SUMMER
SPLASH

Hello, here's your parcel.

Hello..

Please, sign here.

Oh.. Thank.. you.

Kageyama!
Another complaint from your region!

Oh boy..

I told you not to contaminate the parcel with your sweat!

Do something about it?

You can't just stop sweating during summer.

Prrr

Manager, it's natural for equines to sweat like rivers.

I don't care. Do something about it.

Okay...

Phew~

Mr. Kurobuchi.

Long day.

You seemed troubled?

Kageyama~

It's a sports bolero!

Tight

I've had several complaints about over-sweating.

That's no good.

But it'd be too hot to wear long sleeves.

I just have a thing for you.

This will absorb sweat from an arm and armpit.

Now it's much cooler.

Aren't you a bit overexcited?

Jockstrap!

Ngh..

Huh?

Hehe!

I heard a horse's sweat is foamy, and this is how it is.

I can hardly hold myself

prrr

You have a beautiful equine penis.

Are you treating me like I am an equine specimen?

Throb

wearing
strange
uniforms.

that blue dragon.

Oops, it is quite hard to control myself every time I come to gym.

Look at that physique.. wow..

Well, at least I am standing in the corner, quite distant from others.

Well..

I told you to focus on maintaining your posture.

And yet you are distracted already.

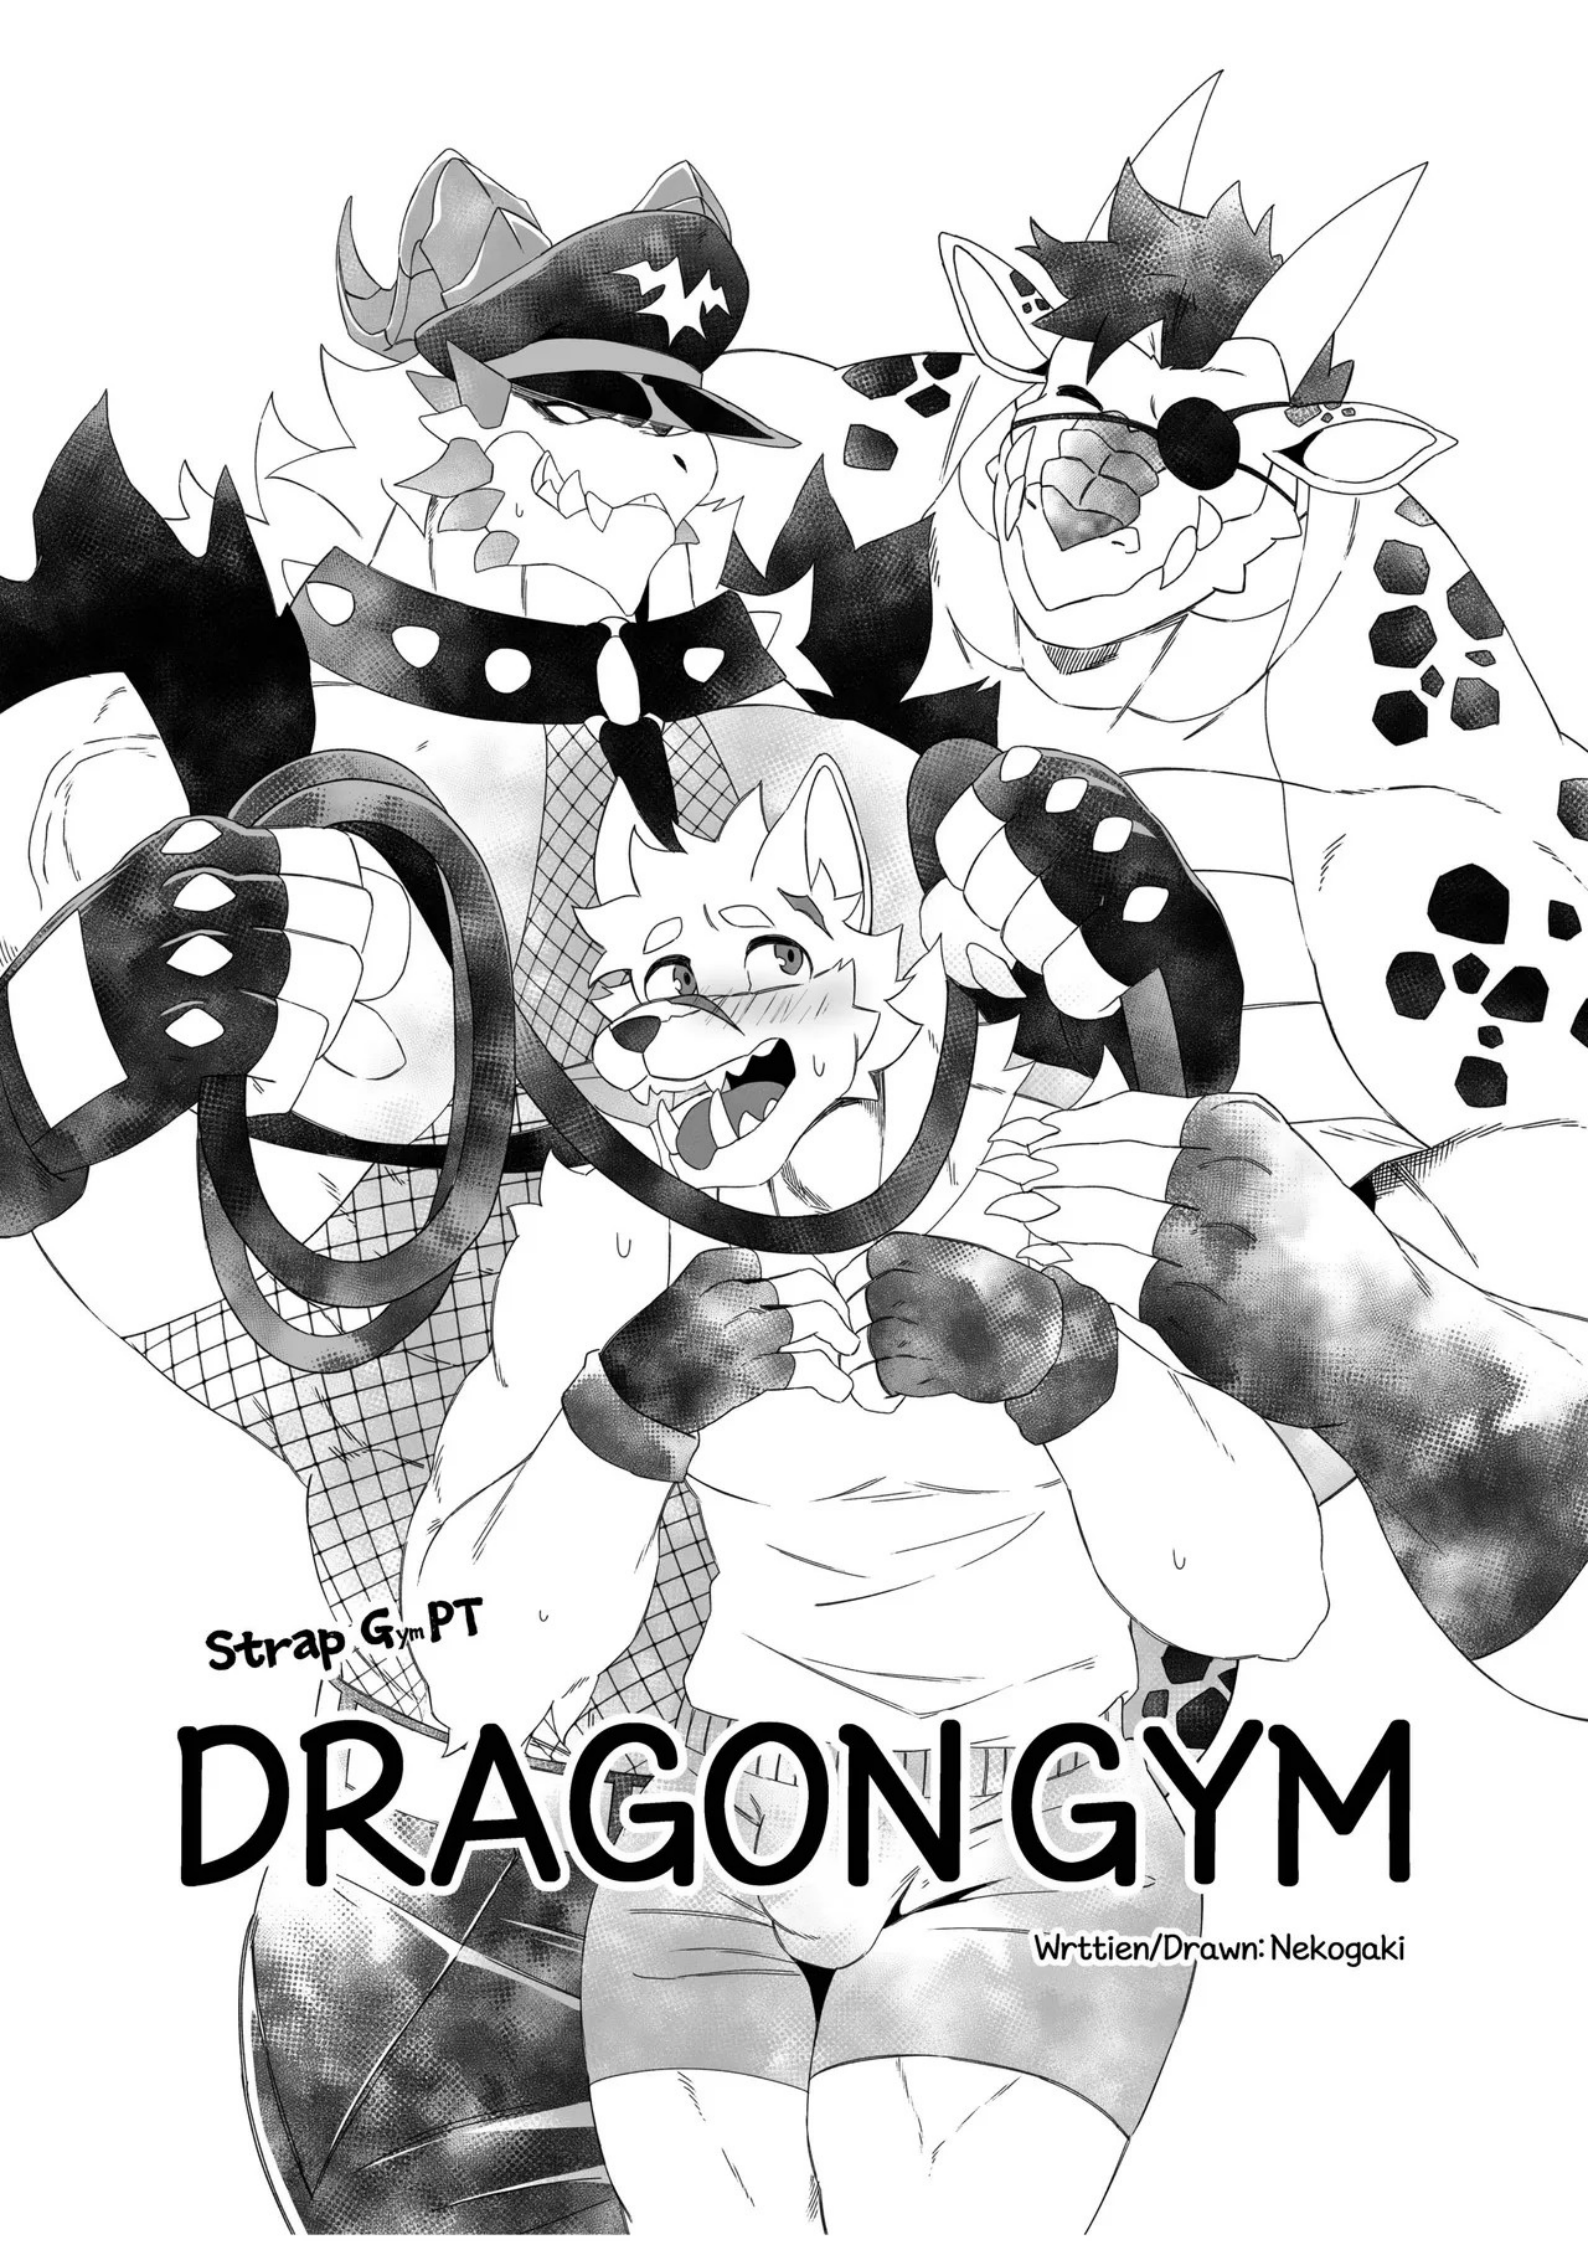

You, in particular,

Let's try a new approach.

something's poking my ass.

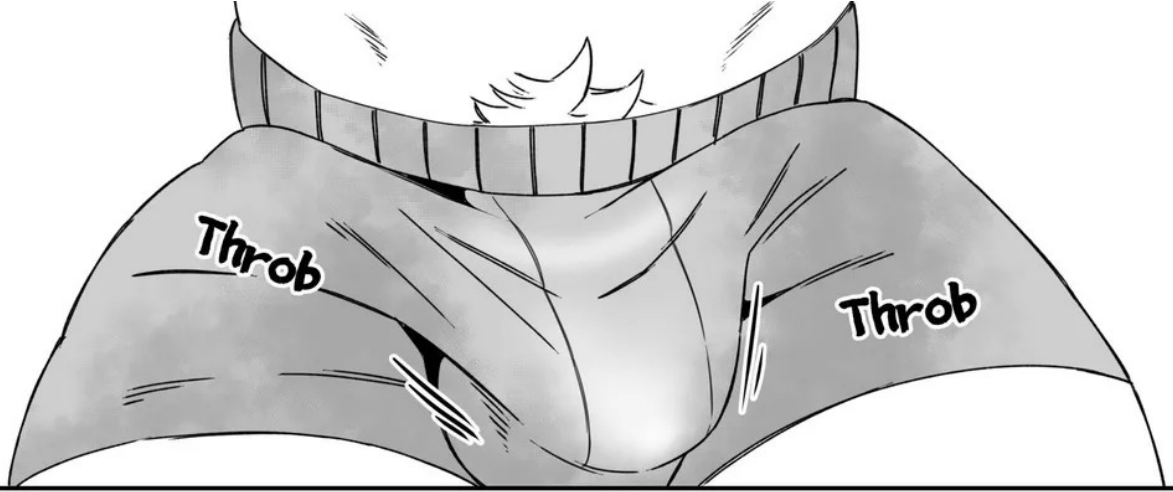

... His scent is... overstimulating.

Oh my... he's standing right behind me.

I can feel his abs behind my back.

Its surface is gorgeous, although I can barely sense it.

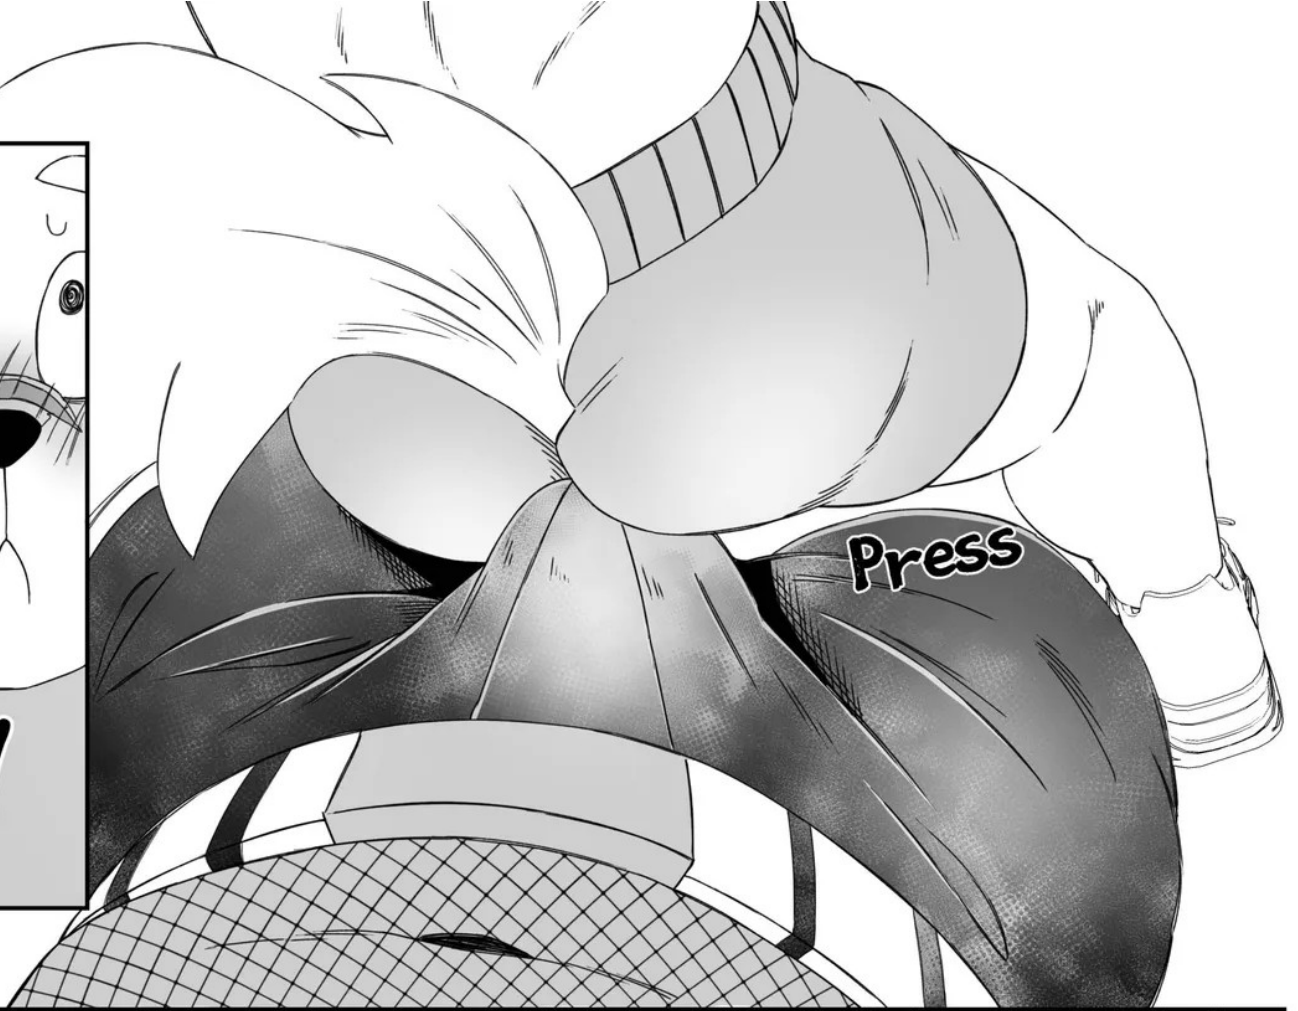

Repeat
the procedure
as taught you.

Good.
I am gonna
let you try it
by yourself.

And...

Gulp

Oh...
I should pretend

I've been
there too.

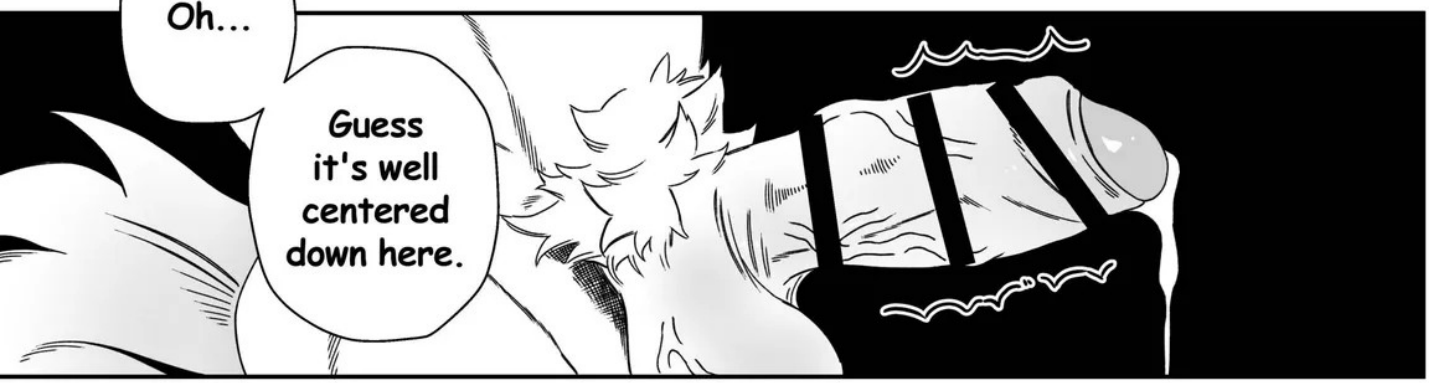

You'll get
the hang
of it soon.

I can hardly
keep my
balance and all..
hehe

Swoosh

Oh...

Guess it's well centered down here.

However, there are things to work with.

Yes, it is impressive even.

ho ho... is that so?

Blush

Mind if I correct your pose

that needs adjustments?

If you focus on the balance, you'll make the perfect posture.

Uhhh...

Gik

It feels so strong that

my legs are losing power.

I am falling!
