TOMO-CHAN

SAYS SHE DIDN'T KNOW SHE'D

GET STRETCHED

OUT THIS MUCH

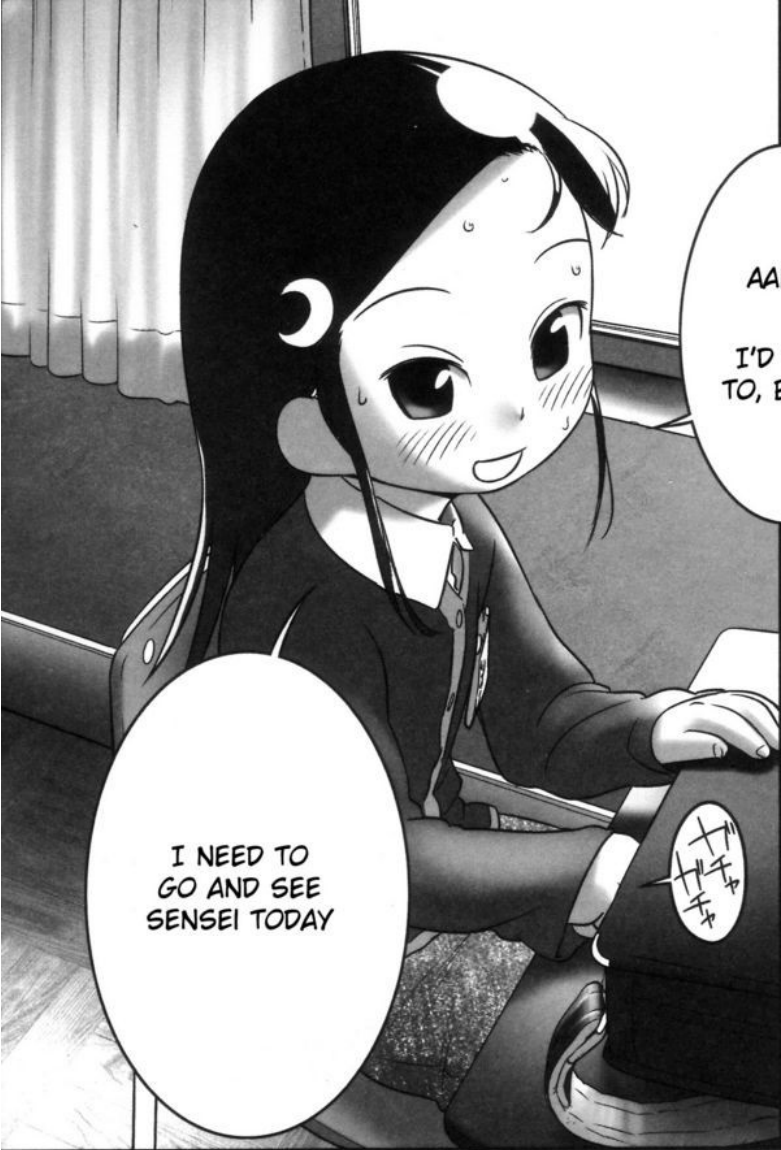

Golden Tube

ゴ'~~~~ル'~~~~デ'~~~~ン'~~~~チ'~~~~ユ'~~~~~~~~'~~~~

Translation note:

Oshikko-sensei's name is a linguistic pun in which the 'ko' in 'Oshikko' (meaning 'wee-wee') is replaced by the kanji for child 子, giving a new meaning of 'child wee-wee doctor'

AAH...
I'D LIKE TO, BUT...

I NEED TO GO AND SEE SENSEI TODAY

To buy a book such as this in times such as these is quite troublesome, so I'm grateful.

Whether reading for the first time, or as a fan of mine, thank you very much!

The victim this time around is Tomo-chan, the girl who appeared in the end of book 1 talking about her ass and such.

I thought "I really want to draw a one-shot with Tomo-chan" and also "I want to write something with a girl who's a little unwilling" and so combining those things, bam, the manga that comes out is this sort of tone.

Pretty awful, but I'm quite proud of it.

To all the good children of Japan - Don't try to copy the things in this book or anything!
You'll die!

(The characters in this book are receiving specialised guidance from an expert in the field)
