More-over ...

The heart of my beloved...
My heart...
Everything...

...
That man destroyed every-thing...

My first love, Jun, has not been coming to school for more than 10 days...

It's all my fault... because obeyed everything that this man -Shinohara Kazuya- said...

...Jun...

アンスイート

黒瀬勝子 3.5話 Side 勝子

When I tried to run after Jun...
Kazuya forced me to stay and continued to rape me all night long...

Think only about your pussy ...

On the day when Jun learned about everything...

And after that...
when I was about to lose my mind because of hopelessness...
Kazuya continued to caress me gently ...

SO PLEASE DO IT MORE~!!!
BREAK ME MORE~!!!

I WILL!!!
I WILL BE KAZUYA'S WOMAN!!!

And finally, when my mind became blank...
I vowed to devote everything to Kazuya from the bottom of my heart...

After that...
Whenever Kazuya
wants to...
at any place...

You love
doing it
at
school,
right!?

It's the
staff's
restroom,
someone
might
come...

YES!
I LOVE
FUCKING
AT
SCHOOL!

I was willing
to do any
shameless acts,
as long as
Kazuya was
pleased...

When I came
to came to my
senses...
the despicable
acts unfit
for a teacher
continue,
and I began to
accept it...

I...
I have
changed the life
of the
person I love
because
of my
foolishness...

I must
atone
for that
sin...

JUN!!

uh... mmm...
It's been... more
than a week...
Ju... Yoshioka

Hey...
even when you
were out,
I have been
cumming inside
your ex-girlfriend,
you know...

I can't believe that well-behaved Jun is!!

STOP IT.. !!!
JU..
YOSH-IOKA!

What's up?
And yet I even bothered to tell you the present condition of your darling...

Jun, please wait ...!

Sensei~

YOSHI-OKA!!

!?

I have hurted Jun this much ...

I don't care if I lose my job!
If Jun will not forgive me, I don't care even if I die!
But I will tell him clearly.

The blood won't stop, can you please treat me in the infirmary?

WAIT! WHERE ARE YOU GOING YOSHI-OKA!?

...I understand

Well... putting that aside, I want to see Katsuko-sensei's asshole now...

But.. If it becomes public that Jun caused some trouble...

That's why, I beg you!

I will quit being a teacher. That means I will not meet Jun or you anymore.

What? Did you say that I should forgive Jun?

Asshole... If I see your asshole-pussy right now, I might hear what you were saying~

What? ... WERE YOU NOT LISTENING!?

...I can sue you for raping me, you know!

HMP!!

Why don't you try? If you do that, your relationship with Jun will be revealed in public, and of course, the rest of Jun's life will be ruined...

Yes... quickly!!

You want me to look here?

a... ass... ho...le

Well... I don't really care if I get expelled...

People will come, you know, do it quickly!!

Are you now satisfied?

Huh? Where exactly did you want me to look at, Katsuko-sensei?

WHA!?

Regarding Jun's case... If you agree with my "condition," I'll think about it.

I want you to look at... Look at my asshole-pussy!!

I beg you, look at it quickly!

Look!

Fast er!

The punch was painful, my eyes are hazy~

Heh.. so you want it to be seen that badly?

"condition" ?

キョウウ

But still, Kazuya's "condition" ... is the worst... such a thing...

Jun has not not turned on his phone since that day, so i decided to visit his house, but in the end, we still didn't meet...

The following day

I'm glad you came, Jun... But... ugh...

ugh... H... how are... you doing?

It's... the signal...

!!?

!!?

I guess
he despises
me now...

Jun...

Aaah...
I did it...
Even though
it is for
Jun's sake...
Even though
I knew that
Jun will
be hurt...

TL note: "I have abandoned Jun, whom I offered my virginity to, and have chosen to be Kazuya's SEXFRIEND. I'm a lewd teacher."

...Forgive me...
Please
forgive me, Jun...

If I don't do this,
you will certainly
be expelled from
school...

クキクキ

To be made to do such acts

... Kazuya...

You are really inhuman ...

I'm sorry everyone, there will be no homeroom for today!

TL note: "Ashole already devirginized!" "I always let Kazuya use it."

Kurose-sensei seems a quite strange, right?

Just before, she was very cheerful and graceful, but suddenly she became so gloomy, right?

e...!

Oooh...
has Jun
seen us
again?

I have asked
him to
separate
with me
many
so times... but
everytime i
begged
him, he
always has
a "condition"

during the
sports fest
he intenitonal
called Jun
to go to
the storage room,
so that he
can show him
that he's
raping me.

he made call
Jun in front
near the
blackboard,
and made me
masturbate
in front
of him...

I think that
Kazuya's
unbelievable
commands will
drive me crazy...

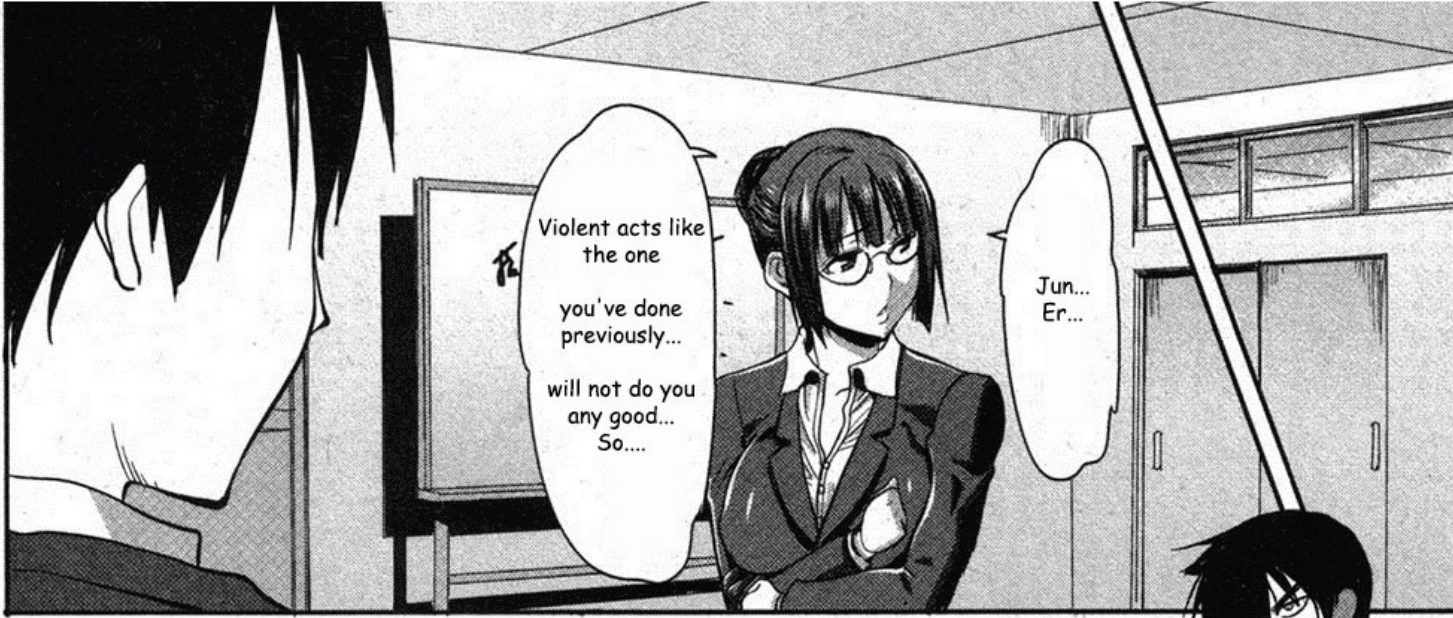

Even now, i am
following the
orders of someone
I don't love
in front of
someone I love...
I'm the worst
kind of woman...

What
should I
do....?

What
should I....

Thank
you

Violent acts like the one you've done previously... will not do you any good... So....

Jun... Er...

Katsuko-sensei~!

っ!?

ガラッ

Please listen to me..! Kazuya was...!

You're wrong...!!!

クッ

So, you're going to defend him, huh?...

Why ask? I just happened to see you, and I thought I'd like to use your vagina....

WHY ARE YOU HERE...!?

But I don't want to do it in front of Jun anymore!

What should I do?!

Jun will be expelled if I don't obey Kazuya!

Wha!?!... No... I ca..n't...

Whatever~ Just hurry up and flip your skirt and show your pussy

Tha!? ... That was...

You promised it yourself, right?

On the day when Jun ran away
