it's still
growing...

PREFACE

Foreword

Hello.

The fact that you are reading this book means that I made it in time. Good thing it didn't turn out like the last time.

Well then, this time it's a book on Putanari. And as always, it's featuring my original characters. So, I would like to say that I'm very grateful that you keep buying my works, even despite them not being parodies and poor quality of the pictures. And even though I wasn't specifically doing this in order to show you my gratitude, there is more sex in this book than usual. Basically, I did it because I really enjoy writing porn manga, but when I looked at my previous works, there were quite a few things I regretted.

Therefore, nothing would make me happier than knowing that this let even a single new reader put my book to use. Well then, have fun!

Kesson Shoujo

Episode 1
" Not Alone "

Ahh, the
afternoon
classes are
so tiring,
huh?

Uahh!

Oh, well...
Why don't
I just
skip them?

Huh?

Hey!
Get in
here
already!

Do you even understand what position you're in right now?

Well, if you got it, then answer me!

Eek!

So, you see, Akira here really likes you! Good for you, huh?

What
the
hell is
that!?

Well, I
was really
surprised
when I saw
that, while
trying to
catch her
on a spy
cam too!

What...
What
is she?
A homo?

Oh,
don't be
an idiot!
It's not
like that!
Look
closer!

By the way,
they are
even better
than I have
imagined!

Could
a homo
ever have
awesome
things like
these?

Oh, no!

Let's see here...
Why don't I give
them a taste
just as well?

Hey, stick
out your
butt this
way and
show us
all of it!!

Come on now!
We only touched
your breasts so
far, so don't
make such a
puss of it!

Alright!
That's it!

3333
3-3
We can
see your dick,
your pussy and
your asshole
really well
now!

Oh, no!

Ahh...

And it
appears
that she
can't wait
for it
either,
huh?

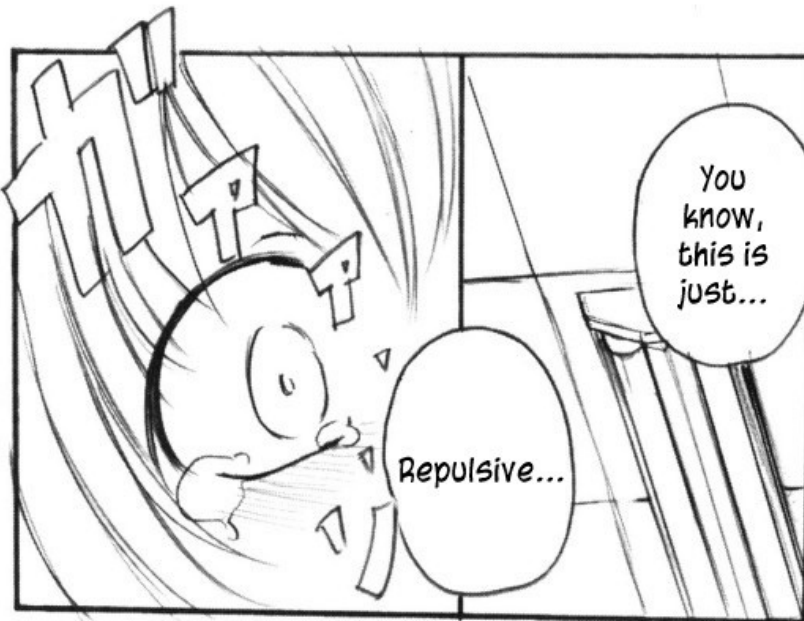

Look at that,
she's got both!
I guess, she's
what they call
a Putanari!

Oh,
no!

Hey, Akira!
What are
you going
to do?

She does
have all the
needed holes,
so why
don't we
Puck her?

So,
what
should
we do?

That's actually quite a shock too!

Repulsive...

You know, this is just...

Oh, no! I'll pass on that!

He is a super coward!

Ah!?

Oh, don't pretend to be innocent!

Hurry up and take it inside your mouth!

Come on!

Come on!

You sure say cruel things! That's why nobody likes you!

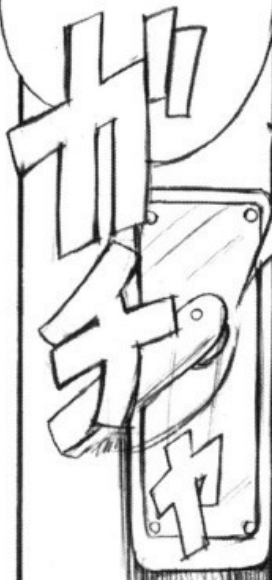

Well then, I won't restrain myself here...

He-he... The upper part of her body is really pretty after all!

Huh?

Alright, it stops here!

Oh, no!

Damn it,
you've been
mumbling here
forever now!

I can't
even take
my nap
like that!

Uegh!

?

You...
You're...

Midou Madoka,
the strongest
and vilest villain
our school has
known even since
it was founded,
aren't you!?

That's
me!

Well, if
you know
me already,
that will save
us some time!

You see,
that girl
you've been
playing
with here
for some
time
now...

Is
actually
a friend
of mine,
alright?

Eh?

Do
you
mean
it?

That can't
be true!

I told you
I meant it,
didn't I?

Yes, I
mean it!

But
then
again...

Eek!

Oh well,
anyway,
you are
safe now!

Oh,
come
on...

They are
such cowards!

We are sorry!

You can
laugh,
if you
want!

You saw
it too,
didn't
you?

I sure am
repulsive,
huh?

Well,
I guess
I could
laugh!

ちやほほ

Well then...

So, I won't restrain myself...

Ah-ha! I see...

Oh, no!

Why don't you make me laugh?

That's actually pretty cute!

That's why I'm going to say it straight to your body!

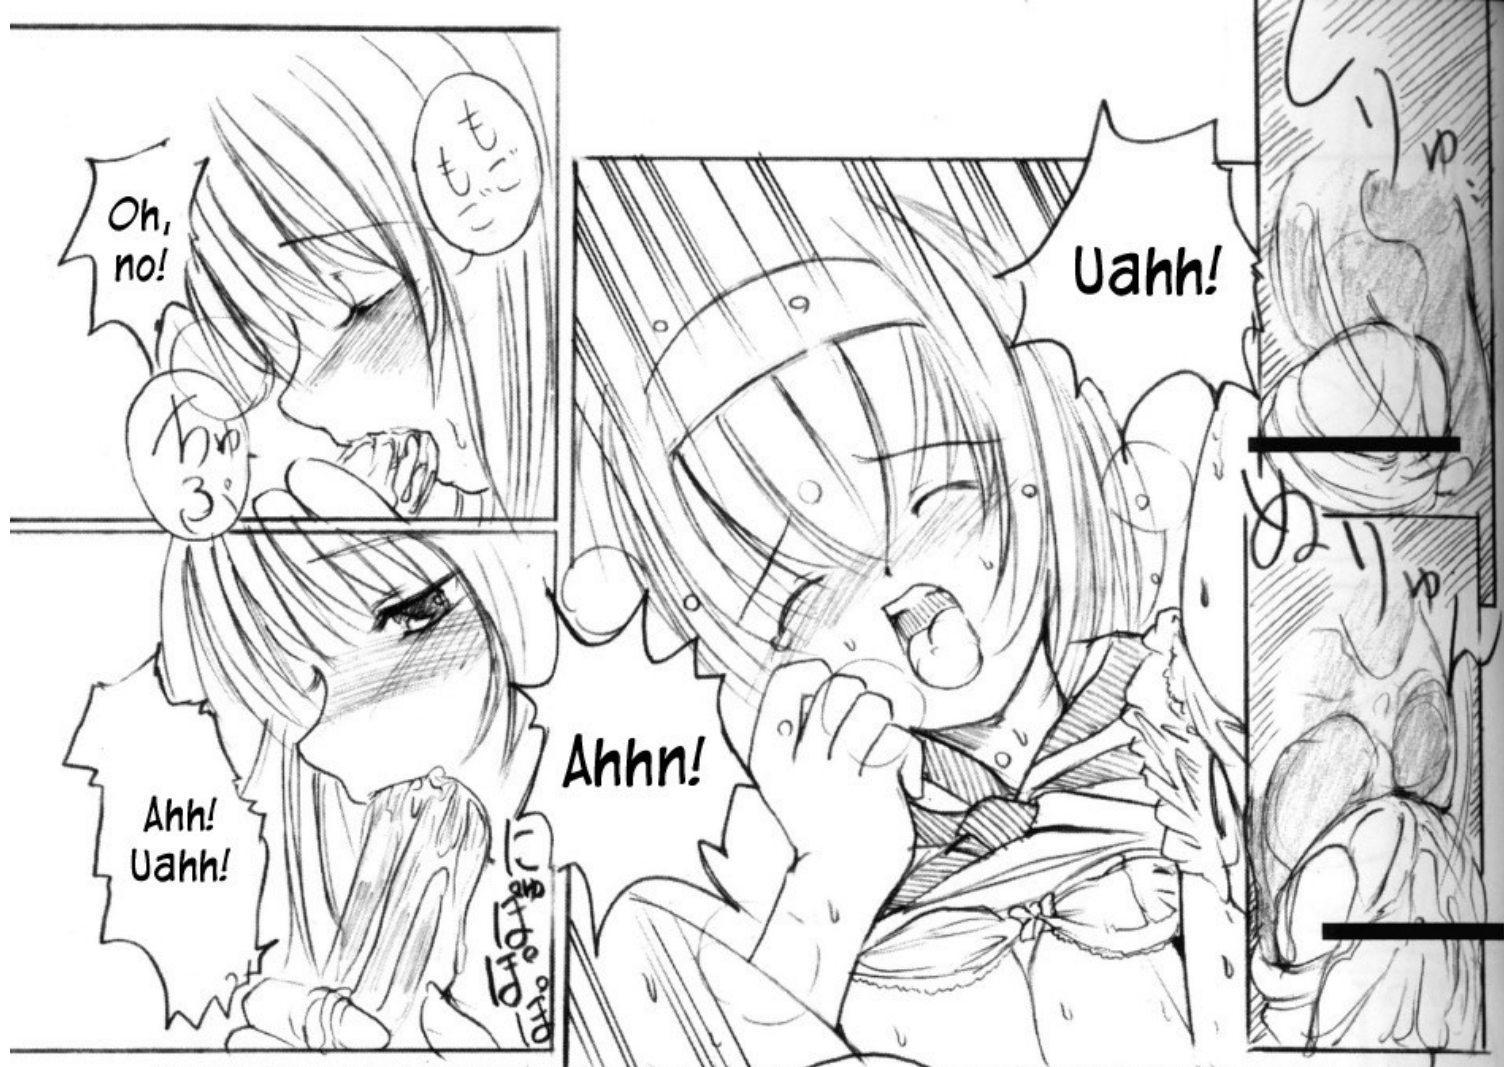

I guess you won't believe me...

No matter what I say to you right now, huh?

No way!

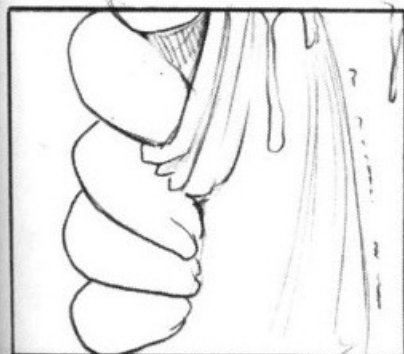

No...

Eek!

Agh!

おちん

I see!
So, you
still don't
get it,
huh?

れんる

Maybe
you'll get
it, if I
do it to
this hole
here?

う

う

くく

う

う

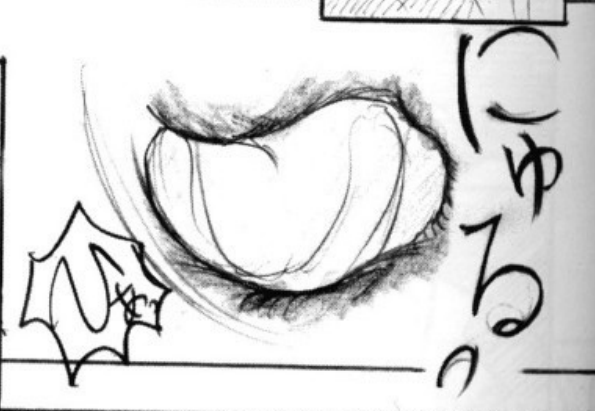

Eeah!?

Huh!?

Wha...
What
are you
doing!?

Ah, no!
It's
coming
out!

I see...
So, you
never
had an
ejaculation
before!

Uaghhh!

ひん

It's alright!
It's all fine!

Come
on now,
shoot it
out!

And
we're
ready!

は

む

っ

Uhhm!?

Aghh!

It's
coming...

It's
coming
out!

Uhm!

Ahh...
Ah...
Ahh...

And it's still...
Coming out!

There is
so much
of it...

I feel so warm...

Ah...
For some reason...

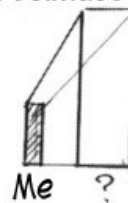

Egh!?
I'M...
Naked!?

And on
the top of
that, we're
outside!!

And...
Besides...

Ah, you see...
Your naked body
was just so
cute that before
I knew it...

Estimate

It's not
mine, is it?

This
thing
here...

That's not what I was talking about!

Because it
wouldn't be
fair, if I were
the only one
getting...
You know...

Is there
anything
I could do
for you,
Midou-san?

Erm...
Well... Is
there...

あ...あ...

Ah...

Nn!

Thanks!

You're so
warm...

This is so strange...

Midou's thing is so huge and it's also throbbing like crazy, but...

Nn!

Eeahn!

I'm not afraid of it... And I usually can't even touch my own penis, let alone that of a boy...

Eeaghhi!

Eeh!

Uaghh!

Uah!
Uah!

Uahhhh!

Oh, no!

I'm
going
to cum
again!!

Not there!
I'm going...

Within
this pain
that was
almost
making
me
Paint...

Oh...

Oh, no!

I am
no
longer
alone!

I was
Finally
embraced
by the
Feeling of
safety.

Uagh!
I'm
coming!

And this pain itself...
Is a proof to that!

Episode 1 " Not Alone " End

★ FUTANARI ILLUSTRATIONS ★
#1
★ FUTANARI ILLUSTRATIONS ★

No matter how you think of it, this girl is simply bound to get into a situation like this. I'm not very good at drawing bondage and stuff, but when I tried drawing her, it came out very naturally, so I guess she is just one obscene character...

FUTANARI ILLUST ★
#2
★ FUTANARI ILLUST

Here you go with some bunny ears.
I do play Ragnarok Online and other games like that, but this is really unrelated. All in all, people say it's very hard to draw Futanari from behind, but I think this picture here is one of the cutest illustrations I drew lately.

And here is a picture of her in maid uniform. I actually used this girl for my sign last year. Basically, I guess people just feel like bullying short girls... This tendency is the same for both Miyako and this girl here. On an unrelated matter, this girl here hasn't been born a Putanari. And I'm actually thinking about drawing a manga about this girl with that notion in the spotlight... Someday.

POSTSCRIPT

Well now, this time I tried drawing a 24-page manga. So, how did you like it? Until now, I was usually drawing 16-page works, but when I tried drawing a 24-page one... I just couldn't tell where it would take me. Quite a few things surprised me along the way, but when I was finally done, I was really satisfied with what I drew, so it was great that I took on this challenge.

And this book here was a challenge in quite a few ways. And it's not just about the number of pages. This book featured rape and blood, which are themes I usually prefer to avoid. Although well, she was actually bullied and not raped and all the blood was that from deflowering, but for me it was still quite an adventure. Anyway, I wanted to write about how Miyako and Madoka met for some time now, but those two themes were stopping me from doing that. I won't deny that because of my lack of energy things have somewhat piled up by now, but I have done everything possible so far.

Also, this time you can see the pencil lines. All in all, I believe porn should be at least a little dirty.

That's why, I believe pencil drawings are good for porn, but until now I have been pooling you by using tones and half-tones. Nevertheless, this time even shadows are made with pencils. And in the end, I have once again realized that this drawing style suits me very well. Therefore, I believe I should be able to get straight to work next time and then maybe I'll be able to finish it not just barely before the deadline... Maybe.

I guess by the time this book gets to you guys, it will be next year already, but for me this next year is sure going to be tough. And in order to not forget where I stand, I would very much like revive my web-site which is temporarily down due to server transfer... Although, if that wasn't a lie, I guess it would be back up already.

Anyway, Happy New Year Everyone!
Please keep reading my works this year too!
