All she had was an old, tattered doll, held tightly

She had lost her mom and dad one by one

It was three years ago, but I still remember the day Ema arrived at the orphanage

第一話 「割礼」
Ep-1: "Circumcision"

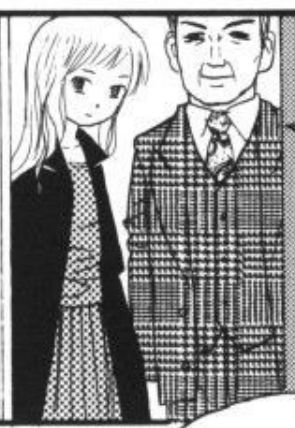

At least, until we could both leave here

Oh come on !?

But your left hand is getting worse

It's okay

Somehow ... I got to thinking me and this child would always be together

Ah, that was very good

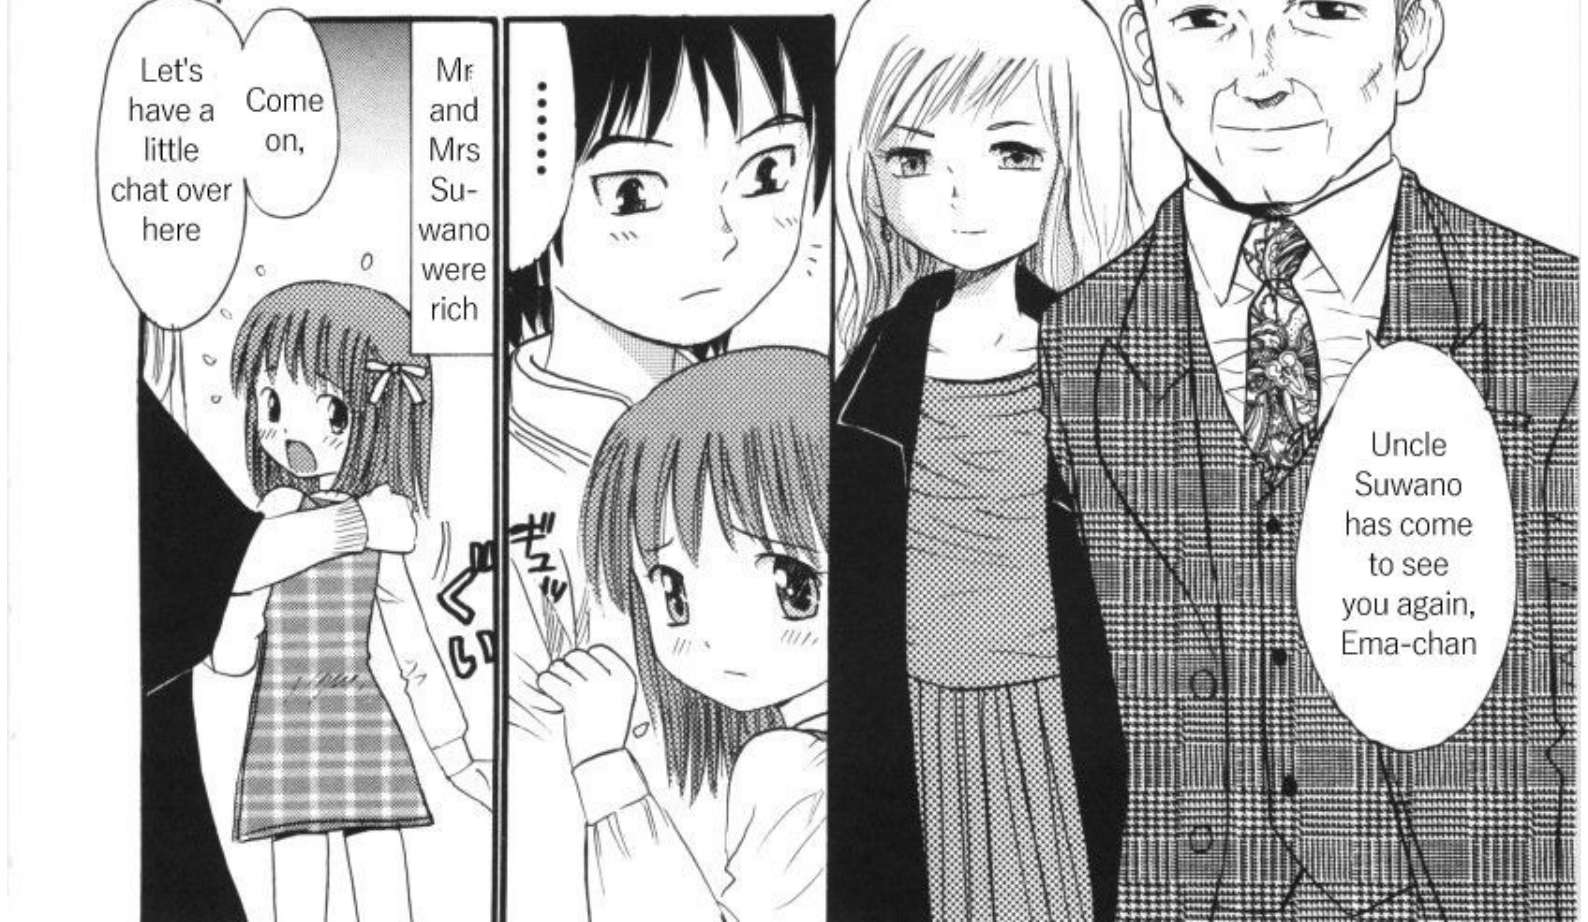

Let's have a little chat over here

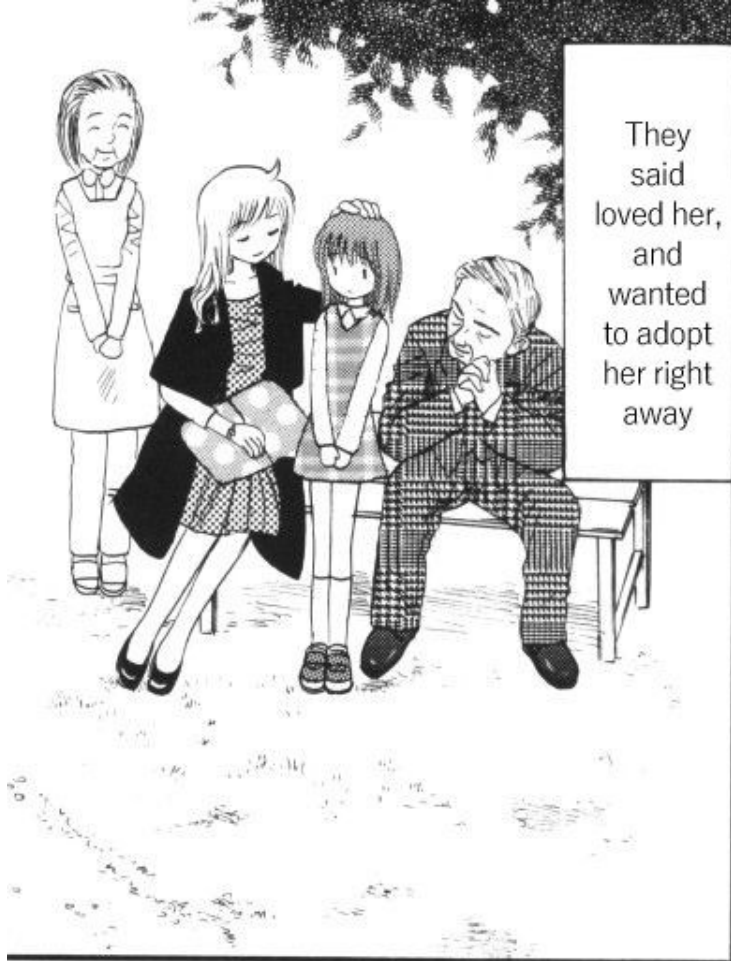

Come on,

Mr and Mrs Suwano were rich

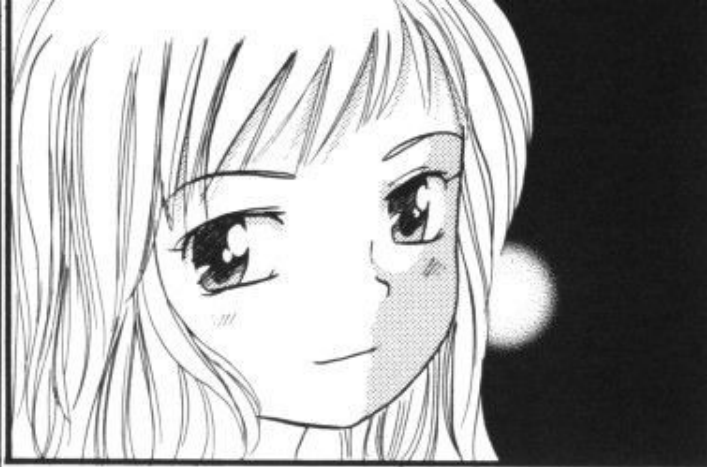

Uncle Suwano has come to see you again, Ema-chan

They said loved her, and wanted to adopt her right away

But

... I know.
Go.

Oniichan ...
Ema has to go

I don't
wanna
say
good-

I don't
want
to go

You're
being
silly

Thus
Ema...
left the
orphanage

You have a beautiful slit

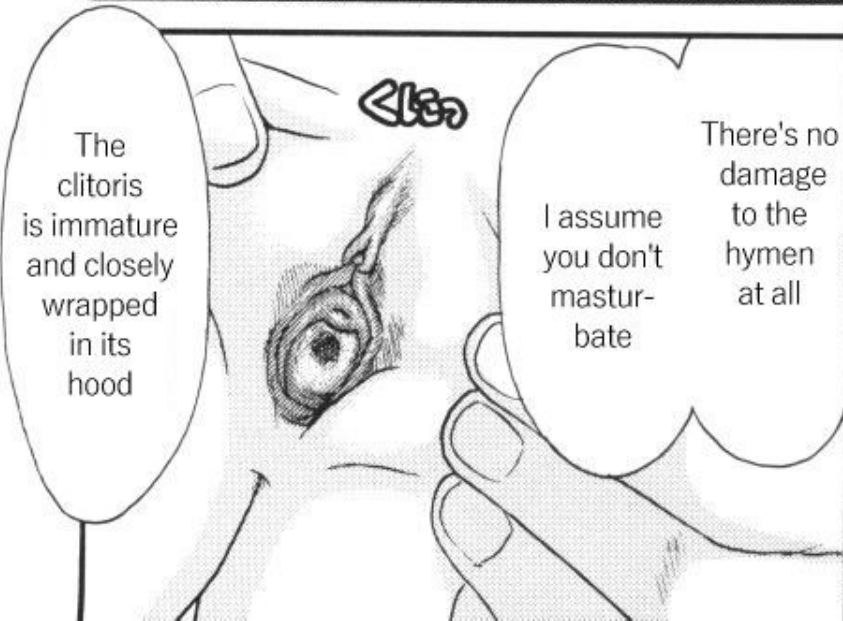

Why?

No... don't look N-no ...

Oh-ehh!

The clitoris is immature and closely wrapped in its hood

I assume you don't masturbate

There's no damage to the hymen at all

Do you know what circumcision means? Show her, girls

Like with all these other girls

Once we circumcise you... we will fully awaken you to the joys of a woman's body

Yes, Hikaru sama

Yes, Daddy!

Give Ema a proper welcome

So you see Now, Akira, Fileine

Tell me where this mansion is...!

Da ... damn you

We suspect something like that is happening every day at his mansion

The man who took this child, Suwano, is a famous celebrity... with... it seems, a dark side

I asked the director but he wouldn't give me a straight answer

E... Ema ...!!!

... B... But ...

If you care about Ema-chan, be patient and keep this a secret

It is a serious criminal matter

We can't afford to botch it

The one who tipped us off demanded that we keep the investigation confidential

I'm sorry, I can't tell you

Once we have enough to expose Suwano, Ema will be rescued

Right now, an agent is infiltrating as a servant

What's wrong, Ema?

Hm?

.....

Come on, get up here
We're gonna train you up!

I... was good at swimming ... and now I can't do it any more...

The children seem very happy

Please stop it... Hiyah

Don't say "Hiyah" try saying "Huah huah"

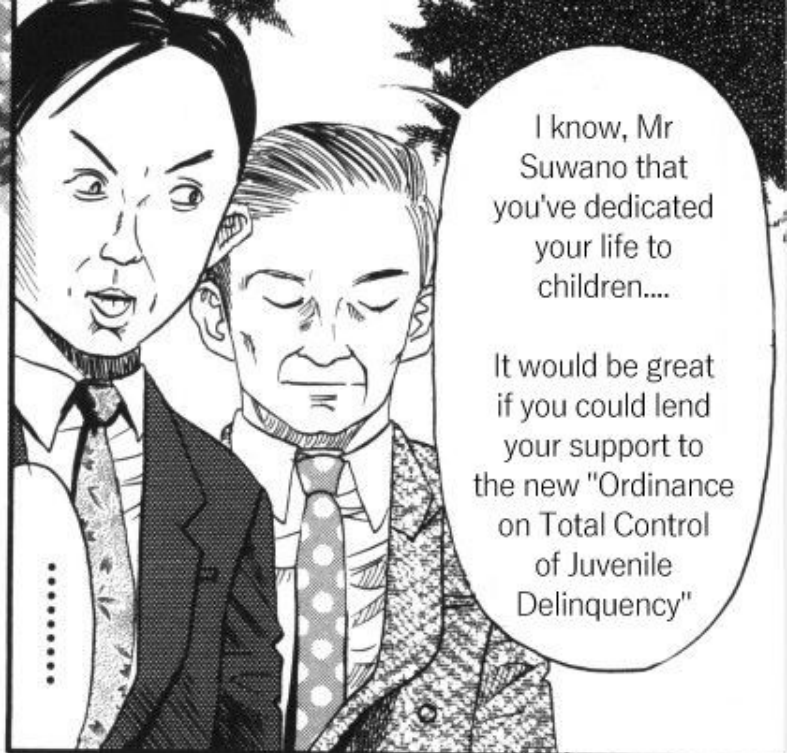

Yes they are!

Daddy's home!

Oh look!

I know, Mr Suwano that you've dedicated your life to children....

It would be great if you could lend your support to the new "Ordinance on Total Control of Juvenile Delinquency"

It's nice to feel sunlight and the wind on your whole body

We're at home, so we don't need to wear swim-wear

N... no... ahh

Take off your clothes

Yes, daddy

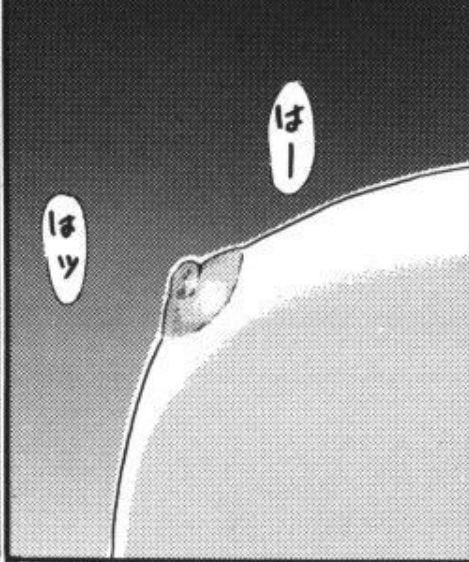

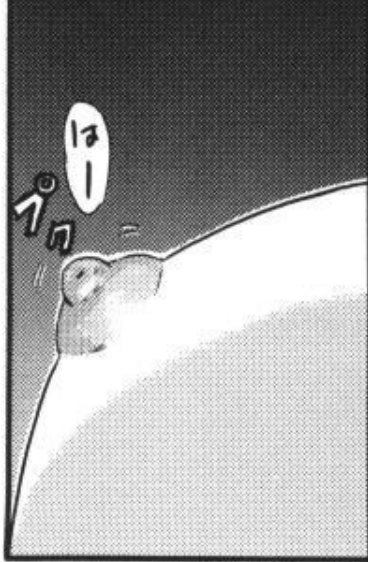

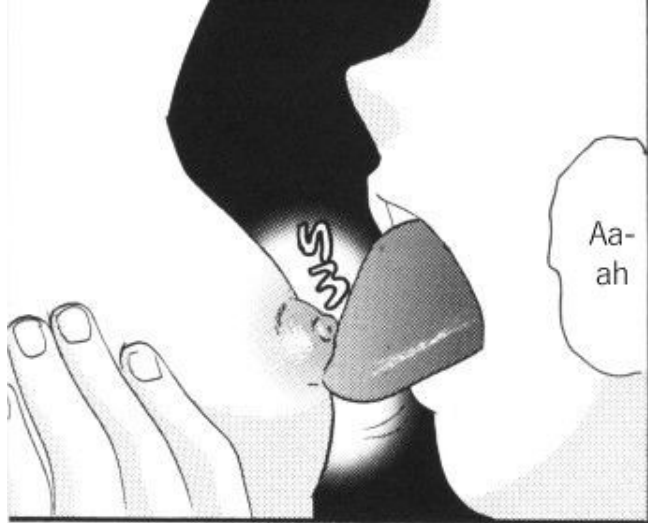

Relax your body

I will give you great joy, without touching your genitals at all

Sexual pleasure is the ultimate manifestation of the vitality of the human body as a whole.

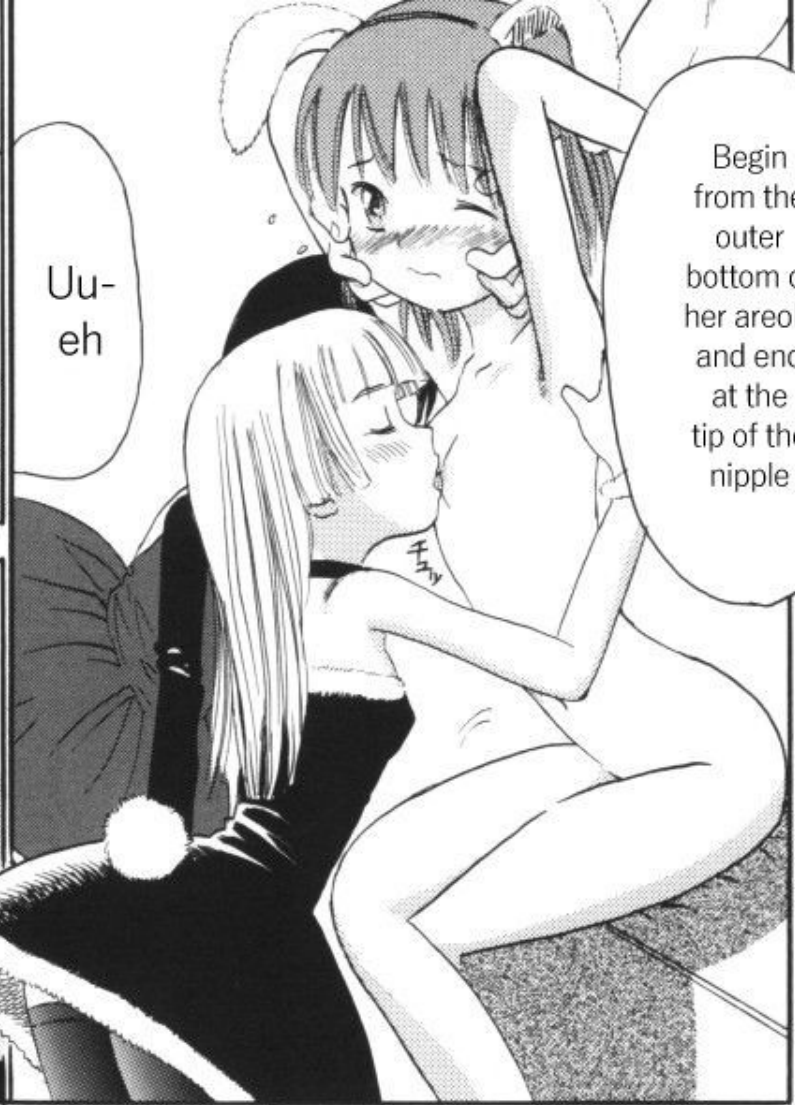

Let's teach Ema that today

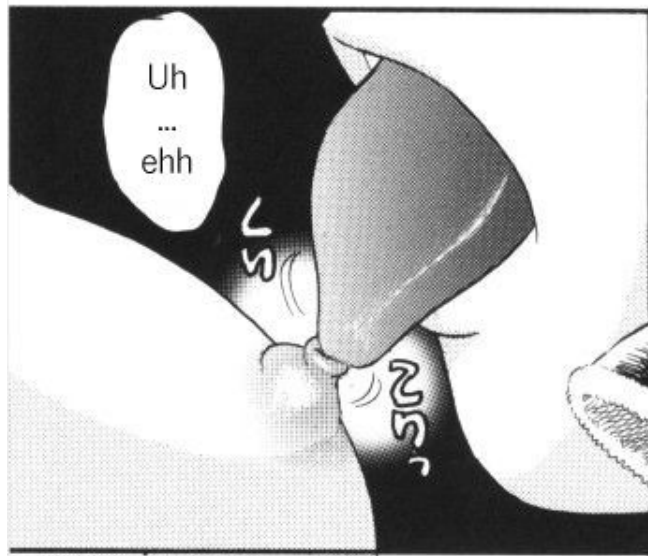

Aa-ah

Uu-eh

Begin from the outer bottom of her areola and end at the tip of the nipple

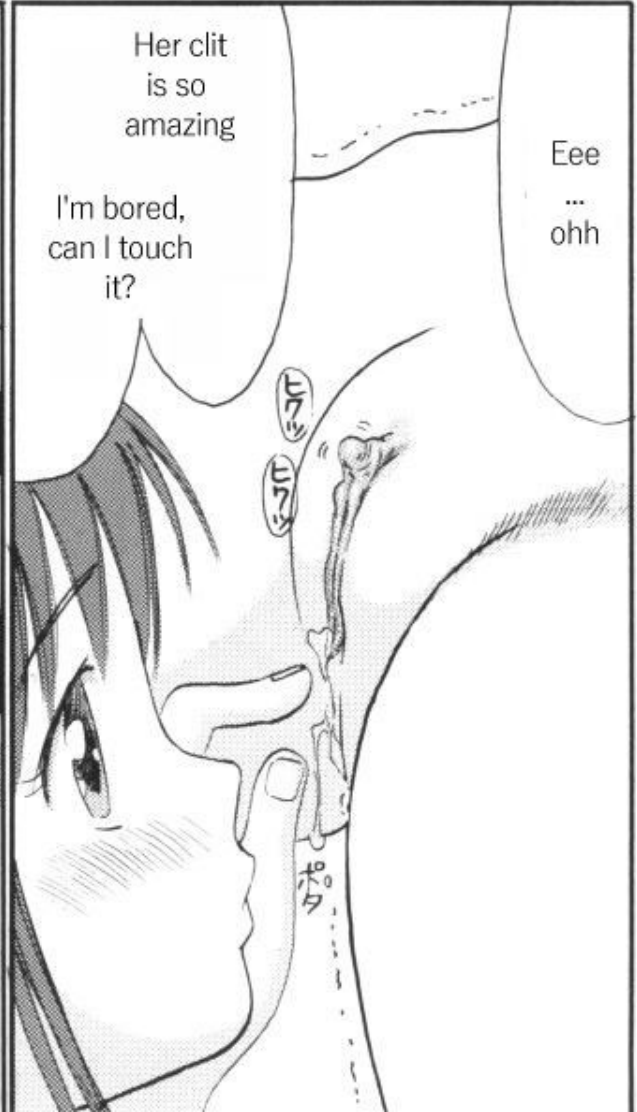

Uh ... ehh

Do not touch her genitals!

But it's so amazing
It's standing up like a proper cock

Okay, okay !!

Her clit is so amazing
I'm bored, can I touch it?

Eee ... ohh

The human body is an amazing thing.

We're only stimulating the cheeks and nipples and this child is like this

I.. I'm going crazy
Touch me... touch me more...

I'm coming!

Ah... ahhhh
...
It's coming out!

Aaaa-gh

Uh ... guh

Daddy will put it in now

Ema-chan

Come here, Ema

This is how monkeys naturally have sex ... You don't need a crude piston motion

Her whole vagina convulses with orgasm ... Her fluids are overflowing

Aaa aaa ah

Everyone Look at her

I'm taking Ema Gently ... Slowly ...

Ema feels nothing but joy

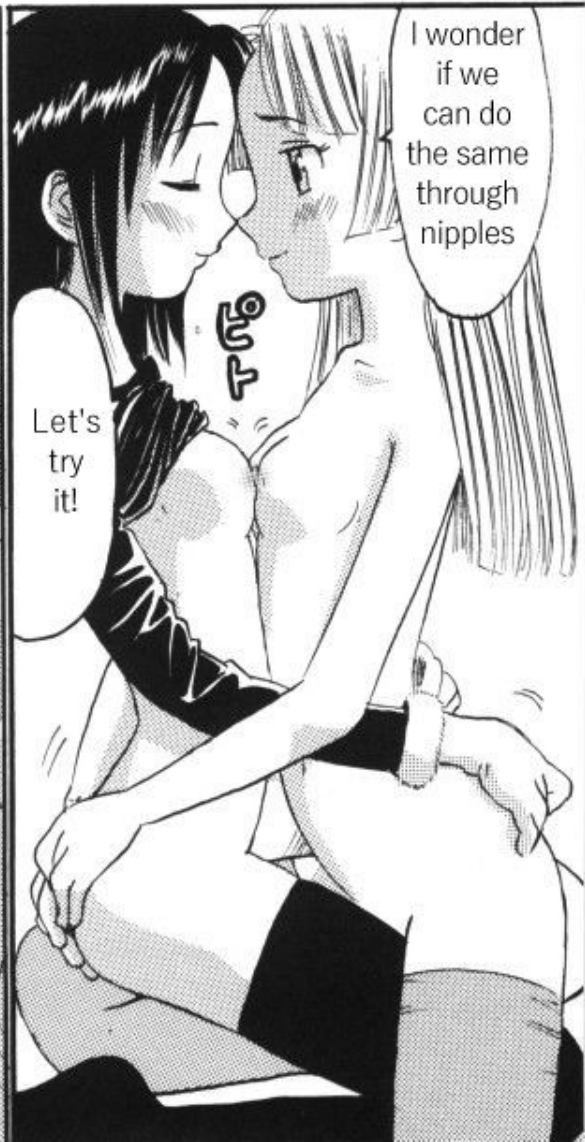

The joy reaches me through the squeezing of her moist walls

Everyone, look at Ema

Ahh... she's feeling so good

She looks so happy ...

I wonder if we can do the same through nipples

Let's try it!

The stars in
the night sky,
The lights in
all the houses

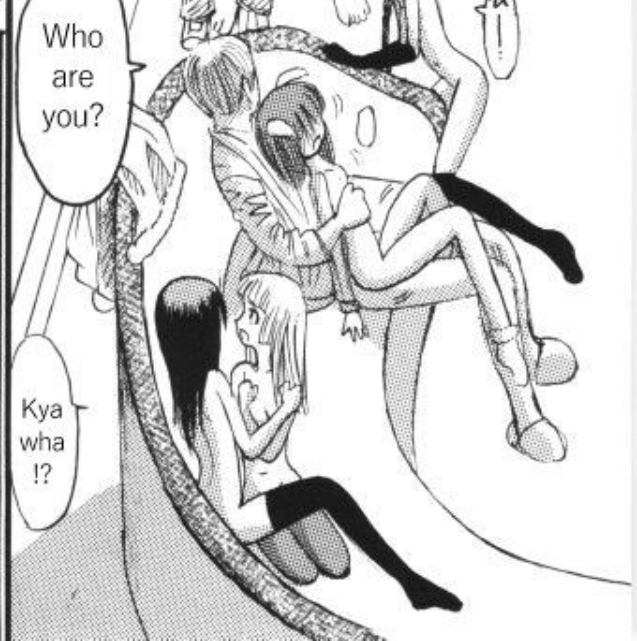

They are all
watching,
all breathing
all responding
to Ema's joy

It's the
duty of
all human
beings
to taste
this sexual
pleasure
!!!

Hah... By the way, how did you know we were here on this boat?

Ah- Aaahh

Your wife,
Hikaru Suwano

She told me about your messed up trip!

Uu!

Onii-chan ... Idiot ...

everyone

Oniichan
...
You
Idiot!

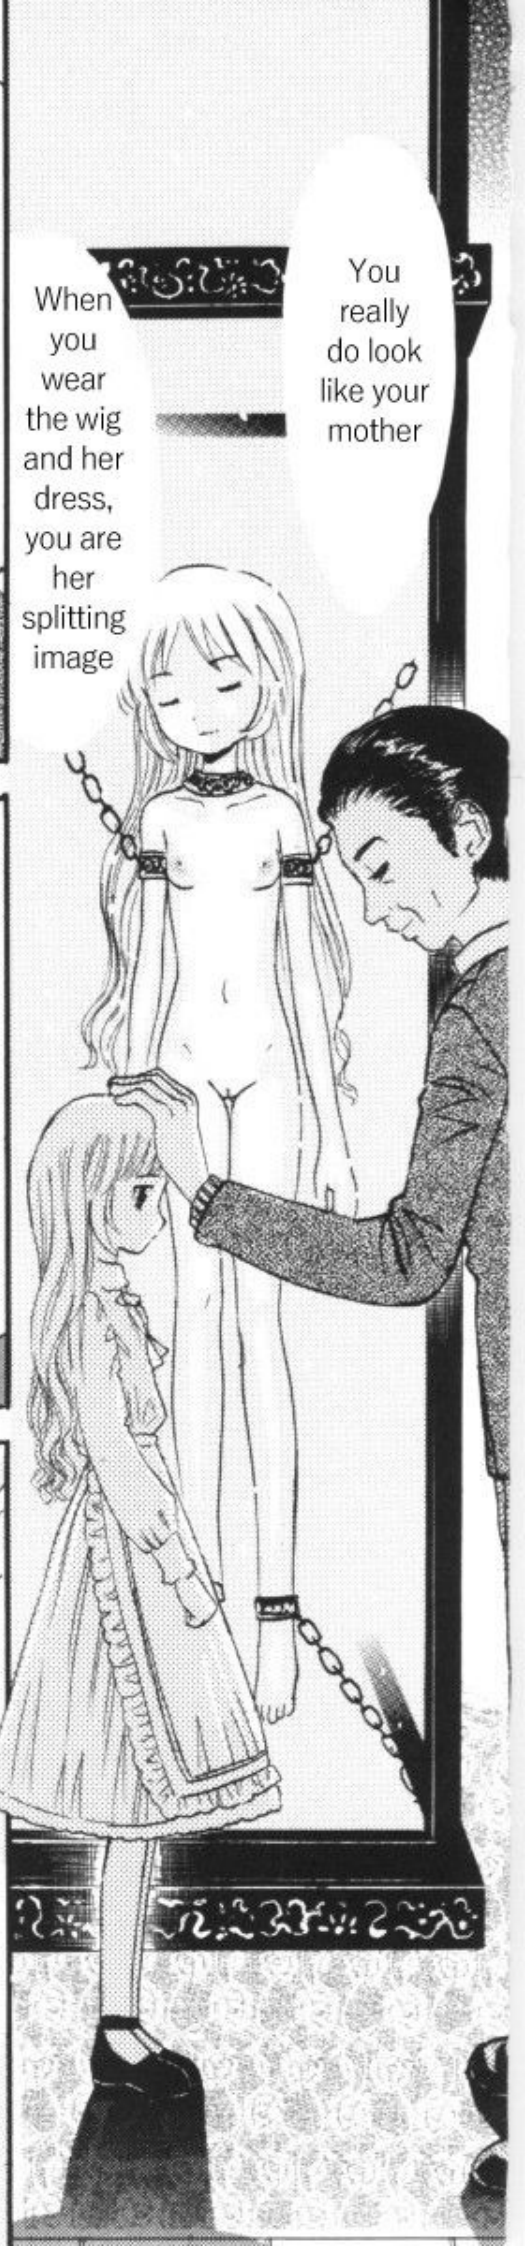

Perhaps, I was too similar ...
 Maybe this led him to have me take on her role, pretending to be his wife, and adopting children

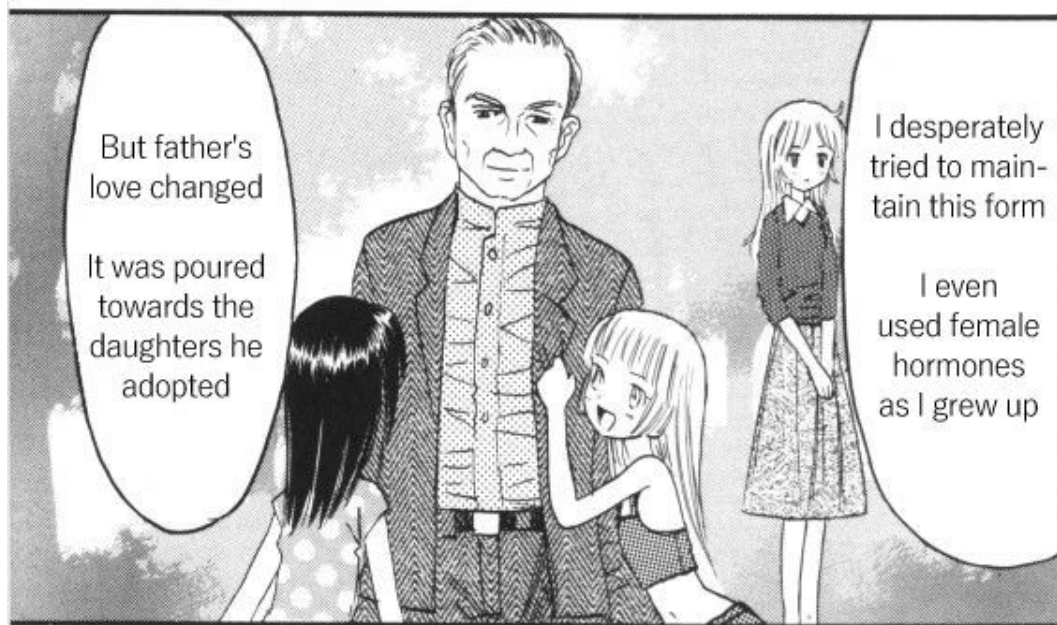

I loved to be told that, to be praised by father

When you wear the wig and her dress, you are her splitting image

You really do look like your mother

But father's love changed
 It was poured towards the daughters he adopted

I desperately tried to maintain this form
 I even used female hormones as I grew up

Yes. Right.
 Here is a full account of sexual abuse of the adopted girls in this house

... Su-wano

If he had let me, I'd have gladly removed my ugly male genitalia and become my mother completely
 But...

but
don't
expect
too
much

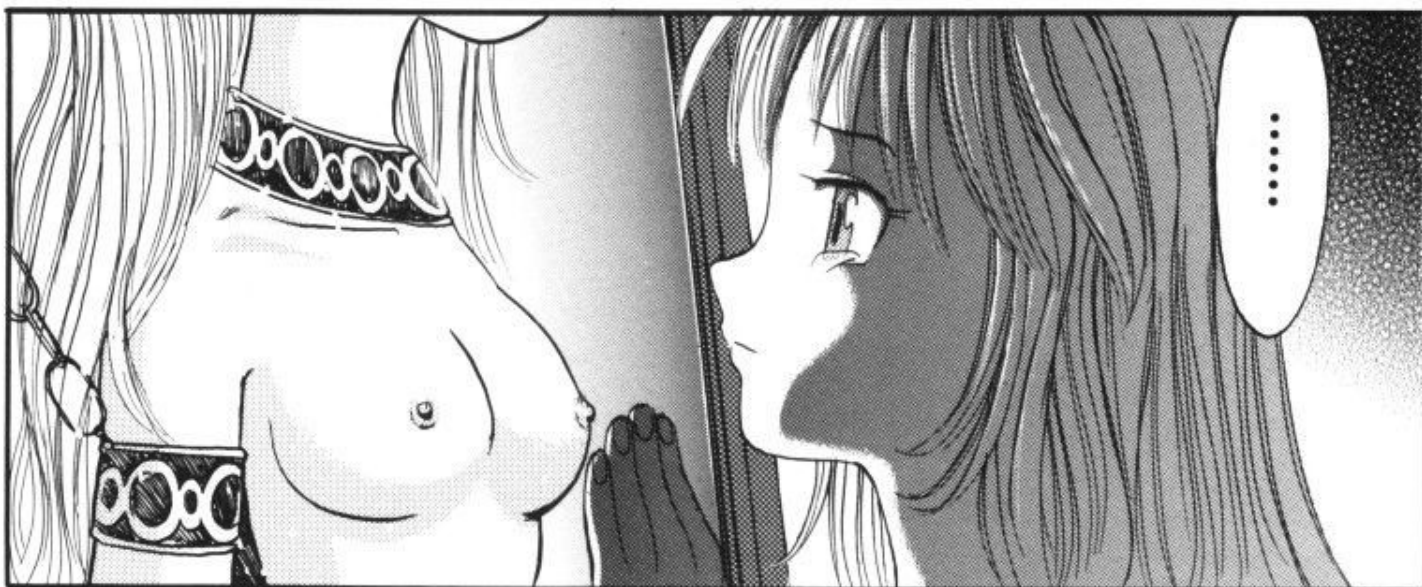

I'll
do my
best,

Could
you...
if possible,
ensure
that they
can see

It's out

not com-
