TIME AS
REQUESTED BY
MY BEST FRIEND.
(AND IT'S A

AND I THINK
IT'S ALSO
SWELLING
A BIT!?

THIS IS

MY CHEST
FEELS KINDA
SENSITIVE.

Post script.

Nice to meet you First timers!

It's nice to see you again old timers!

This time, it's been a while since

I drew a TS (Transsexual/Transformation)
manga.

I've been worrying about how far I
should go with this Fetish, it's been
years and I feel like I've been holding
back, now I wanna let loose and I think
I'm gonna do even more next time!

This time, I focused on voluntary
transformation and suits. Rather than
pushing to the limits, it's more
compulsory rather than voluntary, it
seems across the board, forced
irreversible transformation is more
popular than choosing to change and
being able to control it. The story of
transforming on your own volition then
getting hooked to it thereby sinking to
depravity has a sort of charm to it.
I'd also like to draw the parts that I
couldn't due to the lack of page in the
sequels.

Lastly, I drew that bonus manga around
2015. I have some story that I wanna
draw to somewhat replace that, so I'll
probably draw up ideas for it soon.
Well then, thank you very much for
reading all of this!
