Surprisingly, at this festival, all participants can legally do naughty things with anyone!

いんちき祭り

It is called the "Orgy Festival," and it is a festival to pray for the prosperity of offspring.

There is an unusual festival in the village where I live.

...Oh, a festival? There's no way I'm going. I'm still in the■■■■ grade, remember?

The vice principal told me not to go.

ポチ...ポチ...

Oh, mom? Uh... yeah. I just got home.

Yeah, I did. I even put a chain lock on it.

How is my dad? Good.

I'm totally fine. I have a lot of homework today, so one night won't go by too fast.

I know, I know. I'll be in bed by 22:00.

Uh... yeah. Top cupboard.

Well, good luck with your overtime, both of you.

いんちき...

I'm surprised your parents allowed you to do this, considering how strict they are.

I never thought Mana would join us.

Because in health and physical education class, the teacher doesn't teach us anything about sex.

I'm sorry, Mom, Dad, I lied.

I'm glad you're here, because these days young people are leaving festivals all the time.

Even children should be interested in naughty behavior♥

I'm getting tired of masturbating alone...

Oh, man... I'm really here...♥

Isn't Mi-yo of the Ito family the last ■■■■ school student to participate?

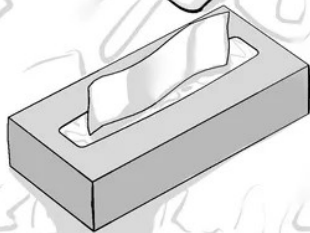

This person is... Yumi's dad?

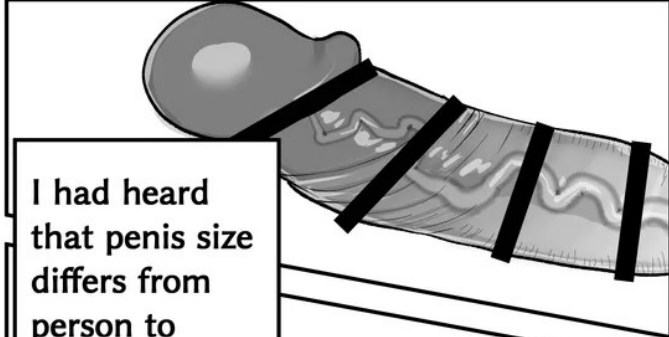

It's been more than ten years now. Ever since then, I've been having trouble getting enough adult sex.

Ah~ I understand.

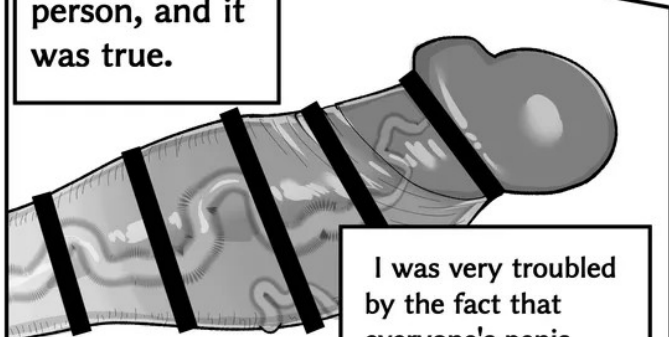

What? There's the vice principal, too! He seems so serious, but I didn't expect that...

Oh, it's Mr. Nakada who lives next door! Wow...I can see his dick is getting big even through his loincloth♥

I had heard that penis size differs from person to person, and it was true.

I was very troubled by the fact that everyone's penis was completely different in terms of length, thickness, skin covering, and unevenness.

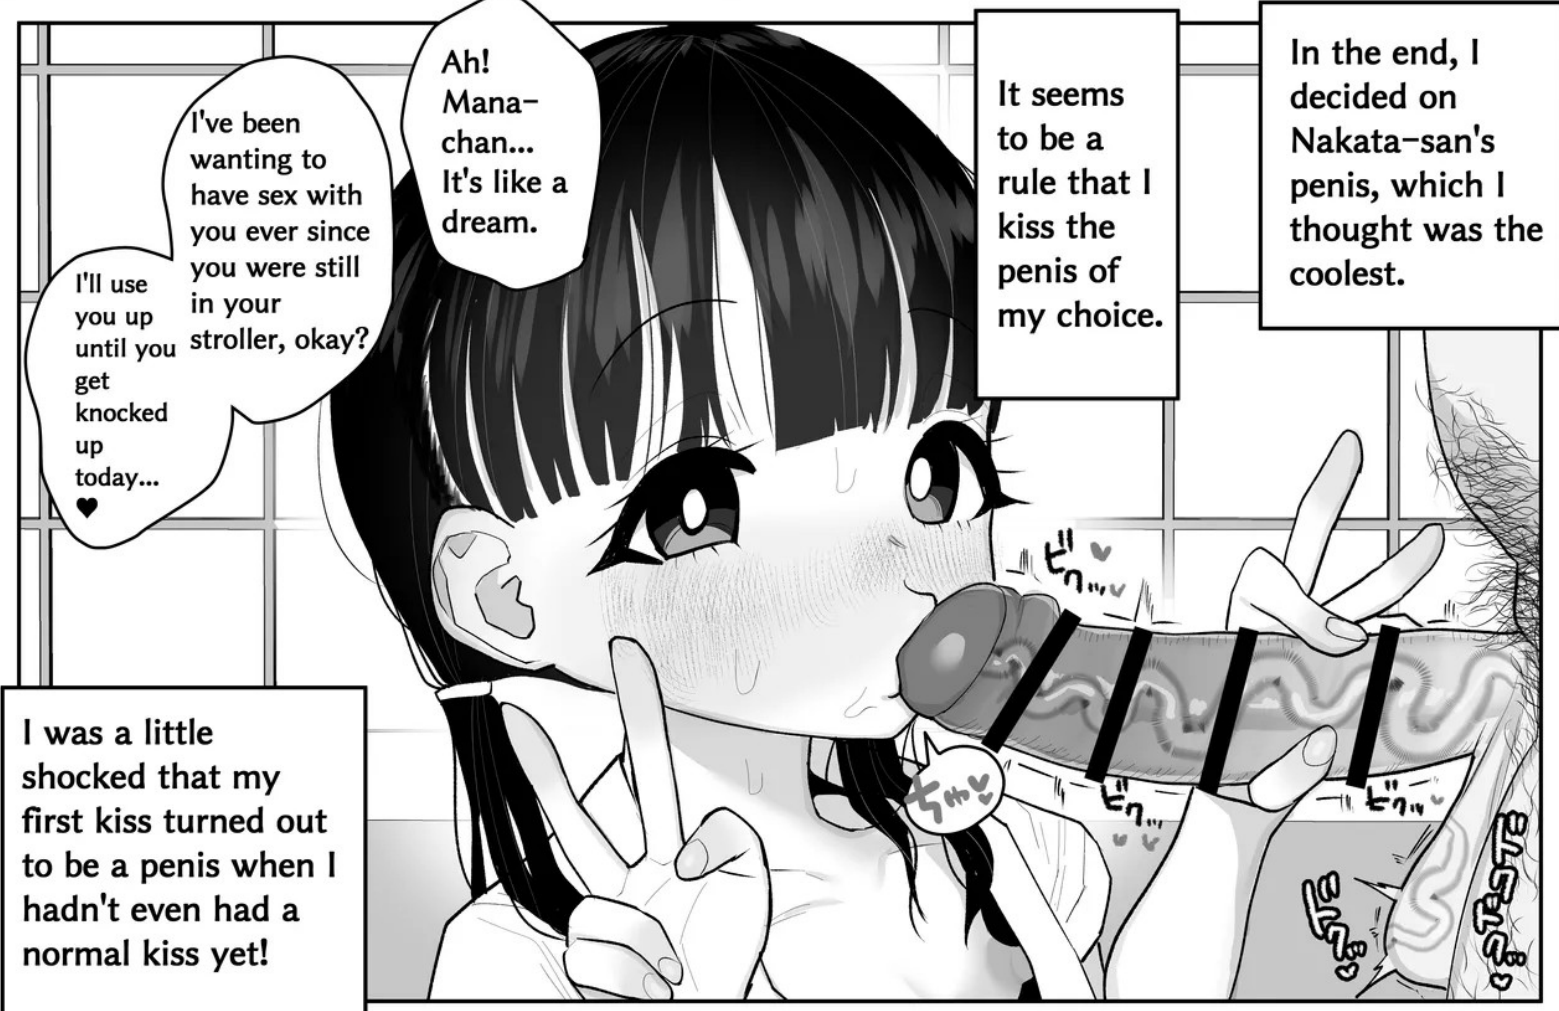

Damn ... ♡

First of all, they made me choose the first penis to be fucked ♡

The first time I smelled a penis,

it smelled so bad, like a mixture of cheese and raw fish, that it made my head spin.

I've been wanting to have sex with you ever since you were still in your stroller, okay?

I'll use you up until you get knocked up today... ♡

Ah! Mana-chan... It's like a dream.

It seems to be a rule that I kiss the penis of my choice.

In the end, I decided on Nakata-san's penis, which I thought was the coolest.

I was a little shocked that my first kiss turned out to be a penis when I hadn't even had a normal kiss yet!

but I couldn't resist the smell of his cock so I just sucked it♥

It's time to let go.  
Hey... Mana?

I heard that after kissing a cock, I have to have sex right away,

He said it felt good to lick the base of the glans.

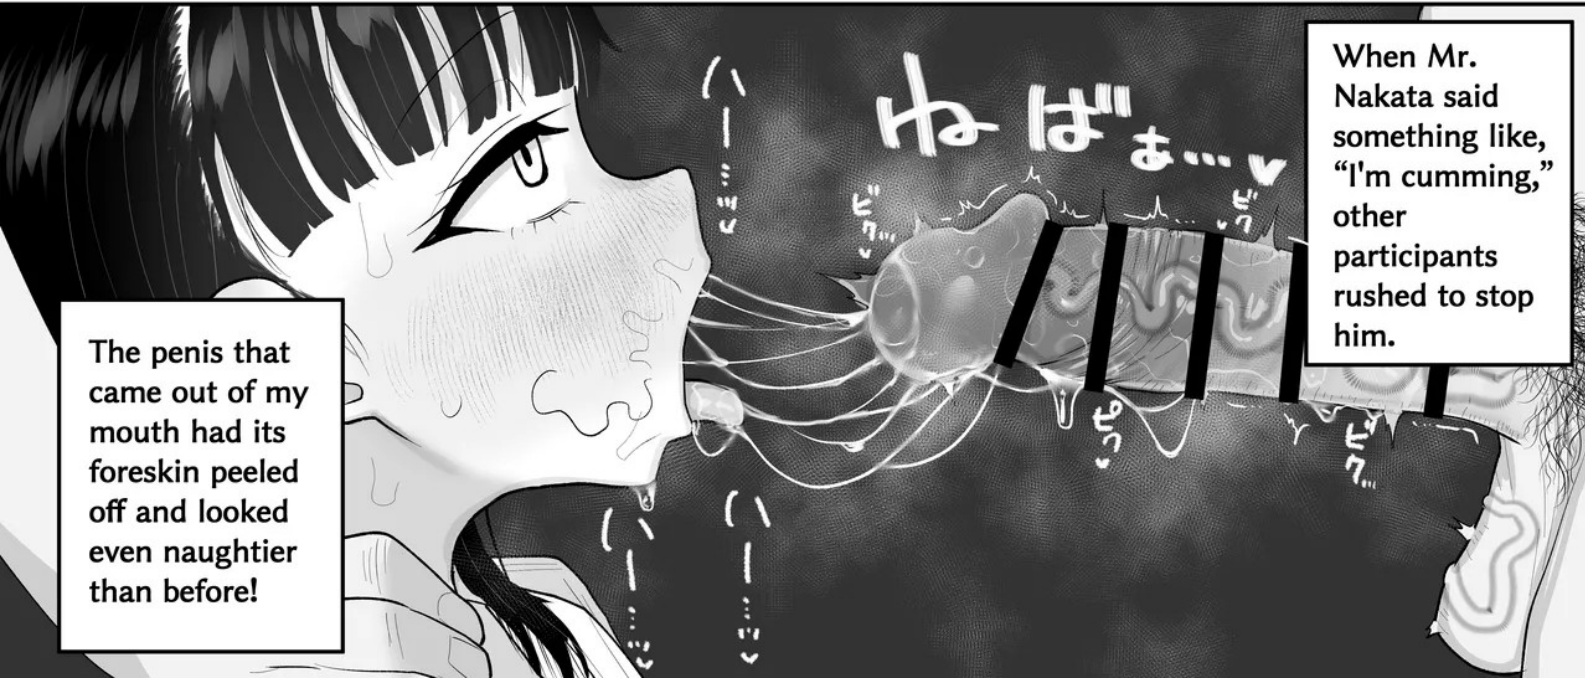

It was fun to hear Nakata-san sound like a girl!

It was slippery, like hard rubber.

When I sucked on it, I was surprised that it was thicker than I expected.

It was a little salty and hot, but I didn't dislike it.

The penis that came out of my mouth had its foreskin peeled off and looked even naughtier than before!

When Mr. Nakata said something like, "I'm cumming," other participants rushed to stop him.

I told them that I had done the pussy relaxing at home, and they decided to skip the foreplay and just let me insert his dick right away!

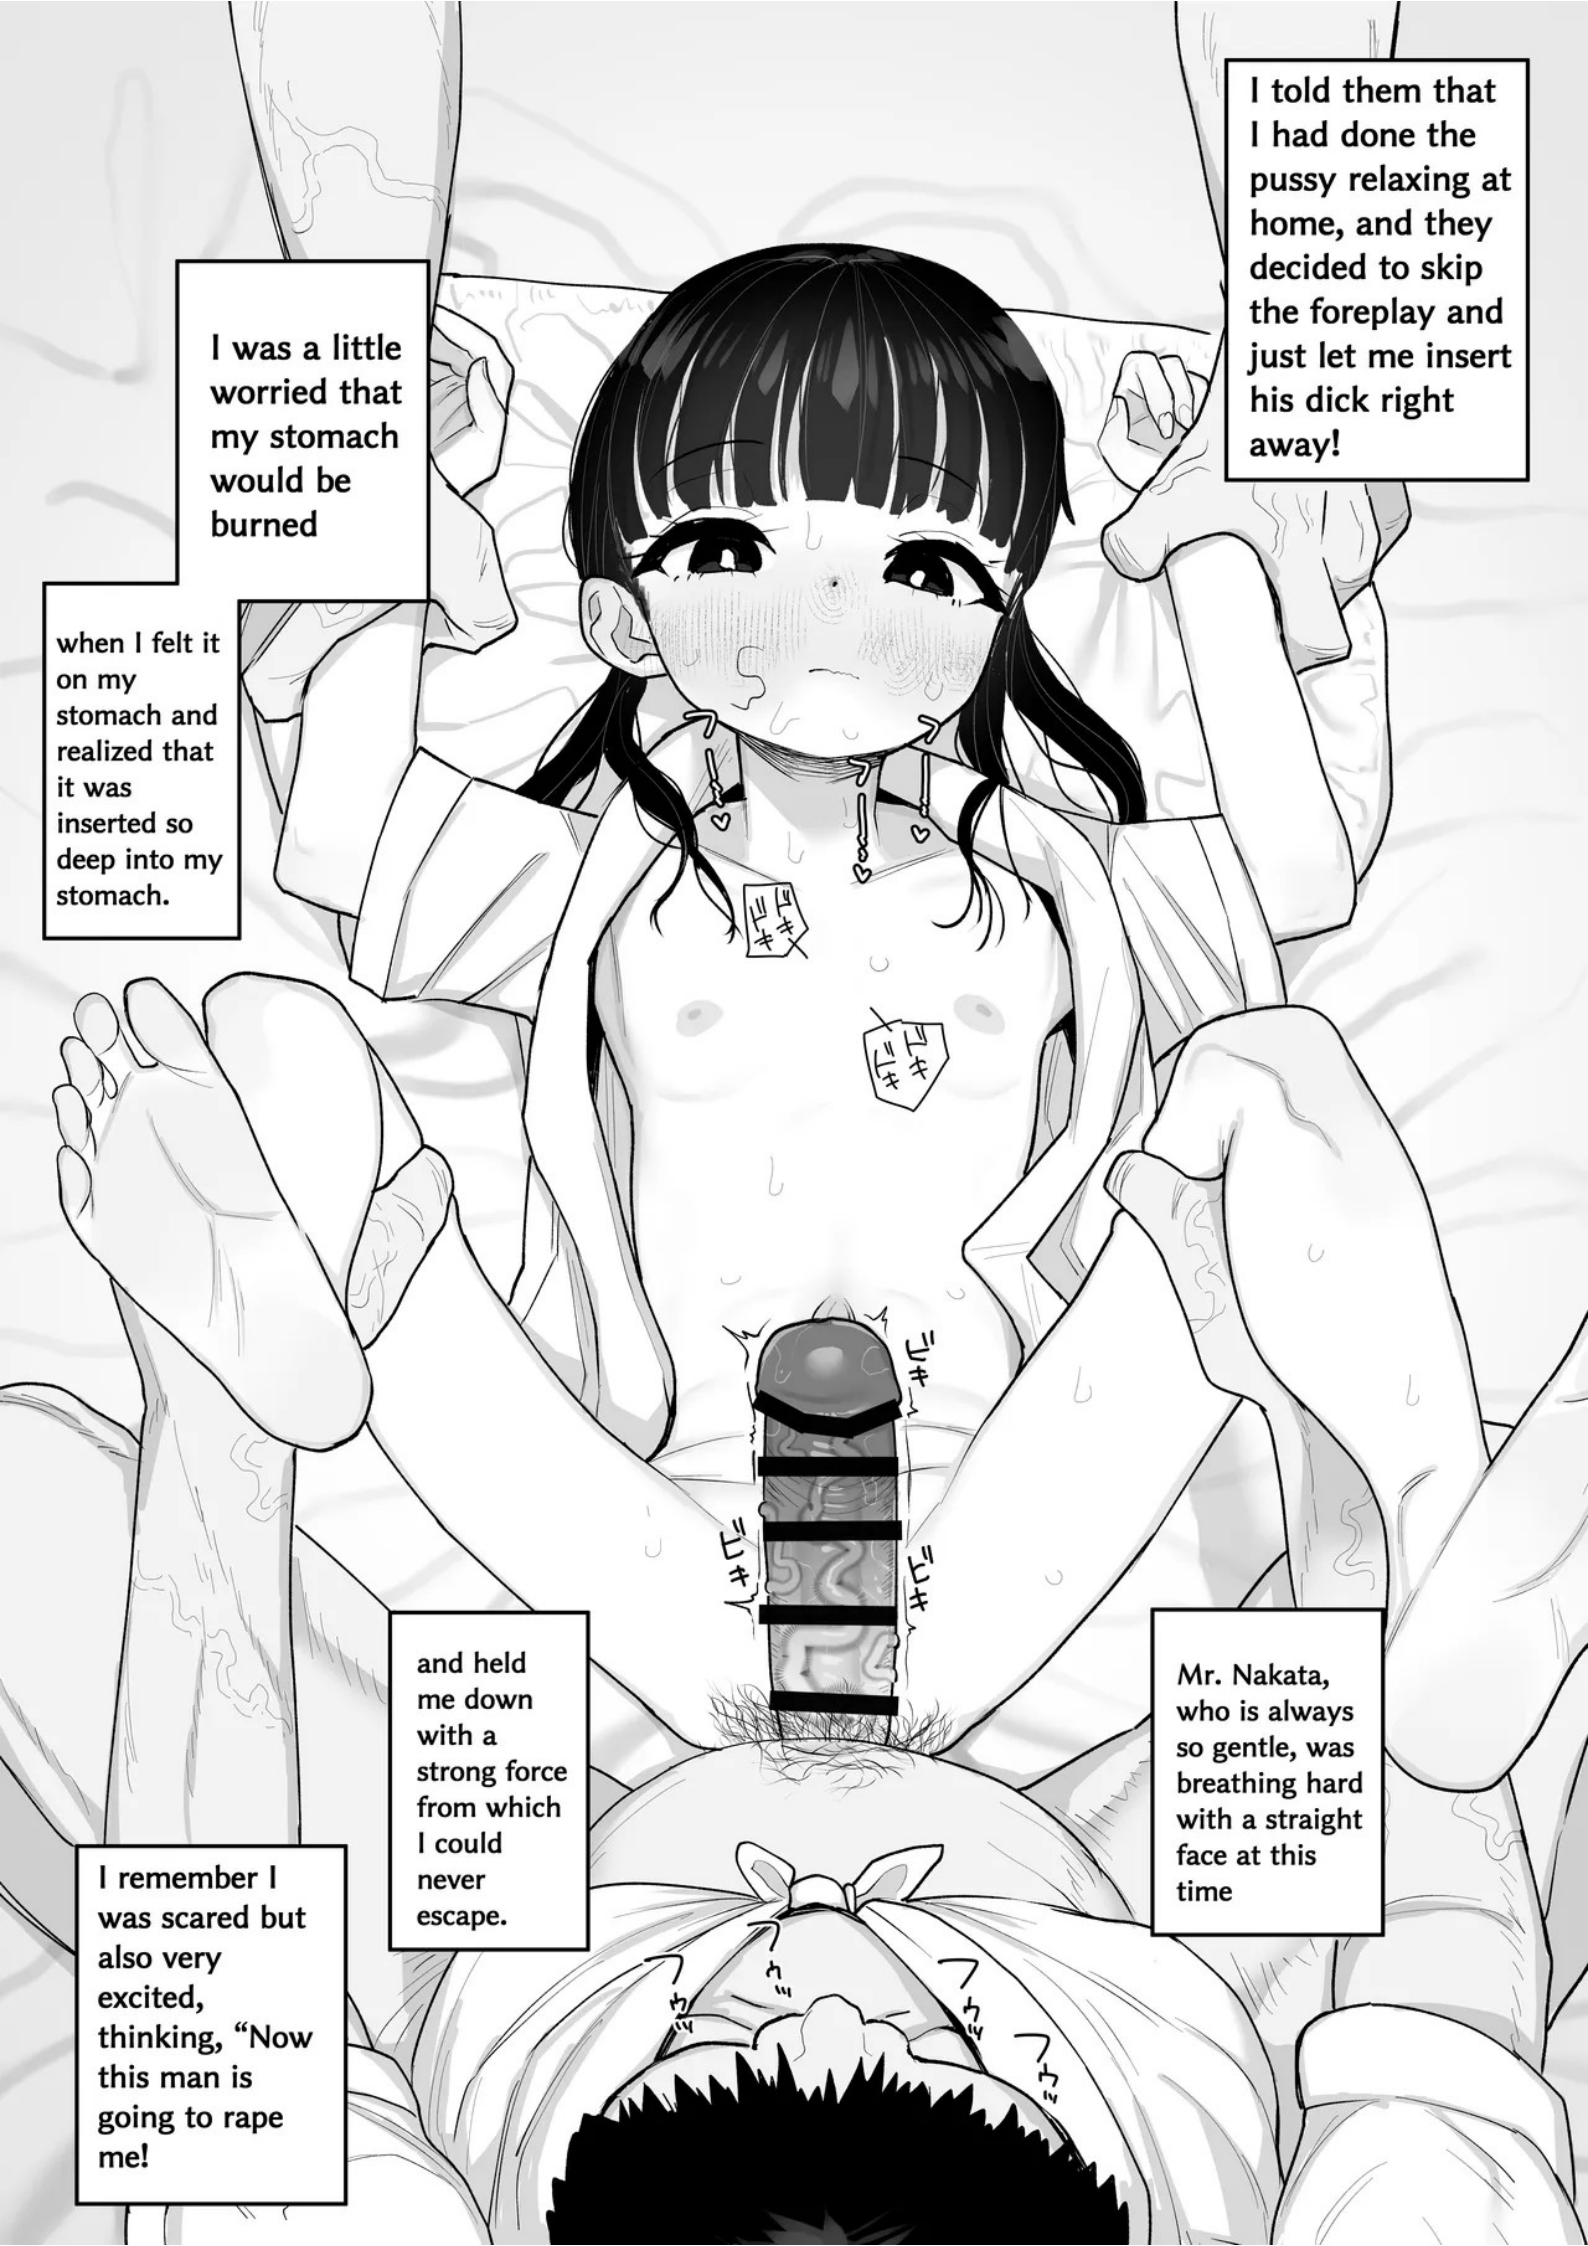

I was a little worried that my stomach would be burned

when I felt it on my stomach and realized that it was inserted so deep into my stomach.

and held me down with a strong force from which I could never escape.

I remember I was scared but also very excited, thinking, "Now this man is going to rape me!"

Mr. Nakata, who is always so gentle, was breathing hard with a straight face at this time

I've heard that first time sex hurts, but mine didn't hurt at all (maybe because I masturbate alone every day?)

Mr. Nakata slowly inserted his cock into my stomach as if he was grinding it deep inside me!

I had never experienced such a sensation in masturbation, and something like a pleasant electric current was surging up from my stomach to my head.

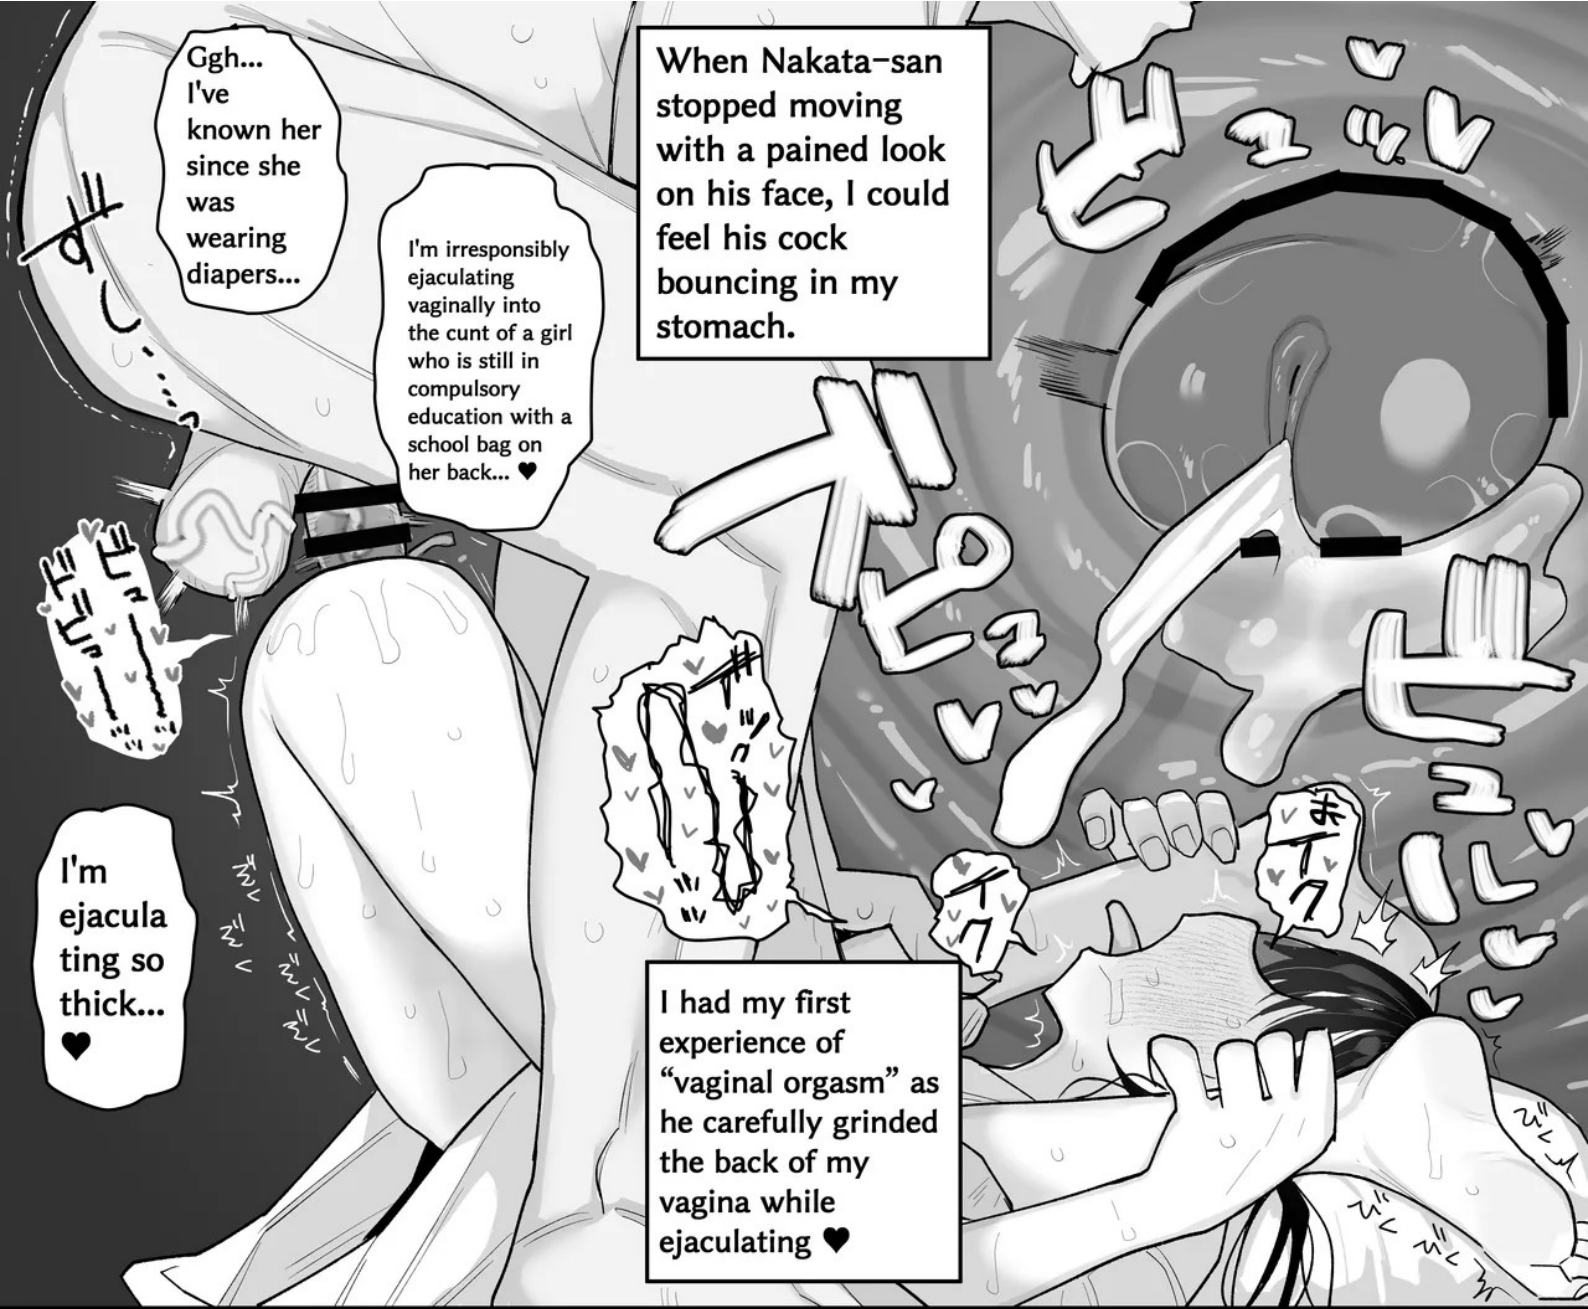

He made me do the "Piledriver" pose so that I could see him better!

It was very embarrassing,

but it was very erotic to feel that we were really having sex,

with a cock going in and out of my cunt making vulgar noises♥

Ggh...  
I've known her since she was wearing diapers...

I'm irresponsibly ejaculating vaginally into the cunt of a girl who is still in compulsory education with a school bag on her back... ♡

When Nakata-san stopped moving with a pained look on his face, I could feel his cock bouncing in my stomach.

I'm ejaculating so thick... ♡

I had my first experience of "vaginal orgasm" as he carefully grinded the back of my vagina while ejaculating ♡

This is the taste of sperm... ♡

And they made me tell them how I felt about my first sex.

I don't remember much of what I said because my head was all fluffy...

Uh, uh... ♡ It was so...

It was amazing... ♡ ♡

Every last drop of semen is squeezed out of you.

Oh, wow! It sucks and sucks.

Daddy♥  
Is your daughter's pussy nice? ♥♥

I'm about to ejaculate...  
Mana, call me Daddy...  
Oh... You're very good.

Like this...? ♥♥

Yeah... that's how you move up and down, wiggling your hips.

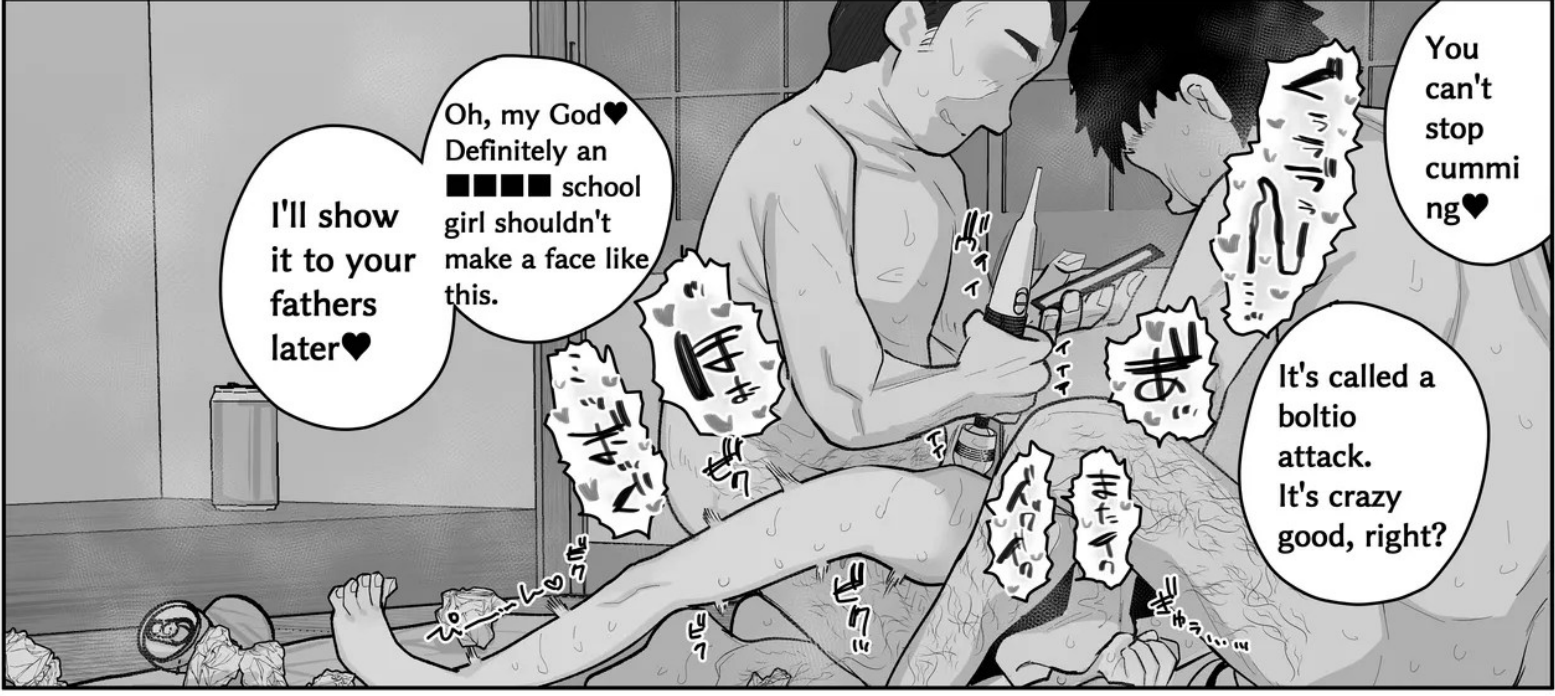

After that we all took turns having sex ♥

Huh... ♥  
Yumi♥  
Yumi♥♥

You'll be sorry when you're pregnant with my baby♥

I told you at the rally that you shouldn't participate until you're an adult.  
What a bad student you are...

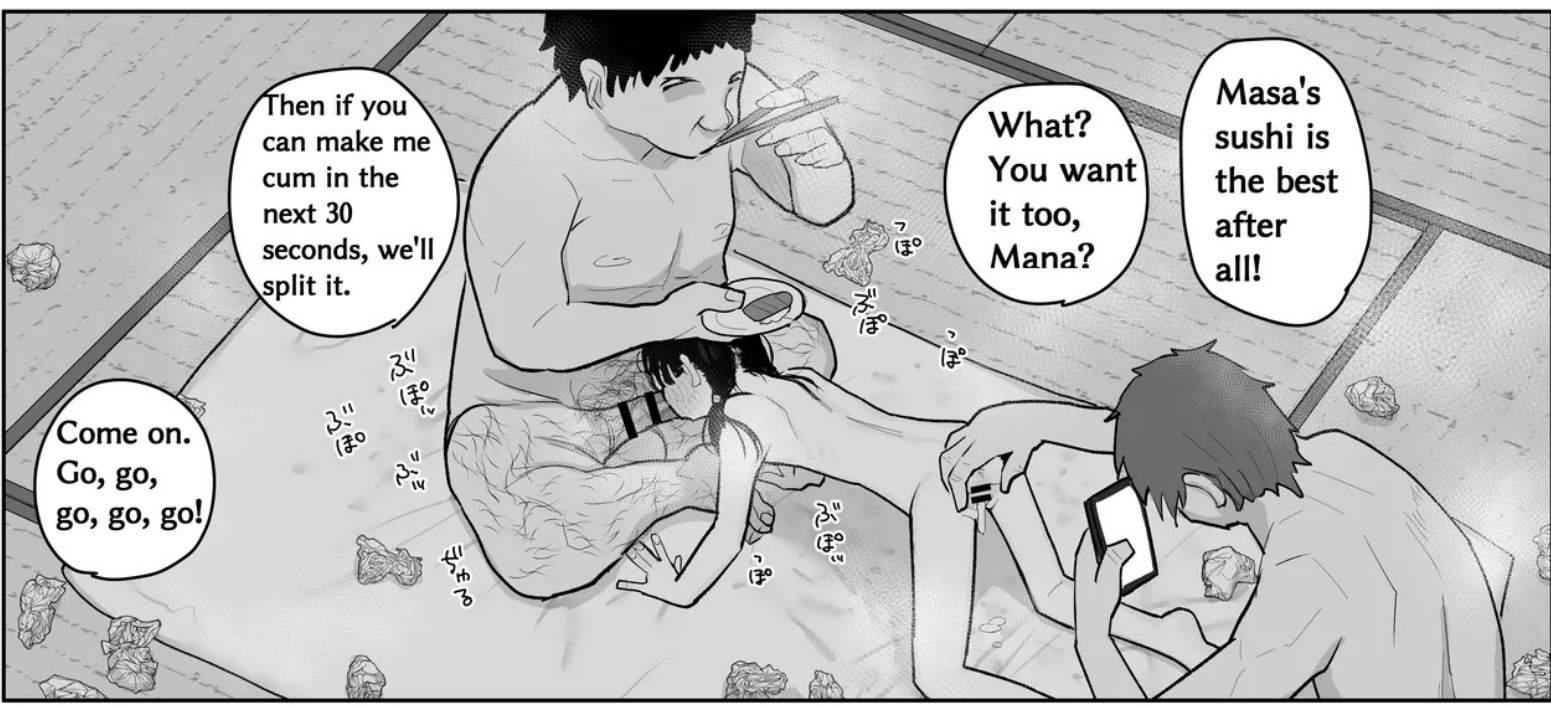

I'll show it to your fathers later♥

Oh, my God♥  
Definitely an ■■■■ school girl shouldn't make a face like this.

You can't stop cumming♥

It's called a boltio attack. It's crazy good, right?

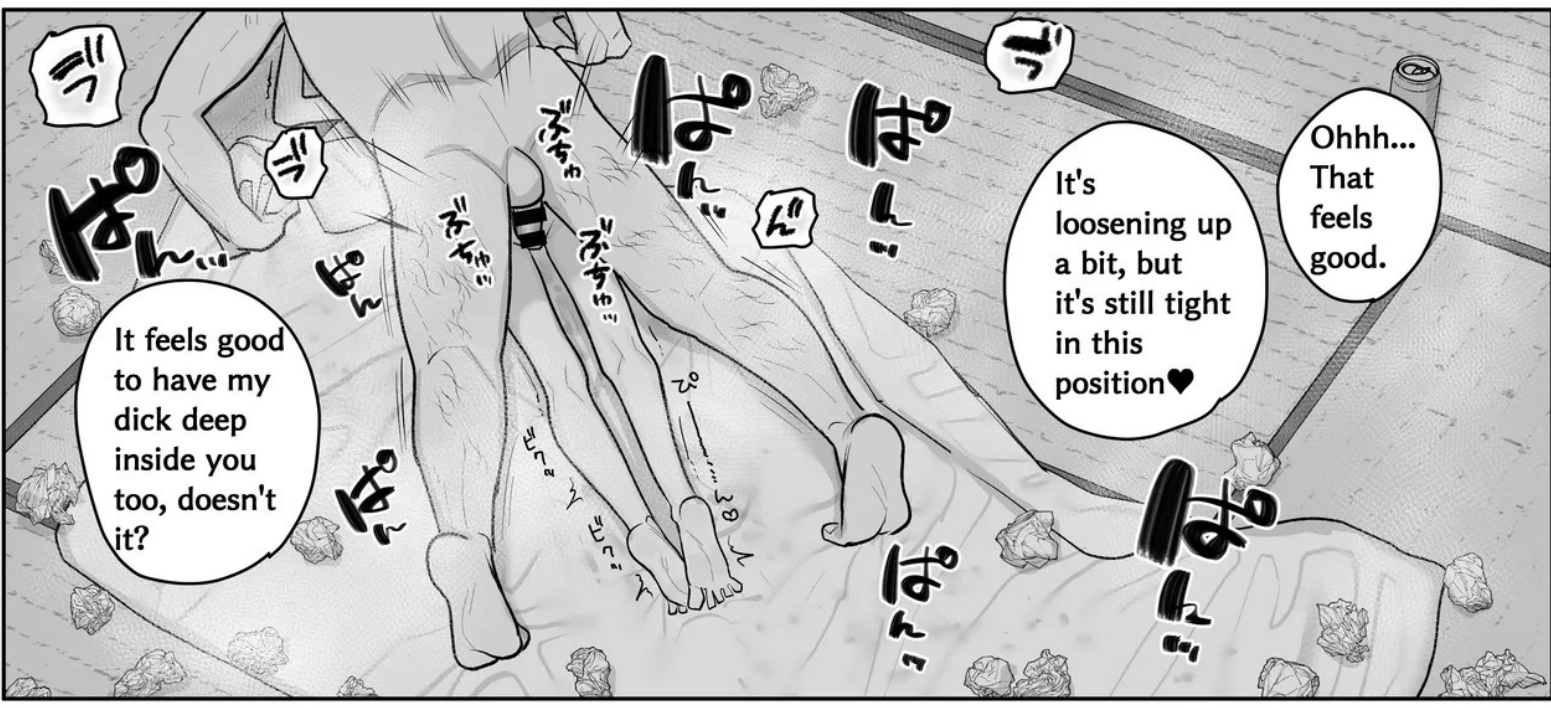

Then if you can make me cum in the next 30 seconds, we'll split it.

What? You want it too, Mana?

Masa's sushi is the best after all!

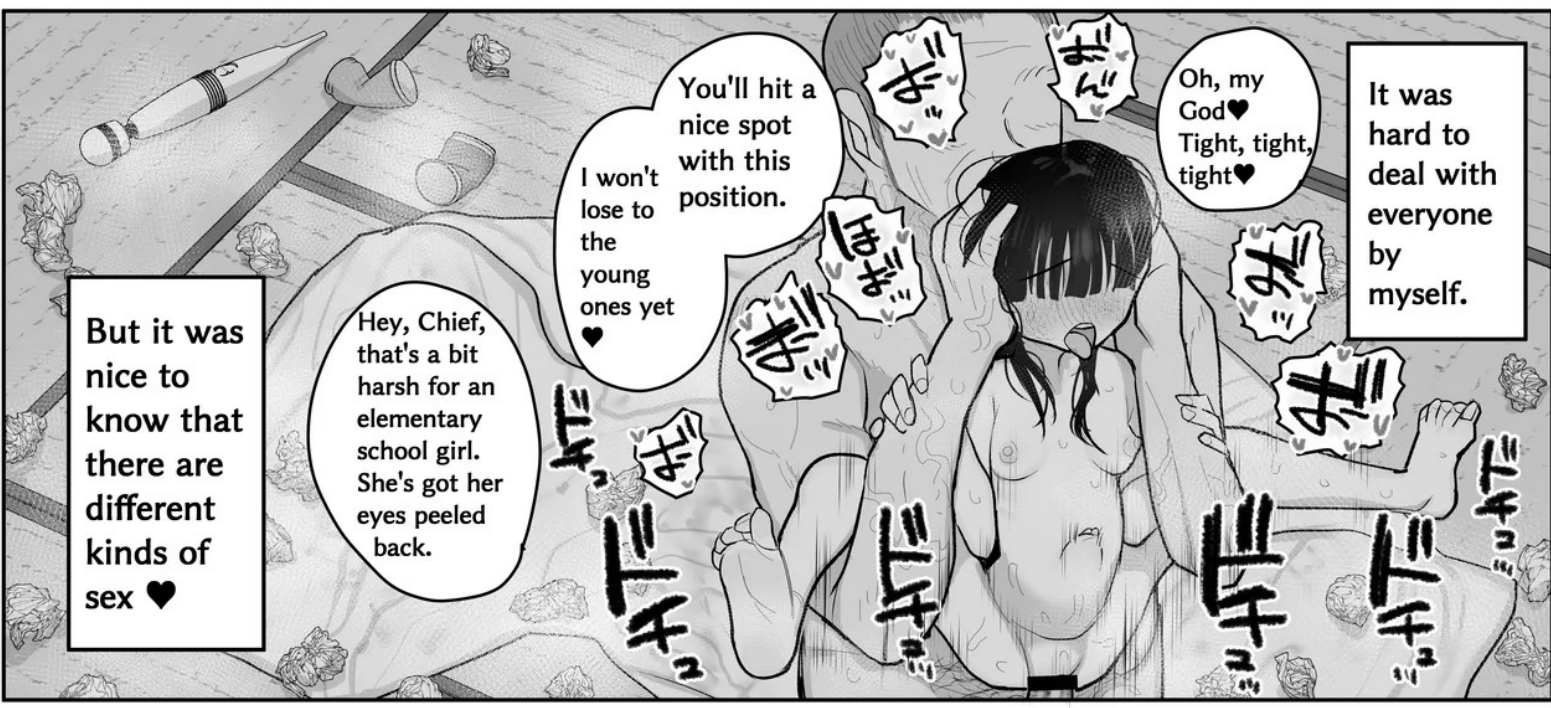

Come on. Go, go, go, go, go!

It feels good to have my dick deep inside you too, doesn't it?

It's loosening up a bit, but it's still tight in this position♥

Ohhh... That feels good.

But it was nice to know that there are different kinds of sex ♥

Hey, Chief, that's a bit harsh for an elementary school girl. She's got her eyes peeled back.

You'll hit a nice spot with this position. I won't lose to the young ones yet ♥

Oh, my God♥ Tight, tight, tight♥

It was hard to deal with everyone by myself.

Men like  
boobs even  
when they  
grow up.

At first it was just  
a tickle, but as  
they kept licking  
me, it got better  
and better,

and by the end I  
didn't know if I was  
coming from the  
sex or from the  
tits... ♡

I  
learned  
a lot  
more  
than  
just sex  
♡

I like tongue  
kissing  
because it's a  
different kind  
of feeling than  
sex ♡

When they  
were using all  
my holes, I felt  
like a tool, I  
was so excited  
♡♡

Oh, by the  
way, did you  
know that a  
penis can be  
inserted in  
the butt  
hole?

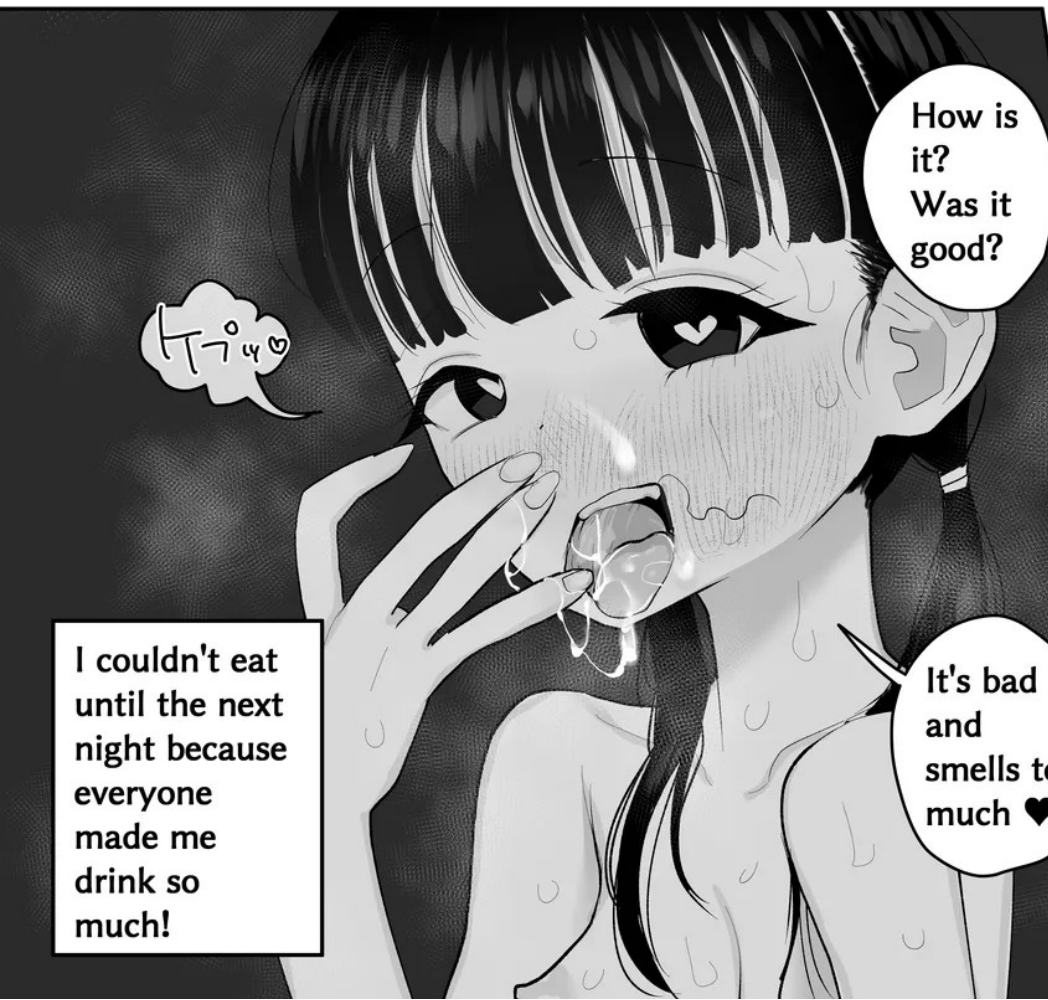

It felt  
pretty  
good to  
have my  
uterus  
pressed  
from the  
underside.

Everyone was allowed to drink sperm during recess.

Come on, open your mouth. I'm gonna... ejaculate ♡

You must have worked up a sweat. You need to rehydrate.

How is it? Was it good?

I couldn't eat until the next night because everyone made me drink so much!

It's bad and smells too much ♡

Don't drink it yet, okay?

Wow. Looks like it's about to overflow.

Well... Taste it.

...no...  
I'm so  
foggy...

...It's getting  
brighter.  
Is it morning  
already?  
Mom and Dad  
are coming  
home...

The festival  
ended around  
ten o'clock at  
night, but we  
ended up  
having sex all  
the way until  
morning♥

But...  
It was  
soooo  
good♥

I'm sure  
the moms  
would be  
furious if  
they found  
out...

I know I  
shouldn't  
have lied  
to my  
parents.

Even kids  
want to do  
naughty  
things.

I will  
definitely  
participate  
again next  
year♥
