HOSPITAL EXAMINATION

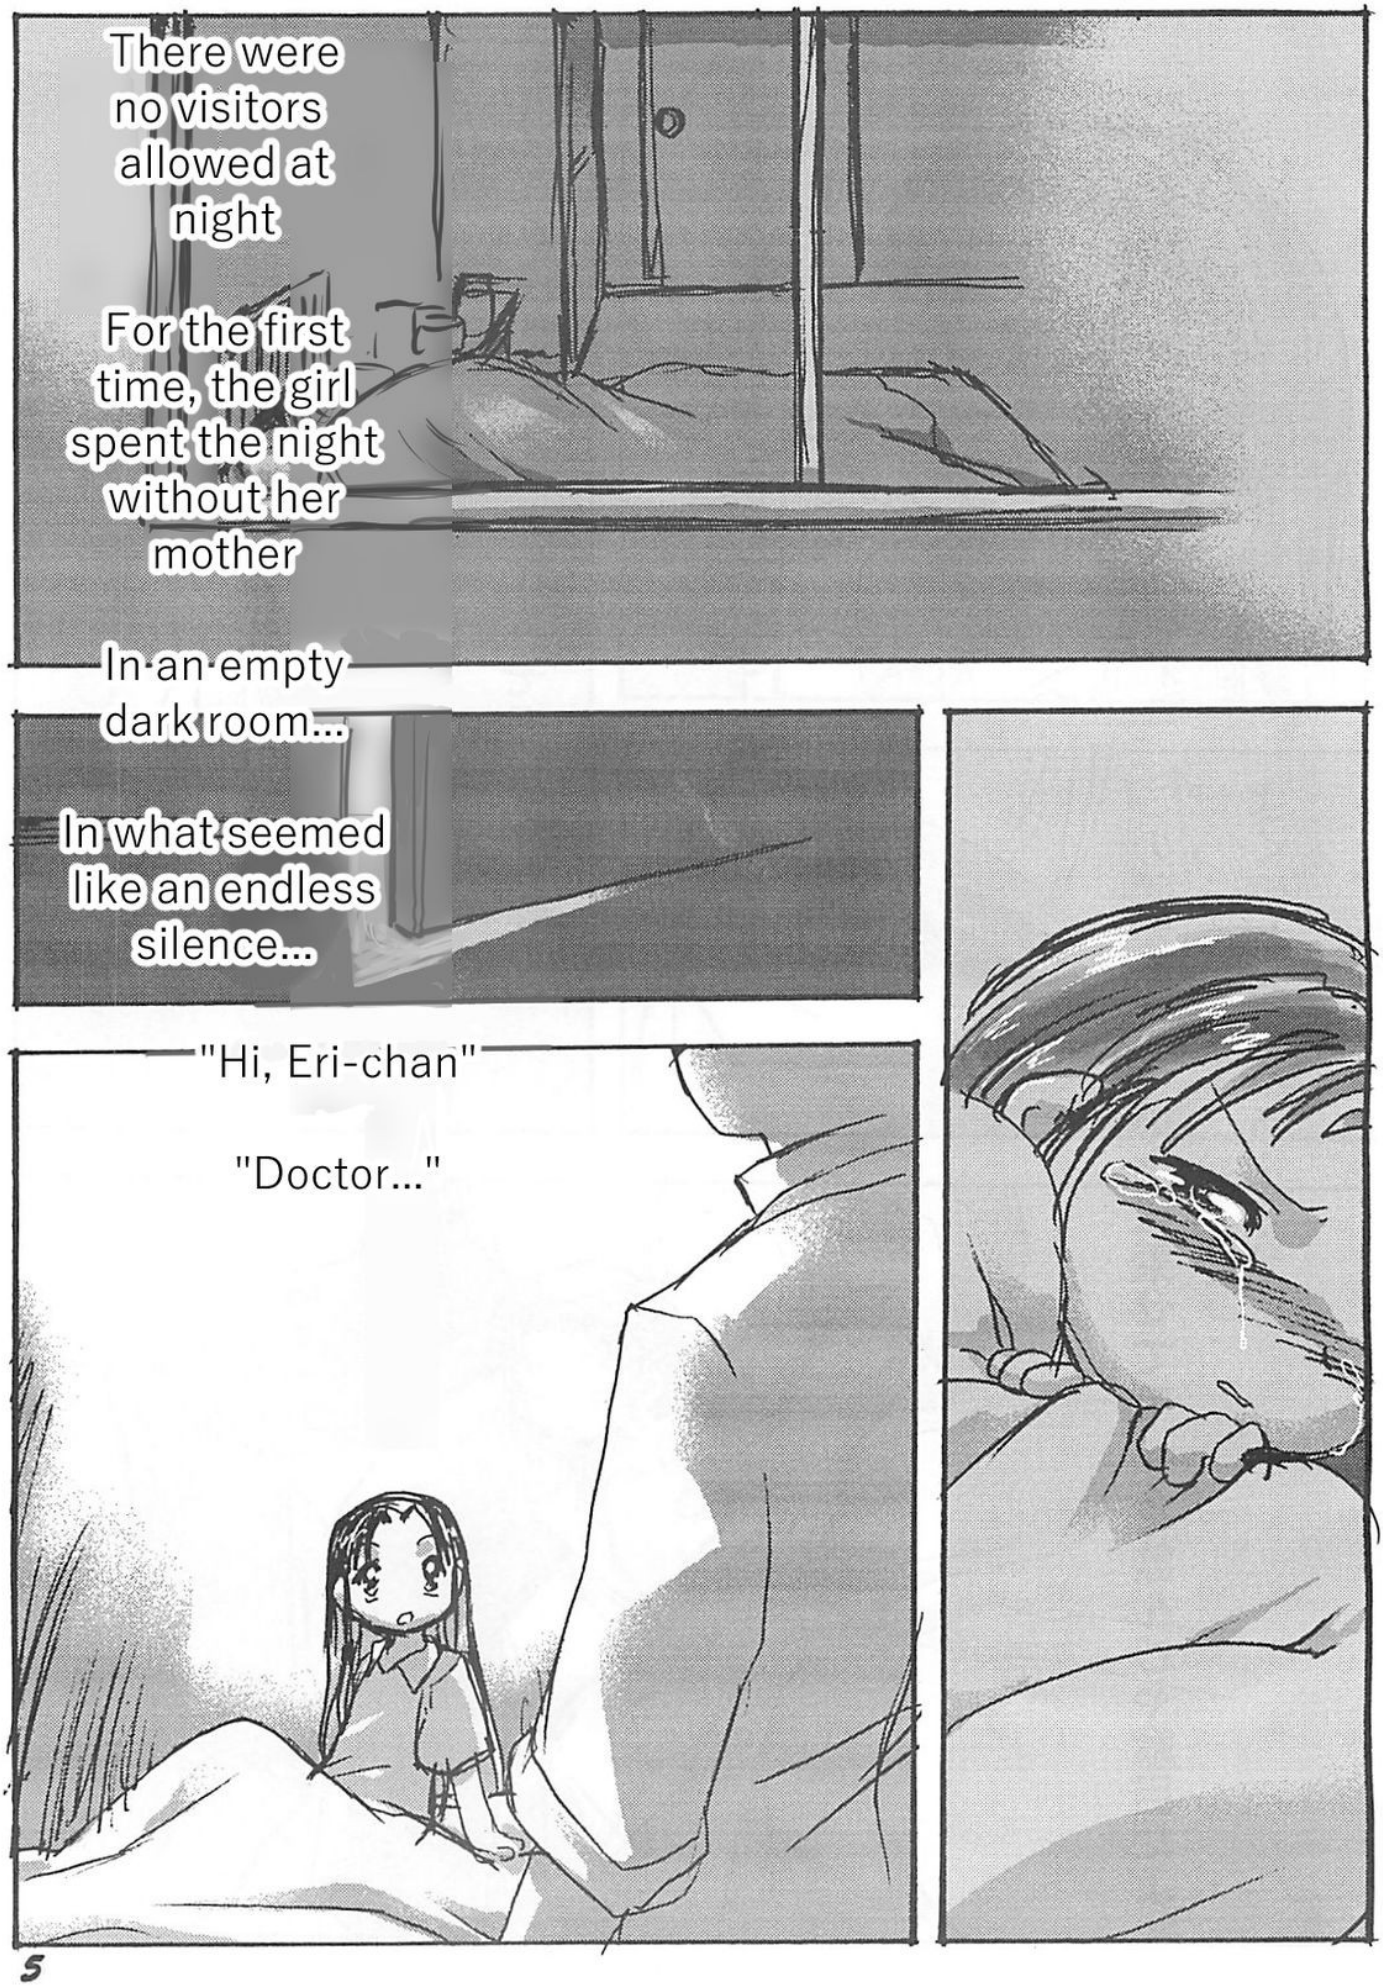

成年向き

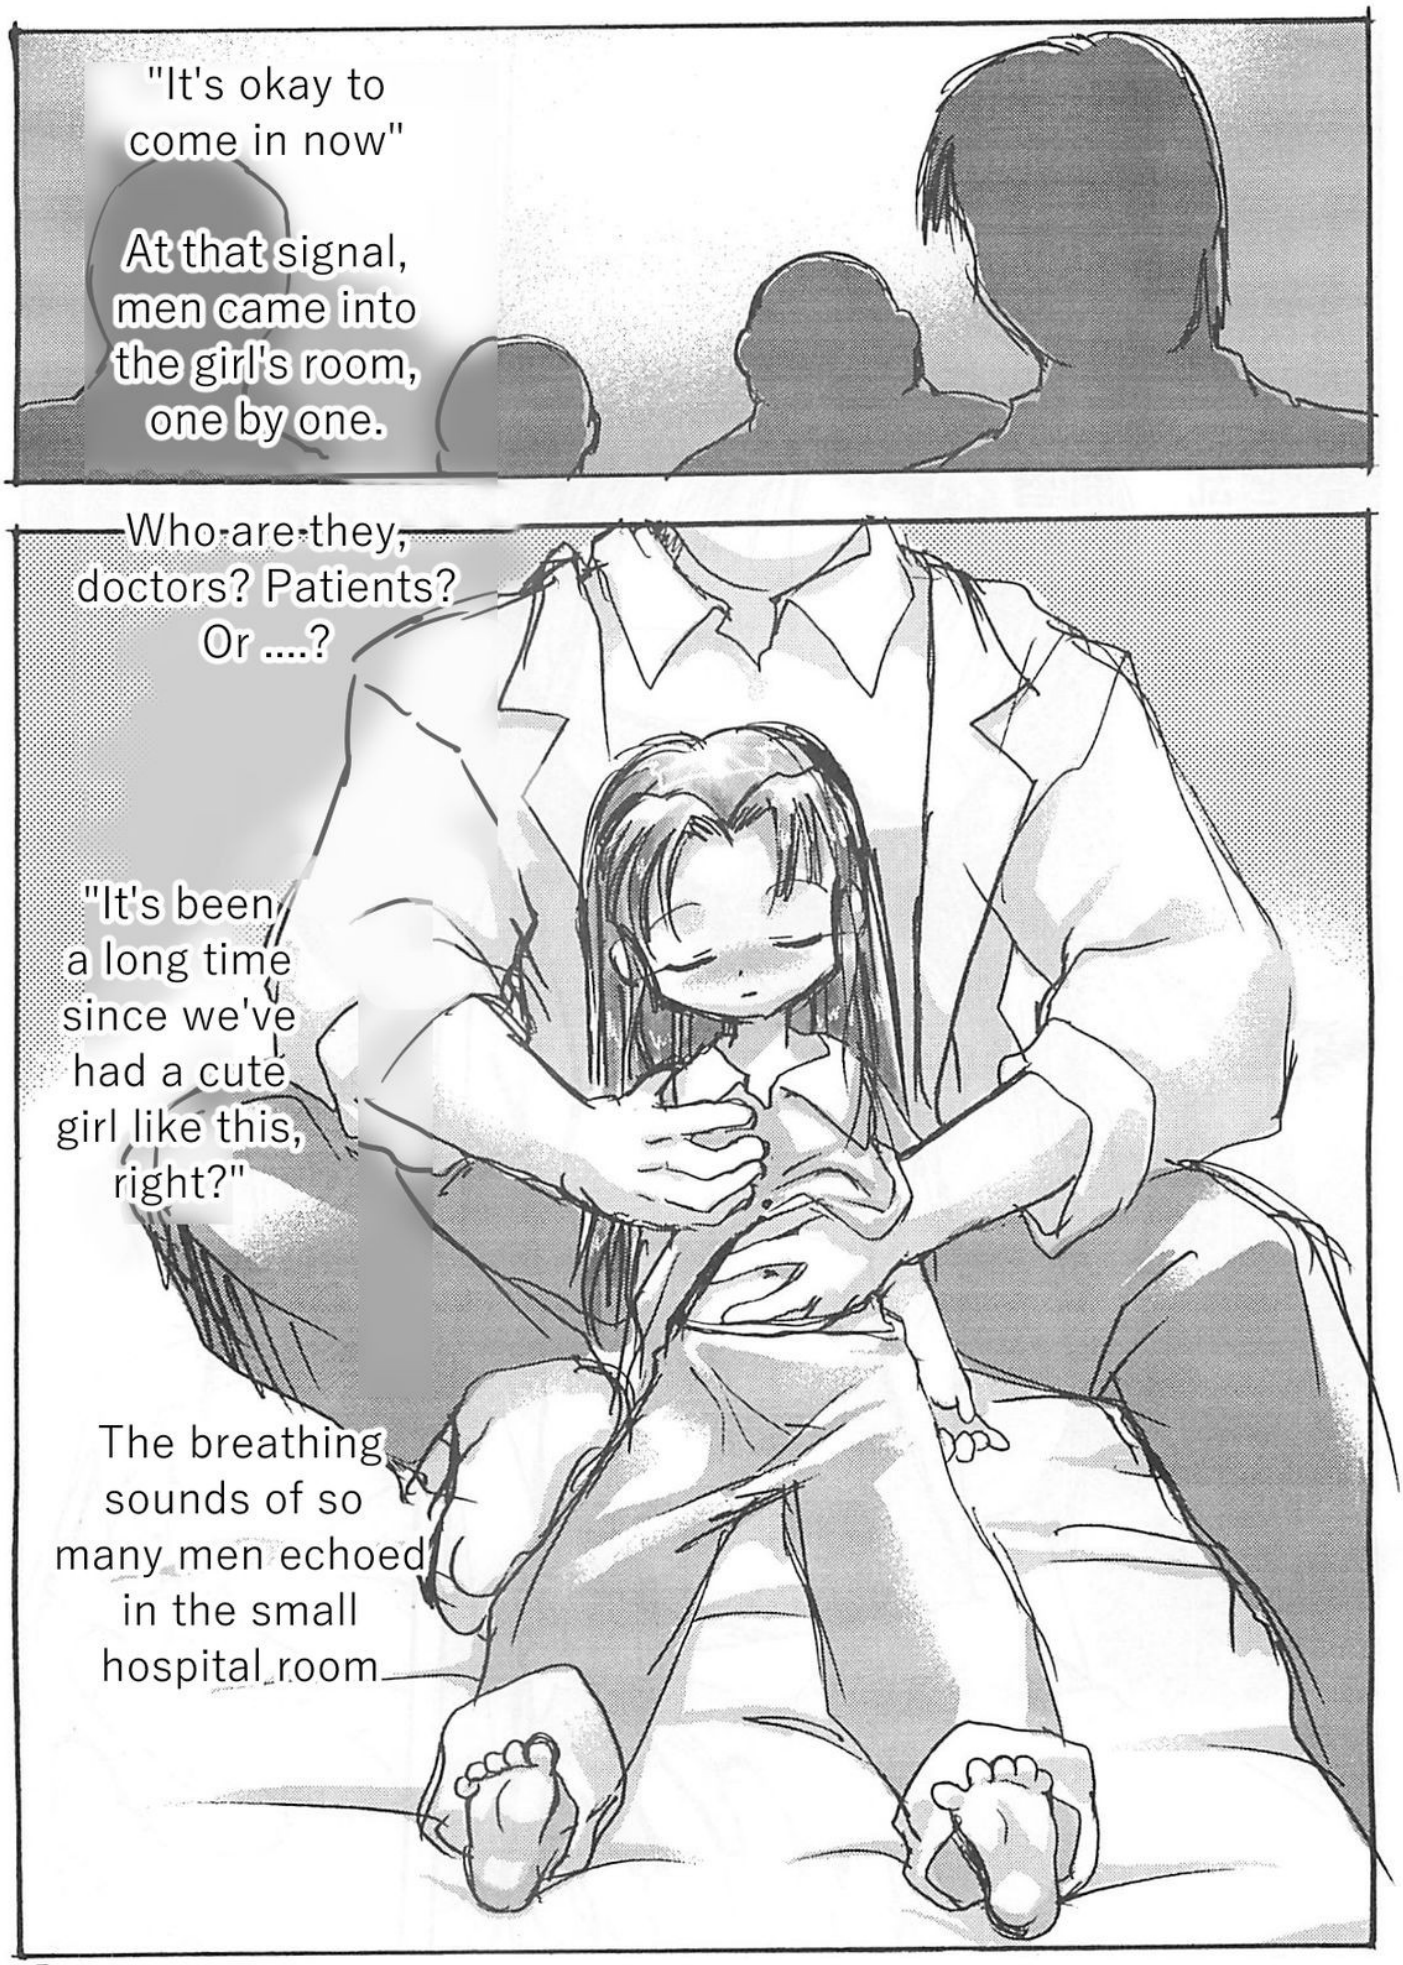

(Adults Only)

Night,
and the
girl was
lonely...

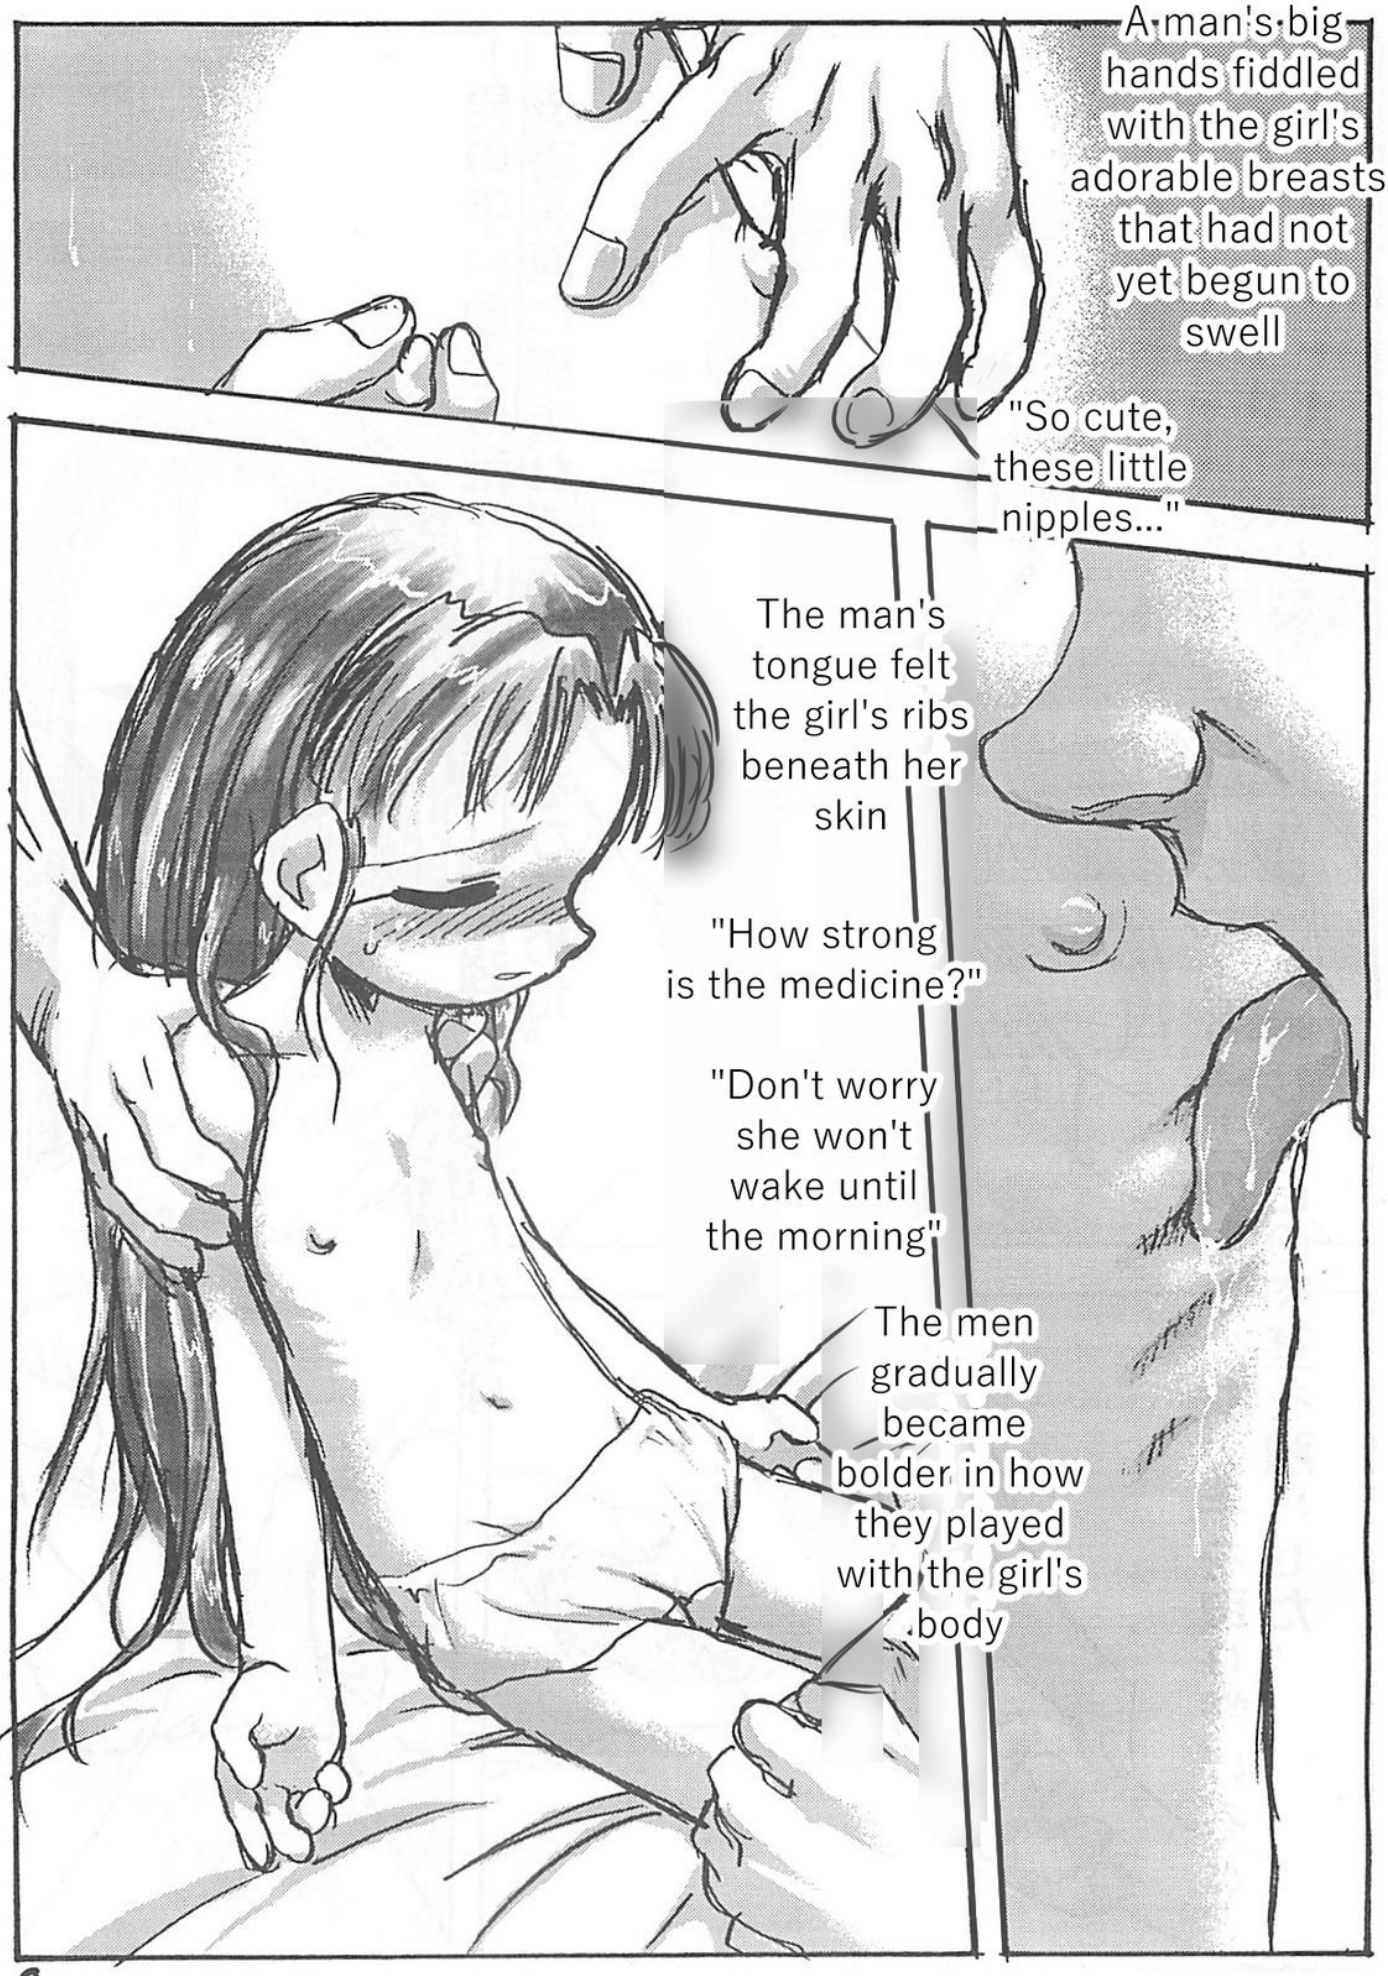

It all started when she was admitted to a certain hospital ...
コッ
コッ
She was hospitalised to be examined, due to "suspicion of having an incurable disease"

There were no visitors allowed at night
For the first time, the girl spent the night without her mother
In an empty dark room...
In what seemed like an endless silence...
"Hi, Eri-chan"
"Doctor..."

"Here, stick out your tongue and say blehh"
"Can't sleep?"
"Yeah"
Everyone's like that when hospitalised for the first time"
"Don't leave the medicine on your tongue, swallow it quick!"
"There you go..."
"See? You can sleep now"

"It's okay to come in now"
At that signal, men came into the girl's room, one by one.
Who are they, doctors? Patients? Or ....?
"It's been a long time since we've had a cute girl like this, right?"
The breathing sounds of so many men echoed in the small hospital room

"Mhmm..."
The sound of the girl's breathing changed slightly
Male hands reached out to her one after another... peeling off her pajamas, stroking her hair, squeezing her thighs
One of the men pressed the girl's lips to his own, forcing his tongue between her teeth to taste her saliva

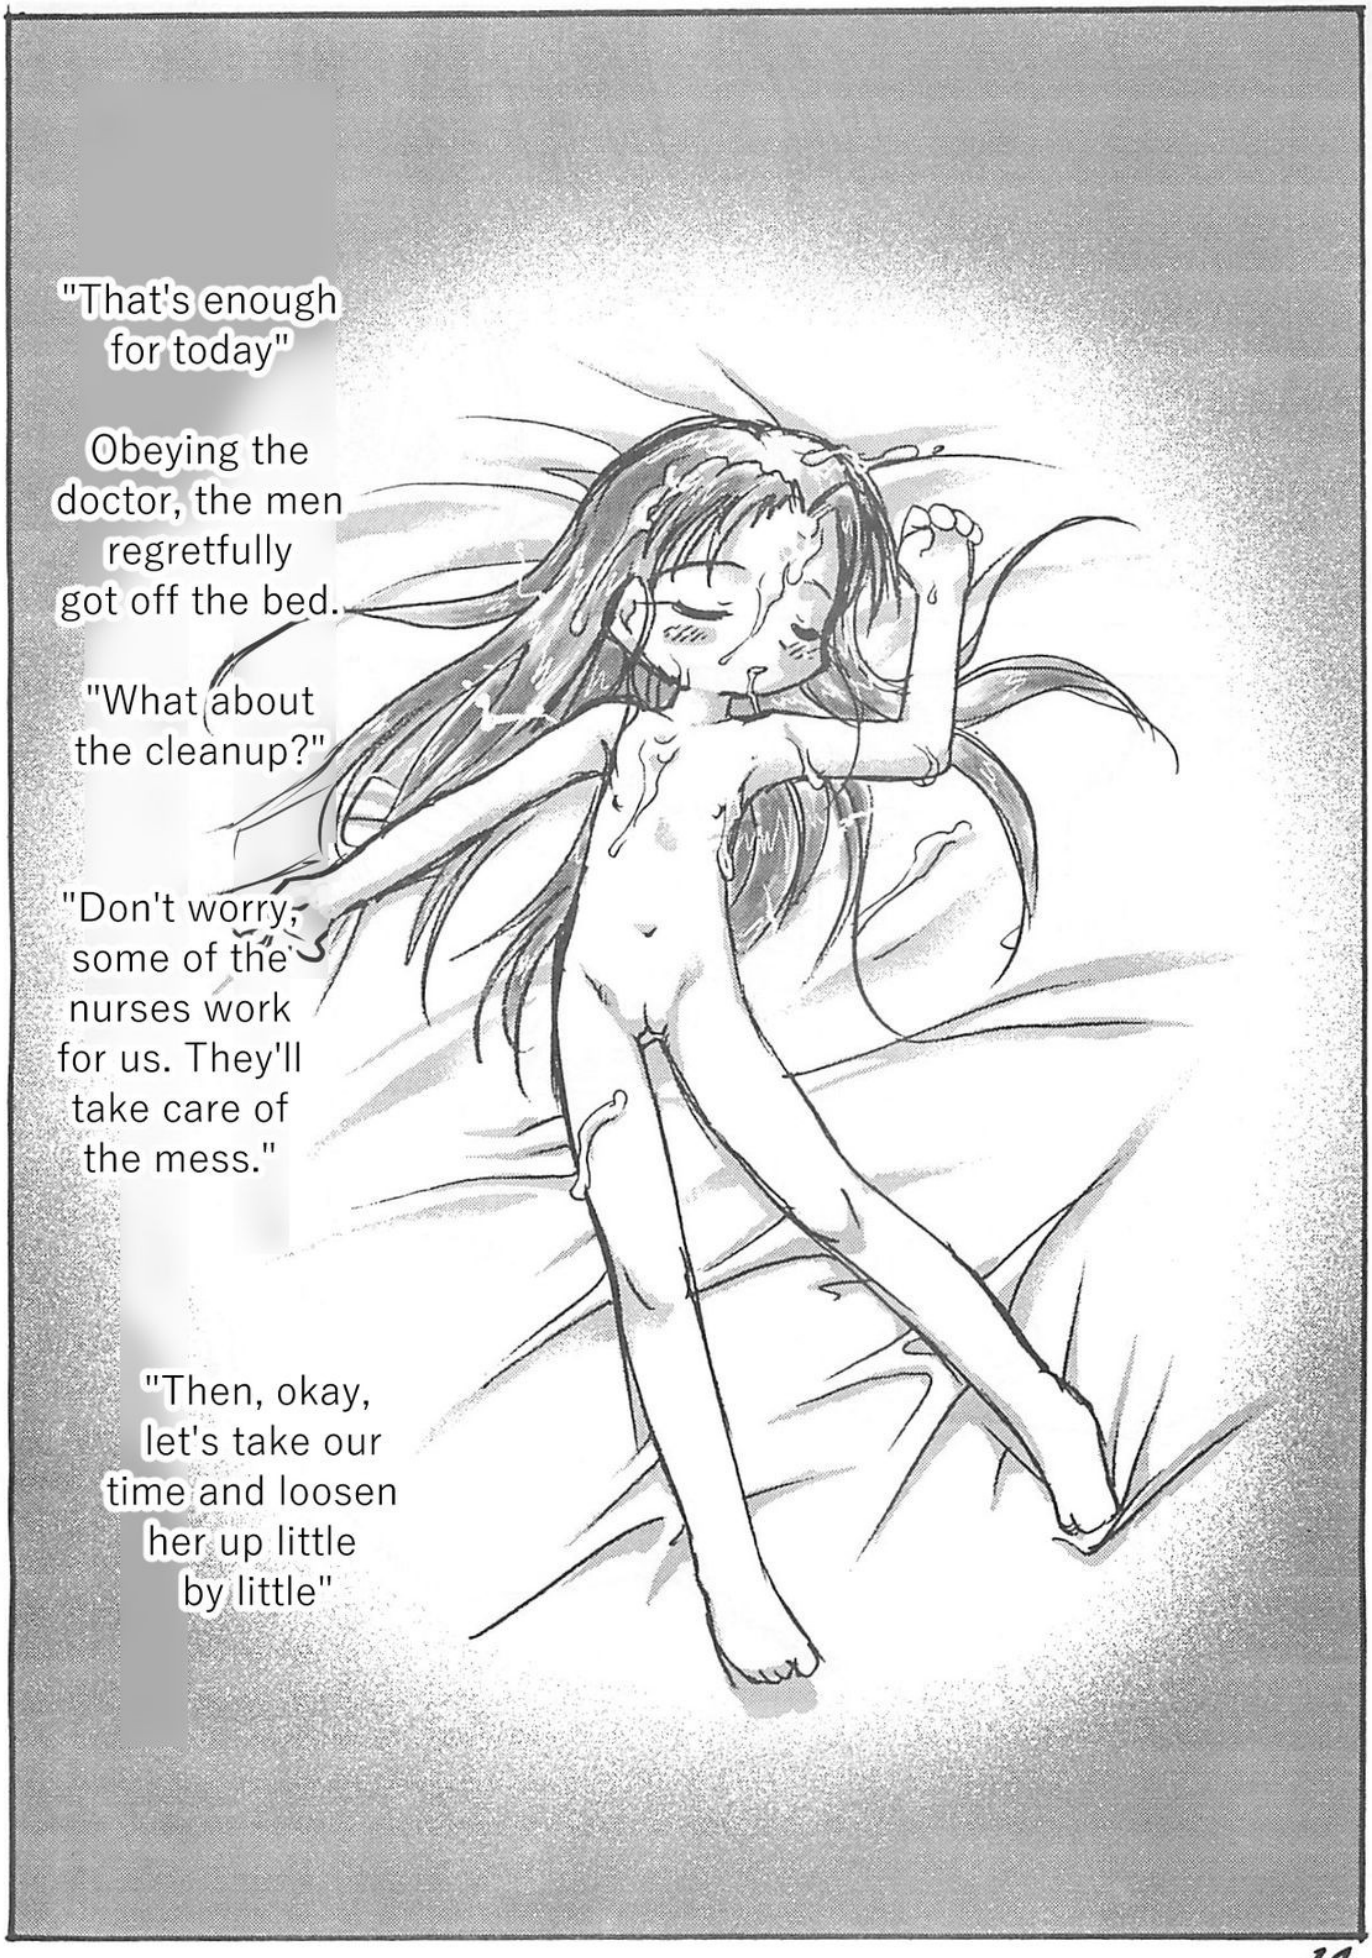

A man's big hands fiddled with the girl's adorable breasts, that had not yet begun to swell
"So cute, these little nipples..."
The man's tongue felt the girl's ribs beneath her skin
"How strong is the medicine?"
"Don't worry she won't wake until the morning"
The men gradually became bolder in how they played with the girl's body

One man harshly grabbed the girl's chest, firmly sqeezing at her skin
The girl frowned at the pain
Another man ran out of patience, picked up the girl's hand and placed it on his engorged shaft

Perhaps inspired by that man, the other men also began to make their move
One man took hold of his penis and began to stroke himself while looking at her lovely sleeping face.
Another man slid off the girl's girl's panties, down to her ankle, and began to play with her young bud...
"Oh, it's so beautiful"
The man gave a gasp of admiration, spreading out her petals with his fingers

"This scent... what a wonderful scent. The scent of a child before puberty, still unaware of their sexual parts..."
The man licked in between her legs, enjoying himself
A slightly muffled cry leaked out of the girl's lips, as the tongue caressed her hooded clitoris, urethra, and vaginal opening.
Her voice brought the men to an excited climax, spurting hot semen on to the girl's face and hands

"Ohhh, it's still coming out...!"
The man who had soiled the girl's hair pushed the tip of his penis, still ejaculating, into the girl's mouth.
"Uhh... kufu.."
The semen filled the inside of the girl's mouth.
When finally satisfied, he lifted his penis from her mouth, and a sticky trail spilled out linking him to her little tongue and teeth

"That's enough for today"
Obeying the doctor, the men regretfully got off the bed.
"What about the cleanup?"
"Don't worry, some of the nurses work for us. They'll take care of the mess."
"Then, okay, let's take our time and loosen her up little by little"

Next morning, when the girl woke up, the hospital room was back to normal.

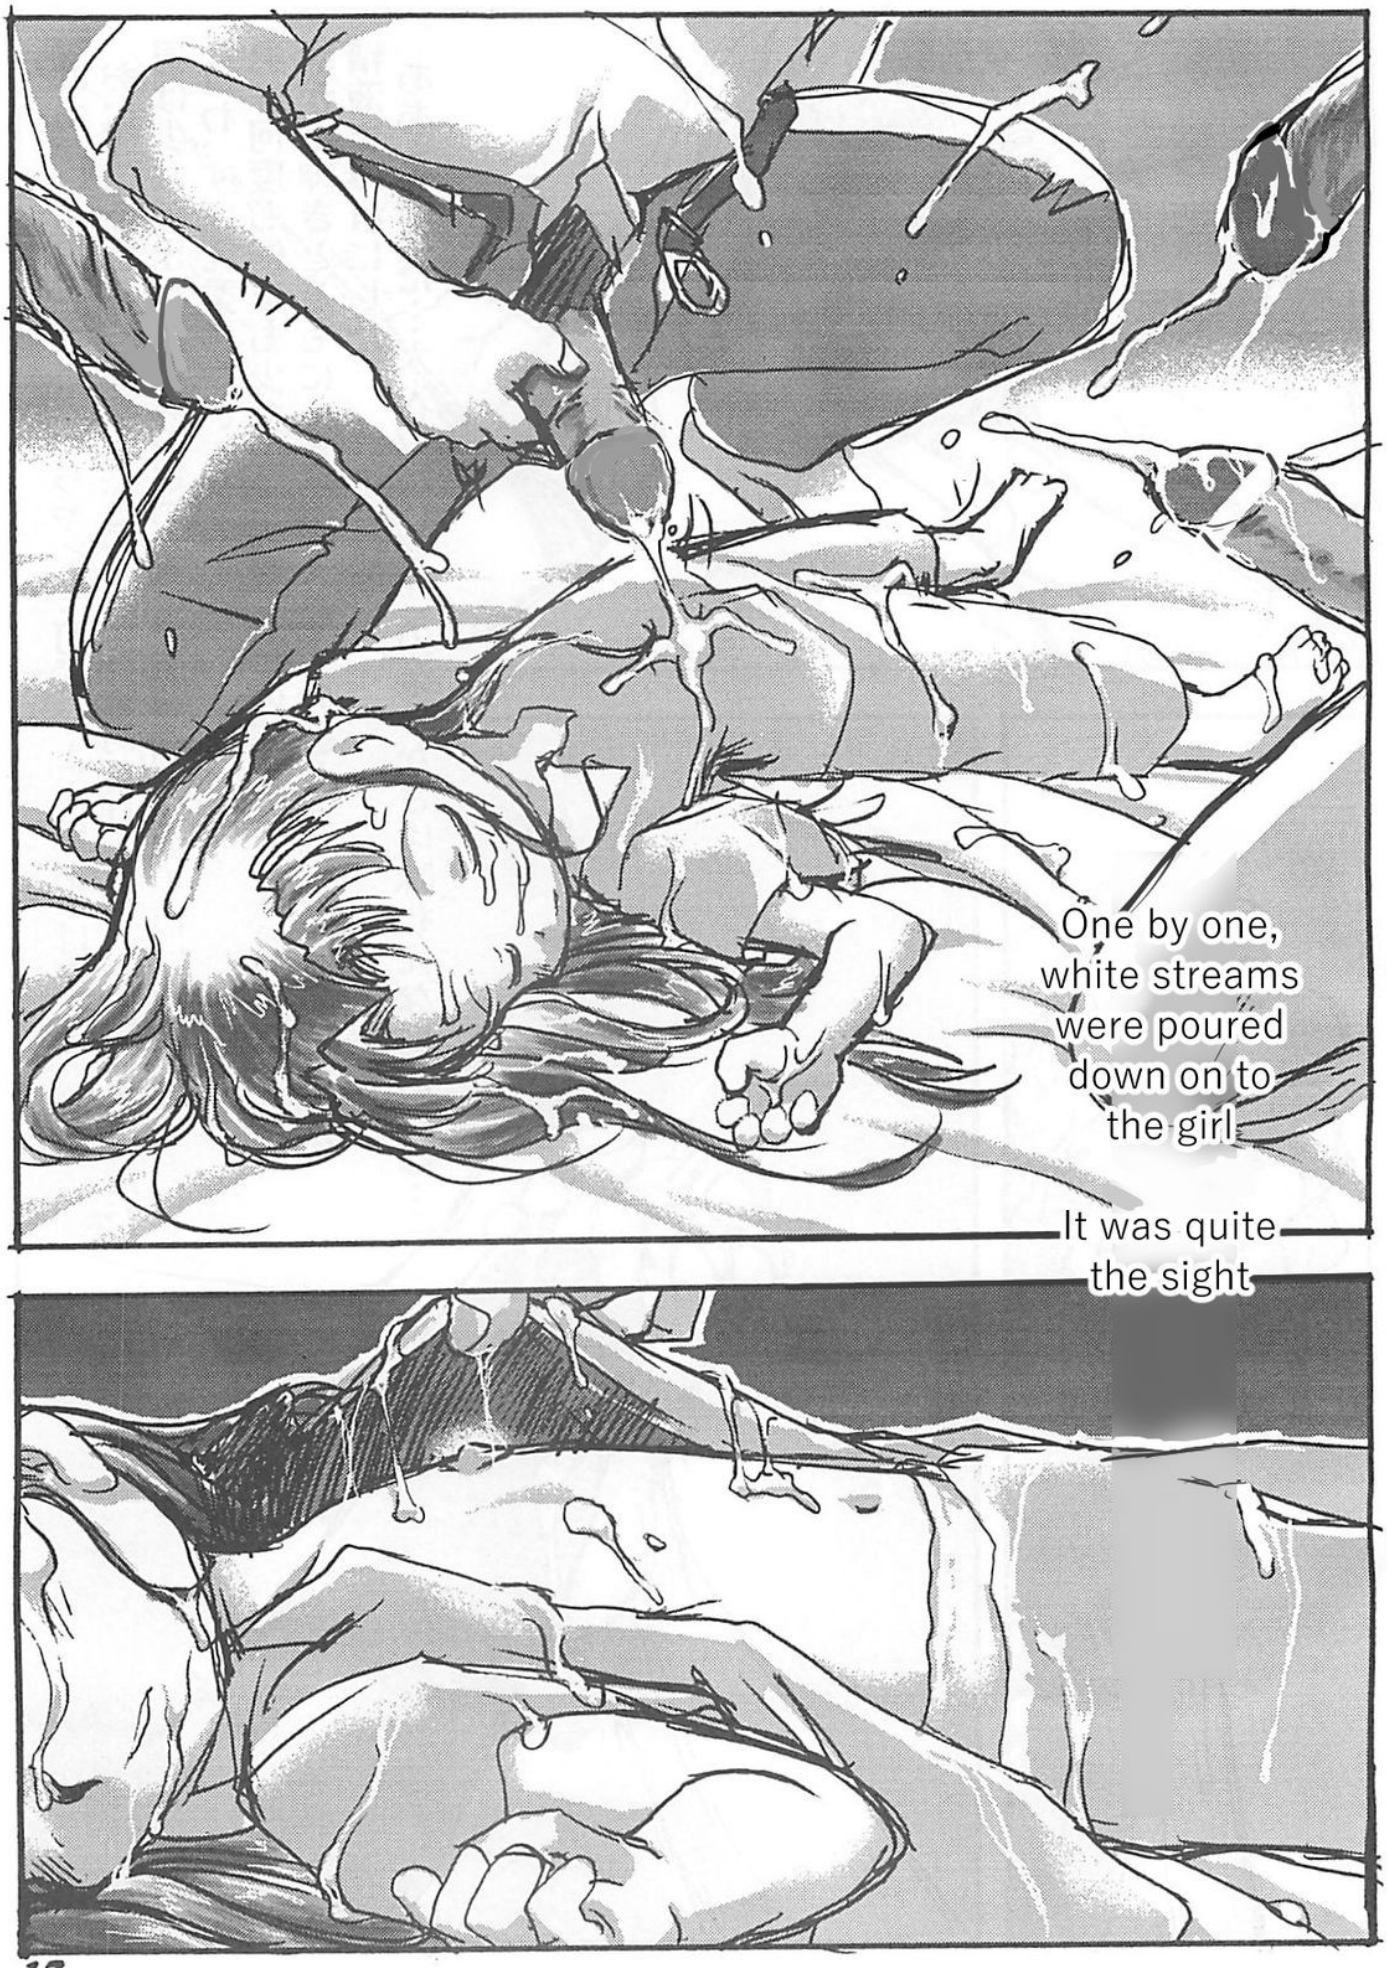

Her body and hair had been carefully cleaned, and the sheets covered with semen had been replaced, leaving nothing, not even an odor.

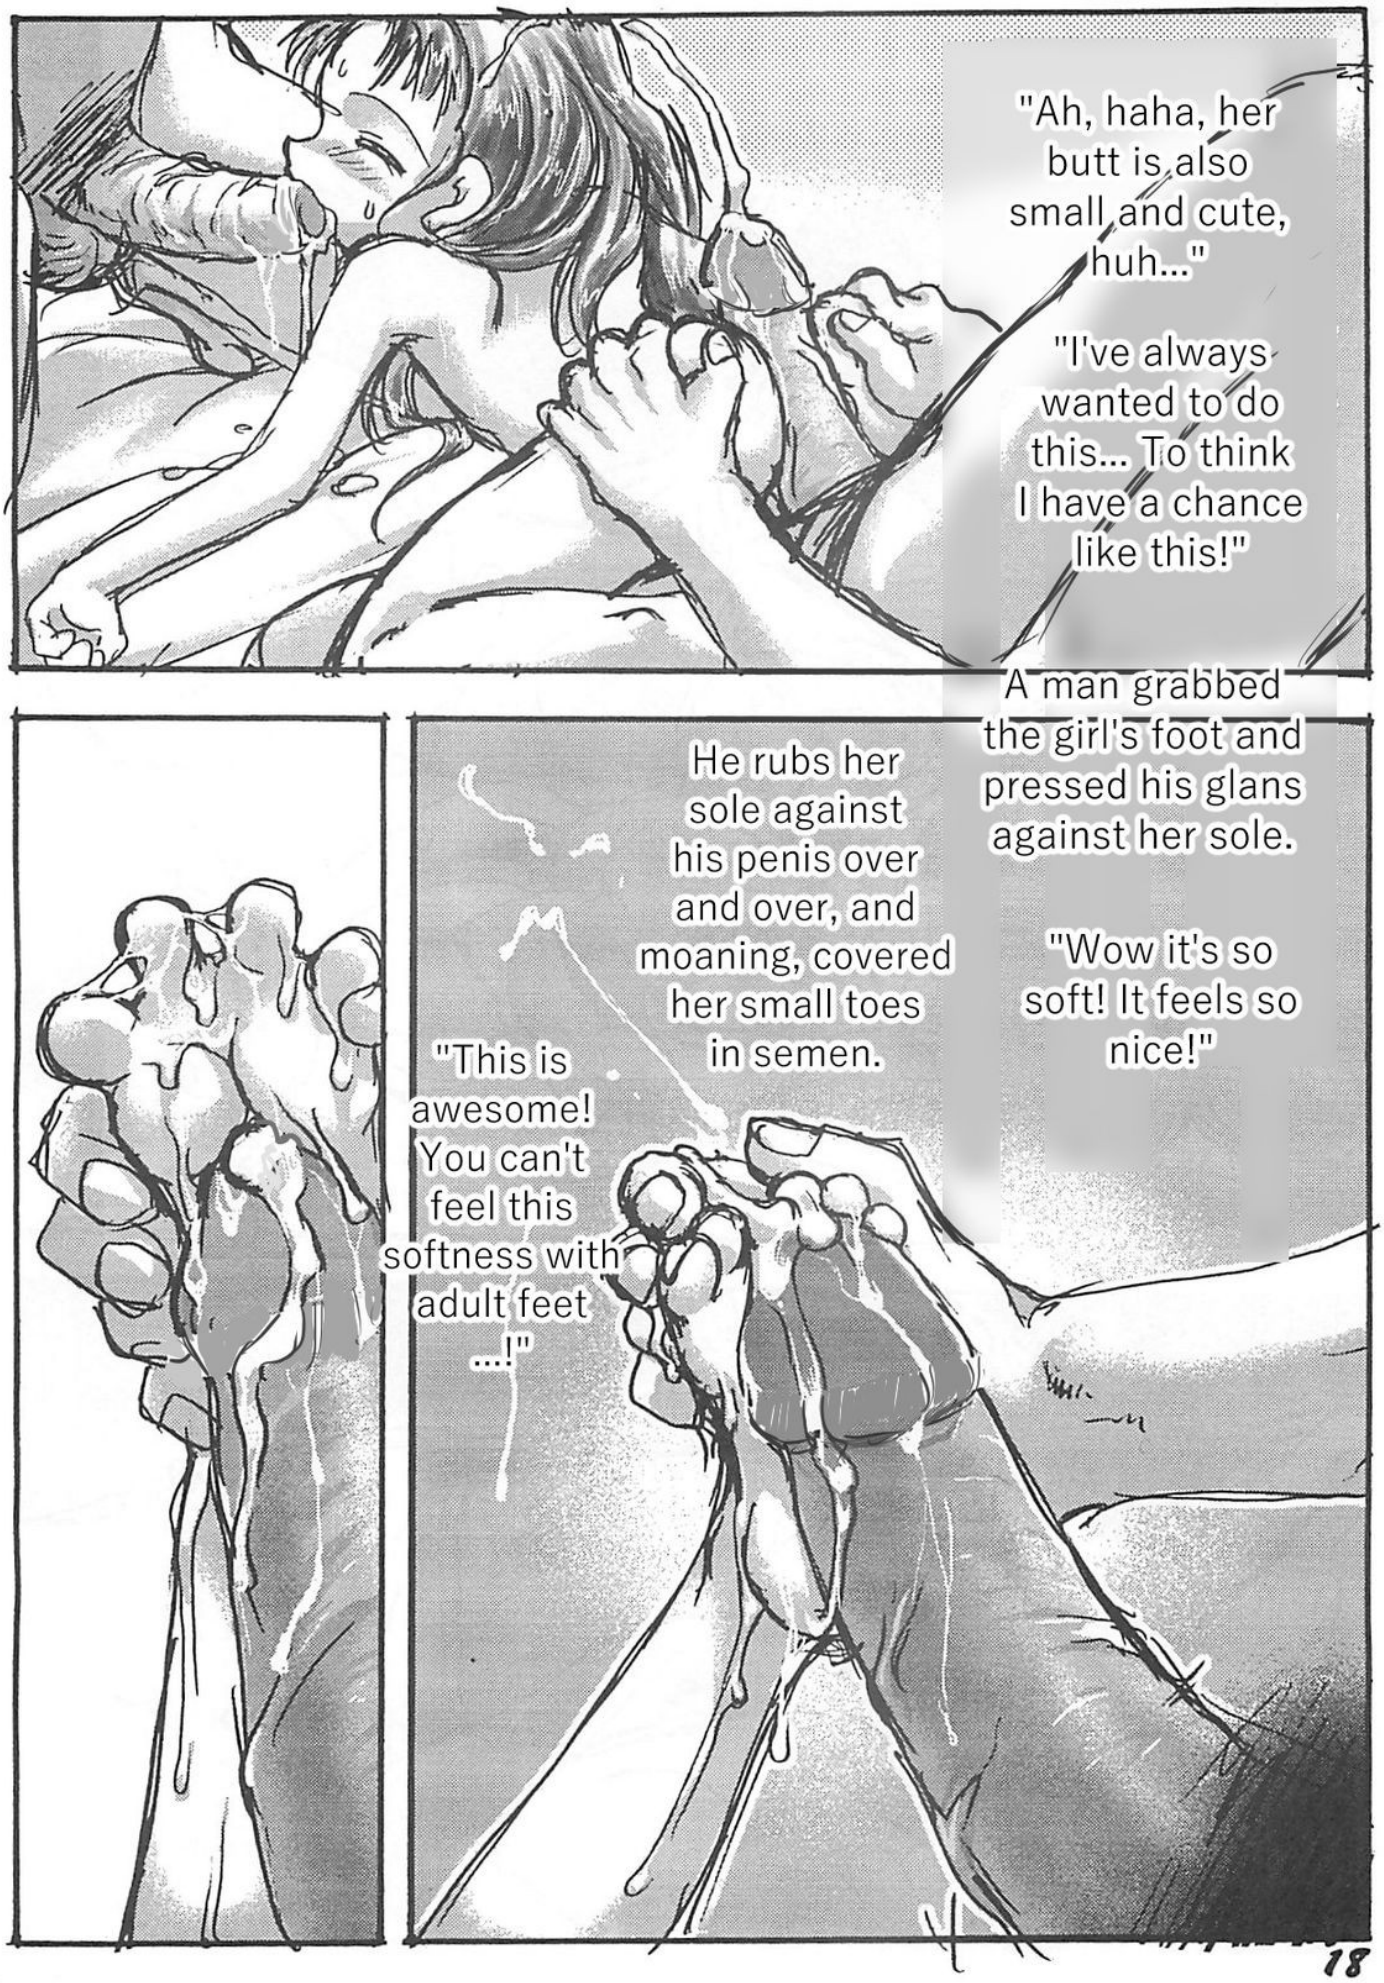

Of course, the girl remembered nothing of the events of the night.

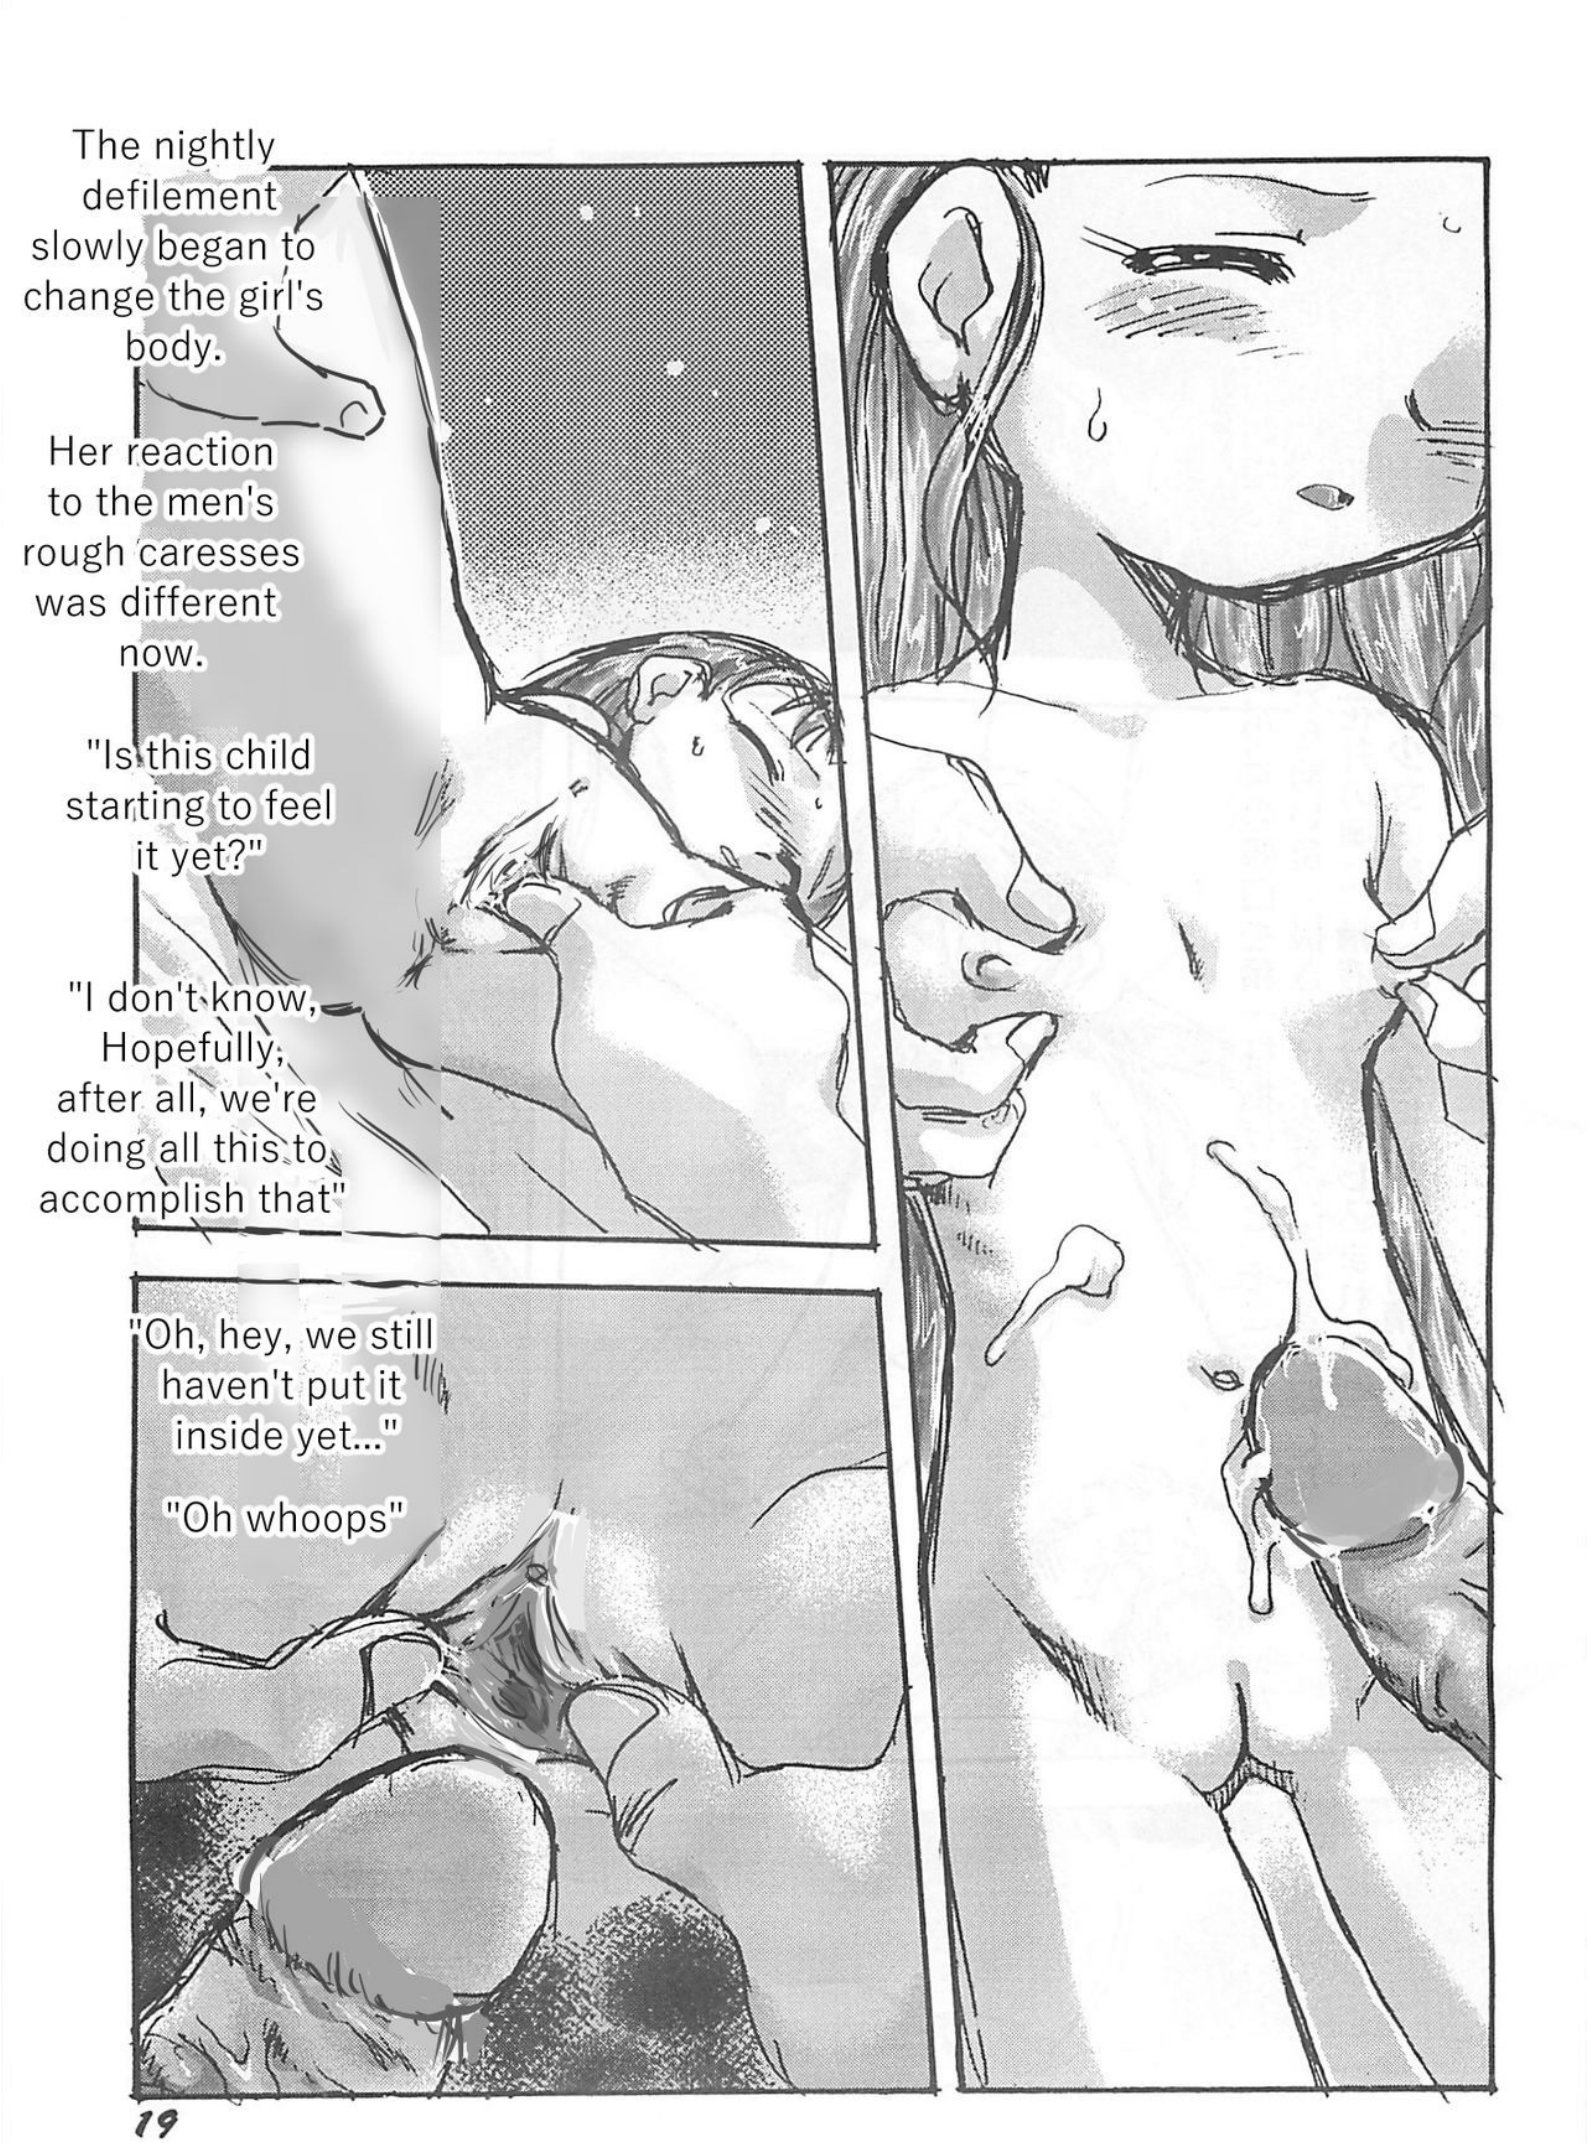

But the words of the nurse who brought her breakfast struck her as odd.

"Sorry..."

Each night, the men put the girl to sleep, and her little body became their plaything.
"My kids wear the same pajamas as these, so let's cum on her while she's still wearing them today"
Semen poured onto the girl's chest and under the hem of her pants
Each time she twisted in pleasure, the mucus on the cloth and her skin made a sticky noise

One by one,
white streams
were poured
down on to
the girl
It was quite
the sight

"Ah, haha, her butt is also small and cute, huh..."
"I've always wanted to do this... To think I have a chance like this!"
A man grabbed the girl's foot and pressed his glans against her sole.
"Wow it's so soft! It feels so nice!"
He rubs her sole against his penis over and over, and moaning, covered her small toes in semen.
"This is awesome! You can't feel this softness with adult feet ...!"

The nightly defilement slowly began to change the girl's body.
Her reaction to the men's rough caresses was different now.
"Is this child starting to feel it yet?"
"I don't know, Hopefully; after all, we're doing all this to accomplish that"
"Oh, hey, we still haven't put it inside yet..."
"Oh whoops"

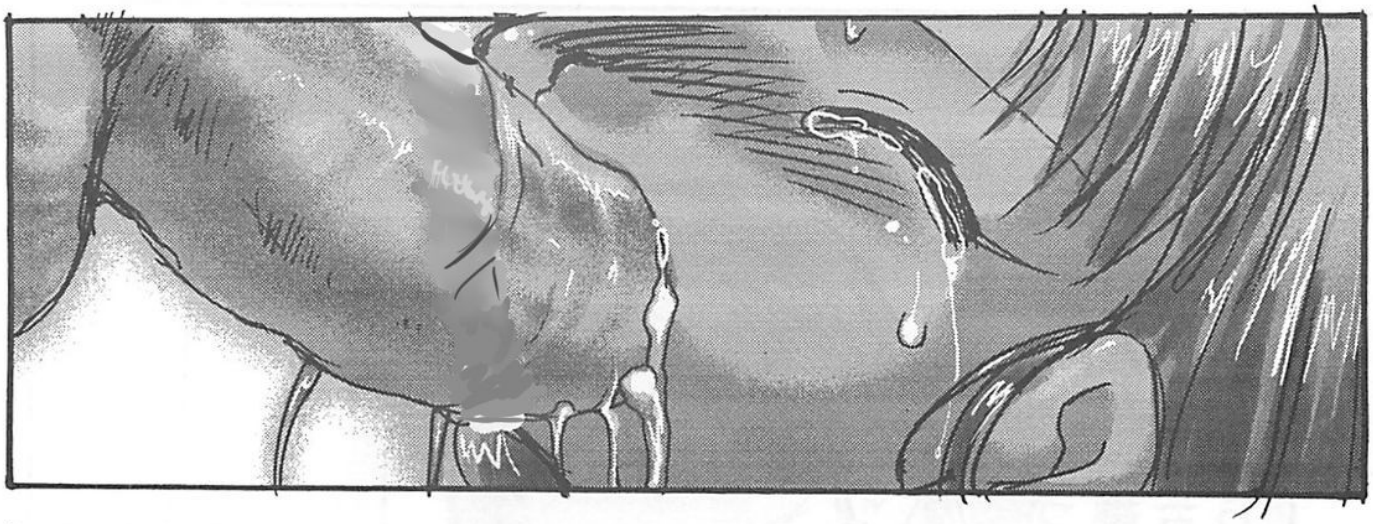

The man took hold, using both thumbs to stretch open the girl's vaginal opening as much as he can.

He nudged the tip of his glans into her entrance and jerked himself off swiftly, ejaculating into the passage.

Semen is poured between the petals of a girl who knows nothing yet of men

Excited by this, another man rubbed his penis against the girl's face, and quickly came

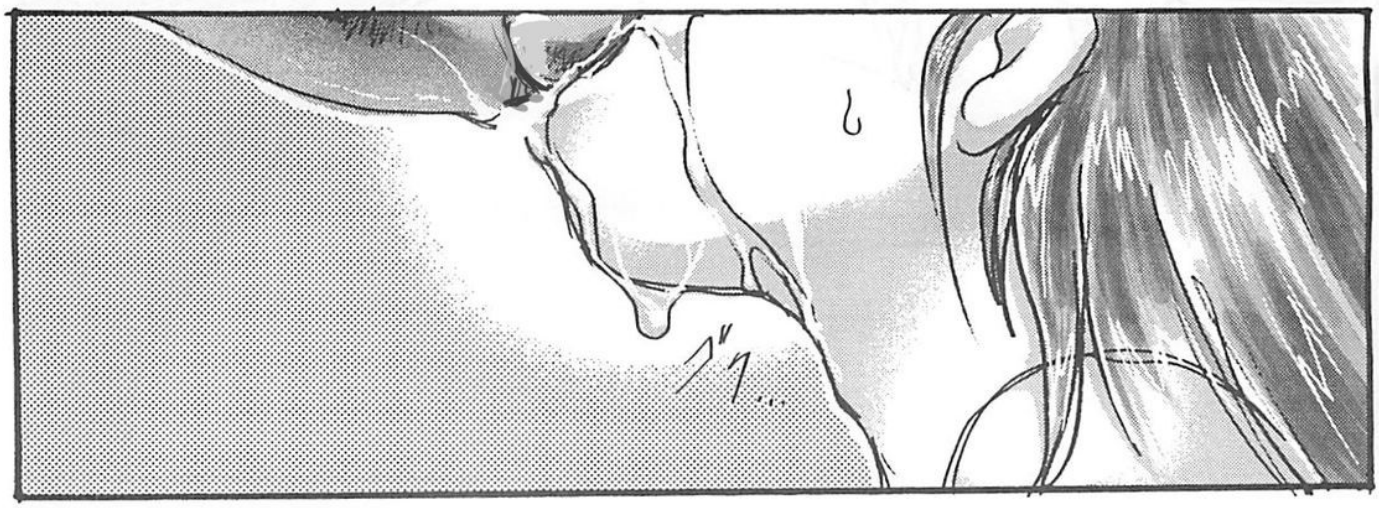

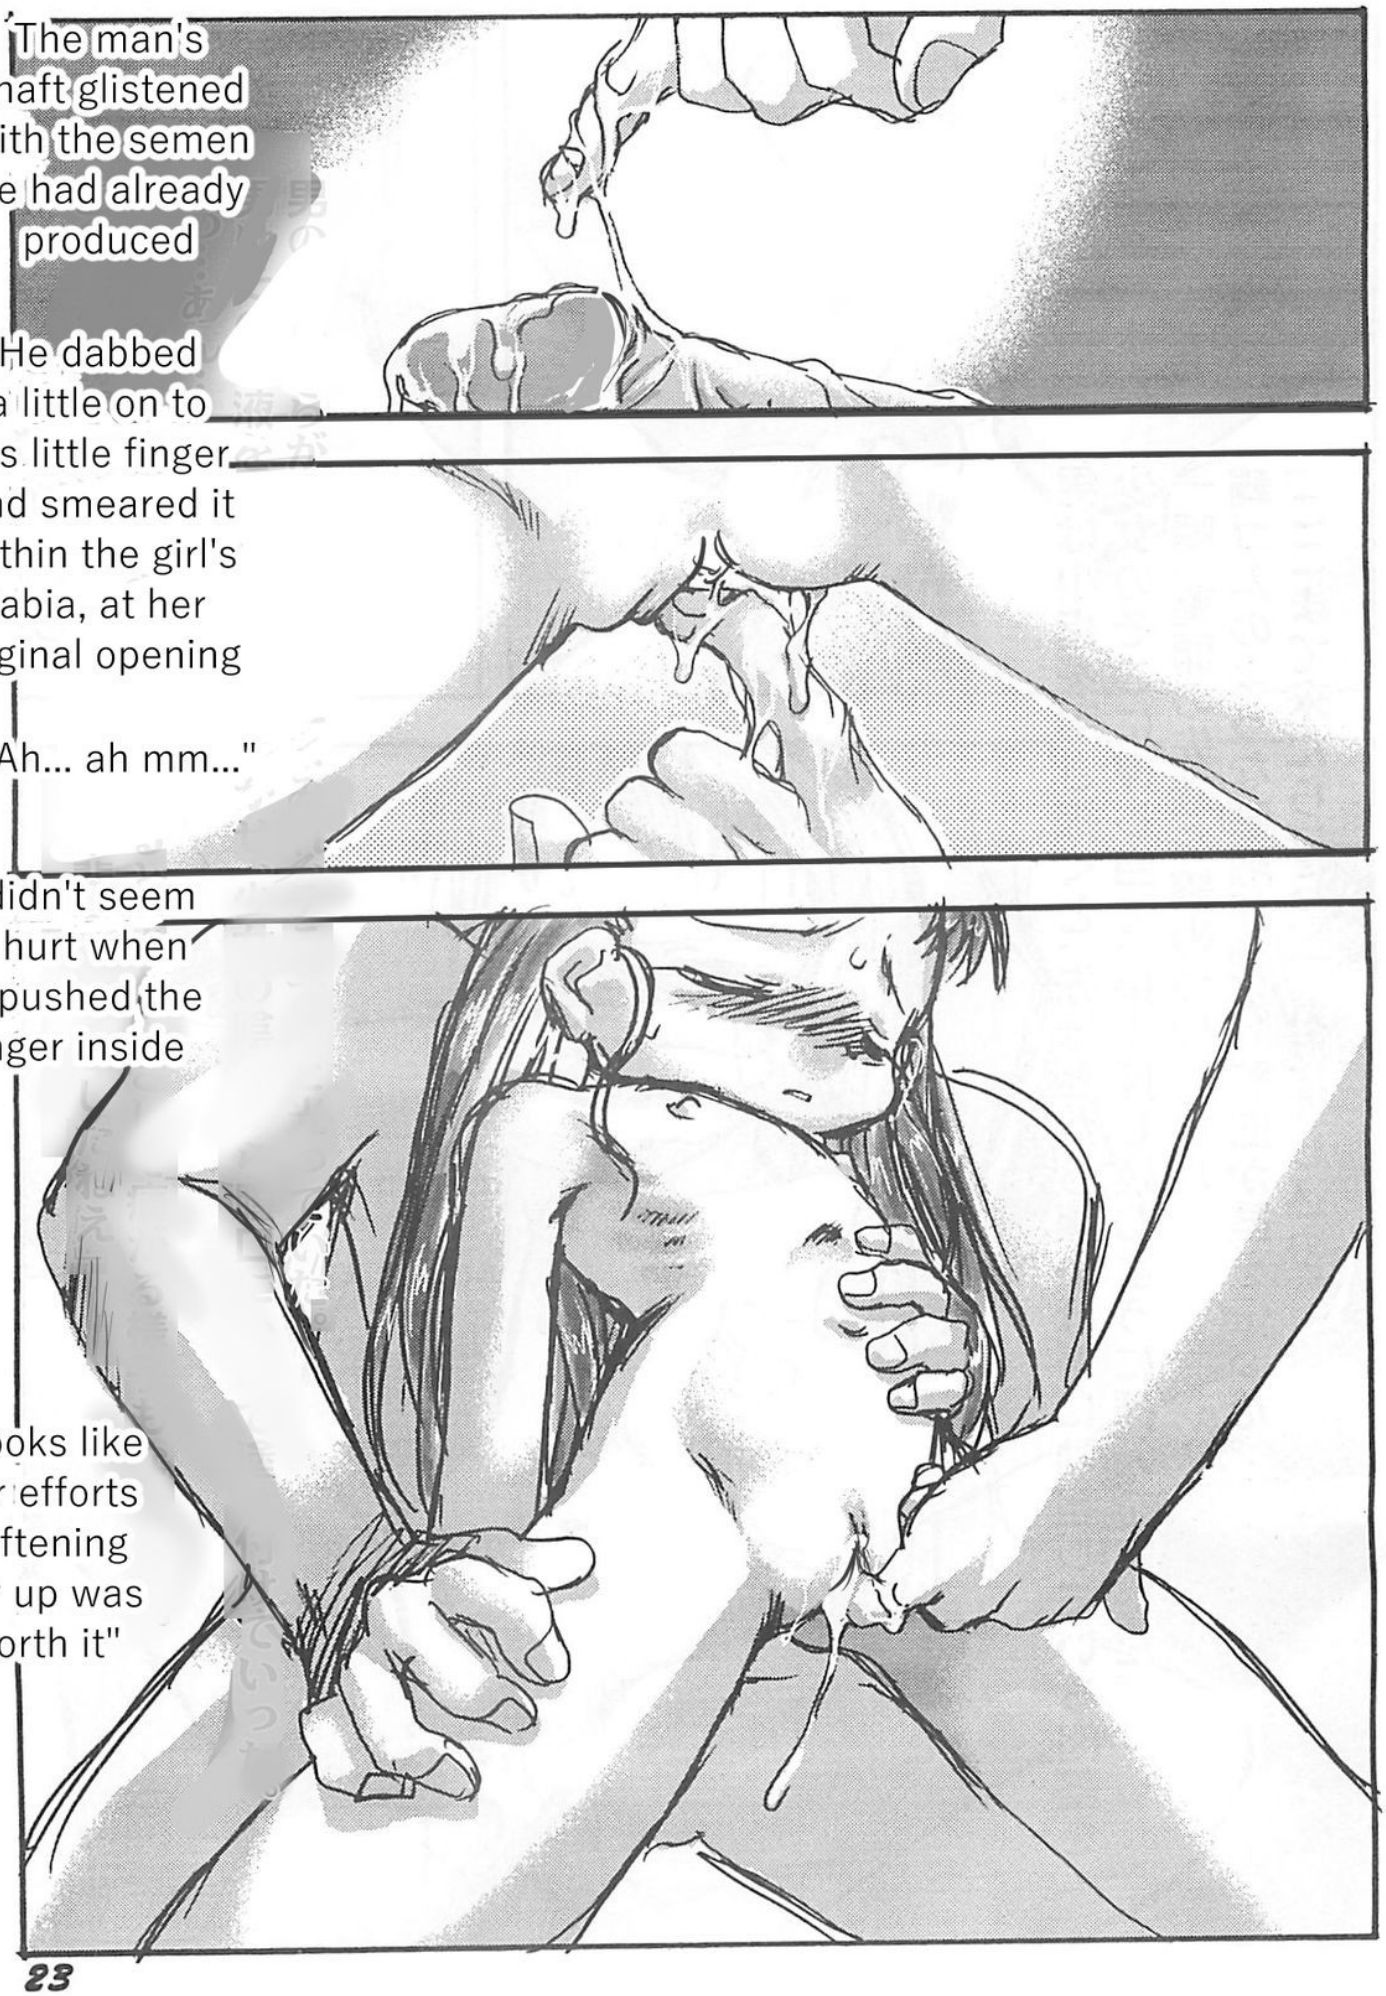

Each night her body was systematically groped
Each night a penis was pushed into her mouth
Each night semen was smeared all over her body

After the men are satisfied, they would leave
her alone in her room, and the next night
they would do it all over again

And then, one night, it was different

"Okay, have we decided on the order?"
"Yes, I'll be the first to ride her"
The girl had already been covered with semen.
One man held her upright, while another stroked himself until he was completely erect

The man's shaft glistened with the semen he had already produced
He dabbed a little on to his little finger and smeared it within the girl's labia, at her vaginal opening
"Ah... ah mm..."
It didn't seem to hurt when he pushed the finger inside
"Looks like our efforts softening her up was worth it"

The man pulled out his little finger and replaced it with his painfully erect shaft.
He began to push it inside using his hand
A rubber band like sensation tightened on the tip of his glans
Then that feeling loosened, and bright blood ran down his rod.
"You can push the rest in now"

"...!!!"
A scream was about to leak out. A man closed her mouth and stifled it just in time
The girl's body quivered and sweat poured out all over her skin. She couldn't wake up
The man had embedded his glans inside her, but half of the rest still protruded outside
"I...I feel like I'm gonna cum fast if I don't pull out..."
"If you can cum without moving, then do it. If you go too crazy on her first time, she will break."
The girl's breathing was already ragged, and her face was flushed a deep shade of red

The girl's little nipples were erect with tension and pain.
A man pinched and twisted them, and even asleep the girl shook her entire body, weeping and panting.
"Oh she's suddenly tightening!"
Her body was pulsating around the penis impaling her, and with that pleasure, a huge amount of semen erupted into the girl's vagina

Eventually, as the waves of pleasure receded, the man extracted his penis from the girl's sucking vagina
The tip of his glans emerged with a wet sound, and the semen that filled her walls, mixed with blood, dripped thickly on to the sheets

"Wow, today was incredible"

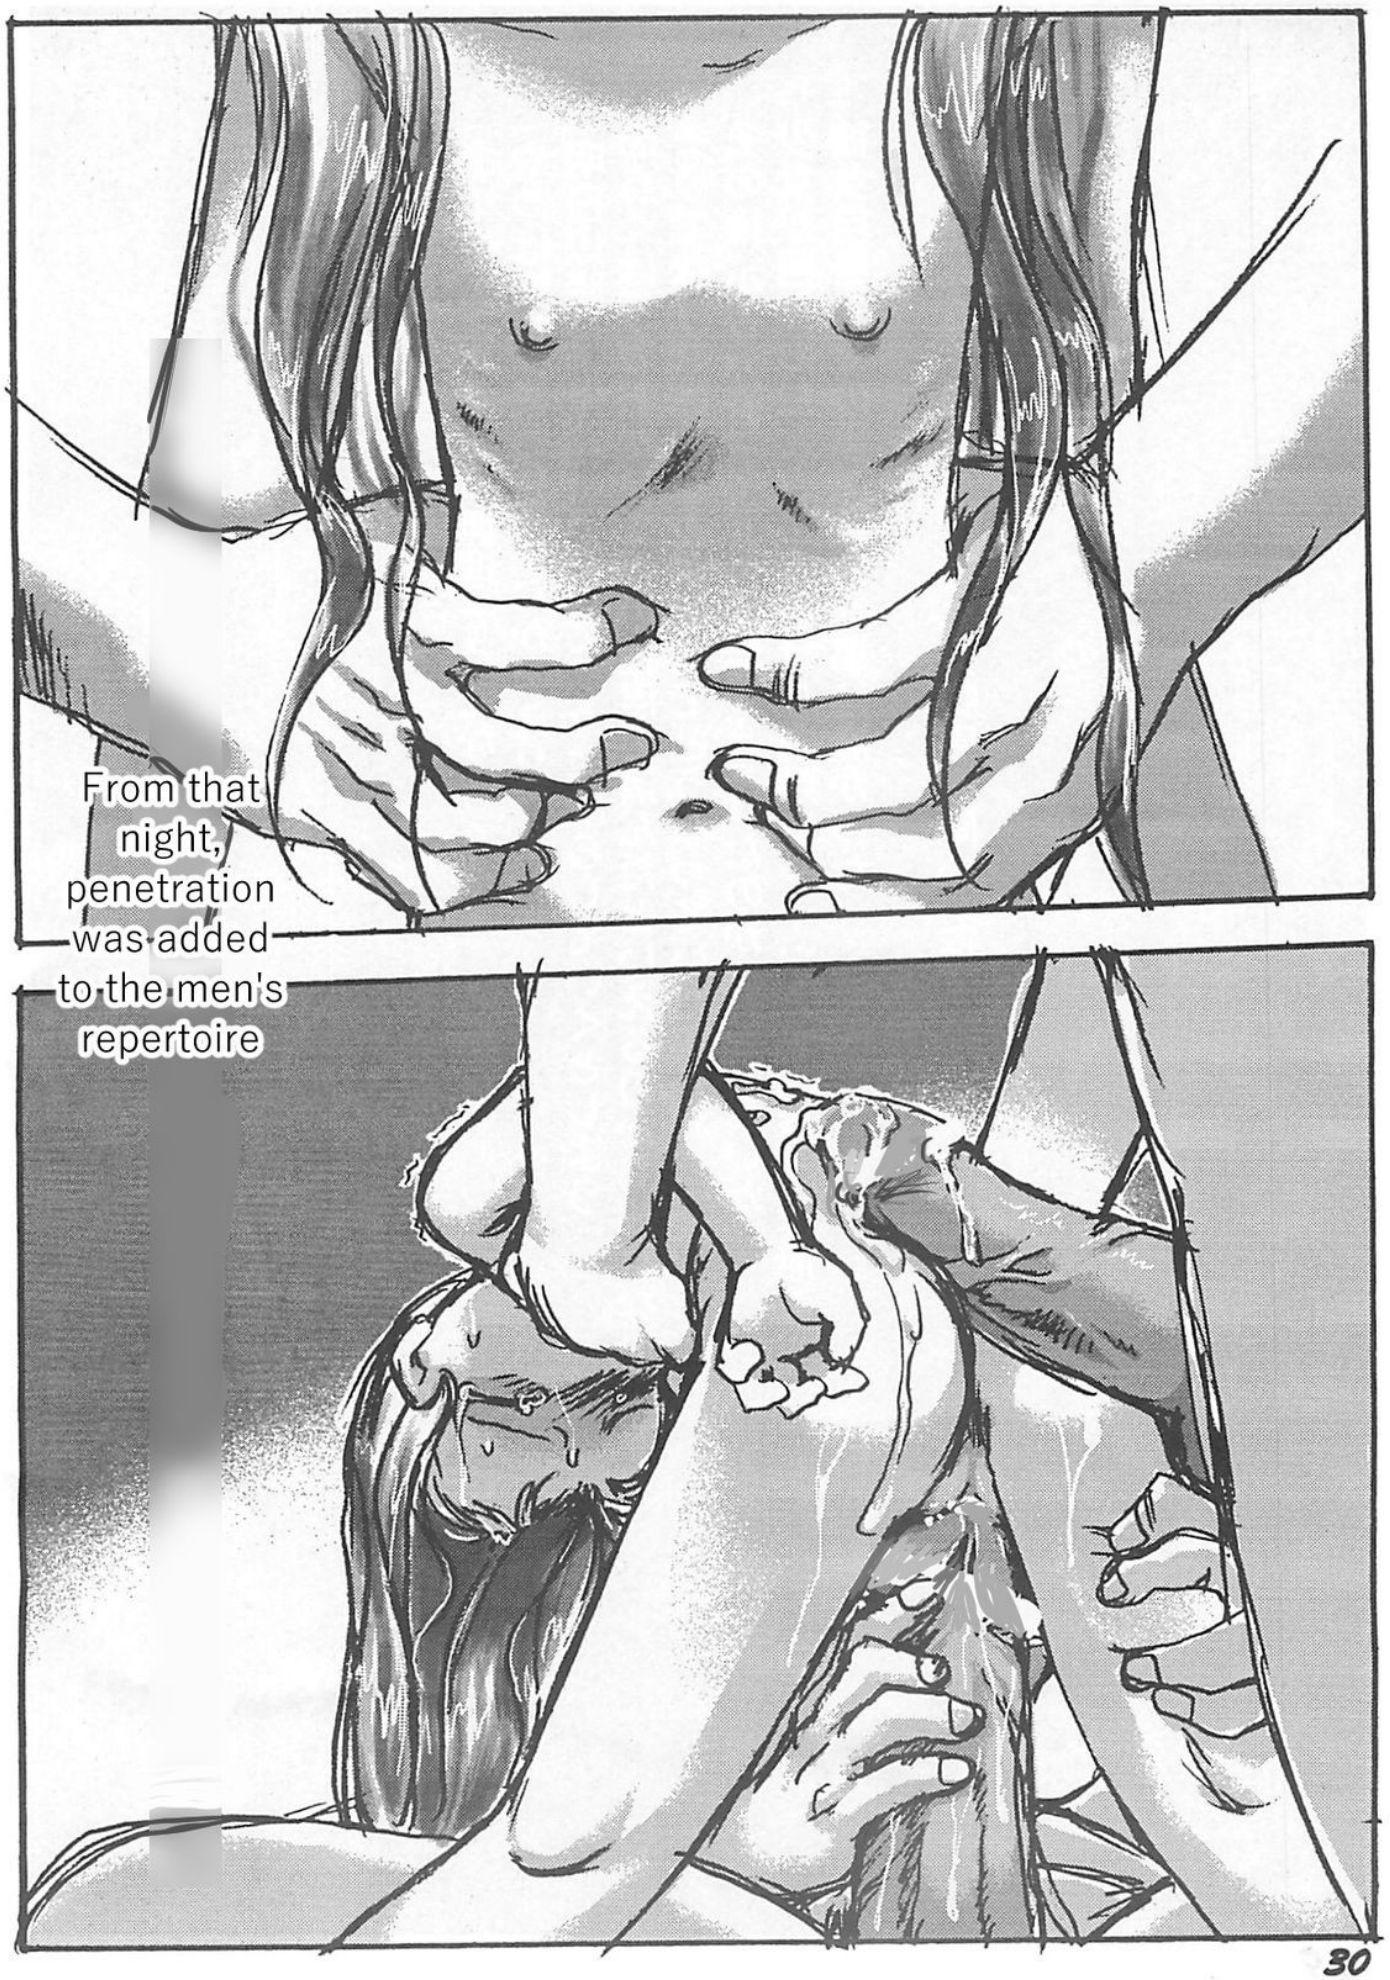

"It's crazy isn't it?"

"From tomorrow onward, we will be focusing her conditioning on getting used to penetration"

Perhaps this was all thanks to the power of the medicine. Without that, she would surely be in shock.

But instead, when the girl woke up, again with no trace on her clothes or sheets, she scarcely noticed...

There was only a residual pain in her hip, and the vague sensation of some foreign body inside...

From that night, penetration was added to the men's repertoire

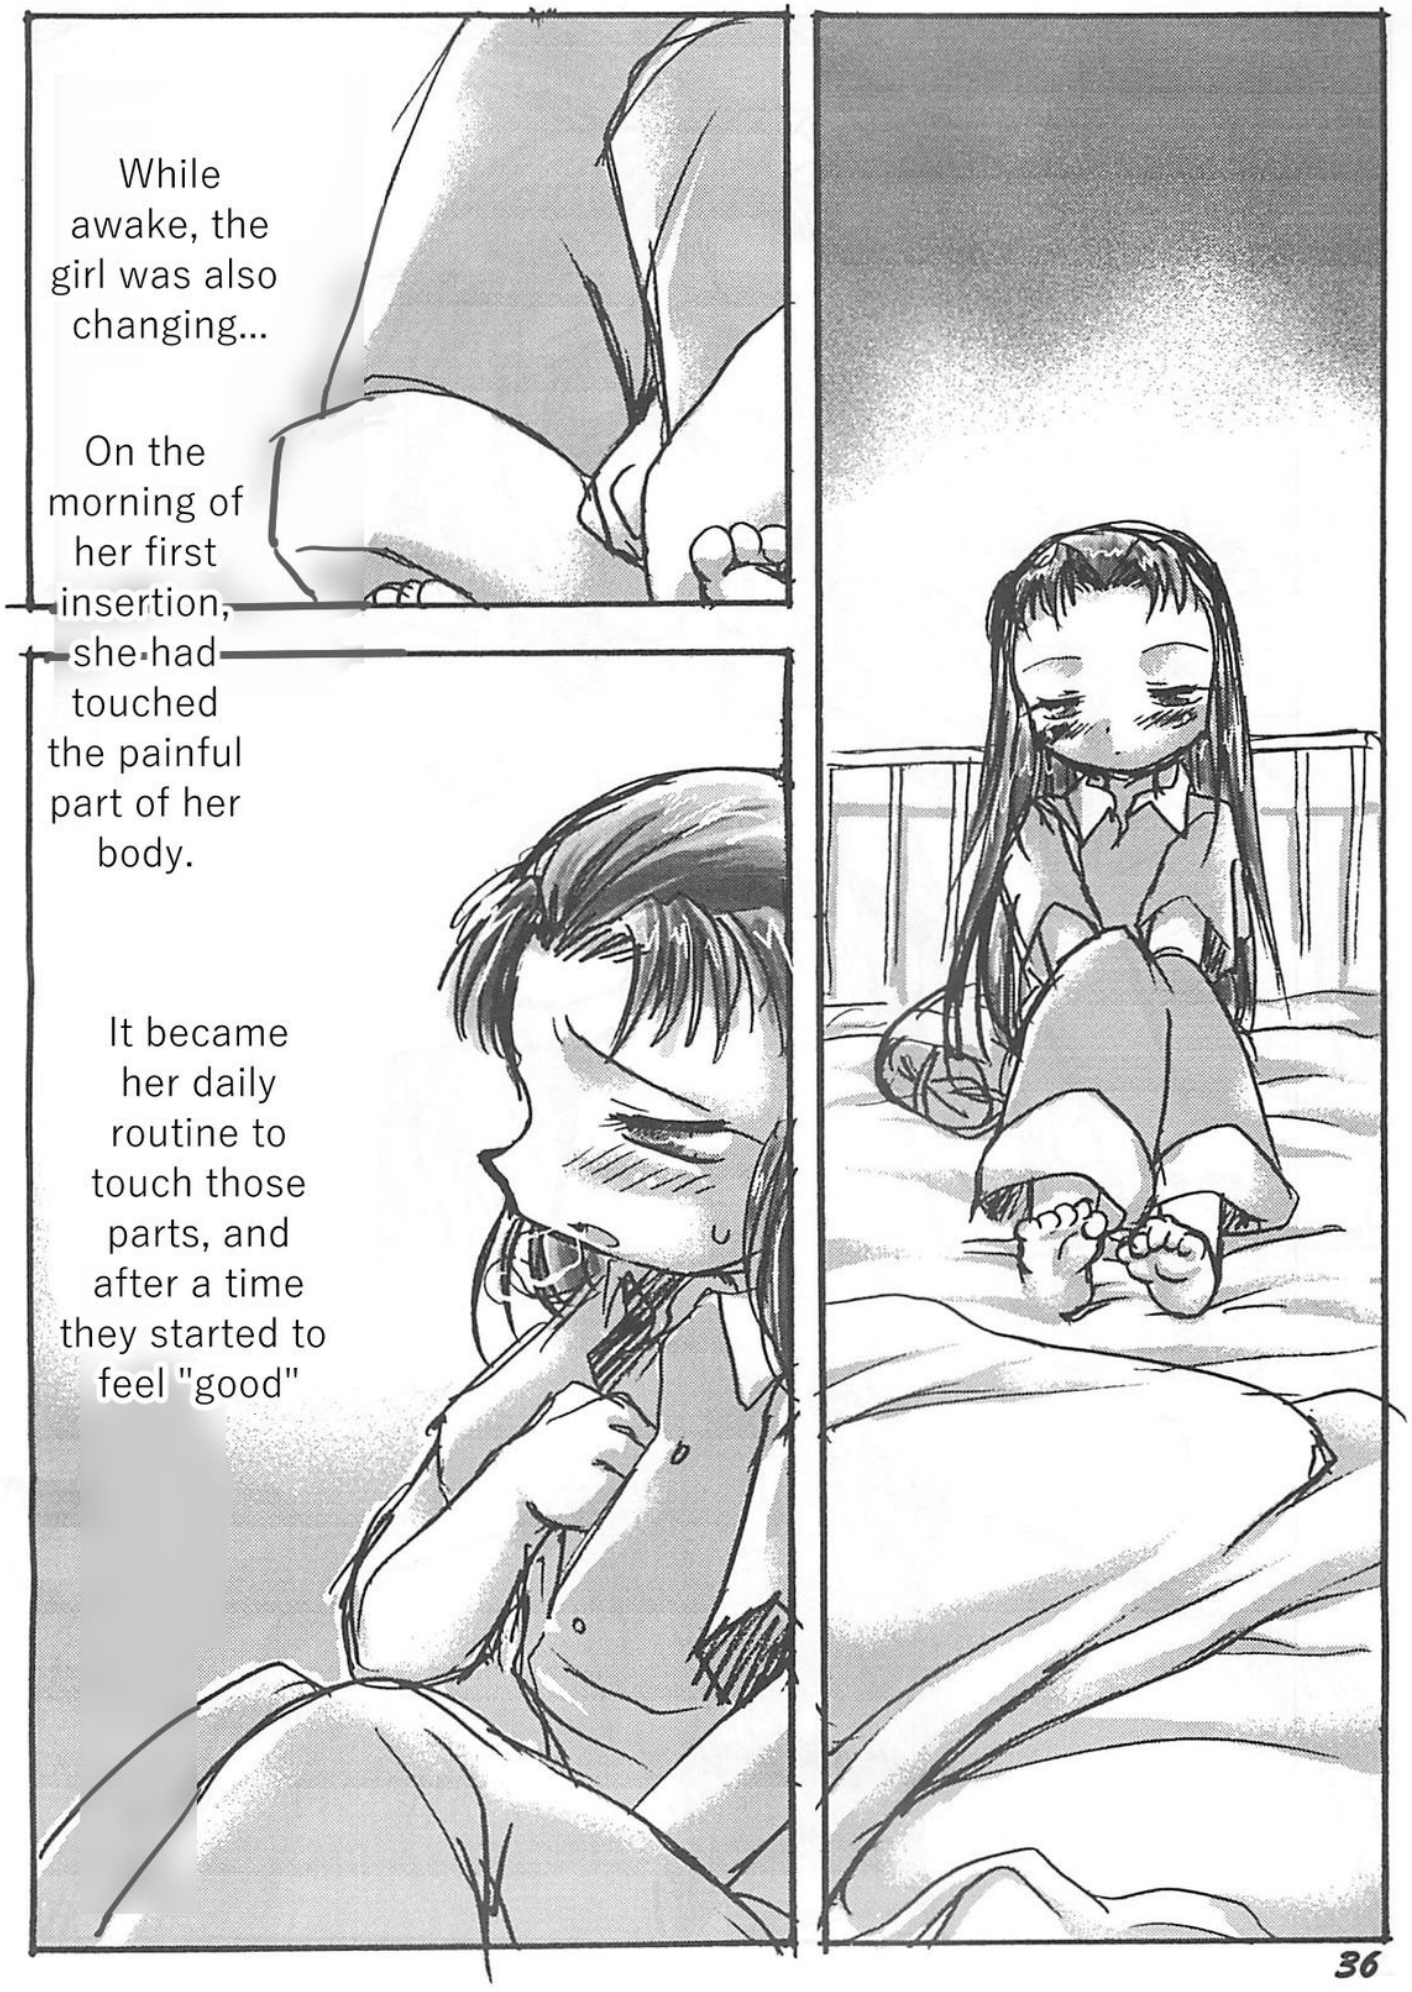

Indeed, they scrambled and fought for their turn to violate the girl...
Even when she had not fully recovered from her lacerations from last night

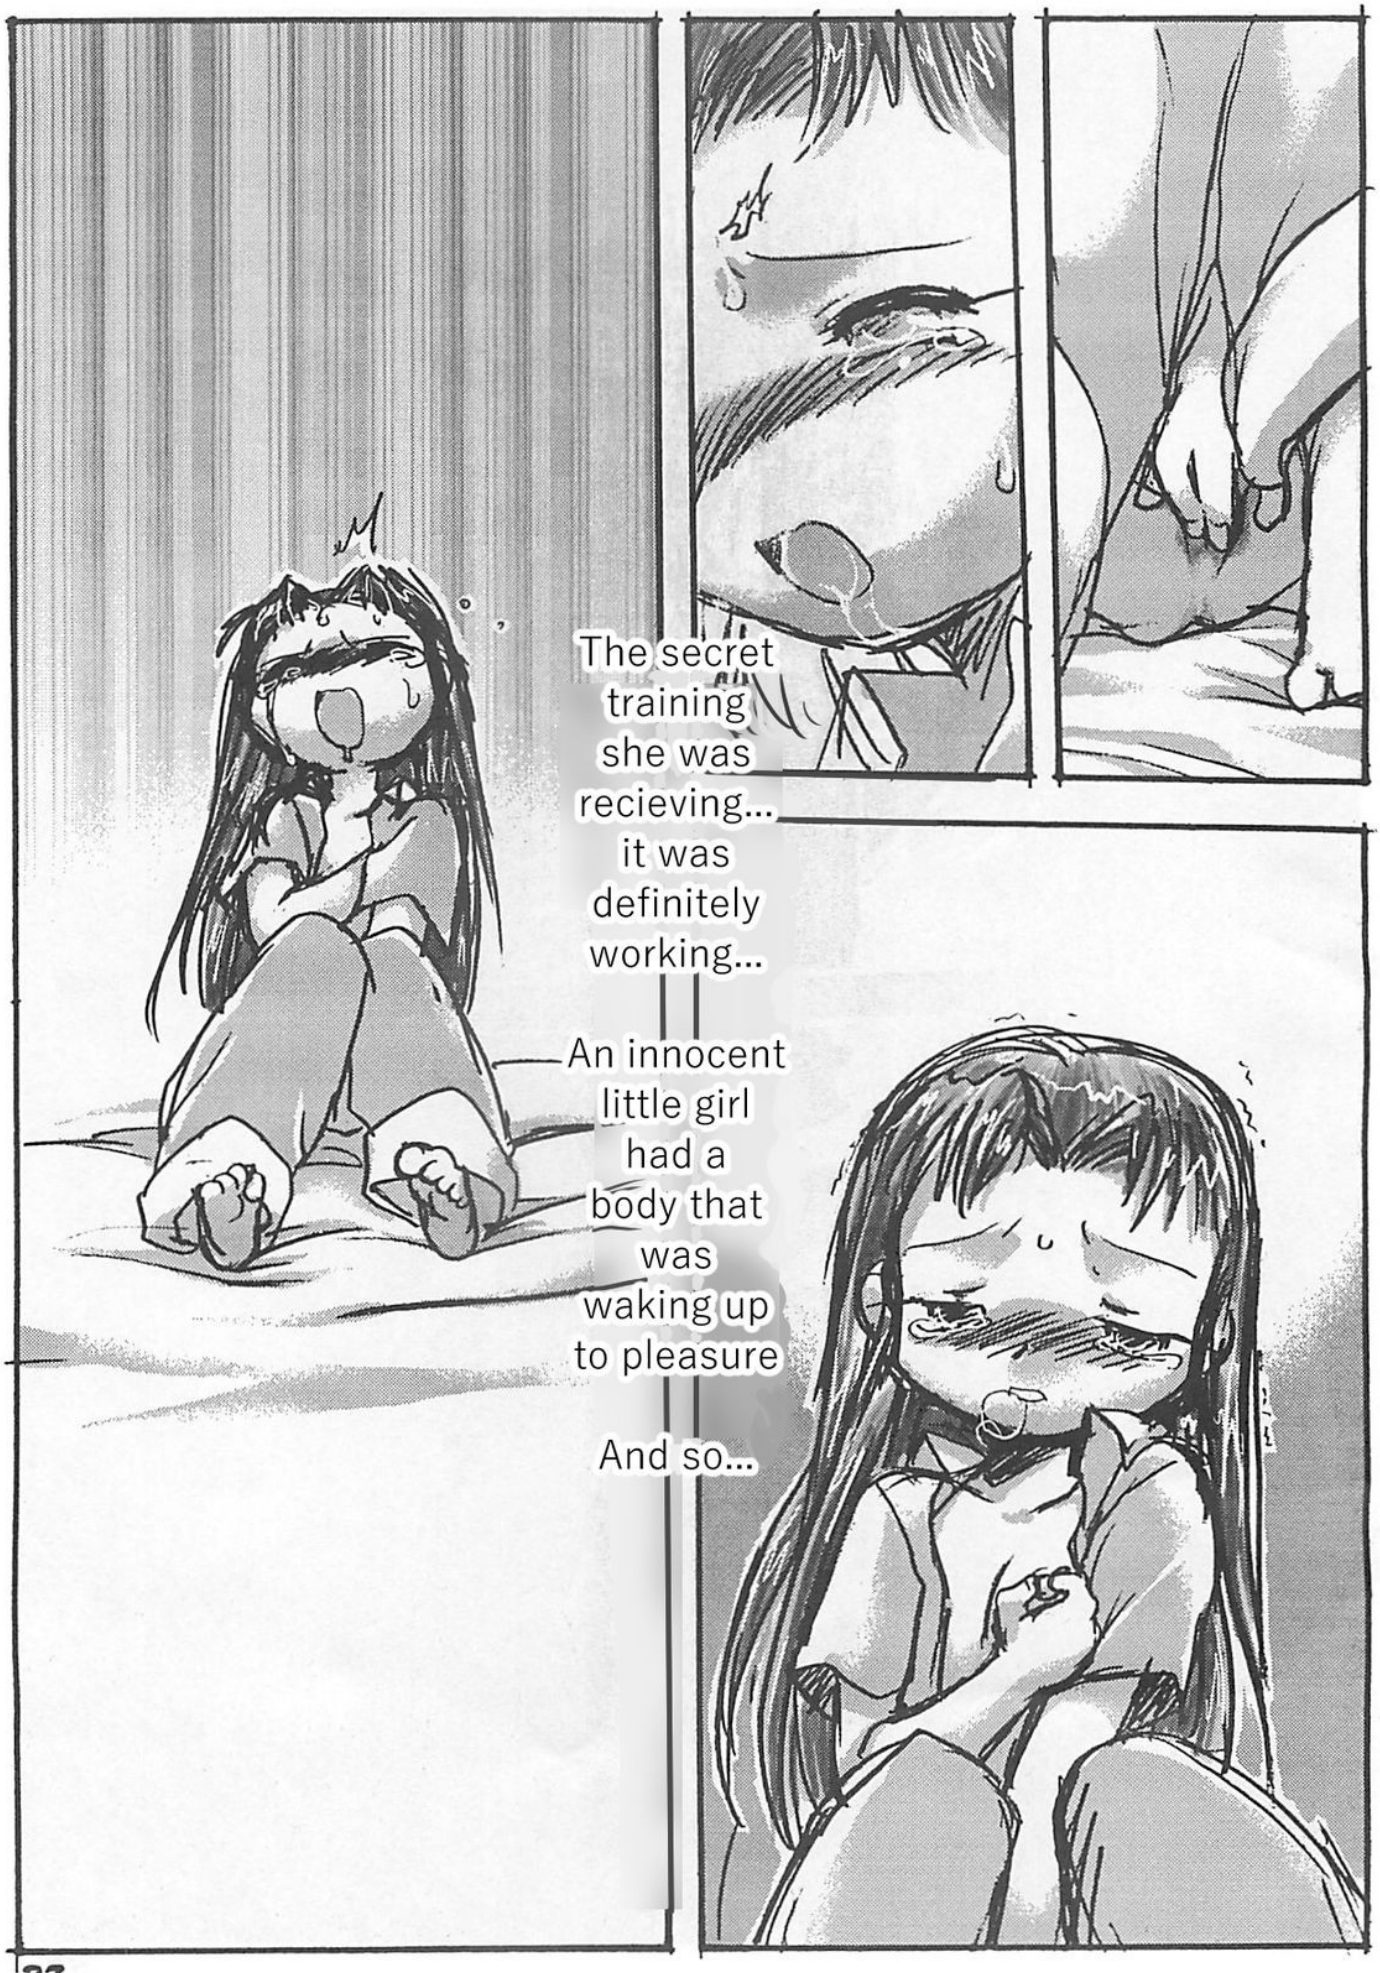

The number of participants increased, and those who were frustrated poured hot semen on to the girl's face, mouth and even her eyes

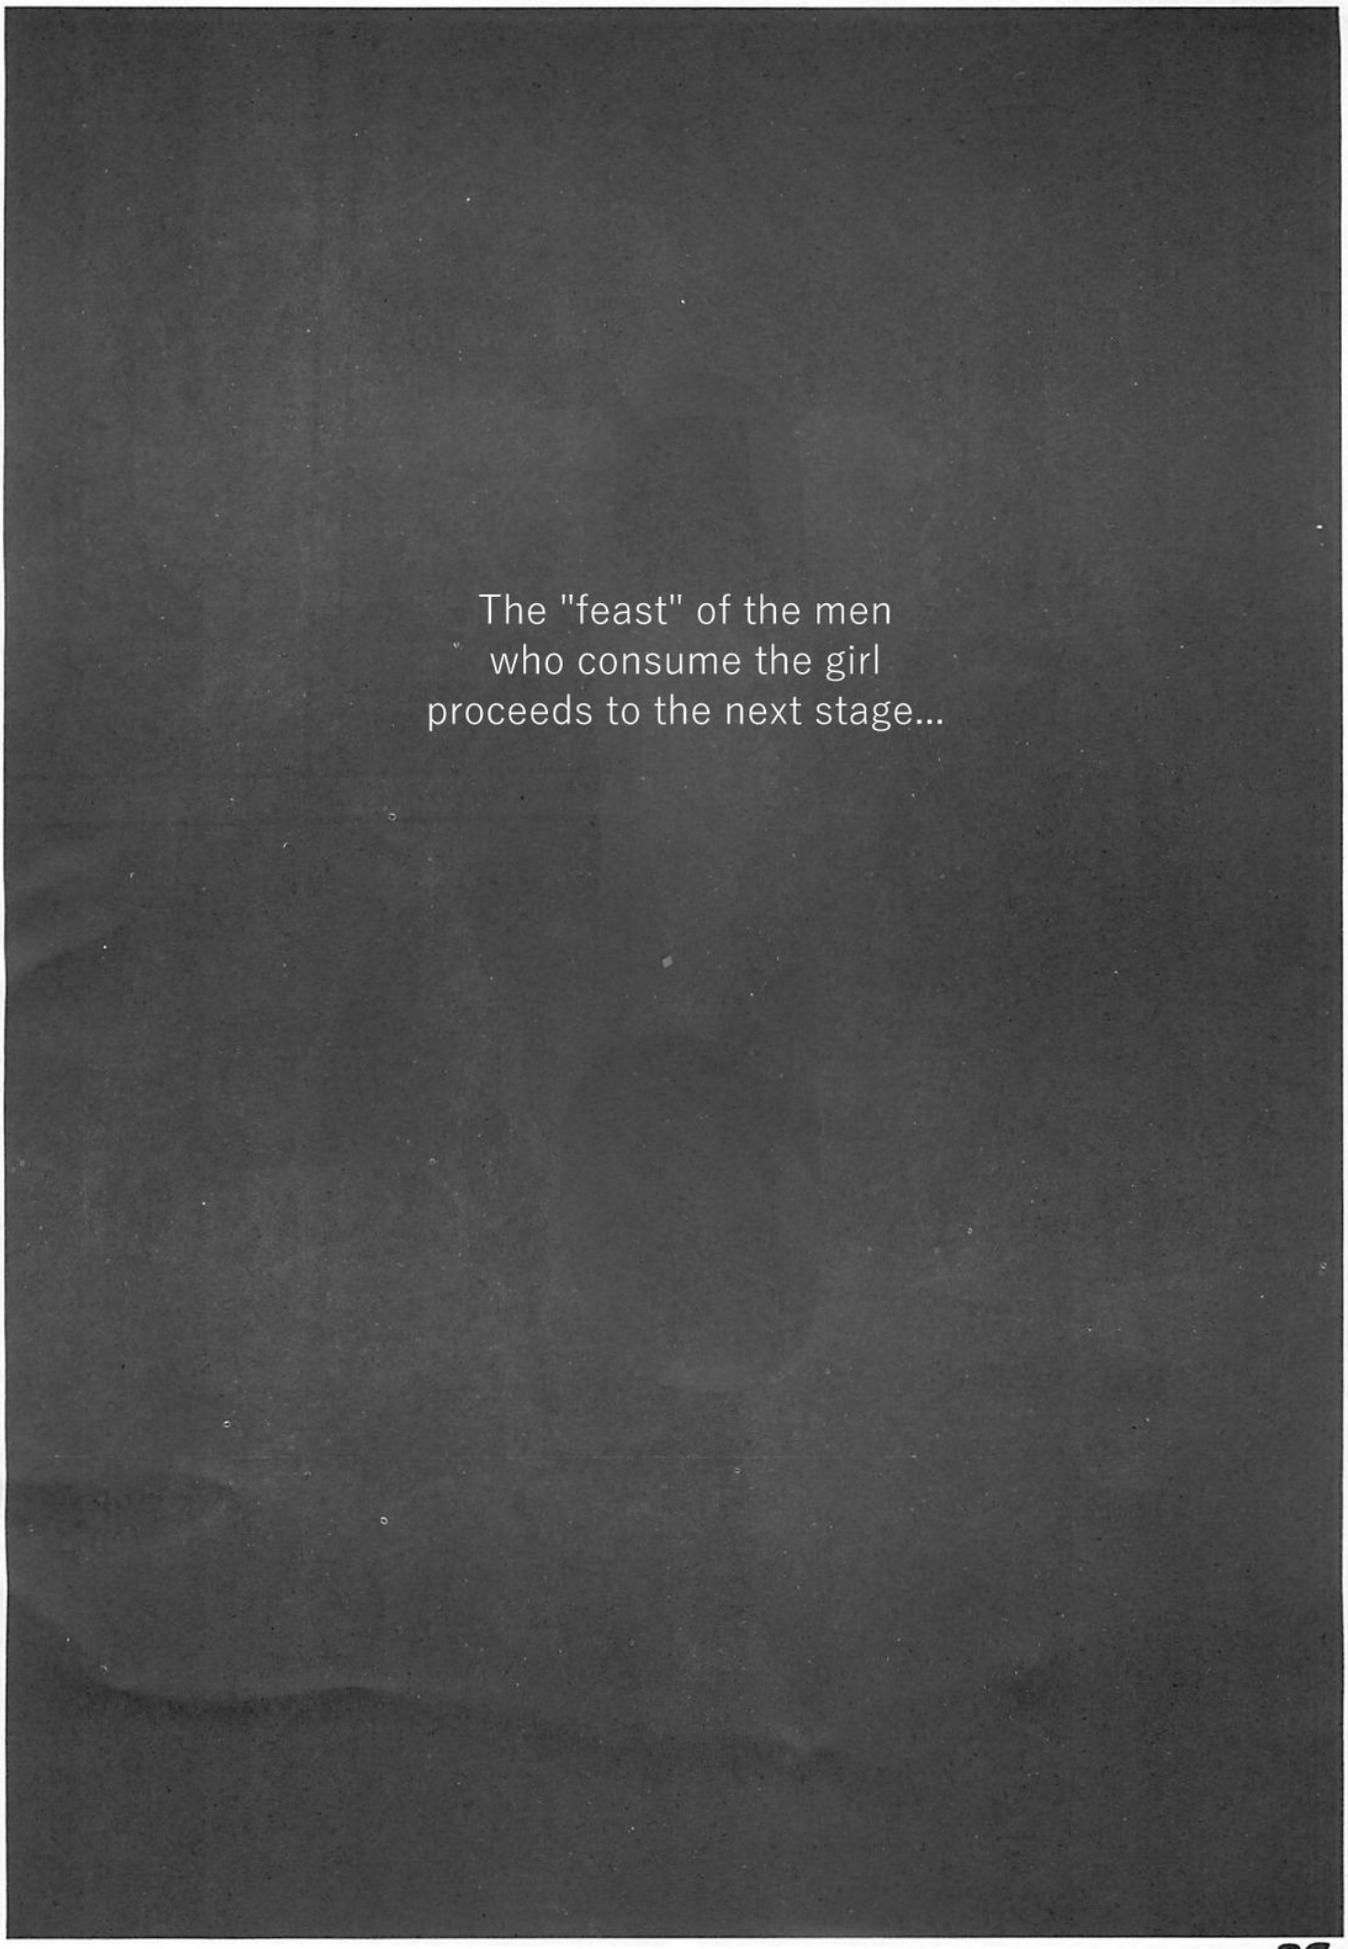

Penetrated and came in by several men, every night the girl was left with her vagina and womb full of foul smelling cum

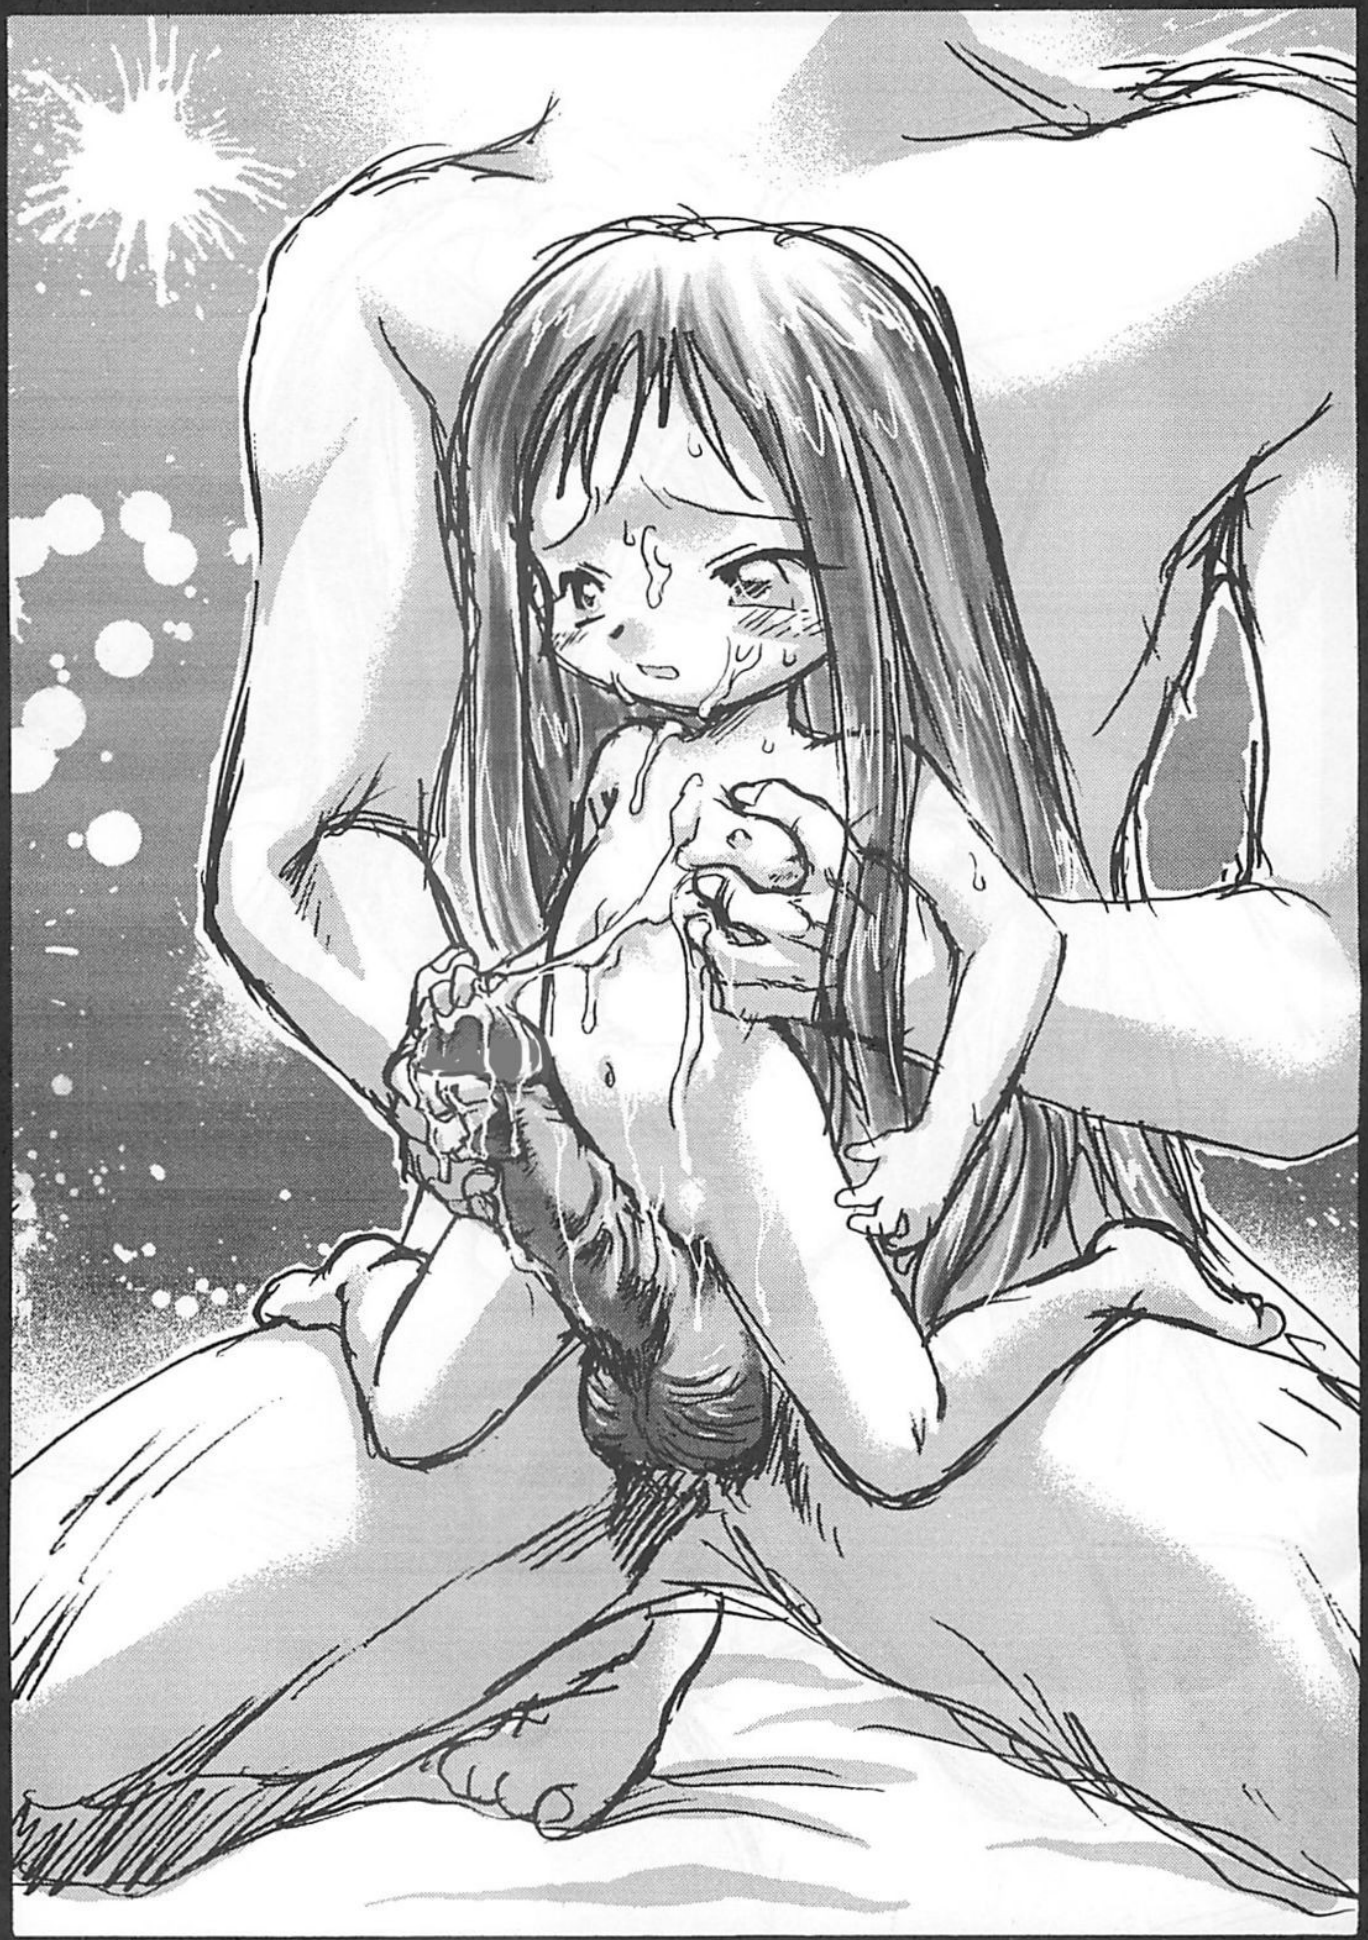

Over time, the girl began to become accustomed to the relentless assault.
Her body slowly began to accept the genitalia, her vagina accepted more and more of the cocks pushed inside...
And her cries took on a tone that was different from pain

The doctor said:
"It's about time..."

While awake, the girl was also changing...
On the morning of her first insertion, she had touched the painful part of her body.
It became her daily routine to touch those parts, and after a time they started to feel "good"

The secret training she was recieving... it was definitely working...
An innocent little girl had a body that was waking up to pleasure
And so...

The "feast" of the men
who consume the girl
proceeds to the next stage...

後記

えっと、まずは「検査入院」お買い上げ頂き、誠にありがとうございます。
というわけでコレ、続きます。当初は８０Pくらいで１冊にまとめようと思っていたのですが、時間がなさそうなのと、色々後半に活かせそうなネタを思いついたので、分けることにしました。
まあ、改めて見てみると……ヒドイ内容だなあ。
どうか皆さんはこんな事真似しないで下さいね。女の子が可哀相だし、なによりこの本の続きが出なくなりますよ（おい）
今回の本では女の子はほとんど眠りっぱなしでしたが、次回以降はそう言うわけでも無く、普通に陵辱されたりもします。キャラも増えるかも。
でも、今回の本でもわかると思いますが、私は女の子に“触る”描写というのが非常に好きです。特に、女の子の皮膚と、その下の骨の感触が見る人に伝えられたらなあと思います。（私にとっては手触りを表現するというのがエロを描く上での重要な要素であったりします。特に肉でなく皮膚と骨）
皆さんがそれを絵から感じとってくれたなら最高に嬉しいです。

そして、てざわりといえば、私の何年ぶりかの単行本「天使のてざわり」お蔭様で評判は上々みたいで本当にありがたく思います。
そして次の単行本ですが、編集さんとはなんとなく、年内に出せたら良いね～なんて話していたのですが、こないだ、１１月発売に決まってしまいました。早まってどうするよ…。
と、とにかくもし無事に発売された暁には皆さんよろしくね。

最後に、この本の発行に只ならぬ助力を下さったにしの☆とーた様に大感謝。

—P.A.Project—

どうも、てるき熊です。
本作はP.A.Project発行の同人誌『検査入院』の①～③をダウンロード販売用に一本に纏めたものです。
基本的には既に販売中の単品①～③と同一内容となっておりますが、前回販売からかなり時間が経過している事もあり、今回は若干数の新作カットを追加させて頂きました。

まあ、とは言え何分(なにぶん)にもかなりの時間が経過しているもので、本編中に追加するのは絵柄的に無理と判断し、①と②の合間、②と③の合間にこの様な形で挿入させて頂く事としました。

本編とシンクロしていたりしなかったりなので、あまり深読みせずにお楽しみ下さいませ。
