Afterword

When thinking about one's own death, everyone has thought about their most ideal way to die at least once. Whether it's fiction or non-fiction, most people would want to see a death that involves one satisfying their deepest desires, and this holds true even if it's difficult to choose how one should die. Many men believe that one of the most ideal ways of dying would be dying while standing still. The key idea here is having the way you stand reflect your way of life and your desires. In other words, the man that met his end in the first entry of this series experienced a death that perfectly matches the definition of dying while standing. The way he was standing most definitely portrayed his desire as well as the fact that he had achieved it! How admirable... In fact, even his dick was standing! Truly a death to be envious of.

Phew... It should be said that when thinking of one's ideal way to die, one can also arrive at what could be considered the ideal way to live. If one manages to maintain their ideal way of living until the moment they die, then it can be said that they will indeed die in their ideal way as well. I have been presenting what I believe to be ideal scenarios to you all in my art. It is of my desire that you find this work to be one of your ideal scenarios as well.

Thank you so much to all of you for picking this up.

あとがき

自分の人生の終わりを考えるとき、誰しも理想の死に方というものを一度は考えてみるものです。フィクション/ノンフィクション問わず、死に際してなお自らの本懐を全うする人間の姿は多くの人の心を引き付け、例え現実には自分の死に方を選ぶのは困難だとしても、やはり憧憬を禁じ得ないものです。そんな理想の死に方のうち、男なら一度は憧れるのではないかと思われるもののひとつ、『立ち往生』。簡単に言えば死してなお立ったままという死に方ですが、大事なはその立ち姿に個人の生き方や本懐が表れることにあります。つまり、そう、本作1話目の男の最期、あれもまさに『立ち往生』と呼ぶにふさわしいでしょう。あの立ち姿、どこからどう見ても彼の本懐と、それを全うした生き方が表れています！なんてかっこいい…。やや、ちん〇んまで『たち往生』とは。これは憧憬を禁じ得ないです。禁じ得なすぎます。

…ふう。しかしながら、理想の死に方考えることは、得てして理想の生き方を考えることにたどり着きます。選んだ生き方を死ぬ瞬間まで続けられたなら、それこそが理想の死に方なのでしょう。私はいま、脳内にある理想の天国絵図を形にして皆さんに届けることを選んでいます。この作品が皆さんにとっても理想のひとつになったなら、それが私の本懐です。

本作を手にしてくれた方に心からの感謝を。
