Could you help me with my homework, Step-father?

Her nervous, awkward and yet polite greeting was very childlike and sweet.

I first met Saya half a year ago.

Or so it seemed...

Maybe living with just her mother made her lonely, but Saya turned out to be surprisingly needy and got attached to me very quickly.

Saya lost her father when she was only five, and I wasn't sure if I could fill his shoes...

When it was the three of us, she stayed far away from me.

My wife started to get worried that I wasn't getting along with Saya.

Saya.

Besides, we had only been a family for a month...

I told her that Saya was just being shy.

The bath's ready. How about you go in?

Taking a bath alone is boring.

Hm...

Whoa! She's completely exposed...

Ah! No can do, kiddo! When Yuumi comes back, she'll yell at me for teaching you weird stuff.

Reading while in the bath? Maybe I'll try it too.

I totally understand! I also thought taking baths sucked when I was a kid and brought a manga to read.

But my daddy always came in with me.

Uhh... You're already a fifth-grader, Saya...

Are you done with work, Step-father?

Yeah, but... you were very little back then...

Hm? Yeah, I just sent the last file a minute ago.

Then let's go in together.

Saya will sometimes act just like my wife and make my heart skip a beat...

Pretty please?

But still... What kind of fifth-grader girl takes a bath with her father?

Whoa!

Saya is so delicate and pretty...

クゥ...

Hm? Is something wrong, Stepfather?

Fwip

クゥ...
クゥ...

This might be the first time I'm seeing a little girl's body this up close.

Boing

You're always gazing at the sky, Saya.
 But if you don't close the window, God will peep on you.

Will God get angry at me if I do this? Or will he be happy since he's a perv?

Okay, I'll close it.

Twitch...

C-Cut that out... That's very immodest.

God must be a real pervert, huh.

Er... But you see...

...She's just a child. She has no idea what an erection is anyway, right...?

You can't wear a towel in the bathtub.

Huh?

Ah...

Twitch

Your pee-pee...

Huh?

Okay, you're right. How about now?

You see, when a boy becomes an adult...

I'm so happy...

Did I manage to turn you on?

Huh?

Ah...
Aah...

I thought you weren't into me at all.

I'm so glad...

Y-you have to be kidding me...

An elementary school girl is sucking my...

My last step-father taught me.

Also, you're letting all your thoughts spill out right now.

Saya... Wh-Where did you learn to do this sort of stuff?

The way you use your tongue...

feels better than when Yuumi does it...

Shit, this is way too hot...

Aah... I have to think of a distraction...

Wh-Whoa...

y-Your previous one?

I-I can't take any more of this blowjob!

Squeeze

I'm... cumming!

That would make it... two years ago?

The man my mommy used to date. They didn't go as far as marriage, but I still called him my "stepfather".

Saya did this when she was just in third grade?

Mm... Mnggh...

Mommy's been too busy to have sex with you, right?

It's too thick for me to drink...

S-Saya... You...

I always fall in love with the same guys as Mommy.

I especially like your smell.

It's the same sharp manly smell as my late daddy.

But among them all, I love you the most.

You're cool, gentle, and your hands are so nice and big.

Rather than being put off, Saya welcomed it and enjoyed it all.

She let me verbally abuse her or tie her up and fuck her violently.

She let me fuck her tiny ass.

She let me fuck her with her glasses on, something my wife hated doing.

I had become Saya's captive.

Step-father, Mommy will be home any minute now...

Though I was envious of the man who trained Saya when she was younger.

She'll divorce you if she saw us like this.

I know you get off from the danger of being found out.

You can't fool me, Saya.

Don't glare at me like that.

Let yourself go and cum!

I know that you're about to cum when your feet start wriggling like that.

Th-That's not...

Squirm

You're such a bad girl, being aroused by getting teased.

I finally feel like I've become your real father.

What do you mean?

That made me really happy, Saya.

It feels like Daddy's come back home... Like he's embracing me in his arms...

I get really turned on when I have sex while thinking of my late daddy.

..... It turns me on...

Huh?

It feels like I'm having sex with Daddy...

You know, it's been a while since we all had dinner together.

...That's why I call you my stepfather, not my daddy.

I'm sorry.

You should take this chance to have a good chat with your stepfather.

...Okay.

Are you doing your homework, Saya? Do you need help with anything?

...Nah.

Hey

Don't touch me!

No...
You're my
stepfather,
not my
daddy.

So how
about it?
There'll
be hell to
pay if
your mom
notices.

But
only if
you start
calling me
"Daddy"
from now
on.

Alright,
I'll
stop.

Urk!

No... Don't...

Stop...

Squirm

Aah

Aah... Ah!

I'll... start... moaning...

Yes? Wh-What is it?

You should go watch a movie with your stepfather tomorrow.

Saya?

Hah!

I'm sorry... I started talking non-sense...

I forgot to buy something, so I'm stepping out for a bit.

Eek!

Eek...

You'll
only look
at me when
we're having
sex.

Him?
You
mean
Daddy?

フッ

He'll never come back, even if you call for him. And besides...

Your daddy is up in the sky.

When you cum, call my name.

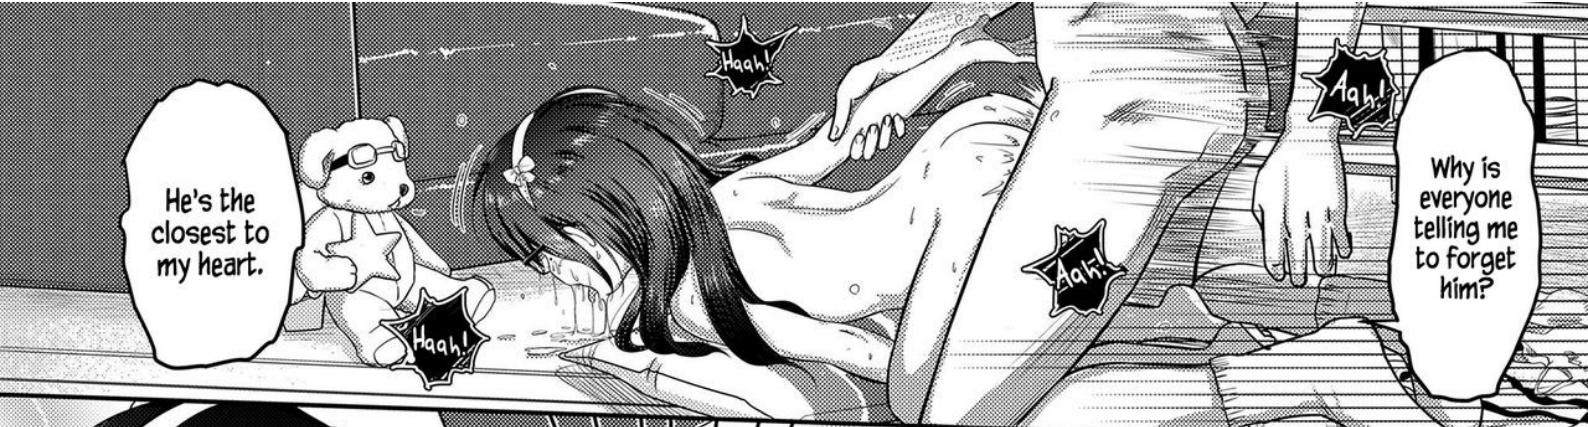

Nooo!
Aaah! St-Stop it!

if he saw his dear daughter in such a state,

he'd only be sad!

AAAAHHN!

He's the closest to my heart.

Why is everyone telling me to forget him?

Haah!

Haah!

Aah!

Aah!

That's how it was supposed to stay forever...

I was always happy...

Even without any sex,

The times he patted my head with his big hands...

Our family drives...

His surprise presents...

The piggyback rides, our walks, his smell...

I'll do all of that for you.

God's just a jerk...
A huge, huge jerk...

Haah!

Aah!

Ahn!

Aah!

Go

Go

Go

Hah

I'll do everything you want me to.

The piggy-back rides, the driving, and sex.

Really? You'll stay with me forever? You won't leave me all alone?

Hah

Saya...

I'm getting close, Saya...

Harder...

HARDER!

I'm cumming, Saya!

Don't cum!

JUST KEEP GOING! HARDER!

My daddy and my stepfather... I hate you both...

I hate you.

you all...

Thanks...

Do your best!

I'm off...

Ah, dear!

...What's with the gloomy expressions?

Nice weather today...
Saya.

Yeah,
the
weather's
great,

Father.

And then,
we'll have
ice cream
at the park
together.

Um...
After you
throw away
the clothes
you ripped
yesterday,
I want a
piggyback
ride.

End

And
after
that...

Like a
normal,
happy
father and
daughter...
