PRESENT

"... Ttch"

"But... you're not supposed to go off with strangers ..."

"How did you know that?"

"Hey, it's your birthday isn't it?"

"Um... well... It is today isn't it?"

"Y-yeah ...?"

"Hey, hurry!
Grab her
arms!"

"N-No...
What...
what are you
doing!?"

"For example,
you are wearing
a t-shirt directly
on bare skin!"

"That'll wear
out and discolor
your nipples.
You should
wear a camisole
instead!"

"But
don't you
want your
present?
To give it
to you, we
have to
prepare
some
things"

"It hurts!
Let me
go!"

"Kya!!!"

"D...
daddy?"

"Your
daddy
told us
a lot
about
you!"

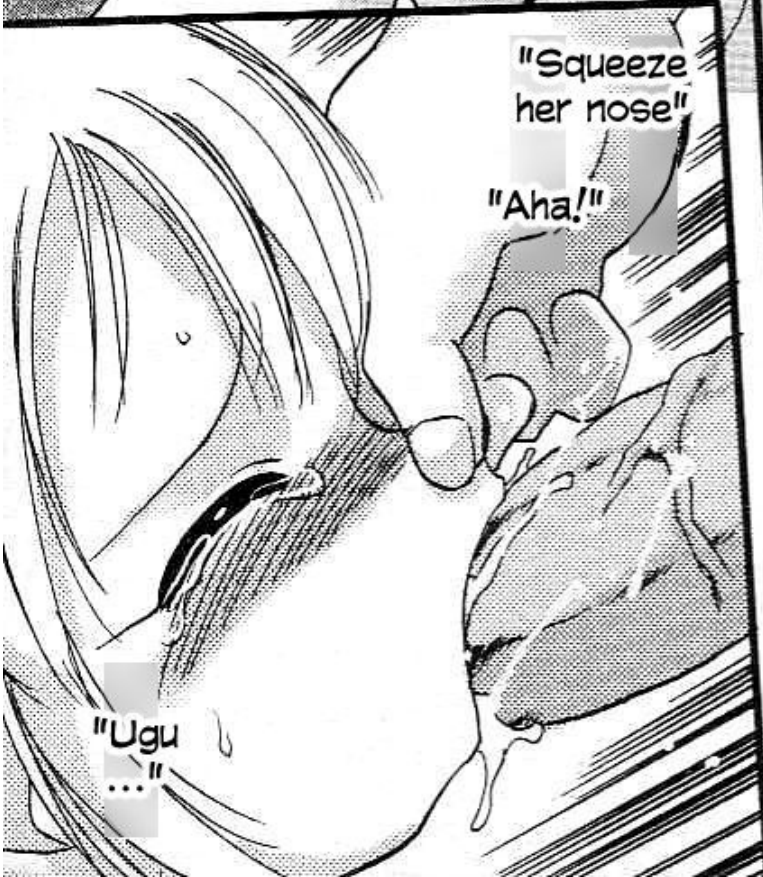

"Okay...
open
your
mouth
please"

"Already
...?"

"If you open up,
maybe your
birthday will be
over quicker?"

"Damn,
she's shutting
her mouth so
tightly that
I can't get
inside"

"Squeeze
her nose"

"Aha!"

"Ugu
..."

"Oooh ah...
Another
kid with
adorable
breasts"

"But aren't
they a little
puffy?
Your daddy
is worried
about that
too..."

"Well, at
this age, it's
best to give
them a little
rub"

"Because the lines of your panties show through, you shouldn't wear underwear under spats!"

"Hey, it's about time..."

"That's right"

"Don't be so selfish!"

"For the time being, kid, we'll be confiscating your panties."

"Ooh...
I'm
gonna
cum"

"Hey, can
I use drugs
on her?"

"You're in a hurry,
huh. A little bit
should be fine"

"Oho,
she's in
good
condition"

"Ah...ah ah!
What's this!?"

"Oh?
Are you already
feeling hot?"

"N...no
...noo...
I'm...
feeling...
goo...
good..."

"Look
at that!!
She's
drooling
from
both
holes
now!!"

"Do
you think
it's the
drug?
She's not
struggling
any more"

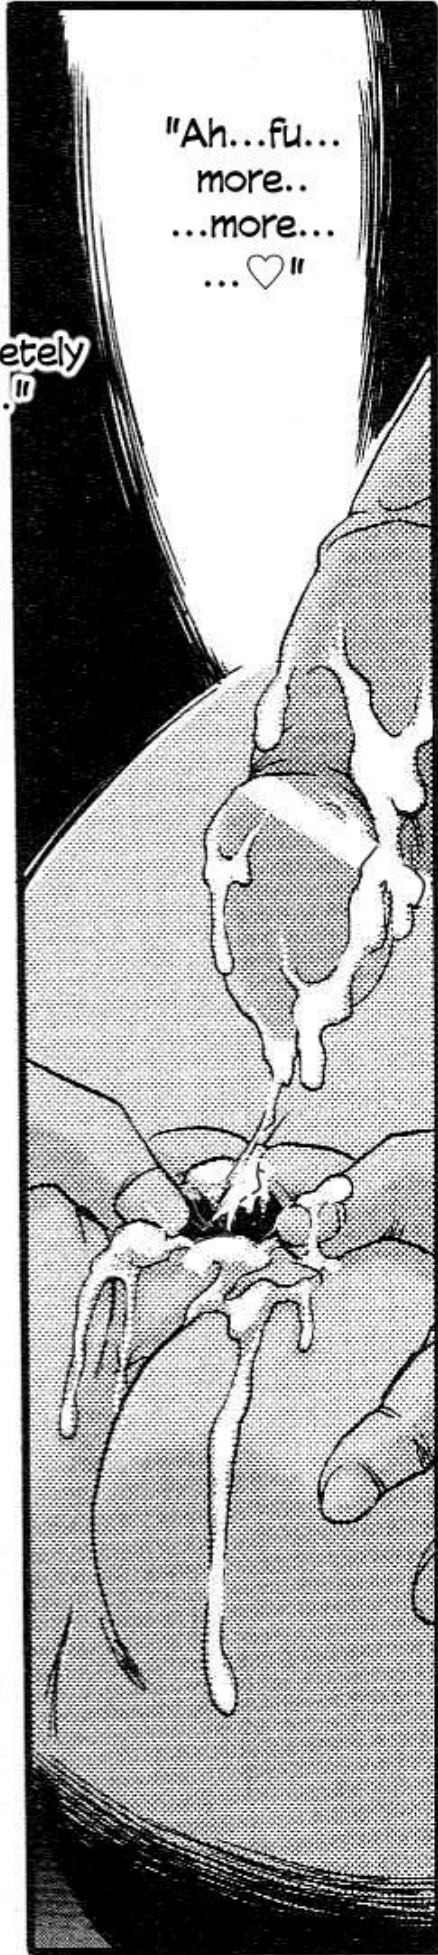

"How
many times
has she
done it?
I can't
remember!"

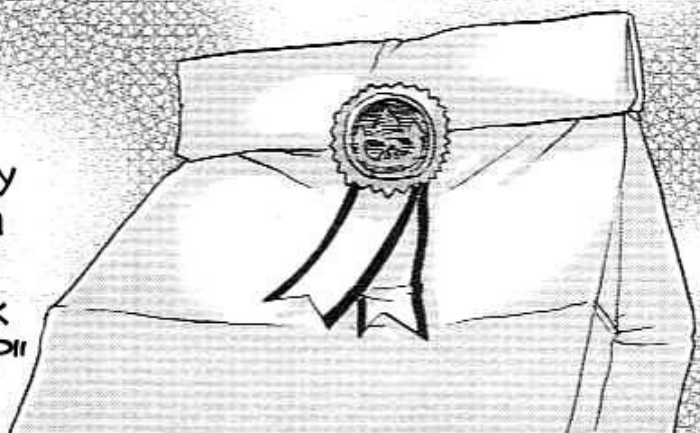

"Well, with this, we've fulfilled our promise to this child's dad...!!"

"I'm completely spent!..."

"Ah...fu... more.. ..more... .. ♡"

"Didn't we
tell you?
It's a birthday
present from
your dad.
Did you think
we were lying?"

"Wh...
what's this
...?"

"From
now on,
every
day, it'll
instead
be your
papa
who
strips
off your
spats"

"You'll be
relieved to
know that
this is
everything
as far as
we're con-
cerned..."

"Oh...
new spats
..."

"Aren't
you
glad?"

"...
...Yeah"
