*"You bastard... You've got some nerve doing this to me."*

*"You think just because you tied me up, you can crush me under your heel?"*

*"Laugh all you want... I'm not the kind of woman who lets anyone mess with my body and walks away free."*

*"Just wait till I get out of these ropes... I'll make sure you remember for the rest of your life not to mess with Zhu Yuan."*

*"Don't think my silence means fear... I'm just saving my strength to knock you out in one hit."*

Handwritten signature or initials in the bottom left corner.

"I thought you'd be tougher than this, Zhu Yuan... or was all that bravado just for show?"

"Where's that commanding voice of yours? Oh right... it's trapped under that tape. Hahaha!"

"You're about to learn the hard way—confidence means nothing when you're in the wrong place at the wrong time."

"Let's just hope someone remembers you by your ass... because no one's ever going to see your face again."

be your secret weapon  
in negotiations, huh?"

a display piece writhing  
in rope. Hahaha!"

that stands out this  
much, it's no surprise
