

Ooh!
Look at
your mortal
struggle!
It's ridiculous
how stubborn
you guys
get when
you can't
orgasm!

VS

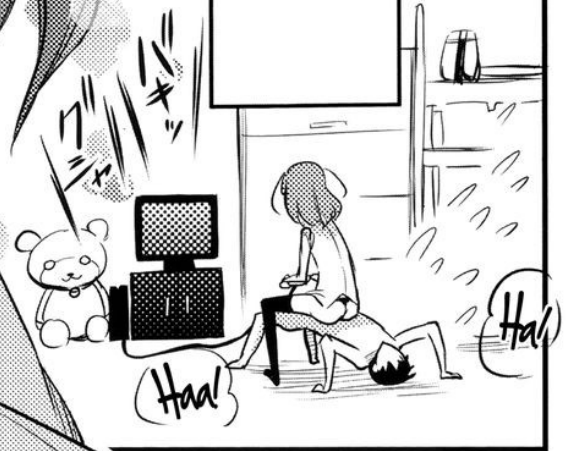

That's why
I have to
try and put
up with
verbal abuse
and being
her chair!

I'm
a chair, a chair, a chair!!

I've been
unable to
cum for a
whole month
because
of my
chastity
belt.

Sakura's
the one
with the key.
Depending
on her mood,
this could
even go on
forever.

AMAZING!

But I have
to win both
her trust
and my
ejaculation!
I won't
fall!!

Besides,
it's hard
to give up
this view...

I think
she's playing
a fighting
game today.
She's been
doing it
for an
hour.
All my
muscles
are
screaming
in pain
after
holding
her up for
that long.

Sure, the
toll on my
body is
catastrophic
if she loses
badly...

But it
sounds like
she's on a
roll right
now.

**50 WIN
STREAK**

UOH!

Is she...
swallowing?

Eww,
disgusting!
You can stop
being a chair
for a minute.
You're a wallet
now, so go
and buy me
some soda!

Yesh!
