As agreed, you'll receive the "Hell of Swelling Body Punishment."

Now you're nothing more than a miserable pile of meat, a slave who just seduces men by rubbing her useless titmeat on the floor, and shaking her fat-stuffed, prime-grade meaty ass. lmao

Then hurry up and cover it with your skirt! But it's impossible by now. lol

Hey, hey! Your super massive ass is sticking out, are you trying to tempt me? lol

You're wrong! I'm not trying to-!

Damn! I'm so heavy I can't stand!

I'm a bit taken aback from seeing that...

Also, for some time now your stern face has laxed, and you're being strange.

Um... Renka? This is getting awkward so can I stop this acting?

...This was the two's perverted play.

I'm not lax!

The pressure of my boobs and ass fat on my body feels so goood! Make my body more obscene!

As mortifying as it is, the verbal abuse is making me so horny!
