I really am the worst brother ever...

And now I even stole my sister's boyfriend, even her name too...

after that I used her "toys"

THAT'S WHY...

I WANT YOU TO BECOME THE NEW "HAYAKA"!!

WA...

OH...

CUTER THAN MY SISTER...?

ME...?

YOU'RE LYING...

AH!

AH!

AH!

は

は

that was completely different stuff from what Hayato has been told before like "Looks like a girl" or "Like a woman"

は

は

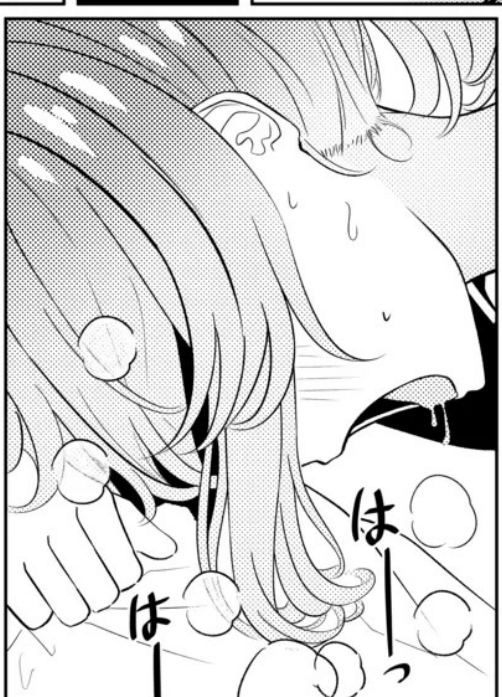

"Because you're much cuter." those words pierced into Hayato's mind drowning his brain with naoki's praises

HAYAKA, I'M CLUMMING!

another step close to lose it

YEAH...

は

は

this may have been the moment he realized that he might be cuter than his sister, whom he had been consciously and unconsciously Imitating, or perhaps even cuter than a "Real woman"

as their immoral desires became intertwined, the sense of ethics that supported their reason slowly began to crumble.

He secretly fantasized about having sex with her brother, Hayato, while Hayato also fantasized about having sex with a man, after certain circumstances, they ended up doing it.

Kanza-san was looking for a replacement for her, someone who can fulfill his unpleased desires.

the thing that interrupted that routine was an unexpected way of pleasure, it was intercourse with someone of the same sex.

A relationship where he was in a routine of an endless fatigue, he stood there because it was "the right thing to do"

to be continued...
