Stage

My name is
Takahashi.
I'm a typical
officeworker
at N Co.

To be
honest,
there's
someone
I've been
thinking of
since
getting ,
employed

300

Horikawa-san,
a coworker of
mine. She's a
beauty, good
at her work,
and has a cool
vibe. We lock
eyes every now
and then.

Can't
open the
door like
that

There's an
umbrella
propped
against the
restroom
door

Eh?

Horikawa
-san!!

Horikawa-
san, are
you in
here?

Eh,
Takahashi
-kun!?

カッ

W...Wait,
what are
you doing
here!?

Ehh,
Horikawa-
san!?

The fire alarm went off!!

Th... That's not it, I think there's a fire.. I was worried.

This is the women's restroom! What's a man like you doing here

Are you, by any chance, stuck in the window?

Th... This is..

So, what are you doing?

I'll try pulling from the back

待つ

Let's see what's going on back here
...
は...

Mm, thanks

引胸なる
つか
I see, I wonder if you're stuck because of your large breasts
にの

The restroom door wasn't opening, so I tried to leave through the window

こ俺
...If?
I'm right, then this side's

あ
ぎゃっ

Th... This
is... A
spectacle
beyond my
expectations
...Uh...

I want to keep
staring, but it
burns me out I
can't

Horikawa-
san, just a
sec. Don't
kick me

!?

Start slow,
please

Ahh.. Don't
pull all of a
sudden

Uwaahip

Kuuuuu

なな太ハかう
Uwah, she's really
stuck tight. Doesn't
seem like she'll come
out if I don't pull
with everything I've
got

Fine,
here I
go

If it wasn't on purpose, why'd you do it? Don't look!!

This is dangerous. No matter what angle I look from, it's all there

S..Sorry, it wasn't on purpose

Nevermind! Don't do anything weird!!

おち

There's no way Horikawa-san can see me looking

I won't! Should I put your skirt back on?

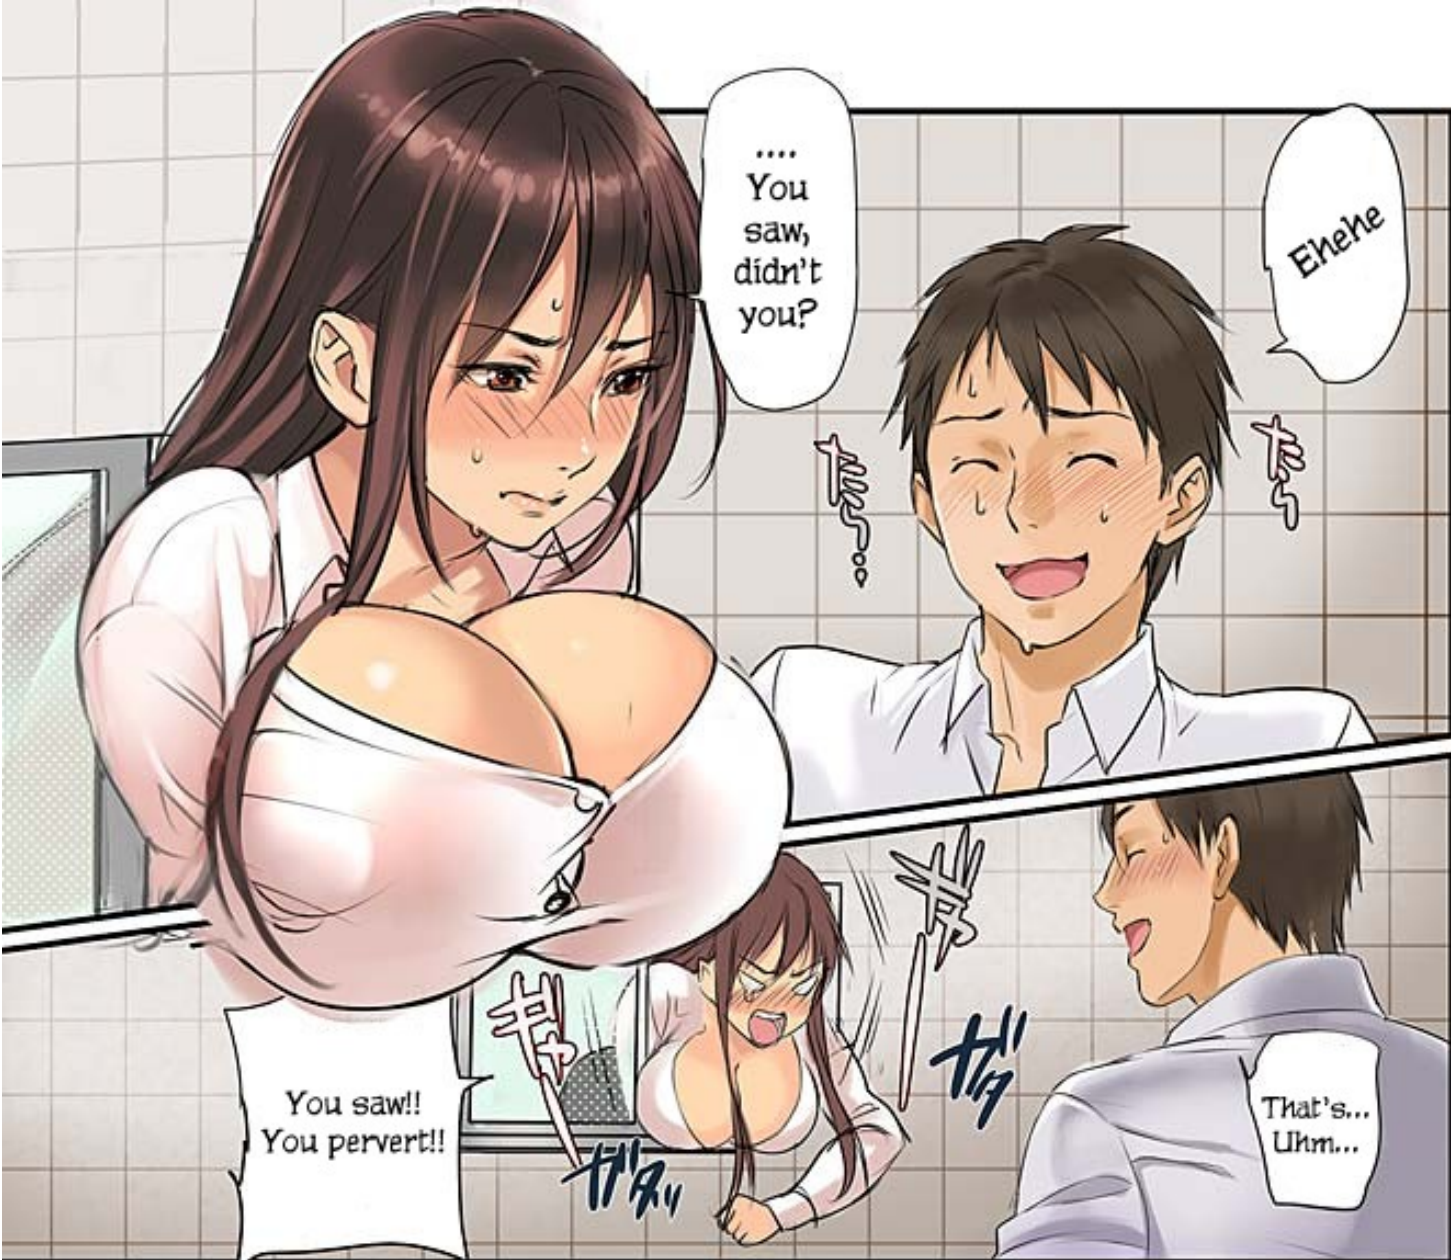

いた
はた

If I bring my face closer, Horikawa-san won't know

Mmmmm, got it

Wait! How long are you going to be back there? Hurry and come back!!

For example...

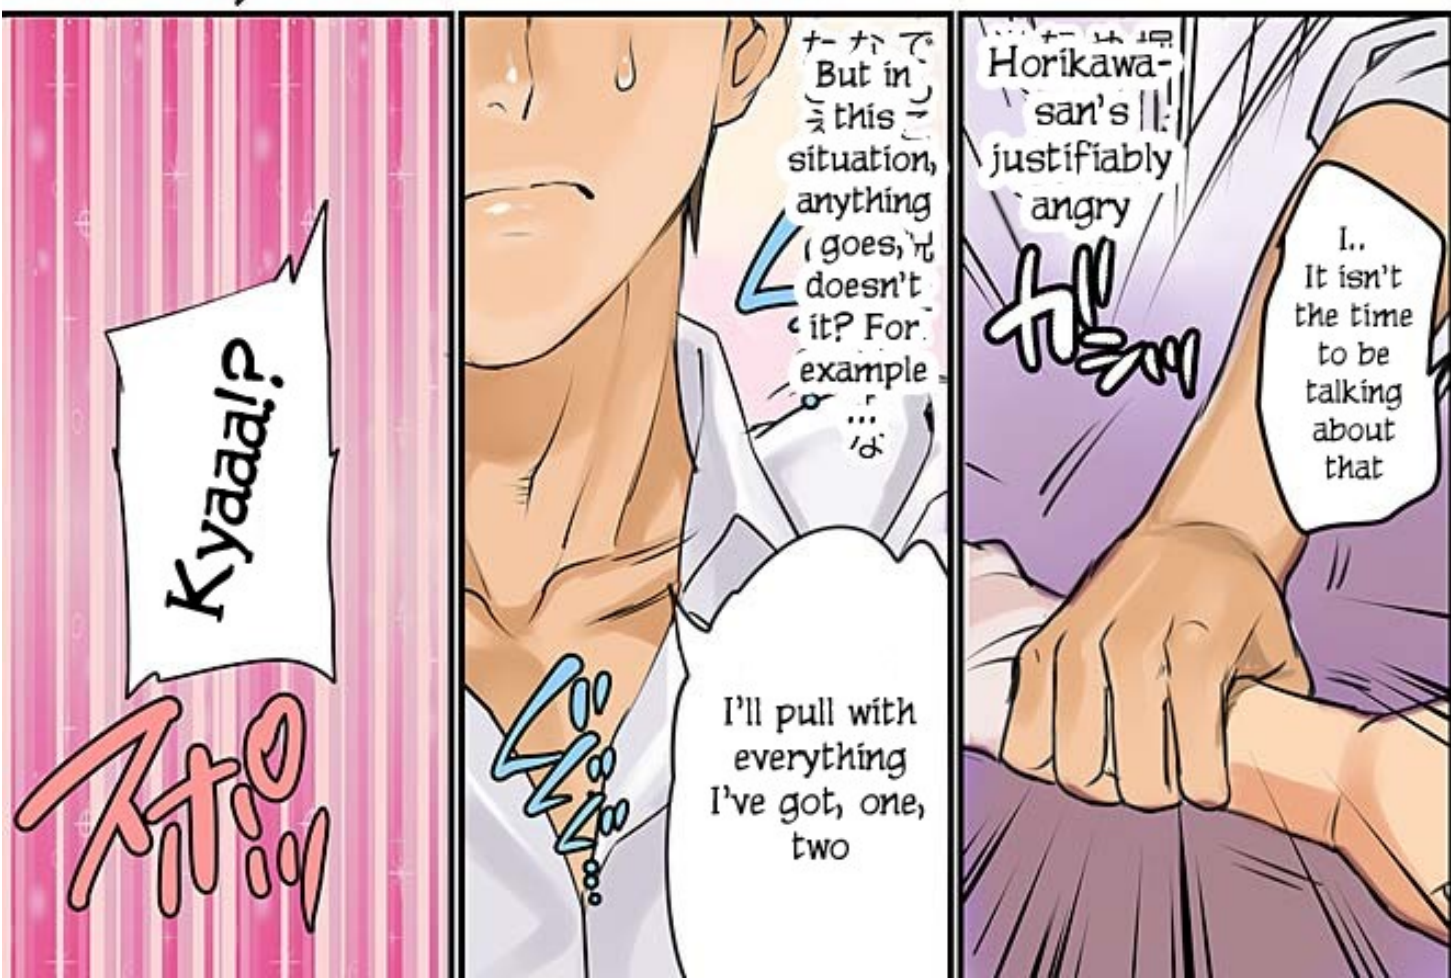

....
You
saw,
didn't
you?

Ehehe

You saw!!
You pervert!!

That's...
Uhm...

Kyaaa!!

But in
this
situation,
anything
goes, it
doesn't
it? For
example

Horikawa-
san's!!
justifiably
angry

I..
It isn't
the time
to be
talking
about
that

I'll pull with
everything
I've got, one,
two

Kyaaaaaaaaa

I intentionally pulled her by the clothes, and now only her bra's left..

With this, Horikawa-san's

With this, Horikawa-san's

If there's a fire outside, what are you doing!

Forget it, asking you for help was my fault!

S.. Sorry, I was trying to pull you up..

Hey, be reasonable! How'd you take off my top!

My chest.. is stuck

Ara? I can't move!?

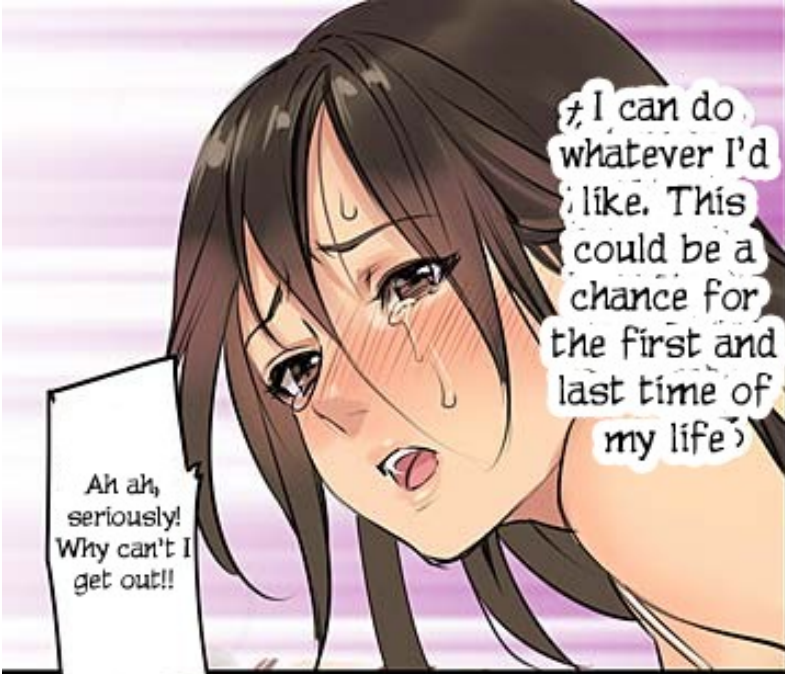

I need to get out ...

But I can't!!

Eh, eh!?

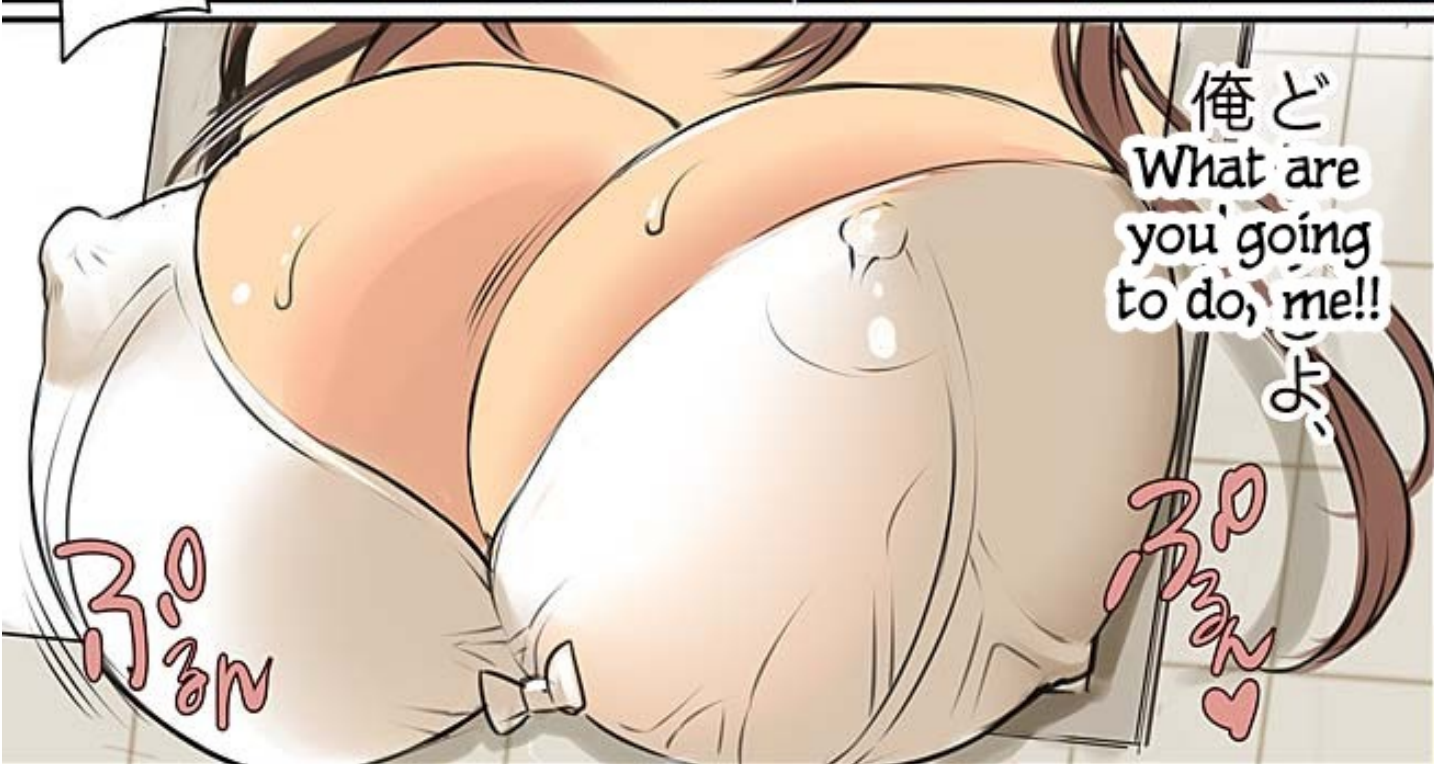

「I can do whatever I'd like. This could be a chance for the first and last time of my life」

Ah ah, seriously! Why can't I get out!!

This is.. Is this a chance?

俺ど
What are you going to do, me!!

よ

What am I going to do!?

H..Help
me, don't
leave me
behind!!

本当どう
What do I
do? This
is getting
really
dangerous
いまだと

Eh?

Ah ah!
Takaha-
shi-kun,
behind
you!!

S...
Smoke!?
Is that
the
fire!?

What should I
do? Do I put my
life on the line
and lay a hand on
Horikawa-san!?

But this is a
chance. There's
no way I'm going
to get a second

もん
自そ堀
Is it my
life, or
Horikawa-
san's
breasts..
もん!

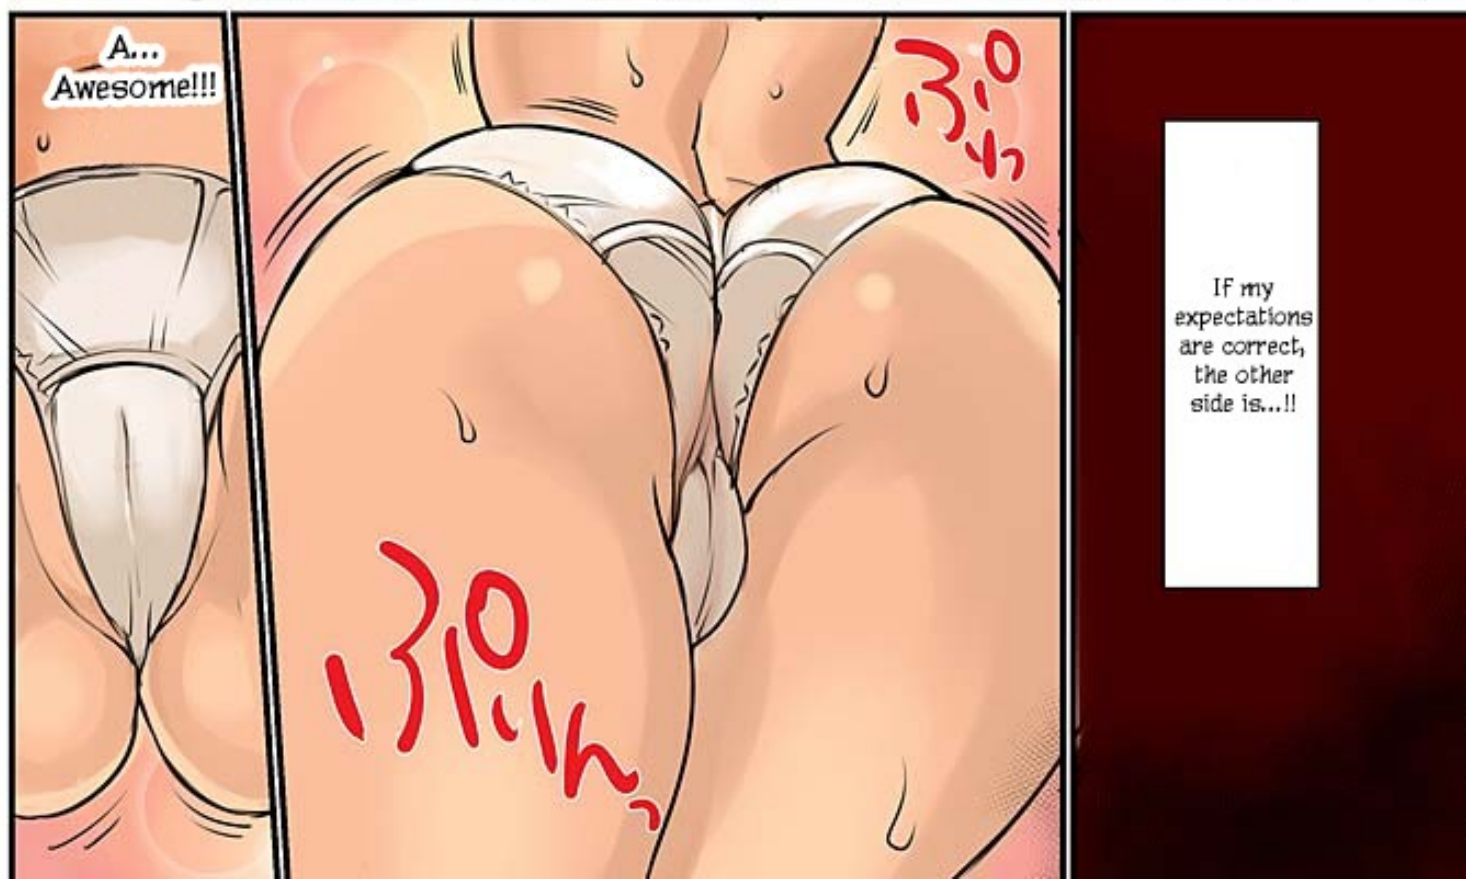

突悩ああ
Ah, my
God, why
do you
tempt me
so!!!

S..Stop,
what are
you
doing!?

doing
this to
