

Fun With Mom

A Re-Write by Reijikun

Another day and Suzuki (Age 35) is busy at work making a neat and tidy home for her and her only son Tetsuo (Age 15).

"It's been tough raising a boy alone but I couldn't ask for a better son. He's so polite and sweet. No Mother could ask for better."

~Suzuki

"I mean he's certainly taken his studies and his chores seriously. We have a nice home just the two of us."

~Suzuki

Good morning Mom.

Good morning Tetsuo. Sit yourself down and get some breakfast.

"I enjoy our little chats in the morning. It seems like the only we get to talk anymore."

~Suzuki

"Mom rocks. She's always so cheery. Makes me feel good to see her so happy. I know how hard she works to keep us comfortable."

~Tetsuo

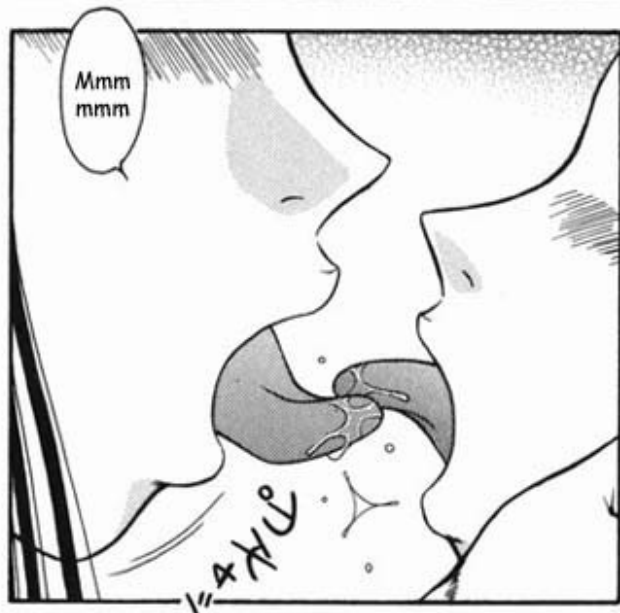

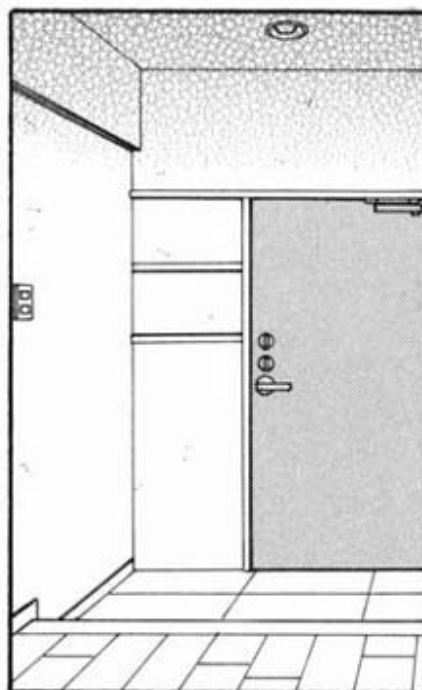

Oh Mom

cock! I'm gonna
cum! Gonna cum!
Gonna cum in your
sweet mouth

"Damn that boy makes me so hot in the morning! Too bad there's no time for more than a blowjob. If we did more he'd never get to school."

~Suzuki

Oh Tetsuo baby.....
Come home soon.....

"Yes, I know.... It's sick to want sex from your own son but it's so great! Knowing your own boy's cock is fucking you! God I'm so horny just thinking about my son's sweet cock!"

~Suzuki

I can't wait baby!

"He makes me so hot.
I wonder if that boy
knows what power he
has over me? If he
does he's very
responsible with it.
Never takes advantage.
Just enjoys our
relationship. I'm so
lucky."

~Suzuki
