

I'M
DISAPPEAR-
ING...! THE
CHAOS THAT
I HAVE UN-
LEASHED...
IT'S...DIS...
APPEARING...
NUAHHHHHHH!!

dink

No... It
wasn't
just
me.

Every-
thing...
It's all
thanks
to you,
hero-
sama!

The chaos
that the
demon king
brought on
this world
should start
disappearing
now...

we did
it every
one!

...
I can feel
the evil
spirits dis-
appearing...

Thank
you...
Every
one...!

Fuu!

...I was
able to
do this
because
all of
you were
there!

Fuu...
I'm finally
out of
the forest,
so
bright!

...We really
defeated
the demon
lord...

All the mon-
sters disap-
peared too...

We all
parted
ways at
each oth-
er's home-
towns on
the way
back...

But after I
report the
news to the
king about us
defeating the
demon lord
things have
calmed down,
I want to go
see them
again...

We all
met on the
journey and
fought to-
gether...

It has a
harsh battle,
but... It was
fun, how
nostalgic.

Being a
one-man
party
again...
Isn't it
kinda
lonely?
...I'm just
kidding

I gotta
hurry up
to the
castle.

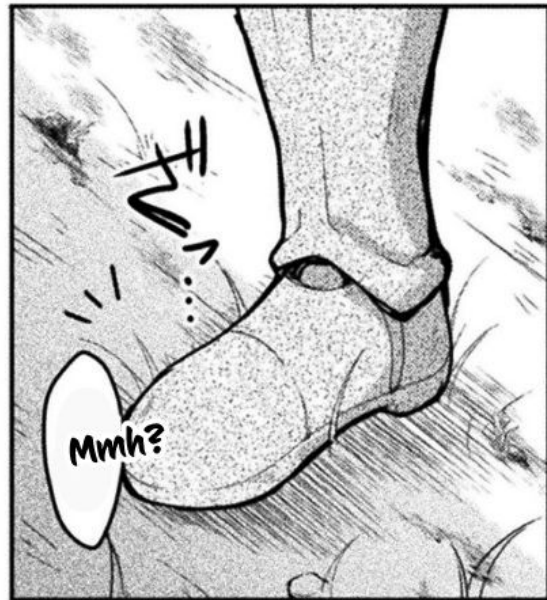

...I'm just
chatting
it up with
myself...

I... I gotta go through here to get to the castle.

Don't have a magic user with me so I can't use teleportation magic...

Alright, I'm finally here," then the first cave... I went through on my journey...

Mmh?

I may be travelling light now, but my level back then doesn't compare to now... Shouldn't be a problem, right?

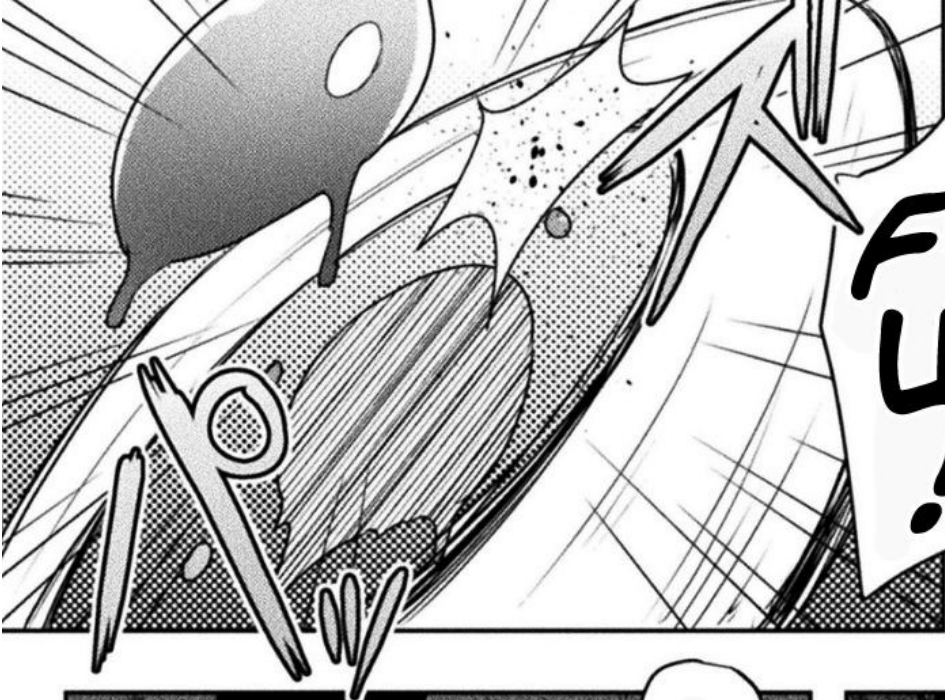

...But I guess for now I'll keep my guard up while I go through it.

LIGHTING!

When I was fighting alone at first... Just getting through the cave was pretty tough...
