Inside the Junior Idol Support Business

Anna-chan,
you've really
gotten the
hang of this.

What are you
talking about
Mr. Director?

Your
blowjobs,
of
course.

Well
you're the
one who
taught
me...

You even prepared this outfit for me...

And also... this...

Heh-heh. It feels good right?

You were soaked during the entire concert...

I know you've been dying to cum for a while now, right?

AANH!!

AAAAHHH!!

IT'S TRUE!
I WANTED
TO CUM THE
ENTIRE TIME!!

Anna-chan

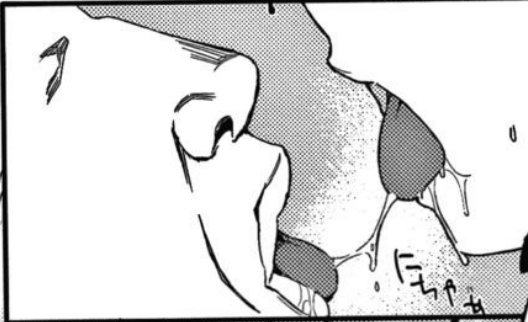

I can't
help it, I
have to
have
sex...

this is
necessary
so...

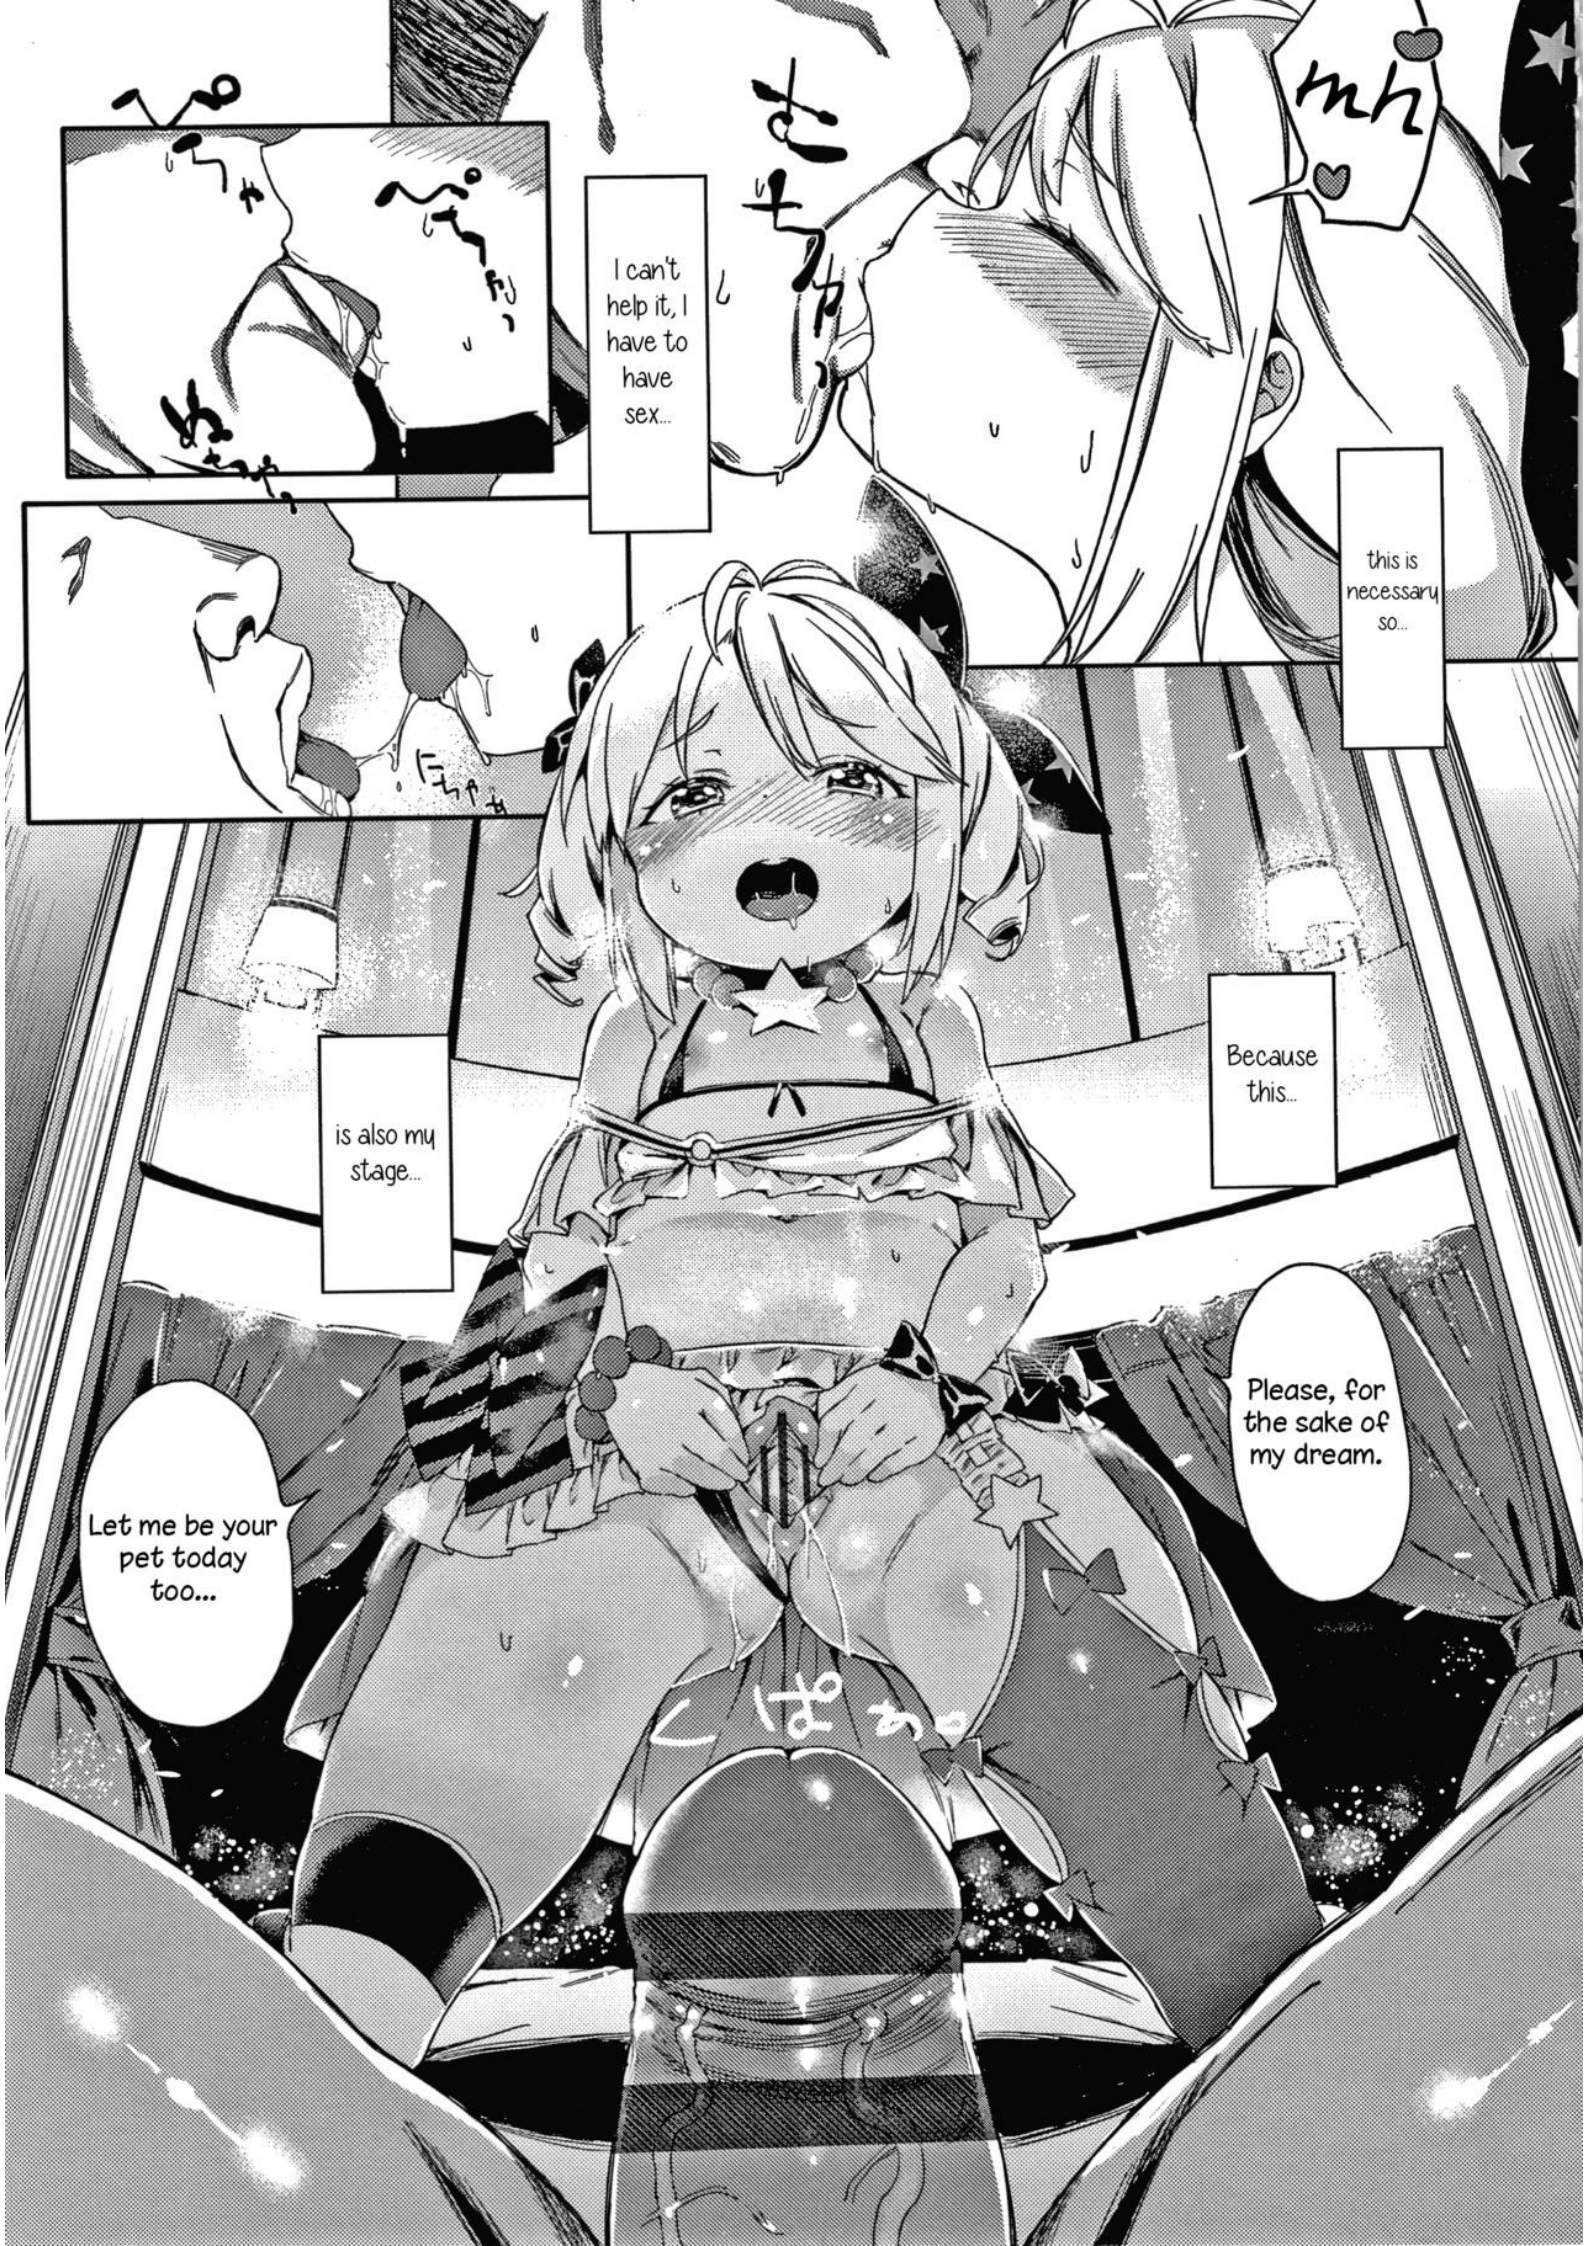

is also my
stage...

Because
this...

Let me be your
pet today
too...

Please, for
the sake of
my dream.

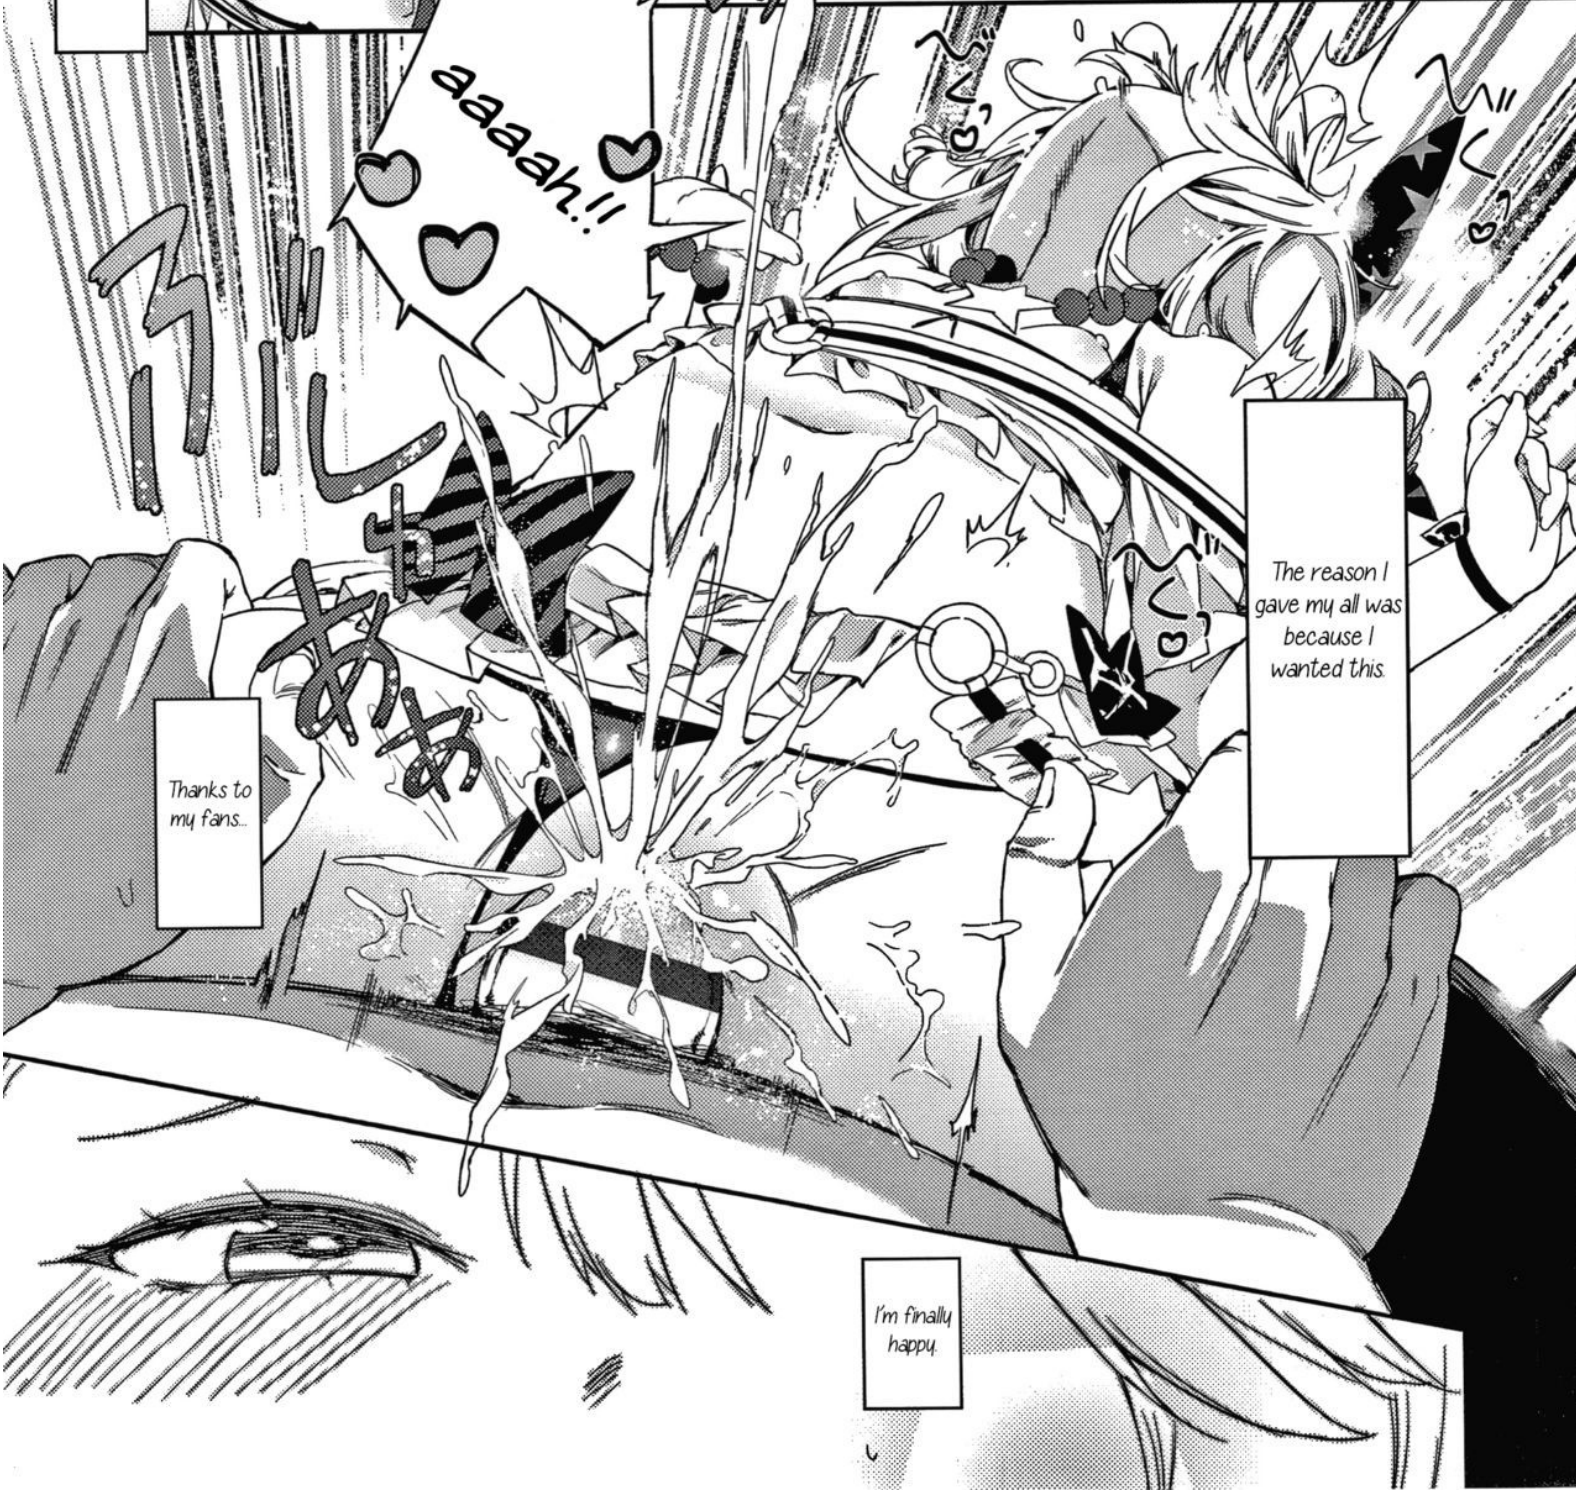

That's right...

This is what I wanted...

Why does my pussy feel so good... even when my fans are being bad-mouthed?

Your fans would faint if they could see you like this.

Thanks to my fans...

The reason I gave my all was because I wanted this

I'm finally happy
