care of
the cleaning

BUT
SHE...

SHE'S
NOT A
KID ANY-
MORE...

She's
made to
do others'
jobs
again...

SHE ACTUALLY...

THINKS SHE'S A GODDAMN ROBOT!

うわあ

No robot would ever have tits that wonderful!

In the first place...

Nishiyama Yuusuke, correct?

You are my classmate...

I am a robot, and I have been programmed to be unable to disobey the orders of humans, and as such..

Your help is unneeded.

I'll help out, so go get the dustpan.

Gimme that.

SHIT! MY MOTIVES MIGHT NOT BE THE PUREST, BUT I CAN'T JUST STAND BY AND WATCH THIS HAPPEN!

はっ

I am a robot that was created to be useful for humans, so...

..?
I don't understand what you are saying.

I've had enough of that!

Listen here!

I don't care how long your chuunibyou has been going on, but you could have tried to think of a better setting at some point!

Take my dick between your tits and give it a good rubbing!

HOW'S THAT?!

THERE'S NO WAY YOU COULD ACTUALLY GO THIS FAR...

FUU—

GRIN.

I see...

In that case!

ぽん

I understand.

ぽん

ぽん

Wait a..!

Well then.

I will proceed to perform the titjob.

Please enjoy it to your heart's content.

ぽん

IS SHE FUCKING SERIOUS-?!

There's no way...
a robot
this soft
and warm
could...
exist..!

What
do you
think...

Of the
texture
of my
breasts?

My body
was built
to be as
close to a
human's
as pos-
sible...

So body
warmth
and the
flexibility
of the skin
were
faithfully
repro-
duced.

HOLY
SHIT...
THIS FEELS
AMAZING...

むにゅ

たふん

I believe
softly
wrapping
your penis
like this
brings
about great
sexual
pleasure.

Nishiyama-
sama,
correct me
if I am
wrong,
but...

にゅ

にゅん

にゅ

Finished.

ちゅぽん

Semen...

えい

But it seems there is still some left in your urethra.

I thought I had sucked it all out...

ちゅぽん♡

ちゅぽん♡

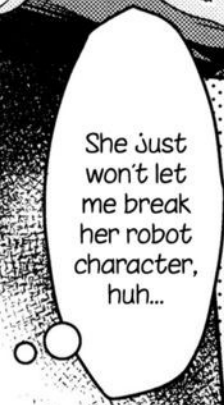

じゅるん

じゅるん

Alright, if it's come to this...

むっ

She just won't let me break her robot character, huh...

Please spare me from the detailed explanation...

STOP IT!

えい

ejaculation is the release of semen (usually containing sperm) from the reproductive tract, usually accompanied by orgasm. It is usually the final stage and natural objective of male sexual stimulation, and an essential component of natural reproduction.

Roboko. Let me do something to you next.

えい

えい

Tamper
with me
until
you're
satis-
fied.

I understand.

You're
interested
in the
female
body,
Nishiyama-
sama?

And my female parts are reconstructed to the finest detail, so please...

I have
programs
for
attending
to human
needs...

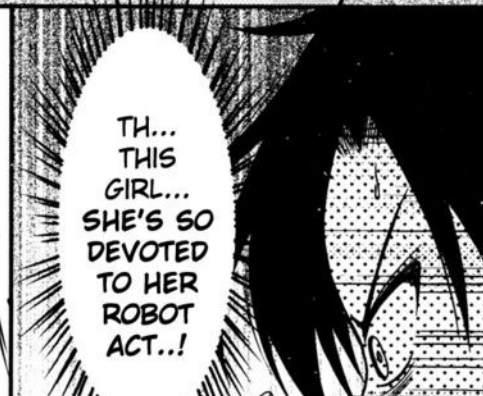

する する

As long
as you're
fine with
my body,
of
course.

どきどき

Would it somehow be possible for me to get your dick...

In my pussy?

Yuusuke-san...

Of course...

In fact, I was about to ask for it myself!

Yuusuke-san's... tongue is... going inside me-!

AH

FUHA AHAH

Don't suck on it that hard..!

...Ah!

Wait, I just came, so...

Tell me if it hurts, okay?

Yes...

I'm going in, Roboko.

You're really enjoying this, Roboko.

You're crazy wet...

AH

YOUR DICK'S

Your body's so small, after all...

And your pussy's super tight...

I'm happy...

HA AH

You are the first one...

To treat me as a human, Yuusuke-san.

HA AH

Roboko...

So now that I got to offer my first time to you...

I'm... on cloud nine~
