呪われ姫

Cursed Prince

Presented by dicca*suemitsu.

When the queen was old enough, she would search all around the country for a man to marry.

The man who was chosen would blissfully spend the rest of his life in the royal palace.

In a certain place, there was a country that generation after generation was ruled by a queen.

There was once a queen who had the most lovely of looks.

She took pleasure in all of the men throughout the land who were fascinated by her beauty

However, that pleasure --

gradually changed into tyranny and cruelty.

The men's mothers
would learn of their
liveliness in the royal
palace and how they
were unable to return
home and had died.
They mourned the
losses of their sons.

There was no notification of a
princess being born.

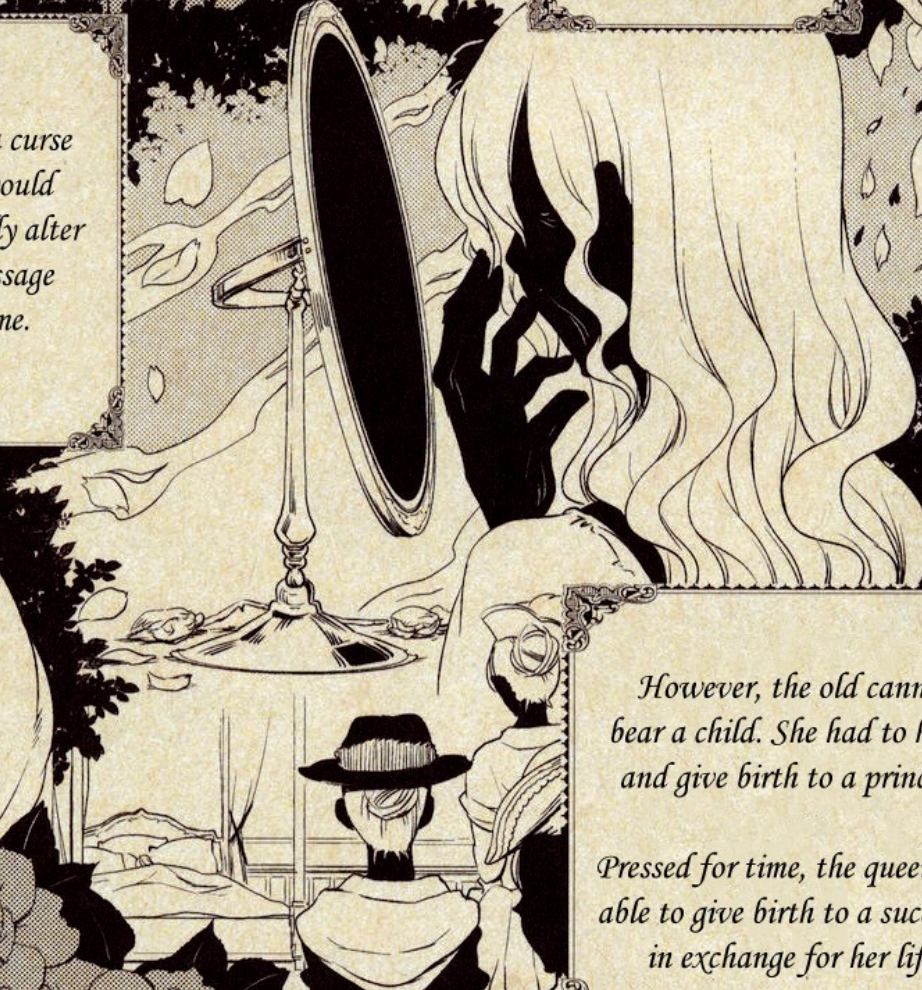

Neither if any husband had
been chosen.

The royal government was
completely in disorder.

They urged a
traveling witch
doctor to lay
a curse on
the queen.

into hatred, and
that hatred turned
into a curse:

It was a curse
that would
drastically alter
her passage
of time.

Like a beautiful
flower starting to
wither, the queen
rapidly grew old.

However, the old cannot
bear a child. She had to hurry
and give birth to a princess.

Pressed for time, the queen was
able to give birth to a successor
in exchange for her life.

Well... I think
it's best if
you don't...

How is... the
princess doing
today...?

However...

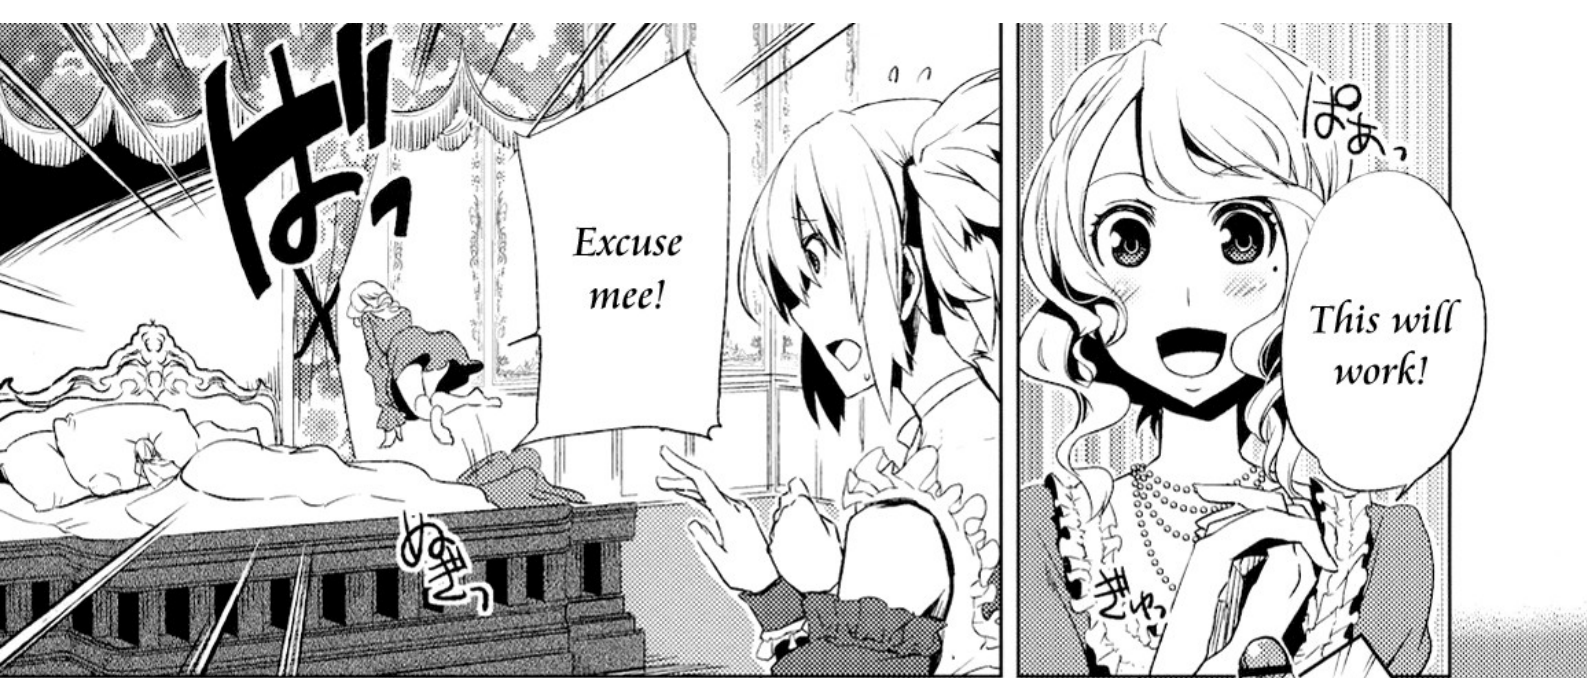

The born
heir --

Good morning, Primula!

SQUELCH!

nnhaaaa!?

Aha

Hie!?

HAA

Hurry!
Please hurry and ejaculate!

No... Noo!
I caan't!

I told
you not
to do it.

Doing it
just as he
wakes up.
You're
pushing
him too
hard...

But we have
to have a
baby as soon
as possible...

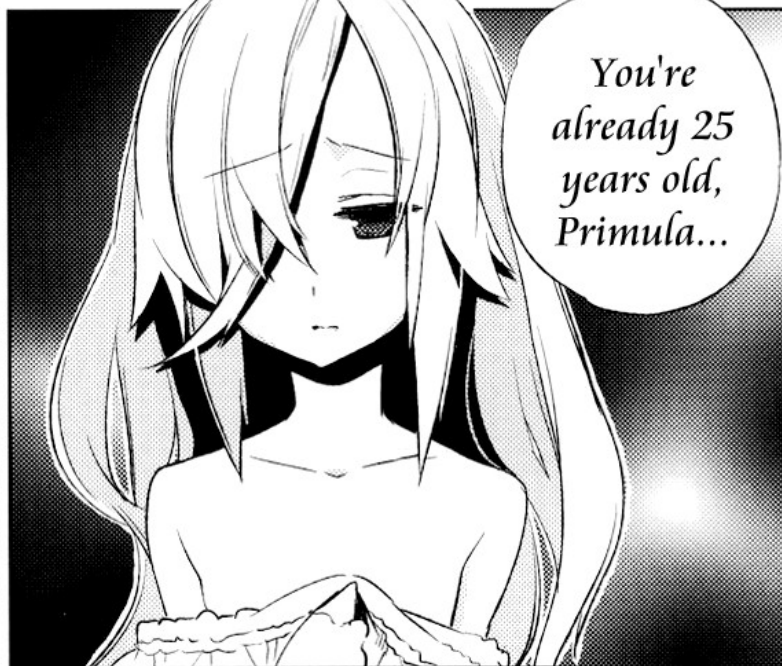

I guess it
didn't work
today
either...

I've got to keep
trying and become
pregnant with your
child, or our people
will get worried
again!

Primula is
the prince of
this country.

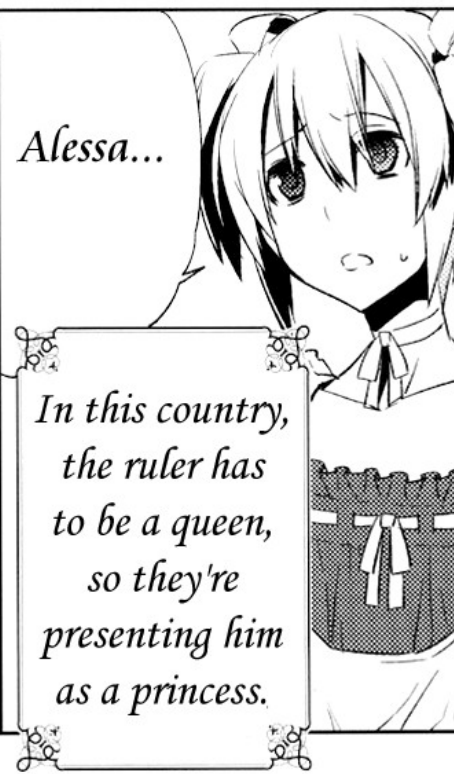

You're
already 25
years old,
Primula...

N- not at all!
It is I
who should
apologize!

But even
though he's 25
years old, he
looks younger
than me, and
I'm 15.

I'm sorry.
It's because
I'm such a...

Alessa...

In this country,
the ruler has
to be a queen,
so they're
presenting him
as a princess.

But
Prince Primula's
passage of time...

was so slow to the
point that people
around him --

felt
uncomfort-
able.

When I was 10,
I began to work as
palace staff. In order
to not make the
prince feel uneasy,
I was also made
to wear female
clothing...

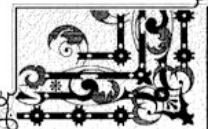

That was in
order to carry
over the royal
blood,

and to give
birth to a
successor with
Alessa, and
attain political
power.

Born the same
year, the girl
orphan called
Alessa became
the substitute.

The royal court
concealed the
unwanted born
child, that had
taken over the
curse and couldn't
become a queen.

The only ones
who stick up for
Primula in the
royal court are me
and Alessa.

I'm
so sorry,
Roos.

I'll take it
from here,
Alessa.

I failed
again...

Even though
I'm a princess,
I have to become a
father, don't I?

I'm sorry.
It's always
impossible for
me...

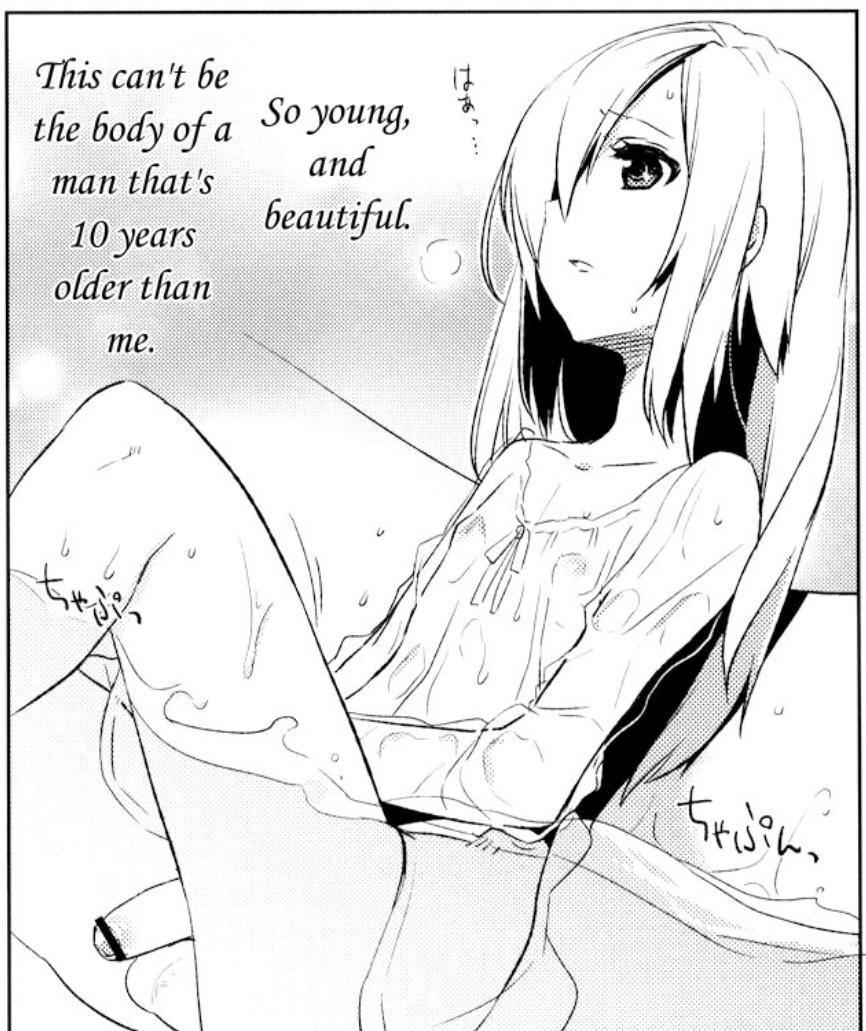

That's right.

Oh, please
don't worry
about it.

As I've
grown, my
heart has
started to
make sense
of this
fascination.

Roos...
Roos?

This can't be
the body of a
man that's
10 years
older than
me.

So young,
and
beautiful.

But I love
you, Roos.

Am I
wrong?

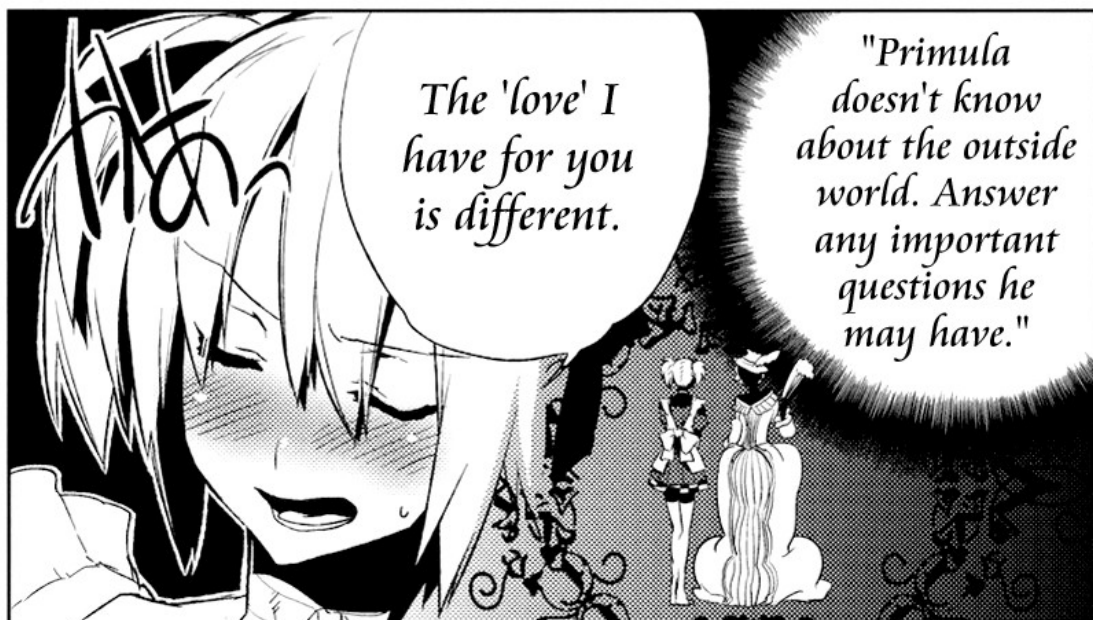

Your 'love'
comes from
the feeling of
loneliness of
not having
any parents,
right?

... That
'love' is just
to show
goodwill
towards
your serv-
ants, isn't
it...?

Pf...
Please
look...

The 'love' I
have for you
is different.

"Primula
doesn't know
about the outside
world. Answer
any important
questions he
may have."

I- I see!

N-no!

My body
does this
to
prepare
for the
semen to
come out.

Wah...
Something
came out.
Did you need
to pee?

This is that
thing I have
to do, right!?

How do I
make it
come out!?

Teach me
how to do it!
I'll... --

Primula...

They say
that everyone
in the
country are
disappointed
too.

I fail to do it
every morn-
ing, and
make Alessa
sad. I feel so
cornered.

I'll give
it my
best!!

Primula...
is being so
serious...

I'll help
you too!

"Help
me"!?

What
happens
then?

Then
move it
up and
down.

Like
this?

I under-
stand... Can
you hold it
with your
hand?

and it'll
start to feel
good...

I begin to feel
ticklish in my
chest,

Primula's
slender fingers
that I've
always
dreamt of
are...

Grip it harder!

Roos, does it feel good?

Ye-
Yes.

That's right. You're a man as expected, Primula.

Nh
Like this? It doesn't hurt?

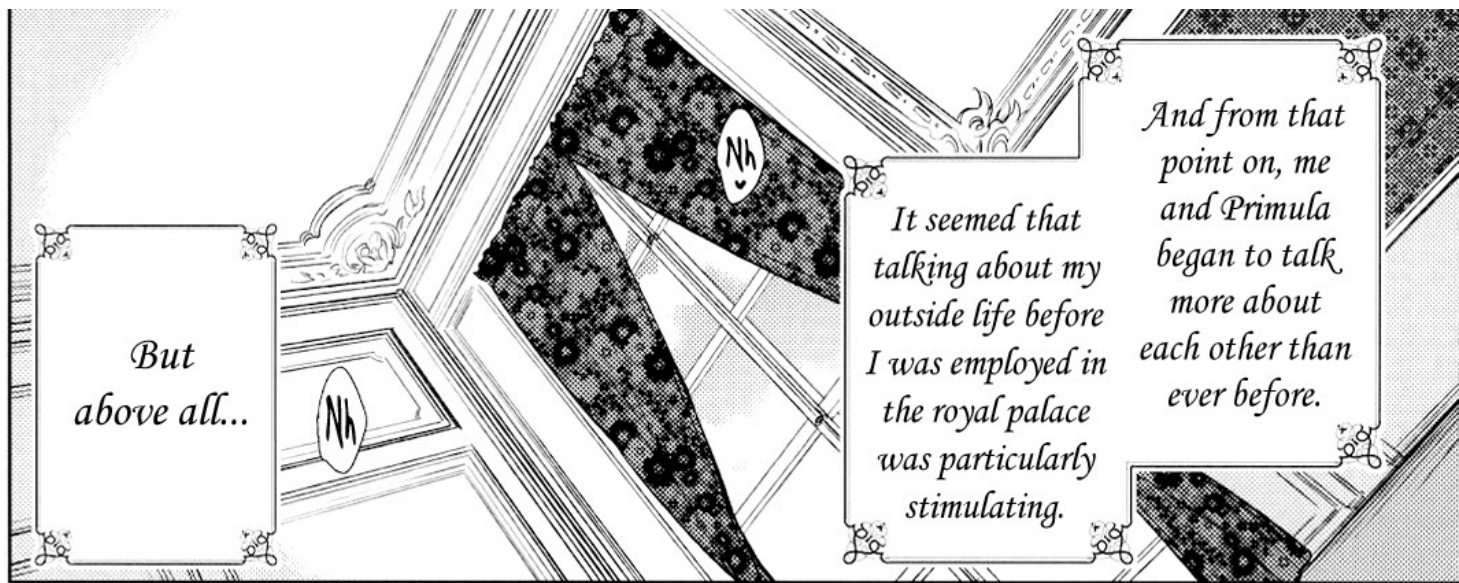

Please grip it with all your might.

It feels like it's all getting squeezed out...

So strong...

You love it
when I do
it with my
mouth,
right?

I love YOU,
Roos.

If- If you
lick it like
that...

I'll ejacu-
late right
away!!

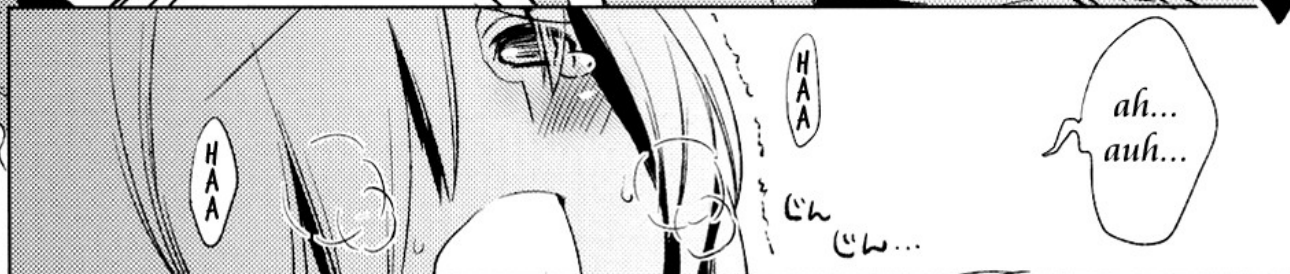

ahn!!

Primu-
laaaa!

Uwaaa-
aaah!?

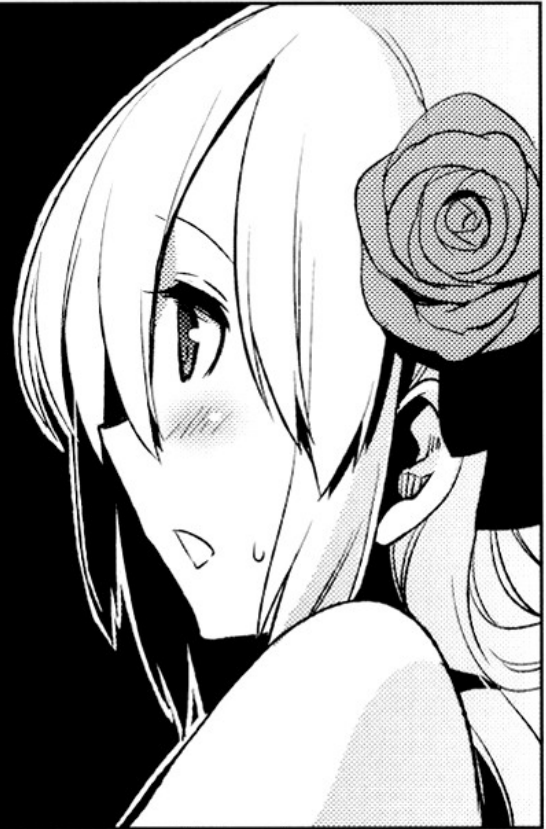

*That thing
I do with
Alessa...*

S- say...

*Can't I do it
with you,
Roos?*

*u- uu...
I know a
way we
can do
it...*

*You
know so
much,
Roos!*

Eeh!?

We can't?

*It's not
like we
can't,
but-!!*

*U- umm...
I'm a guy,
so... I don't
have...*

loosen my
butthole
like this.

You...

Ha!

Ha

<ty

<ty

<ty

HAA

... But,
somehow

Your penis
got big...
Roos.

It's
starting
to...

AAH

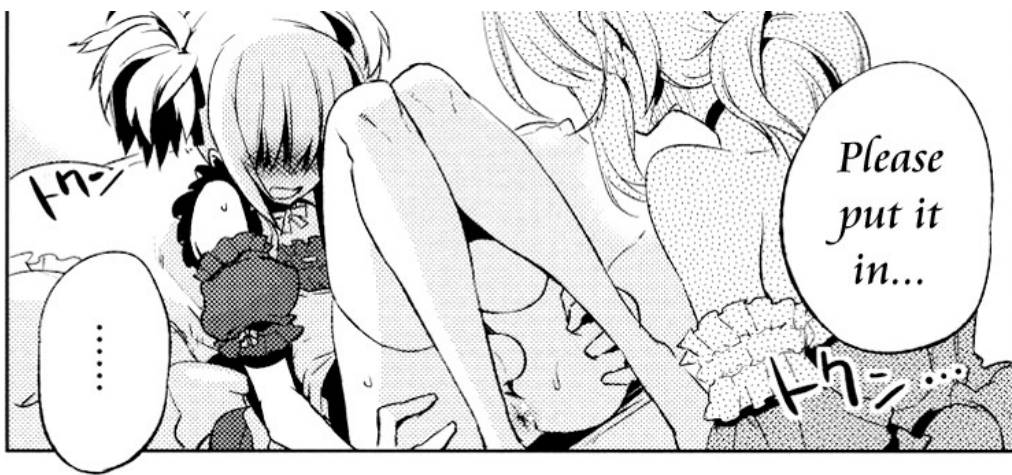

It- It's
embar-
rassing!

I think... I
want to put
my penis in
your butt,
Roos...

I... I...

My breasts
and penis
feel so good! ♡

Please
make
yourself
feel good! ♡

Oh no...
I can't
ejaculate
inside a
woman,

yet I
can do
it so
much

in Roos's
butt...

fufu

ehehehe

You two
have been
getting very
close lately,
haven't
you?

And so...

We made
love every
day.
Although
under the
pretext that
it was for
Alessa's sake.

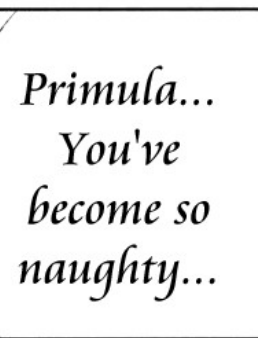

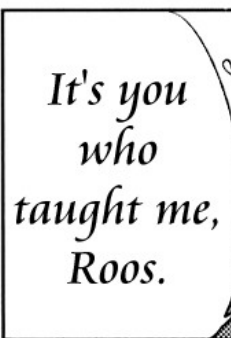

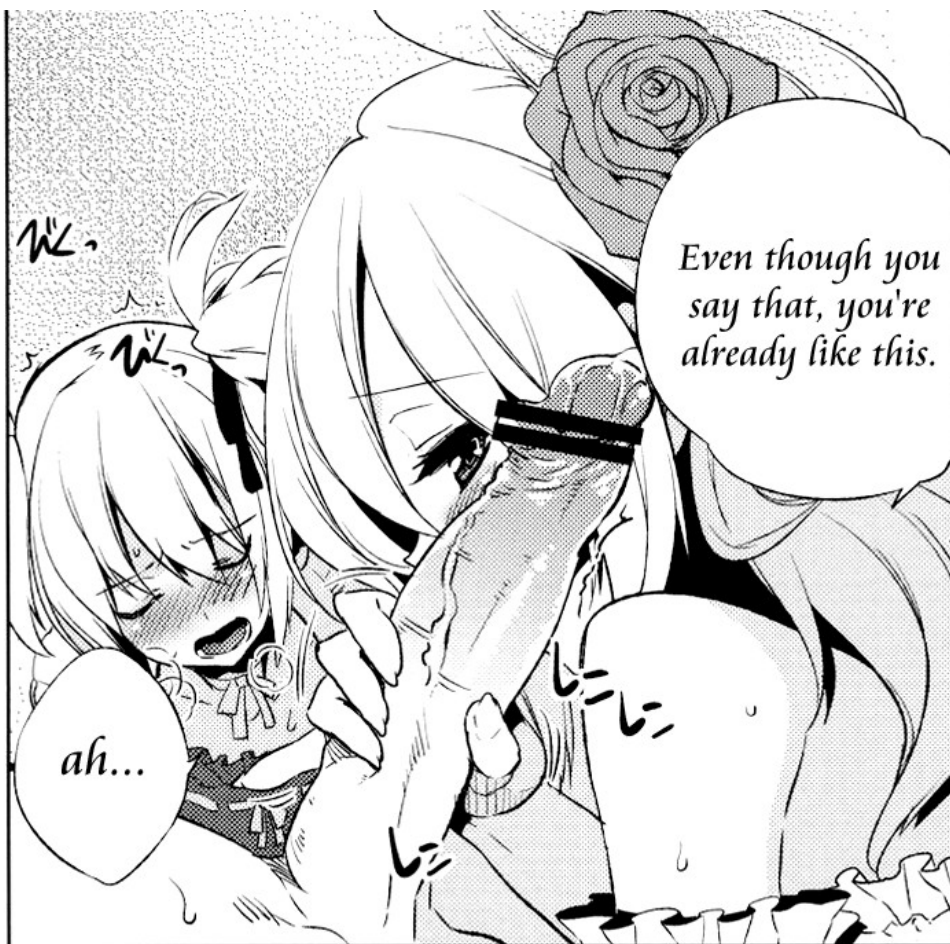

It's
as if...

if you put
your penis
inside me
instead,
Roos.

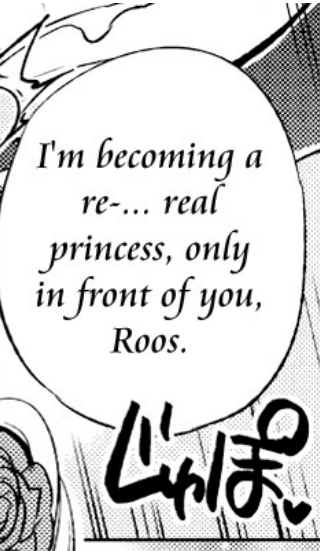

I think I'll be
able to let out
even more
semen,

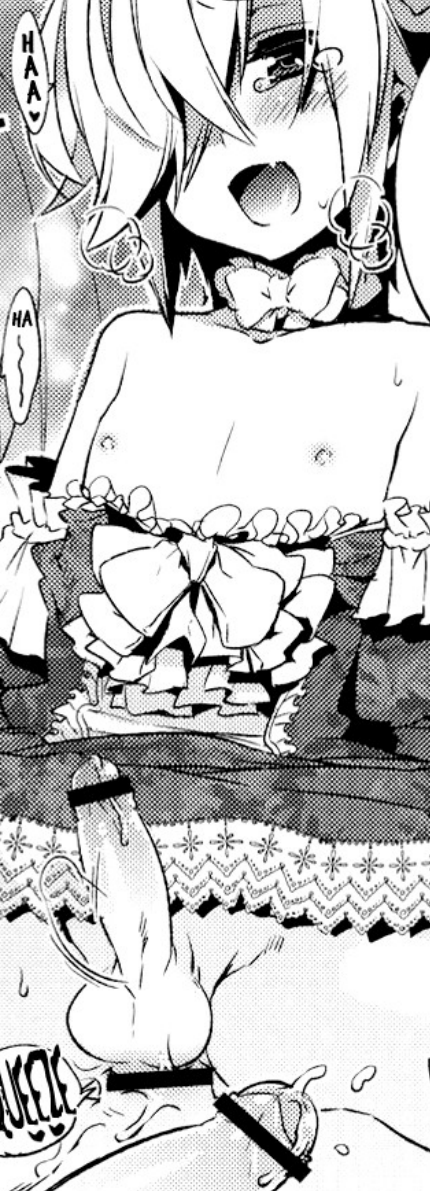

Please...

I'm becoming a re-... real princess, only in front of you, Roos.

Primula...

fill up my insides with your penis, Roos...

Primula!!

NGH!

I love you
so much!

ahaa

Your penis
is so hard,
Roos...

SLUCH

I love you
too,
Primula...

khah!

Just seeing my
dick go in and
out of you...

makes it
feel like it's
going to
melt...!!

AH
AH
AHN!

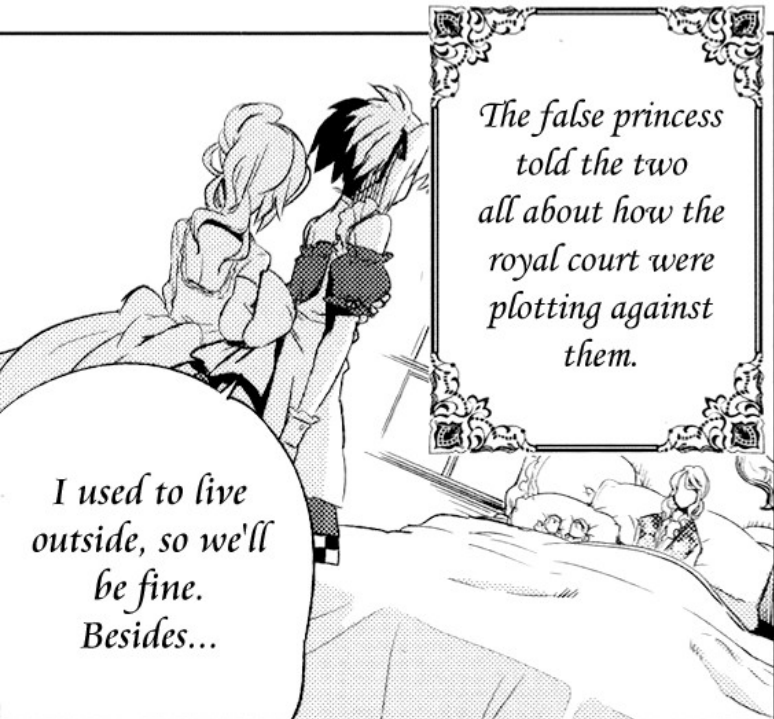

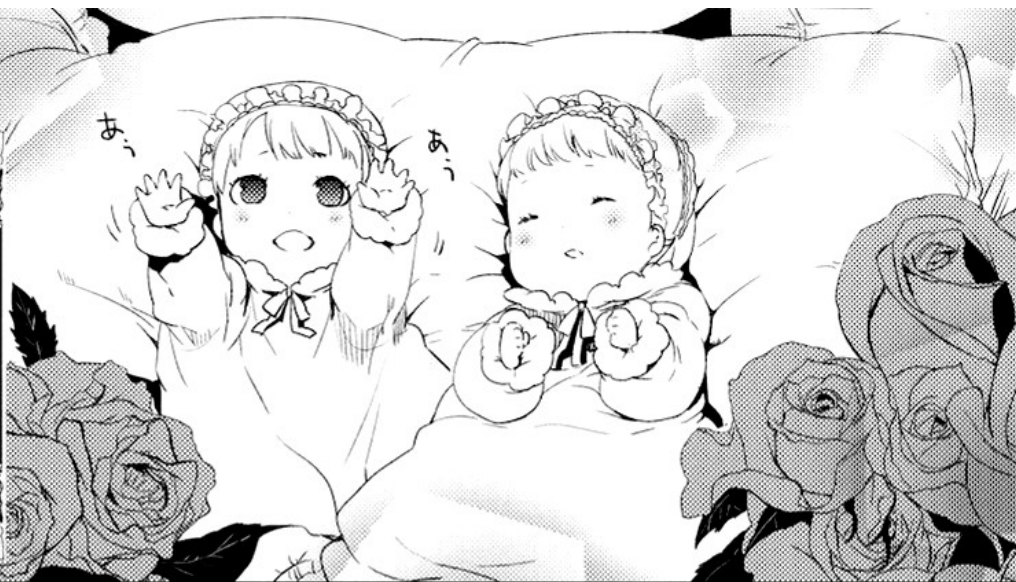

10 months later

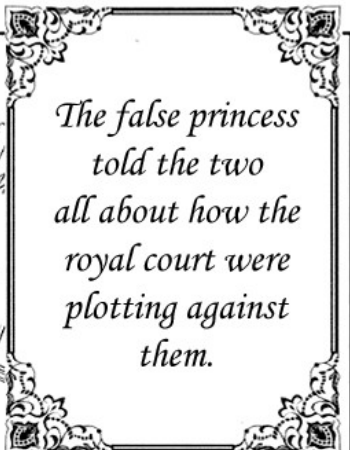

were finally able
to give birth to
an heir.

I used to live
outside, so we'll
be fine.
Besides...

The false princess
told the two
all about how the
royal court were
plotting against
them.

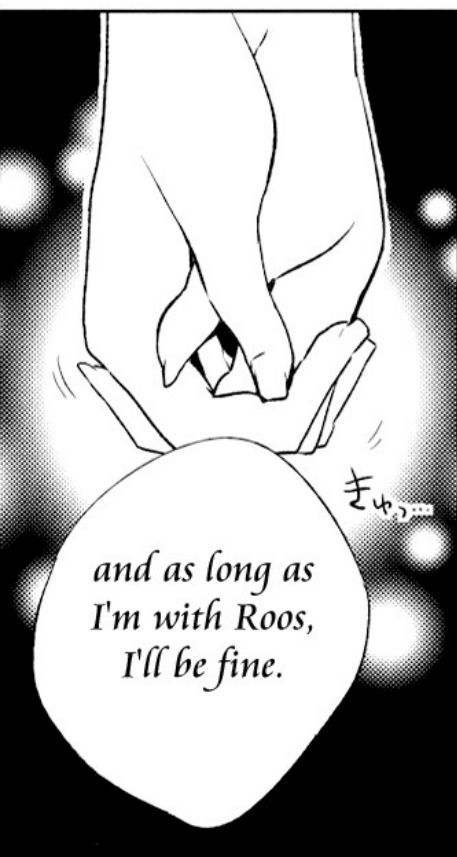

Then... I'll
leave this
place to-
gether with
Primula.

Will you be
all right...?

However,
everyone in the
royal court

found it
objectionable
to keep the
cursed prince
in the royal
palace.

and as long as
I'm with Roos,
I'll be fine.

I want to
see what
the outside
is like...

getting to
return to
being a man
again after 6
years isn't so
bad either!

Alessa...

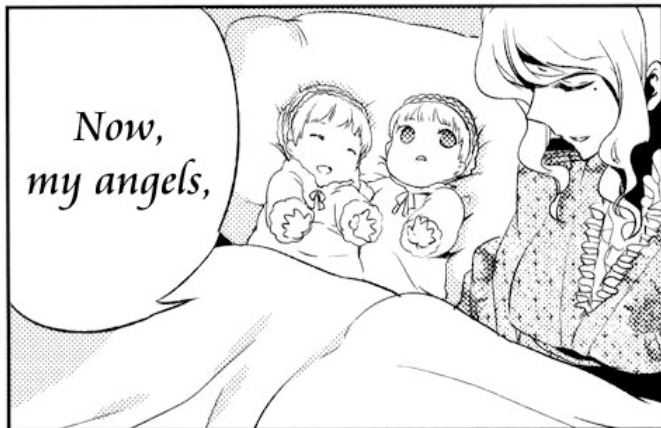

You have
been like a
brother and
sister to me.

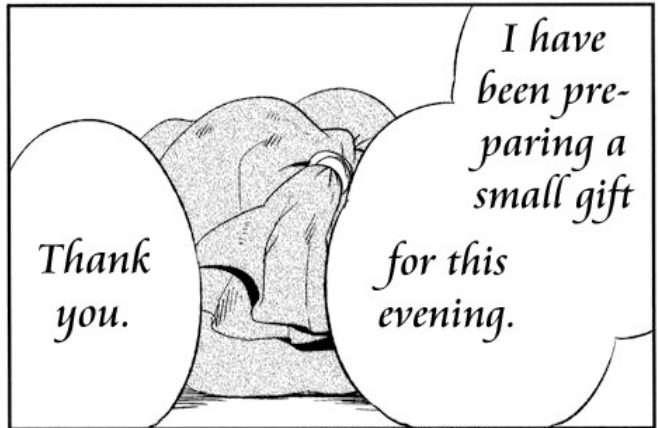

I'll be lonely,
but it's more
important
for you two
to keep on
living.

I see...

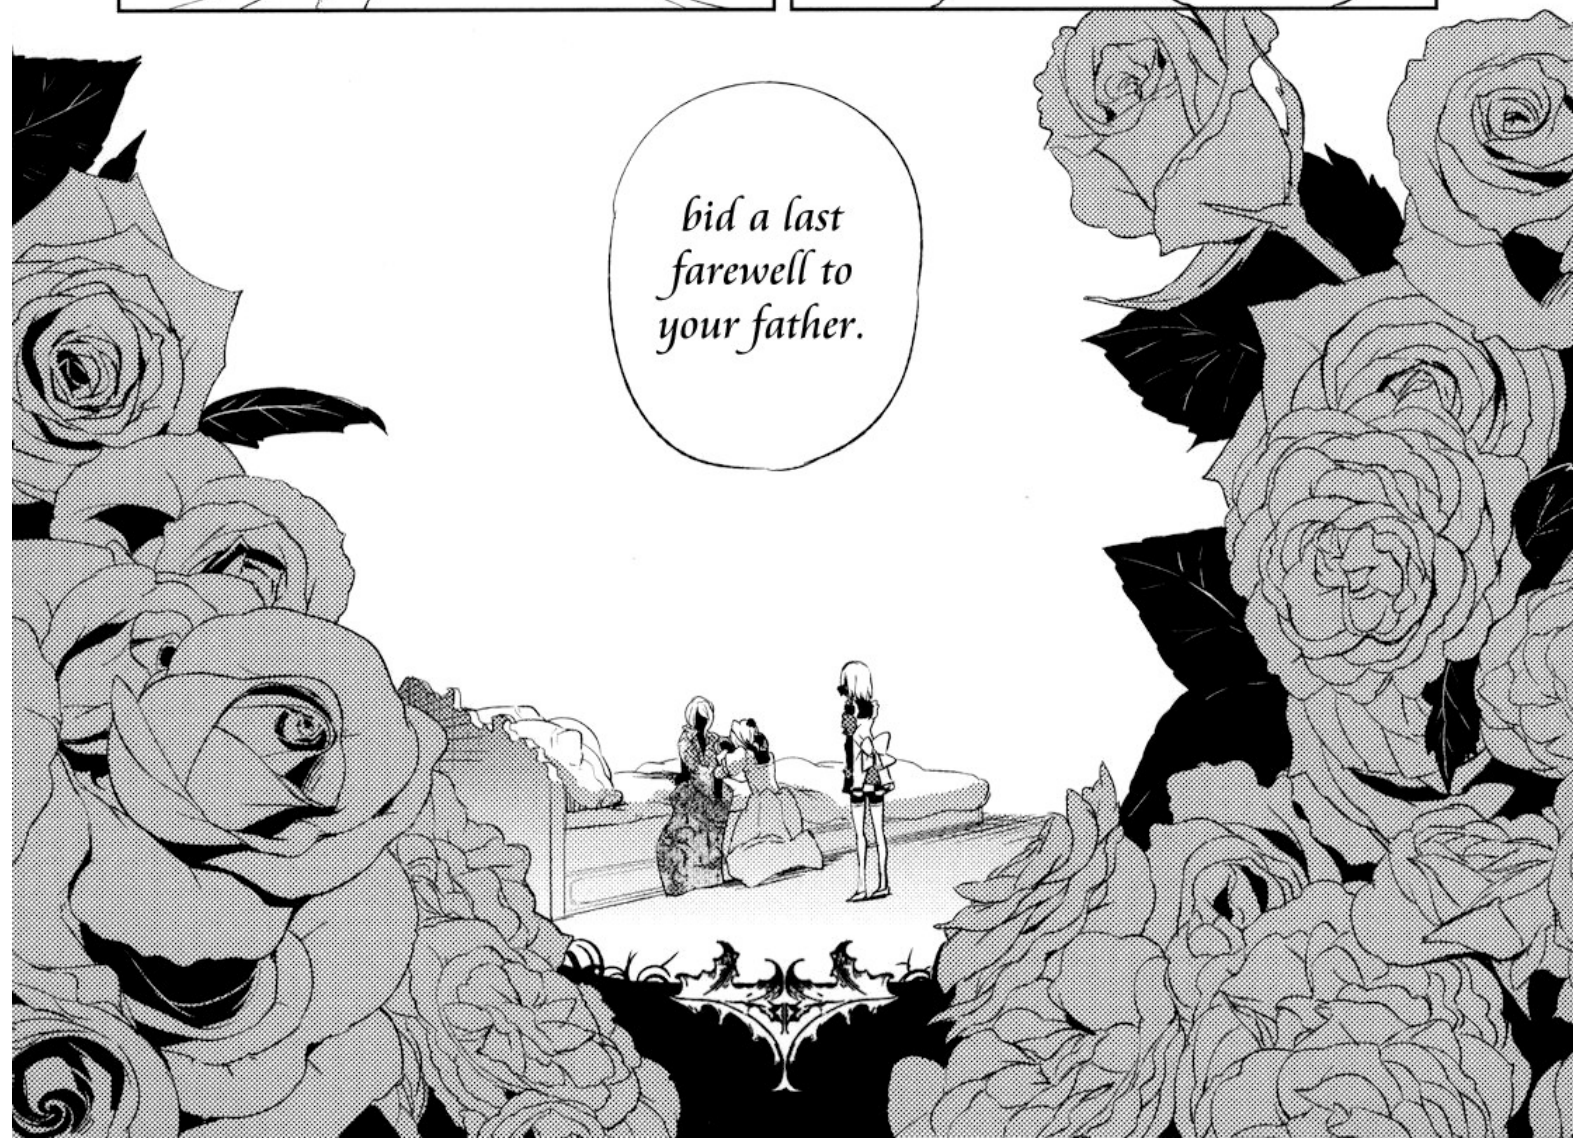

Now,
my angels,

Thank
you.

I have
been pre-
paring a
small gift
for this
evening.

bid a last
farewell to
your father.

And thus, the shadow of the curse disappeared and everyone in the royal palace returned to peace.

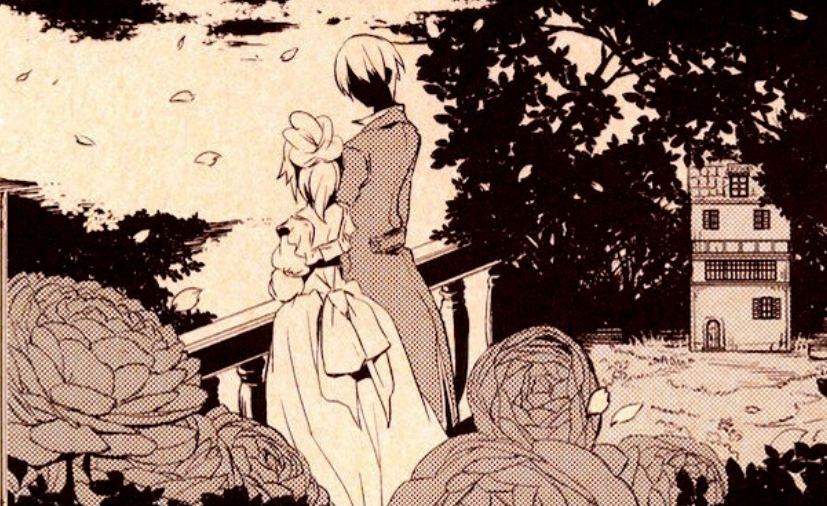

The country was once more ushered in prosperity.

As the sun sets, the cursed prince and his servant got on the horse and left the castle behind.

The cursed prince and his servant gently watched over the royal palace.

And in the forest at the outskirts of the country,

And they lived happily ever after.

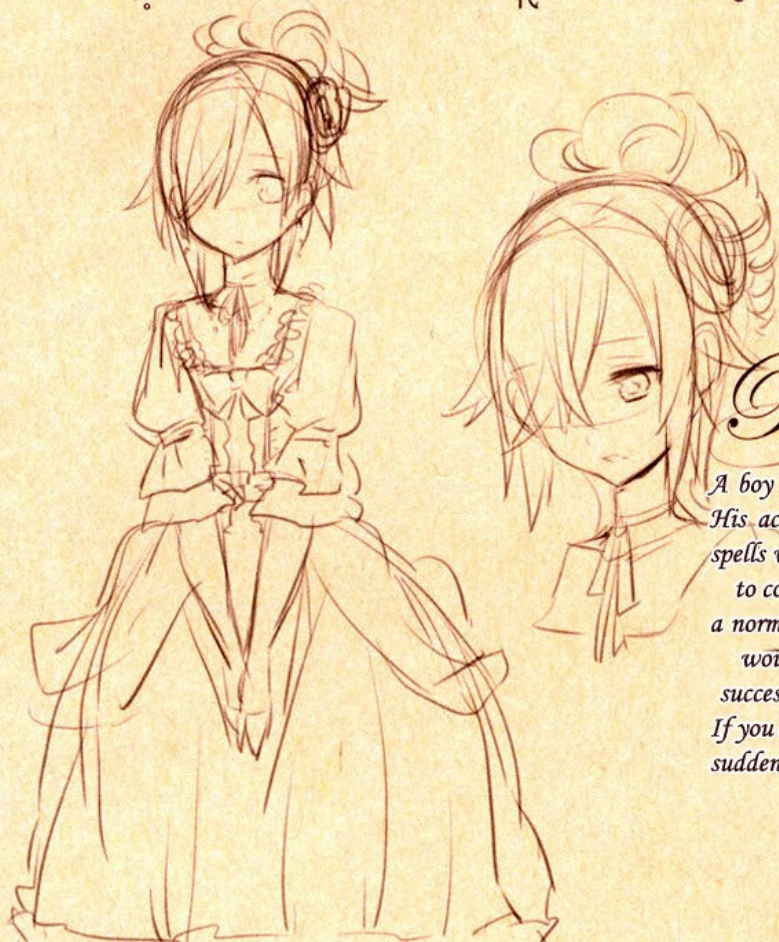

End.

Primula

A boy that's forced by circumstances to wear female clothing. His actual age is 25. His unawareness of his homosexuality spells various disasters. The curse causes his body's aging curve to come to a halt at around 20 years of age. In case he was a normal young man that wasn't cursed, it's likely that it still wouldn't solve the problem of having a homosexual as the successor. His life span is no different from a normal person's. If you don't count his age, his natural death will come across as sudden. He's named after the genus of Primula, which includes such plants as primroses, cowslips and cyclamens.

なぜ今回ハードカバーでこんなロマンな装丁なのかというのは、絵本のような内容で絵本のような同人誌を作ってみたかったのです。

女装のエロ同人誌に装丁なんか要らない。エロさえ読めればいい、と思われるんだろな、と思ったりはしたのですが（しかも、お話や心情重視で描きたかったのでエロ描写も結構ソフトになってしまいました……）、やりたいことをやるのが同人誌です。少々お値段の張るものになってしまっているかもしれませんが、今実際に本を手にとってみてください。

童話にはいろんなお姫様の話がたくさんあります。お姫様というのは、女の子ならだれでも憧れるような、女の子の夢の頂点に立つお姫様という立場に男の子を放り込んでやったらどうなるだろう。そして、お姫様が絶対的な立場にならない、王室ファンタジーをやってみよう。そんな気持ちで呪わ

Roos

A boy that's forced by authority to wear female clothing. On the grounds that his body had sexual features, he was employed when he was a child to work in the royal court by a middle-aged lady. He was instructed to be the Princess' servant as a side job, and when he saw Primula's beauty for the first time, his "primary job" became impossible. He was almost fired as a result, but he continues to indirectly take care the princess, as a pawn of the authority. He's named after a real life movie producer.

れ姫プリムラを描いてみました。でもだいたい歴史上のお姫様ってあまり絶対的な立場になってませんよね。（このお話では意図的に、前権力者の罪被りをさせられてるからなおさらです）

女装少年の魅力はいろいろありますが、歪さにこそ魅力を感じます。あまりうまくない、男を隠しきれない女装による歪さ。素晴らしい女装で男を感じさせないのに、スカートをめくると女の子ではないという、歪さ。その場の空気を歪められ、心が引きずり込まれる感覚こそ、魅力ではないかとおもいます。決して、美少女の亜種ではないと思っています。

そしてこれは去年、ゲスト原稿『返り血姫』を寄稿したときのコメントに書いたのですが、女装少年はかわいければいい、だけじゃないと思っています。理由があり、葛藤がある。少年の未熟さゆえに、過ちを犯してしまう危うさ。少年ゆえに戦う男らしさと相反する外見の可愛らしさがあるのです。

こういったものを掲げて作品をこれからも作っていければと思います。

またいつか、よろしくお願い致します。

Before the death of the queen, princess sisters know the
truth, I searched through the woods.

"Father, please come back."

The forest remains quiet.
The wind brings the scent of flowers only.

Eventually, the two sisters found a little old house.
The little house is empty.
However, there are pink flowers bloom, butterflies dancing
was golden.

Like butterflies love the flowers.
Flower stands as a dwelling place was a butterfly.

Gentle breeze and the scent is consoled her sister.

Forever, forever.
