October 24th (Saturday) Cloudy The day I get admitted into the hospital.

My illness has finally worsened. Three days later, I went on the safe side and went to the hospital. I knew that this day would come, but...

I never would have thought that Tengu and I would go so far as have sex on my hospital bed! Honestly

Without the nurse's knowing, I did my first, well... fellatio?

It really turned me on~

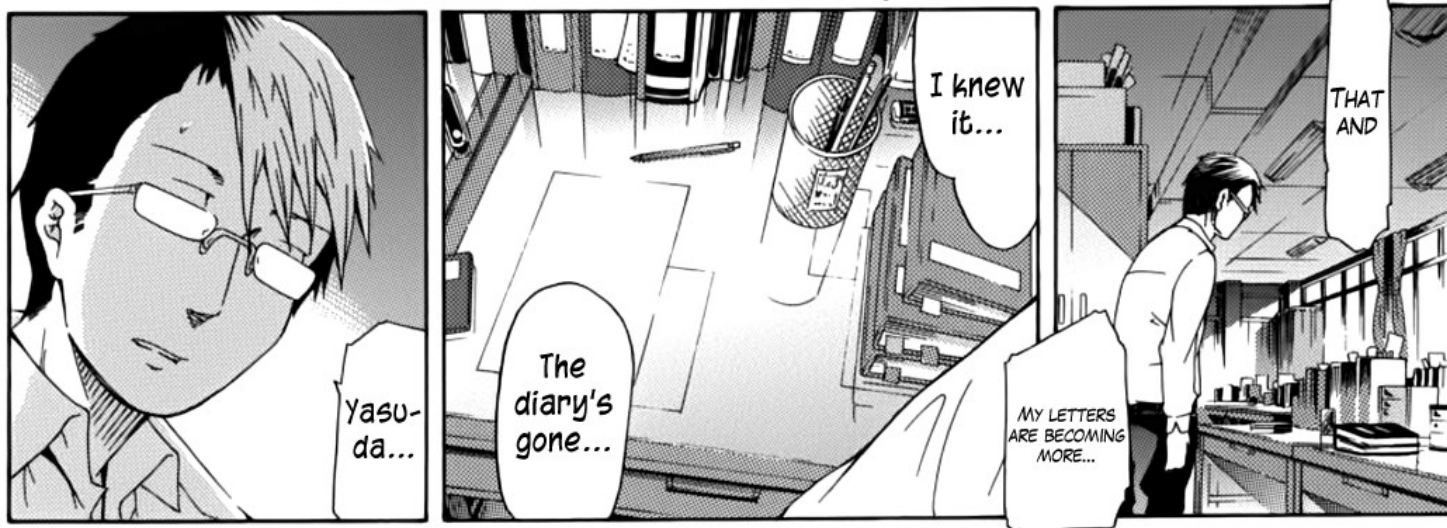

November 25th It seems like at this time, because of my illness, I can't speak all that well...

I'm losing more and more of my memories. I can't remember the letters.

WHY ARE YOU GETTING ALL STIFF?

ERIKO, WHAT'S WRONG?

HOLD ON...

DOING SOMETHING REALLY BAD?

AM I, ACTUALLY
