I JUST SO HAPPEN TO HAVE THE PROPER ARRANGEMENTS TO PLUG. YOU! UP. ♡

AH!

OH DON'T WORRY ...

HA

STO-

NNH!

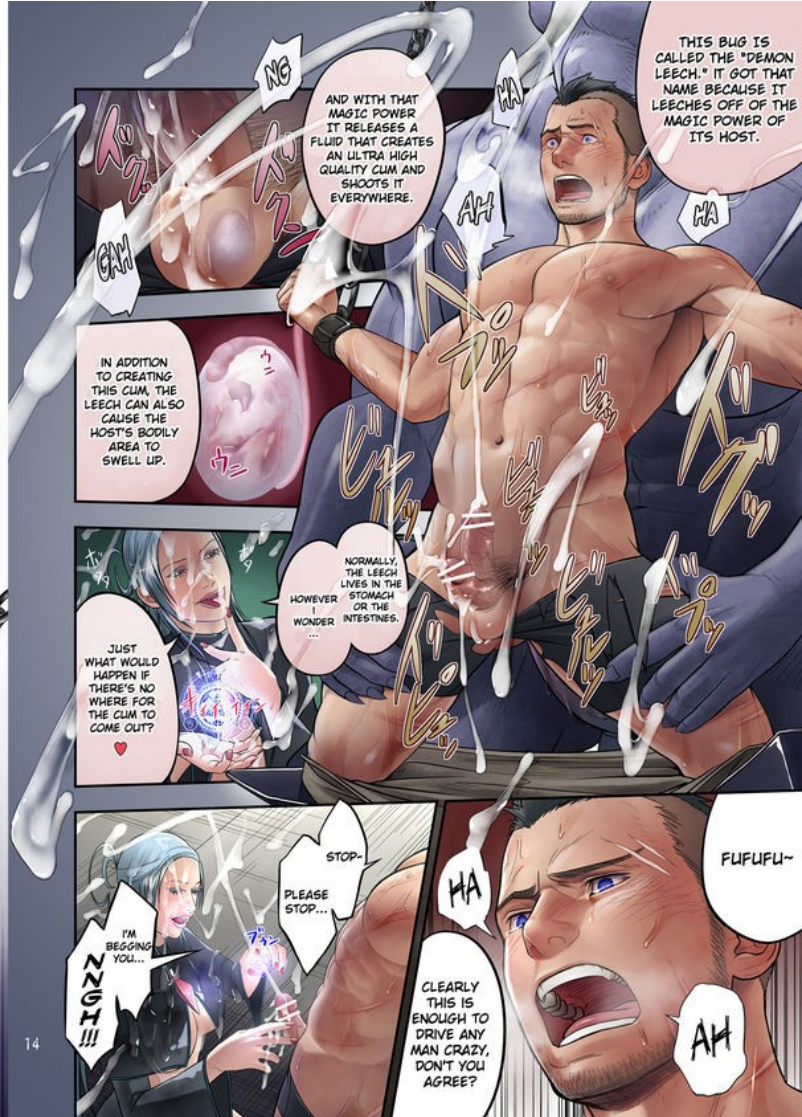

WHAT...

WHA...

AAH...

HAA

THIS BUG IS CALLED THE "DEMON LEECH." IT GOT THAT NAME BECAUSE IT LEECHES OFF OF THE MAGIC POWER OF ITS HOST.

AND WITH THAT MAGIC POWER IT RELEASES A FLUID THAT CREATES AN ULTRA HIGH QUALITY CUM AND SHOOTS IT EVERYWHERE.

IN ADDITION TO CREATING THIS CUM, THE LEECH CAN ALSO CAUSE THE HOST'S BODY AREA TO SWELL UP.

NORMALLY, THE LEECH LIVES IN THE STOMACH OR THE INTESTINES.

JUST WHAT WOULD HAPPEN IF THERE'S NO WHERE FOR THE CUM TO COME OUT?

STOP- PLEASE STOP...

I'M BEGGING YOU...

CLEARLY THIS IS ENOUGH TO DRIVE ANY MAN CRAZY, DON'T YOU AGREE?

FUFUFU-

AH
