Chi-Chan was raped by the monster.

This is a cave of a trial where a fighter self-trains.

The lizard man appeared.

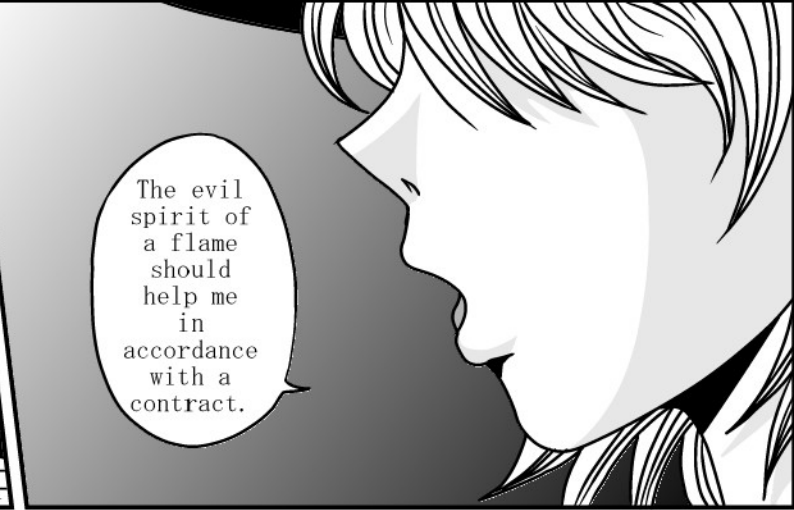

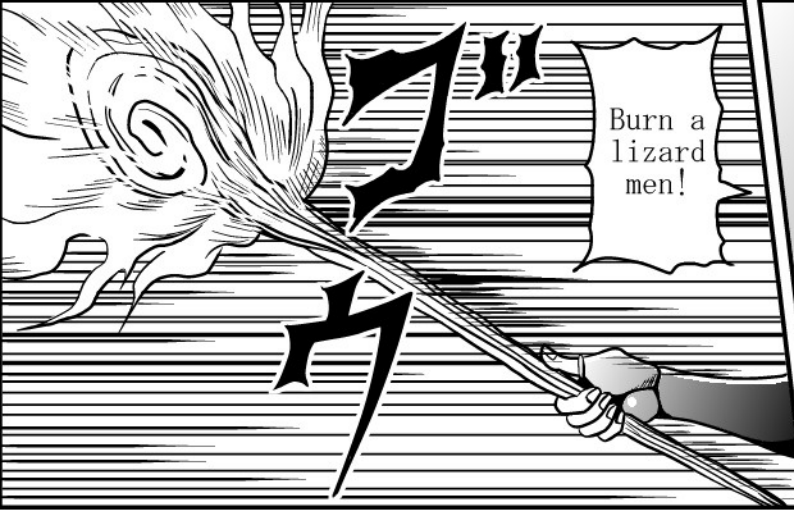

I'm fearful. It's dark.

Thank you for reading this book.
My pen name is a Muscleman.
I'm a Japanese.
Doujinsi is a parody of anime, comics, or a game.
However, this Doujinsi is my original.
The design of clothes imitated.
I was able to draw original comics happily.
I would like to draw a sequel, if this book sells.
