Sorry. I went out with my friends.

Why did you get home late today? You know you should be home early this week!

So my personal cumdump decided to break the rules and run away with her friends.

You're a very selfish whore.

I'm sorry. I didn't think...

One holes don't think, stupid. Your only obligation is to be My cumdump. Did you hear me?

I'll take your phone. Come to my room tonight if you want it back. And you better wear that outfit I like.

You fucking whore.

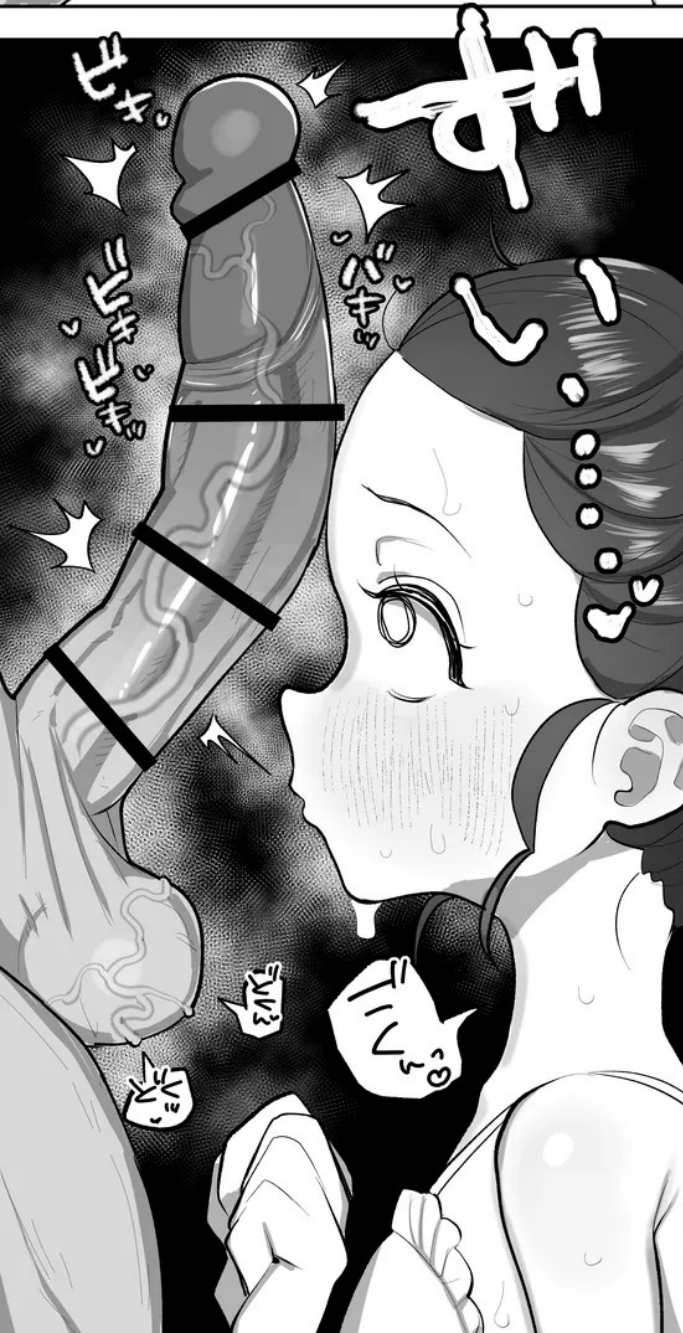

Damn, what a
slutty
threesome.

Taking that kind
of photos should
be a crime. I'll
make that idiot
bring her friends
over.

Data transfer in progress...

I came as
you asked,

so give
me back
my
phone,

Onichan...

It's too much !
onichan... !

I'm...I'm going to
break!

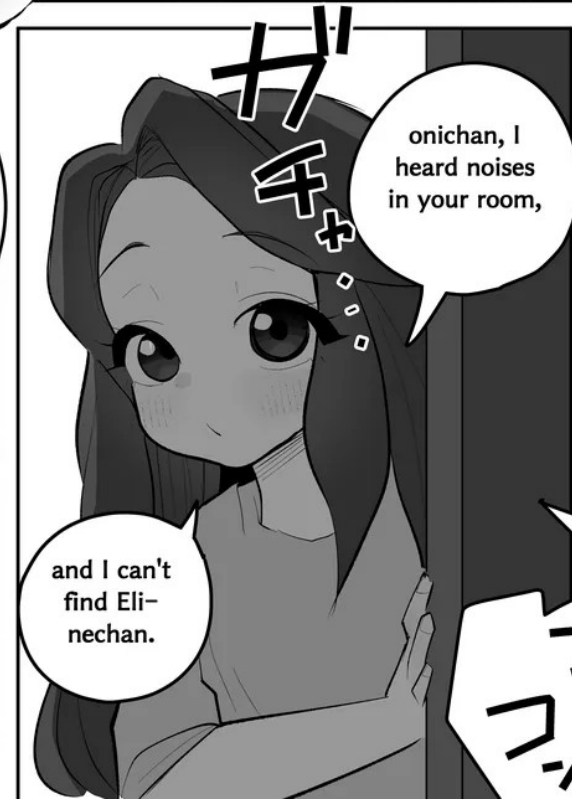

Shit, that. It was incredible. Those pills work really well.

You won't be going to school all week and you'll wear the outfits I give you. This week it'll just be a one-hole. Got it?

Oh, don't worry. Eli-nechan is playing with me.

If you want, you can play too.

onichan, I heard noises in your room,

and I can't find Eli-nechan.

I wonder if it would be a good idea to invite that pair of bitches you have as friends.

after that

Your pussy is even tighter. Starting tomorrow, you'll be my cumdump too. Got it?

Yes! Yes! My body will be yours, Oni-chan. I'll be your personal cumdump.

And you, Eli-chan,
you have one week
to bring your
friends. You better
do it, or I'll have my
friends fuck you, all
at once.
