

My childhood dream was to be a national swimmer

I wanted to stand at the top of a podium with a gold neck around my neck

But the walls of reality were brutal

I was forced to accept reality

But I have never regretted swimming

The reason is...

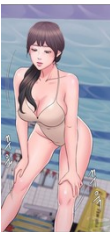

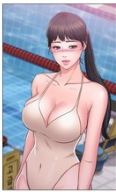

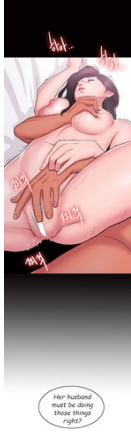

In the past, it was older women. Now, it's mostly younger women

In the past, it was older women. Now, it's mostly younger women

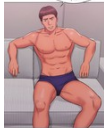

You were
staring at that
man's muscles
were you?

No.

Don't lie,
I know you
are.

There is no point
in staring with
a worried expression.

Just make
sure you
don't forget.

Do you know
why women always
come here?

It's the look
of those bodies.

No, that's
just a excuse.

It's a look
women find
attractive.

It's a woman
with a lot of eyes on
her body.

The look that
she wants to be
noticed by other
men.

They openly
come here to
meet men.

Look over there.

Yes,
the look that
she wants to be
noticed by other
men.

Don't they look
like they're here
to make a
man?

Why would they
come here for
nothing?

Would they
have another
reason to do
that?

Probably, aren't they
the reason they
made money?

So to pay them
back, we should give
them what they
want.

Trying to win
fight like that?

Then let them
go out there!

Ah!

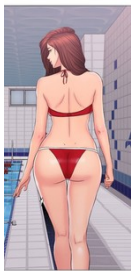

Was a person
noticed your
body?

Yes, they are
noticed by a lot
of people and
they are all
physically fit.

Your form is great, young!

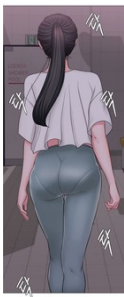

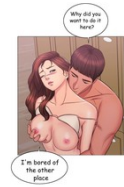

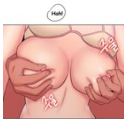

Your form is great in many ways.

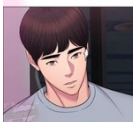

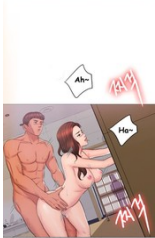

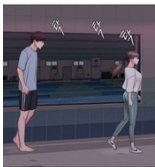

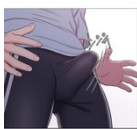

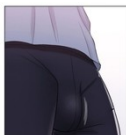

I'll take a look at your form later.
