Since there are only two participants, the first match went straight to the final.

It's the Ero-Wrestling league final that drew everyone's attention.

I am CEO Araya. I am a referee and also a commentator for the match.

Introducing the players.

Ujira, this is his debut match and he's obese.

It is Ujira strength to have thick and fat cock containing overflowing pre.

Ujira

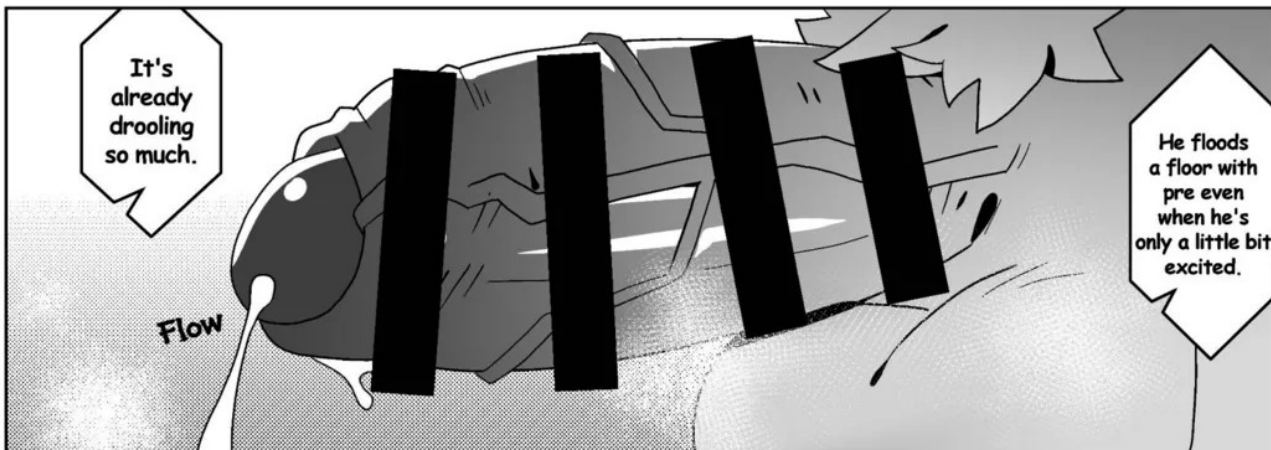

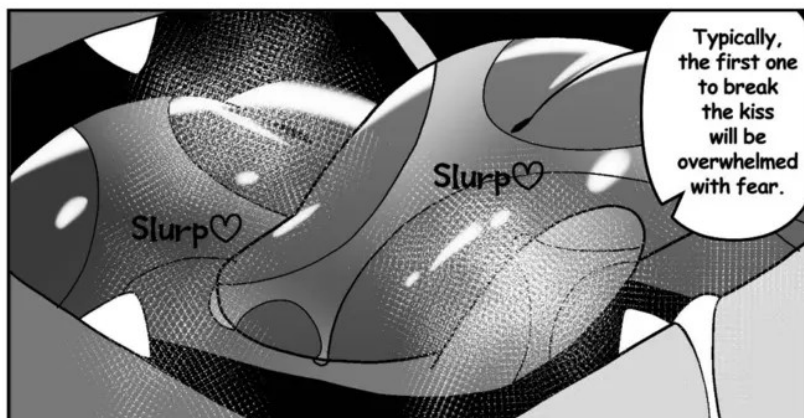

# East and West United!! Ero-Wrestling

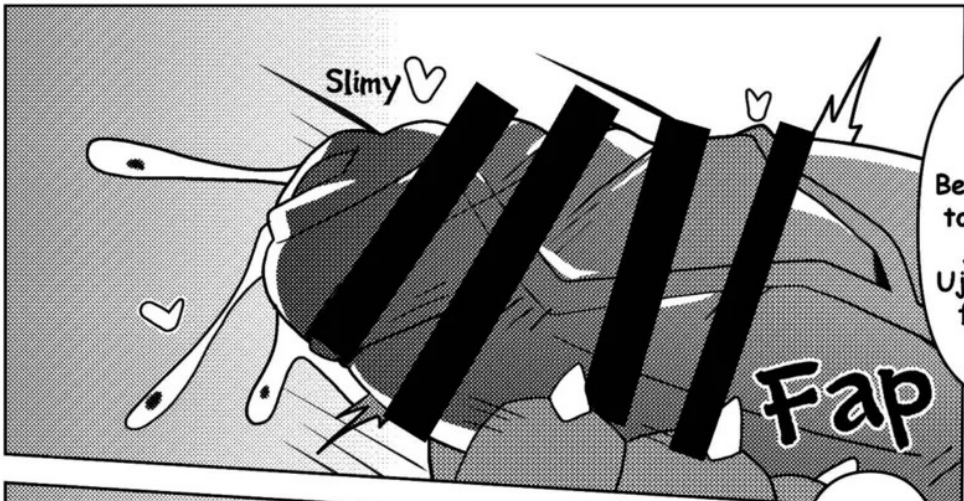

It's already drooling so much.

Flow

He floods a floor with pre even when he's only a little bit excited.

Wow!  
Berge starts  
to furiously  
jack off  
Ujira's thick  
foreskin!!

Grab

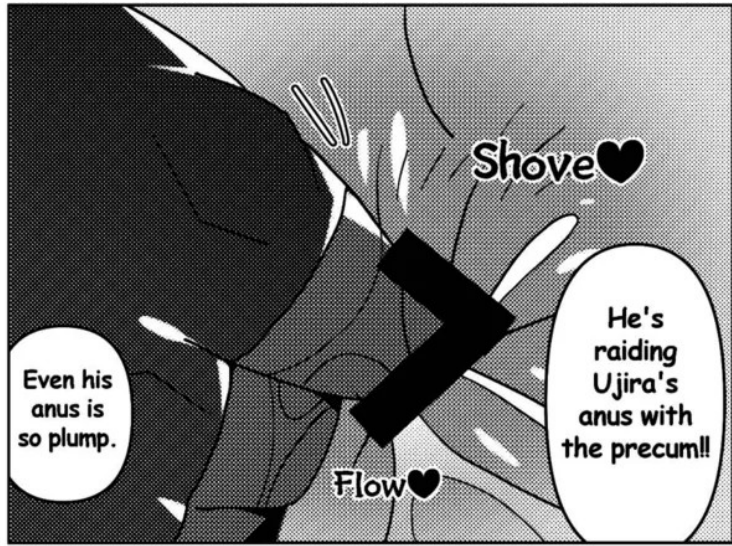

He drools  
pre like  
a loosen  
faucet.

!!

OMG!!  
Ujira's  
cumming  
already!!  
What the hell?

Ah

Shove♥

He's raiding Ujira's anus with the precum!!

Flow♥

Even his anus is so plump.

Ujira's pushed to the ground! What's on his mind?

!?

Bump!

Burst!

It doesn't need a lube when there's Ujira's overflowing precum.

Spurt♥

Spuurt!!

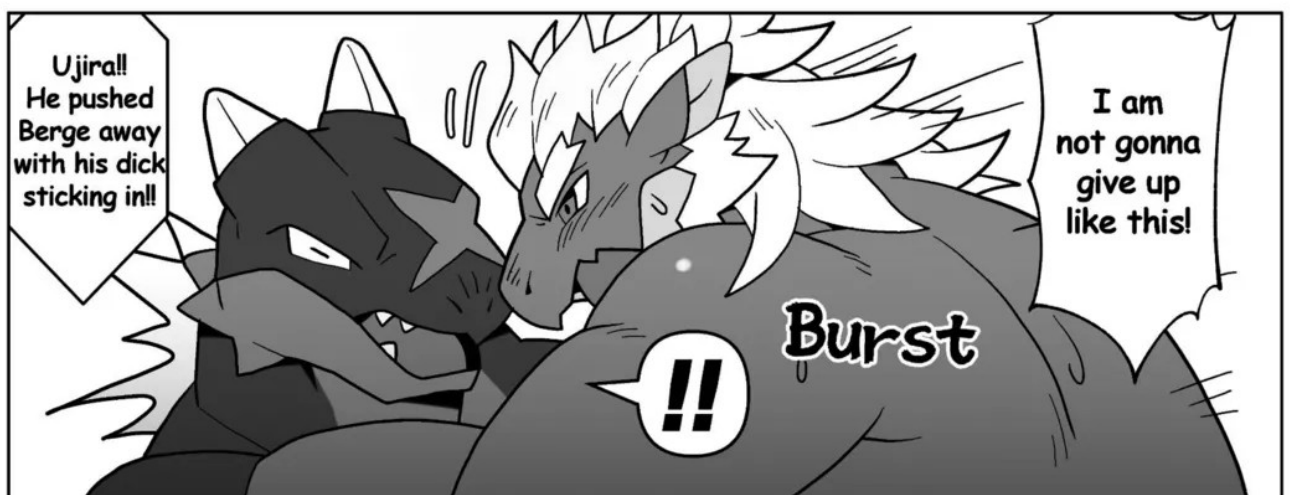

Twitch♥

Squirt♥

Twitch♥

OHHH♥

It's Ujira's second ejaculation!! He's in trouble now!!

All of a sudden, the table got turned in his favor with a cow-girl position.

Although a missionary position is the most basic technique in Ero-wrestling, but it is also the most vulnerable position to get a backfire

Ujira realized this while being railed by his opponent..!

From now on, I will make sure to milk every last drop of your cum out of your ball. So, brace yourself!!

hehehe

Thrust

How's my anus?!  
Bet you can't stop squirting in it?

Here it comes, Ujira!

He turned a tide of his battle by sitting on top of his opponent.

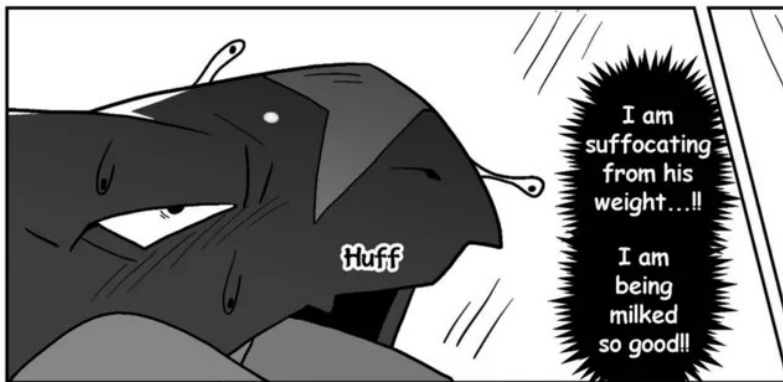

Plap

I am suffocating from his weight...!!

I am being milked so good!!

Huff

Yeah, just like that.

Keep squeezing out until my belly is full.

Gush

Most impressive, Ujira!  
He's squeezing every drop until Berge's ball is empty

Spuurt!!

Squirt!!

Squirt!!

Let's wrap this up!

Twitch!!

I will get knocked up with your seed!!

Bounce

Pour

Whoa?!  
He milked  
so much  
that it's  
gushing  
out of  
him.

Hah...  
My belly  
is too full  
of cum...

Splash

Gush

To be fair,  
tea-bagging  
of this kind  
is rude.

He's returning  
the seeds  
right back  
to him as  
a celebration  
of his own  
victory!!  
It's dope.

**Ip-

It's  
10 lose  
in a raw.

It's  
definitely  
a downturn  
  
when  
the national  
competition is  
just around  
the corner.

My apology, Master.

Well,  
I normally  
wouldn't want  
to push anyone,

but you joined  
the team  
to fill the minimum  
number of members  
required since  
this gym is small.

I really  
don't want  
this opportunity  
to slip away.

But I am doing  
it with  
my upmost  
effort!

For some reason  
I can't beat  
anyone lately.

I know,  
I understand.  
It's not entirely  
your fault.

\*There's a superstitious belief that the land contains different energy, and it affects business, health, etc. either positively or negatively depends on the compatibility.

It's the fresh meat-jinx. I tell you.

Master, what did I tell you about opening Judo gym in this building?

?

?

?

This rookie wasn't free from the jinx after all.

?

??

???

I'll help you with this too.

Well, it's for sake of the gym.

We've got no choice.

I will get the blindfold for the ritual

make sure to take all your uniforms off.

...A ritual? ...what? All my uniform?

**Rumble**

Let me briefly explain it to you.

**Rumble**

This gym has a strange jinx.

**Rub**

The rookie's performance get worse at some point.

**Rub**

Strangely when we perform this ritual,

**Rumble**

the rookie's condition gets better and his skills improves rapidly.

**Rumble**

Everyone thought it sounded crazy at first,

but it did the trick to every single one of us.

**Thump**

What is this? something... thick musk of male pheromone.

**Thump**

Now,  
you may  
unblindfold  
now.

We will  
share our  
spirit with you  
now.

You don't have  
to take it  
with your mouth.  
It still works  
when we smear  
it on your body.

We call it a "spirit" but you know what it means, right?

You can always refuse it. We were all repulsed by it at first.

...

I,  
I am fine  
sir!!!

I am  
serious  
with  
Judo myself.

If it means that  
I can recover  
my condition  
and win matches at  
competition,  
this is no trouble at all.

Please, seniors!  
Share your  
spirit to me!!

Alright,  
then.

First, in order to raise your spirit energy

feel all your body muscles and focus it to your rod

Huff

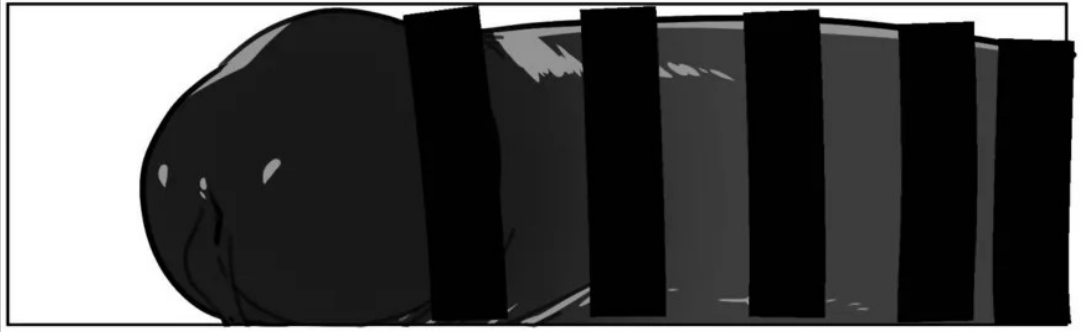

Huff

Feel free to relax any time you want.

Repeated expansion and relaxation of muscle is the key.

Yo, Rookie!  
Try to consume  
all leaking "spirit".

Rub

Squeeze

You don't!  
We're trying  
to fill you  
with "spirit"  
and you  
want to  
release it  
back out?

Oh,  
I'm sorry!!

Spurto♥

Spurto♥

Squirt♥

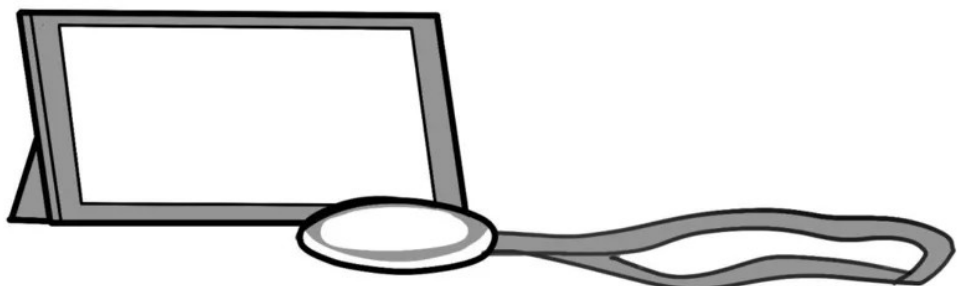

After that,

The rookie won the gold medal on his debut national competition and walked the royal road.

Ah~  
my seniors  
think  
spirit..♡

The seniors recognize his potential, and the rookie is continuously 'loved' and receives 'spirit.' In the end, he won the gold medal at the Olympics,

but that is a story for another time.
