## **TRANSLATOR NOTES**

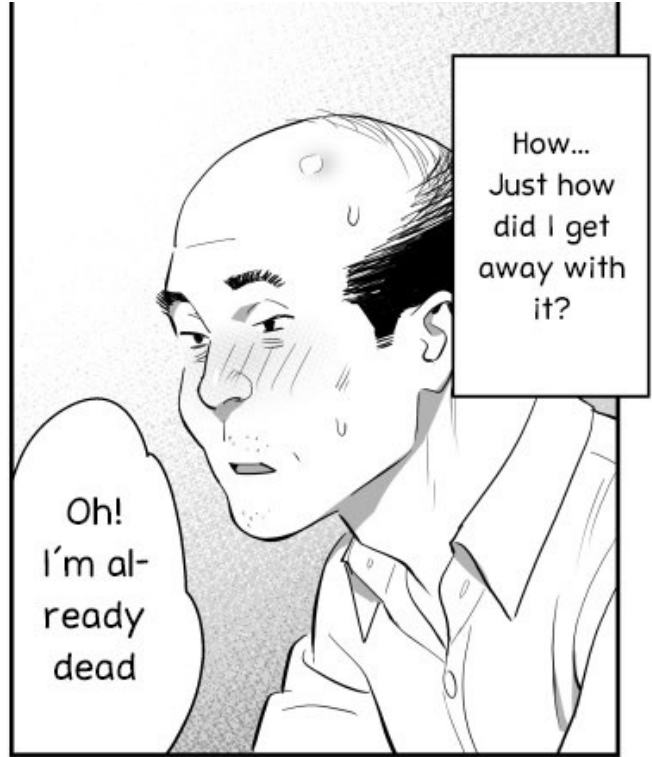

Hi again from Mirumoto-kun.

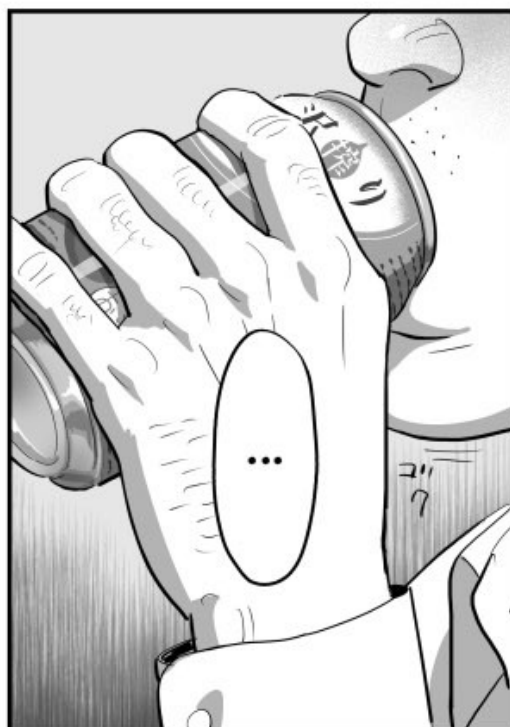

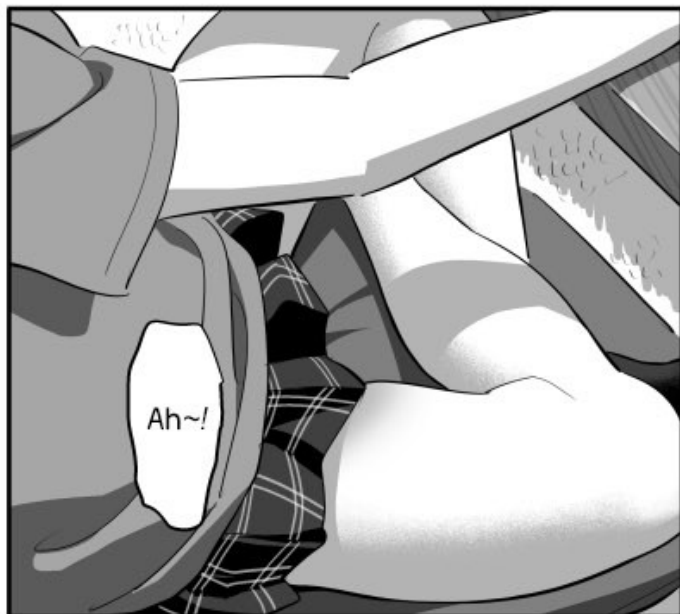

This is my second time translating a doujin, again from one of my favourite authors. This time it was sooo much difficult. The protagonists of this doujin speak in a very unpolite way and it's so much different from the Japanese that I'm learning. Hope I did a decent job.

Please don't follow the example of the fictional characters in this story.

"Cool"  
I thought

I mean,

wanted  
to talk a

So I just  
exchanged  
contacts

Where  
there  
at the hotel!  
you wearing?

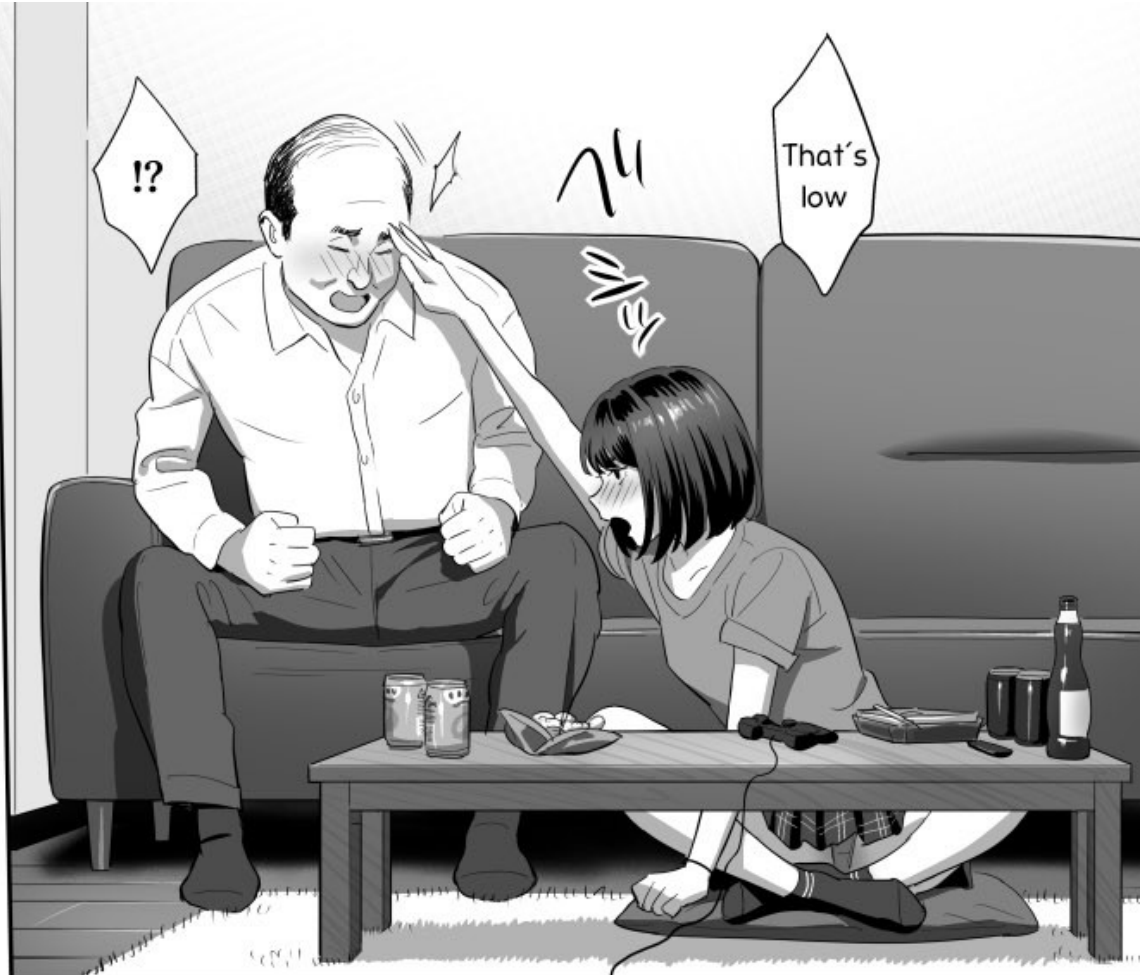

red and blue

is that all? I'll come but  
are we going to be alone?

alone

Ah!

You  
make a  
fool of  
this old  
man

Again  
and  
aga...

You  
see

How  
long  
I've  
been  
doing it

...In

Wha...

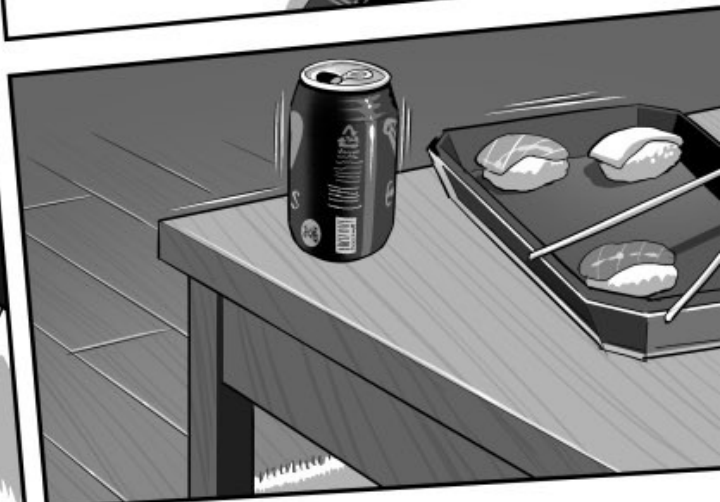

...  
It's  
totally  
...  
?

Mmmmh...!!

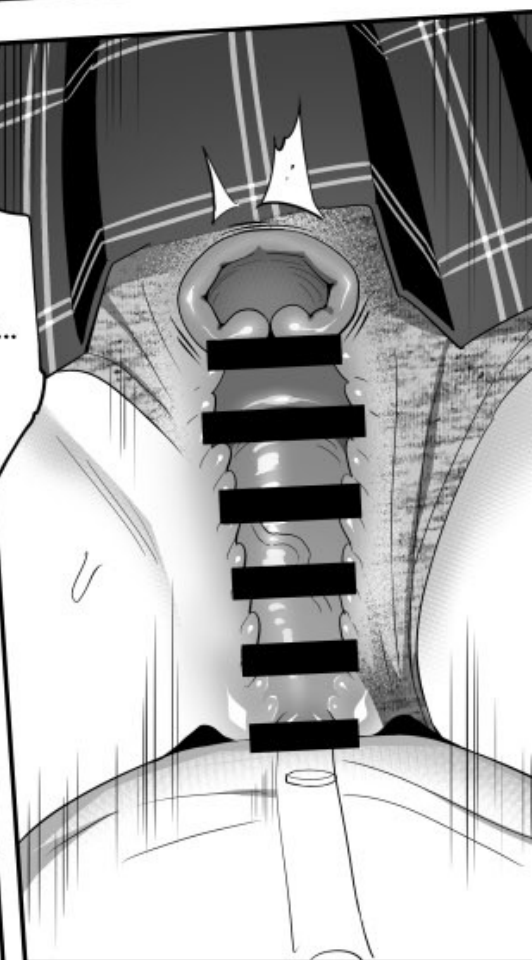

Why...

Wha...
