your voice is still not very good...

Well...like at the concert earlier,

I can't stop my heart from aching~

From the moment I met you... ♪

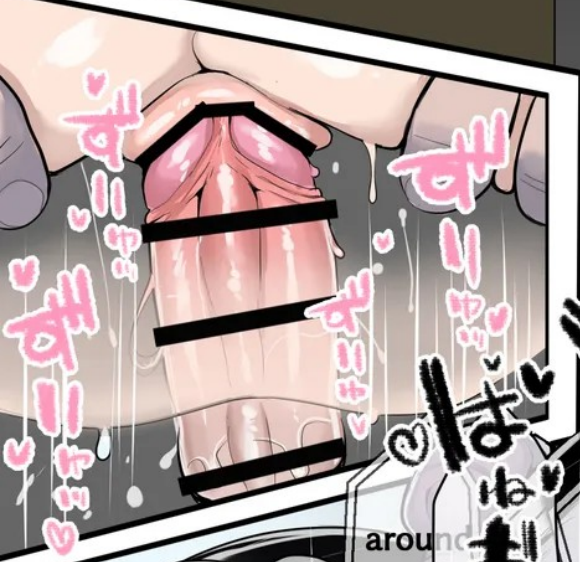

I hate to say this too much, but maybe you're not cut out to be an idol.

I'm so excited to smell the kids' sweat after a gig ♡

You've only done six songs and you've already lost your energy?

Oh, look. Miu's solo is coming.

Do you quit?

Oh, my God. You can do it to get out of control. Your little pussy is getting tight to the song.

As a reward, I'll ejaculate deepest inside you.
