Eunhye's Supermarket 01

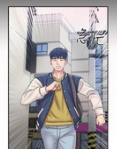

Even before the entrance ceremony, I had the formula of college life = dating

But on the day of the entrance ceremony, I knew my formula was ruined

I didn't know there were so many guys in science...

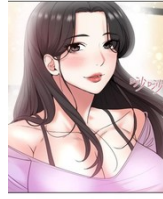

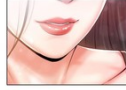

There was no way out

But there was one hope in this place...

That hope...

A fresh smile...

The innocence of that sister

The super goddess in front of the school...

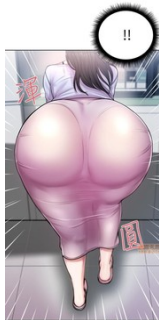

Finally, who has a pretty face, cute, and unique feelings to all of us

No one has really talked to her before, but everyone thinks the same thing...

She is the best part of this supermarket.

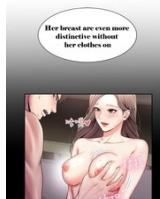

He's been...

I got to look at
and touch her nipples
so much

Plus she's a
older student

A high school girl
doesn't compare
to her

She's amazing in
bed

Her body and moans were amazing

She was like a bitch in heat

We decided to stay on good terms

If you were born a man, you should do things like that, don't you think?

Yes...

Since Lee Ji-Yeon has been taken by me...

Huang Na-yeon, who specializes in chemical engineering, is also a candidate

But before joining the army, my ultimate goal is the big sister of the supermarket

Since Lee Ji-yeon has been taken by me...

It's not like you can just take a woman's virginity and leave her.

So please give me some of your money and let me go home.

Emhye's Supermarket

Why don't you turn off the light?

to
my

That was your first kiss, was it?

I know your name, it's the only name I know.

So now...this is embarrassing.

I got bored from your kiss.

The best sex ever!

Just thinking about it...

Make my milk hard again!

She has milk?

No... She said...

No...

No! What?!

No! What?!

Should I be happy about it then?

Not that kind of "happy" is it?

Maybe I should read a book?

Me?

This won't be so hard will it?

Then... let's have an all-out war!

I don't know...

I think everything will work out somehow.

Oh... there's a message!

The digital world!

Shades

If she is....

Then you shouldn't even have to think about it

Do what I want to do?

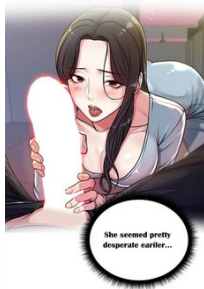

Well...

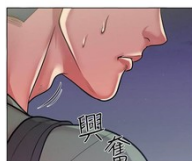

Emhyy...

She seemed pretty desperate earlier...

Well then...
Maybe I can let her use more than her mouth...

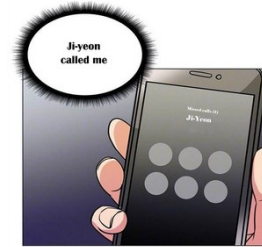

Should I get her to do more?

They were all looking at her with such interest.

It was a small, round object.

She was looking at him with a smile.

She was looking at him with a smile.

She was looking at him with a smile.

She was looking at him with a smile.

Now Dave too? If you do that....!

It's gonna keep growing!

It doesn't matter what you

Everyone is giving me dead

It's so beautiful!

It's so beautiful!

Where are you?

Looking for you...

What...?

Oh, Anissa?

What's happened here now?

I suddenly found the woman...

I went to go see the bathroom...

What happened here now?

What happened here...?

What happened here...?

Why she's doing this...

But what kind of man would
take this down!

Let's go

Wow... that's so hot!

I want to suck those!

Her small chest is so much better than mine!

Wow... that's so hot!

That's so good! How about you try it?

It's not my chest... why would you want to suck on mine?

How about you try it?

I really don't do that with anyone!

I touched them....

Her breast are moving separately....
