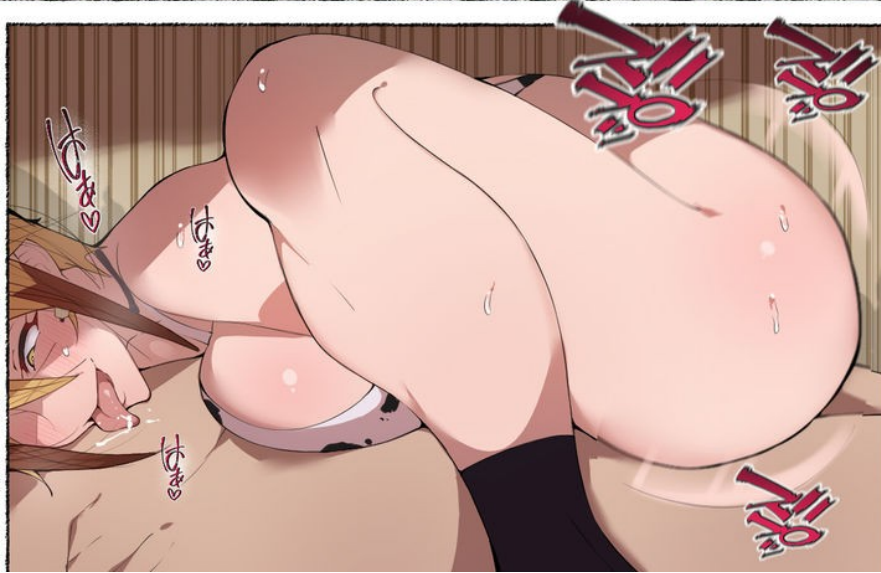

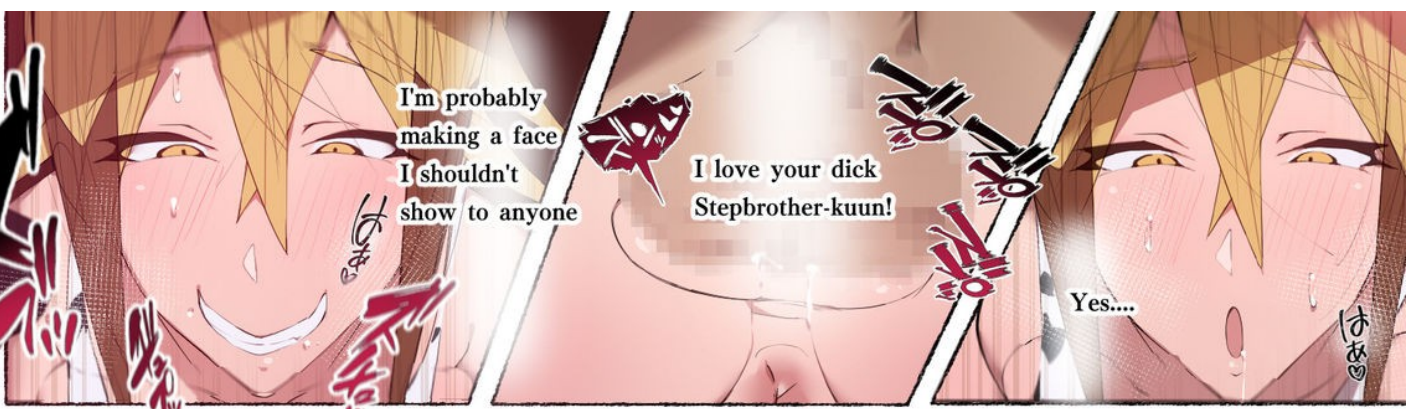

I couldn't study at all...It was an all nighter

She seduced me with a swimsuit she wore for gravure

Stepbrother-kun:
A sad little lamb who wants to quietly study at home but is constantly tempted by Slutty Stepsister-chan. Honestly, this dude just wants to have sex daily.

I'm probably making a face I shouldn't show to anyone

I love your dick Stepbrother-kuun!

Yes....

I'm gonna cum!

Will the day I'm able to sit down and study ever come....

Shut up! You're gonna be my meat slave for life!

Nghhhh!

Whaat! I can't anymore...

We're not stopping
