to my dick!

It's
not
only
because
it's
been a
while
since
we've
done it.

My body

TOPIC OF

Comments: Again, pretty good. Is it just me, or did the artist's art improve a lot in the year between number 2 versus this one in the series? Maybe they just worked harder on this one. Or maybe I'm nuts. Anyway, if you enjoyed this one, the previous chapter involving this couple, #2 in this series, is also being released alongside this, so check that out if you want more.
