Hello, Aunty!

Oh it's no big deal ...

Well now ...

おはよう

Oniichan, you've arrived!?

Chi-tose ... chan?

I was just taking a bath!

Why are you dressed like that?!

This cheerful girl, Ko Chitose, is my cousin. She'd sure grown up since we last met

Long time no see, Chitose chan

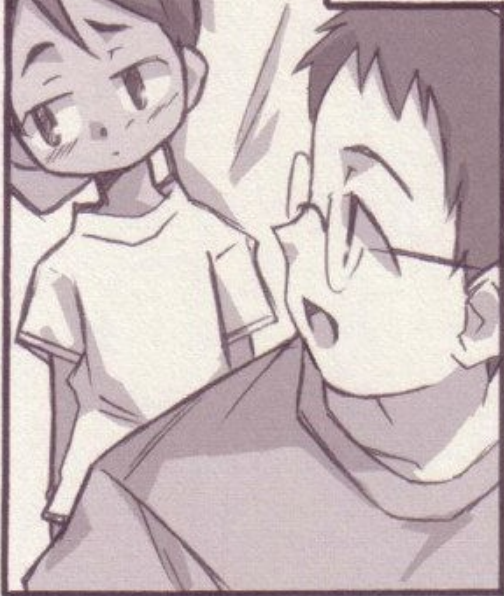

Hehe!
Welcome, Oniichan!

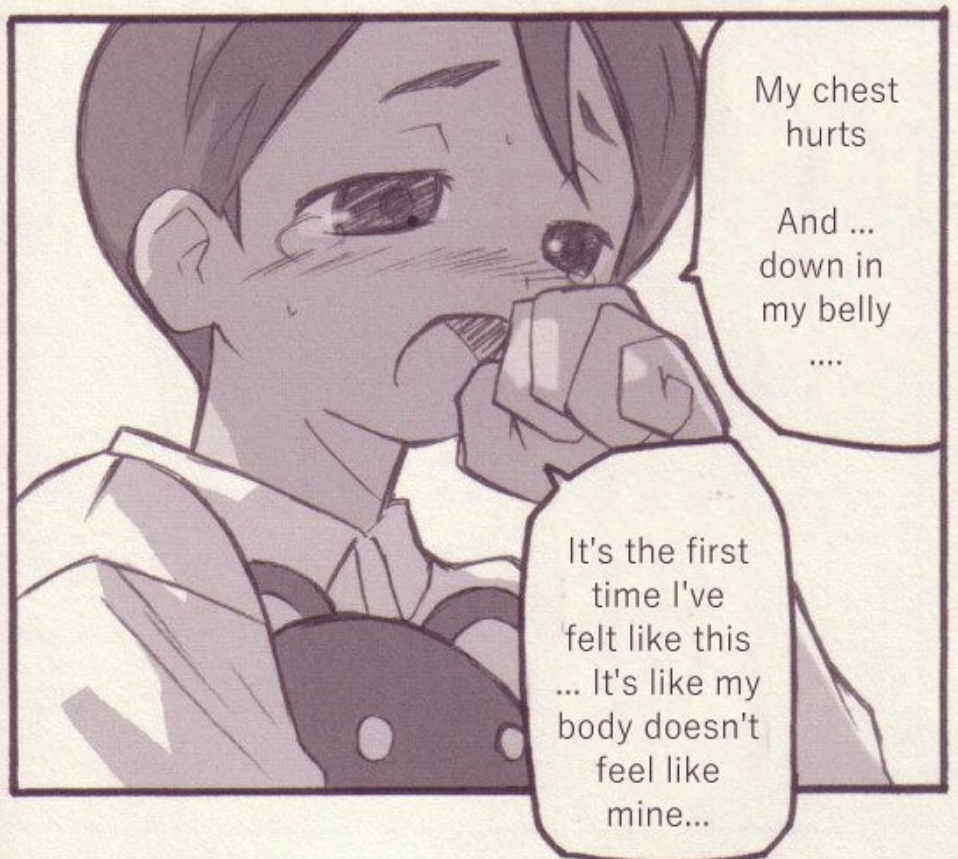

Thus I slowly got used to spending time with Chitose-chan ...

I felt bad being a freeloader, so I offered to tutor Chitose-chan to help out

One night,
Chitose-
chan
came to
my room
—

That's
the night
it began
....

Every three or four days, Chitose-chan ...

... would come to my room at night.
And I went along with it

What little resistance I had slowly began to fade

Still... There was one last line we didn't cross

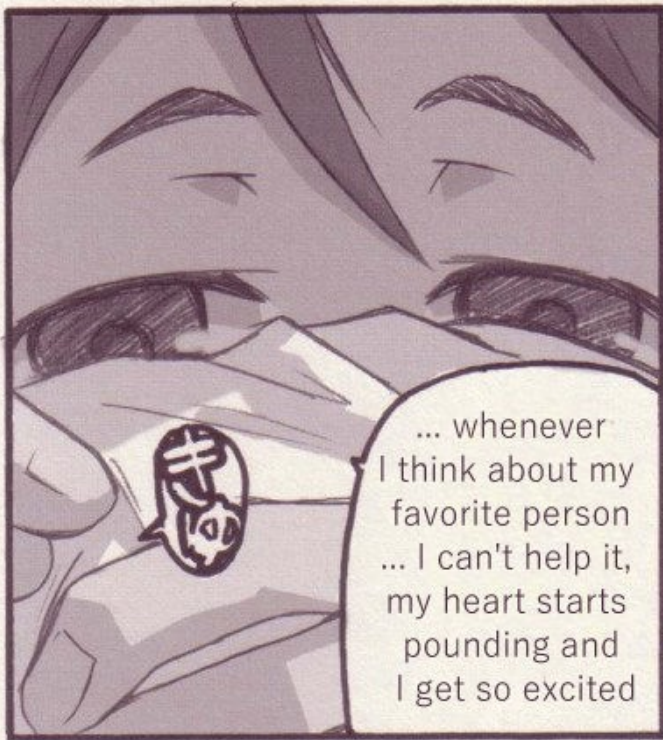

Oniichan, am I naughty?

And then

... whenever I think about my favorite person ... I can't help it, my heart starts pounding and I get so excited

I'm not doing this kind of thing in class, but ...

Eh... I don't know ...

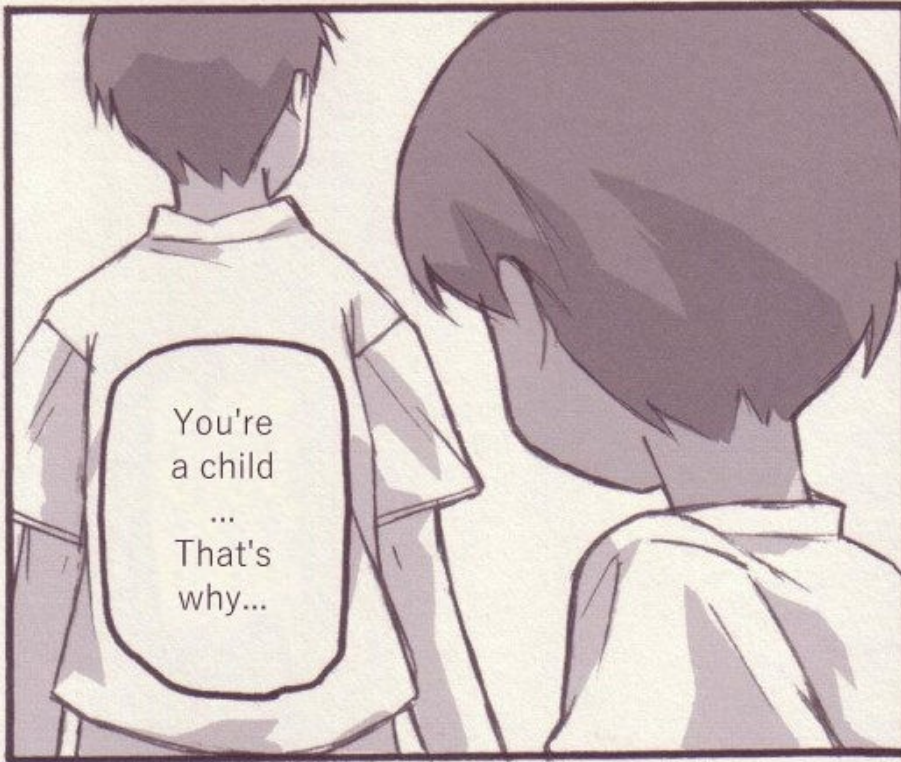

Doing things like this ... isn't good

Well, that's how it is, isn't it...

I think ... You should stop coming to my room at night

Besides ...

But I love you,
Oniichan !!

And after
my oniichan
comforted me
...
I've been
doing... this...
in my room

Ever since
my oniichan
came, I'm
throbbing
at night

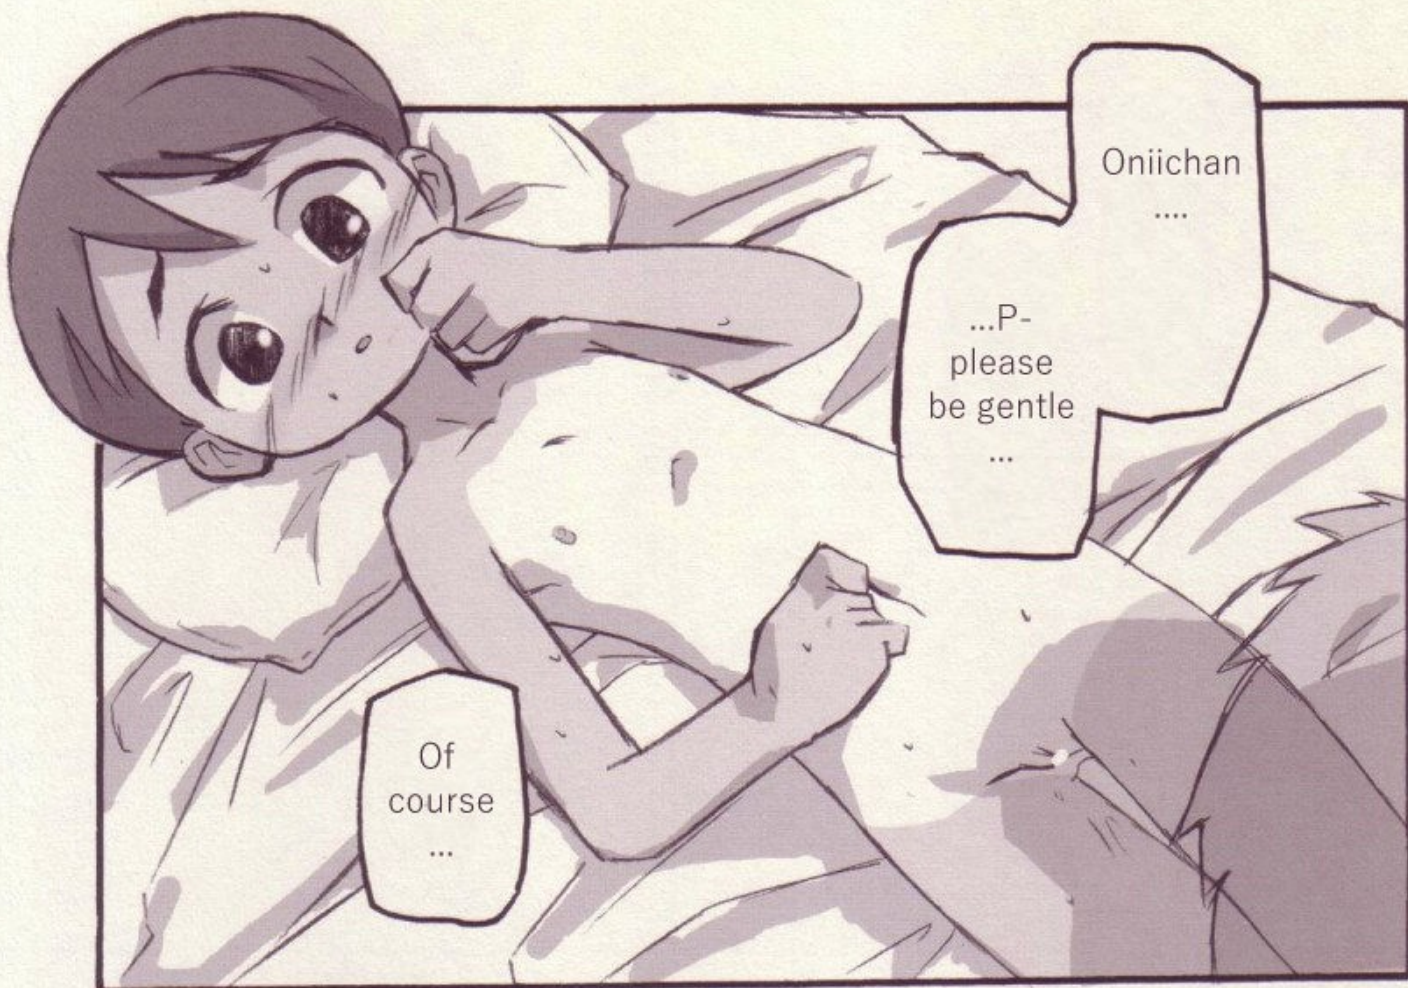

S-See —
Whenever
I think about
oniichan,
this happens

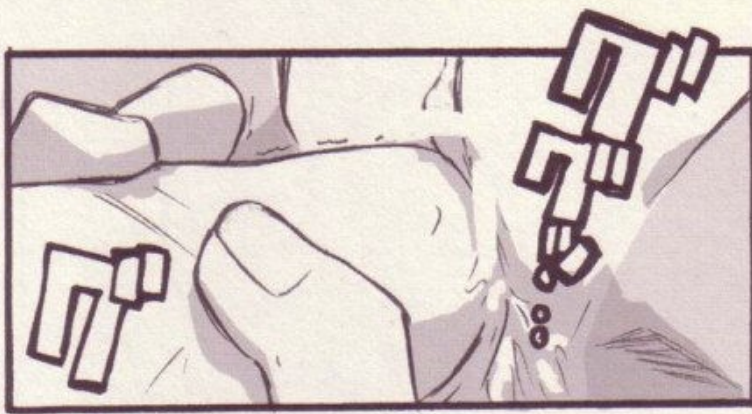

And
now
—

I could
no
longer
resist
at all

When oniichan moves inside me ...

Mm?

Ehehe ...
I'm sorry, but I think I am a naughty little girl after all

But the good feeling is twice that

It's... a-amazing ...
I feel a little sore...

Chitose-chan is an ecchi girl...

That's good

Ah ...

おっ...

I am sleeping with my pre-pubescent cousin

Chitose chan...
Onii-
chan...

Kya!

But I have no regrets!

This sleeping face belongs to me and me alone ...!

I love this girl!

And this girl loves me...!

(doorbell sound)

リンリンリン

Thank you ...

I think ... That has to be good

(rapid foot-steps)

パタパタパタ

Welcome back Oniichan !!
