It's nothing to be embarrassed about. It's nothing I haven't seen before anyway.
Everything, even your soft stool from the liquid diet.

Oh! What's this?
You've already begun?
No matter how embarrassed your mind may be...
A typical young man, huh?
Your body still reacts... right?
OOH...
This room... It seems to have become the nurses' favorite hang out.
Oh, sorry sorry!
I forgot to metion.

DO YOU KNOW EDOGAWA RANPO'S STORY, "IMO-MUSHI"?
You've lost your hair and feet, right?
For proof, just look...
Since long before you regained consciousness...
EH!?
The immobile high school boy with the gorgeous, petite frame...
EH!?
Teasing you has been oh so popular.
YES, RIGHT NOW YOU'RE JUST LIKE THAT CATERPILLAR.
HYA!
TYPICAL RAMPO, A STORY OF BIZARRE TASTES...
THE STORY OF THE MAN WHO HAD BOTH HANDS AND LEGS BLOWN OFF ON THE BATTLEFIELD AND HIS WIFE...
AT ANY RATE, AS FOR YOU... "YOU'LL HEAL WITH SLEEP" ...SO RELAX.
AH... AH... AH... AH...

And since we are, I'll teach you a little of what we know.
!?
AH ...
AAGH ...

THE ERECTILE TISSUE...
THE SAME THING IS PRESENT IN A MAN'S PENIS.
THE MAIN PART IS INSIDE THE BODY. IT SPLITS INTO TWO PARTS THAT RUN ALONGSIDE THE VAGINA.
THAT'S THE CORPUS CAVERNOSUM ...THE CLITORIS.
...What am I saying?
This is the clitoris.
Fufu... You already know that, right?
It's simple if you think about it.
But this is just the tip of the iceberg.
Why is the finish of sex like a piston?
MU ...
FUU ...
FU ...
Why do you think men stroke up and down while masturbating?
Yes... for example...
for people to cum, the rigid tissue must be stimulated ...

It's taken on such a nice expression.

I'd like to have fun too, but...
it's just that my tastes are a little extreme.
But, even for me, extortion isn't that much fun.
On that point... I wonder.
Would you make a deal with me?

~2 WEEKS LATER~

……
Your arms will take a little longer.
They were the most injured in the accident after all.
And, you can walk again.
Because you were bedridden, you'll be doing walking rehabilitation.
From here on, you don't need the feeding tube.
Congratulations

We should return them.
The things you had at the time of the accident...

So...
We put this off to avoid disturbing the patient, but...

You cross-dress... don't you?
Uh... that was...
a present for my girlfriend.
Lipstick, mascara, eye shadow...
Foundation, makeup remover
and such and such ...
Girlfriend?
But she hasn't visited even once... right?
!
At first I thought it was gender identity disorder, but...
ふう
Ah ...
How many times did you spray your semen everywhere?
You certainly responded to women.
When you trembled, held in my arms...
Aah ...
I don't plan to condemn crossdressers, you know?
I don't particularly think you're a pervert.
I simply ...

I want to hold you...
To hear you cry out.
