YOU MIYAMOTO PRESENTS

Heey,
Uesugi!

Hm...

Got
any-
thing
else?

I tried
making
donuts...
Please
have
them as
dessert!

Um...
Ichikawa-
kun!

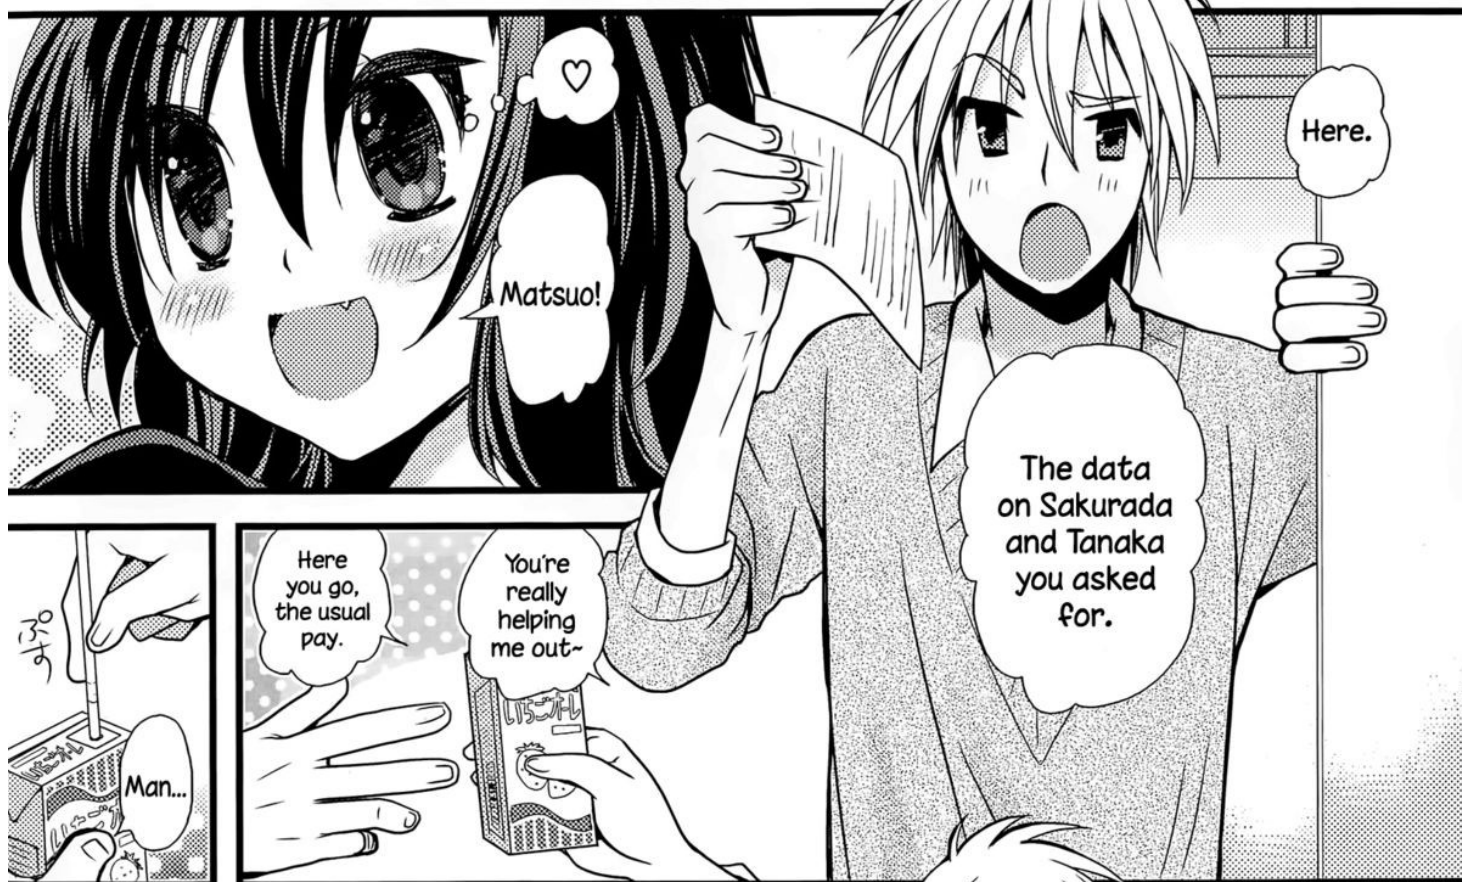

Well,
I think it's
nice if she
likes to bake
and cook...

I see...

Are girls
like her
your
type?

When
did you
get this
popular,
Ichikawa?

What's
this-?

Matsuo!

Here.

The data
on Sakurada
and Tanaka
you asked
for.

Man...

Here
you go,
the usual
pay.

You're
really
helping
me out~

I sure
am!

Hey, are
you actually
having fun
going through
all this
trouble just to
get involved in
other people's
love affairs?

That's
why I
thought
you'd be the
best guy for
the job...

And
Matsuo,
you're good
at talking and
you know
basically
everyone at
school, don't
you?

I needed
an assis-
tant~

But
there
are so
many
people
who need
my help!

I didn't
think you'd
make me
do this
troublesome
stuff this
often...

I was only
planning on
helping you out
once 'cause you
looked like you
were about to
keel over
when you asked
for my help...

No, I'm... well...

What?

Do you actually have someone in mind? You know, a guy you're interested in.

Are you really fine with just helping other people and not getting any of those experiences yourself?

But hey.

You really have one weird hobby...

The moment I hear that the two people I helped have gotten together is pure happiness~ ♡ ♡

But...

I think finding mutual love of your own...

Would be even more enjoyable, though.

She has some-one...

Huh...

So you do have one.

So, what?

You're not going to work hard for yourself?

M-My problems aren't important!

I enjoy seeing people finding their happiness the most!

That so...

Sure, sounds good!

Let's go shoot basketball!

Hey, Kimito!

Rui-chan~!

Oh hey, since I'm already doing this stuff, want me to help you get it on with that guy?

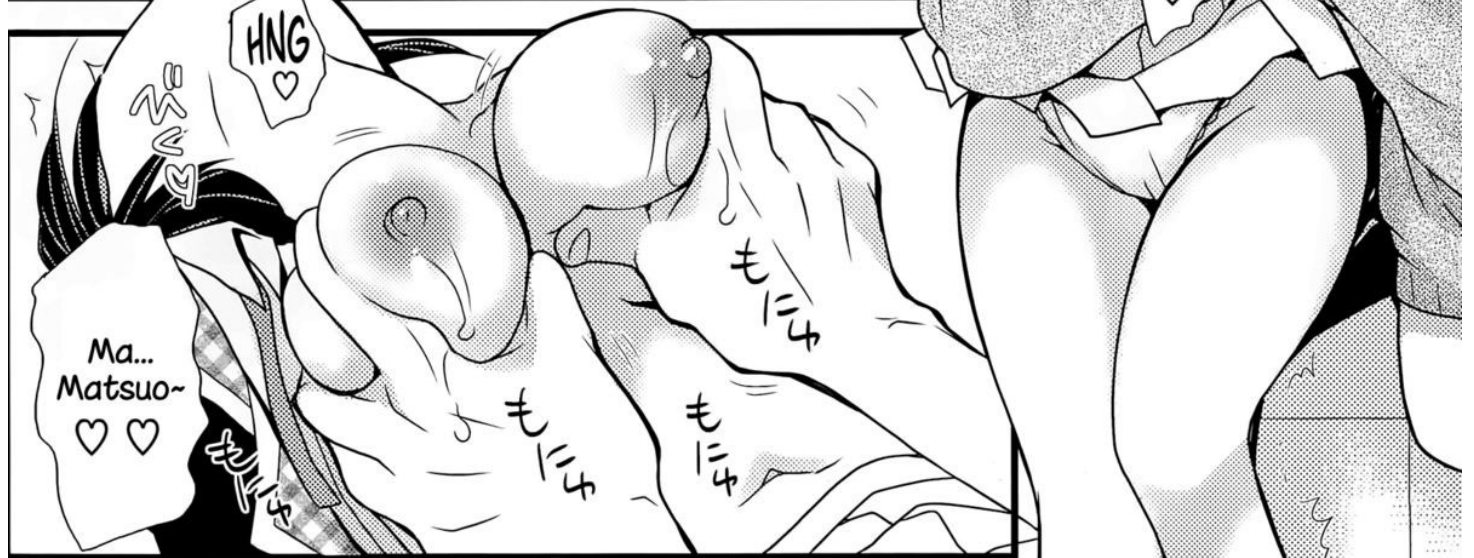

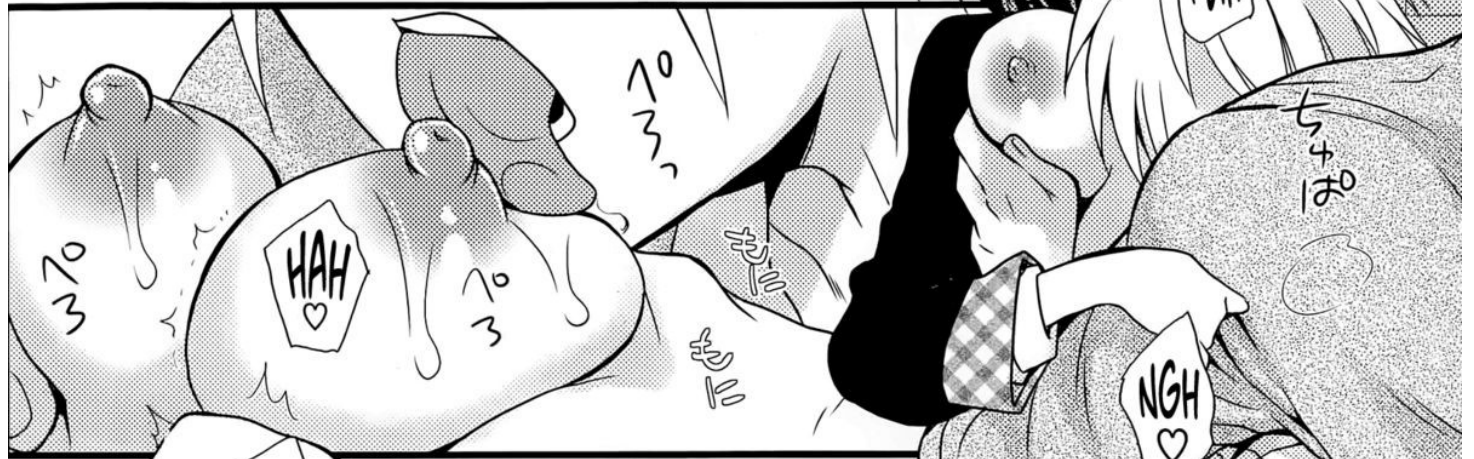

You should just confess to him already.

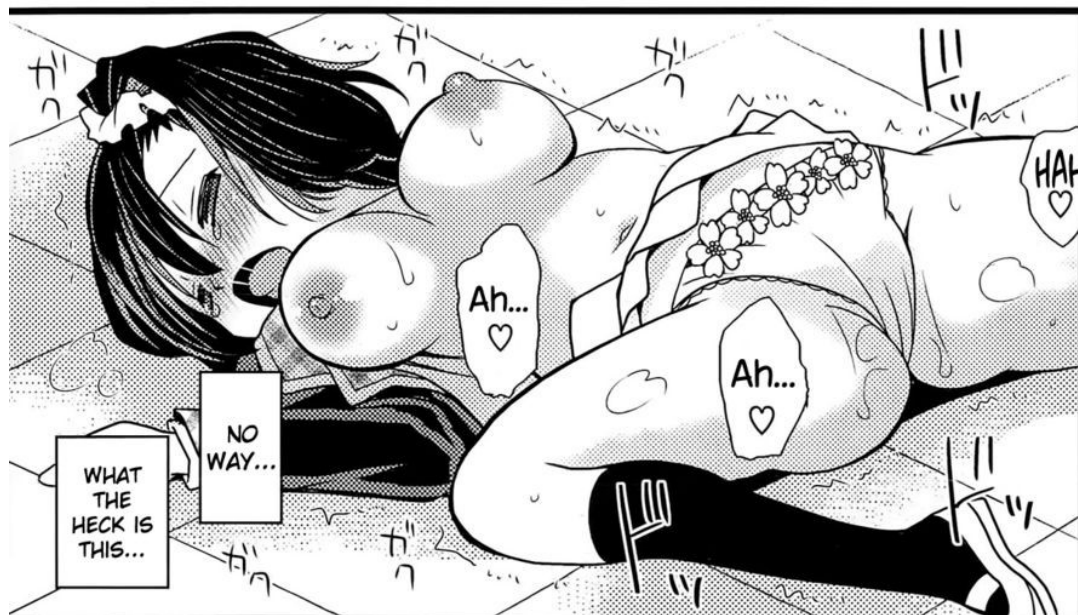

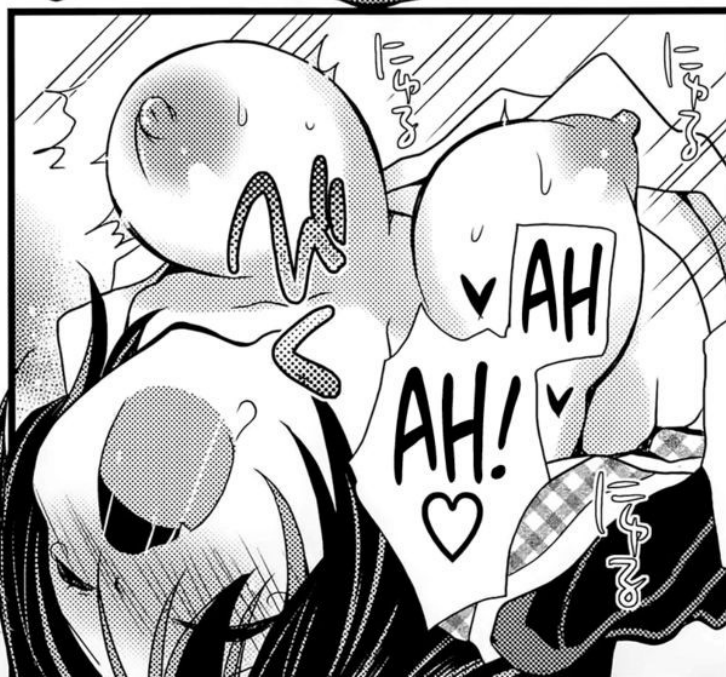

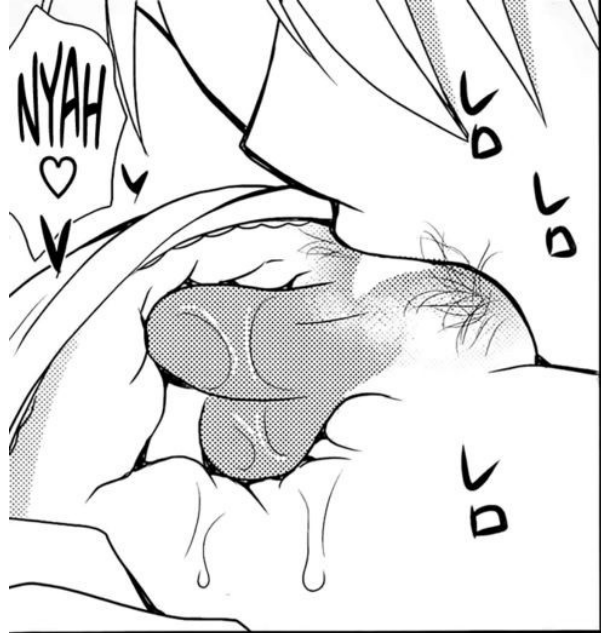

It's gotten so big...

Wow...

など♡

And it's so hard...

Hey, don't touch it too much. I don't want to come yet.

That I'm at my limit as well.

We're not done yet.

You were acting so cute...

Ah-

Ah...

This is my first time with the girl I like, after all...

So of course I'll want to come inside.

Fwah...

Ah...

It's going in...

It's going in...

You're tight... but... You're also warm and so wet...

It's in... ♡ ♡

Eh-

AH! AH! AH! ♡
