Chapter 1: Pandora's Box

カタ
SFX: RATTLE
Ahhh...
I never ended up going anywhere this sumer.
I wish I could have at least seen Seiko-san in her bikini.
S-Seiko-san!
Well?
Then I'll show you, Yuusuke.
Eh?

Or would you rather this part were missing?
パカ
SFX: FLASH
Seiko-saaaan!
Here I come.
S-sure!
SFX: BAP
I know you're bored, but please try not to do weird things.
M...Ms. Presi-dent.
Hah!
Kousuke, what are you doing?

Isn't Pandora that person from Greek mythology?
What is this for?
I want you to do a research on pandora's box for me.
Yes.
My grandfather apparently has gotten his hands on Pandora's Box.
Book: The Odyssey

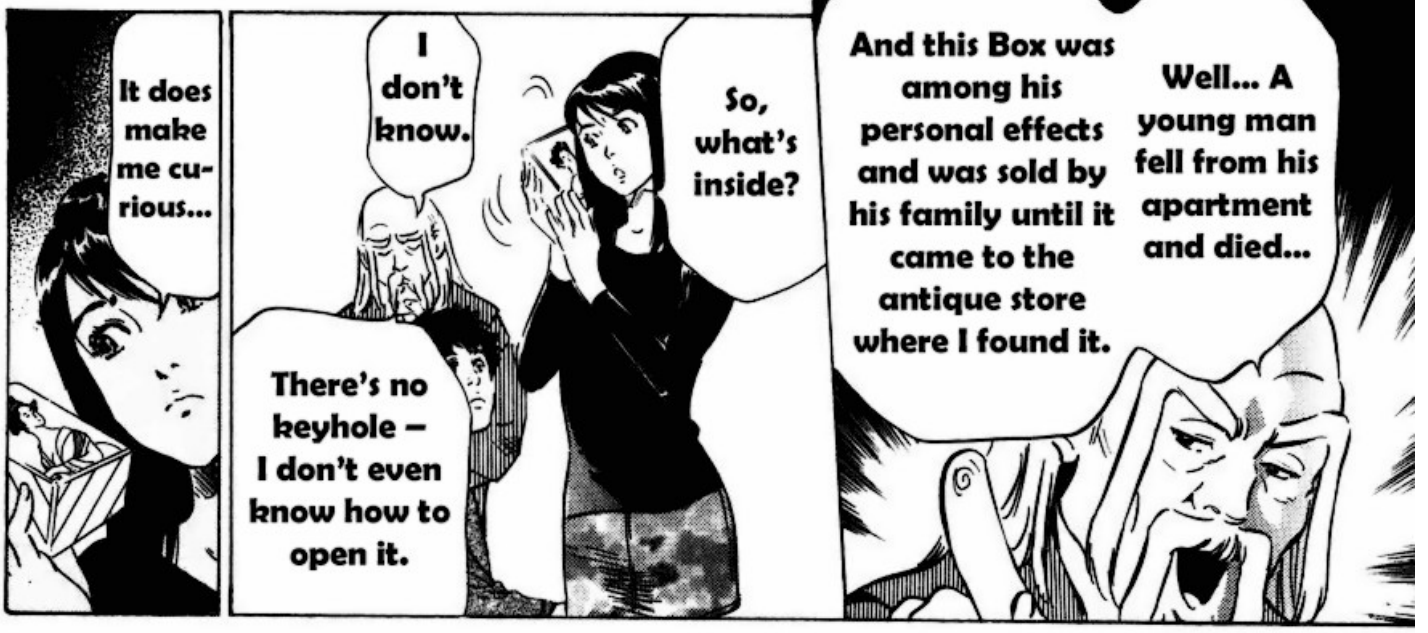

Before you see the actual item, it's a good idea to get some background knowledge.
I know my grandfather isn't very trustworthy, but I still want you to look into it.
Yeah, right...

But Pandora opened it out of curiosity."
The gods gave her a box which she was forbidden to open.
"In Greek Mythology, Pandora was the first woman.
Sure...
Umm...
Ah, found it.

I don't think we should open your box, then...
.....
"The Box contained despair and destruction which were then unleashed into the world.
All that was left in the Box was hope..."

That, plus it's all just a myth anyway.
Looks fishy to me.
Granpa, where did you get this?
It says so right here.
PANDRA BOX
So this is "Pandora's Box"?
That's right.

SFX: Shove

SFX: slam!

Ah! Maybe the very reason the young man fell to his death was BECAUSE he opened this box?...
But I wonder how it opens?
And will misfortune and doom come?...
SFX: click
Misa-sensei!
Hello.
Oh, Kousuke-kun, are you alone?
Is no one else around?
Yes. The President has gone out for a while.
Oh...

Ah
I came here hoping I could look at a special artifact.
If....if you want an artifact, it's here.
Ohhhh, you mean this?
N-not that...
Eh...
I was lecturing my class about Michelangelo's statue of David.
And that brought back some memories of you, Kousuke-kun.
I'm sure if David's were erect, it would look just like yours.

Ah!
Not so sudden!
See?
SFX: chomp!
B-but all men's penises are pretty much the same.
No, the flavors are different.
SFX: zzzzzzip
Mmm, mmm
SFX: slurp
Ah, but if you suck so strongly...
SFX: slurp,
S-Sensei, you mustn't!
I'm in the middle of work...
Mm... Even though you have no customers?
Th-then I'll cum!

SFX: clunk
Hm? What's wrong?
H-huh?!
Let me see.
Yes. Nothing would open it before.
Pandora's Box?
It looks like Pandora's Box is about to open!
Sensei, please don't open it!
That's right, if we open this, doom and destruction...
Then, see, it gradually opens.
Oh, this is the same as a Japanese trick box.
!
See? You slide the panels out this way.

SFX: flutter, flutter
Ah, it's panties!
Huh?
Ah!
People have some strange fetishes.
I'm sure the box's former owner kept them hidden in the box.
...Oh.
Look, Kousuke-kun, do you like it?
So it wasn't really Pandora's Box.
Well of course it isn't. That's just a myth.
SFX: POP

Sensei...!
Thought I'd try them on.
SFX: flap
I c-can totally see your crotch.
Oh dear, really?
Do these panties turn you on?
Y-yes, of course they do...
SFX: gulp
Aww, if you stare at me like that, I'll get turned on too.
SFX: FLASH

Kousuke-kun, touch me.

O...okay!

Ah, Kousuke-kun, your fingers feel so good. Ah...
Sensei, you're so wet.
Ah!
SFX: stick
SFX: stick, stick, stick, stick, stick

Sensei...
Ah...
Wow, look at the threads its making.
SFX: SUCK
Misfortune, my ass. I'm getting so LUCKY!
Ahhh
You taught me all that I know, Sensei.
Kousuke-kun, you're so good –ah...
Nn-haa...
SFX: squeeze
SFX: slurp, slurp

Ah!
Sensei, this spot also turns you on, doesn't it?
My legs are going numb...
This feels so good.
Ah, yes, there...
SFX: stick, stick, stick

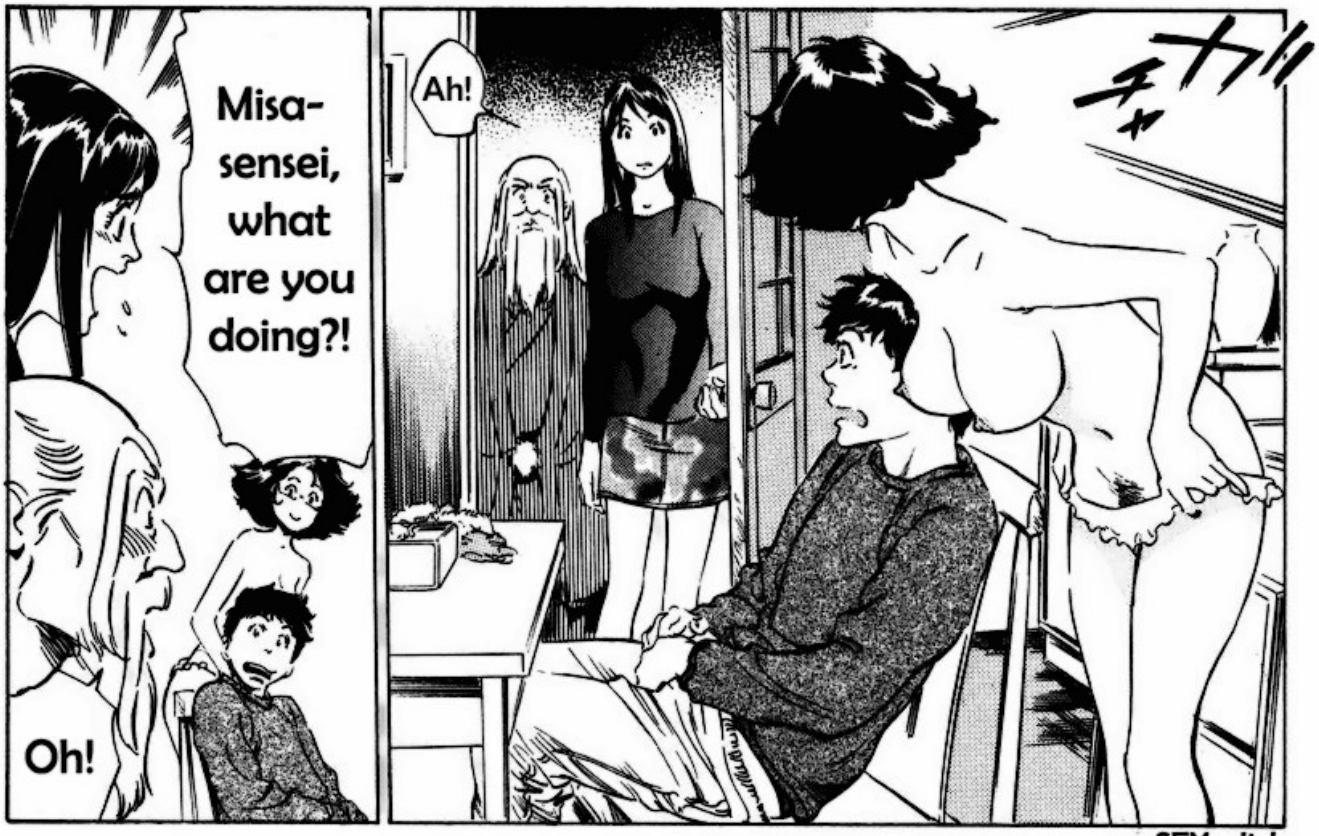

It's no use, I can't hold back anymore.
I want you, Kousuke-kun.
Yes, my perfect David.
Ah!
Wah...
SFX: squeeeeeze...
Nnhaaah...
SFX: PSSSHHHT

SFX: thrust
Sensei, your pussy always feels so good!
Nhah... really? That makes me happy.
SFX: drag
I want it to be even better for you, Kousuke-kun.
SFX: pssht
SFX: thrust
Kosuke-kun!
Sensei!
I'll c-cum!
Ah! If you grind into me like that...
Please cum!
SFX: stick, stick, pssht

Nngh!
Ahh...

I can't do anymore.
Well, Kousuke-kun, which position shall we try next?

Misa-sensei, what are you doing?!
Oh!
Ah!
チャ

SFX: click

That's right.
The former owner of this box stole women's panties?
What?!

Western Style Human Chair

ANTIQUE AVENUE
ANTIQUE AVENUE
ANTIQUE AVENUE
ANTIQUE AVENUE
SFX : STARE
This hole ...
Almost looks like a pussy ...

Yuusuke.
Se
...

CHOMP!
Seiko
-saaan!

Ah...
Ms. President...
I see
Yumiko-san's
with you.
Seiko told me
she was meeting
you up here,

We're not on
a date.
and I got
worried, so I
came along.

Yuusuke,
what are
you doing?
Ah!

Yuusuke, we're going.
O-Okay ...
Oh, so that's all it is. Piece of cake.
PERK!
We brought you here to test your eye for antiques, Yuusuke.
You're going to practise here, in Antique Avenue.
Okay, let's do this!

Yuusuke, a genuine antique has a distinctive aura.
Auras, eh?
Feeling that aura is the first step to becoming a good appraiser.

What's up?
Ms. President, this chair...

A strange sort of presence.
You're right. I do sense something.
It might just be my imagination, but it seems important...

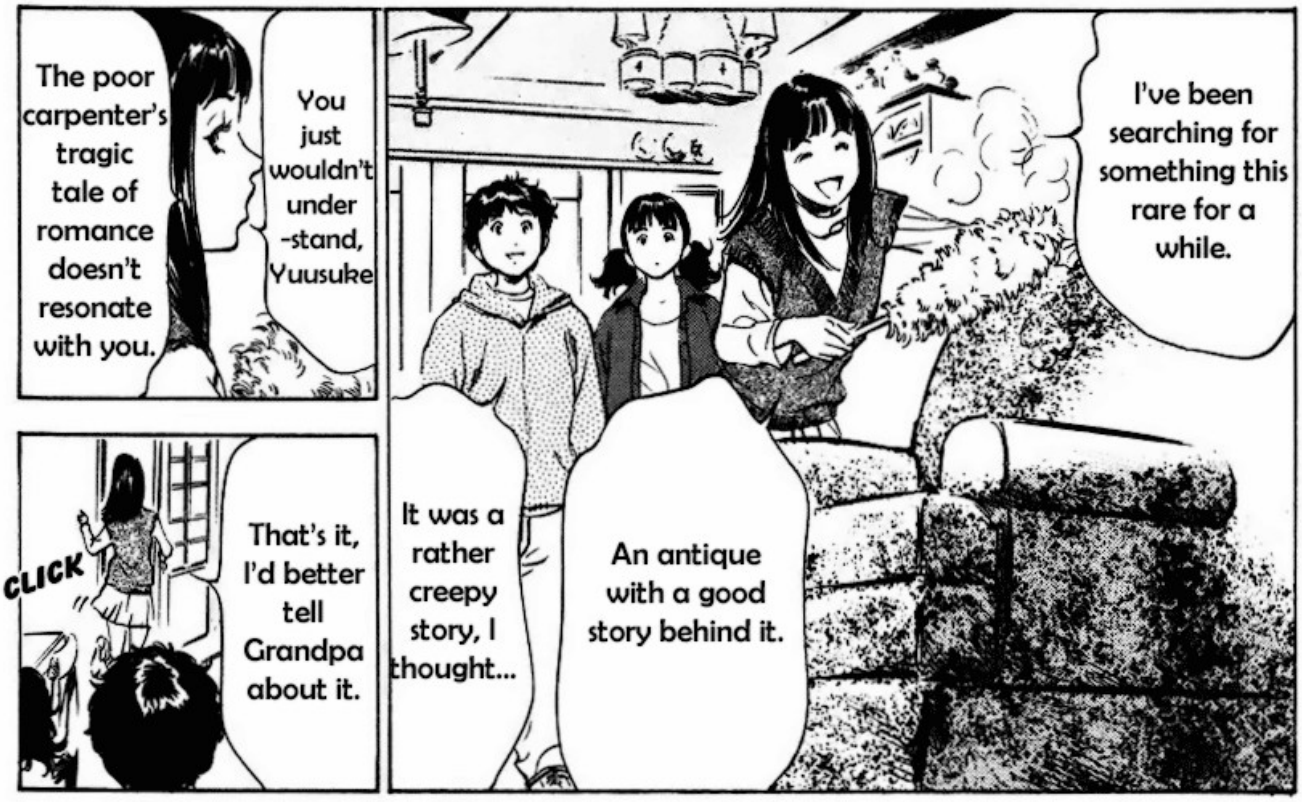

Looks like there's something to it.
You have good eyes, miss.
You're interested in this chair, I see?
Oh-ho.

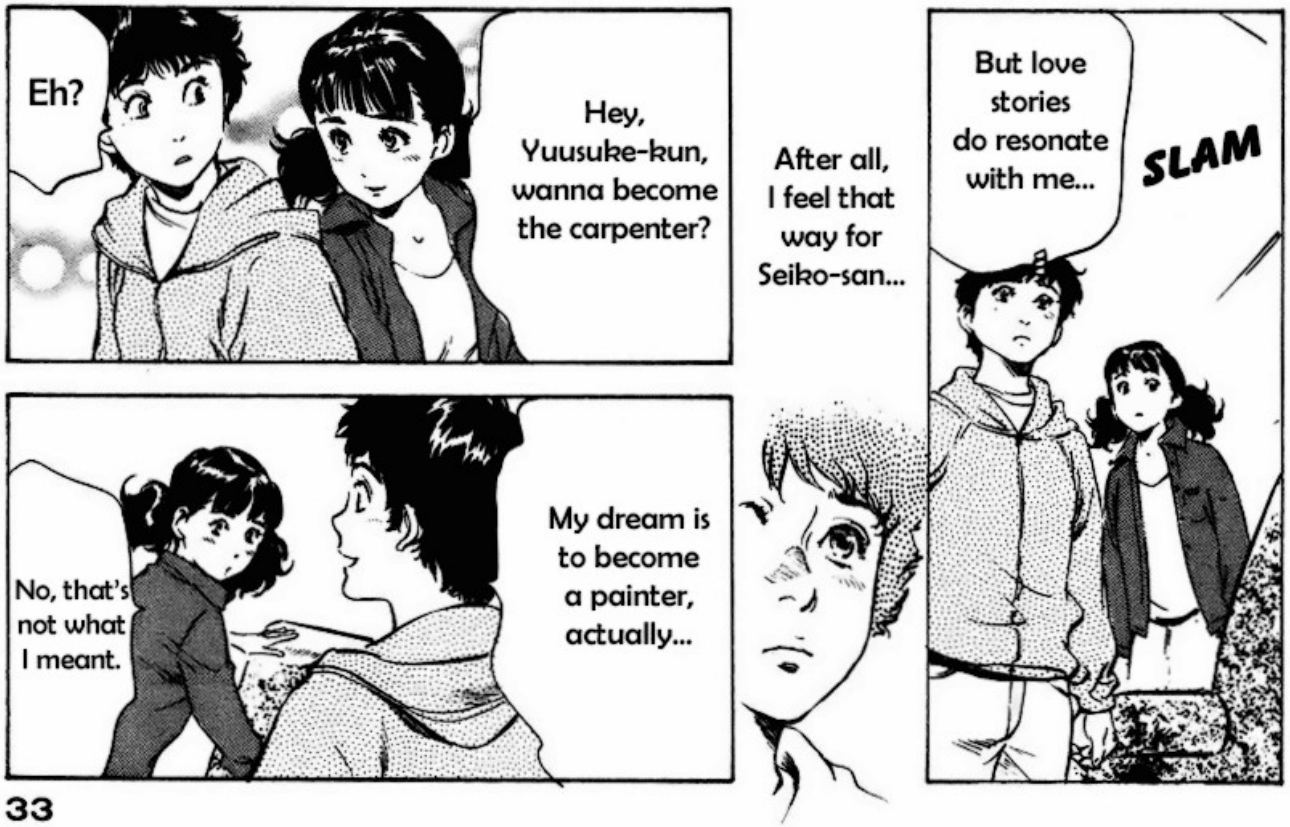

He was desperate to find an excuse to meet her,
and so came up with this chair.
This merchant was in love with the Queen.
This chair once belonged to King Louis of France. It was a gift from a poor carpenter.
As a special treat, I'll tell you all the tragic story associated with this chair.
AHEM
He hid inside this chair and gave himself to the Queen as a present.
CLICK
So this is like a human chair ...
Not "like" – it IS.

Because there were no toilets – people relieved themselves while standing up.
Eh? Why was she going com -mando?
The Queen at the time didn't wear underwear...
And what's more...
And what do you think would happen whenever she sat on this chair with no panties?
AAAHH!!
GULP
THRUST

B-But why is this a tragic story?
The Queen and the merchant were able to have a secret affair using the chair.
Until one night, when the King caught them.
Eh?
The door made a noise when it opened.
Hearing this, the merchant stuck himself out of the chair like he usually did...
The King twirled a piece of string around it,
And with these scissors...
SNIP
He...
He cut it off?!
No, I just thought it would be a juicier story if he had done.
Oh...
That was how the carpenter's romance ended.
So it's literally one -of -a -kind.
Eh!?
Sir, I'll buy this chair!
It's decided!
Thank you.

骨董屋

The poor carpenter's tragic tale of romance doesn't resonate with you.
You just wouldn't under-stand, Yuusuke
I've been searching for something this rare for a while.
It was a rather creepy story, I thought...
An antique with a good story behind it.
CLICK
That's it, I'd better tell Grandpa about it.

Eh?
Hey, Yuusuke-kun, wanna become the carpenter?
After all, I feel that way for Seiko-san...
But love stories do resonate with me...
SLAM
No, that's not what I meant.
My dream is to become a painter, actually...

I want you to get inside this chair,
and then get inside of me.
Eh?!
S-So you're saying you want to do what the Queen did with the carpenter?!
That's right.
GULP
Hurry, before Seiko comes back...
Ah, but, it looks a bit cramped in there.
Don't worry. Okay, I'm closing it.
Ah!
Wait, not so...
This feels strange...
Now I get it. It matches up perfectly with our crotches.
BLINK

Yuusuke -kun, can you see me?
Y-Yes, I can.
Ah, there's holes here too.
Oh...
Then let's go...
DRAG, DRAG...
Ah...
CREAK

Can you see this?
Yuusuke -kun, stick it through the hole.
Ah, this is no good...
LICK
Yumiko -san ...

ZIP
O-Okay.
NUDGE
Yay, there it is!
It's made so that it can all fit through the hole.
I see, even though it's so narrow in here...
Ah!
CHOMP

Mm...
Mm...
Yuufuke -kun...
(Muffled)
Yumiko -san...
Ah!
STICK
STICK
SLURP
SLURP

Mm, mmm!
SLURP
Y-Yumiko-san, if you suck so hard I'll...
SLURP
I'll cum... I'll cum from just a blowjob!
CREAK
Ngh...
SLURP
You can't cum yet.

SQUEEZE
Mm...
Ngh...
Ngh...
Ah!
SPLASH
Ah!
Ah!
It's going in.

Ah, Yuusuke -kun...
THRUST
I can only feel it in my crotch - this feels so strange!
THRUST
THRUST
Ah, Yuusuke -kun.
I can only feel your crotch, and it's so realistic.
Yumiko -san, me too...
Yumiko -san!
It's okay. Let's cum together.
I'm... I'm about to cum.
THRUST
THRUST

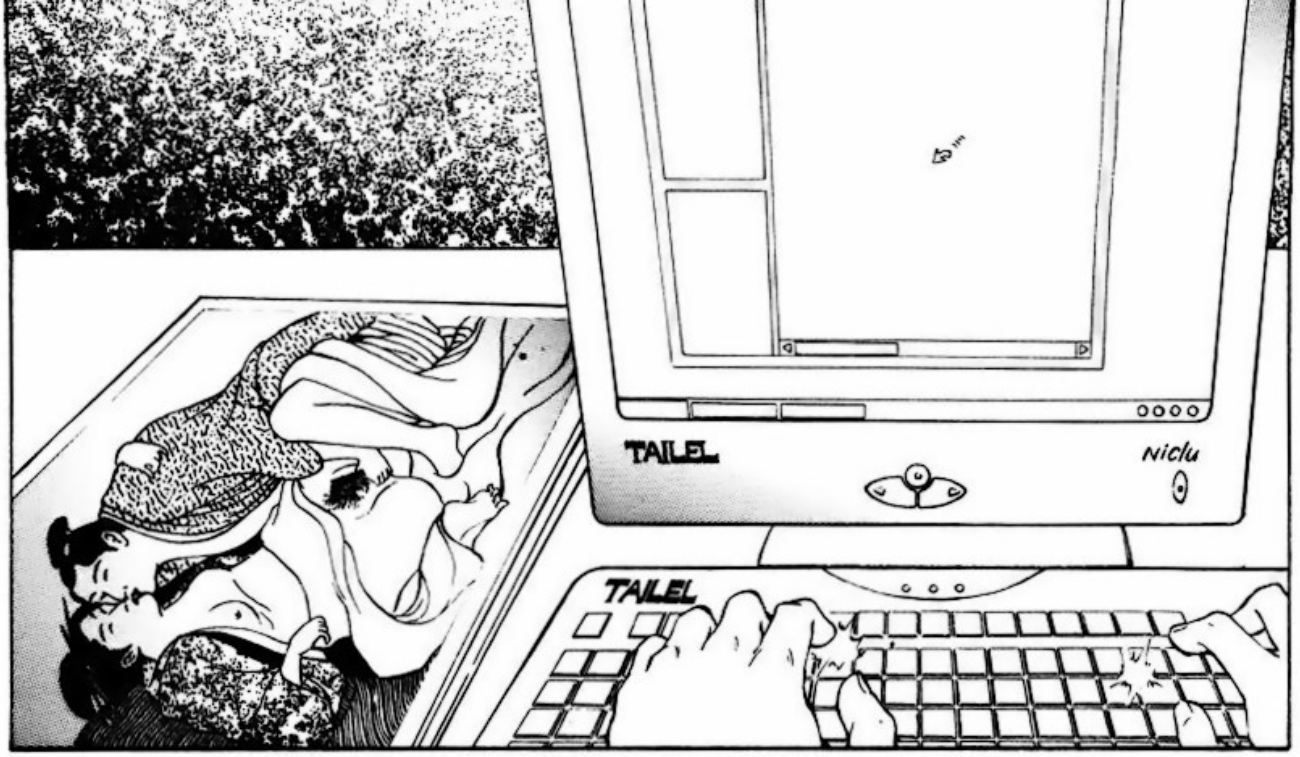

Ah!
THROB

Oh, Grandpa, why did you have to take forever in the bath?
Sorry, I fell asleep.
Grandpa, this is the chair of King Louis that I was telling you about.
Oh, I see. There's plenty of room for a person to fit in here.
.....
I wonder what this is?
STICK...
Not sure.
BA-DUMP BA-DUMP BA-DUMP

This is usually when she has her late night snack.
Seiko-san sure is taking a while...
Hmm ...
J-Just like the carpenter in the story, there's someone I'm in love with.
And I'd like to at least have my thirst quenched once in real life – not just in my dreams...!
Oh, he's not here.
.....
Yuusuke, sorry I'm late!
SQUEEZE
Ouch!
Well! He's probably slacking off again somewhere.
THUD
Ah, I'm sorry!
Ah! Yuusuke, what are you doing?! I can't forgive this prank!
I'll actually cut it off with scissors!
A-Any-thing but that...!

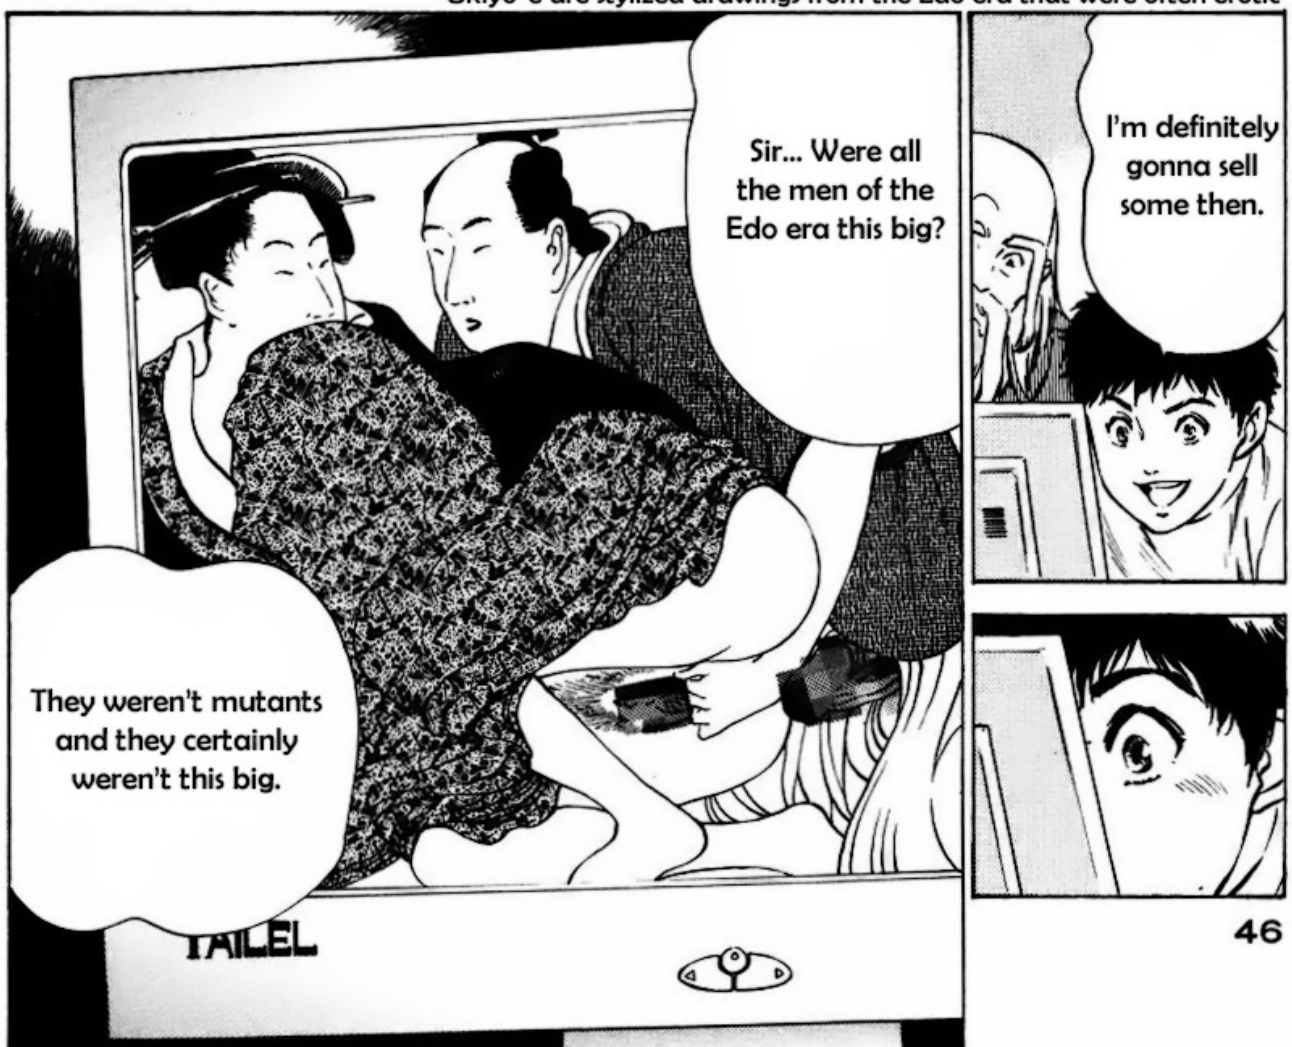

Chapter 3 -
The Edo Style Penis Enlarger

*Ukiyo-e are stylized drawings from the Edo era that were often erotic

Yes, sir.
CLICK
But never mind that - don't forget your normal duties.
Other than to enhance what the artist wanted us to see, I'm not sure.
Then why were they drawn this big?
Well then, let's take a little break.
CLUNK
FLAP
FLAP
If you ask me, drawings don't get young men off anymore these days.
I wonder if these things really work...
Penis enlarger...
If you use this every day for ten minutes... you will see results within... longer, big... length! Use the... with gravity for your penis... so that it can... faster to...
Hm?
FLAP...

PSSHT, PSSHT
Yuusuke, what are you doing?
I'm waiting.
Get bigger and bigger...
PSSHT, PSSHT

WHACK
It's gotten so big!
I did it, Ms. President, take a look.

Y-You can't mean...!
If it won't even fit, it's useless. Go away.
Then how about this size?
Y-Yuusuke, it won't fit.

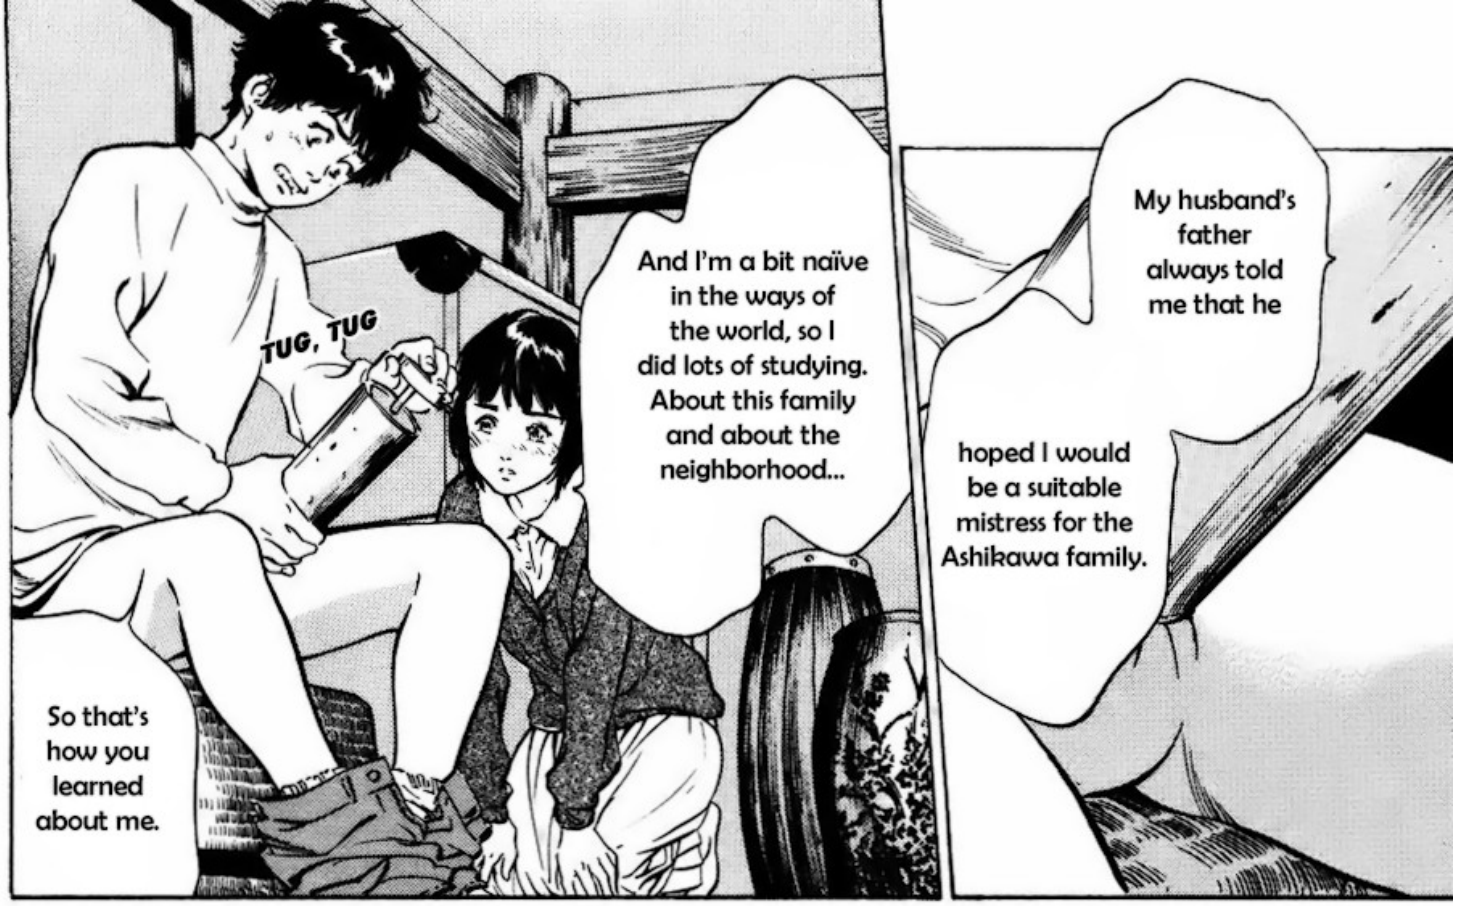

Yuusuke, what are you doing?
Ah!
Ms. P-President, nothing really.
Don't think you've finished work yet. I still need you to go somewhere for me.
Where to?
There's a mansion nearby owned by an old person named "Ashikawa", right?
They found this picture and want us to appraise it.
Is it an original?!
If it's genuine, it's very impressive. Go fetch it at once.
O-Okay, I'm on it.
See you later.
It's a priceless item, so be careful with it.
I will!
CLICK
.....
I can see why Yuusuke would be acting strange...

DING-DONG
Hello, Bankoku -ya here.
DING-DONG
Ashikawa estate
Ah.
Oh, I guess no one's home.
Ah, are you with Bankoku -ya?
Yes, um, I came about your Ukiyo-e picture...
Wow... pretty!
"BA-DUMP"
You know me?
Sorry to have kept you waiting. You're the one who always helps at the shop, aren't you?

I'm Ashikawa Youko. I haven't been part of this family for long.
Well, nice to meet you then. I'm Komori Yuusuke.
Well, we're neighbors.
My husband is away on business right now.
So I figured I'd clean out the closets while he was gone to give him a pleasant surprise when he comes home...
then I found that print...
大筒
Don't worry, I can handle this. I'm used to haggling.
Th-This is the print.
I'm sure my husband's late father collected them.
I haven't seen them before.

How impressive...
Yes, he's very big...
Ah, um... and I also found this.
Futozutsu
I don't really understand what this thing is...
Eh?
Eh?
What is it?
CREAK
Penis...?!
Maybe this is... an antique penis enlarger!
Ah...
I think it's...
CREAK
CREAK

So they used this tool to make their penises that big! It wasn't just enhanced for the picture!
This is a big discovery! No one knew anything about penis enlargement devices in the Edo era!
Yes, it is. I was wondering earlier why the man's penis in the picture was so big.
Ah, "penis" is the English word for a man's... you know... right?
Ah.
.....
All it needs is a simple test.
But to store something like this so carefully. Do you think it's actually... an enhancer for... that?
Then I'd like to see proof of its worth with my own eyes.
If it's an important new discovery, that will make my husband even prouder!
Sorry, I shouldn't do it here.
My bad...
Eh?
It's okay, please test it!

TUG, TUG
So that's how you learned about me.
And I'm a bit naïve in the ways of the world, so I did lots of studying. About this family and about the neighborhood...
My husband's father always told me that he
hoped I would be a suitable mistress for the Ashikawa family.

Youko -san...
It's the least I can do as his daughter-in-law.
My husband's father passed away, but I think he entrusted me with his antiques.

Huh ...?
It does look like it's grown a little...
But I'm not sure if it's because of this device or not...

Okay ...
Let me see.

Oh!
POP

Well, did it get bigger?
I feel like it's being tugged on...

I get it. Then let's try it.
Which means that if you get even larger than you are now, the device works.
Ah, I get it. You mean, use it when I'm aroused!
I think you should use it in the situation where you'd be the biggest possible size anyway.
If I could arouse you...
...Which is easy to suggest, but there isn't anything arousing around here...
SLIP...
Y-Youko-san!
Yuusuke -san....
Um...

Youko -san...
Mm...
SLURP
!
CHOMP
SLURP
Ahh!
SLURP
This is as big as you'll get.
Mm... amazing... it's gotten bigger...
SLURP
SHAKE
SHAKE
Ah, this feels great...
SHAKE

So if it gets even larger than this, the device is genuine.
Okay.
How does it feel?
SQUEEZE
Ahh... It... it feels like it's sucking it out...
STRETCH...
POP
SLIP
Nnn... Youko-san, I can't take anymore.
Please take it off.
SQUEEZE

W-Wow.
It's gotten bigger than before.
So... so this validates my abilities as an appraiser.
I'm throbbing down there.
Ah!
NUDGE
Youko-san, what are you doing?!
Mm.

I'm not sure. Just the sight of how big you were...
Got me terribly aroused...
Ah!
Nn ...
Youko-san.
I can't hold myself back anymore.
Wah...
Ahh!
PSSSHT

So big...
I'm all filled up.
Ah!
Ah...
Youko-san, your insides are so tight - they feel wonderful.
I'm not normally this perverted.
I understand. You're doing this to test the limits of the penis enlarger, right?
Y-Yes, I am.
SHHTP
SHHTP

Nnngahh!
Y-Yes, you're right!
You need to test things out fully to be sure... right?!
Youko-san... It's gotten much bigger, hasn't it?!
PSSSHT
Yes. I've never had anything this big in me.
So my hypothesis was proved correct.
Yes, it was.
NUDGE
NUDGE

Me too...
I'm almost there.
NUDGE
THRUST
I'm about to cum.
THRUST
Ahh, I can't hold back anymore.
Okay...
SLAP
SLAP
Yuusuke-san, let's...
let's cum together.
Me too...
Youko -san, it's coming...
SLAP
SLAP

Ahhhh!
THROB

Does this really... make that bigger?
I brought the device back from the Ashikawa family.
That's right. It's a big historical discovery!
A penis enlarger?!
A bamboo cannon?!
Ohhh, this brings back memories. This is a bamboo cannon I used to play with when I was a kid.
Oh.
If you want proof, I've got it...
Yuusuke,
whatever happened to the original reason you went there?
So it wasn't a penis enlarger...
POP
And then ...
That's right. You'd crumple a piece of paper like this...
CRINKLE
BONK
Jeez, you're ALWAYS like this!
Ow, that hurts.
BONK
Take that!
Oops... I forgot about the Ukiyo-e.
That's how we played with it.
SQUEEZE
Then put your paper "bullet" into the pipe.

SEIKO-SAN?!
YUUSUKE...

SFX: Drag
What are you doing here...?
Mountain dwellers warm each other by snuggling in the nude.
Now, take off your clothes
Eh, uh... sure!
See, isn't it much warmer?
Yes. My crotch is pulsing with warmth.
Seiko-san, I can't hold back. Can I put it in?!

SFX: BAM

I'M DOCKING SOME OF YOUR PAY FOR TARDINESS.
MS. PRESIDENT, WHAT IS THAT THING?
EH?
OH, THIS?
WHEN I OPENED THE SHOP TODAY, THIS WAS HANGING FROM A BAG ON THE DOOR.
THIS MEMO WAS WITH IT.
IT SEEMS LIKE IT'S ADDRESSED TO YOU.
TO ME?
WONDER WHO IT'S FROM.
IT'S FROM REIKO-SAN.
AH, IT'S...
YUUSUKE-SAN,
AFTER SIFTING THROUGH MY HUSBAND'S PERSONAL EFFECTS, I FOUND ALL SORTS OF STRANGE THINGS. MOST OF THESE ARE BOTTLES. WOULD YOU PLEASE COME TO MY HOUSE FOR AN APPRAISAL? THIS WINE IS FOR YOU - PLEASE ENJOY IT.
REIKO
YUUSUKE, WHO'S THIS "REIKO"?
EH?
FIRST SHE HANGS THIS ON MY DOOR, THEN GIVES YOU PERSONAL ORDERS - SHE SEEMS AWFULLY PUSHY TO ME.

Oh, please, Ms. President. Surely you remember Reiko.
From that treasure mansion.
That's right. She's a good client. She and I don't have any personal relationship or anything...
Ahh, that's right... I get it.
Oh crap. Oh crap.
But what is this wine bottle?
It looks strange.
Yes. I've seen this in African liquor before.
It's to ward off evil spirits.
Eh?
Oh... you mean from the Uesugi family...
Evil spirits...
Yes... You put these statues on your doors or walls of your house to keep disaster at bay.
Oh...
But why is it on a wine bottle?
That's what you're supposed to investigate.
No customers will come here in this snow, so take your time.
SFX: Waft
And I think I'll indulge in a little of this wine myself... hmhmhm.
Ah, Yusuke, you can't join me. You have to work.
Y-Yes, ma'am.
See you later.

Well then, please come in.
Reiko-san, I came for an appraisal.
Welcome, Yuusuke-san.
It must have been difficult in this snow.
Don't worry - I don't mind the cold.
Oh.
Thanks.
Reiko-san is sexy as always...

When I went to Bankoku-ya this morning, you weren't in yet,
so I left that bottle on the door.

Yuusuke-san, did you like the wine?
Oh, I didn't taste it yet. I came straight over here.

She walked in the snow for me...

Is this it?... My boss told me that Africans use it to ward off evil spirits.
Yes, it's a charm against evil.
So you hang these on your doors and walls...

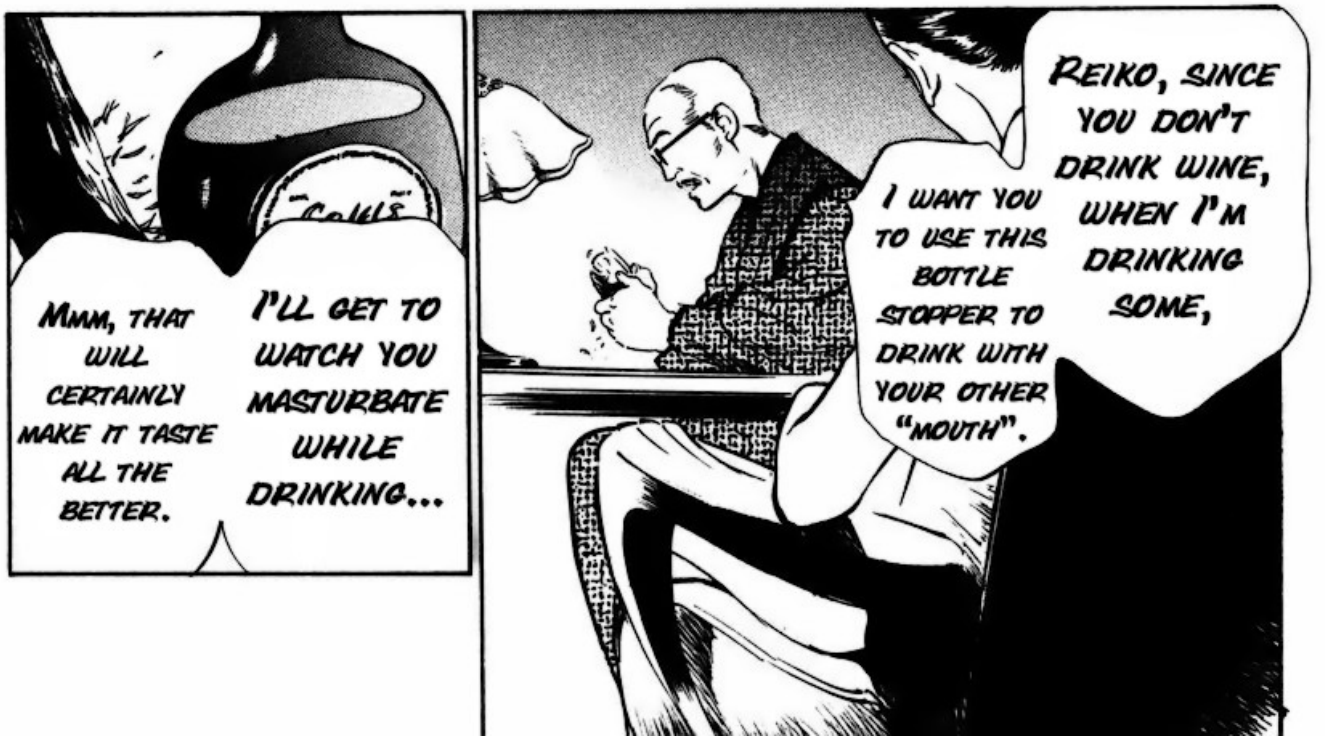

Oh, really ...

Yes...
Desire?
Yes. It's placed at a woman's "door" to protect her from desire.
SFX: POP...
That's too sudden!
Wah... Reiko-san...
Her desire for men.
Yuusuke-san, take a good look at the exact shape of this statue.
SFX: BLUSH, BLUSH
Eh?
Isn't the top of his head abnormally extended and rounded?
Almost like a penis tip.
N-Now that you mention it...

Yes...
Well, Reiko, does it fit well?
My husband made this for me.
Your husband did?!
He used an African doll as a model.

I see.
stick

I want it to feel more like a large bean.
But can you make it a bit smoother ...?

Mmm, that will certainly make it taste all the better.
I'll get to watch you masturbate while drinking...

I want you to use this bottle stopper to drink with your other "mouth".
