

*President!!*

*We can't  
start the  
meeting  
without you!!*

*Oh my. So  
you found  
me?*

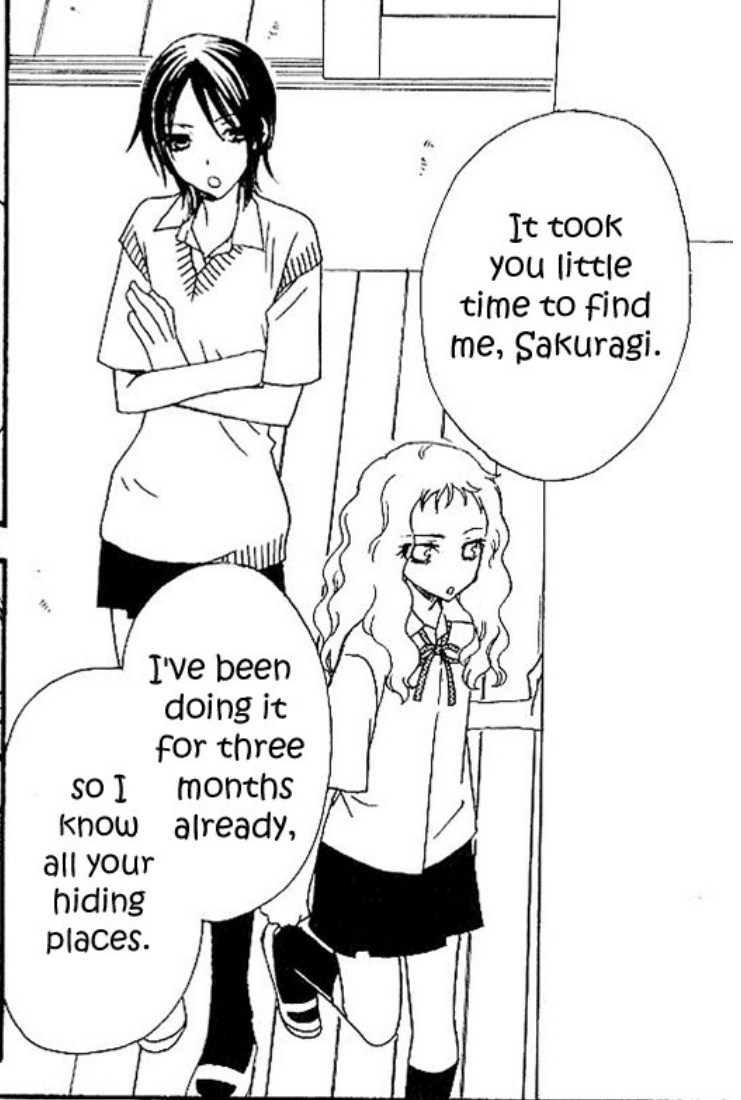

*Come  
down!*

*Let's go  
back to the  
student  
council  
room!*

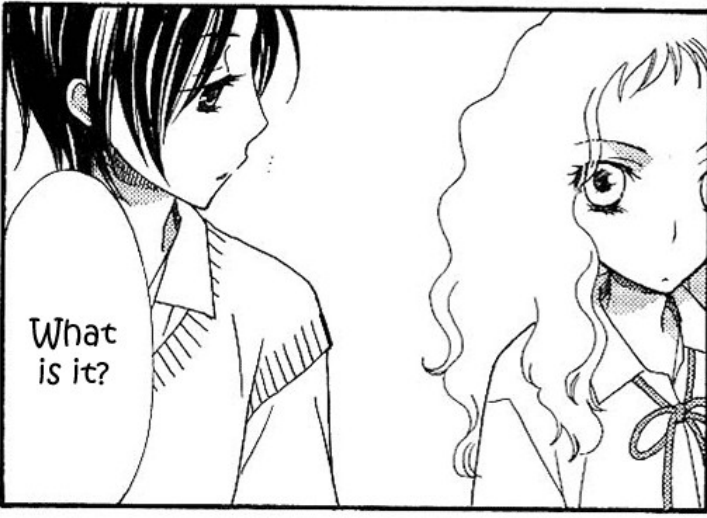

Come, let's go back now.

Is that so?  
*Hmph.*

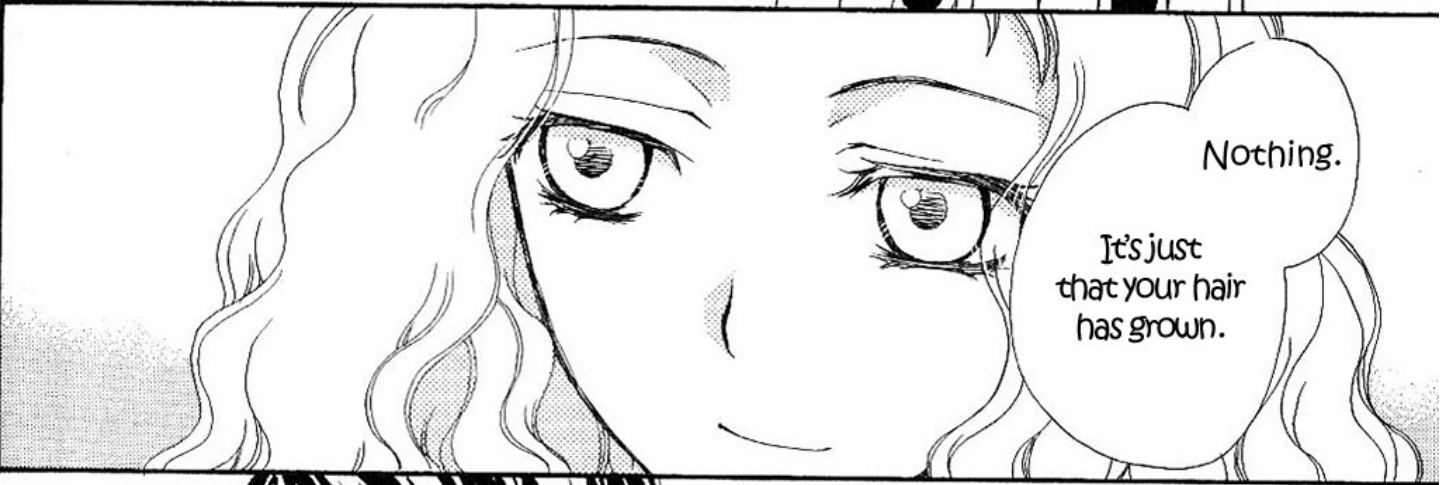

It took you little time to find me, Sakuragi.

I've been doing it for three months already, so I know all your hiding places.

What is it?

Nothing.  
It's just that your hair has grown.

It's already been three months.

Not as much as yours.

But due to a traffic accident, I can't run anymore.

I started school here to run track.

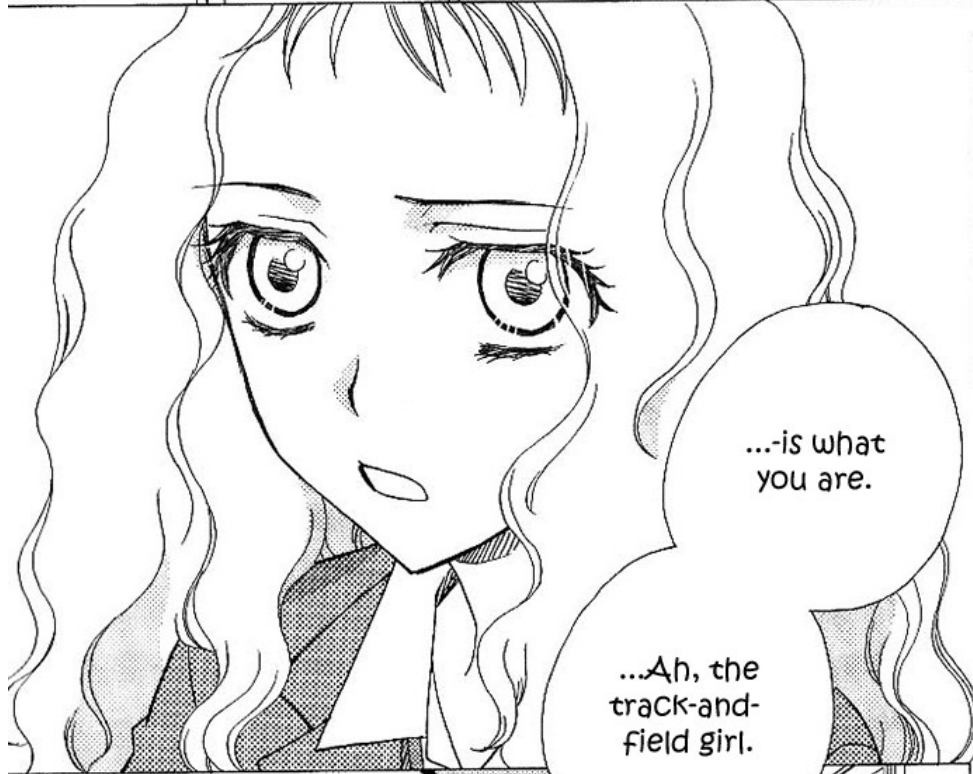

Frankly, it's tough for me.

I can imagine.

Sakuragi, in your record...

You don't have any club activities, despite trying.

...is what you are.

...Ah, the track-and-field girl.

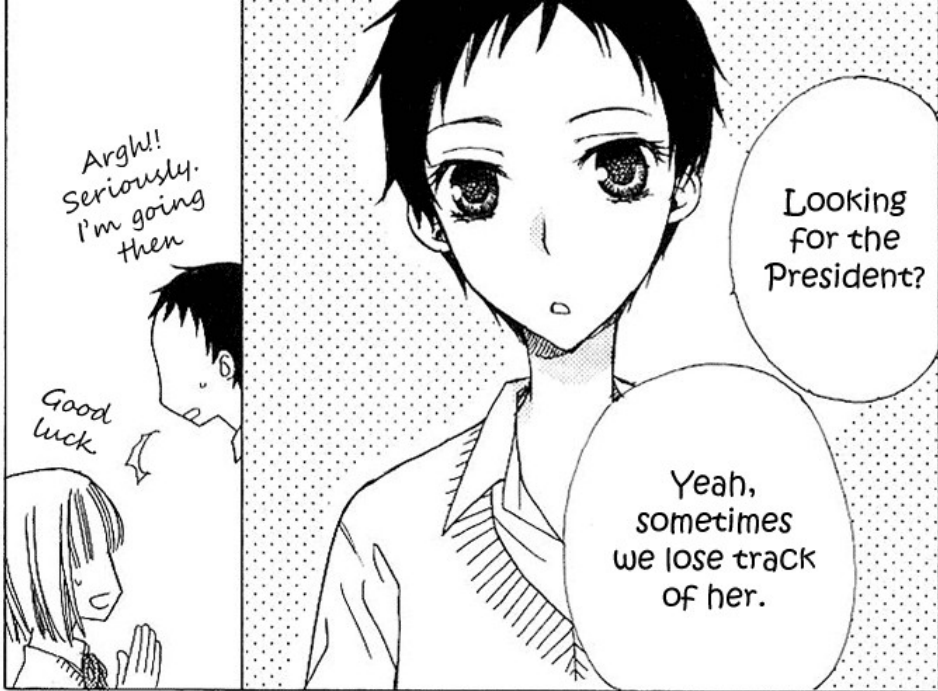

Then, why don't you join the student council?

It can improve your record.

What?

Sakuragi-san, this way!

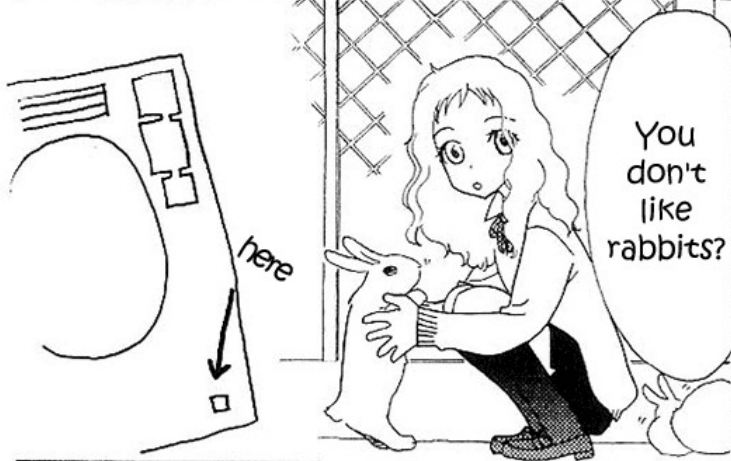

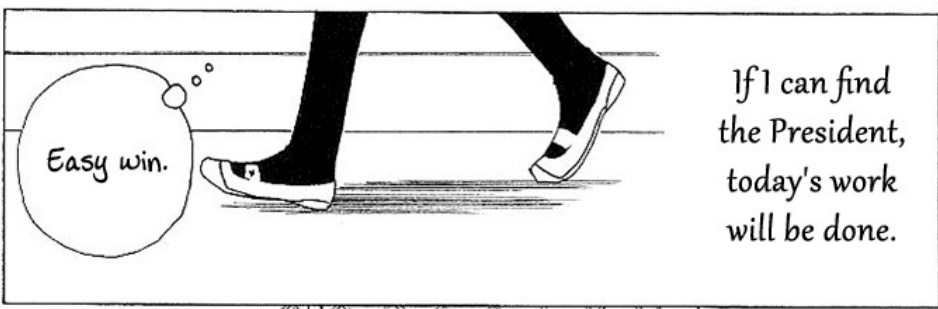

I had no choice but to join the student council.

But, it didn't feel like a job.

Yeah, sometimes we lose track of her.

However...

ARE  
YOU  
IN  
THIS  
PLACE?

W  
H  
Y

Every  
single  
time,

I'd look  
for the  
President.

And it's  
Wednesday,  
so maybe she's  
at the handcraft  
clubroom.

so she  
wouldn't  
be outside.

It's a  
little cold  
today,

It's been three  
months now.

Close

Aha.  
So you  
found  
me?

I'm finding her pretty fast.

You're a pro!!

You didn't work that hard.

It's been a hard day's work, see you tomorrow!

Good work.

YOU'RE ONE TO TALK!!

By the way, don't you have student council duties today?

Yeah, but I finished it already.

Today's job.

Really?

All right, I'm going, see you tomorrow.

See you.

Somehow...

Ooh, I see.

Yeah, it's easy once you get used to it.

I'd like a job like that.

Wow, isn't it easy work over there then?

You're surrounded.

Ahh, cut it out!

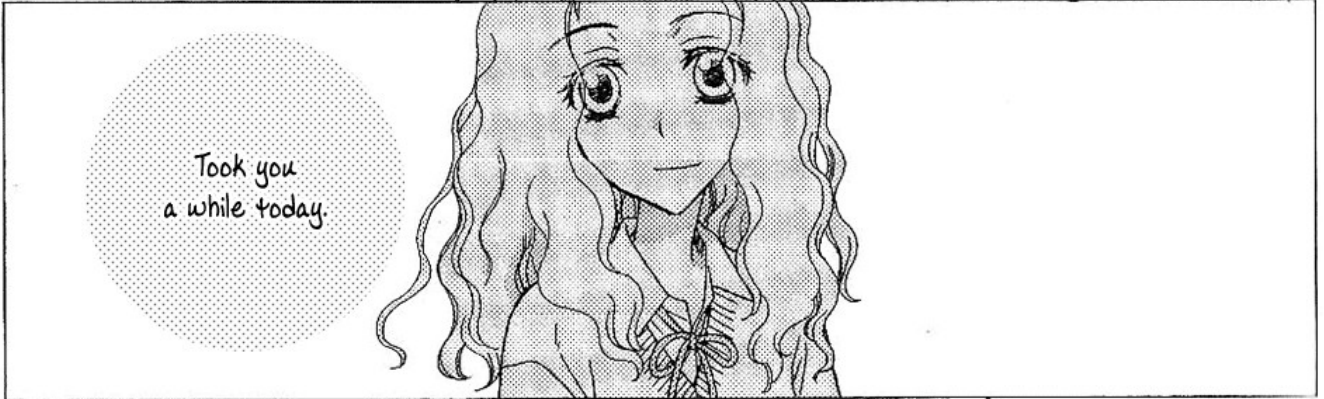

Sure.

Do you want to go to karaoke with us?

Hey. Are you going home now Sakuragi-san?

...this conversation feels dull.

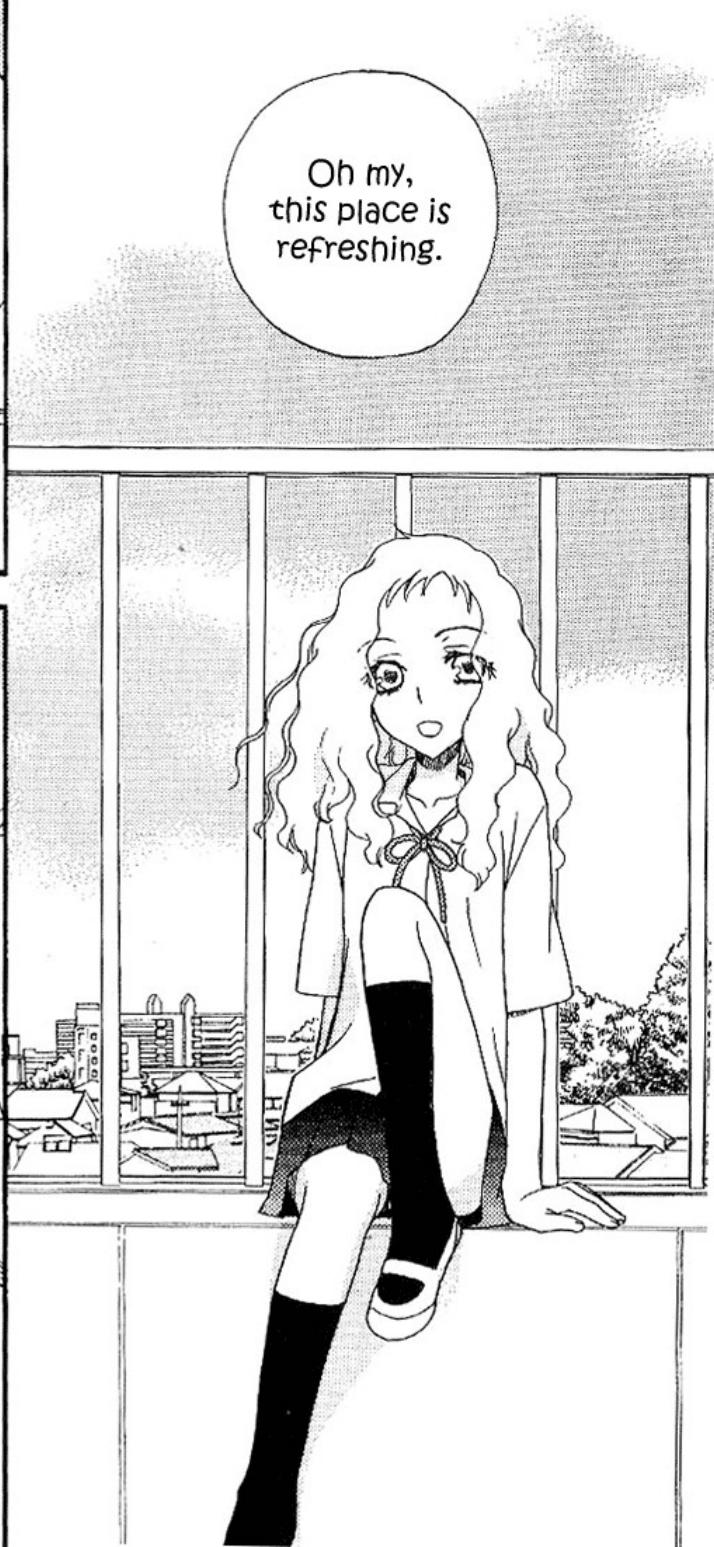

Took you a while today.

Really? I'm so honoured.

Recently at school, I keep finding myself thinking "Could the President be hiding here?" everywhere I look, you know.

Oh, so you...

If you didn't look for me, you wouldn't have anything to do in the student council, right?

Eh?

Ba-dump

...were trying to cheer me up since I couldn't be in my club...

Look, we can see it from here.

You used to be among them.

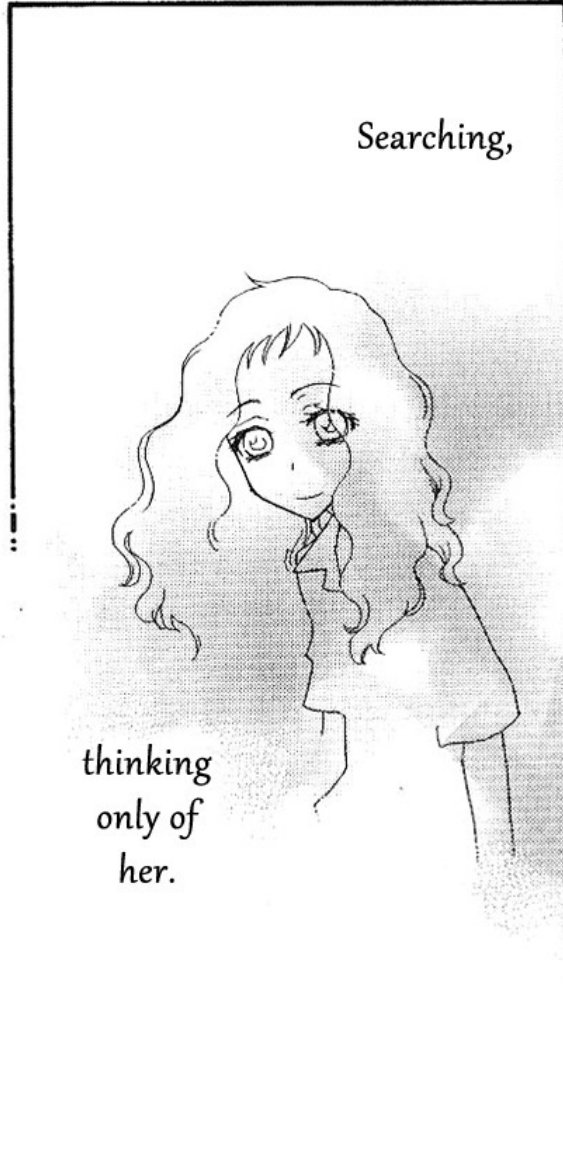

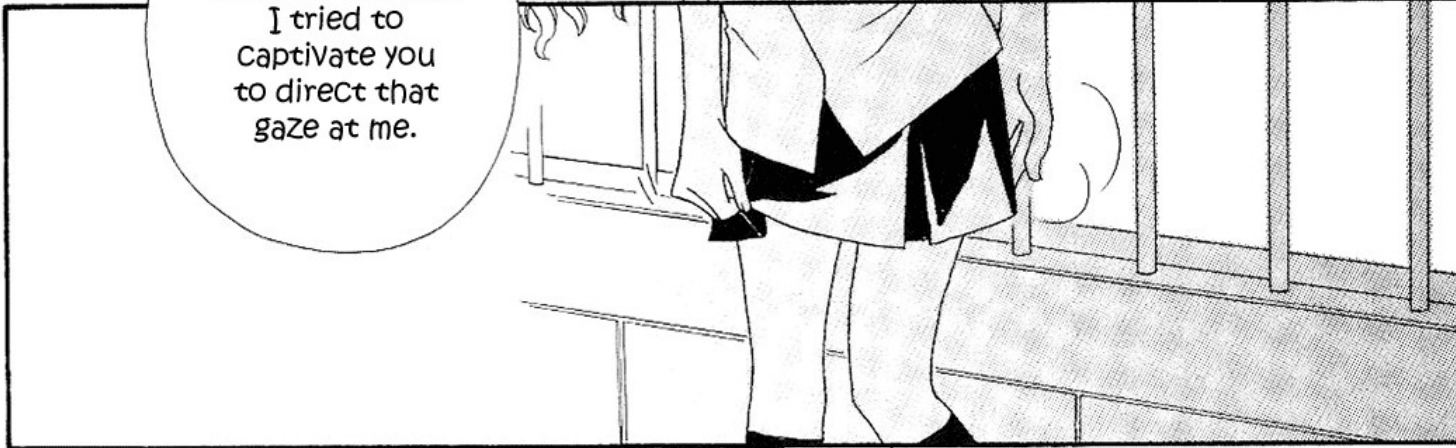

Don't be silly.

It was to make you come to me, Sakuragi.

I loved watching you run, Sakuragi.  
Always gazing straight ahead...

Since you stopped running, I tried to captivate you to direct that gaze at me.

Searching,

thinking only of her.

For three months, I've been searching for the President all the time.

So, have I Captivated you?

Even though  
there's nothing  
much happened  
between us...

You have.

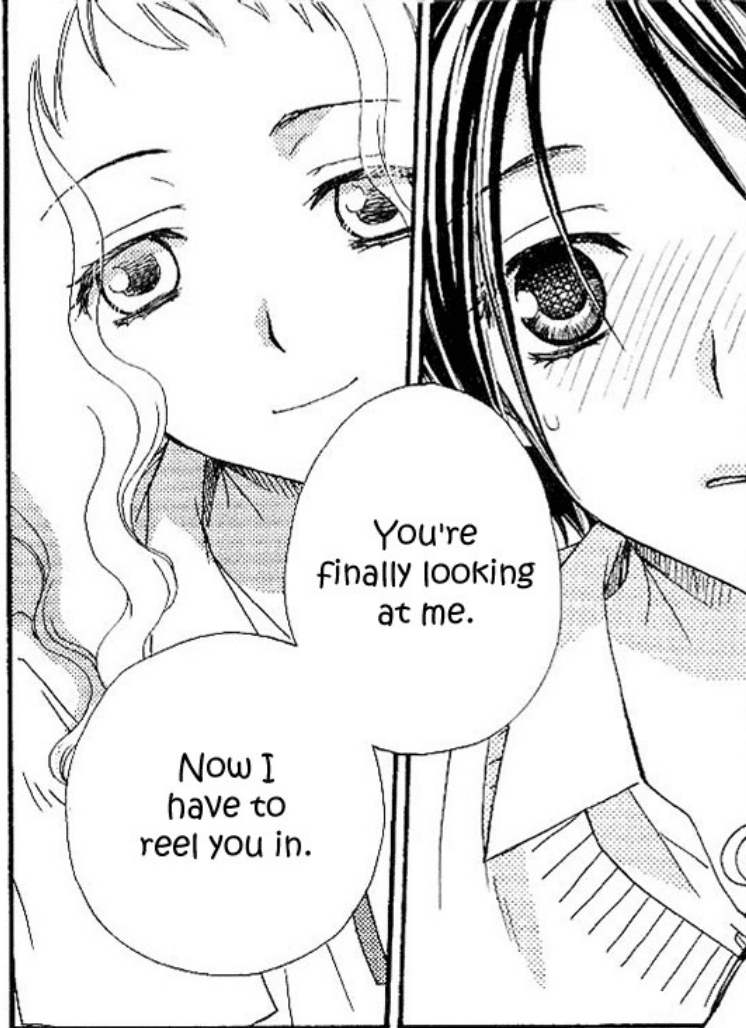

...why am I  
so drawn  
to her?

That  
makes me  
really happy.

fumble

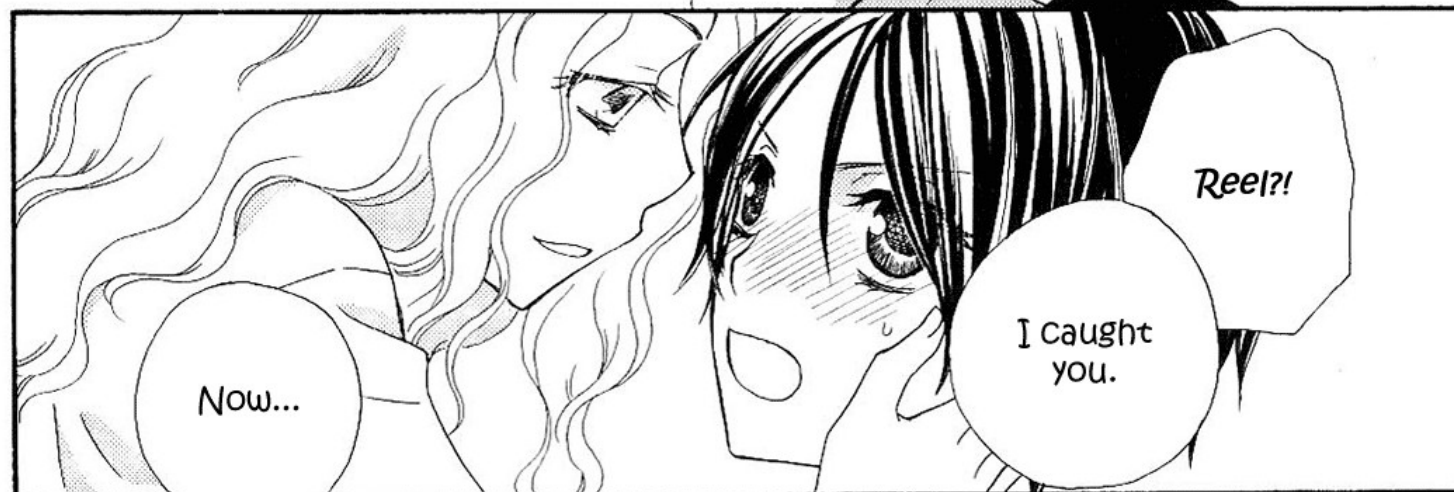

You're finally looking at me.

Now I have to reel you in.

Eh...?

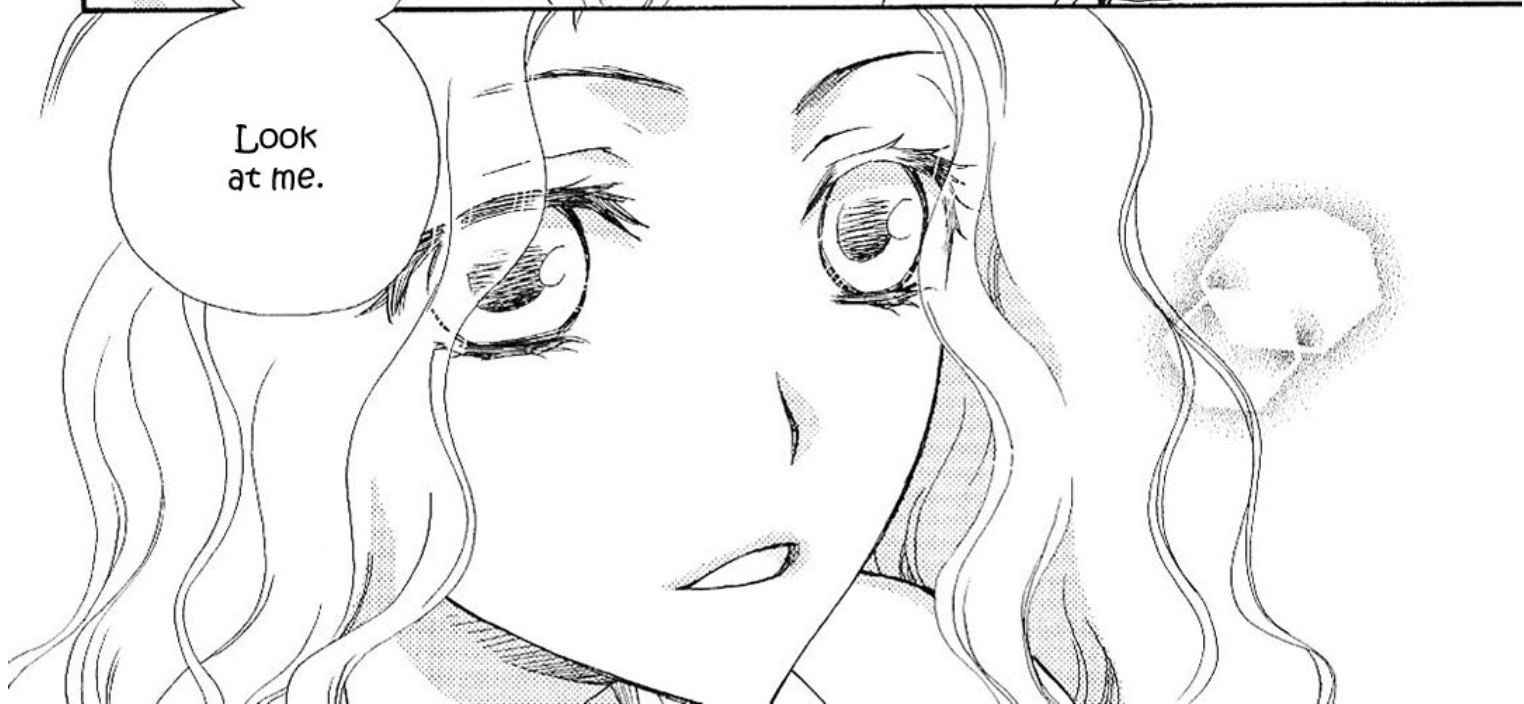

FLOP

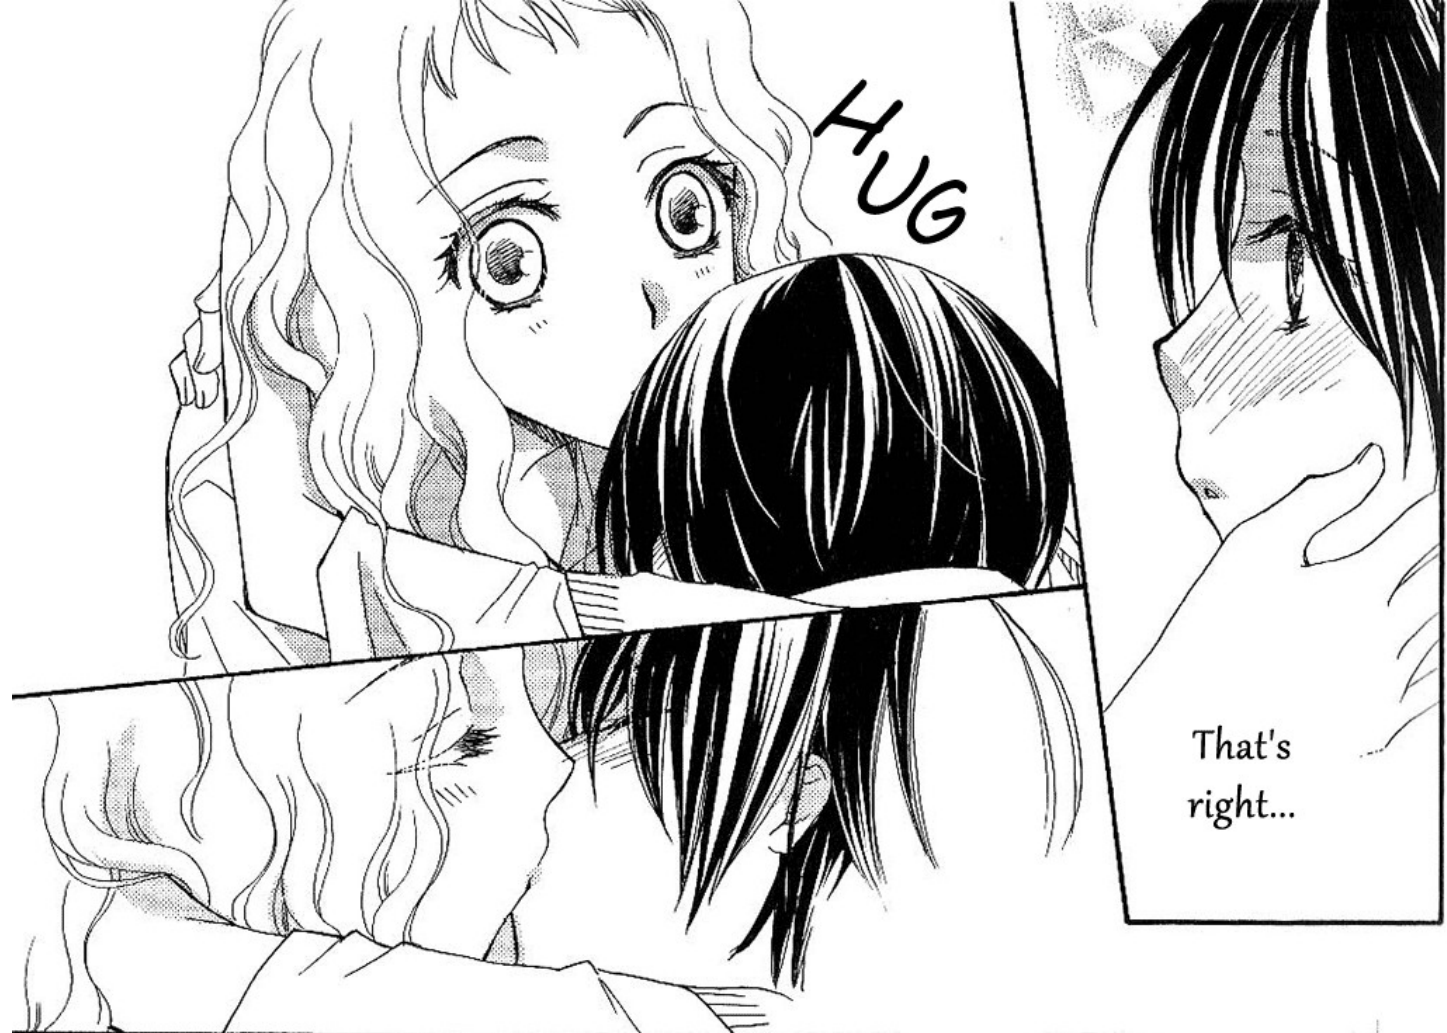

Now...

Reel?!

I caught you.

Look at me.

That's right...

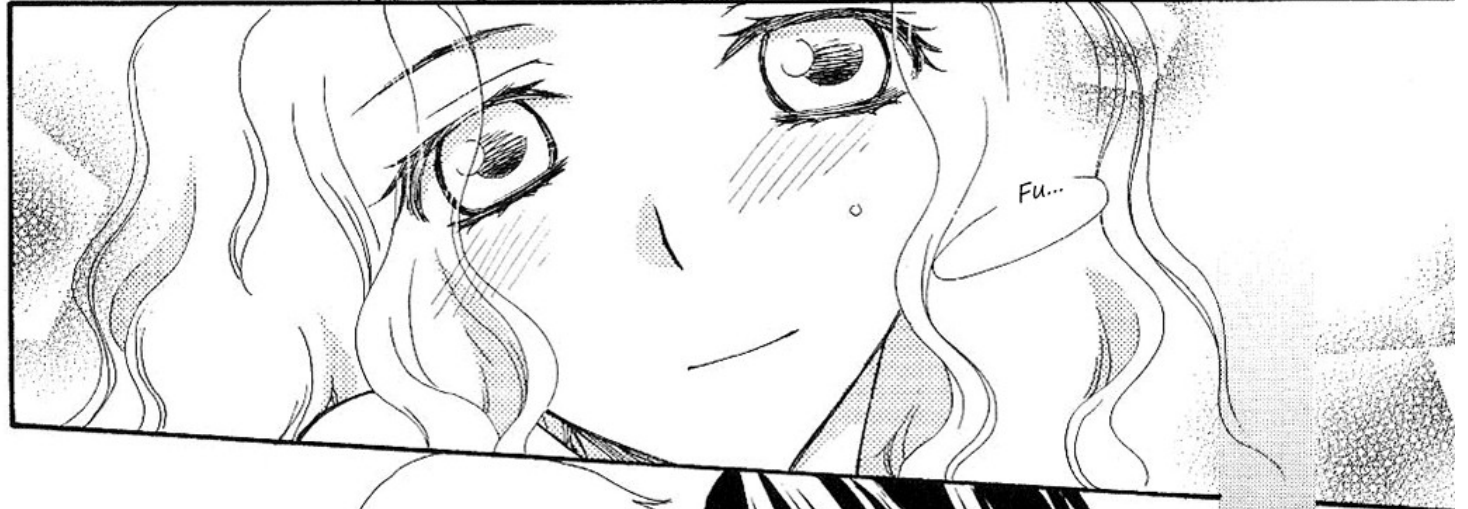

Excited

Ah...

They're surprisingly big.

Hey!

always  
confident  
look...

Her

Your...

...eyes...

President...

Hmm?

I love them.

I've come to love them.

Nngh!

Is that so?

That's excellent.

Hnn...

Aah...

To chase.

To search.

You can look at them as much as you want.

naa

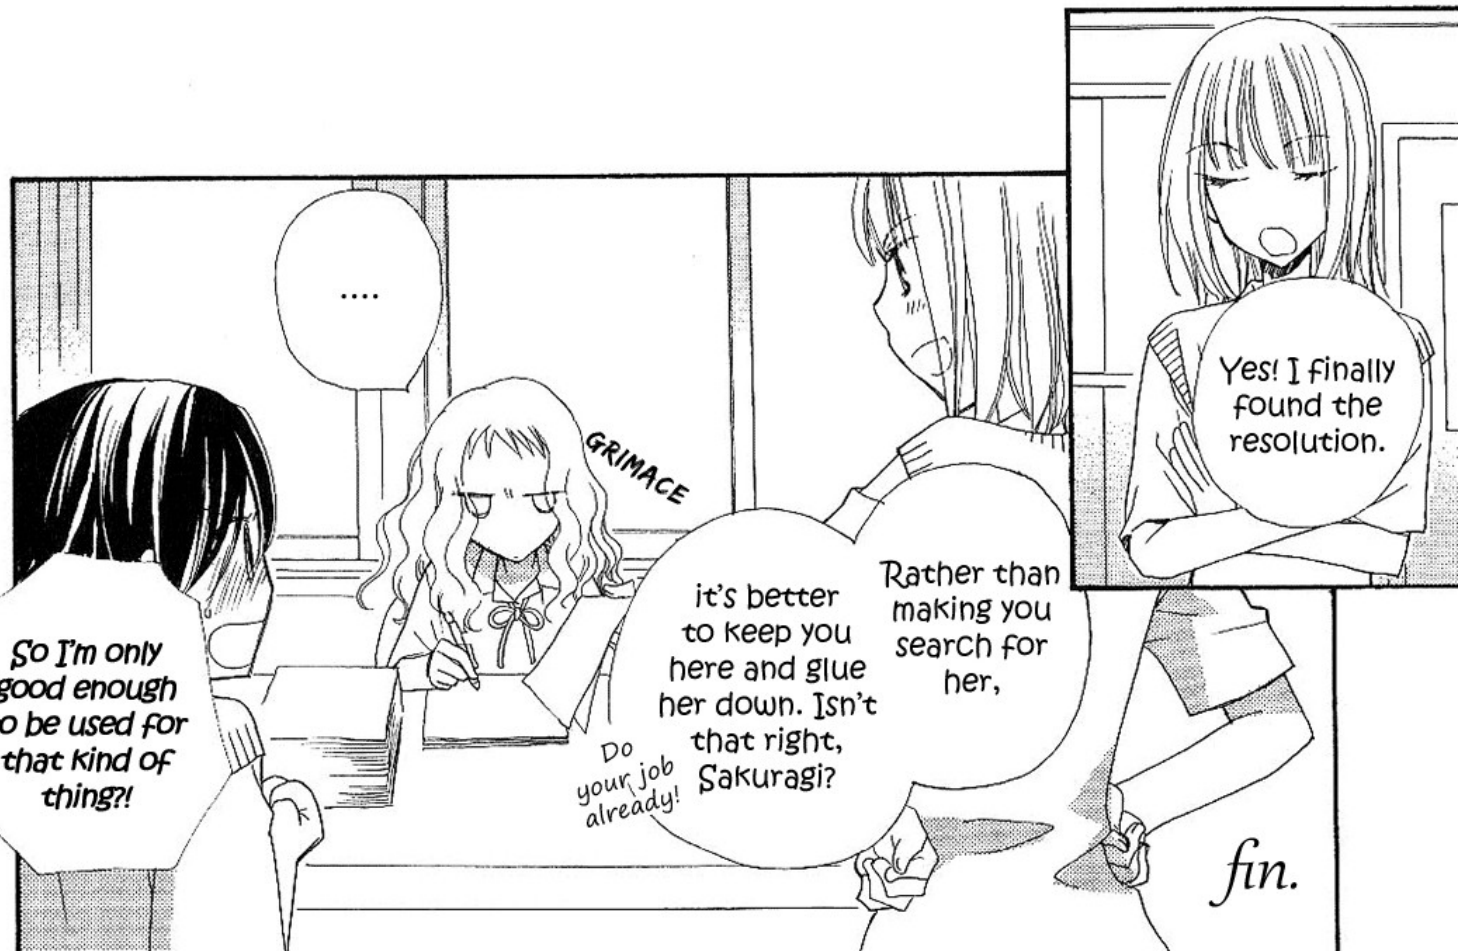

To be  
captivated.

And to  
capture.

To be  
captured.

So I'm only  
good enough  
to be used for  
that kind of  
thing?!

Do  
your job  
already!

GRIMACE

it's better  
to keep you  
here and glue  
her down. Isn't  
that right,  
Sakuragi?

Rather than  
making you  
search for  
her,

Yes! I finally  
found the  
resolution.

fin.
