山野紺三郎

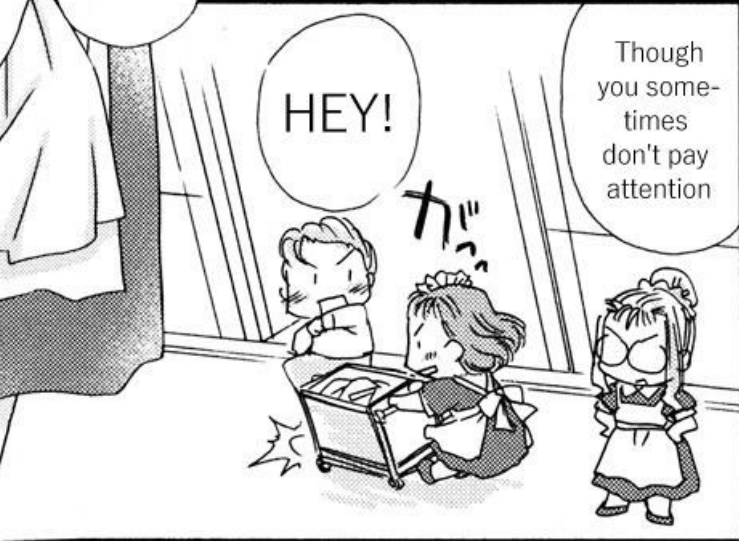

Yamano, Konzaburo

Looks like you're getting the hang of your new job!

Ah, Mary-san

No, I'm still pretty inexperienced ...

HEY!

Though you sometimes don't pay attention

Oh, is that so...?

You pick things up fast

Ha Ha Ha

Wah

If you don't go back, I'm telling Master

You should return to your room

Isn't it time to study yet?

No, it's boring in there

Ah

Little Miss

Hiya

Right

... Yeah

Be a good girl
Go back to your room

Excuse us, Sir ...

You shouldn't bother Mary like this

You shouldn't be here

Oh, Daddy!

Oh, there you are

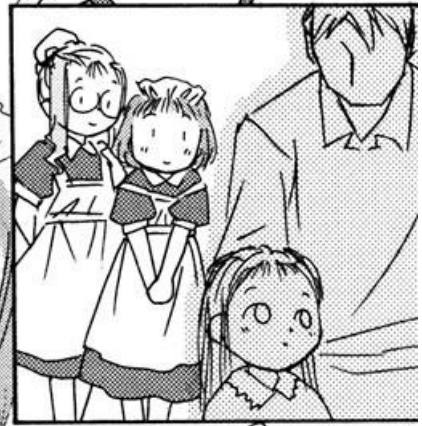

Well, if that's all, then I'm relieved

Heyhey What's wrong with just saying that?!

What are you aiming for!?

Wow, is that the Master?

He's so young and handsome ...

Eh ?

Well, I know it's hard to keep the house running, so I'm happy if you give me a lot of work...

Yes ?

Hey ... Daisy-chan

What do you mean by that, Mary-san?

A maid with such a simple pure wish ...

And he had lost his wife

It's all so convenient right?

Y... Yes ...

I don't think anything is going to happen soon, so just keep it in mind for now

There are jobs with a better salary.

Do you think you are ready to give them a try?

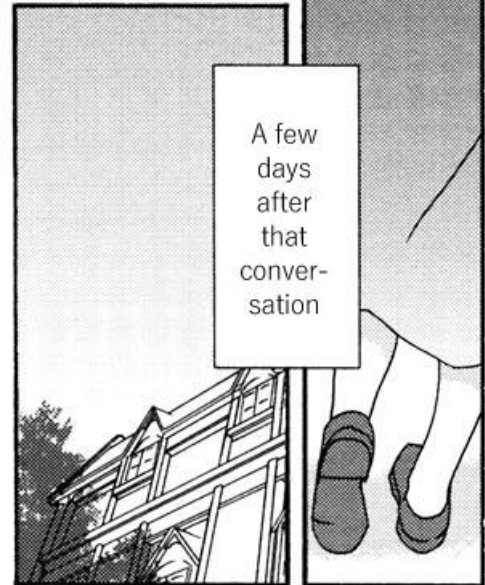

About Mary-san ...

Ah... ah...

Mary disappeared from the Mansion

... Oh?

A few days after that conversation

I asked some other people ...

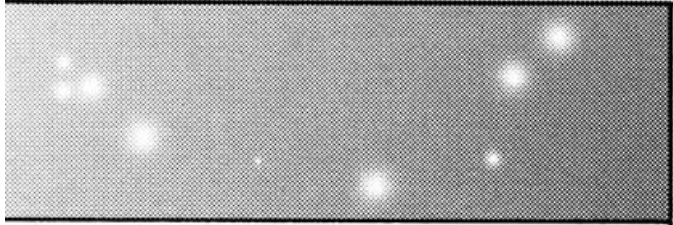

I can't say more...
It's best not to stick your nose where it doesn't belong

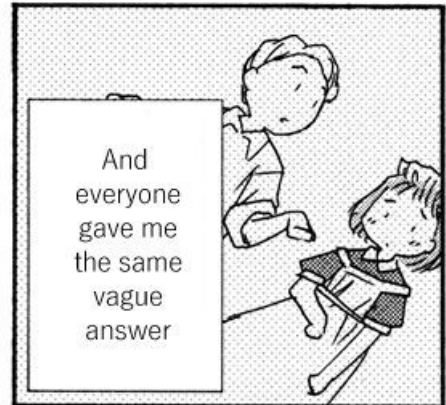

Something else?

That girl is charge of something else now

I wonder if I'll give it up tomorrow

And everyone gave me the same vague answer

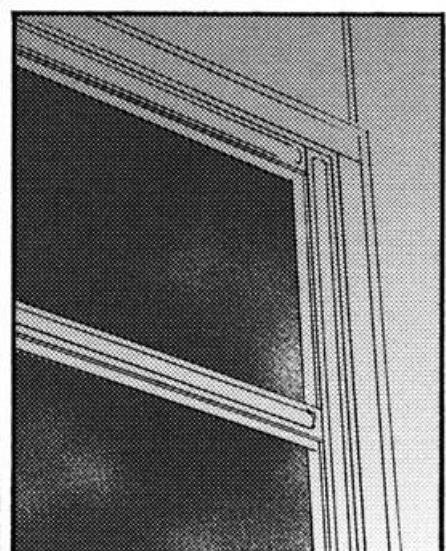

Somehow I had a nice dream

Yawn

I don't want to make a mistake and make things awkward

Will you follow me?

Yes!

I had heard that you were looking for Mary

Uhh... Sir?!

Could this be about Mary?

G-Good morning Sir!

Good morning!

Ah!

This is great!

I was so worried about Mary-san

Mary-san?

... The room is so dark ...

Come in here

Mary is waiting

... There were rooms like these in the mansion, huh
Oh, there are still so many things I don't know ...

It's all that she wants to do

This is what she wants to do

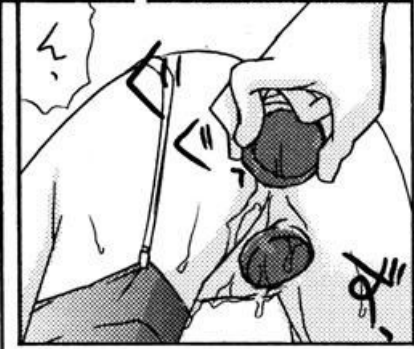

Oh?
Sounds like you still don't understand

P-please ...
I don't want to watch any more...

Yes ...
Doesn't she look ecstatic?
Isn't that the expression on her face?

Every hole in her body
...
Every emptiness
...
Is being filled up with semen

Let's work together again

Mary-san ...

... Daisy-chan

Only women may be given this moment of bliss ...

N-no! That's not ...

See? Just watching, and you're already like this ...

It's okay ... You will soon get the hang of it ... Don't worry

Come on, it's your turn next ...

Oh

Your juices are dripping out even more than before ...
Oh dear

... Oh, you're letting it spill

Gack
Gack!

You're shaking ... Are you still scared?

Or is your body feeling so lonely with all that waiting ... That it's starting to throb and ache

... How about that?

あ
あ

Ah ...

...
It seems like she is ready now

It's alright ...

Even if it's her first time, it should be fine if she is this wet, right?

Oh, she's adorable...

Is it okay to do her?

You see, your nipples are becoming so stiff

I understand you

あ
あ

You may take her as you want, so long as she doesn't break

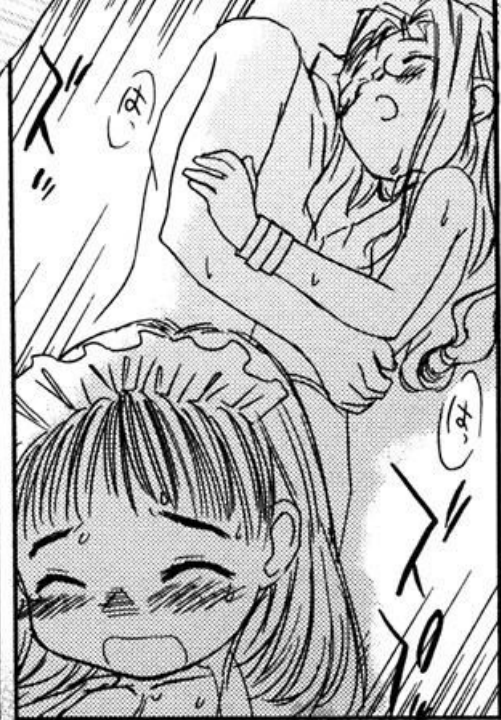

... Well,
that kind of
thing doesn't
really matter
any more
...

Why is
Master
doing
nothing
....

My head
is going
blank...

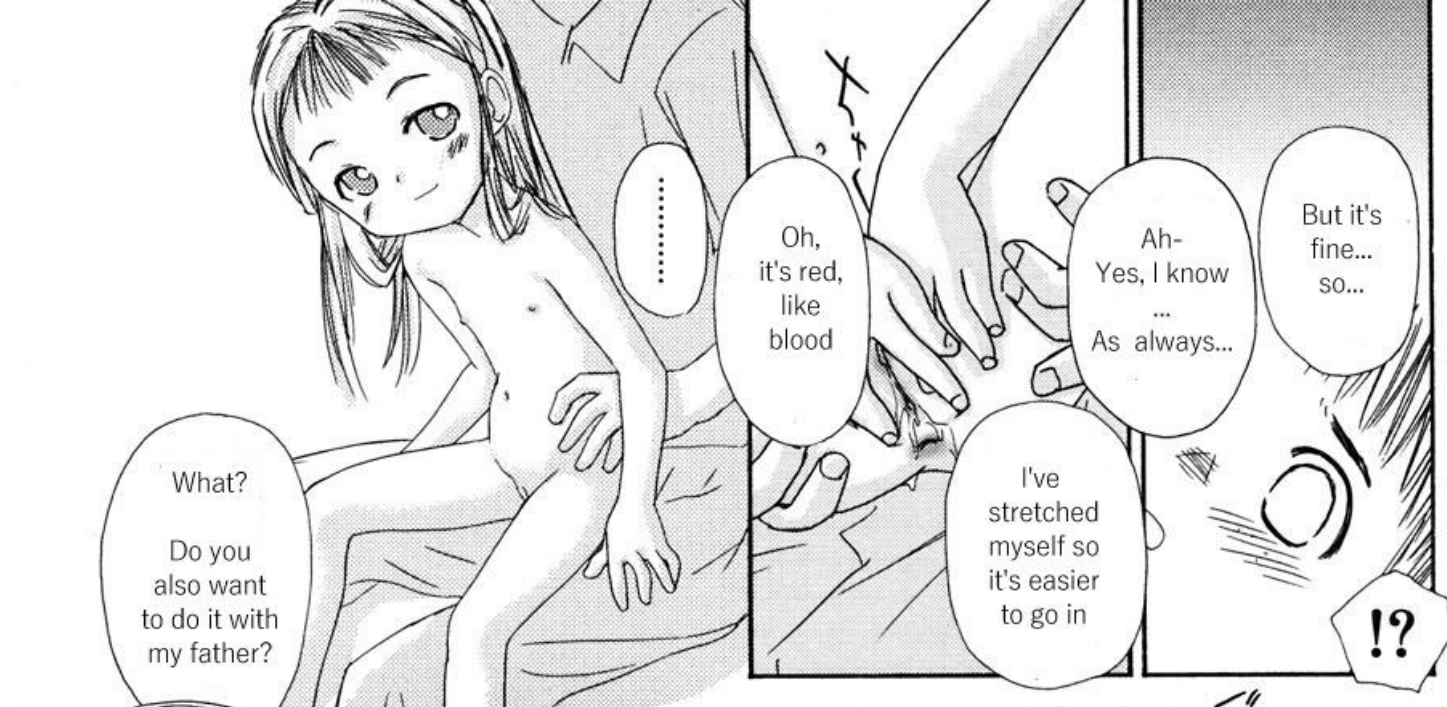

Father ...

Father, is it Daisy's first time today?

What?
Do you also want to do it with my father?

.....

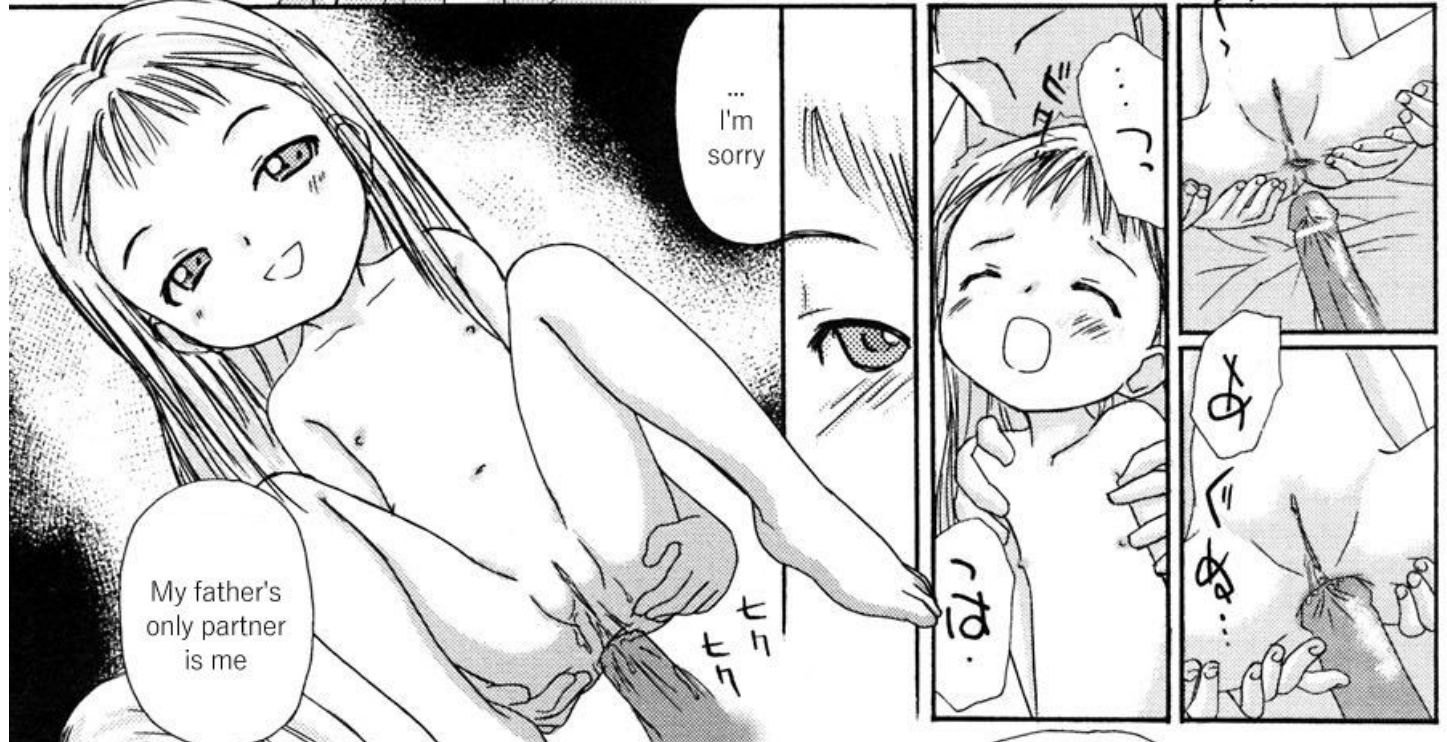

Oh, it's red, like blood

I've stretched myself so it's easier to go in

Ah- Yes, I know ... As always...

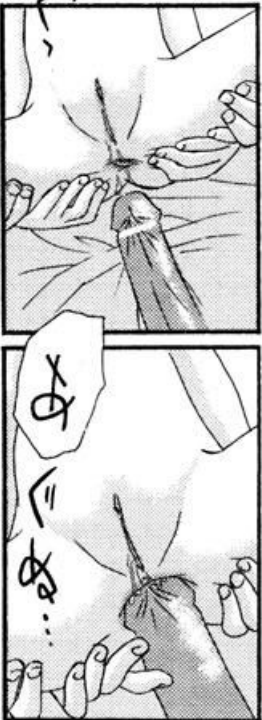

But it's fine... so...

!?

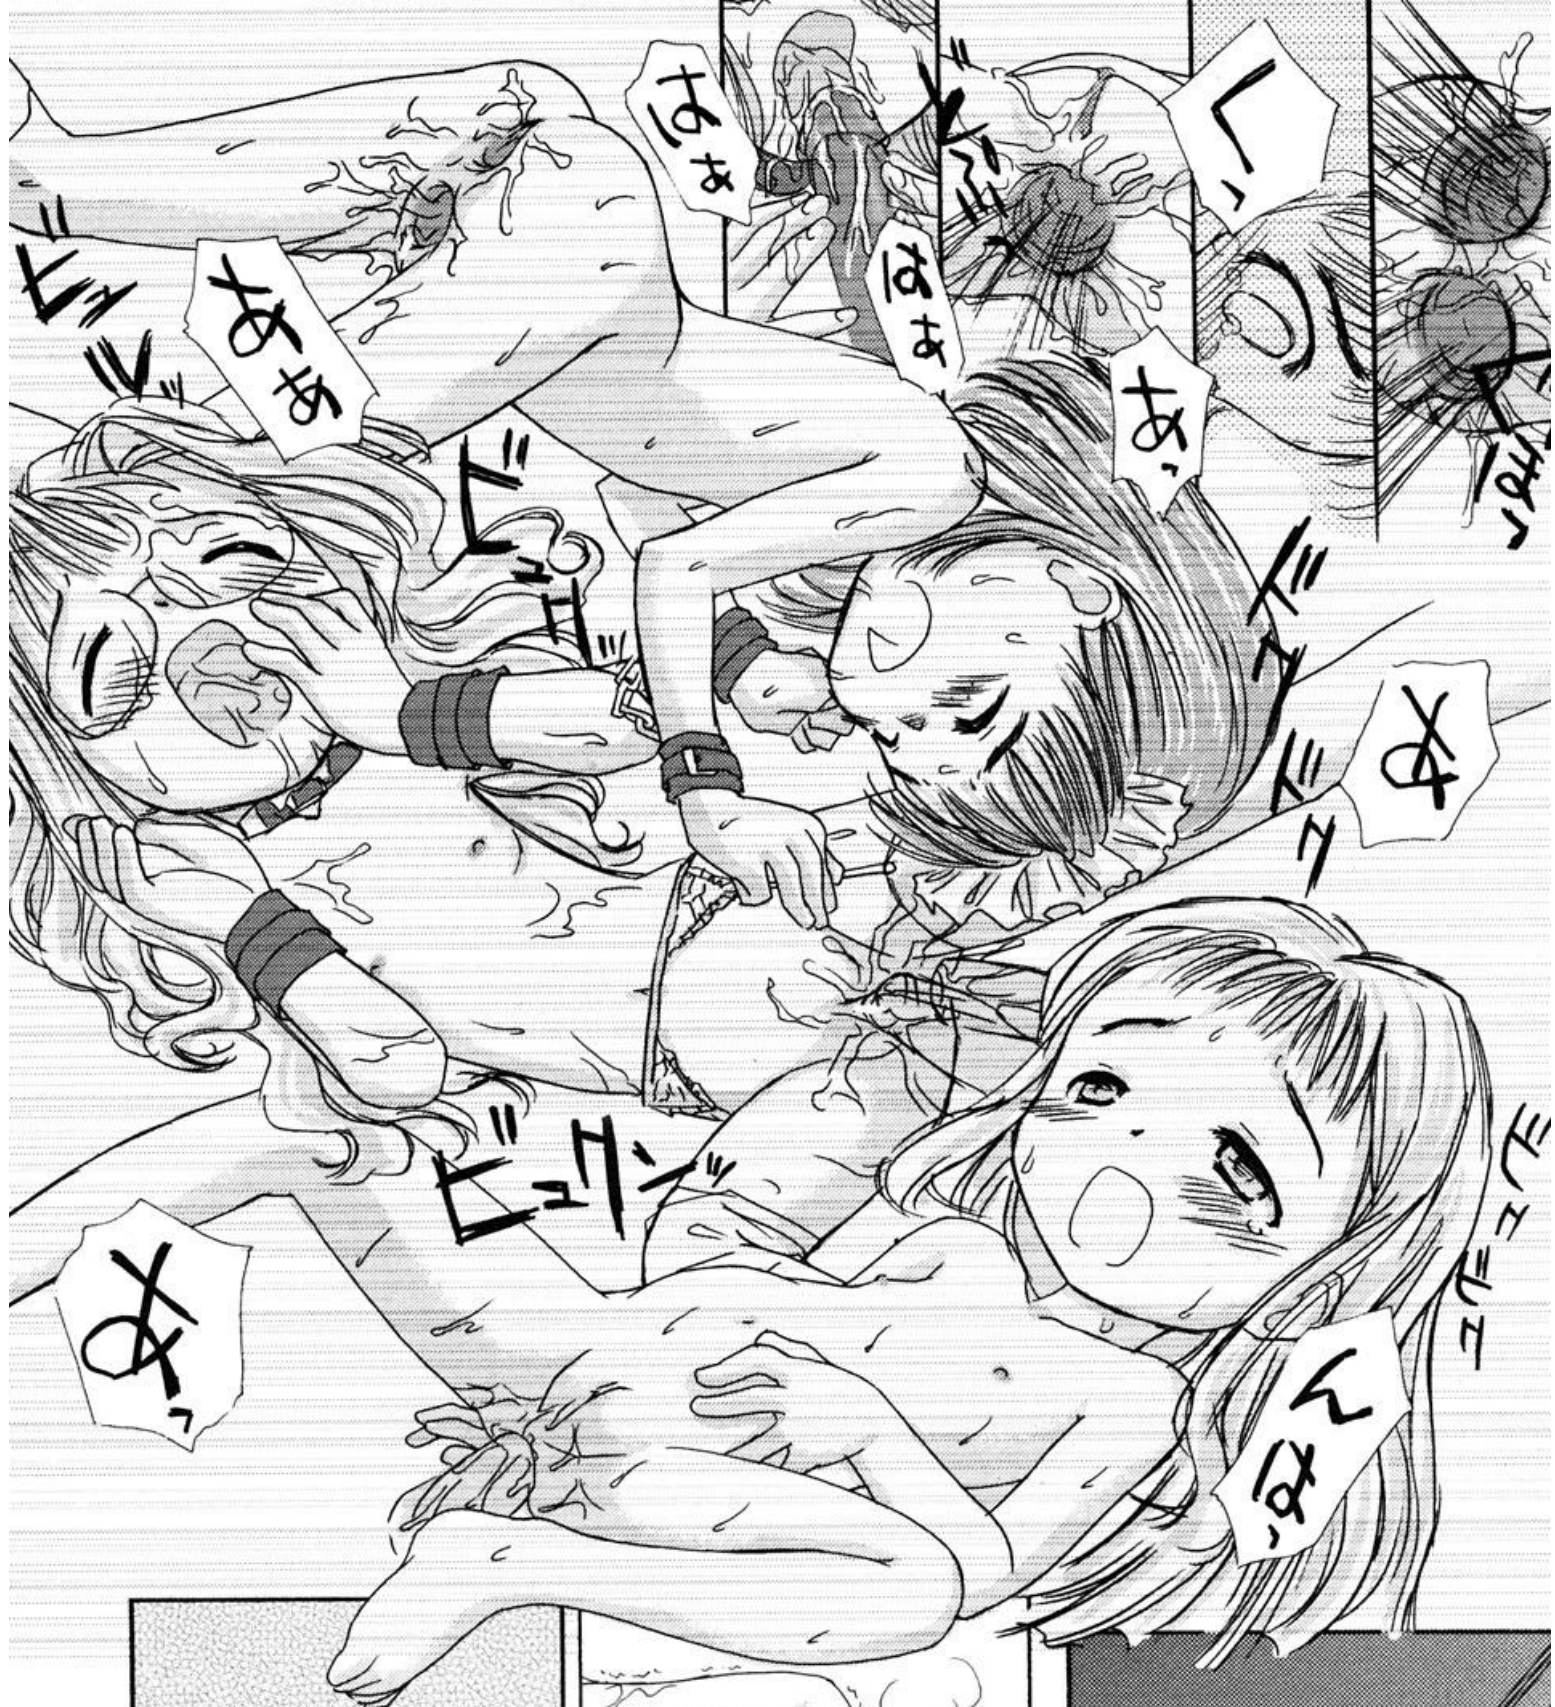

My father's only partner is me

... I'm sorry

It's okay ... You can still taste the greatest pleasures. I'll help you...

Y...
Yes
...

... From
now on
...
You'll
enjoy this,
Daisy
