

ここは郊外の児童館
俺はいつも通り受付で
ヒマをもて遊びながら
たまにやってくる
女兒を視姦していた

その日は新顔の
父娘が来ていた
その娘は頭が弱い様子で
無口で無表情、歳の割に
幼稚な遊びに興じていた

飲み物をこぼしてしまい
父親が靴下を脱がせた時
女兒の足の裏を見て
俺の目は釘付けになった

も〜！またこぼして…
お茶飲むときは
ちゃんと両手でって
いつも言ってるでしょ

とりあえず靴下脱いで
ほら、着替えるから
立ちなさい

しばらく後
帰り際に父親が
無言で茶封筒を
受付に置いていった

恐る恐る中を見てみると
隣町の撮影スタジオの住所と
十月十一日という日付
そして「交通費・精力剤代」と
書かれたメモと五千円札が
入っていた

11月11日

後日
様々な妄想を浮かべながら
メモに書かれていた
情報通りにスタジオへ
訪問した俺は

ドアを開けた瞬間
あまりの光景に
硬直してしまった

そんな俺に父親は
さらに耳を疑う話を
始めた

妻と離別した後
8年間毎日
娘で性処理を
しているが

言葉を話さず表情も
あまり変わらない娘と
普通にセックスをしても
マンネリに陥るので
様々なプレイを試して
いるということだ

すぐに撮影を
始められるように
「身体をほぐしておいた」
という父親の陰茎は
何かの液体でぬらぬらと
艶めいていた

口や性器の周りに
陰毛をつけ
頬をほんのり紅くし
じつとりと汗ばんだ
娘の様子を見て

最近のマイブームは
初対面のロリコンに
娘を犯させて
その録画を見ながら
膣内射精すること
だそうだ

●学生とセックス
できるかもしれない
という妄想が一気に
現実味を帯びて
俺の股間は人生で一番
怒張っていた

「まずはおちんちんに
あいさつしなさい」と
父親に促されると

娘は躊躇なく
パンツをずりさげ
自身に向けられた
情欲で勃起した
ちんぽを
じっと見つめた

竿にかかる
あたたかい鼻息が
女兒の体温を
感じさせて
俺は更に興奮した

娘はまず
皮の中に舌を
入れて丹念に
舐めまわした

前触れなく
一気に喉奥まで
深く啜えこまれ
思わず間拔けな
声をあげてしまった

人生ではじめての
フェラチオ体験に
「こんな気持ちいい
ことがあるのか」と
感動していると

よく舐けてるでしょと
父親は笑った

俺は腰を浮かせながら
娘の口ーに週間貯めた
精液をぶちまけた

そして
俺の目を
見ながら
ゆっくり
ねっとり
先端まで
口を戻して
いった

竿の先にやや
硬い感触があり
それ以上は挿入
できなかった

多分子宮に
あたったのだと
思う

見下ろしてみると
幼い身体に深々と
男性器が
突き刺さっている

暖かい呼気と
湿気を
肌で感じる

女兒特有の
甘い汗の匂いが
鼻孔をくすぐる

小さな口から
こぼれる
甲高い声が
鼓膜を震わす

女兒の体温は高いと
創作の世界では
描かれがちだが
それが真実なのだ
と実感した

ちんぼだけ湯舟に
浸かっているような
不思議な感触だった

五感からの情報が
「●学生とセックス」
という現実を脳に
焼き付けてくる
腰を動かしていかない
にも関わらず再び
精液がせりあがって
くるのを感じた

自分が何を
されているのか
全く理解していない
であろう女兒の
未成熟な膣内に

俺は
この日二度目の
射精をした

いよいよセックス
本番だと
意気揚々と
ピストンを始めたが

腰を振るといいうのは
日常で行わない
動作のこともあって
全く思ったように
動けなかった

幼穴の刺激自体は
極上なだけに
思い切り
コキ散らせないのが
もどかしかった

見かねた父親から
「前後より上下。
下ろす時は重力に
任せる感覚で」と
助言があり
早速試してみた

三発目は
娘を押しつぶす
ように
思い切り体重を
かけて一番奥に
射精した

身体を密着させると
筋肉の薄さと
骨格の細さを
感じられて
全身が気持ちよかった

結果として
これは
大正解だった
リズムカルに
刺激を味わえて
にわかに射精欲が
湧き上がってくる

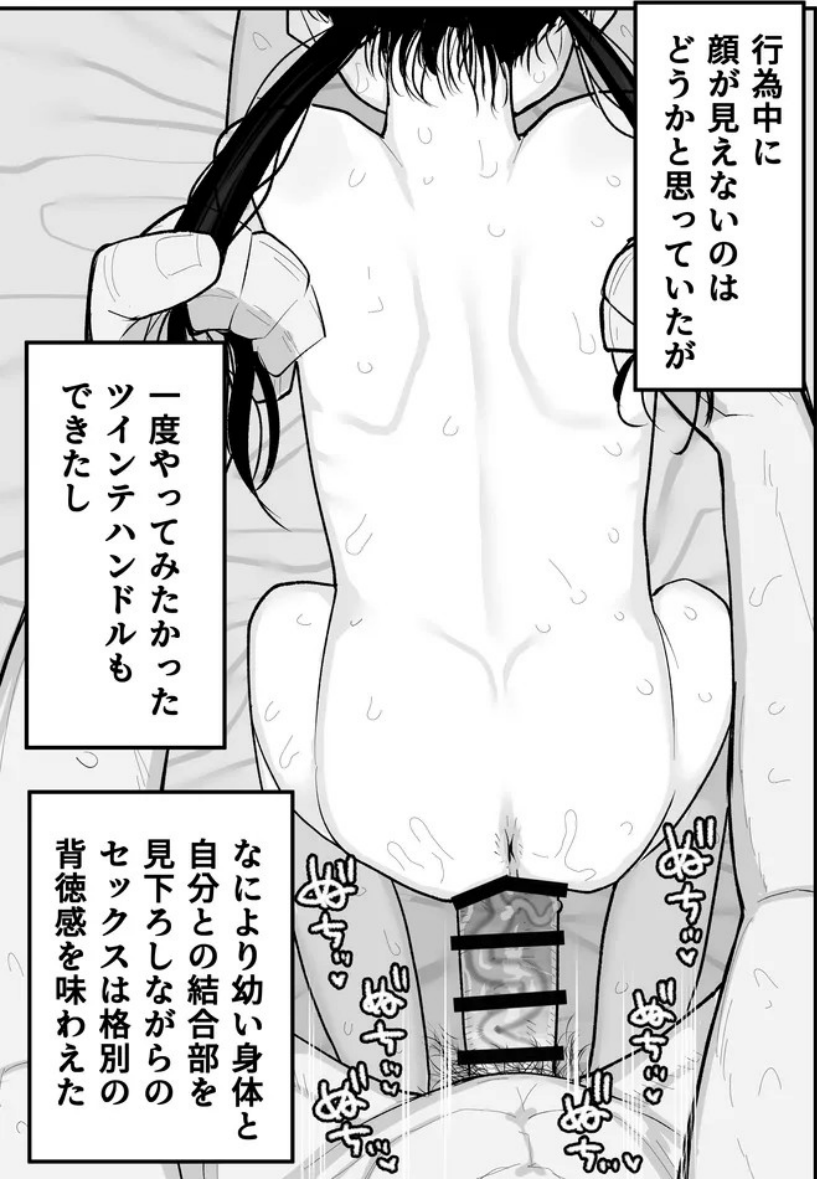

余談だが
「ぱんぱん」という
エロ漫画の擬音が
本当に出るんだと
妙に感動した
記憶がある

Hey! You spilled it again...
I always tell you to drink tea with both hands.

Take off your socks for now. Come on, get up so I can change you.

This is a children's center in the suburbs. I'm at the reception desk as usual. I was playing with my free time and watching the girls who came in from time to time.

There was a father and daughter who seemed to be visiting for the first time that day. The daughter was weak-headed, quiet, and expressionless, playing childish games for her age.

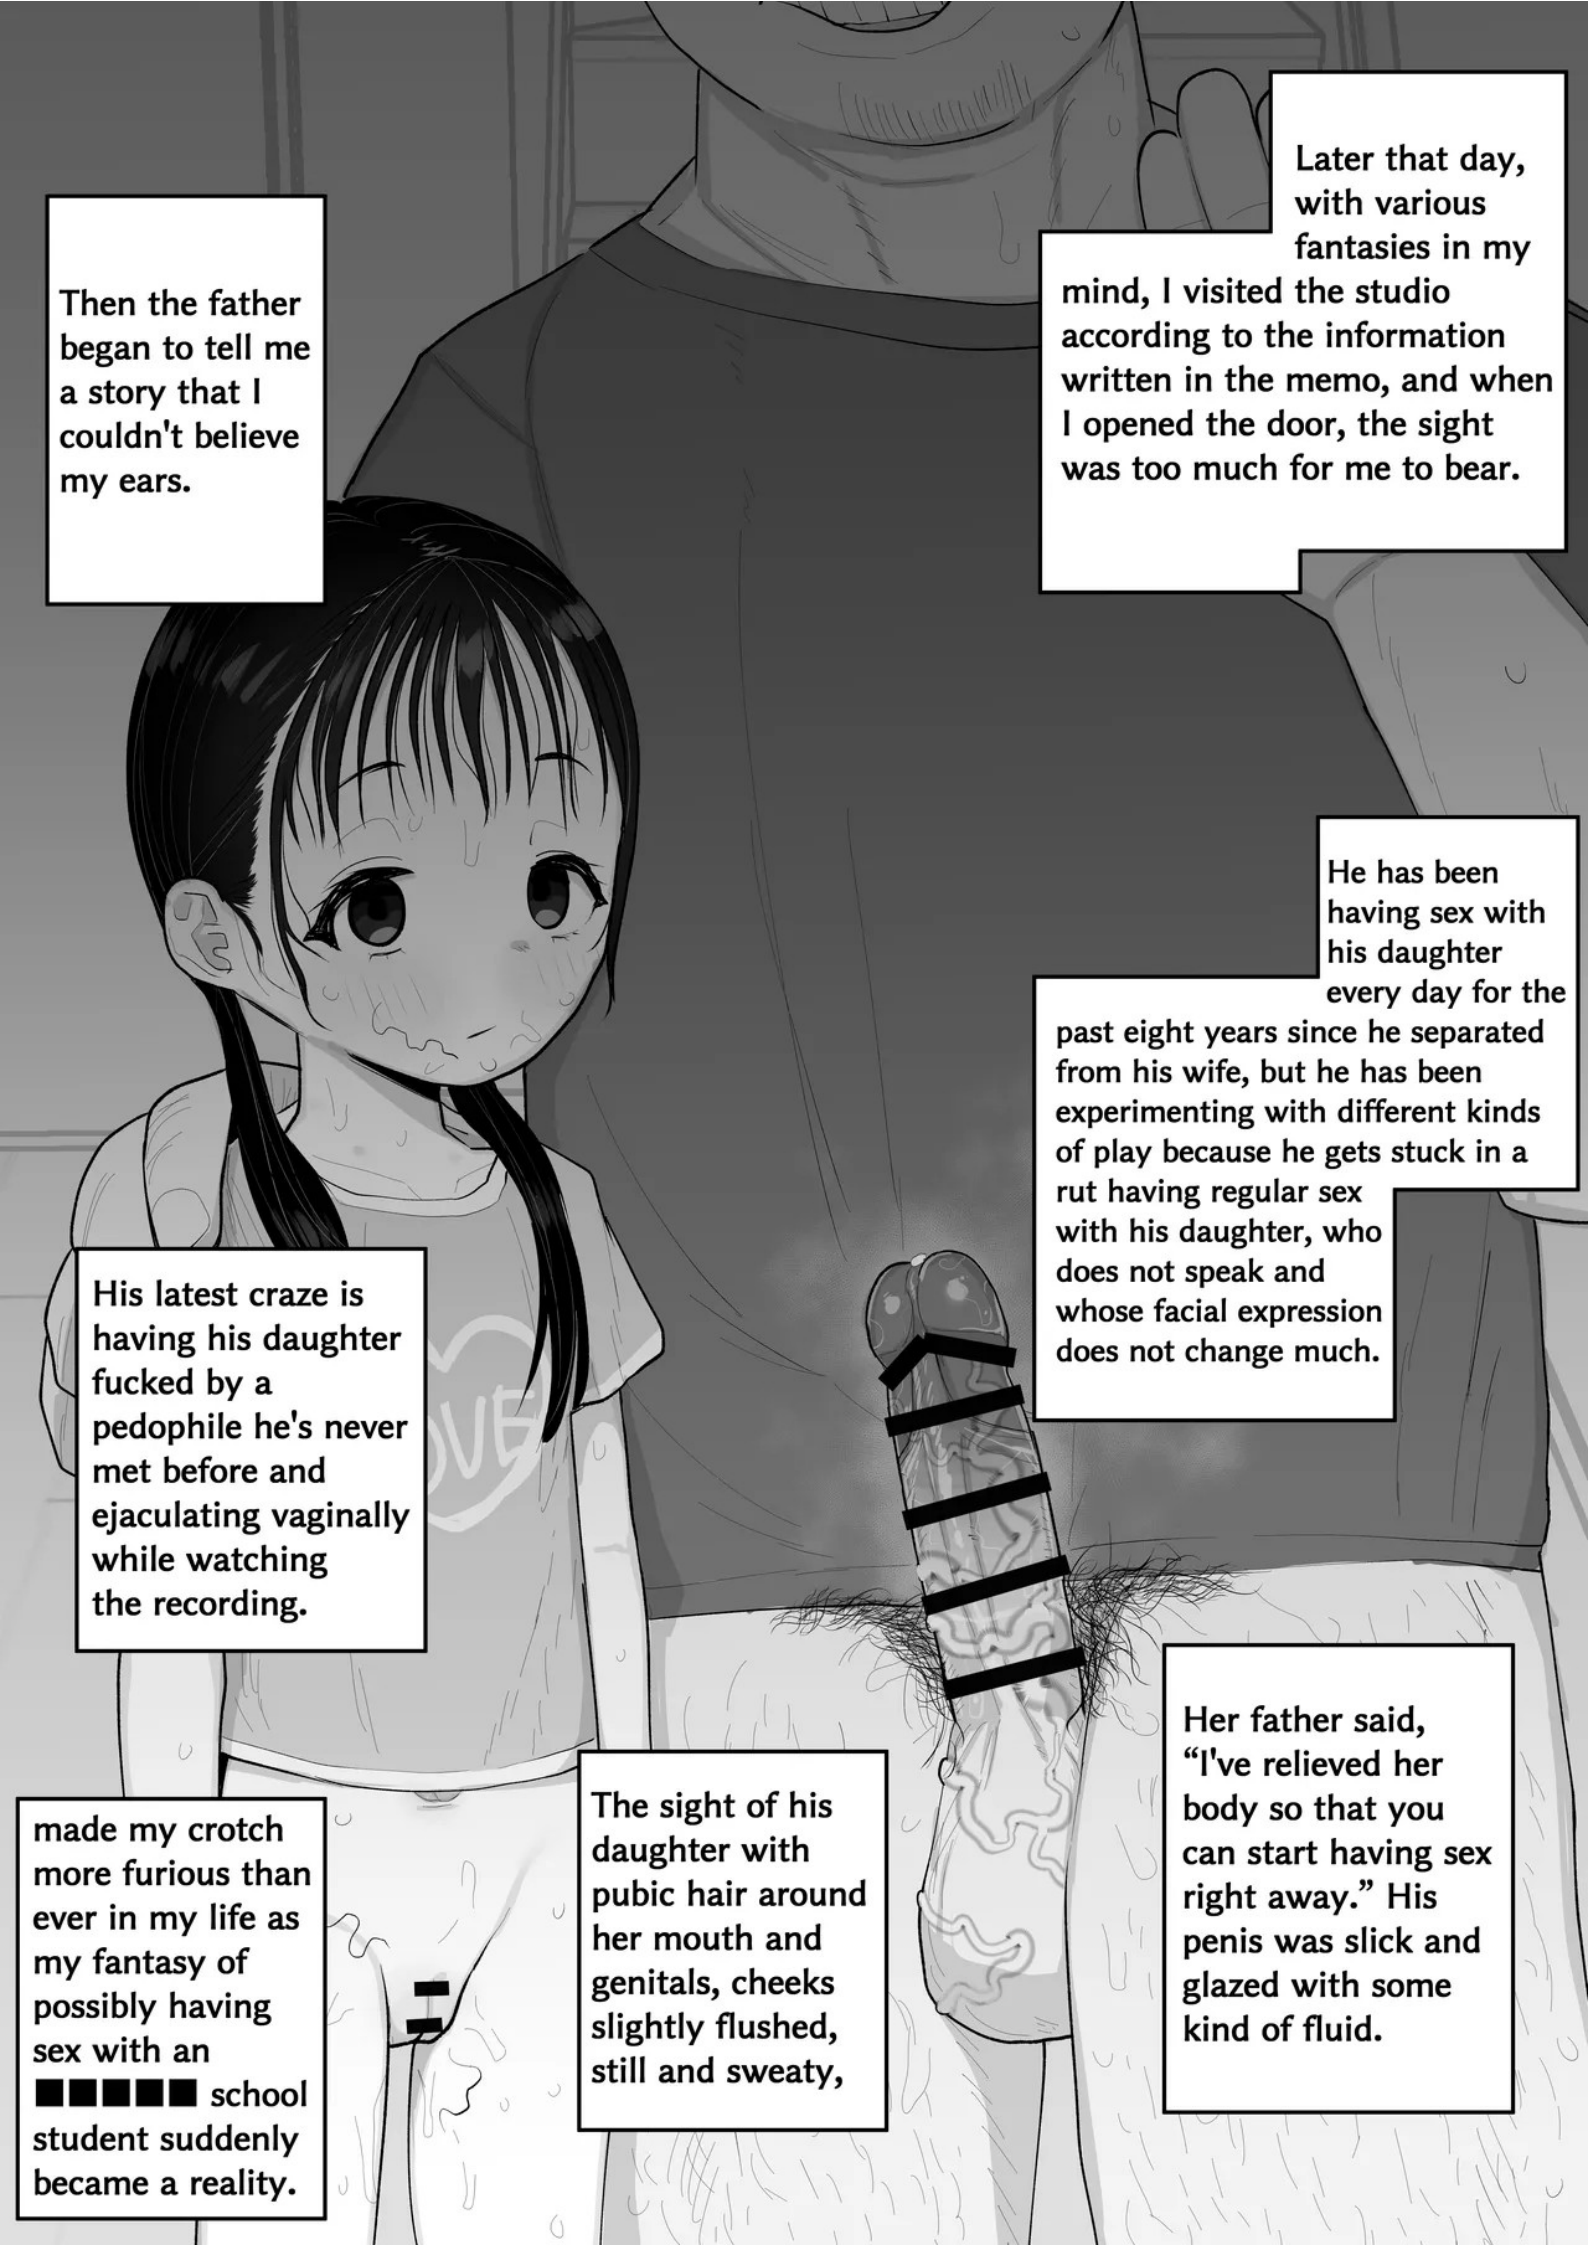

When the daughter spilled her drink and the father took off her socks, my eyes were glued to the soles of her feet.

A short time later, as they were leaving, the father silently left a brown envelope at the reception desk.

When I looked inside, I found the address of a studio in a neighboring town, the date October 11, a note that said "transportation and energy fee," and a 5,000-yen bill.

Daddy's special masturbation hole

Then the father began to tell me a story that I couldn't believe my ears.

Later that day, with various fantasies in my mind, I visited the studio according to the information written in the memo, and when I opened the door, the sight was too much for me to bear.

He has been having sex with his daughter every day for the

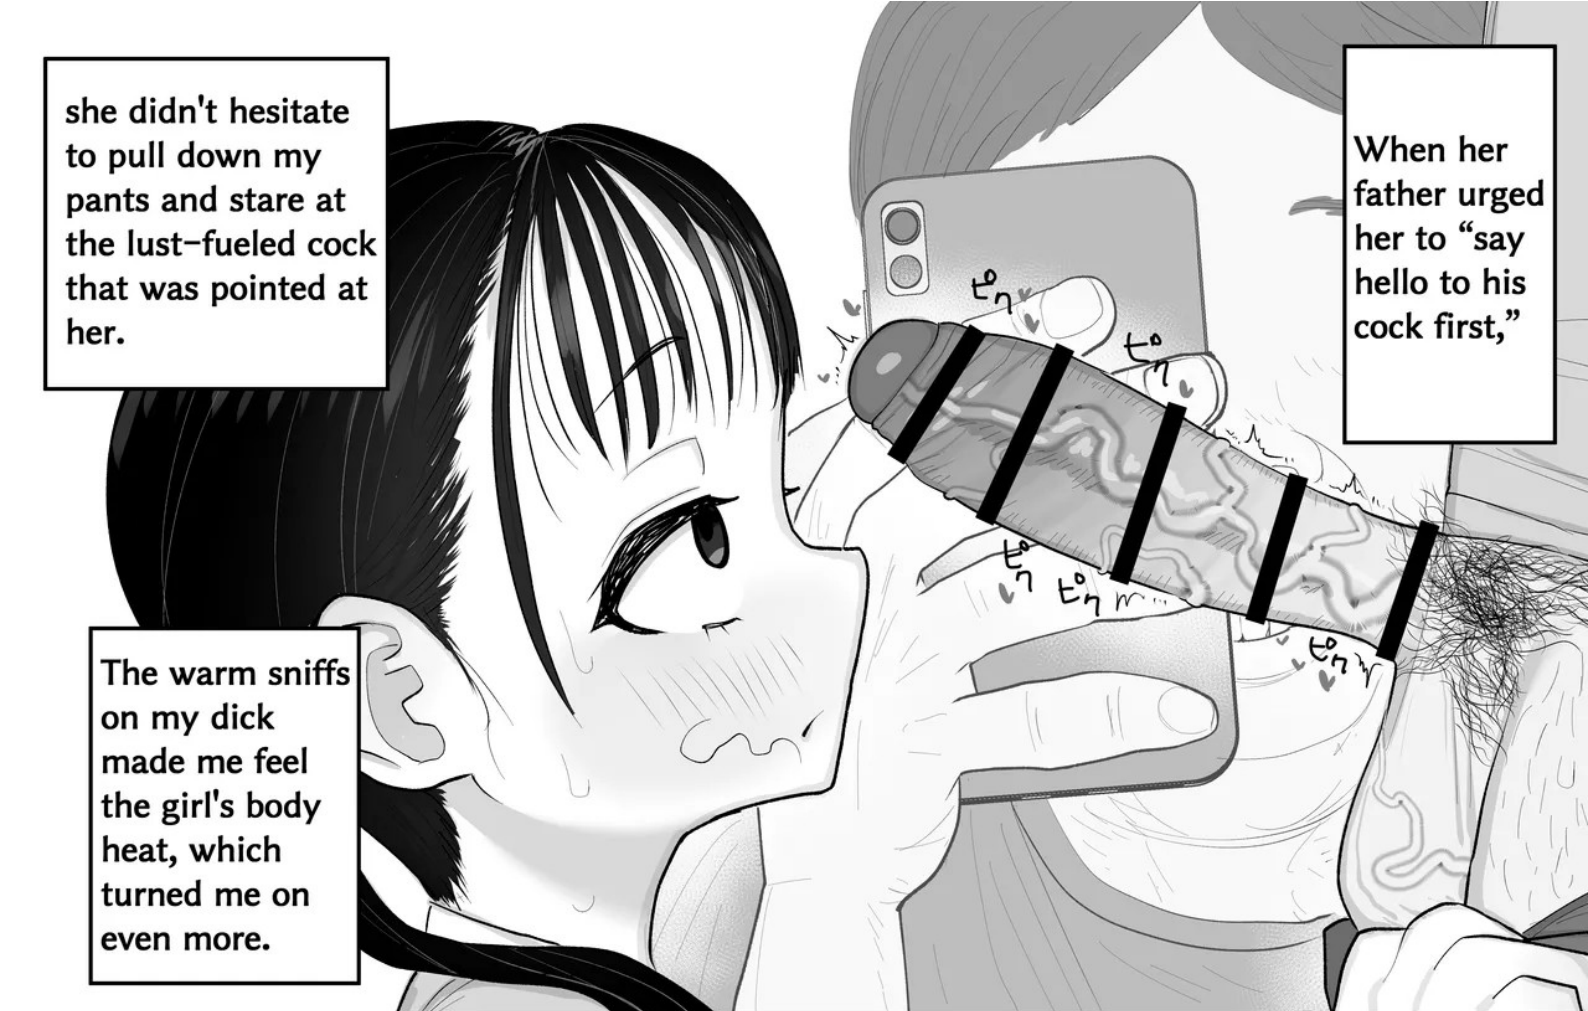

past eight years since he separated from his wife, but he has been experimenting with different kinds of play because he gets stuck in a rut having regular sex with his daughter, who does not speak and whose facial expression does not change much.

His latest craze is having his daughter fucked by a pedophile he's never met before and ejaculating vaginally while watching the recording.

made my crotch more furious than ever in my life as my fantasy of possibly having sex with an  school student suddenly became a reality.

The sight of his daughter with pubic hair around her mouth and genitals, cheeks slightly flushed, still and sweaty,

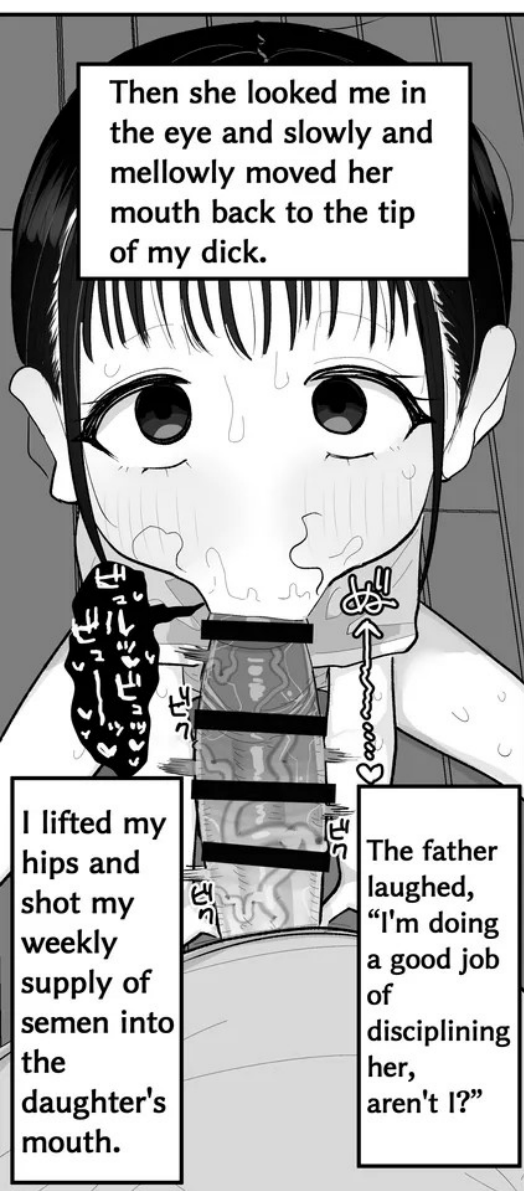

Her father said, "I've relieved her body so that you can start having sex right away." His penis was slick and glazed with some kind of fluid.

she didn't hesitate to pull down my pants and stare at the lust-fueled cock that was pointed at her.

When her father urged her to "say hello to his cock first,"

The warm sniffs on my dick made me feel the girl's body heat, which turned me on even more.

Then she looked me in the eye and slowly and mellowly moved her mouth back to the tip of my dick.

She sucked my dick deep into her throat at once without warning, and I couldn't help but make a dumb noise.

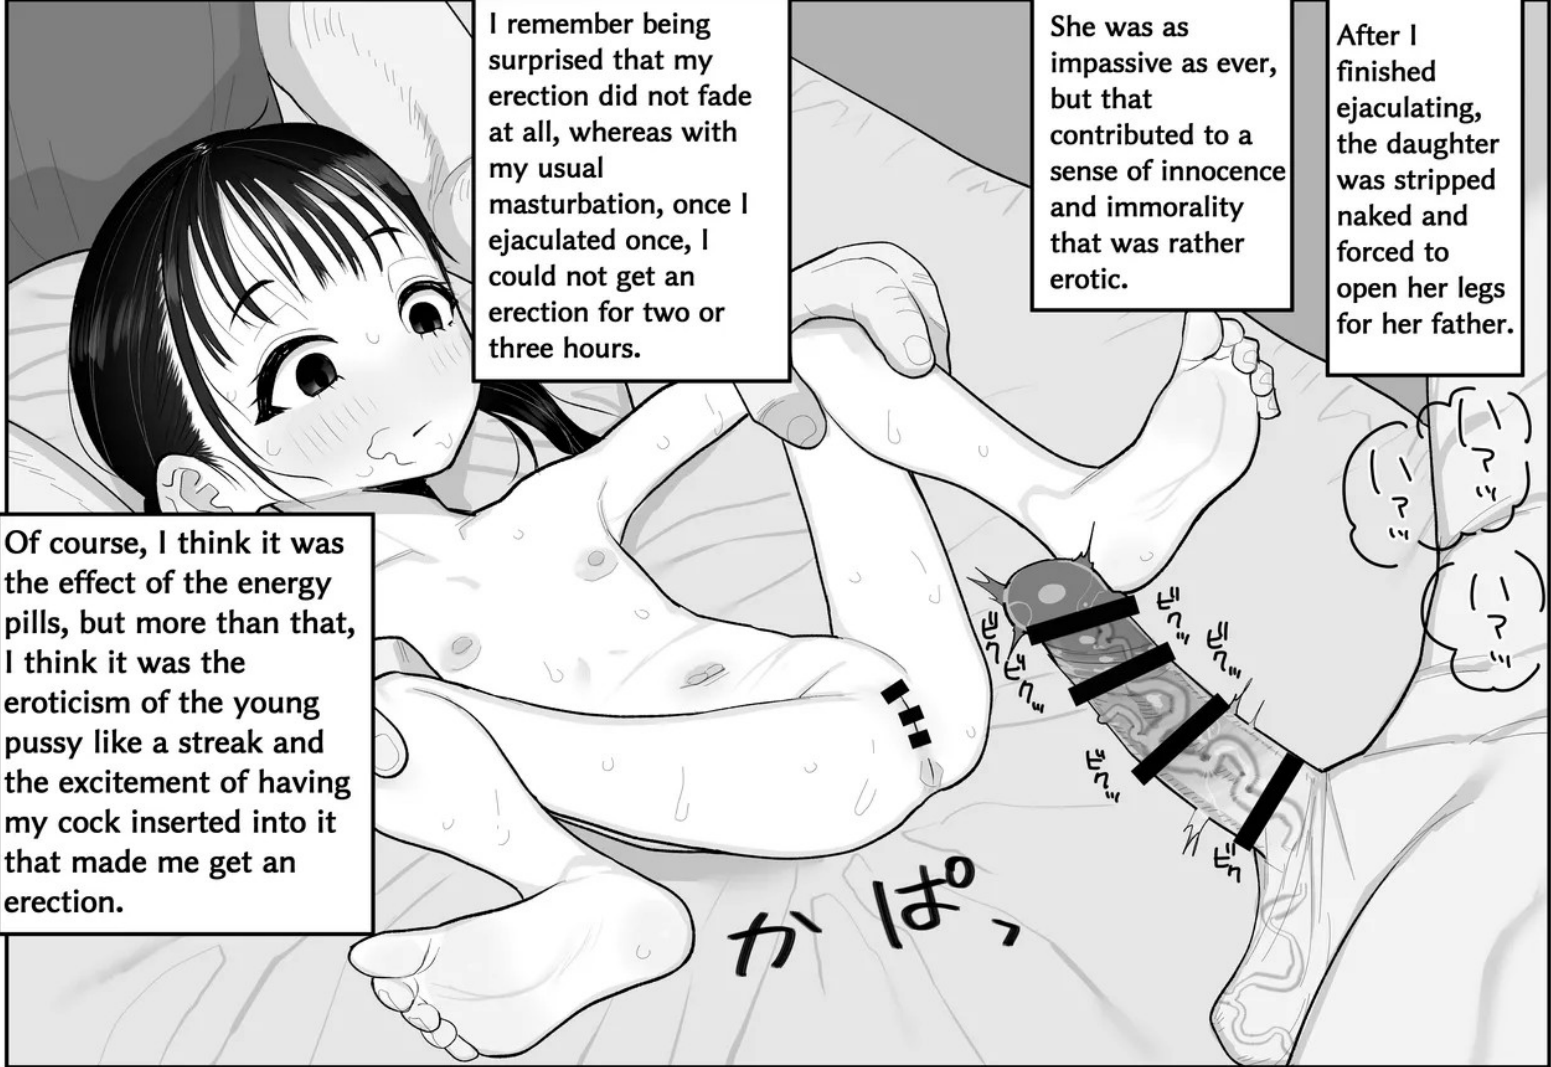

The daughter first put her tongue inside the skin of my dick and carefully licked it all over.

I lifted my hips and shot my weekly supply of semen into the daughter's mouth.

The father laughed, "I'm doing a good job of disciplining her, aren't I?"

I was impressed by the first blowjob experience in my life and wondered how good it could feel,

I remember being surprised that my erection did not fade at all, whereas with my usual masturbation, once I ejaculated once, I could not get an erection for two or three hours.

She was as impassive as ever, but that contributed to a sense of innocence and immorality that was rather erotic.

After I finished ejaculating, the daughter was stripped naked and forced to open her legs for her father.

Of course, I think it was the effect of the energy pills, but more than that, I think it was the eroticism of the young pussy like a streak and the excitement of having my cock inserted into it that made me get an erection.

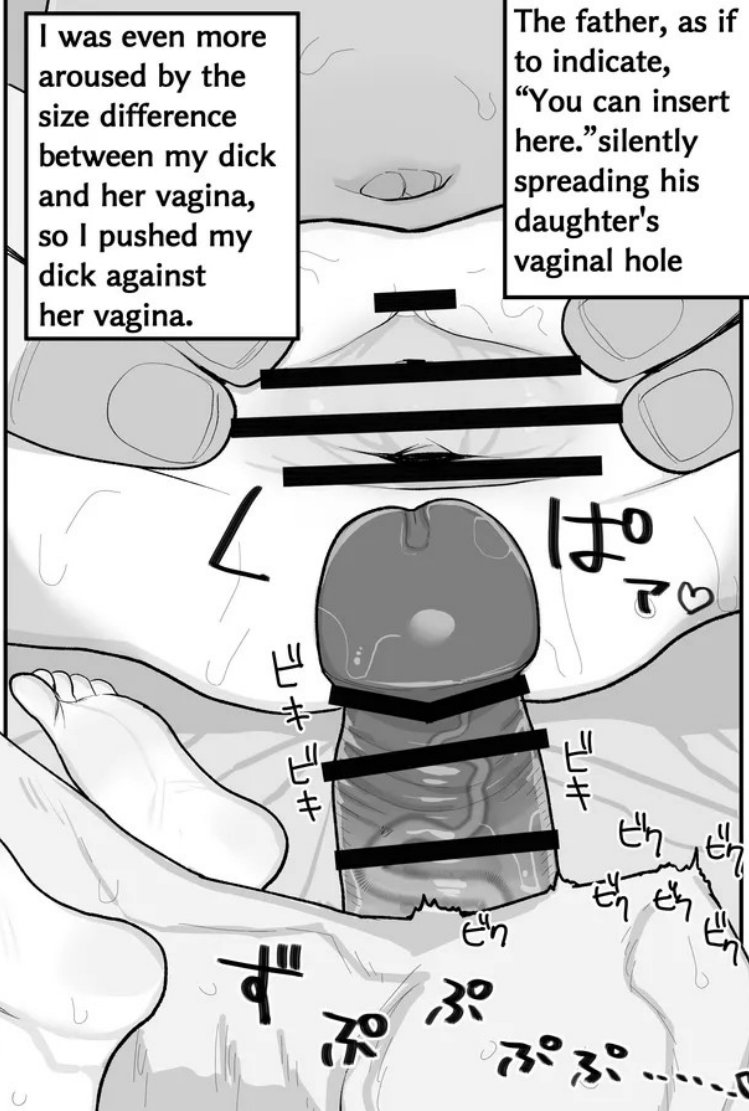

Seeing that I was having trouble getting my dick into her cunt, her father whispered to me, "It's okay, just put all your weight on it."

My first impression was "small."

I was shaking my hips with more pleasure than a blowjob, and I was digging into the young girl's vagina, following my instincts, aiming for the deepest part of her.

I did as he asked, and sure enough, once past the vulva, the rest of the way was smooth and inward.

I was even more aroused by the size difference between my dick and her vagina, so I pushed my dick against her vagina.

The father, as if to indicate, "You can insert here," silently spreading his daughter's vaginal hole

I realized that although girls are often portrayed in the creative world as having high body temperatures, this is the truth.

It was a strange feeling, as if my dick was the only thing in the bathtub.

I felt a little hard on the tip of my dick and couldn't insert it any further.

Maybe it hit the uterus.

I look down and see a male organ deeply impaled in a young body.

The information from the five senses burns the reality of "having sex with an ■■■■■ school girl" into my brain. I could feel the semen rushing up again, even though I wasn't moving my hips.

The sweet smell of sweat peculiar to girls tickles the nostrils. I feel her warm exhalations and moisture on my skin.

I ejaculated for the second time that day into the immature vagina of a girl who probably had no idea what was being done to her.

The high-pitched voice spilling out of her tiny mouth shakes my eardrums.

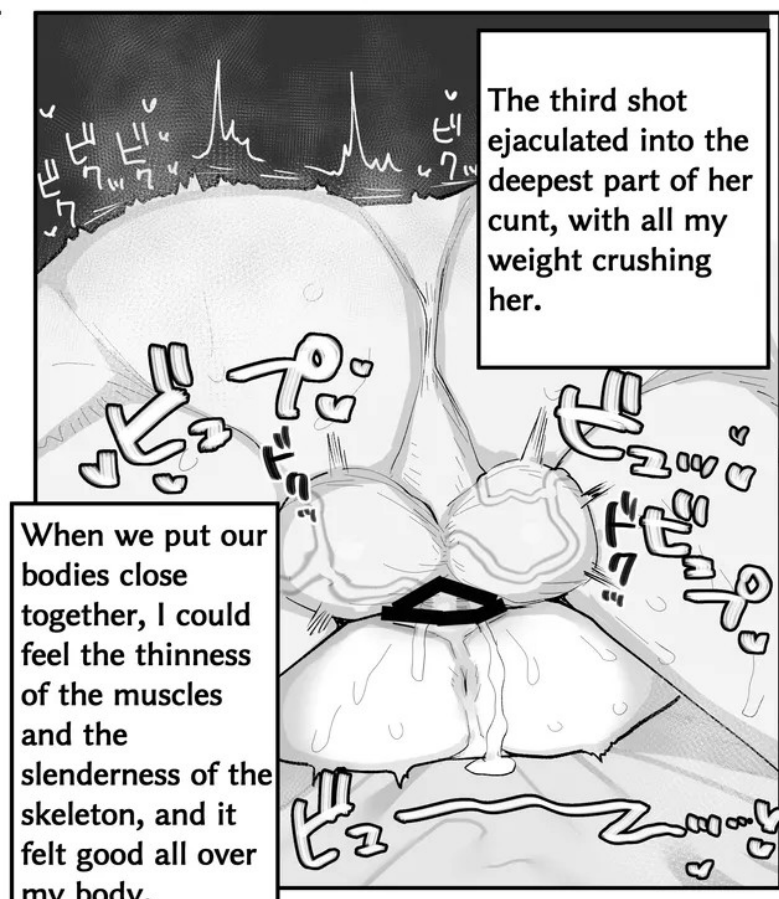

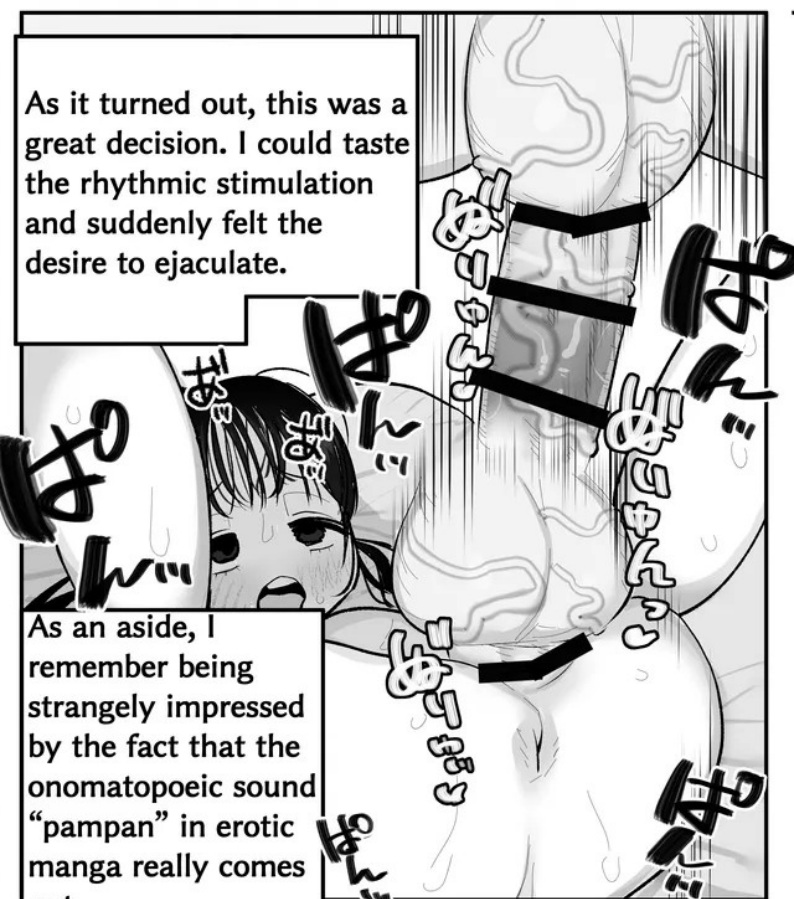

The stimulation of the young hole itself was superb, and it was frustrating not to be able to move my dick in and out with all my might.

I was elated that it was finally time to have sex, and I began pistoning, but I could not move at all as I had expected, partly because shaking my hips is a movement I do not perform on a daily basis.

Her father, who couldn't bear to look at me, gave me some advice: "Up and down rather than back and forth. When you lower it, let gravity do the work."

The third shot ejaculated into the deepest part of her cunt, with all my weight crushing her.

As it turned out, this was a great decision. I could taste the rhythmic stimulation and suddenly felt the desire to ejaculate.

When we put our bodies close together, I could feel the thinness of the muscles and the slenderness of the skeleton, and it felt good all over my body.

As an aside, I remember being strangely impressed by the fact that the onomatopoeic sound "pampan" in erotic manga really comes out.

My abs were tired, so I tried the Doggy Style next.

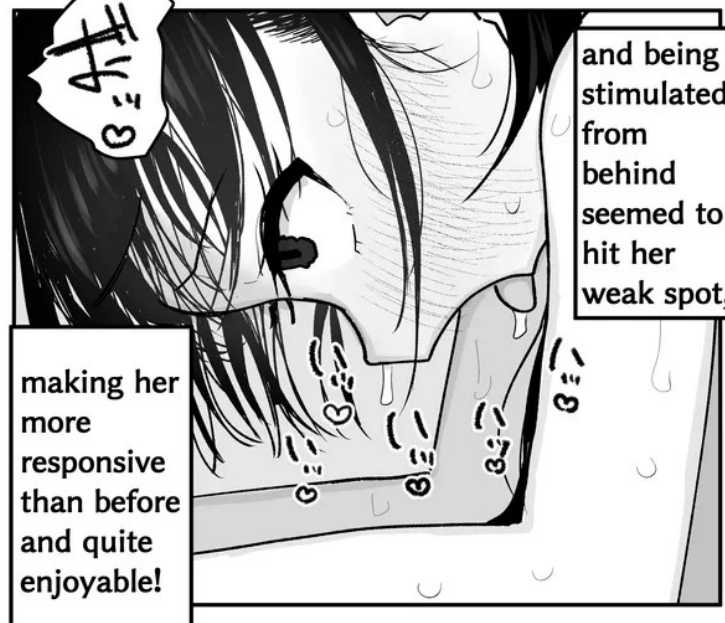

but I was able to do the "twin-tail handle" that I had wanted to try once,

and what's more, looking down at her young body and the area where she was joined with my own was an extraordinarily immoral experience.

I thought it would be a shame not to be able to see her face during sex,

It was easier to move than the normal position,

and being stimulated from behind seemed to hit her weak spot,

making her more responsive than before and quite enjoyable!

It was quite exciting, though inappropriate, to slam my dick into the daughter,

who was crying with her face mangled, as if I was lecherously raping her.

that, sorry to the daughter, I was able to ejaculate most comfortably.

Every time her father thrust his dick into her anus, her vagina tightened up so hard

Towards the end, the father couldn't take it anymore and joined in on the threesome.

She wasn't very used to two-hole sex and seemed to be in pain.

After all this time, I was a little worried that her anus would return to normal afterwards.

When her father pulled his dick out, her slightly reddened anus was spread wide open.

I was there for four or five hours, and I think I ejaculated twenty times during that time.

At the end, the three of us took a commemorative photo and broke up.

In an attempt to avoid risk, I was not given any names, nor was I given any photographic data.

Maybe this year they will be at the children's center in your town...

It's been a few years now, and I haven't seen them at that children's center once since.
