# SUMMARY

Haru and Kanade find out that their late father had promised to marry his younger brother's daughters off to them, making engaged to Haru and Kanade. The girls, Aya and Hana, begin living together with the boys, where Aya begins to really enjoy "developing" Haru sexually. But Haru doesn't seem to mind being led around by Aya...

Itsuki Haru

Because of Aya, his concept of a healthy relationship is currently straying off course.

This book is  
about these two  
as a couple!

Ichimiya Aya

Absolutely loves Haru. She's very devoted and earnest, putting in a lot of effort, but the direction that effort takes is a little strange. ☆

Itsuki Kanade

Haru's little brother. He's often mistaken for a girl due to his beauty. Wants Haru to be happy.

Will be  
featured  
↔  
in #3!

Ichimiya Hana

Aya's little sister. Currently engaged to Kanade, but her perfect man is the older, slightly buff type. She doesn't get along with Haru at all.
