

Thanks.

Kouda-sama, here is the blanket you ordered.

Before felt really good.

For what possible purpose?

At this rate it looks like I don't have to go back to work.

Tha-- That's great.

Thanks, but can I make a request?

This is a pretext.

No... That's unlikely, we shouldn't...

It's okay since everyone's asleep.

I'd be more than happy with that...

But right here!?

Now then, since I'm done with work, we can do it again. ♡

Lovely. It's so hard and throbbing.

The topology of the space within a 2 meter radius makes you invisible.

I don't understand but I still want this.

Finally... It's going in.

This is the first time I've had first class service.

mmmmAAh... You're so courteous, I can't bear your blow job.

\*giggles\* You got a lot harder.

This is exclusive service for Konda-sama.

Hnnng!! Miwa-san, your pussy is clamping so hard!!

Oh God!!! I feel so good inside~!

haAaaa...

mmmmAAhaa...

\*NOW\*

Mmmmmhugh  
I can't  
handle this  
sensation.

Don't say  
mean things  
to me.

You're  
grinding your  
hips like a  
nasty slut.

Ahh,  
no!!

Aaaaaah----  
My hips won't  
stop shaking!

If you  
do it that  
rough  
I'll cum!!

Ahhng  
I'm  
gonna  
cum!!

Ah...!  
Aaamm!!

\*\*Compensated dating what the Japanese call it so that prostitutes don't feel like they are prostitutes.

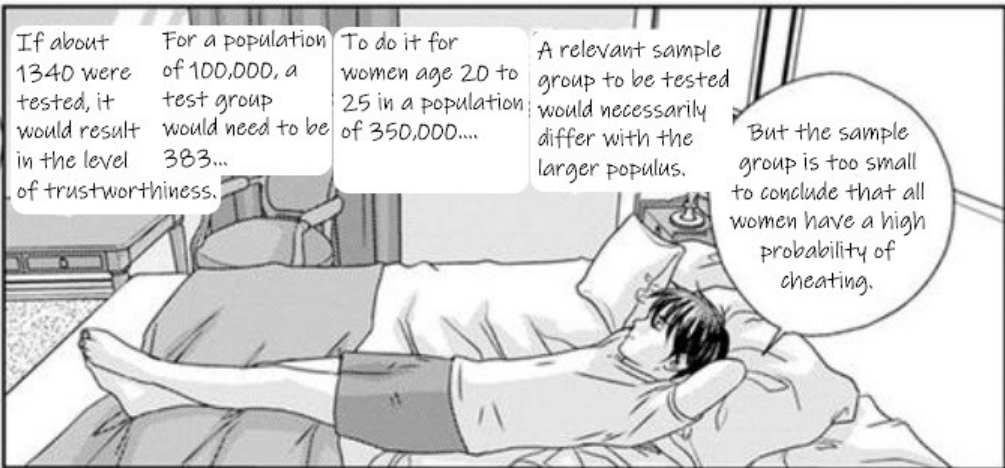

\*A party where all the participants are looking to meet someone to be a spouse. This is as Japanese as it sounds.

Even for the legendary playboy Casanova that is an unreasonable figure.

1340... ..

If about 1340 were tested, it would result in the level of trustworthiness.

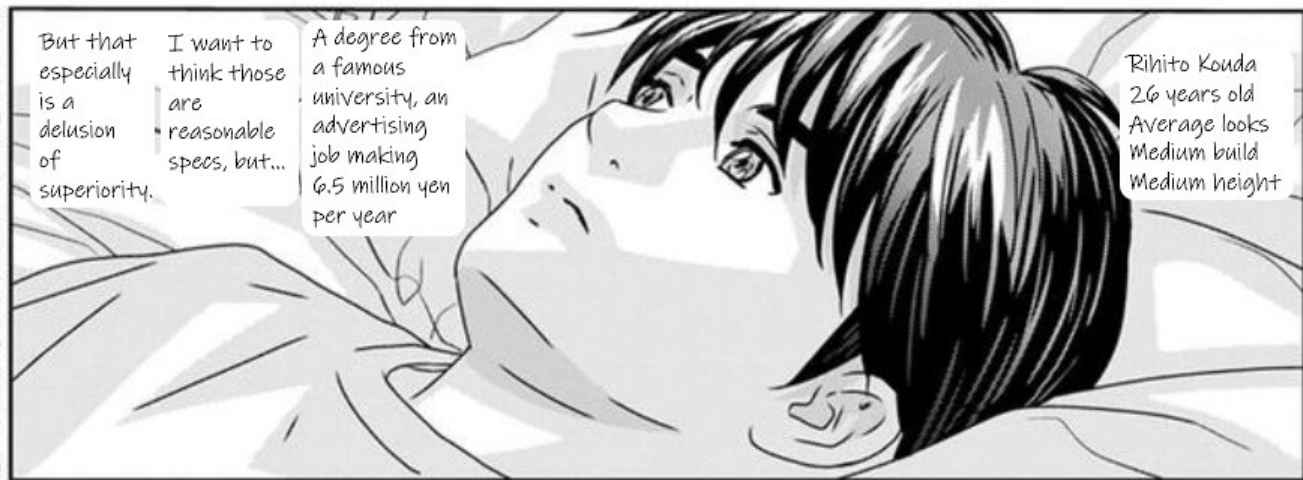

For a population of 100,000, a test group would need to be 383...

To do it for women age 20 to 25 in a population of 350,000....

A relevant sample group to be tested would necessarily differ with the larger populus.

But the sample group is too small to conclude that all women have a high probability of cheating.

※この作品はフィクションです。実在の人物・団体、その他とは一切関係ありません。

But that especially is a delusion of superiority.

I want to think those are reasonable specs, but...

A degree from a famous university, an advertising job making 6.5 million yen per year

Rihito Kouda  
26 years old  
Average looks  
Medium build  
Medium height

The girl I came to like was shallow and unintelligent. To add to that she clung to a rude man while I did nothing but watch with envy.

I hadn't had a girlfriend until my 2nd year of college when times changed for me.

In my high school era, I was a perfect honor student, anti-social, and unpopular with girls.

SAD RIHITO

Well, whatever

I'll shelve wishing for anything at all and go back.

Be that as it may, to use English economist Peter Bacchus's formula, the likelihood of finding an ideal partner would be 0.0049% and, furthermore, the chances of mutual love would be 0.0025%... I guess...

But I'd be a total loser if I opted out of this Darwinian sexual market.

So then improving my appearance and learning a little about communication I think would make me less objectionable.

むい

No... It's no wonder I haven't made any woman into my partner, isn't it?

Up until now, the seldom encounters with women have gone bad.

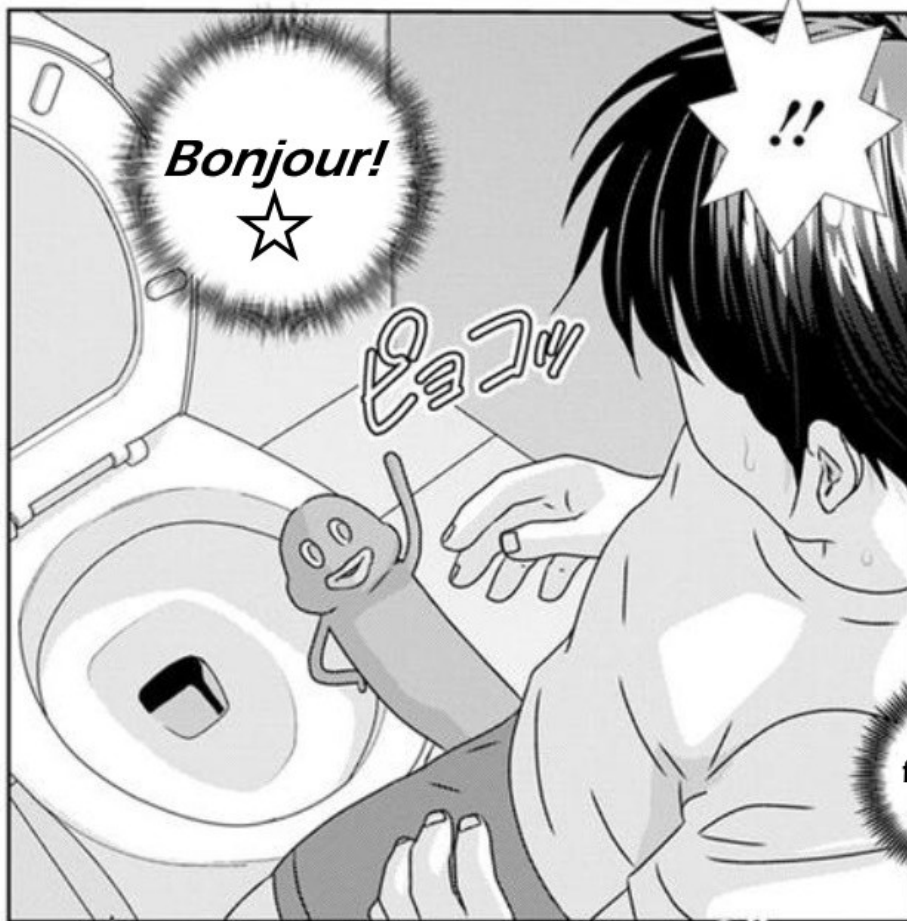

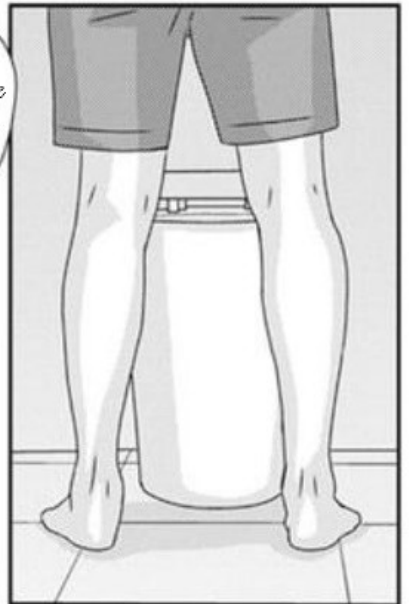

Now all I can do with my dick is piss and jerk off...

And I was supposed to be fucking her over and over again.

She did an unforgivable thing to me.

**Bonjour!**  
☆

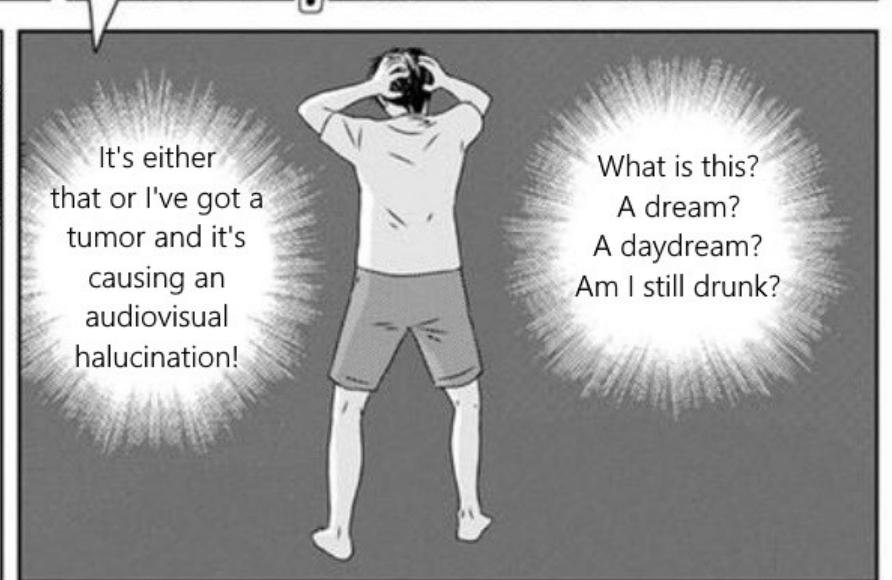

Good grief, you're hilarious.

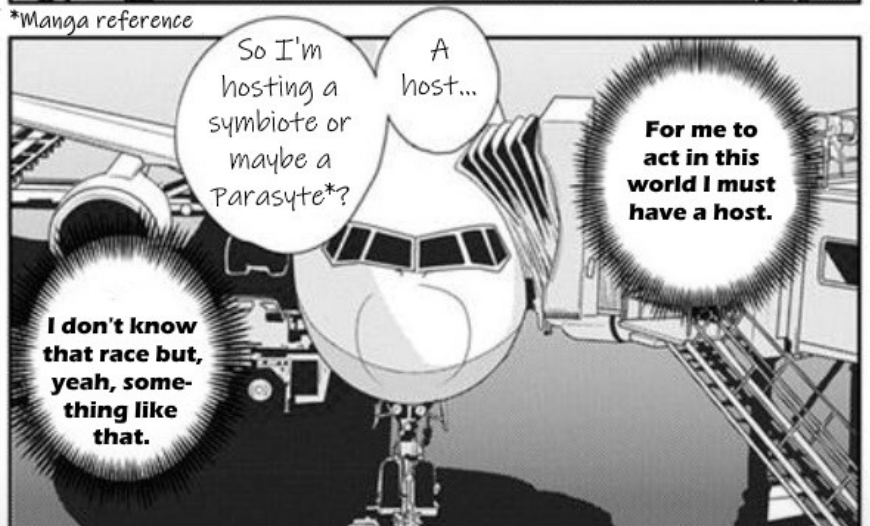

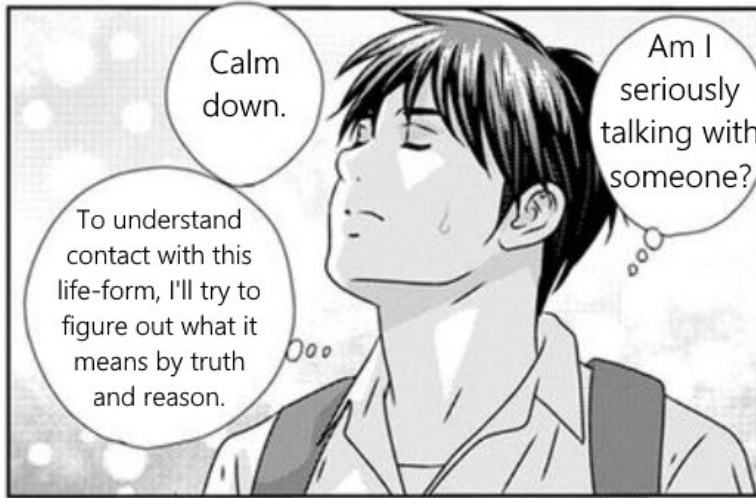

Over here.

No, further down

What a gorgeous stewardess.

May I help you, sir?

Uhh... Umm... I'm... Uh, I'm afraid of airplanes.

WOW ♡

Thank you for travelling with us today.

On top of that her enormous rack sticks out like crazy.

There's no need to worry, sir.

Compared to buses and trains, airplanes are extremely safe.

This plane will be taking off shortly. Please make sure your seatbelts are fastened.

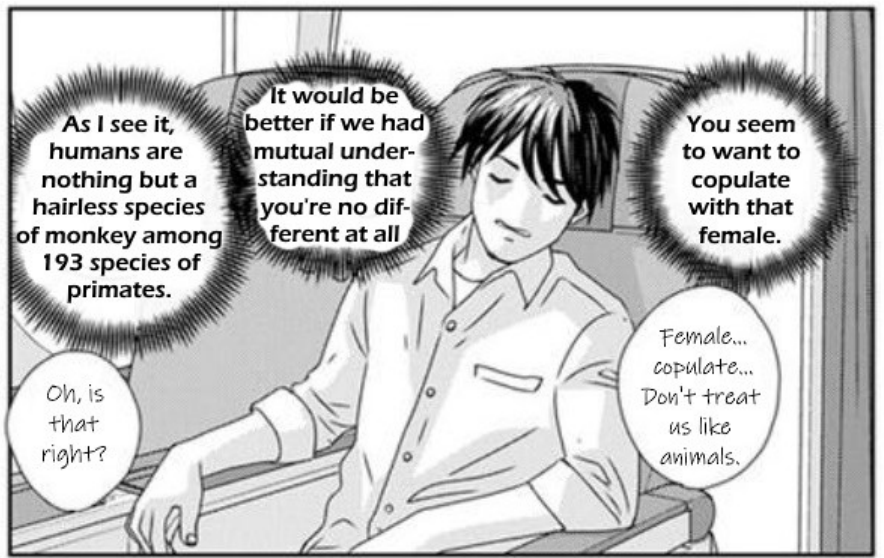

Attention please

Why is that?

I want to do it but there's no way that could happen.

Yeah, why is that?

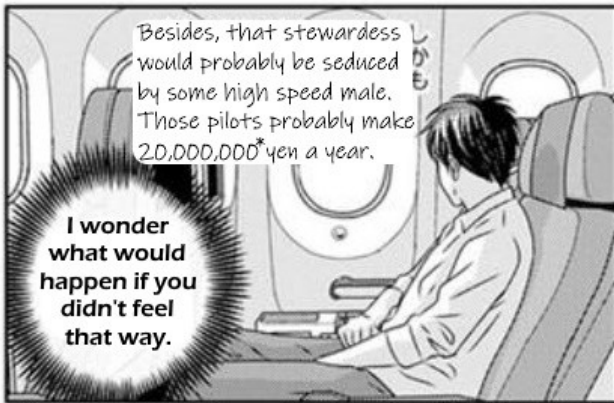

As I see it, humans are nothing but a hairless species of monkey among 193 species of primates.

It would be better if we had mutual understanding that you're no different at all

You seem to want to copulate with that female.

Oh, is that right?

Female... copulate... Don't treat us like animals.

Besides, that stewardess would probably be seduced by some high speed male. Those pilots probably make 20,000,000\* yen a year.

I wonder what would happen if you didn't feel that way.

Maybe because I'm not up to the challenge.

That's why I feel like I can't find a partner and I think I'll lose my nerve.

Especially because women who are out of my league can give me a tension I never experienced even in my school days.

\*Something like 200,000 bucks

On that point our interests are in agreement.

Life exists to survive and breed.

I have access to your thoughts and emotions.

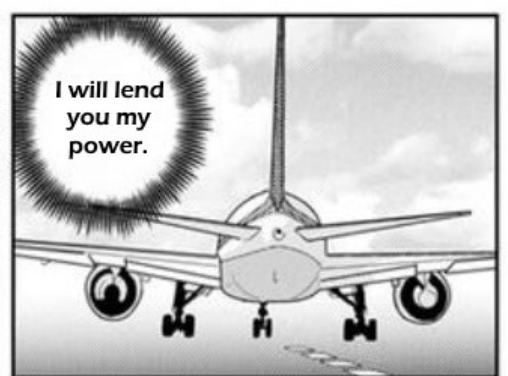

What? No words came out of my mouth. We can talk by thinking?

Then you should have said so earlier...

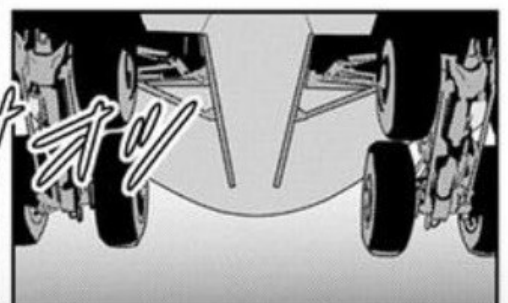

Easy?

If you had my power, granting your wish would be easy.

I will lend you my power.

Hey!!  
Get back  
inside!!

Did I clear  
that up  
enough  
for you?

Biologically,  
what creates  
feelings of love  
is nothing more  
than various  
chemicals and  
hormones.

It's well  
said that it's  
easy to fall  
for a  
woman.

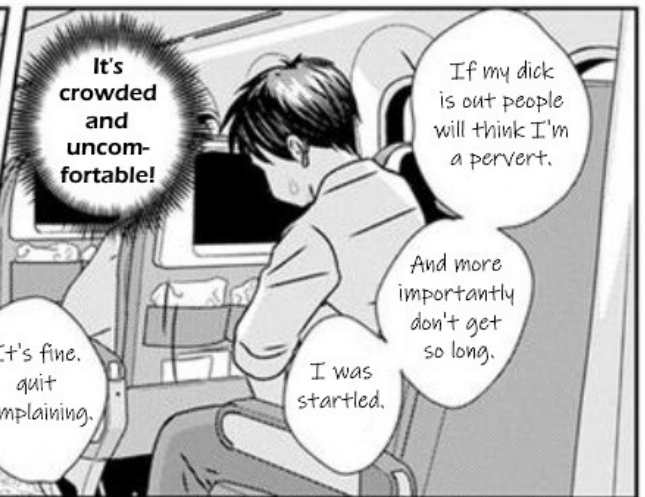

I didn't  
permit you  
to use  
me as a  
host.

Drink

For fucks  
sake, every time  
you talk to me  
it's something  
annoying.

Well,  
looky  
here.

It's  
crowded  
and  
uncom-  
fortable!

If my dick  
is out people  
will think I'm  
a pervert.

It's fine.  
quit  
complaining.

I was  
startled.

And more  
importantly  
don't get  
so long.

Aagh!!

Hey!  
what are  
you---

Can I  
help you  
sir?

Sorry!  
My hand  
moved on  
its----

Sure,  
I'll take  
a mineral  
water.

Would you  
like something  
to drink?

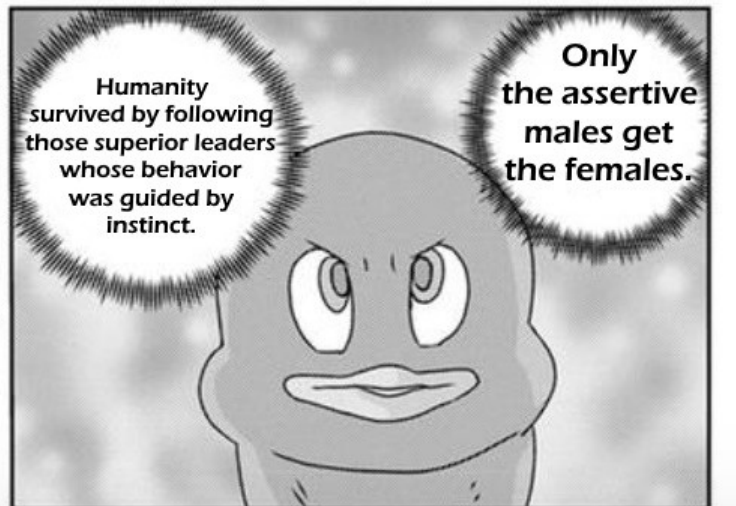

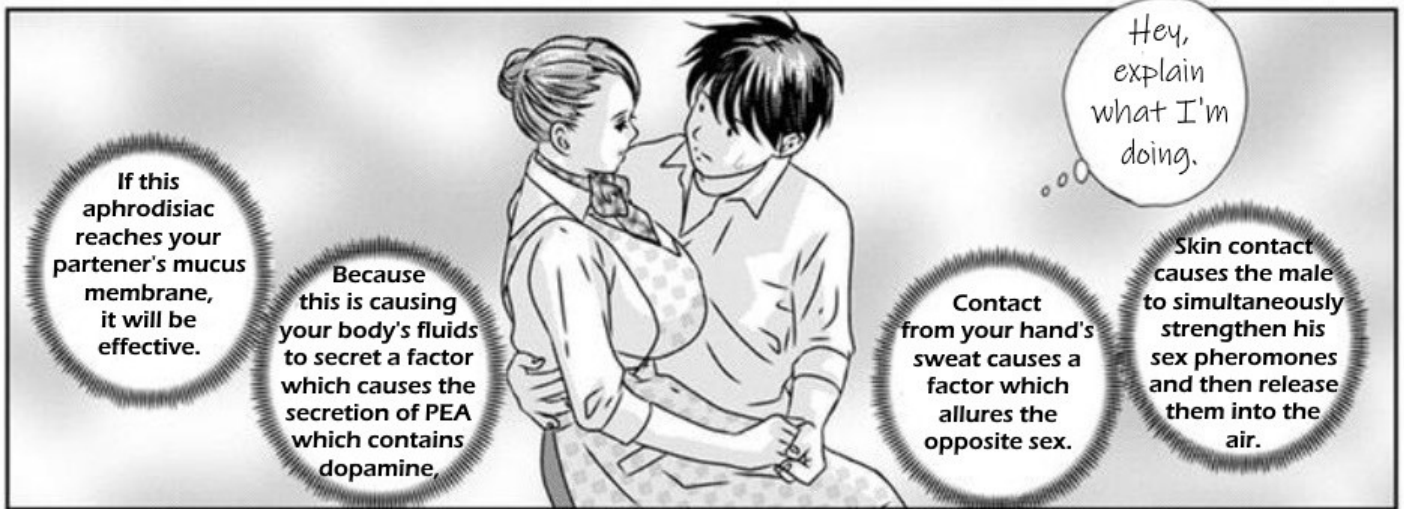

Soon you  
will witness  
my power.

In a short  
time I will  
sweep up  
her body.

Yes?

Huh??

No way!!  
She  
agreed!!

I'll be  
waiting for  
you at the  
very end of  
the cabin.

Yes,  
we can  
after  
lights  
out.

Half-convinced of what had happened, when I saw that everyone was asleep, I went to meet her.

Ummm, a while ago I think I got 10 people's cards in one day.

Really? What do you think your record for one day is?

Oh no! It's not like that.

Lots of different people must give you business cards.

Wow, that's great.

Hey!  
How long do you plan to chit chat?

So you work in advertising.

Rihito Kouda ...sama.

A new beauty pageant contestant, age 24.

Her name is Miwa Takanashi.

To be consistent with your reasoning, if you have sex with her you will come to love her.

Your body says differently.

That may be true but... I'm a romantic, so I'm opposed to sex without love but...

With one push she will permit you into her body.

It appears that your mate has permitted you into her heart.

I want to get to know a little more about her though.

Whaaaat? You really don't have one?

On top of that I'm overseas half the month, so I can't have a boyfriend.

These long international flights use up my stamina, and then the jet lag...

If I'm not mistaken, in business it is easier to change a way of thinking after experiencing a success.

A paradigm shift, huh?

Is that right? You're giving it your all, Miwa-san.

Yes it is. Especially because of how it makes me feel when I get a complaint from a customer.

Being a stewardess must be hard work.

I think it's necessary to change your way of thinking.

I thought I told you that the feelings of love are the consequences of chemicals secreted in the brain.

Yes, for about 3 hours we're okay.

So we're really alone right now.

Well, that's a lot of time isn't it?

Napoleon said, "When the time for action has arrived, stop thinking and go in."

If I could pour my saliva into this stewardess I've longed for, at this rate we...

Now might be the time.

Ah....

Since the moment I saw you I've felt so enraptured that even my past seems to disappear.

The truth is I've only ever had unrequited love.

So then, if this chance could lead to more intimacy, I'd be happy.

Mmm!!!

Somehow, the aphrodisiac effect is really working.

Miwa's eyes became wet. In 1 breath her mood has gotten heavy.

This is a new development for me as well.

I never do this sort of thing.

Ohh...  
♡

What happened to me?

Yes! Certainly they would!

Don't you think that if a plane took off and due to engine failure or the weather that the passengers would complain?

Wow, they feel so full and heavy in my hands.

This really excites me too.

But, is this really okay?

After stirring up these feelings in your partner, it would be rude to go do nothing and go back.

I'm starting to think that thing in my brain manipulated me to do something bad.

That's your purpose?

I think this would benefit both parties.

If I couldn't fulfill your trust and desires here then I'd be troubled.

Since I don't have a body, the truly wonderful feeling humans have during sex is denied to me normally.

They're an... H cup...

These are some big tits. What size are they?

I hated being made fun of.

Ah...

I was happy to feel like I was becoming an adult.

It was embarrassing but...

Did the boys in your class stare at your boobs a lot?

Rihito-san, when you look at me it makes my heart race.

No...

Do you hate it when I look at you?

You smell so sweet.

Ahhh... the silky texture of your skin is so refreshing.

\*NOW\*

Yes. I only ever went to all-girls' schools.

Ah...

아아아

.....None...

How many guys have you been with?

No way! Really?

아아아 아아아

Then I'm a really lucky guy.

HaaAhn!

아아아 아아아

My nipples feel so good!

You're super sensitive, aren't you?

Ah... No...

Yes...

So you're a virgin.

Mmm... Ahh...

아아아 아아아

It can't land here.

Ah...

"The plane is preparing to make a landing."

Well then, what about landing here?

Sorry, the captain already decided to make his final approach.

It seems the runway is in a wet condition.

Do you mean to tell me you aren't wet?

No... That's...

Without even confirming for yourself?

He's gonna make a soft landing touchdown.

Aahn!! No!

Haaghn!!

There's data that shows women with big butts are healthier.

Don't be embarrassed.

No....

Miwa-san, you don't just have big tits. You've got a big ass, too.

What? You're ripping them?

It's okay, I'll buy you a new pair.

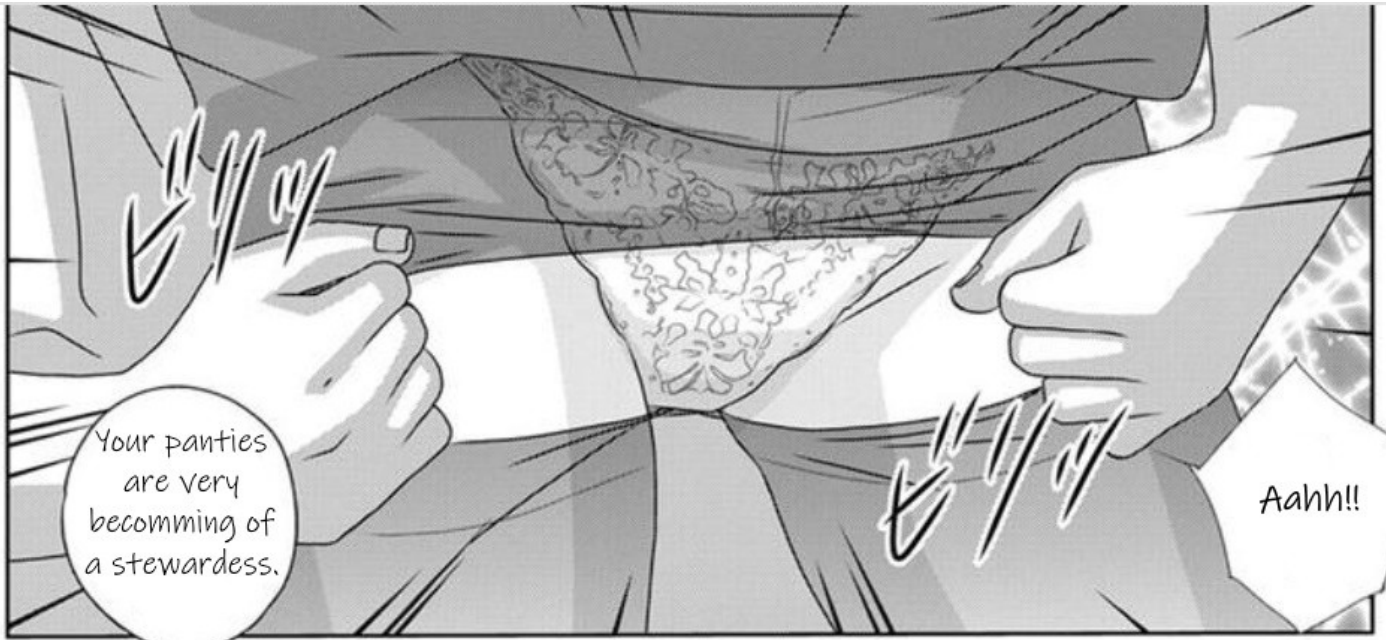

Hey, I'm gonna rip your panty-hose.

You've got some wide child-bearing hips.

I love how your hips look so slutty wrapped in these black panty-hose.

Your panties are very becoming of a stewardess.

Aahh!!

Ahhh... Don't stare too much, I'm embarrassed.

So this is Miwa-san's vagina.

Okay, now open your legs.

Don't hide, let me look.

MmAah!!

It looks vibrant and clean.

No.. Aah...

It certainly seems fresh.

Your labia are tight instead of loose and sloppy.

Ahh...

If you want my fingers out, why do you keep sucking them in?

It feels like you are sucking in my fingers.

Mmm... Aahhh... Quit fingering me...

That said, I could eat you out forever.

No!! If you do that I'll cum!!

\*chuckles\* It seemed like you were tightly caring for them. Not just with your smell and taste.

No!! I shouldn't have sucked your fingers in either!!

No!!  
No more!!

You're gushing  
with  
nectar.

Mmm...  
It tastes  
great.

I'm----  
I'm----  
I'm  
cumming!!

I'd like to  
feel good  
too.

I can't  
believe how  
good it  
feels!

My body  
feels like  
it's floating  
in the air.

O...  
Okay.

No, wait a sec.

Next is my...

Are you talking to me?

If my penis has a face she'll be scared.

Yeah, who else?

It made me want to kill you.

Then why did you give it a face?

It would be weird if it did.

I manipulated your visual cortex to make it appear anthropomorphic.

I wouldn't have been able to use my penis with my mate.

I thought it might make you like me.

So then my penis doesn't have that face?

Yeah, more or less.

Do you know how to give head?

I'm okay, I was just thinking too much.

Hey, are you alright?

Okay, now pull down my pants and take out my dick.

Somehow it seems bigger than its original size.

What!?

It's way bigger than my dad's.

Wow Amazing!

And I feel so hot.

Aahh... What is it about this strong smell that is so alluring?

Lick it and suck it.

No, wait.

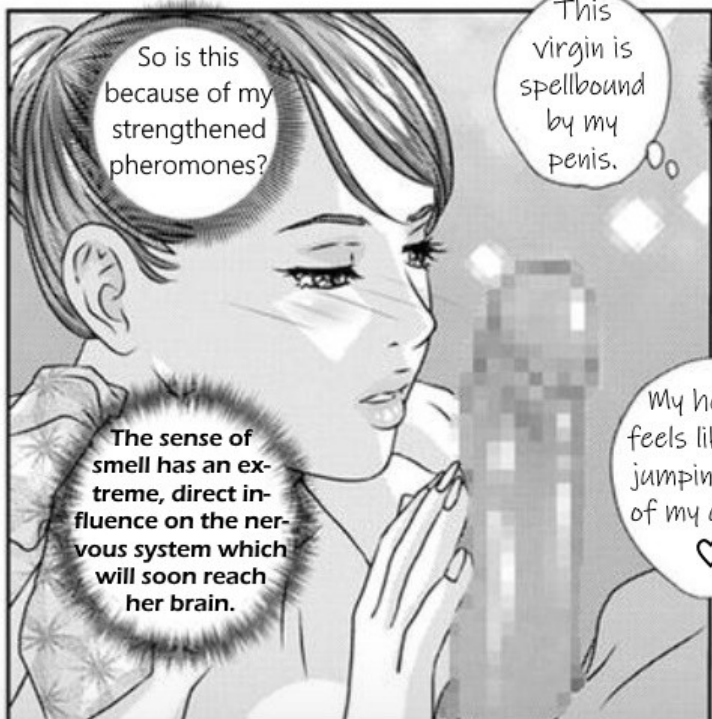

If I'm helping too much I'll turn it back.

I thought this would charm her.

Yes?

This is better.

So it is.

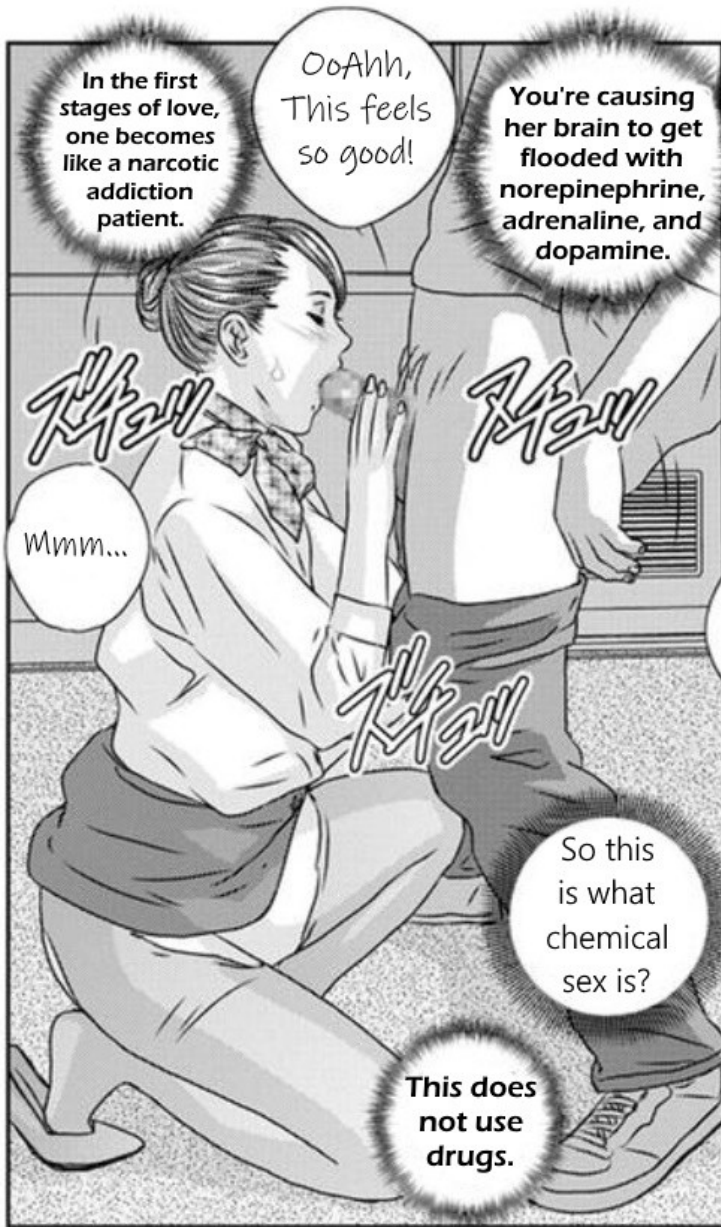

So is this because of my strengthened pheromones?

This virgin is spellbound by my penis.

The sense of smell has an extreme, direct influence on the nervous system which will soon reach her brain.

My heart feels like it's jumping out of my chest. ♡

In the first stages of love, one becomes like a narcotic addiction patient.

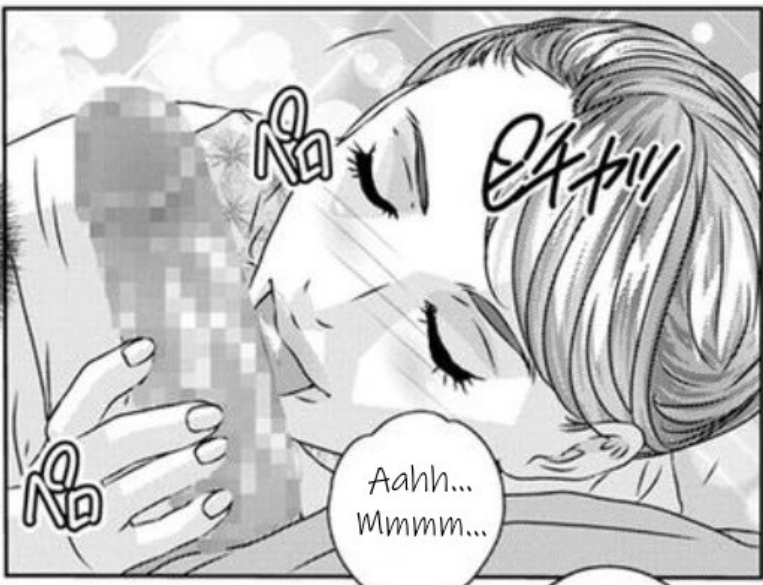

OoAhh, This feels so good!

You're causing her brain to get flooded with norepinephrine, adrenaline, and dopamine.

Mmm...

So this is what chemical sex is?

This does not use drugs.

Ahhh... Mmmm...

Ah... \*pants\*

You're sucking so courteously.

Good work for your first time.

I'm so happy you like it...

Nngh... Nnnn...

Go deeper.

Chemicals and electric impulses are stimulating the pleasure centers of her brain causing the amplification of sexual arousal.

Mhm.

Right now, I just want to surrender to pleasure without thinking too much.

Either way, I think there is a moral problem with this.

When testosterone exceeds prolactin, its stopping mechanism, sexual stimulation will renew so there's no need to worry.

What are you talking about??

It's not like I have endless sexual energy

But if I cum here I'll need time before I can get hard again.

Uuhh, Aahh...

I'm gonna cum soon!

In other words, I'm saying that your stimulation will renew again so you can ejaculate.

So why don't you cum then?

I can really ejaculate!?

Handwritten sound effects: ぐわんぐわん

Handwritten sound effects: ぐわんぐわん

Swallow every drop!!

MMGH!!!

Handwritten sound effects: ぐわんぐわん

Handwritten sound effects: ぐわんぐわん

I just came but I'm still hard.

Actually, I feel like I didn't cum enough.

Yeah, that was way more than usual.

It must be because of that thing...

That was... my first time swallowing cum...

\*gasp\* What a strange flavor!

You came so much...

Like... Like this?

Miwa-san, let me put your pussy to use.

Move your panties to the side and I'll go in.

Oh, okay...

Really??

Miwa-san, I wouldn't mind knocking you up, I really mean it.

I wanna fuck you raw and cum inside.

Umm... condom?

But the first time--  
Oh my God!  
It feels so good!!

Hmmm~  
Aaaa~  
Aaaa~

It's like the chemicals in her brain made it so she didn't feel her hyman break.

So, how does your first time feel?

I heard from my friends that the first time would hurt so I was scared but...

You don't have to be afraid.

It's gonna get even better after this.

It feels like during this whole time I've been a totally different person.

Sex feels so good!

Why was I so afraid?

Oh no!!  
If you fuck me any harder I'll cum!!!

She's so sexy!  
She's got the best tits and the best pussy I've ever had!!

Anhn!

Before you see that angel from heaven again, you should be fixing your appearance and cleaning your room.

But all you have been up to all day is going to see different doctors.

Is it really a wonder that I still don't completely trust you?

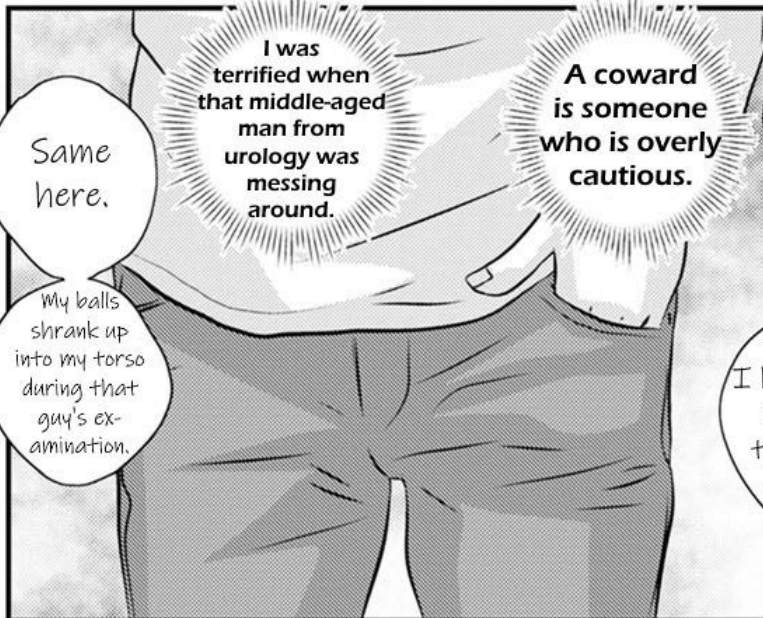

You really are a baffling human being.

What do you mean?

I still had paid time off left over.

Thanks to my vacation ending early,

I was terrified when that middle-aged man from urology was messing around.

A coward is someone who is overly cautious.

Same here.

My balls shrank up into my torso during that guy's examination.

Since it is said that things like demons can harm your life-force,

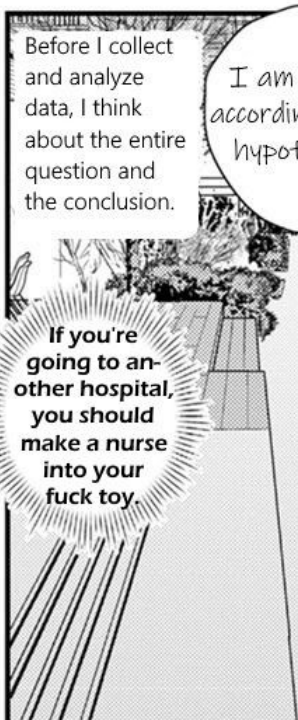

I am thankful for you supporting me like some kind of guardian spirit, but,

Although I haven't been harmed, I think this is necessary.

Oh, the next one is here.

As I master the skill of hypothetical thinking, my accuracy at work will gradually increase.

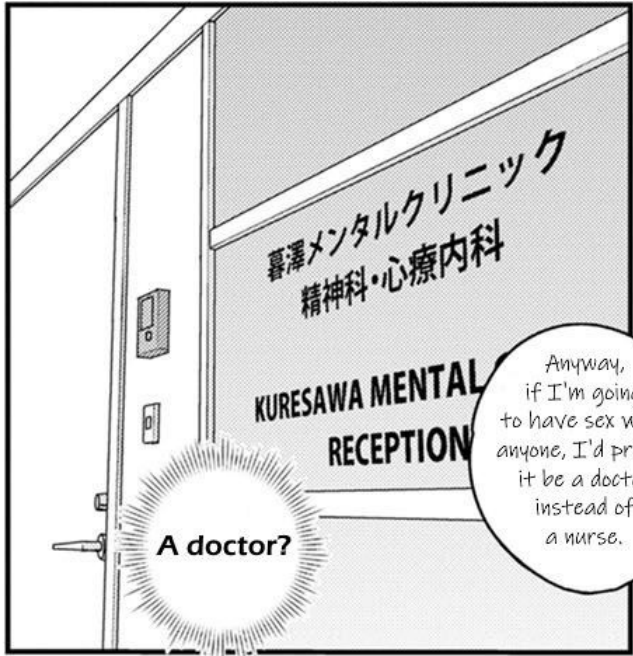

Before I collect and analyze data, I think about the entire question and the conclusion.

I am acting according to my hypothesis.

If you're going to another hospital, you should make a nurse into your fuck toy.

And after all that, he didn't find anything wrong.

Hypothetically thinking is one of my most important skills as a businessman.

Anyway, if I'm going to have sex with anyone, I'd prefer it be a doctor instead of a nurse.

Well, something like that. This is the last place.

Jeez, you think you're training for work right now?

Actually, it's been a long time since we first met... She hasn't changed at all... Actually she's become more and more beautiful.

I had a one sided admiration, that's all.

Someone you know?

My senpai from high school.

Kouda-san, please enter.

Pardon the intrusion.

It's no trouble at all.

Thank you.

※この作品はフィクションです。実在の人物・団体、その他は一切関係ありません。

Back in high school, she was chosen for the Miss Japan semi-finals. Afterwards she went to medical school. As it were, she is a woman of beauty and intelligence.

Her name is Emiru Kuresawa, age 28. On top of being a beautiful, she's a huge titted doctor. She's even famous for having performed on television.

No I'm not!

**You're a bit of a stalker.**

After high school I gained a tendency to check for her in magazines and television programs.

So the reason you came here is to get therapy and counselling.

I'm glad you like it.

On top of that it's got a very relaxed atmosphere.

From the reception desk to here I didn't see one other patient. You must really care a lot about our privacy.

This is a splendid clinic.

**It's a shame the human brain can't do two things at the same time.**

Hey! Quit talking to me! I'll mess up the conversation.

**Do you feel sexual desire for this woman?**

Would you elaborate on this?

Your questionnaire says that you had an audio-visual hallucination.

Rihito Kouda, age 26, corporate employee...

Well then,

Oh yeah, that's right.

You've got a strong heart.

You're okay, I'm used to this sort of thing.

Ummmm...

When you say that it seems like you think I'm messed up in the head.

So privately I've been thinking I'm possessed by what people call a spirit.

I want to know whether or not this is a delusion.

Two days ago when I woke up, my genitals.... My penis had a face, and then it started talking.

That he is an entity that lost his way from a parallel universe different from the world we live in.

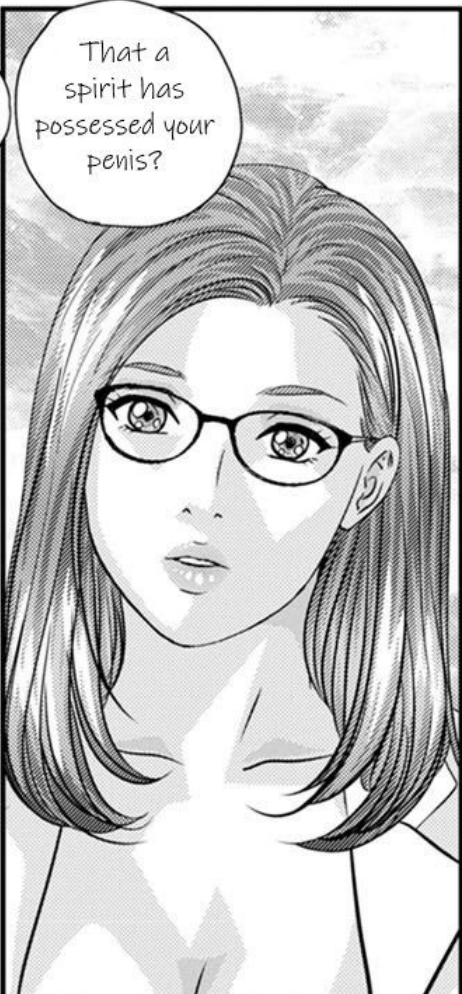

When he speaks he sounds kinda male... Anyway when he told me,

He... Well, I don't know whether he has a sex but,

Yeah

That's what I wanted to talk about.

My body's been healthy so I'm not taking any medicine.

That a spirit has possessed your penis?

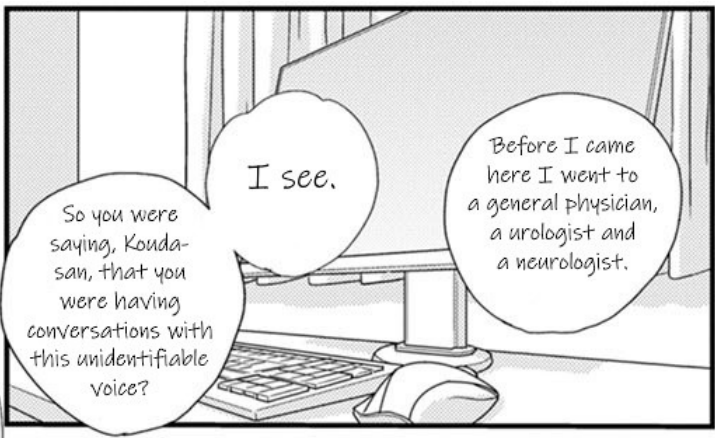

Does it criticize you or tell you to do anything?

Yes.

And also, can you hear it clearly?

I hear it very clearly.

So you were saying, Kouda-san, that you were having conversations with this unidentifiable voice?

I see.

Before I came here I went to a general physician, a urologist and a neurologist.

How much do you hear the voice?

Yes.

Let's go back to where you said, Your genitals had a face and were talking to you.

I see. ....

No, I've slept just fine.

Is he manipulating you?

Are you worried and feel unable to sleep?

Yes, he temporarily manipulated me.

It causes women to be drawn to me. That said, it's like a strong love potion.

Although not all the time. It seems other people would see just an ordinary penis.

It's like magic you say?

He messed with my sense of vision, and just like that it looked like my genitals had a face.

For that reason he uses a certain secret magic power.

Because he is eager to feel sexual pleasure, he stirs up waves of emotions.

And secondly,

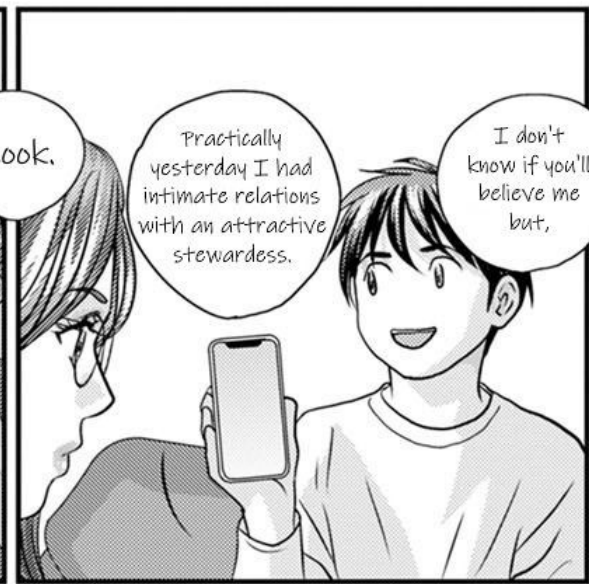

That feeling has never happened to me.

What on earth is happening to women with this feeling?

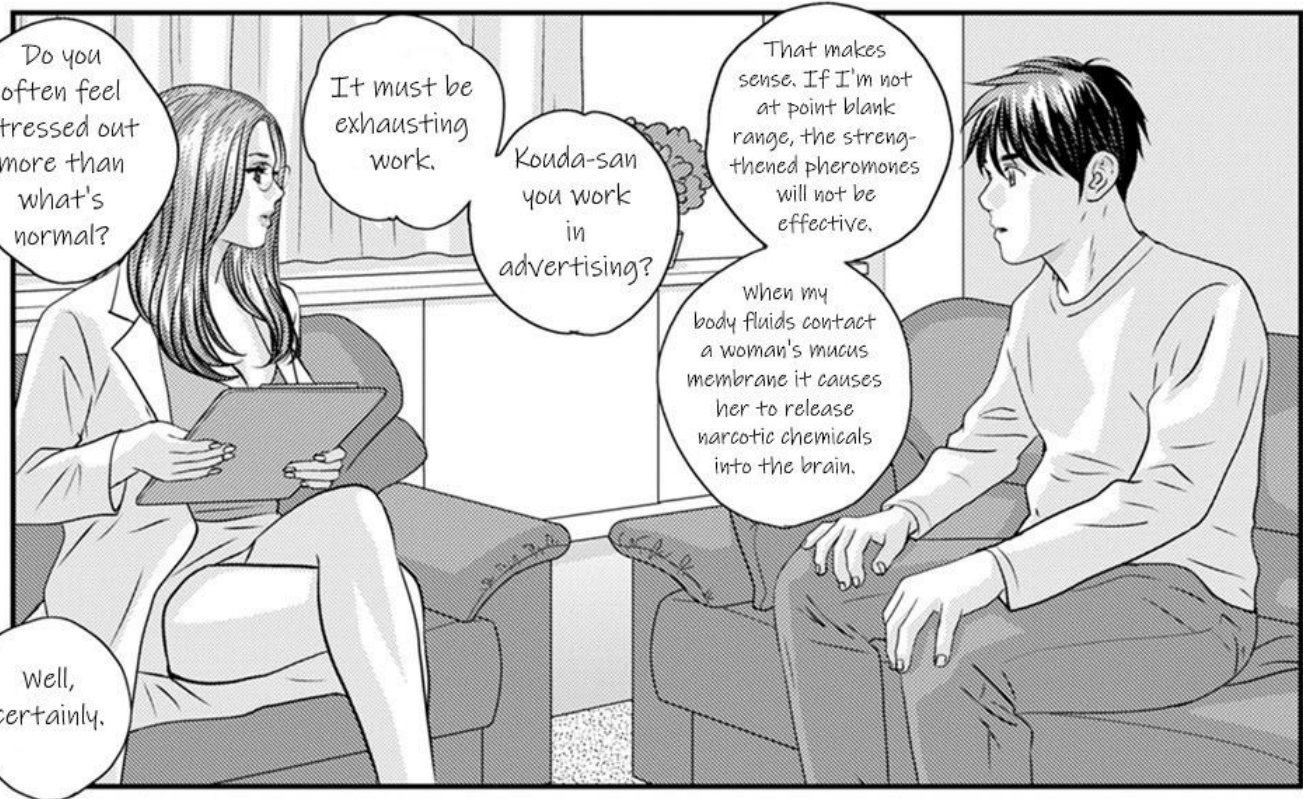

It's not just that.

Look.

Practically yesterday I had intimate relations with an attractive stewardess.

I don't know if you'll believe me but,

Do you often feel stressed out more than what's normal?

It must be exhausting work.

Kouda-san you work in advertising?

That makes sense. If I'm not at point blank range, the strengthened pheromones will not be effective.

When my body fluids contact a woman's mucus membrane it causes her to release narcotic chemicals into the brain.

Well, certainly.

Hey, that's enough. I'm bored.

Hey! Don't come out whenever you like!

Beep Beep Beep

With that said, there's a chance of paranoia and or temporary mental illness.

It might be an early stage of schizophrenia, but if that's the case, he doesn't seem to be depressed.

Exposing your genitals in public, exhibitionism, is a disorder... A sickness.

Hmm...?

Get closer to that doctor.

Hurry up and see if it will work.

You say that but..!

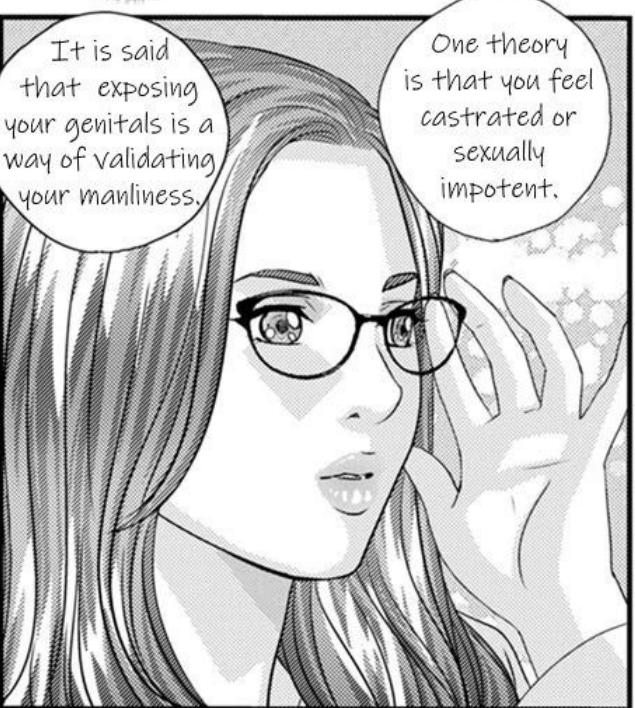

Doctor, you're very calm about this.

You're wrong! He's the one who's---

The origin is an antisocial personality disorder.

It comes out when stress accumulates.

It is said that exposing your genitals is a way of validating your manliness.

One theory is that you feel castrated or sexually impotent.

You're too far away.

Hey, it isn't affecting her!

Get closer.

They were always delighted when they could harass and embarrass the women.

Sometimes I am.

I learned how to be calm about it when from when I was on TV. Those men were always harsh and inappropriate...

Can you put that away now?

Until now she's dealt with me indifferently. I want to take off her mask of composure.

If it doesn't work I'll be labeled a perverted exhibitionist.

Or something like that.

If she reacts to my dick's mysterious power I'll be alright, but,

She's nothing more than human. Her body structure is no different from an ordinary female.

If you don't stop right now I'll call the---

Hey wait!!

I know it isn't your field but,

Doctor, I'm sorry but,

Well, here goes nothing.

If it's alright, would you give me an examination?

Palpitations?

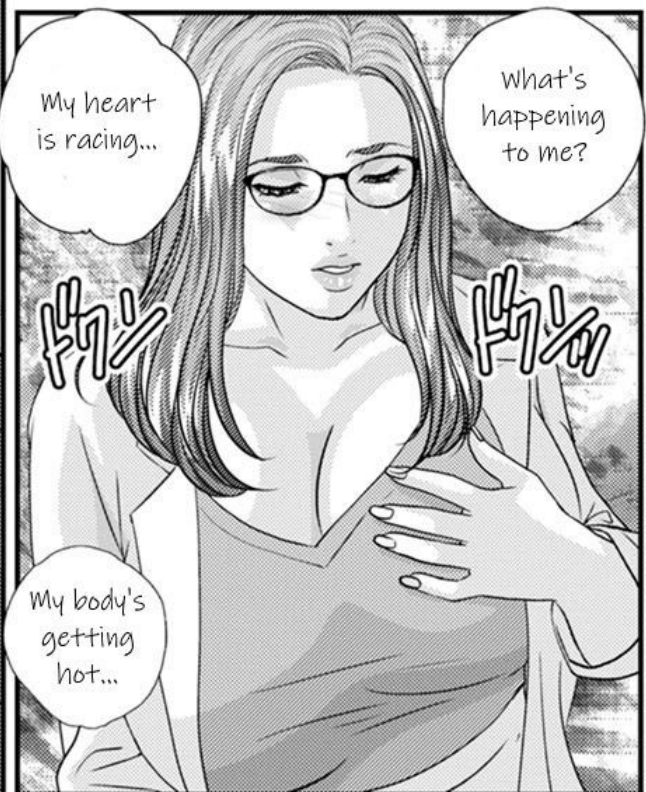

Arrhythmia?

Look, it worked.

It's really working!

Ah~

My heart is racing...

What's happening to me?

My body's getting hot...

Like a genuine medical procedure.

Shall we continue the examination?

Uh...

Ummm... Well if we do the exam,

We won't have to bother the police.

A normal psychiatrist is only supposed to take your medical history but...

An examination.....?

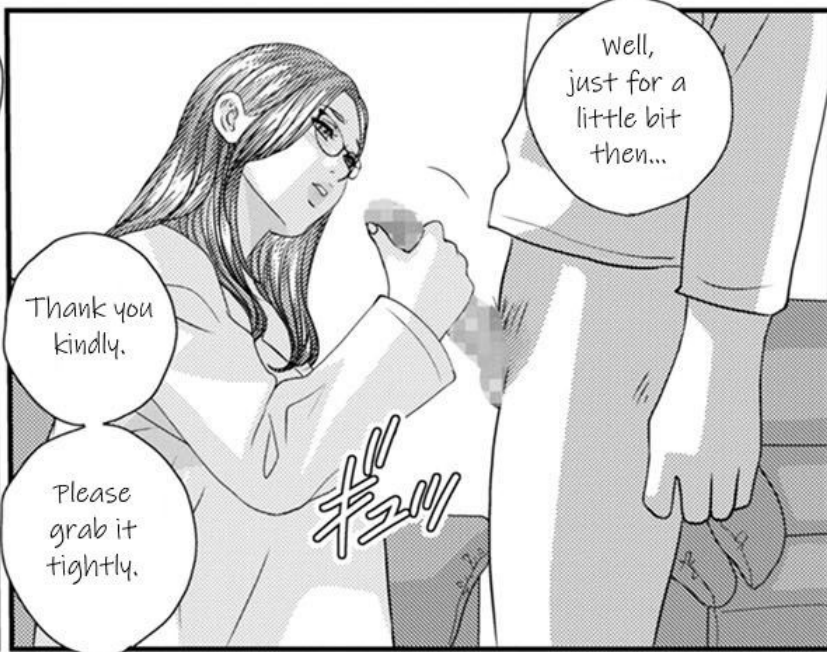

Yes, that's right.

It's so big... and so hot...

Aahhr

Doctor, having your long white fingers wrapped around my penis is very exciting.

Well, just for a little bit then...

Thank you kindly.

Please grab it tightly.

It's surprising,

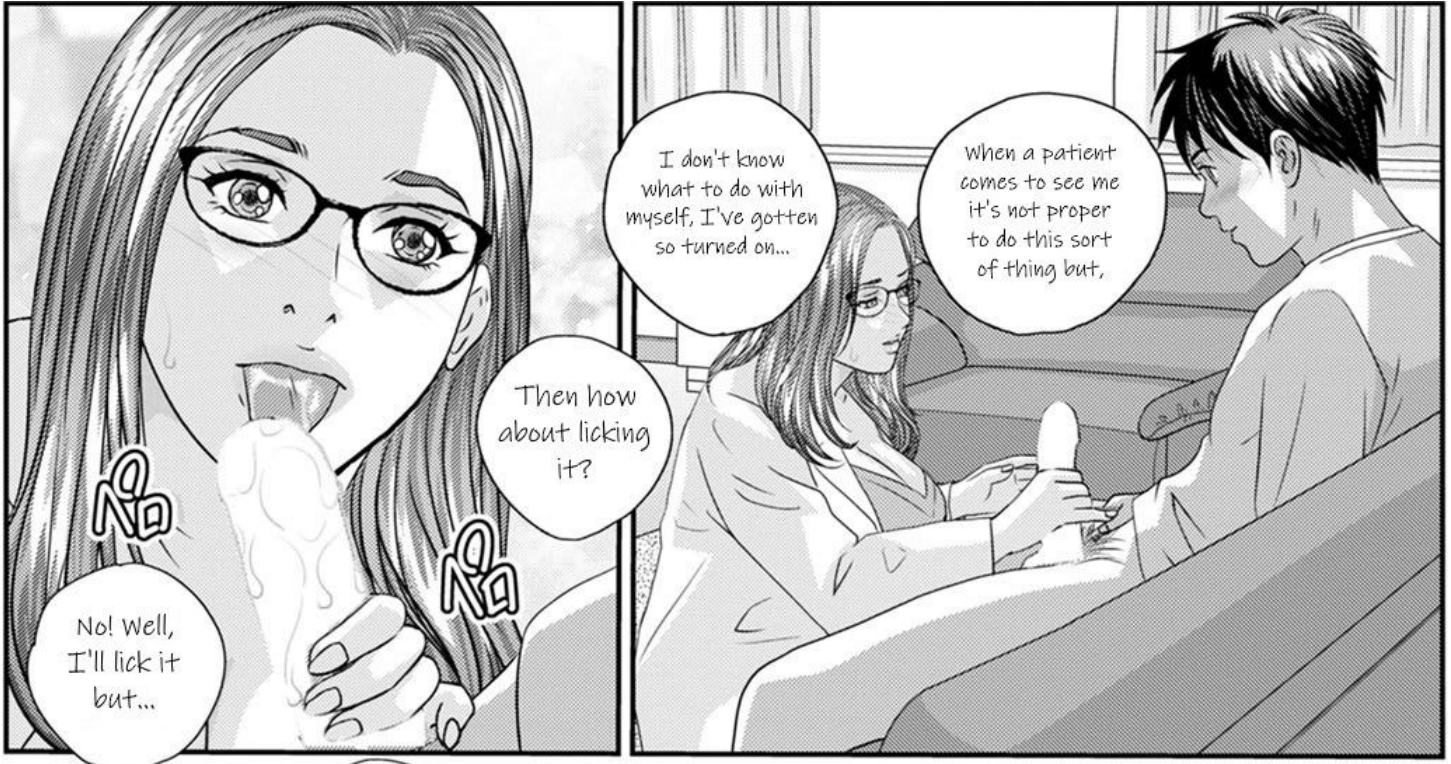

How strongly attracted I've become...

That's a lubricant. Would you rub it around the tip for me?

A clear white fluid is coming out of the tip.

It excites me, too...

No

No

No! Well, I'll lick it but...

I don't know what to do with myself, I've gotten so turned on...

When a patient comes to see me it's not proper to do this sort of thing but,

Then how about licking it?

Aaagh---! It feels so good!

アハハ

アハハ

Having my senpai who I longed for since high school give me head is extremely satisfying.

\*gasp\* Mmmh~

アハハ

Mmmh~

アハハ

I'm embarrassed but, even though I thought this was wrong I still got excited.

I didn't expect you to look so calm doing this.

Your mouth is so warm. You're sucking so thoroughly.

アハハ

Sucking your dick is making me hornier and hornier.

Kinda like in Caligula Effect\*.

アハハ

My dream came true... That is to say, it's more like my delusion became reality.

\*Caligula Effect is a JRPG where the characters violate various taboos.

You really have a fetish for big tits.

Okay, I accept your challenge.

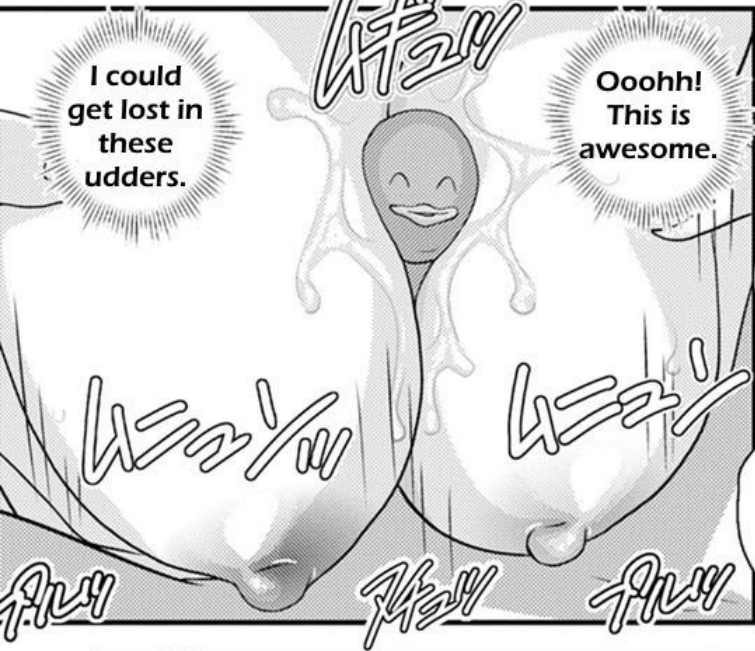

That's when I stick my cock between your tits and fuck 'em.

If you can, would you give me paizuri with your big tits?

Paizuri?

I've never done that before but...

For real? Then it's more reason to try.

I could get lost in these udders.

Ooohh! This is awesome.

Isn't it male nature to prefer women with voluptuous breasts?

Well, psychologically speaking,

Men who like big tits are like spoiled children and day-dreamers, and they have a strong tendency to want social validation.

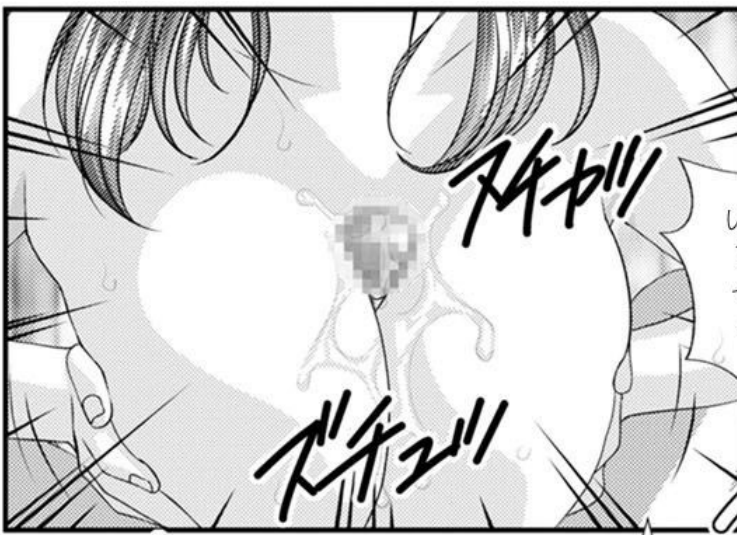

Then, shall I make you love it more?

Oh, is that right?

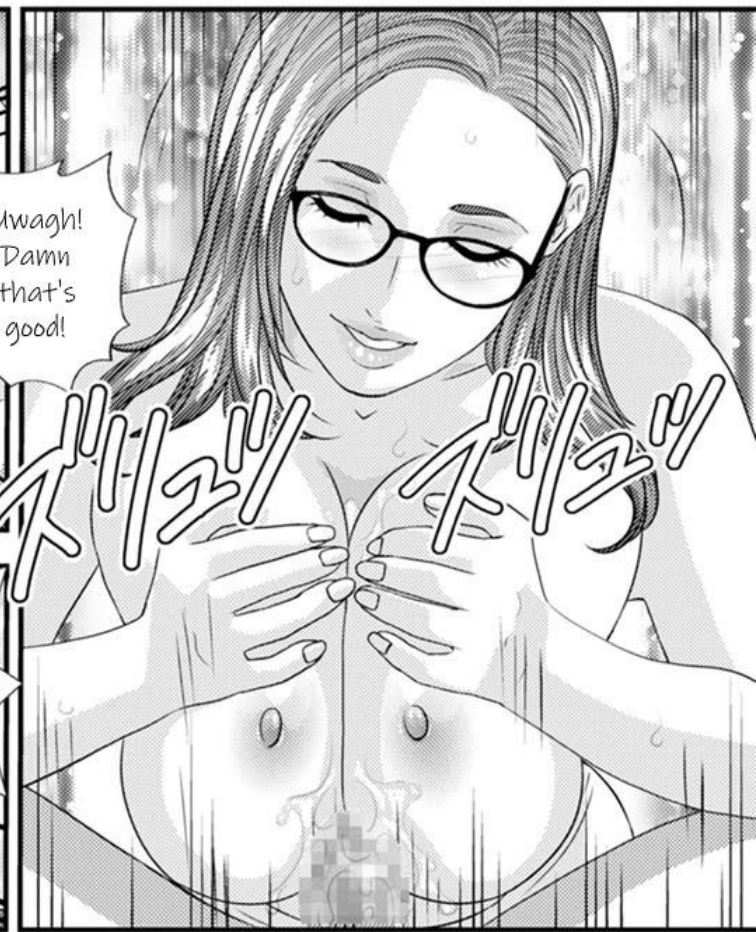

\*giggles\* So my tits feel good, do they?

I feel biologically charmed by you, doctor.

Yes. My dick is loving your treatment.

Uwagh!  
Damn  
that's  
good!

Ohhh!  
Ahh!  
Jesus  
Christ!!

Ah~\*  
It's so  
powerfull!

Kyaa!!!

I'm  
cumming!!!

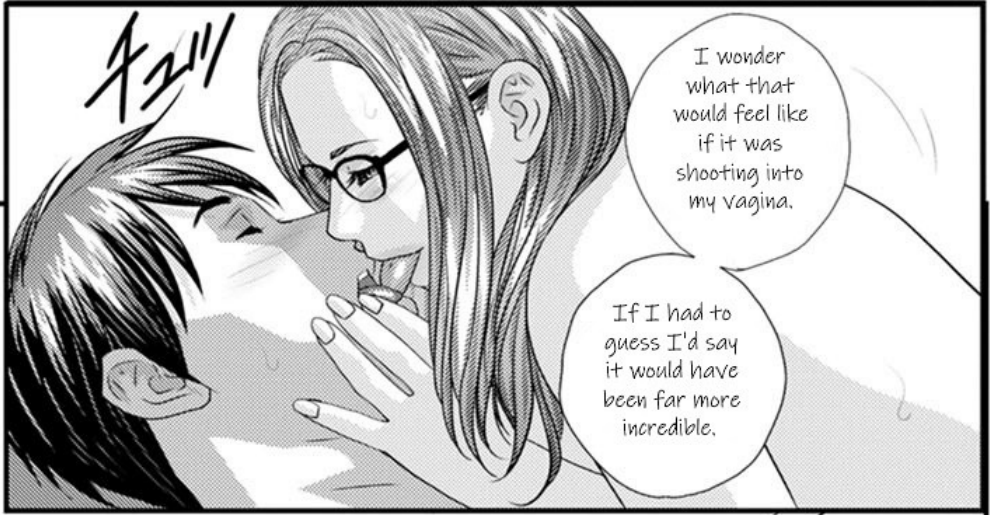

Really? Incredible, if I say so myself.

I don't think I've ever seen it fly that far even in highschool.

I've never seen that before.

Hey, did that hit the ceiling just now?

Thanks to me, all male sexual functions are enhanced.

I wonder what that would feel like if it was shooting into my vagina.

If I had to guess I'd say it would have been far more incredible.

Oh God!! It's going in!!!

So next is my---

Hmmmm!  
Hmmm!

Aah~  
\*gasp\*  
Oh fuck!!

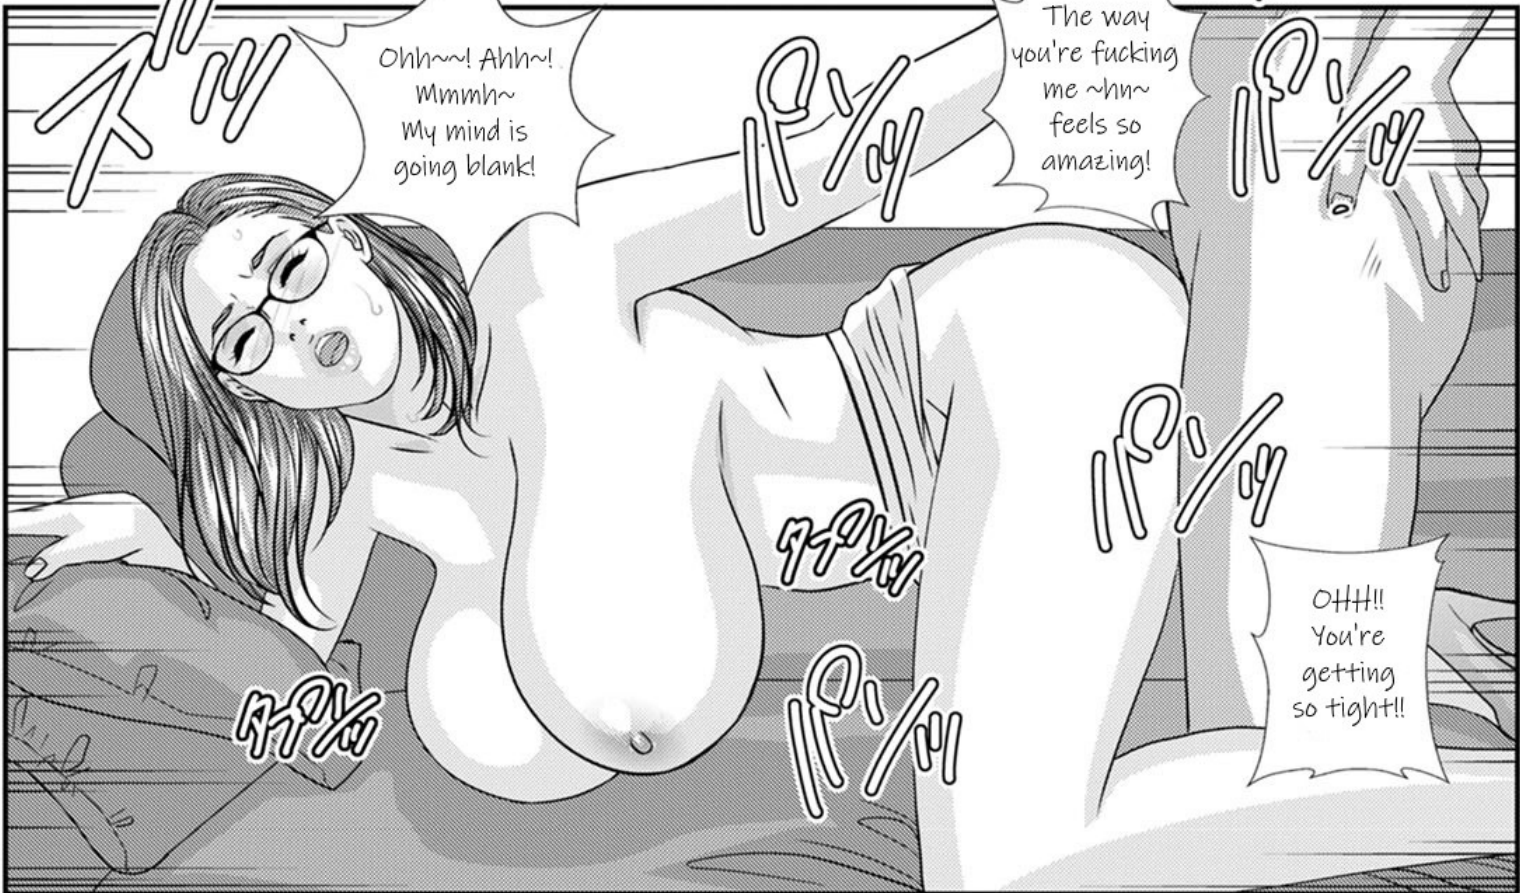

How  
is it  
this  
good?!

You keep  
hitting  
my  
G-spot!!

AaOhh~!  
Oh GOD!  
No, I'm  
gonna  
cum!!!

How did  
this even  
happen?  
MmAh~!

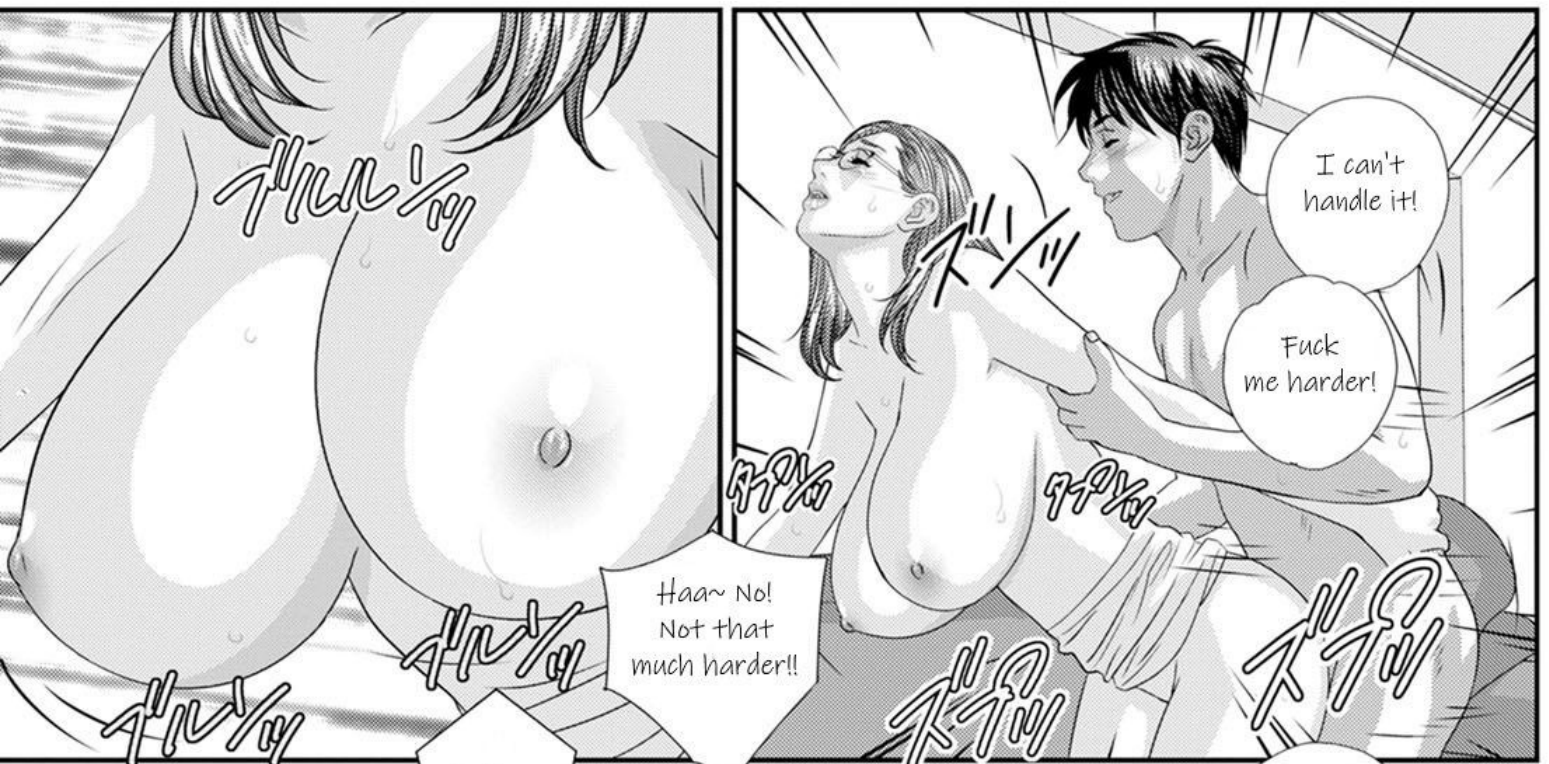

Haam~!  
How!  
Hmmm~!

Ohh~! Ahh~!  
Mmmh~  
My mind is  
going blank!

The way  
you're fucking  
me ~hnr~  
feels so  
amazing!

OH!!  
You're  
getting  
so tight!!

Haan~ No!  
Not that  
much harder!!

I can't  
handle it!

Fuck  
me harder!

Aah~

Every time  
you thrust  
a disgusting  
sound comes  
from my  
pussy.

I can't  
think about  
anything!!

Mm~oh!  
God! Where-  
ever you  
want!

Where  
do you  
want it?

I feel  
the urge to  
cum building!

Then  
cum!!

Wherever you like, \*pant\* Cum wherever you like.

기르유

I seriously thought you were talking to yourself.

There's no one else, is there?!

Are you talking to me?

Aaaa! Ahmmm! Aaaa!

I want to cum in her pussy but I don't want to get her pregnant.

기르유

I'd rather not think about what would happen if I knocked her up.

What about making it so there isn't sperm in my semen?

기르유

Of course. No problem.

Then give me a pseudo-vasectomy!

Tell me if you can do it!

I'm at my wit's end!

At last you recognize my existence and quit your hypothetical thinking.

Aah--!! Yes!!! MmAA--!! God!!!

It's so fucking amazing!!!

Then I'll cum like this! I'm gonna cum in your pussy!!

GnhAA!! I'm cumming!!!

기르유 기르유 기르유

기르유 기르유 기르유

기르유

기르유

ハハハハ

HyAAAA  
AAAAA  
AAAAA  
AAAA!!!!

Angh!!  
AAAggh!!

アハハハ

ハハハハ

アハハハ

Haan!  
Aahn!  
I feel it  
gushing deep  
inside!!!

ハハハハ

Haaa~!  
~mM~!  
You're  
cumming  
so much!  
Haaaa~!!!

ハハハハ

Aahn!  
It feels so  
good! The  
cum won't  
stop!!!

ハハハハ

ハハハハ

Was I your best?

Well, after all that...

I wonder...

I'll give you a private examination.

well, I wouldn't mind having it after clinic hours.

If I'm troubling you, I know you're busy with work so-

Though, we didn't have enough time for a proper examination.

I learned today that sex can be amazing.

I can't believe it's my first day back to work in a week.

I've got a bad feeling that my section chief is gonna chew me out.

From TV, newspapers, magazines, ads in public trains, to the internet, there was no media of advertising I missed at all.

In the business world of advertising, Angel Ad Agency ranked 3rd behind Thunder Traffic and Mythical Phoenix Public.

Our enterprise includes supplying marketing solutions, proposals for new ads and promotion territory, content planning, production, import and export, and sales marketing.

Right. No one else can see you...  
But there are just some things you don't get about life yet.

No need for alarm. What you see is an illusion.

I don't desire a life where my dick keeps sticking out its head!!

...yeah...

Hey! How did you get there?!

Oh, so this is where you come do manual labor?

If this is all you desire out of life, fine with me.

Thanks to you, I've become a lot more self-confident.

Until recently my lovelife had been a disaster.

True.

You ought to appreciate my existence more.

Because of me you can make any woman you like into your toy.

So I'll just leave this with the receptionist.

Right. If everyone at the office is busy eating this, I'll buy time...

And that's why I have this secret weapon.

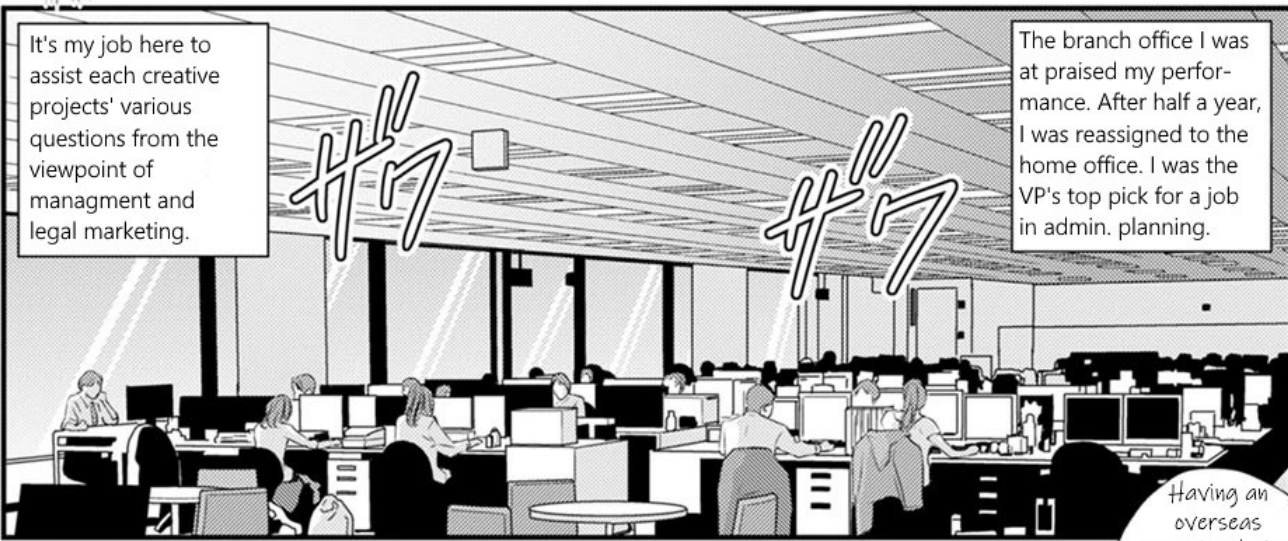

I'm thinking about trying a more aggressive attack from now on.

**Saving face at work, eh?**

**That's the souvenir you got in France!**

It's my job here to assist each creative projects' various questions from the viewpoint of management and legal marketing.

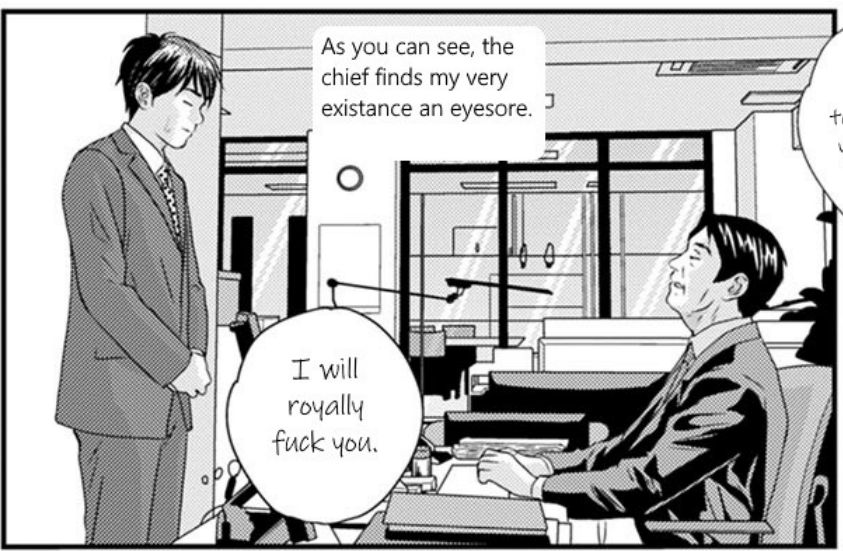

The branch office I was at praised my performance. After half a year, I was reassigned to the home office. I was the VP's top pick for a job in admin. planning.

Handwritten sound effect: #7

Handwritten sound effect: #7

Having an overseas vacation during our busy season might have been good for yourself,

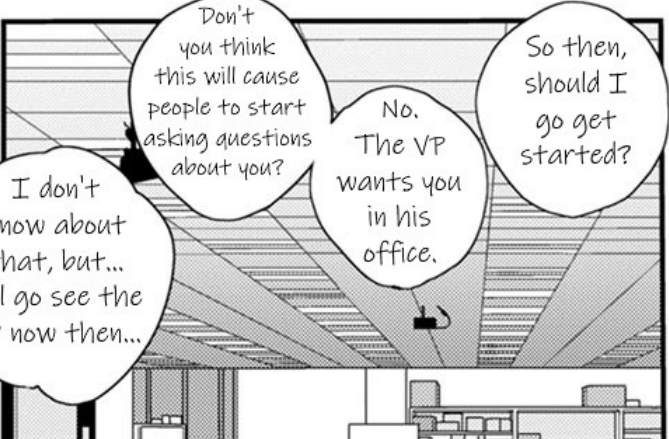

As you can see, the chief finds my very existence an eyesore.

I will royally fuck you.

But if you don't start to realize that you're just an employee,

※この作品はフィクションです。実在の人物・団体、その他とは一切関係ありません。

Don't you think this will cause people to start asking questions about you?

No. The VP wants you in his office.

So then, should I go get started?

I don't know about that, but... I'll go see the VP now then...

Thanks to you, I feel refreshed and ready to put that energy to work.

Chief, I'm very grateful for the time off you gave me.

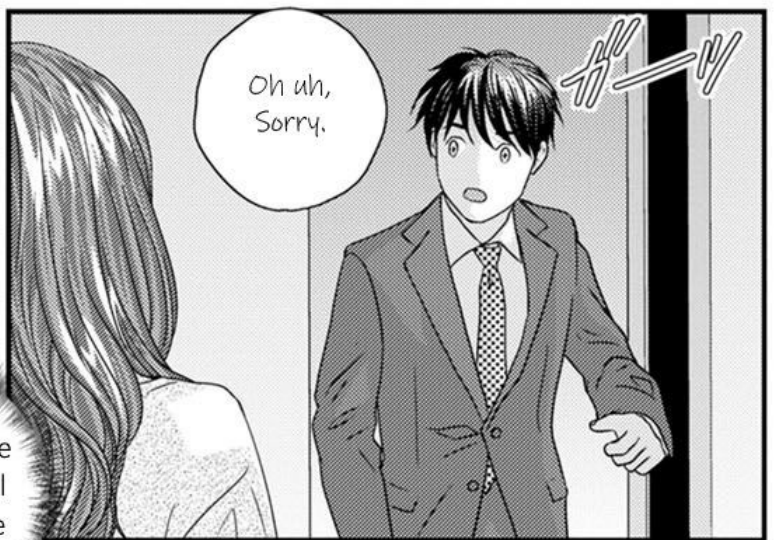

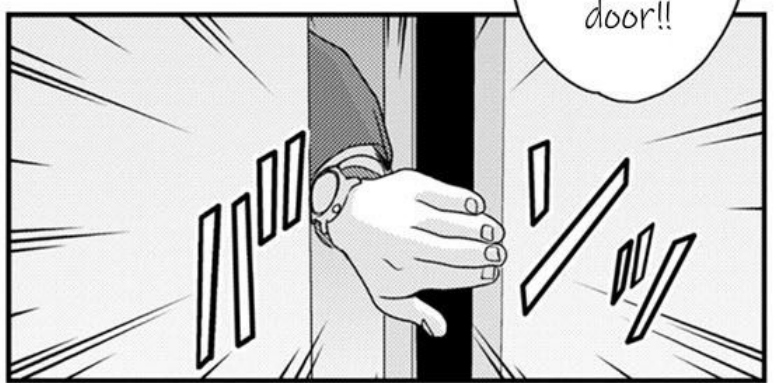

Yeah, okay.

Ritsuka Suzumine, the VP's personal secretary, the Ice Queen.

I'm going to the vice president's floor.

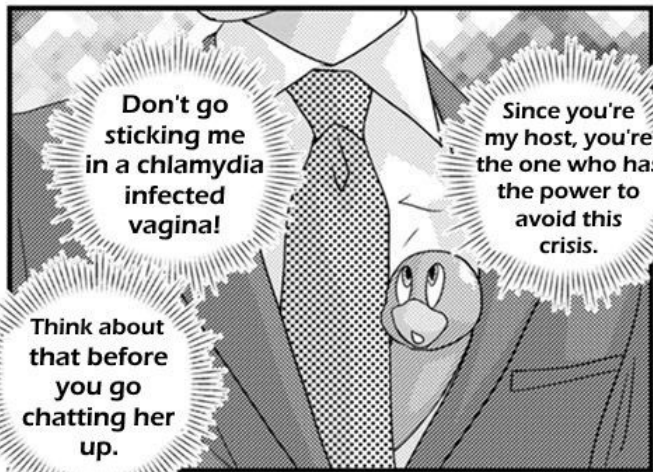

Wait!! Hold the door!!

Oh uh, Sorry.

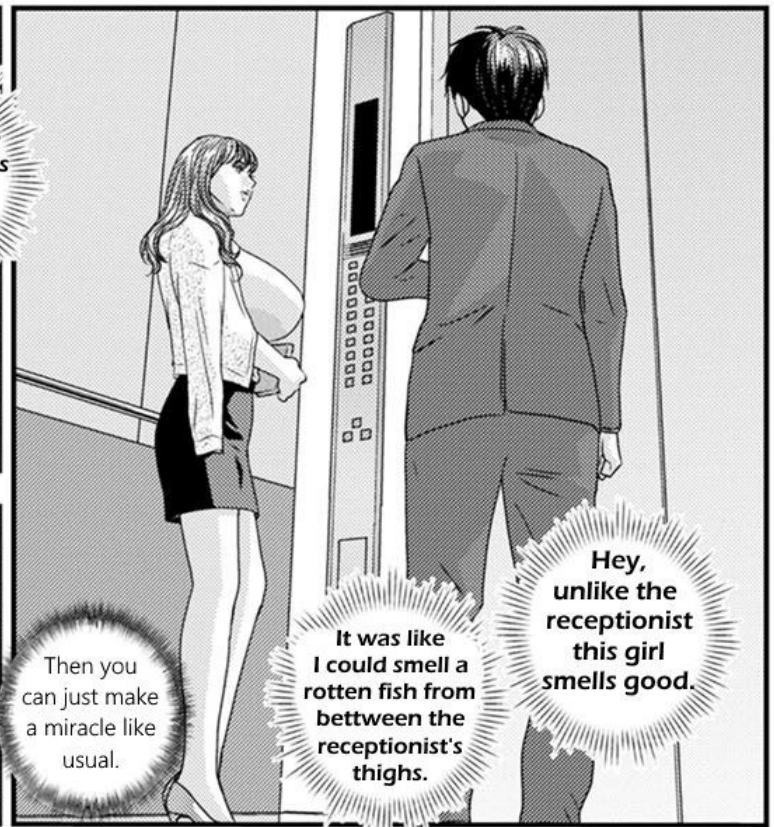

Don't go sticking me in a chlamydia infected vagina!

Since you're my host, you're the one who has the power to avoid this crisis.

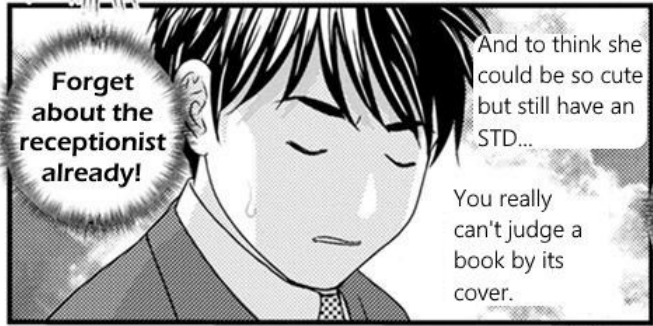

Think about that before you go chatting her up.

Hey, unlike the receptionist this girl smells good.

It was like I could smell a rotten fish from between the receptionist's thighs.

Then you can just make a miracle like usual.

Forget about the receptionist already!

And to think she could be so cute but still have an STD...

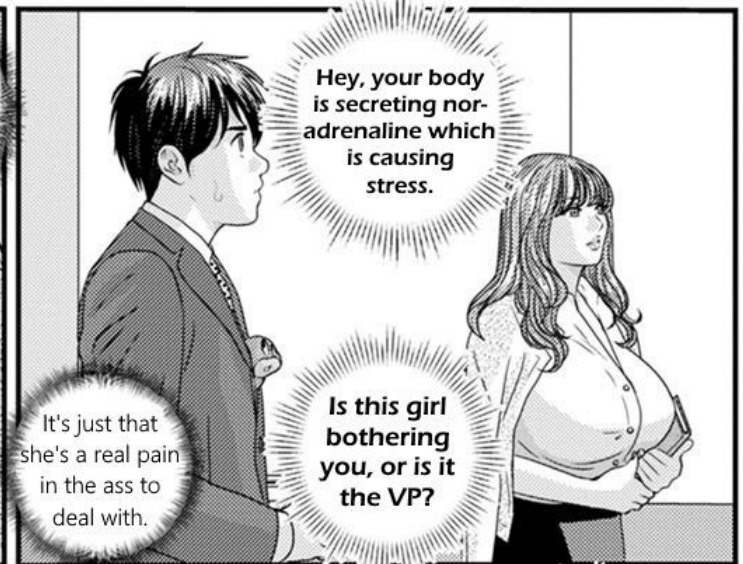

You really can't judge a book by its cover.

We were hired the same time, but she won't even look me in the eyes when we pass in the hall.

I knew that she didn't care about me at all, but I still kept on thinking that I wanted to get to know her.

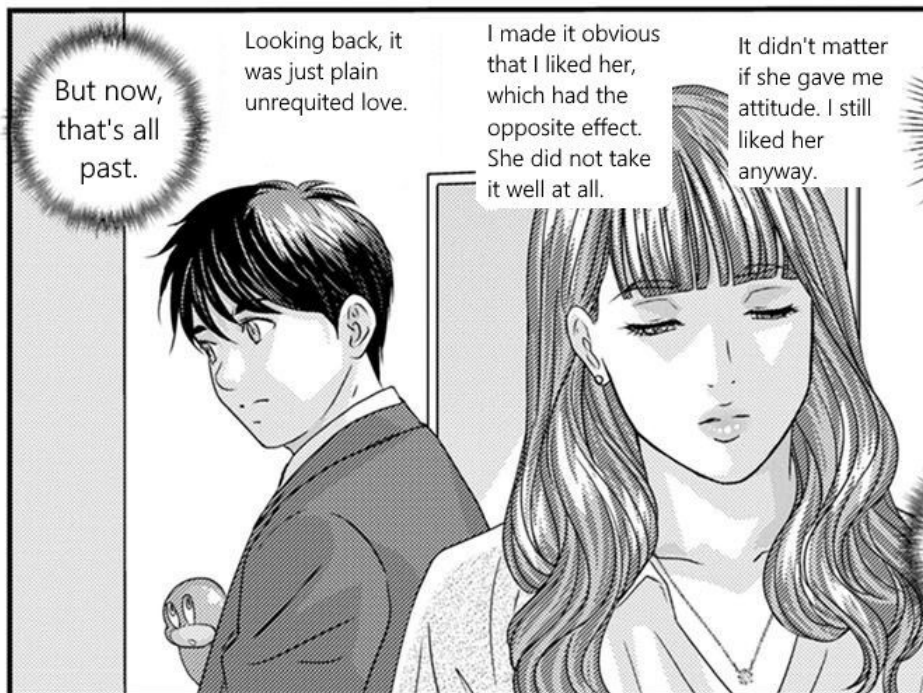

She doesn't think we're on the same level at all.

Hey, your body is secreting nor-adrenaline which is causing stress.

It's just that she's a real pain in the ass to deal with.

Is this girl bothering you, or is it the VP?

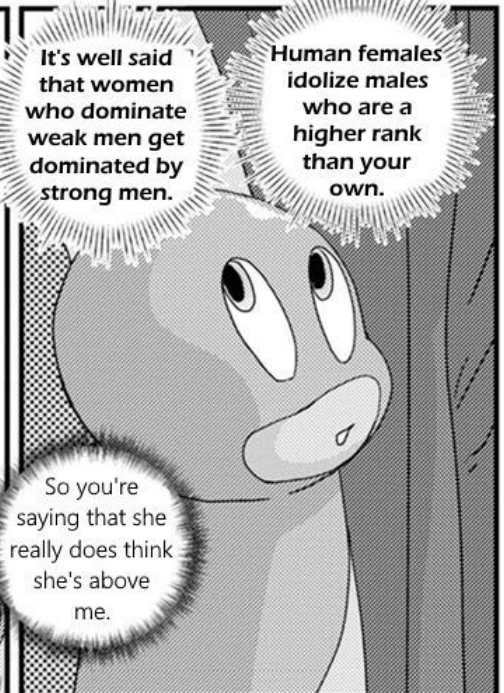

But now, that's all past.

Looking back, it was just plain unrequited love.

I made it obvious that I liked her, which had the opposite effect. She did not take it well at all.

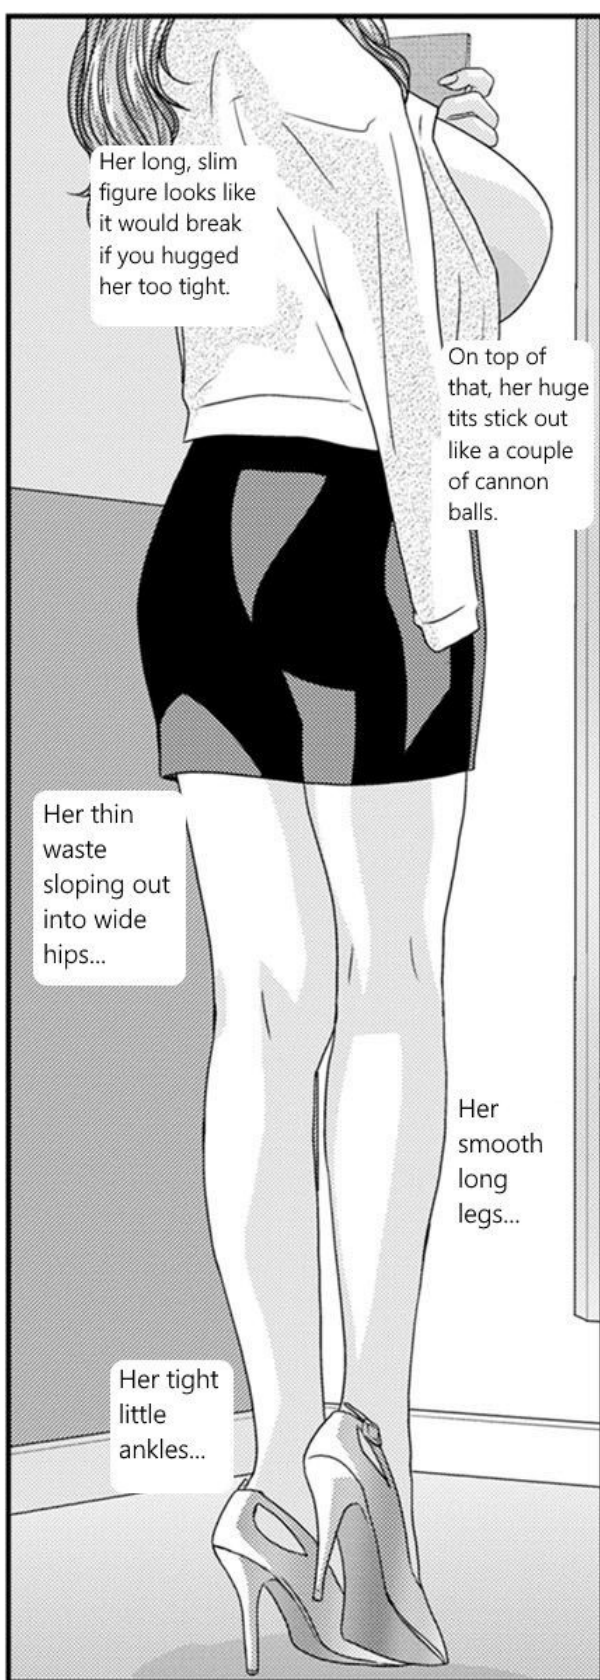

It didn't matter if she gave me attitude. I still liked her anyway.

It's well said that women who dominate weak men get dominated by strong men.

Human females idolize males who are a higher rank than your own.

So you're saying that she really does think she's above me.

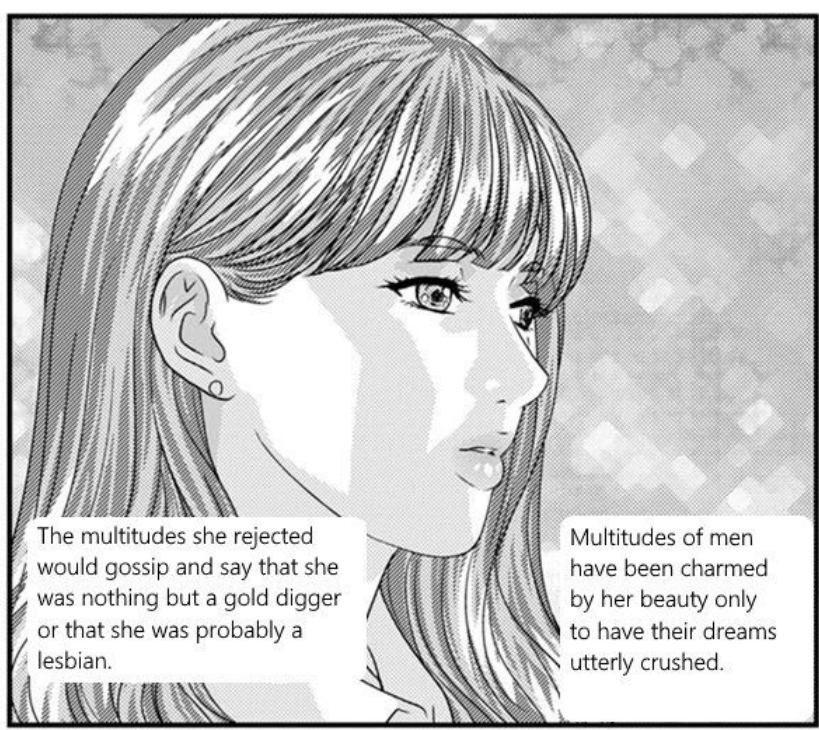

Her long, slim figure looks like it would break if you hugged her too tight.

On top of that, her huge tits stick out like a couple of cannon balls.

Her thin waste sloping out into wide hips...

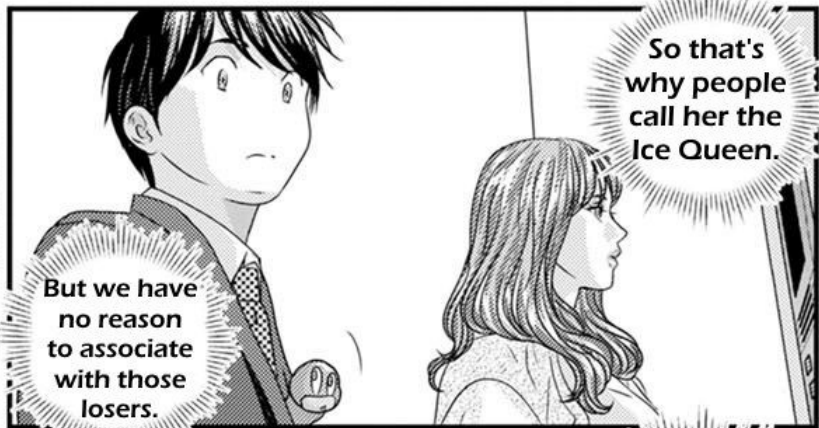

Her smooth long legs...

Her tight little ankles...

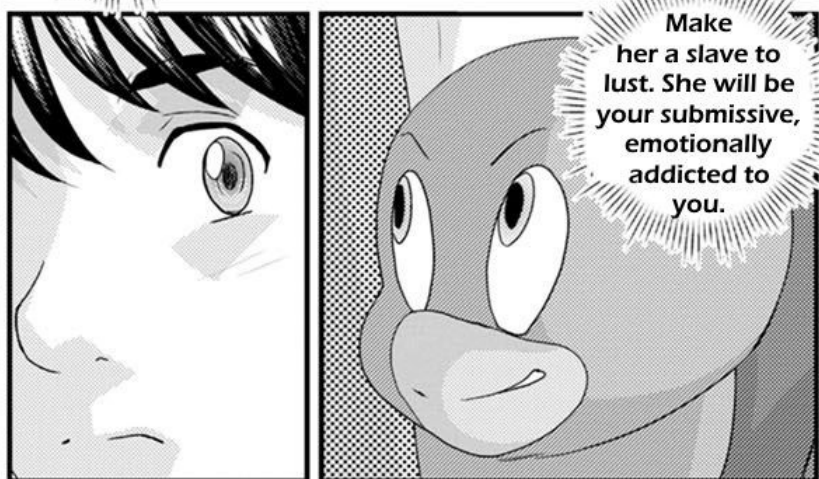

The multitudes she rejected would gossip and say that she was nothing but a gold digger or that she was probably a lesbian.

Multitudes of men have been charmed by her beauty only to have their dreams utterly crushed.

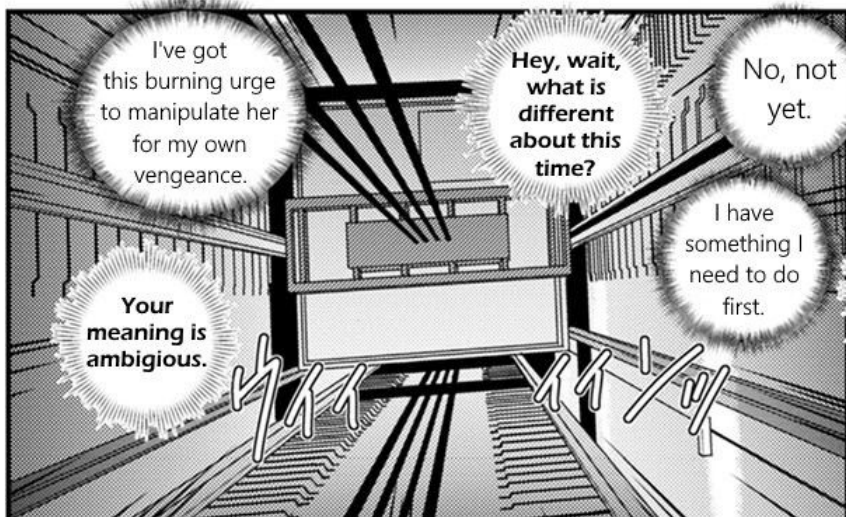

But we have no reason to associate with those losers.

So that's why people call her the Ice Queen.

Make her a slave to lust. She will be your submissive, emotionally addicted to you.

I've got this burning urge to manipulate her for my own vengeance.

Hey, wait, what is different about this time?

No, not yet.

I have something I need to do first.

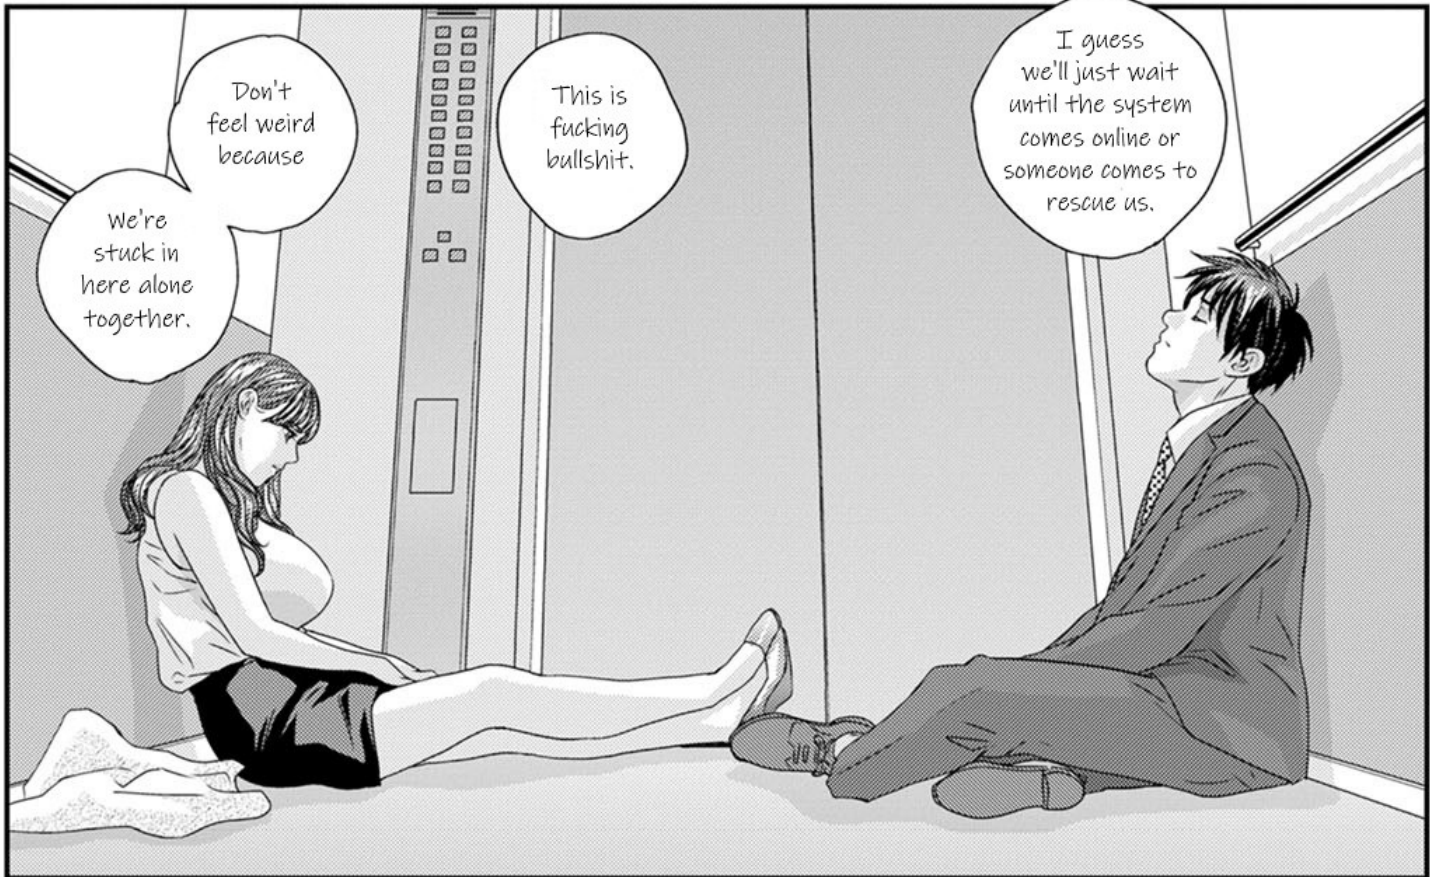

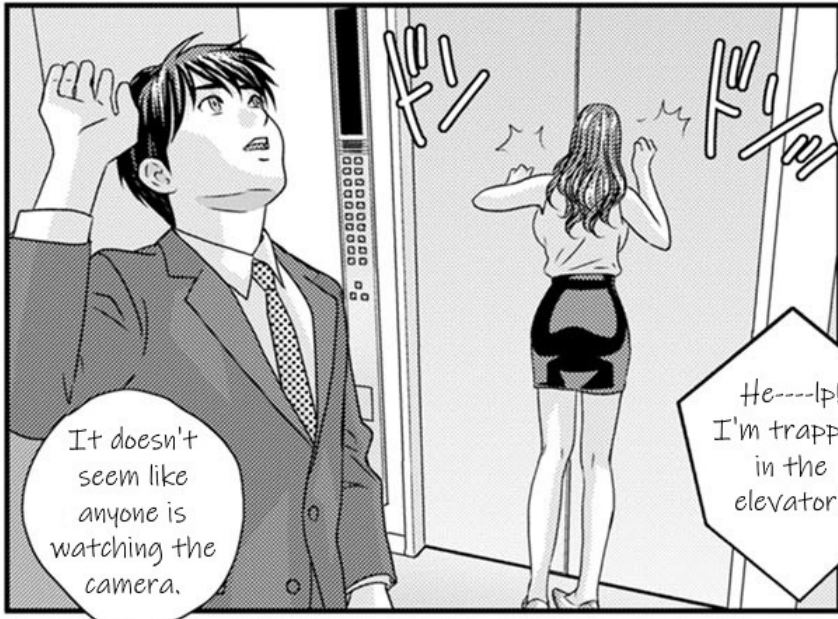

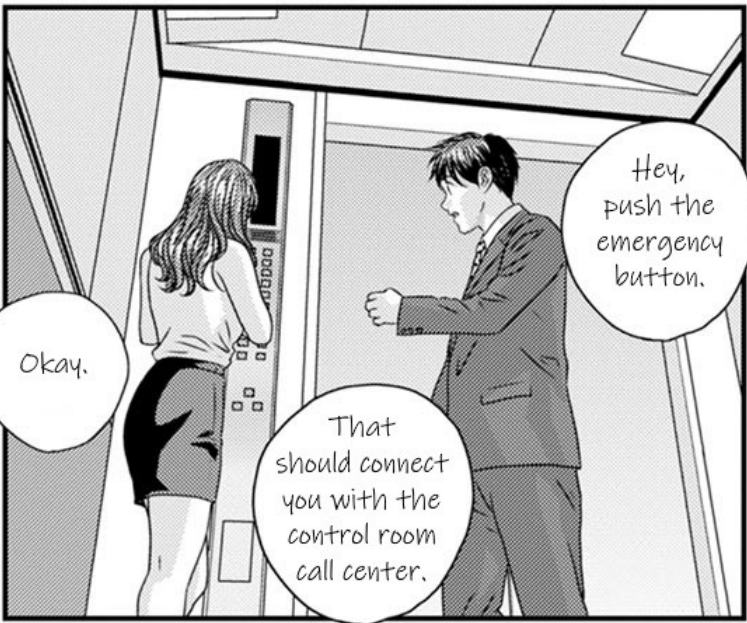

Your meaning is ambiguous.

Well, I definitely don't want to look like a big baby in front of her.

So it's my turn?!

You're a fucking loser.

What are you talking about?

I won't make a move on you so nobody will start any rumors.

Just relax, okay?

Oh....

I slept in late again this morning so I skipped breakfast.

Usually it isn't an issue because someone gives me something to eat.

You must be hungry.

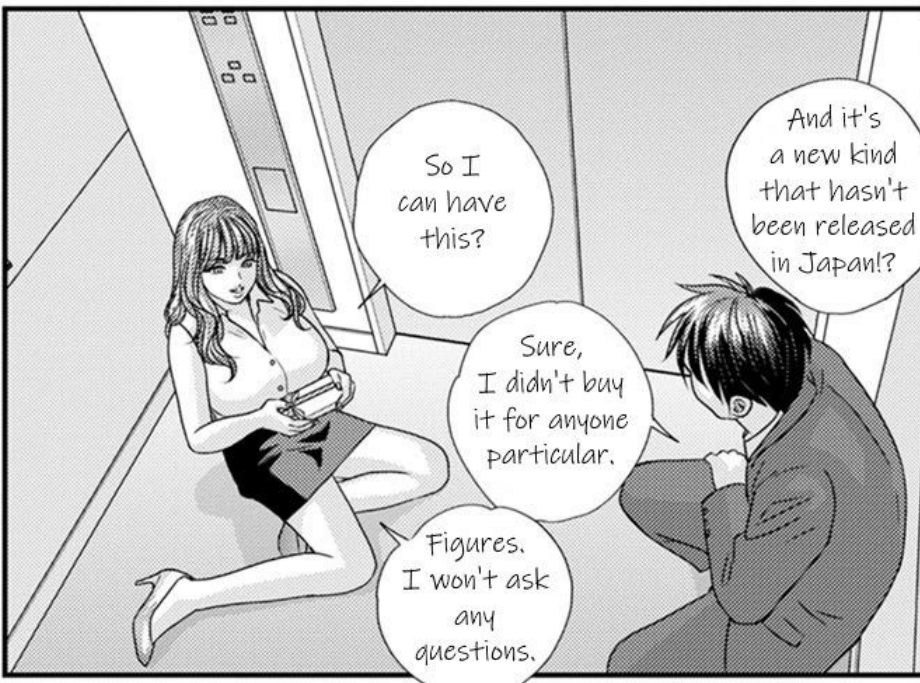

I don't know what you're handing me so---

I have this if you like.

Oh, I see.

So I can have this?

And it's a new kind that hasn't been released in Japan!?

Sure, I didn't buy it for anyone particular.

Figures. I won't ask any questions.

Is that really Pierre Benoit chocolate!?

Wait a sec!!

1974

Oh~! They look like little gems!!

I've really got a weakness for chocolate!

What do you mean "after all"?

So there is a cute side to you after all.

Since you're usually acting stuck-up,

It's different seeing you so honest.

What a rich aroma of cocoa!

Mmmm~! It's so good! ♡

ほわ〜

Seeing her let down her guard was definitely worth it.

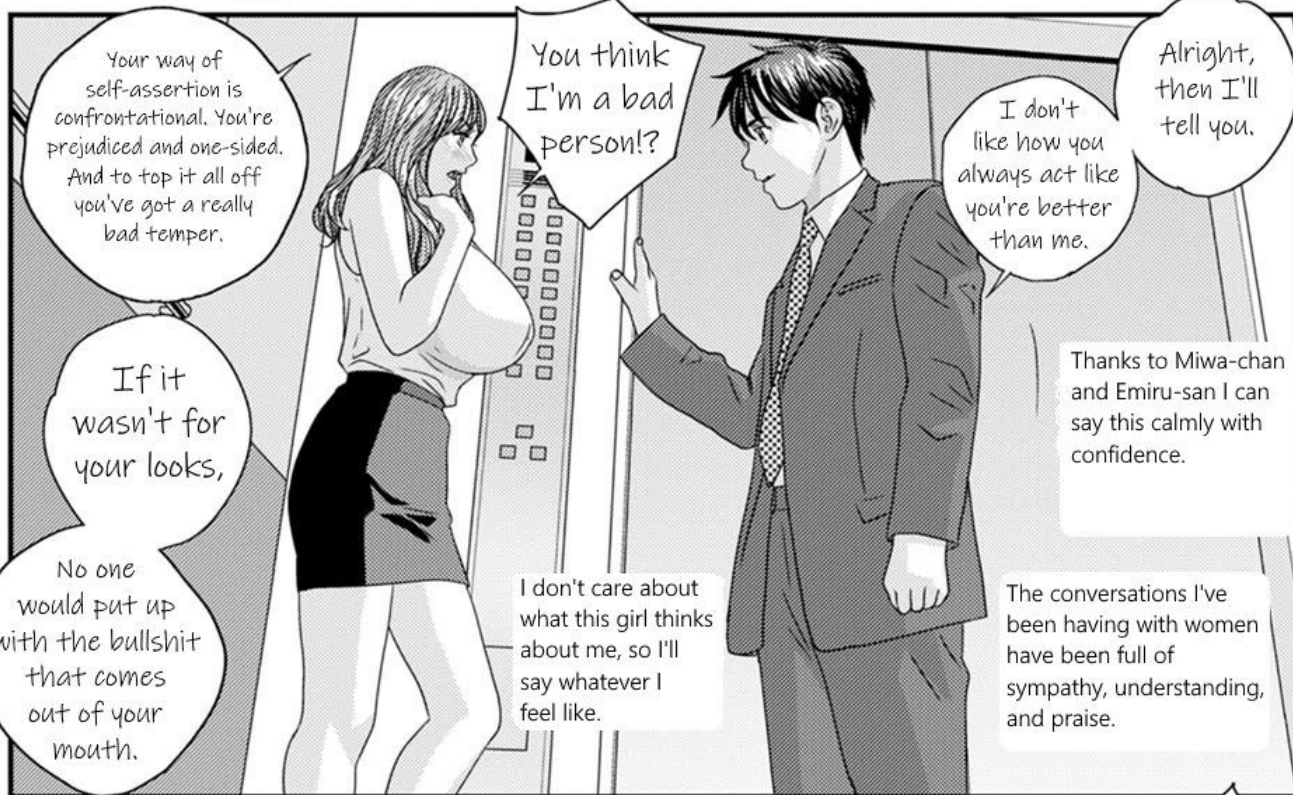

What's that look on your face? What are you thinking?

If you've got something to say then spit it out already!

That's why I don't let my guard down with anyone.

I've been fed-up with men trying to hit on me.

Your way of self-assertion is confrontational. You're prejudiced and one-sided. And to top it all off you've got a really bad temper.

You think I'm a bad person!?

I don't like how you always act like you're better than me.

Alright, then I'll tell you.

Thanks to Miwa-chan and Emiru-san I can say this calmly with confidence.

The conversations I've been having with women have been full of sympathy, understanding, and praise.

If it wasn't for your looks,

No one would put up with the bullshit that comes out of your mouth.

I don't care about what this girl thinks about me, so I'll say whatever I feel like.

If you smell my pheromones you'll fall in love with me.

Hey, back away from me!

Huh!?

You don't know a fucking thing about me!!

You're nothing but an average looking piece of shit.

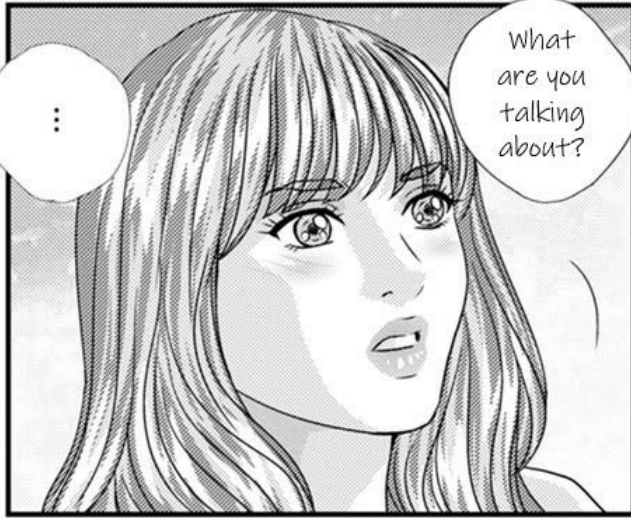

I am amazed that you think you can talk to me like that.

The fuck does that mean?

Oh, I'm really sorry you're obsessed with the way I look and act.

What are you trying to pull, asshole?

You really fucking piss me off!!

⋮

What are you talking about?

I warned you to stay back. You don't know what you're doing.

That's so attractive?

What is it about your smell...

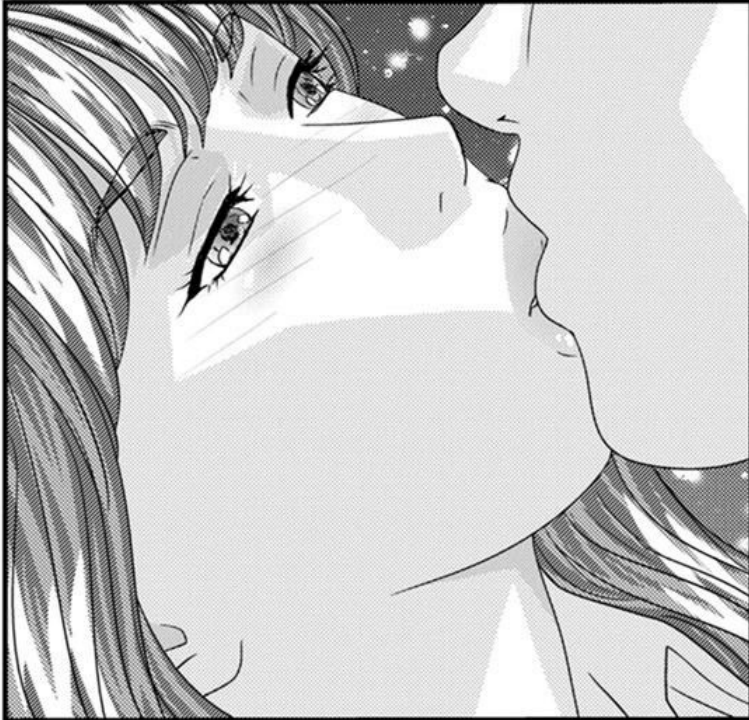

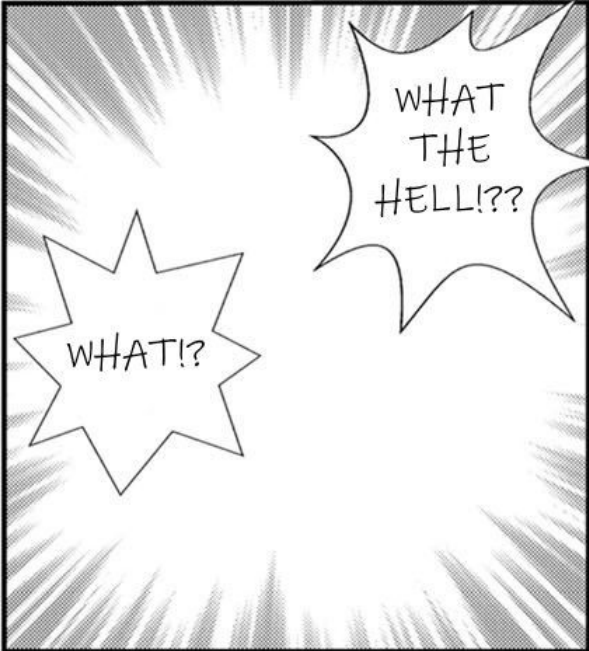

Mmmm~

Mmm...

クゥウウ

\*sigh\*

WHAT!?

WHAT THE HELL!??

...

クゥウウ

...

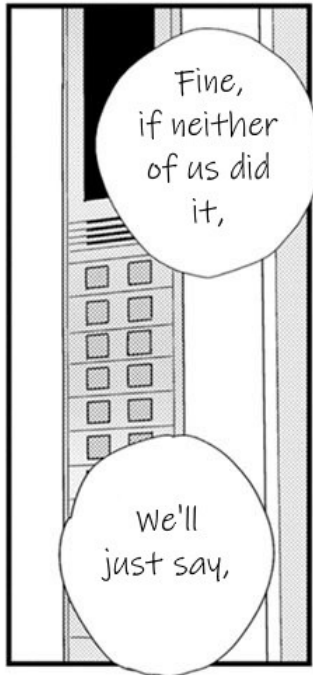

I would never kiss a jerk like you!!

No, I didn't. YOU kissed ME!!

The fuck is your problem!

You just kissed me!!!

And I wouldn't kiss a bitch like you either!!

Fine, if neither of us did it,

We'll just say,

It wasn't me.

It wasn't me either.

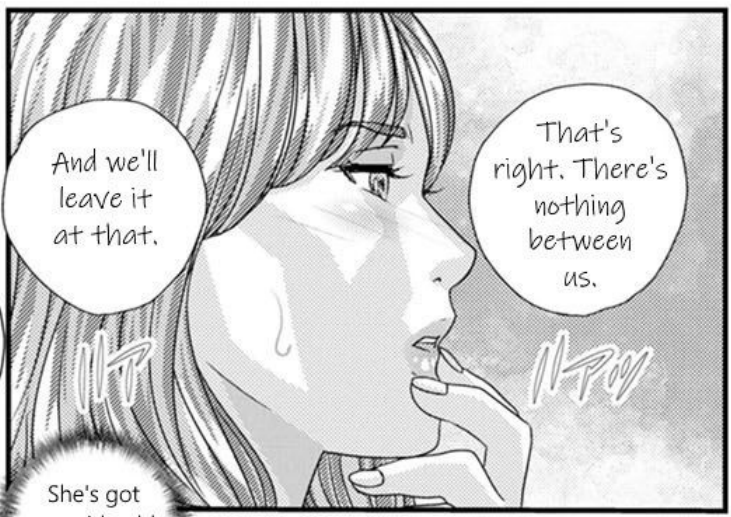

Nothing happened.

Oh, God!  
I'm going  
crazy!!!

Holy  
crap!  
☆

And we'll  
leave it  
at that.

That's  
right. There's  
nothing  
between  
us.

She's got  
a considerably  
strong will.

The  
aphrodisiac  
in your  
saliva will  
turn her  
around.

This is  
all your  
fault...

Mmm

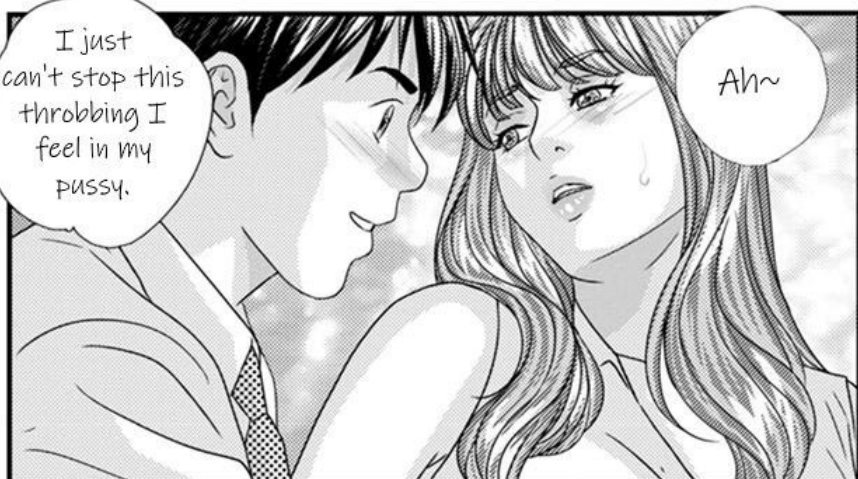

I'm not  
the kind of  
woman who  
does this.

Ohh~ what's  
happening  
to me?

Yes, I know.

It's like  
I've been  
dominated by  
your cock.

I just  
can't stop this  
throbbing I  
feel in my  
pussy.

Ah~

Ah~  
☆

You've got a pair of gravity-defying rockets!

These are a lot bigger than I expected.

Your skin is white like snow and your nipples are pink like cherry blossoms.

They're as pert and cheeky as your personality.

So these are the reasons you act like a bitch.

Oh~

Mmmm... Your tits smell like sweet milk.

\*nibbles\*

Aah~

Why do you have to punish them?

They're so soft and flexible when I play with them.

They're just a pair of slutty tits.

And I need to punish them.

I won't hold back anymore.

It always pains me to hold back my excitement.

Every time I see your tits bouncing while you walk,

Don't tell me stuff like that....

I'm gonna fuck the shit out of your tits.

Kyaan!  
☆

Aahn Mm...

To think I'm just doing what I'm told!

기쁘기/야

Is that right? Hold up your tits for me.

Of course not. I'm not a slut!

You've done paizuri before, right?

Li- Like this?

기쁘기/야

Even with my dick in between, your tits are still perky.

Your tits are the best, Ritsuka.

기쁘기/야

Ohh~ Your cock is so hard!

Does it feel good?

Yeah, really good.

Sorry, I was just really enjoying myself.

No! How can you say that!?

This certainly is a wonderful smell.

Jerk.

Looky here.

Lift up your leg so I can take this stocking off.

Aah~! Now!

You're getting so wet.

Look, I'm rubbing your pussy all over.

And that was only from fingering you...

Look, this is how wet you are.

You're coiling around my finger so tightly.

Jesus fuck.

Aah~! Quit it!

What a gorgeous pussy. ♡

Your labia are small and tight.

Your skin is so snow white that even your pussy has pretty color.

Aah~! God~!

Stop licking me like this! It's filthy!!

There's nothing filthy about it.

Mmm... You taste great!

Ritsuka, you have a very slutty pussy.

Ritsuka!! Your pussy feels so good!!

Aah~!  
Aah~!  
How are you so deep inside me!?

Now your pussy is widening to the shape of my cock.

In the beginning, you were snugly sucking me in.

My heart was racing.

The first time I saw you,

Uh No.

Is this seat taken?

It's all yours.

Before I knew it, the ceremony had ended.

After that my memories are scattered.

Until now I didn't know what to do about it.

To think I just let a guy I wasn't even dating do this to me.

That's why being one like this makes me so happy.

I thought we would be happy if we got to know each other.

I never had the courage to confess so I just watched you from afar.

Hearing you say that in this situation give me mixed feelings.

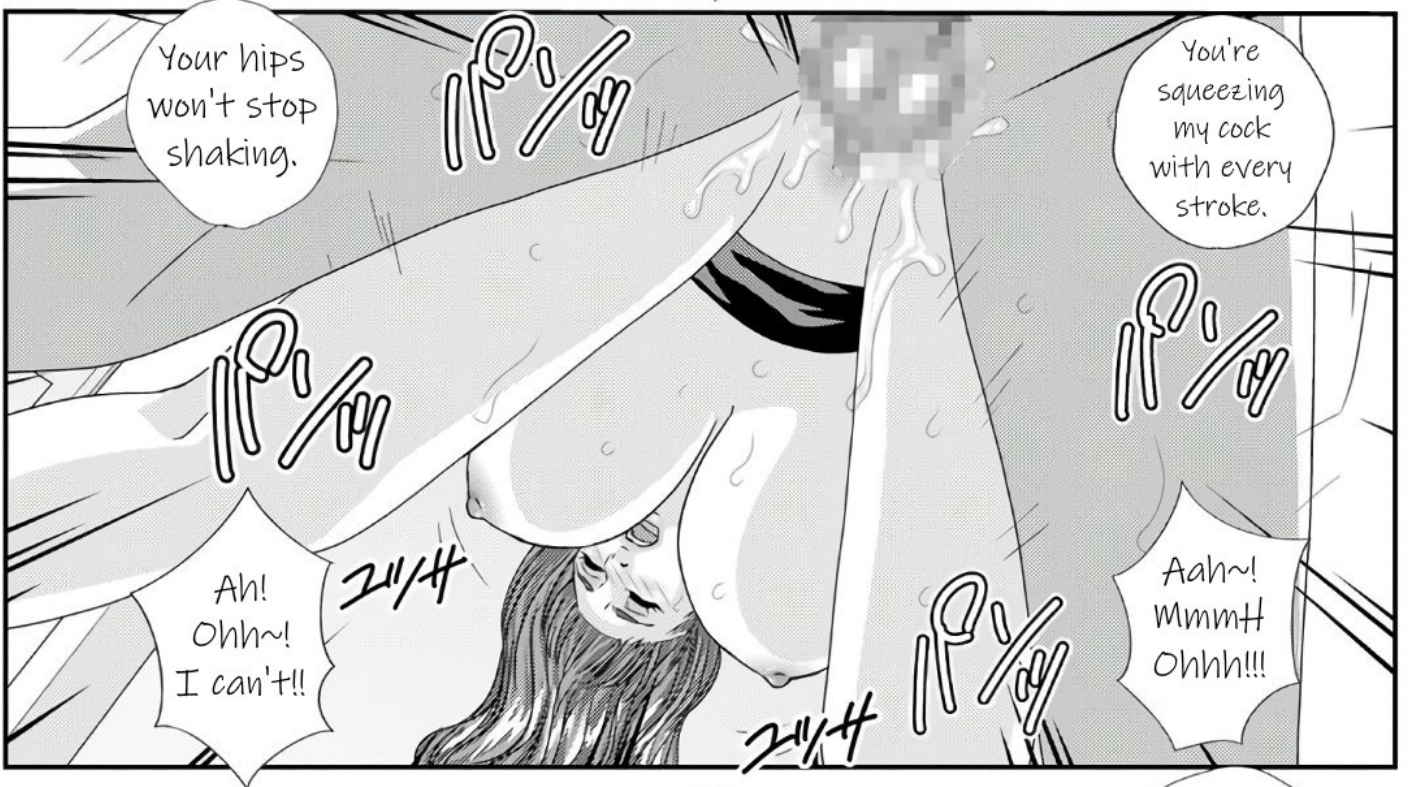

But hearing those words makes it alright.

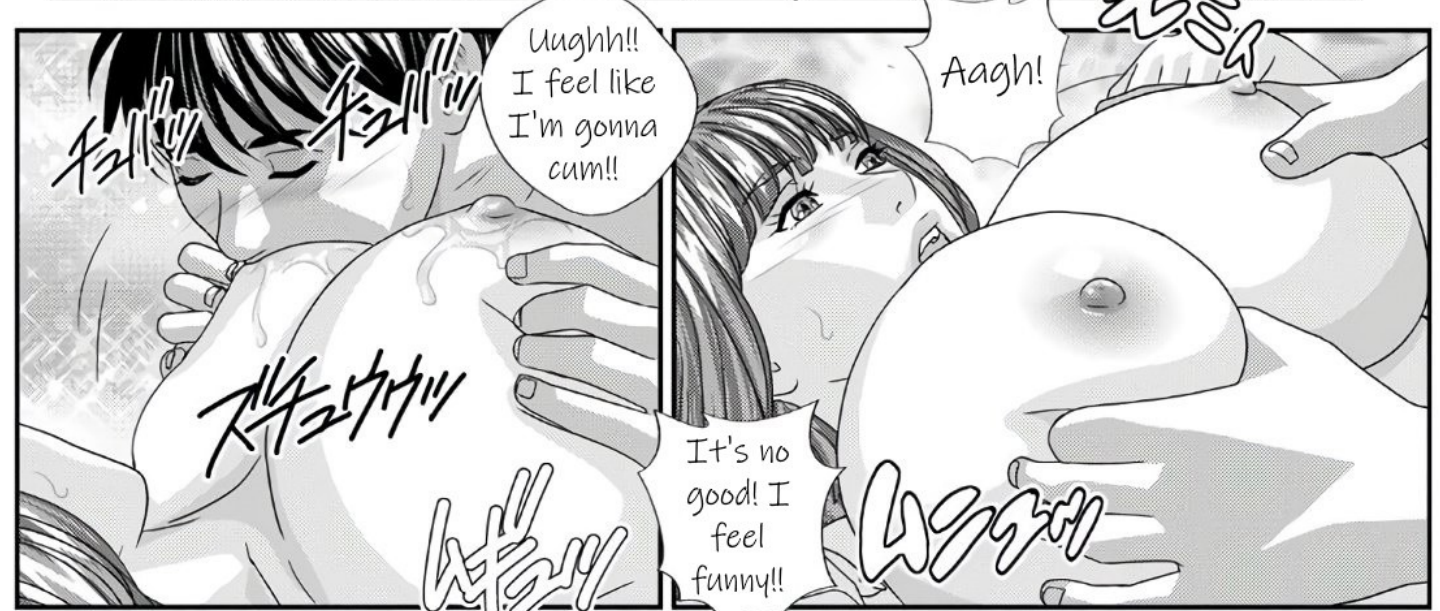

Thank goodness.

When I was in highschool I was fat and unattractive.

None of the boys wanted me for a girlfriend.

You're kidding.

It's true.

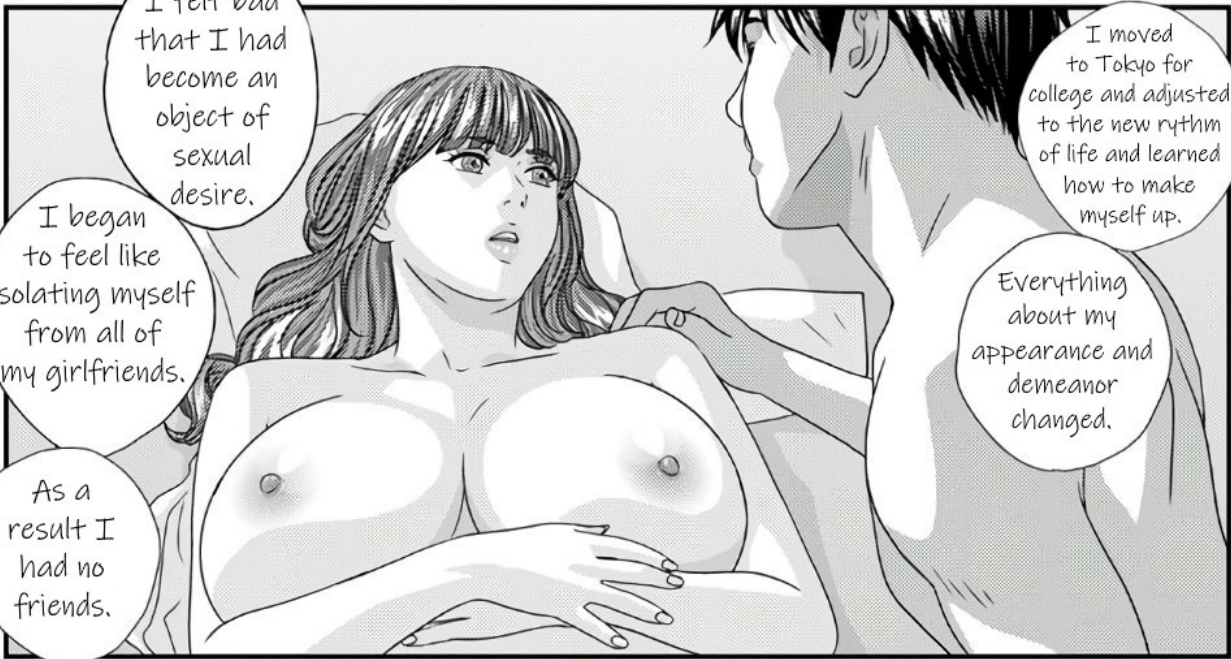

Until now I had always taken great measures to guard myself.

That's why there's no need to feel like you need to take responsibility.

I really was never strong, was I?

Somehow I've broken through my issues...

I felt bad that I had become an object of sexual desire.

I began to feel like isolating myself from all of my girlfriends.

As a result I had no friends.

I moved to Tokyo for college and adjusted to the new rhythm of life and learned how to make myself up.

Everything about my appearance and demeanor changed.

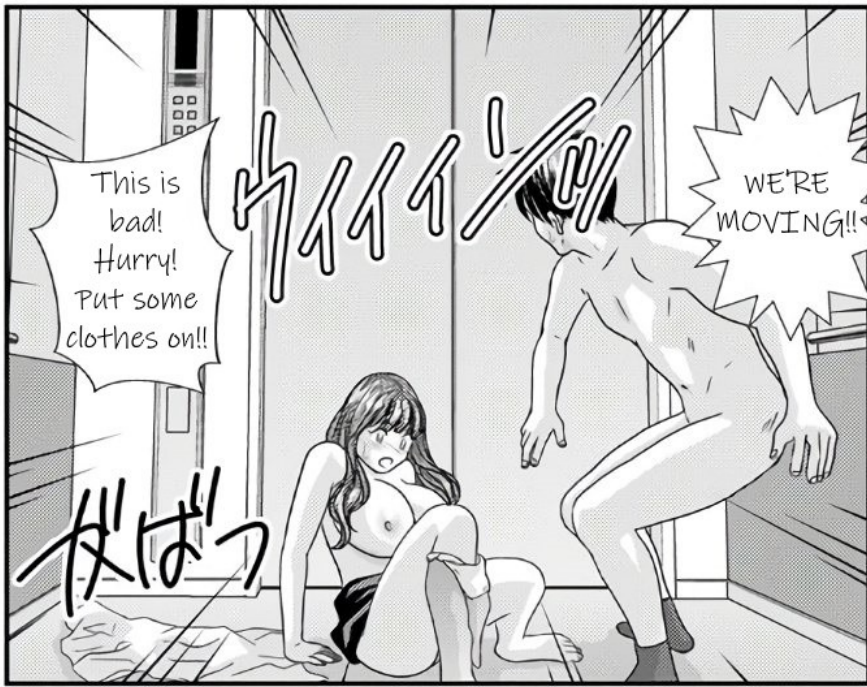

So that's how it was... I feel like I've gotten to know you a little better.

Nothing about me changed on the inside.

You must think I'm a fool.

This is bad!  
Hurry!  
Put some clothes on!!

WE'RE MOVING!!

Yes,  
It looks like  
I'll be taking  
Chief Nishijima's  
position in  
sales.

So you're saying  
your responsibilities  
will now include  
product renewal to  
coincide with naming  
and promotion.

Thank you  
very much, chief.  
I will devote myself  
to meeting your  
expectations.

Well then,  
please  
excuse me.

アハハ

Okay then.  
Give it  
your best.

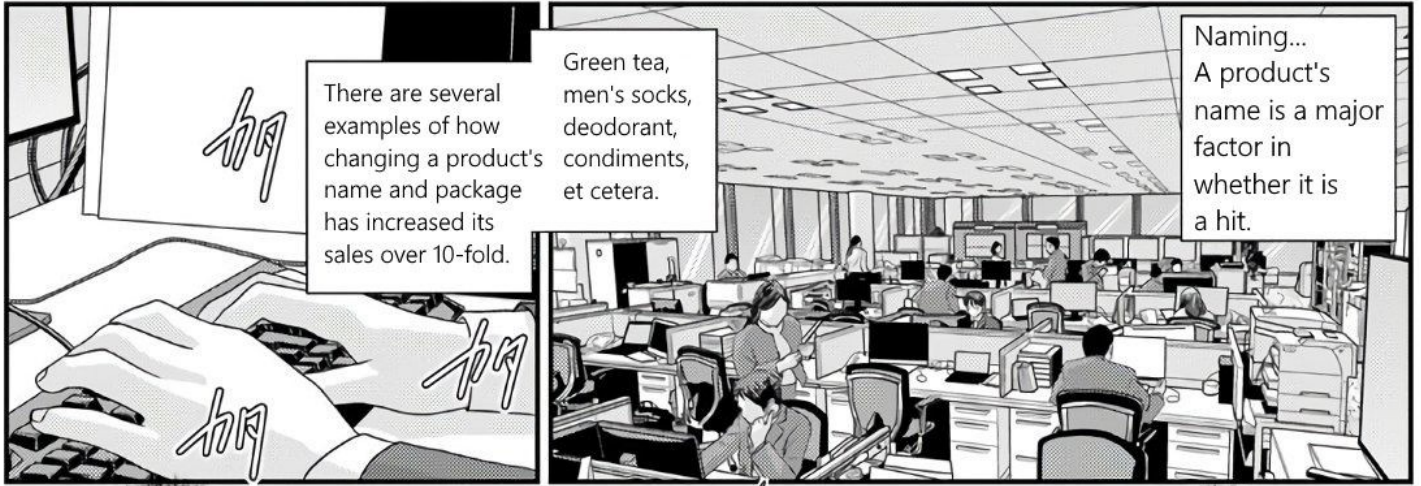

I'll be

finding the best

for media and  
communications  
marketing.

He's trusting  
someone so green  
with all the  
clients from  
Nagoya?

The VP  
picked you  
personally?

There are several examples of how changing a product's name and package has increased its sales over 10-fold.

Green tea, men's socks, deodorant, condiments, et cetera.

Naming... A product's name is a major factor in whether it is a hit.

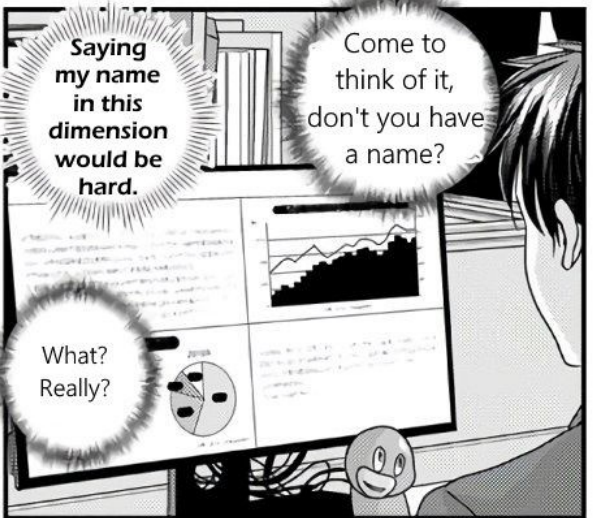

Okay, I'll think of a name to call you in this dimension.

You are my accomplice after all.

That was almost ultrasonic.

Waahh!!

Saying my name in this dimension would be hard.

Come to think of it, don't you have a name?

What? Really?

Quit kidding around!!

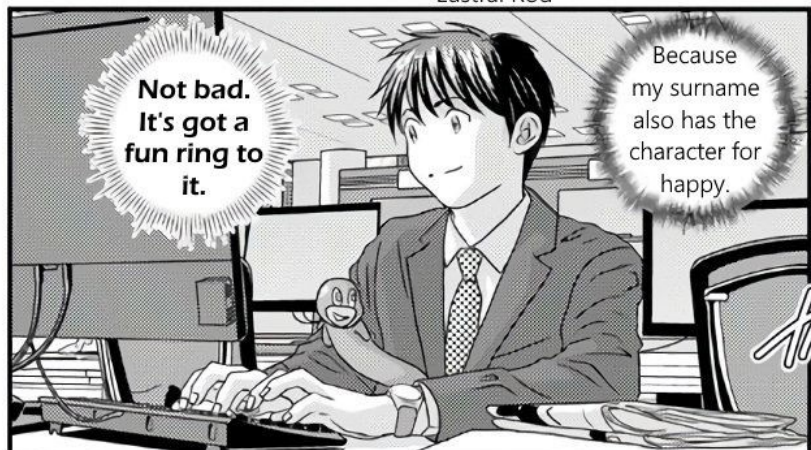

Well how about Boutarou Nikuyoku\*?

English slang like "dick" or "cock" might suit you.

I am an inter-dimensional being, do not treat me like a child.

Many Japanese call their penises their "son" or their "baby."

\*Lustful Rod

Not bad. It's got a fun ring to it.

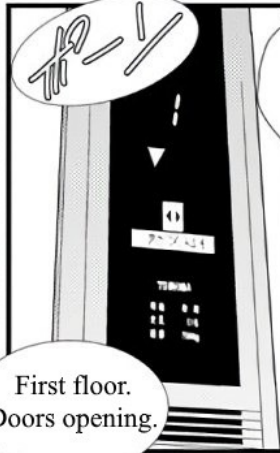

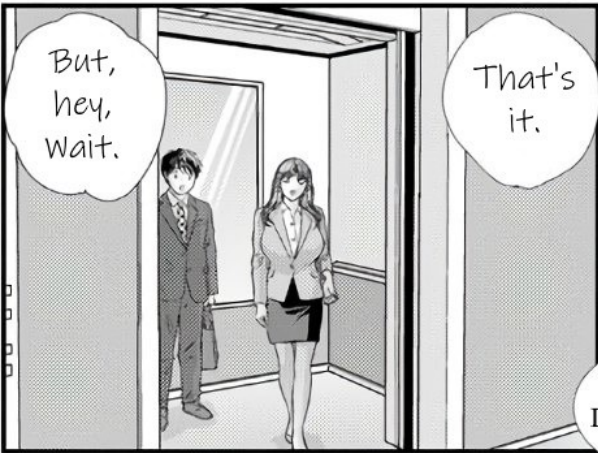

Because my surname also has the character for happy.

Mr. Happy.

Wait, I've got it.

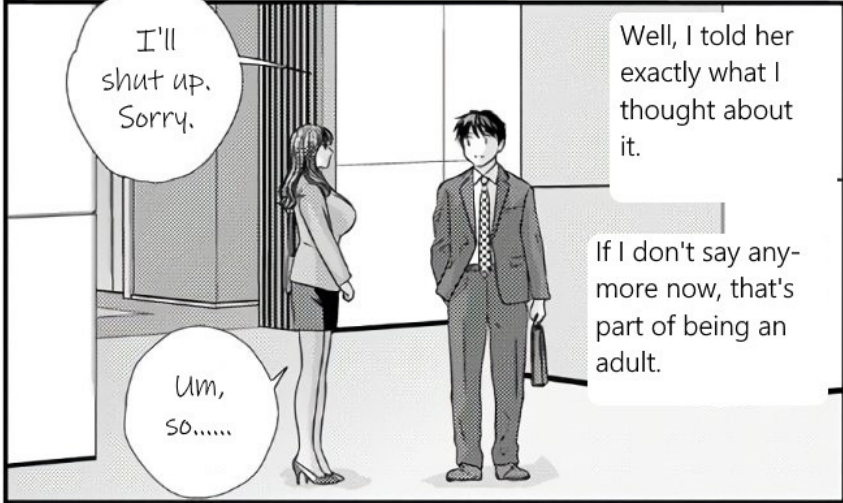

You're already over a minute.

Would you like to start over from the beginning?

So that's the reason why.

I'll shut up. Sorry.

Well, I told her exactly what I thought about it.

If I don't say anymore now, that's part of being an adult.

Um, so.....

There's no hope...

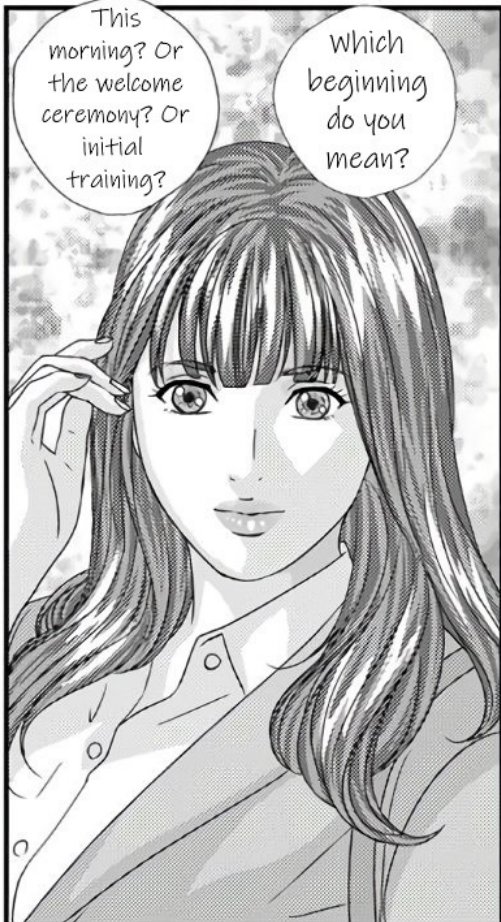

Ohh. Okay then.

I don't forget the first time I see a face.

I have a good memory.

Huh?

This morning? Or the welcome ceremony? Or initial training?

Which beginning do you mean?

**to be continued...**
